I. INTRODUCTION

The purpose of the Student Code of Conduct is to explain student rights and responsibilities as members of the Ohio Northern University (ONU or University) community. The Code of Conduct is based upon the values contained in the University Mission Statement:

Ohio Northern University, a United Methodist-related institution of higher learning, seeks to educate and graduate students accomplished in scholastic achievement, prepared for a useful life and meaningful career, and inspired with a desire to contribute to the good of humankind consistent with Judeo-Christian ideals.

In essence, the Code of Conduct requires students to behave in a manner consistent with the values described in the University Mission Statement. To do so, students are expected to demonstrate:

Commitment to Self with maturity, openness, accountability, and self-discipline;

Commitment to Others with supportive, mutually collaborative, respectful, social interactions in all living and learning environments; and,

Commitment to Community with responsible citizenship, active participation, and global awareness.

II. GENERAL INFORMATION

NONDISCRIMINATION

Students at Ohio Northern University are not discriminated against on the basis of race, color, creed, religion, gender, sex, sexual orientation, age, marital status, veteran's status, military status, disability, national origin, ethnicity, citizenship, height, or weight.

RESPECT FOR DIFFERENCES

In addition to its nondiscrimination policy, the University expects its members to respect differences among individuals and to encourage communication, learning, and understanding of differing viewpoints. Individuals of different backgrounds are encouraged to take advantage of University programs and activities which are equally available to all members of the University community.

EXPECTATIONS FOR STUDENT CONDUCT

The Student Codes of Conduct provide students with general notice of behavior that is prohibited at Ohio Northern University. The University expects from its students a higher standard of conduct than the minimum required to avoid disciplinary action. The University may respond to established offenses of the applicable Code of Conduct with actions ranging from oral reprimand to suspension to academic dismissal.

Individual students, student organizations and other student groups are expected to comply with and support the standards of the University community. Individual students, student organizations and other student groups may be charged with alleged violations of the Codes and may be held individually and collectively responsible. Officers of a student organization or group may be held individually responsible when it is determined that violations by the membership of the group or organization were encouraged or approved by leadership.

In all student conduct situations, procedural fairness requires that students be informed of the nature of any charges, complaints or allegations brought against them; that students be given a fair opportunity to deny responsibility for those charges, complaints or allegations; that there be an available process of appeal for students; and that all parties respect the authority of the University to complete the student conduct process with a final, non-appealable decision. Procedures for appealing the Student Codes of Conduct can be found in **Appendices B and C**.

In addition to the Student Codes in the University Student Handbook, students are expected to abide by each Colleges' Handbook (such as the College of Law Handbook) and to the requirements contained in the Ohio Northern University Catalog.

ACADEMIC CODE OF CONDUCT

The University has a duty to protect and strengthen its educational purpose by establishing standards of scholarship and conduct for students. The University expects its students to conduct themselves as mature members of the academic community, and it assumes that individually and collectively students will discourage acts of cheating. Academic offenses involving examinations, written work submitted for evaluation, improper knowledge of the contents of an examination, misrepresentation of facts relevant to academic matters, and all forms of improper or unethical conduct are subject to established adjudication procedures. Procedures for appealing an academic conduct decision rendered by an individual college can be found in the University's Student Academic Code of Conduct at **Appendix C**. Each College has established its own Academic Code of Conduct containing the standards of behavior expected of students enrolled in that College's course(s). These can be found at **Appendices F through J**.

NON-ACADEMIC CODE OF CONDUCT

The University community subscribes to and strongly supports the right of each student to live, study, and work in a quiet, peaceful and respectful atmosphere conducive to the pursuit and acquisition of knowledge. Enrollment at the University obligates all students to conduct themselves as responsible members of the University community, whether on or off campus. Each member of the community is expected to assume responsibility for creating an environment that furthers the goals of the University. Accordingly, each student is expected to be fully acquainted with all published policies, rules and regulations of the University and will be held responsible for compliance with them. Procedures for addressing alleged violations of the non-academic Code of Conduct can be found at **Appendix B**.

III. GENERAL ACADEMIC REQUIREMENTS & INFORMATION

ACADEMIC STANDING OF STUDENTS

At the end of each semester or summer term, the academic standing of each student (except transient and special high school students) enrolled in the University is determined according to the following standards:

Good Academic Standing denotes students who meet the minimum standards of a 2.00 accumulative grade point average as calculated on the basis used by their College.

Academic Probation describes students who fall below the minimum standards of a 2.00 accumulative grade point average as calculated on the basis used by their College for the current term.

Continued Academic Probation denotes students who were on Probation during the previous term enrolled.

Undergraduate students currently on **Academic Probation** or **Continued Academic Probation**, whose grade point averages for the semester are below 2.00, are reviewed by the appropriate committees in their Colleges. The Committee will determine whether these students are permitted to continue at the University. In the alternative, the Committee may recommend: **Academic Suspension** during which a student is ineligible to continue in the University for a specified period of time; or,

Academic Dismissal which prohibits the student from continuing to attend the University.

A student may appeal an Academic Suspension or Dismissal in writing to his or her College in accordance with the College's procedures.

CLASS ATTENDANCE

All students are expected to attend all classes, including examinations. Students who must be absent are required to contact the faculty member (preferably before the absence) so that mutual agreement may be reached concerning work to be completed (including laboratory work) or quizzes to be rescheduled.

DIRECTORY INFORMATION

(For additional information see **Appendix A**)

The University has designated the following Directory Information which may be released without the student's specific approval: (1) student name; (2) permanent and local address and telephone numbers; (3) major fields of study and college in which enrolled; (4) degrees, honors, awards and dates received; (5) class (year of study); (6) dates of attendance; (7) most recent institution previously attended; (8) previous degrees earned and granting institutions; (9) participation in officially recognized activities and sports; (10) height and weight of members of athletic teams; (11) enrollment status (enrolled, withdrawn, full- or part-time); and (12) student email address.

