RE: ONU Sidewalk Chalk Procedures

**Sidewalk Chalking Procedures:**

1. Sidewalk Chalking may be done by only one group or organization per day.

2. Sidewalk Chalk may remain for a period of one week.

3. The group or organization doing the Sidewalk Chalking assumes liability for any individual or member of the group/organization who may be injured or may incur clothing damage.

4. Groups/organizations will furnish their own supplies.

5. All things posted on the sidewalks must be in good taste. Anything profane or obscene is not permitted. What is placed on the sidewalks reflects on your group/organization.

This is a wonderful way to demonstrate spirit at ONU!

**All requests must be made 14 days prior to event.**