Students may withhold Directory Information by notifying the Office of the Registrar in writing within two weeks of the first day of the fall term. Requests to withhold Directory Information are in effect for the Academic Year in which the request to withhold was received or until rescinded in writing by the student.

EDUCATIONAL RECORDS

The University policy on Student Educational Records can be found at **Appendix A**. Educational records are maintained at the following locations:

Office of the Registrar – Lehr Memorial

1. Registration records
2. Permanent academic record files
3. Computer files of academic records and personal information submitted by the student

Office of Student Affairs – McIntosh Center

1. Student social files
2. Computer files of local addresses, fraternity/sorority membership, and co-curricular activities
3. Student Conduct files for non-academic violations.

Academic Department and College Offices

There is no commonality in files maintained by the various departments and colleges. Educational records may be maintained by the faculty advisor, department chair and/or the college office. Student Conduct files for academic violations are maintained in the Dean's Office of the student's individual college. Education records do not include records maintained by faculty and staff solely for their own use that are not shared with others.

Office of Career Services – Lehr-Kennedy House

1. Credential File

Office of Student Financial Aid – Weber Hall

1. Financial Aid Records

FINAL EXAMINATIONS

Students must be present at final examinations. Absence from any final examination must be the result of documented, unavoidable conditions and approved, in advance, if possible, by the course instructor. Unexcused absence from an examination will result in failure of the examination. An instructor may excuse students from the final examination if they have an A in the course.

FULL-TIME STATUS

Students must carry at least twelve credit hours to have full-time status.

GOOD ACADEMIC STANDING FOR ELIGIBILITY: INTERCOLLEGIATE VARSITY SPORTS, EXTRACURRICULAR AND CO-CURRICULAR ACTIVITIES

1. Ohio Northern University is a member of the National Collegiate Athletic Association (N.C.A.A.) and the Ohio Athletic Conference (O.A.C.) and follows the constitutions and by-laws of those organizations in determining eligibility for intercollegiate athletics.
2. Students are in good academic standing for eligibility to participate in extracurricular and co-curricular activities of the University unless restricted from doing so by action of the Dean of the student's college of registration for academic reasons or by the Vice President for Student Affairs & Dean of Students or the Director of Athletics for conduct reasons.

Good academic standing for eligibility denotes that a student is registered for classes and meets the minimum standard accumulative grade point average necessary to be eligible to participate in intercollegiate varsity sports, extracurricular and co-curricular activities where the student represents the University in competitive events.

For students enrolled prior to the Fall of the 2008-09 Academic Year:

The University standard is:	Freshman year	1.60
	Sophomore year	1.80
	Junior year or higher	2.00

Students entering or readmitted to Ohio Northern University in the Fall of 2008 or later:

The University standard is:	Students who have earned fewer than 37 credit hours	1.80
	Students who have earned 37 or more credit hours	2.00

Individual colleges may establish higher standards. The colleges of business administration, engineering, pharmacy and law, by action of their respective faculty, have adopted higher standards. Students in these colleges must meet the 2.00 standard to be considered "in good academic standing".

INCOMPLETE GRADES

All Incomplete ("I") grades must be removed within 12 weeks after the beginning of the next regular semester for which the student is enrolled unless the time is extended by the Dean of the College in which the student is registered. The grade will be converted to a failing grade if this time limit is not observed.

MILITARY DUTY

If a student is drafted or called to military training or duty **during** an academic semester, a full refund of tuition, fees, and financial aid will be made. No refunds will be made in those cases where the student earns academic credit for the semester.

If a student is drafted or called to military training or duty for service to occur during a future term, the student must decide if the length of training or service will allow for them to remain registered for the subsequent term. If the student decides to withdraw-before the term begins, a full refund will be given. If the student decides to begin the term and later decides to withdraw-while the term is in session, a prorated refund of tuition, fees and financial aid will be calculated.

In the case of a student being called for military duty due to a national emergency (e.g. natural disaster and war) and the student is unable to meet with a university official in person, the university official on behalf of the student can withdraw the student and complete the necessary paperwork. The student would just need to call or email a university official.

In the case of the student being drafted or receiving military training or duty orders after the tenth week of the semester, the student may, at the discretion of the dean of the college in which the subjects are taught make arrangements to take final examinations or otherwise complete the work for the semester.

It is always the responsibility of the student to provide a copy of the military training or duty orders to the VA Certifying Official in the Office of Financial Aid.

If the military training or duty orders are served to the student in advance, the student should make contact with each of the following ONU Offices/Personnel:

Dean of the Student's College:

- Discuss plans upon return including re-registration.
- Discuss timetable for communication.
- Initiate processing for withdrawal from the university.

Financial Aid Office:

- Students are not required to make loan payments while deployed.
- Lenders must postpone the student loan payments of these borrowers.
- Students who have not begun the repayment period on their loans continue to receive the benefit of a grace period (generally six months) before repaying their loans.
- Students must be given a reasonable period of time to resume school before lenders request student loan payments.
- A lender may grant a discretionary, administrative forbearance for up to three months to students who are affected by military mobilization.
- If a borrower is in default on a loan, the lender must cease all collection activities for the expected period of the borrower’s military service.

PLACEMENT OR CREDIT BY SPECIAL EXAMINATION

Description: A student seeking a baccalaureate or post baccalaureate degree at the University may be permitted to take a Special Examination in certain undergraduate courses currently in the catalog for which achievement of course goals can be demonstrated by examination. Marks for such examinations will be “S” (satisfactory) or “U” (unsatisfactory). Satisfactory performance on a Special Examination may be used for (1) placement only, to satisfy any course prerequisites, with no credit awarded, or (2) establishing credit.

Application for Approval: Permission to take a Special Examination is obtained through formal application available through the Office of the Registrar. The application requires approval of the student’s advisor, the Academic Dean of the student’s College of registration, and the Department Chair of the department in which the course is offered. Once approved, an examiner will be appointed by the Department Chair to conduct the examination.

Approval will not be given for:

- (1) courses which the student has previously audited or failed at this or other institutions;
- (2) courses which are prerequisite to any course for which the student has already established credit;
or
- (3) courses for which the student has previously attempted credit by Special Examination unsuccessfully.

Timeframes:

Students must:

- (1) obtain approval to take a Special Examination;

- (2) pay applicable administration fees;
- (3) schedule and take the examination;
- (4) ensure that the examination results are reported to the Office of the Registrar by the examiner; and,
- (5) pay applicable credit fees

prior to the end of the ninth week of a semester.

NOTE: Post-baccalaureate students in the Doctor of Pharmacy program who plan to seek credit by examination for one or more clerkships because of professional experience must complete the examination(s) prior to their initial enrollment in PHPR 800 – Advanced Practice Rotation.

Fees:

Administration: There are no fees for those Special Examinations required by the University or a specific College for purposes of determining placement in a course or for determining entry level in some sequential courses. Special Examinations for placement purposes that are not required by the University and Special Examinations for credit require an examination administration fee to be paid at the Controller’s Office when the student applies for Special Examination.

Credit: Full-time, baccalaureate degree-seeking students may receive up to five (5) credit hours by Special Examination for one (1) course only at no charge. Subsequently, full-time students who pass a Special Examination for credit are required to pay full credit hour charges before credit is entered on the student’s permanent record.

Part-time students who pass a Special Examination for credit are required to pay fifty-percent (50%) of the full credit hour charges before credit is entered on the student’s permanent record.

Credit hour charges will be based on fees in effect at the time credit is awarded. The administration fee will be applied to the credit fee.

Documentation in Student’s Permanent Record:

Upon payment of the applicable credit fee prior to the end of the ninth week of a semester, credits for Special Examinations will be recorded on the student’s permanent record. Satisfactory completion of the Special Examination will be recorded as “XM” (credit) or “PL” (placement). These credits will not affect the student’s accumulative grade point average.

Unsatisfactory grades on Special Examinations for credit will be reported to the Office of the Registrar, but will not be recorded on the student’s permanent record.

Limitations: Not more than a total of forty-five credit hours earned by Special Examination or externally administered examinations, such as AP, CLEP and IB, may be applied toward a baccalaureate degree.

STANDARDS FOR SATISFACTORY PROGRESS FOR FULL-TIME STUDENTS

Students must meet standards for satisfactory progress to be eligible for participation in a competitive activity of individuals, teams, or other groups officially designated as representing the University or any of its Colleges. This policy does not affect a student’s eligibility to receive financial aid.

A full-time student is making satisfactory progress in a degree program when the student: (1) maintains an accumulative total of credit hours completed in credit-assigned courses at the university equivalent to the completion of an average of at least 12 credit hours during each of the previous academic terms for which the student has been enrolled; and, (2) has been enrolled in at least two of the three terms immediately preceding the term of proposed participation. Requirement (2) shall be waived when a student is completing either (i) a cooperative education assignment or (ii) an international study abroad program.

- A. Exception to the above requirement may be granted upon written petition approved by the activity director and endorsed by the Dean of the college of registration and the Vice President of Academic Affairs if the student cannot comply with the requirements because of financial, health, or personal exigencies. This exception will be transmitted by the Vice President for Academic Affairs to the Registrar's office for inclusion in the student's permanent academic record file.
- B. Credit hours completed during summer session at the University or when on a cooperative education assignment will be counted in the accumulative total. However, summer and cooperative education terms will not be counted in the number of terms of enrollment.
- C. Satisfactory progress is determined one calendar year after initial full-time enrollment and thereafter.
- D. Hours earned and credited toward graduation during part-time enrollment, except during summer session, are not counted in the accumulative total for determining satisfactory progress.

NOTE: Credit earned in a repeated course for which credit had previously been received will not increase the student's accumulative total of credit hours. Exception to this statement is made only for courses for which the catalog description states "may be repeated".

Completion of credit hours

- A. Credit hours are completed for purposes of determining satisfactory progress if they are graded "A" through "D" or "S" (Satisfactory).
- B. Credit hours are not completed for purposes of determining satisfactory progress if they are: (1) graded "F" or "U" (Unsatisfactory); (2) marked with "W" (Withdrawal) or "I" (Incomplete); (3) audited; or, (4) still in progress.

Meeting standards for satisfactory progress for full-time students may be used as a criterion in determining academic standing.

IV. GENERAL NON-ACADEMIC REQUIREMENTS & STANDARDS OF CONDUCT

Ohio Northern University's jurisdiction to enforce these general non-academic requirements and standards of conduct includes behavior that 1) occurs on the University campus; and/or, 2) occurs in University owned or University operated facilities or equipment, no matter where they are located; and/or 3) occurs at University sponsored, University sanctioned or University supervised events no matter where they occur; and/or 4) occurs at any off-campus location while enrolled as an enrolled Ohio Northern student. Discipline procedures for all non-academic violations can be found at **Appendix B**. Discipline procedures for all academic violations can be found at **Appendix C**.

As members of the University community, students are expected to comply with U.S federal law, Ohio state law and local Ada law. Ohio Northern University cannot protect students who violate public laws. Law enforcement officers have the authority to pursue legal violations on campus.

Alcohol is not permitted in new student rooms (Northern House, 5 University Parkway, Maglott, Founders, Park and Stambaugh).

Underage students in the presence of alcohol are in violation of the alcohol policy (unless student is a permanent resident of that private area).

Drinking games (both alcohol and non-alcohol) of any type are prohibited on Ohio Northern's Campus and are a violation of the alcohol policy.

Students found in violation of the alcohol policy will be charged \$100 as a portion of their sanction. This fee is used to help fund the alcohol education course at Ohio Northern University.

Any prospective, current or former student who believes they have been the victim of harassment on campus, or while involved in any university-related function, should contact the Vice President for Student Affairs & Dean of Students. An investigation of the complaint will be scheduled promptly. All information will be held in confidence within the scope of the investigation to the greatest extent possible. Any student bringing a good faith University harassment complaint or assisting in investigating such a complaint will not be adversely affected in terms and conditions of attendance or be discriminated against because of the complaint. Complaints of such retaliation will be promptly investigated.

HAZING

(For additional information see [**Appendix O**](#))

Ohio Northern University policy and Ohio law prohibit hazing. Hazing in any form is not beneficial to the academic environment of the University. No organization, team, faculty member, staff person, student or alumni shall conduct or condone hazing activities on or off campus. This policy applies to any University organization and/or its members and/or its alumni; i.e. professional, athletic, musical, general/special interest, religious, honorary, Greek, social, or law. Any member, regardless of length of time in the organization, may be held accountable for "giving" or "receiving" an act of hazing.

The ONU Interfraternity and Panhellenic Councils, along with all national headquarters of the campus Greek organizations, assert unequivocally their opposition to pre-initiation activities and post-initiation activities which do not contribute to the positive development and welfare of new and/or initiated members.

IDENTIFICATION

Anyone who finds an ID belonging to someone else should return it immediately to the owner, or to the Controller's Office or Security Office.

MEAL PLANS

The price for the Carte Blanche meal plan is set based upon the assumption that only the holder of the contract will eat in the dining hall. Therefore, meal contract students are not allowed to sell or let others use their ID cards, nor are they permitted to share food with others not on the meal contract. Bonus meals are exceptions and therefore may be shared with others. Violators of this policy are subject to disciplinary action.

MOTOR VEHICLE REGULATIONS

All cars parked on campus must be properly registered with Campus Security and must display a valid parking permit. All students officially enrolled at the University are eligible to operate a motor vehicle in the University community. Students on academic or disciplinary probation may be denied the use of a motor vehicle. Students must register their vehicles (motorcycles included) at the Security Office located in the Business Services building on Union Street. Complete parking regulations are available from the Security Office.

PARKING AND PARKING PERMITS

1. No student vehicle may be parked anywhere on campus unless the vehicle has been properly registered and a valid parking permit has been obtained. After one warning of parking without a permit, the vehicle may be towed off-campus and stored at the owner's expense.
2. The parking permit fee for each vehicle is \$60 per academic year or \$40 per semester.
3. Temporary parking permits may be obtained for \$1 per day by any eligible student who desires to bring a vehicle on campus for a limited time.
4. Parking of vehicles is limited to those areas specifically designated for that purpose.
5. Students who receive more than five parking tickets during an academic year are subject to disciplinary action.

PARKING FOR DISABLED

Areas designated as parking for disabled must only be used by disabled individuals. Any use by other than disabled students constitutes a violation that will result in a parking fine. In order to park in a parking area for the disabled, a student must have an appropriate parking sticker placed on the car. These can only be obtained through the state of residence.

TRAFFIC APPEALS BOARD

The Student Traffic Appeals Board procedure is listed in Appendix K. To appeal a traffic ticket, a student must file a declaration of appeal within two weeks after receiving a ticket.

PERSONAL BELONGINGS

The safe-keeping of personal property is each student's responsibility and no reimbursement from the University can be expected for loss of such property. The University does not carry insurance to cover the loss of any personal property. Independent arrangements for insurance coverage should be made by students and/or their parent(s)/guardian(s).

PRIVACY RIGHTS, STUDENT

(For additional information see **Appendices A** and **N**)

University students age eighteen and above, have some privacy rights related to their educational records. Further information regarding these rights and what is contained in educational records can be found in Appendix A. The University may access any information that is transmitted or stored on the University computer network as is more fully discussed in Appendix N.

SEXUAL MISCONDUCT

Causing or attempting to cause mental, physical or emotional abuse of a sexual nature to another, whether in the form of sexual harassment or sexual assault, constitutes sexual misconduct, which is prohibited.

SEXUAL ASSAULT

For purposes of this policy, sexual assault is any type of nonconsensual sexual activity, including: inappropriate touching; vaginal, anal, or oral penetration; rape; or attempted rape. It is a violation of this policy for a person to engage in any act of reprisal against a person filing a complaint of sexual assault under this policy. The filing of a lawsuit in good faith by the person alleged to have violated this policy shall not be deemed an act of reprisal. It is also a violation of this policy for a person to file a complaint falsely alleging sexual assault with knowledge of its falsity or with reckless disregard for the truth.

Sexual assault is a violation of University policy and is prohibited. Students who violate this policy will be subject to severe disciplinary action on campus, which may include suspension or dismissal, plus face the possibility of prosecution by government authorities. Normal university adjudicatory procedures are followed in cases where students are charged with violating this policy. Any student who may be a victim of sexual assault should contact a Security Officer, Vice President for Student Affairs & Dean of Students, the Office of Student Conduct, the Ada Police Department or the Health Center. Any report made to any office listed will be reported as an incident to the proper authority(s) in compliance with University policy and the law.

SEXUAL HARASSMENT

It is the policy of the University to maintain an academic and employment environment free of sexual harassment. Sexual harassment is a violation of University policy and is prohibited. For the purposes of this policy, sexual harassment is defined as: unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic advancement; or
2. Submission to or rejection of such conduct by an individual is used as a basis for employment decisions, or academic decisions affecting such individuals; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or general living conditions or creating an intimidating, hostile, or offensive working, living or academic environment.

It is also a violation of this policy for a person to engage in any act of reprisal against a person filing a complaint of sexual harassment under this policy or to file a complaint falsely alleging sexual harassment with knowledge of its falsity or with reckless disregard for the truth. The filing of a lawsuit in good faith by the person alleged to have violated this policy shall not be deemed an act of reprisal.

Any members of the University community including faculty, staff, prospective, current or former students, who believe they have been the victims of sexual harassment in a University work environment should report to the Director of Human Resources who will initiate the process for investigating work-related sexual harassment.

Any prospective, current or former student who believes they have been the victims of sexual harassment in any other way on campus, or while involved in any university-related function, should report to the Vice President for Student Affairs & Dean of Students who will initiate the process for investigating non-work-related sexual harassment.

Due to the sensitive nature of allegations of sexual harassment and the potential for such impacts on the lives and/or careers of faculty, staff or students, throughout all proceedings confidentiality will be maintained to the greatest extent possible by all persons involved. Upon making a final decision in a matter covered by this policy, the President shall have the discretion to make public any or all of the written report.

STALKING

Stalking in any form, by any member of the University community, is prohibited. Stalking involves repeated harassing or threatening behavior by an individual, in person or via electronic communication. Such behavior can include: following a person; using an IP address to find an individual's physical address; appearing at a person's residence or job site; communicating false or derogatory allegations about an individual on websites accessible to others; making harassing phone calls; leaving written messages or objects at an individual's residence or on their vehicle; generating excessive social media activity or text messages to the same individual; or, vandalizing a person's property.

TELEPHONES

FRAUDULENT & PRANK CALLS

It is against University policy to place fraudulent or prank phone calls for any reason.

TEMPORARY SUSPENSION

In certain circumstances, the Vice President for Student Affairs and/or Dean of Students, may impose temporary suspension prior to a discipline hearing. Temporary suspension may be imposed: a) to ensure the safety and well-being of members of the University community or preservation of University property; b) to ensure the student's own physical or emotional safety and well-being; or c) if the student poses a definite threat of disruption or interference with the normal operations of the University.

During a temporary suspension, the student shall be denied access to the campus to the extent deemed appropriate by the Vice President for Student Affairs and/or Dean of Students. This may include restriction from residence halls, University activities, campus buildings, classes, etc., or may constitute restriction from campus entirely.

THEFT

Theft is a violation of University standards, as well as a violation of local and state law. The selling of books or other items which do not belong to the seller is a violation of this policy.

TOBACCO AND SMOKING

The University recognizes the need to create and maintain an environmental quality that sustains and enhances the general health and well-being of its students, faculty, staff and visitors. ONU has developed a tobacco & smoke-free policy for all academic and campus service buildings, offices, residence halls, apartments and Greek houses.

Smoking must take place at least 20 feet from all university buildings. The Inn at Ohio Northern University is a 100% smoke-free facility, including the garden court-yard. For the purpose of this policy, “tobacco” is defined to include any lit cigarette, cigar, pipe, bidi, clove cigarette, e-cigarette, other smoking products or any alternative smoking devices; and smokeless or spit tobacco, also known as dip, chew, snuff or snus, in any form.

VIOLATION OF LAW

The violation of local, state or federal law while on campus or while participating in University sponsored events or activities, including off-campus study programs, is prohibited.

V. RESIDENCE HALL POLICIES AND PROCEDURES

INTRODUCTION

The goal of the residential system at Ohio Northern University is to provide students with a positive and healthy living/learning experience. This is a student’s home for the time each is enrolled at the University, and it should be a place where students feel comfortable. The residence experience is a community living situation which must meet study needs and provide an opportunity for development, particularly in the areas of independence, responsible behavior, maturation, flexibility, interaction, acceptance of others, and understanding of values that vary among individuals. This out-of-classroom experience will provide students the opportunity for involvement in areas of varying personal interests.

STAFFING

Undergraduate students known as Resident Assistants (RAs), Senior Resident Assistants (SRAs), and Resident Directors (RDs) will serve as peer resources, administrators and community developers in the residential unit. As fellow students, these staff members are invaluable in understanding the needs of a residential community. The Director of Residence Life serves as the overall administrator for the residential community at Ohio Northern University. The Director of Residence Life is supported by the Assistant Director of Residence Life & Coordinator of Student Programming. Please utilize them as resources in your community.

RESIDENT RIGHTS AND RESPONSIBILITIES

- The right to sleep during the night without disturbance from undue noise or guests of roommate(s)
- The right to read and study free from undue interference in one’s room
- The right to free access to one’s room and facilities at all times without restriction from roommate(s)
- The right to feel secure against physical or emotional harm, or intimidation
- The right to expect that a roommate(s) will respect one’s personal belongings
- The right to a clean environment in which to live
- The right to personal privacy

- The right to host guests with the expectation that guests are to respect the rights of the host's roommate(s), other hall residents, and the policies of Ohio Northern University
- The right to address grievances (Residence Life staff are available for assistance)
- The right to expect reasonable cooperation in the use of "room shared" appliances (telephone, refrigerator, etc.) and a commitment to honor agreed upon procedures

Beyond these rights and responsibilities, residents are expected to live together cooperatively and in mutual consideration.

UNIVERSITY HOUSING POLICY

All full-time (12 semester hours) University undergraduate and international students are required to live. This policy includes all residence halls, on-campus apartments, and all fraternity and sorority houses. All students with fewer than 12 semester hours are not eligible for campus housing and may be asked to leave the residence halls or apartments.

Applications to move off-campus or to commute for the upcoming academic year must be made in writing and approved by staff in the Office of Residence Life prior to on-campus room selection for the upcoming academic year. Room selection for the next academic year is held during spring semester, after pre-registration for fall classes.

Approval by staff at the Office of Residence Life is required before a student may move off campus or commute. To be approved, one of the following criteria must be met:

1. 6 semesters in the residence halls
2. 23 years of age
3. Commuting from the permanent residence of a parent, grandparent, or sibling, within a 30 mile drive to campus
4. An earned undergraduate degree
5. Served in the armed forces and qualifies for veterans' benefits
6. Married

If at any time during the academic year, it is found that the application to live off-campus or commute has been falsified, the following sanctions will be imposed:

1. A Student Affairs **HOLD** will be placed on registration for the upcoming semester.
2. The student must move back into the residence halls for the upcoming semester. Failure to do so will result in the inability to register for the next semester. If the student found in violation is a graduating student, a hold will be placed on all University records including transcripts.

Housing commitments are for the entire academic year, and residents are not permitted to move from the residence halls to Greek housing, nor to other off-campus housing from residence halls or Greek housing, at any

time during the academic year. Therefore, on-campus or Greek house residents are not to sign a housing agreement or lease for off-campus housing, until explicit written approval to move off-campus has been given by the Director of Residence Life and the Director of Student Involvement (see GREEK HOUSING, item 3).

GENERAL INFORMATION

APPLIANCES

The University prohibits the use of non-approved electrical appliances in students' rooms. All electrical devices and extension cords must be UL approved. Any electrical appliances that are determined to be a fire hazard or violate cleanliness standards by the hall staff may be confiscated. Electric skillets, toasters and grills are not permitted.

MINI-REFRIGERATORS IN STUDENTS' ROOMS

Mini-refrigerators must be under 4.5 cubic feet and Energy-Star required.

AQUARIUMS (See Pets, page 27)

A resident is permitted to have a twenty (20) gallon tank or less in individual residence hall/apartment rooms. Any tank larger than twenty (20) gallons will not be permitted and the student will be asked to take the tank home. Only one tank/aquarium per room is permitted. Fish are the only inhabitants permitted in an aquarium. The electrical connection to the power source must be made with a multi-socket adapter, which has a circuit breaker as an inherent part of its design.

BICYCLES

Bicycle racks are provided outside each of the residence halls and apartment buildings for parking student bicycles. Riding and/or storing bicycles in a residence hall/apartment is prohibited. The Office of Campus Security offers bicycle registration for students who desire this service; it is strongly encouraged. Be sure to lock bikes when not in use.

CANDLES, INCENSE, POTPOURRI AND FLAMMABLE MATERIALS

Because of the danger of fire, the possession or burning of candles, incense, potpourri burners, lanterns or any other type of open flame is strictly prohibited in student rooms. In keeping with the need for fire prevention, any possession or use of kerosene, gasoline, naphtha, benzene, or similar flammable material in or around the residence halls, apartments, fraternity or sorority houses, any University building or property, except in laboratory rooms or in other authorized and supervised classroom uses, is strictly forbidden. Flammable art supplies must be kept in lockers provided in the Art Building. Students found in violation of this policy will be subject to disciplinary action.

CEILING FANS

Ceiling fans are not permitted in University housing units.

CHECK-IN

When a student arrives just prior to the beginning of a semester, each is to go to his/her assigned hall/apartment complex and check-in.

- The student will receive a room key at the hall desk.
- A residence life staff member will come to the room with a room condition report (or RCR). The RCR notes the condition of each room at the beginning of the school year.
- When a student checks out of the room, the condition of the room will be checked against the RCR. It is important that this form is filled out completely and accurately; a student may be assigned damage charges for any conditions which differ substantially from the initial inspection of the room. A student will be assigned a new RCR if s/he changes rooms later in the year.

CHECK-OUT

If checking out of the Residence Hall room or campus apartment at any time, each resident must be checked out by a staff member.

If checking out mid- year:

- Twenty-four (24) hour advance notice of check-out to the Resident Director and appropriate Resident Assistant is required.
- **IT IS THE RESPONSIBILITY OF THE STUDENT** to properly check out with the hall staff and to leave the room clean, or an improper check-out fee of \$50 will be charged.
- An additional lock change fee of \$50 will also be charged if a student leaves a room without returning his/her room key(s).
- Upon check-out, the student must complete their RCR with a staff member and sign-off confirming his/her check-out and damages (if any).

If checking out at break:

- During finals weeks of the academic year, students are required to check out of University housing (residence halls, apartments, fraternity/sorority houses) 24 hours after their last exam (see Damages).
- Requests for an exception to this policy are to be made to the Director of Residence Life.
- If checking out temporarily (e.g., fall break, winter break), students are required to turn off any and all electronics (including surge protectors), open blinds (unless on ground floor), and leave room clean.
- If checking out permanently (e.g., summer break), students must have completely cleaned the room and removed all personal items.
- Upon check-out, the student must complete their RCR with a staff member and sign-off confirming his/her check-out and damages (if any).

If withdrawing from the University:

- In addition to completing an RCR, the student must complete another check-out form.
- Students who have withdrawn must also return their student ID in addition to their room key(s).

All students are expected to keep their rooms neat and clean. Necessary cleaning materials may be obtained from the office of each residence hall or by contacting an apartment staff member. The right is reserved for authorized University personnel to enter any room at any time for the purposes of inspection or repair.

CONSOLIDATION OF VACANCIES

When a vacancy occurs in University housing, the consolidation policy will be applied to maintain equity between persons who choose to pay for a “Super Single” and those losing a roommate from normal attrition. The policy requires no resident displacement without consent, unless enrollment numbers dictate administrative moves directed by the Office of Residence Life. A student has a 3-day grace period from the time the vacancy occurs to notify the Office of Residence Life through the Room Change Form as to his/her plan. Both Room Change Form and Super Single Form can be obtained from a Resident Assistant or the Resident Director. (See also ROOM CHANGES.)

1. The purchase of a Super Single is the only total assurance that a resident will have a single room from the time of purchase through the end of the academic year.
2. When a resident is left with a space in his/her room, the resident has the following options:
 - a. Receive a roommate from a temporary housing space.
 - b. Sign and submit to the Office of Residence Life the form acknowledging a grace period of three business days.
 - c. At the end of the grace period, sign either (1) the portion of the form for a Super Single which guarantees a single room for the remainder of the academic year; or (2) sign the portion of the form acknowledging that a roommate may be assigned to the room at any time based on housing needs and preferences of the incoming roommate. Once the decision has been made for the Super Single, this will remain in effect and be billed for the remainder of the academic year. When the decision for the second option is made, a student may not purchase the room as a Super Single for the following term until Friday of the fourteenth week of the semester.
 - d. The Resident Director of the residence hall or apartment will have the obligation to provide names of persons without roommates to residents who are left with a space in his/her room. The resident will have the responsibility to contact the Resident Director of other halls for this information, if seeking a move between halls.
3. Students permitted to remain in a room without a roommate and without the Super Single option, may be asked to house guests of the University and must maintain the furnishings of a double room at all times. When this occurs, the guest is to be treated with courtesy and respect; residents are to follow University regulations.
4. When an empty room exists in a residence hall or apartment, the Resident Director may use it to solve existing roommate conflicts or it may be offered to any resident at the rate of a Super Single

(1.5x the space's double occupancy rate –OR– 2x the space's double occupancy rate in Affinity Village or apartments).

5. At the beginning of an academic year if temporary spaces are being used, the priority for moving individuals from temporary spaces is as follows:
 - a. Individuals from temporary housing to spaces in rooms based on each student's date of deposit with the Office of Admissions.
 - b. Individuals who have expressed a preference with their Resident Director to purchase a Super Single.
6. A remaining room or apartment occupant will not be displaced without consent.
7. All room changes are under an administrative freeze for the first and last week of classes during each academic term. Fall semester, the freeze at the beginning of the term is for two weeks. Room freeze does not apply to administrative changes.
8. There will be no room changes after the first week of May unless special permission is granted from the Director of Residence Life.

COOKING IN RESIDENCE HALL ROOMS

Cooking is not permitted in student rooms. There are designated areas and kitchenettes in the residence halls to prepare snacks. The building residents, not the maintenance staff, are responsible for cleaning up afterwards; this includes the inside of microwaves, conventional ovens and refrigerators.

DAMAGES IN RESIDENCE HALLS – INDIVIDUAL ROOMS, UNIVERSITY APARTMENTS AND COMMON AREAS

The University can neither condone nor absorb the cost of intentional or malicious damages; therefore, residents are held responsible for all damages to the facilities of their living area. Damages in common areas, as well as in student rooms, which are beyond the normal wear and tear, and discovered during and/or at the end of the school term, will be charged, in entirety, to a student's account by the Office of Residence Life. In the event that individual responsibility cannot be determined for damage in a common area (i.e. lounge, bathroom, hallway, exit signs, etc.) assessment will be divided among all the occupants of the wing, floor, or building who reasonably could have been responsible. The minimum charge, per person, for damages to University property is \$25, regardless of actual cost of repair or replacement.

Assessments for damages may be appealed to the Student Fee Appeals Committee (see APPENDIX L). The issue before the Committee shall be whether or not the University was reasonable in assessing responsibility for the damage(s), not whether the individual(s) were responsible for the damage(s).

Damages billed to the resident's account are independent of any violations of the Student Code of Conduct.

DART BOARDS

Dart boards are not permitted in University-owned housing.

EXTERIOR DOORS - RESIDENCE HALLS AND APARTMENTS

The outside doors of each Residence Hall will be locked at all times. Residents of halls and apartments may gain access to the hall with their ID cards. Anyone found propping open outside doors or participating in other actions that endanger the safety and security of others may be subject to disciplinary action and/or a \$50 fine.

FEES AND REFUNDS

If a student's payment for tuition, housing and meal plan is late, his/her room reservation may be canceled. The student will be assessed a late fee. If for any reason a student's housing or meal plan contract should get canceled because of non-payment, s/he may be reassigned to another room or hall. The University reserves the right to change or modify the housing and meal plan rates as economic conditions warrant.

There is a one-time set-up fee of \$50 for the early arrival of any student and an additional \$19/day fee for each day on campus before the allotted move-in period. University sponsored early-arrivals are not subject to the one-time set-up fee. The Director of Residence Life must approve all early-arrival students.

If a student's off-campus request form is submitted after the application deadline, a \$50 late fee will be assessed to his/her account.

Students attending Ohio Northern University are entitled to a pro-rated refund calculation through the 60% point of the semester. Tuition, room and board charges will be included in the designated refund percentage. Financial aid adjustments will be calculated based upon mandated Federal refund calculations. 100% refund is granted on or before the first day of class each semester. After that, the percentage is based on the number of days in attendance for the semester. There is no refund after the first 60% of the semester.

HALOGEN LAMPS

Halogen lamps are not permitted in residence hall or apartment rooms.

KEYS

Each resident is issued an apartment or residence hall key. These keys are not to be given to other students/persons for any reason. If locked out, or if a key is lost, contact a residence life staff member for assistance. A lock-out fee is charged each time a residence life staff member is required to unlock a room; proceeds from these fees benefit Dolly Parton's Imagination Library (Hardin County).

KEYS - UNAUTHORIZED DUPLICATION, POSSESSION OR USE

The unauthorized duplication, possession or use of keys, including master keys, to any building, laboratory, or room of the University is strictly forbidden. Unauthorized use of duplicating key machine is a violation and also is considered theft. Violators will be subject to disciplinary action and also will be responsible for reimbursement of loss.

LOFTS - RESIDENCE HALLS AND APARTMENTS

Personal lofts are not permitted in any residence hall rooms or apartment. The University will provide two (2) lofts in each room in Brookhart, Lima, Roberts, Maglott, Park, and Founders Halls. One (1) University loft will be provided in each Stambaugh Hall room, and bunk beds will be provided in Northern House, and 5 University Parkway.

LOUNGE FURNITURE AND LOUNGES

Students are welcome to bring furniture (outside of a bed and dresser), but are not to move lounge furniture for any purpose. Any person who removes lounge furniture will be fined \$100. Further, lounges are not to be used to provide overnight accommodations for guests.

MEAL PLANS

All students living in a residence hall are obligated to purchase a meal plan for the student dining room located in McIntosh Center. Students living in on-campus apartments are credited dining points each semester included in their room fee; they are not charged dining fees. Students in on-campus apartments are able, but are not required, to purchase an additional meal plan. (See DINING for more information.)

NOISE - HOUSING

In order to provide an atmosphere conducive for study and sleep, in residence halls, apartments and Greek houses, loud noises and stereos are to be kept to a minimum. Consideration for other residents, as well as occupants of University buildings, is to be observed at all times. Disciplinary action may be taken in cases involving excessive noise. Stereo speakers should be kept inside and facing into the house, apartment or hall. Musical instruments both amplified and not, need to be contained to special areas of academic buildings and are not suitable for residence halls. Practice rooms are available for this purpose in Presser Hall.

NON-APPROVED POSTINGS

Permission for placing these items in residence halls must be obtained from the Office of Residence Life in McIntosh Center or a member of each hall's staff. In all other University buildings, permission must be obtained from the appropriate designated authority in each building. Failure to comply with these rules may result in the removal of signs without warning and disciplinary action.

1. All posters, fliers, notices and messages to be placed inside campus buildings must be posted on appropriate bulletin boards or space designated for that purpose.
2. All posters and signs must bear the sponsor's name, the campus organization, University department or office.
3. No more than one copy of each item may be placed on each bulletin board or designated space, and maximum size shall not exceed 24 inches by 24 inches. Signs should be clear and legible.

OFF-CAMPUS HOUSING

(1) Married students and/or (2) students who meet off-campus requirements, have completed the off-campus request form, and have been approved by the Director of Residence Life to live off-campus may view available housing options via the website of the Office of Residence Life. All students are responsible for notifying the Office of Residence Life of their local addresses and phone numbers within the first two weeks of fall semester. This ensures inclusion in the ONU phone directory and receiving correspondence from University offices.

PAINTING OF ROOMS - RESIDENCE HALLS/APARTMENTS

Students are not permitted to repaint any room.

PETS

For sanitary reasons and out of consideration for other residents and for the welfare of pets, no pets, animals, or lab specimens are permitted in University Housing. Fish are the exception, but aquariums are limited to 20 gallons in size and must be removed from campus over extended University vacations. Illegal pets will result in immediate removal by Hardin County Animal Services (Humane Society/Dog Control). Service dogs are the only exception to this policy and are allowed in any University building.

POSTERS AND WALL HANGINGS

Students can personalize a residence hall or apartment room, but not use nails, stickers, or screws, as these will damage the walls. No parachutes, flags, fish nets, or room light coverings are permitted. Residents are financially responsible for damage to walls and doors caused by wall/door decorations. All repairs must be completed by Physical Plant employees.

QUIET HOURS

In order to make the atmosphere conducive to study and sleep, quiet hours have been established in all residential areas. Quiet hours will be enforced at these times:

Sunday – Thursday 8:00 p.m. - 10:00 a.m.

Friday – Saturday 1:00 a.m. - 10:00 a.m.

During these times, the halls are to be kept as quiet as possible so that those who wish to study in the Residence Hall may do so without distractions. Radios, tape recorders, and stereos may be played quietly as long as no one else is being disturbed. Stereo speakers should never be pointed outside residence hall or apartment windows. In the event of misuse of a stereo system, the system will be confiscated and sent home at the direction of the staff (see NOISE - HOUSING). At all times, there are "24/7 - Courtesy Hours," meaning that a student has the right to ask others to keep their noise down. Each student in a residential community has the responsibility to respect the rights of others.

REDUCED SERVICES

At times when University housing is below full occupancy, services and use of facilities may need to be reduced due to economic consideration.

RESTROOMS

Even during visitation hours, floor/wing restrooms are not for the use of members of the opposite gender. Restroom facilities for guests of the opposite gender are usually located near the main lounge of each residence hall.

ROOF AREAS

For safety reasons, students are not permitted on the roofs of the residence halls, apartments, Greek Houses or small living units.

ROOM CHANGES

All room changes must be approved by the Resident Director and appropriate Resident Assistant prior to moving. A \$50 fine will be assessed for moving from one room/hall to another without completing the necessary forms. The approval process begins by talking with a Resident Assistant and obtaining a Room Change Form from him/her or the Resident Director. Upon the discretion of the Director of Residence Life, students requesting a room change may be asked to participate in a mediation session with the present roommate facilitated by a staff member or to submit a written Request for Exception as a requirement for the room change process. The Resident Director has the ability to disallow any room change. If plans are being made to move between terms, the necessary paperwork must be turned into the Resident Director before Friday of the fourteenth week. If, through the Office of Residence Life, it is deemed that a resident is purposely being difficult to roommates in an attempt to obtain a "single", the problem resident will be billed the equivalent of a Super Single and be documented by the Office of Residence Life with possible disciplinary action.

ROOM AND RESIDENTIAL AREA CONDITIONS – DAMAGES AND REPAIRS

Occupants of each room and apartment are expected to keep the room and residential area clean and neat. Necessary cleaning materials may be obtained from the office of each hall or apartment staff members. The right is reserved for authorized University personnel to enter rooms/apartments at any time for the purpose of inspection or repair. Repairs are to be done by the Physical Plant Staff only (see - DAMAGES IN RESIDENCE HALLS – INDIVIDUAL ROOMS, UNIVERSITY APARTMENTS AND COMMON AREAS).

ROOM INSPECTIONS

Residence hall and other University staff members are authorized to inspect student rooms at any time for acceptable standards of safety and hygiene, observance of campus residence hall policies/procedures, University regulations, requirements of public law, and for the maintenance/repair of equipment. Room inspections will be conducted over break periods. University officials, including Residence Life staff, reserve the right to enter a student room, locked or unlocked, at any time it is deemed necessary for immediate resolution of problems. Examples of potential problems include rule enforcement, maintenance, illness, hazards, illegal contraband/activities and other emergency situations. Efforts will be made to have residents present when the room is entered. If a search is made by non-University officials, reasonable legal search procedures will be followed.

SEARCH AND SEIZURE

There will be no unreasonable searches of student rooms and apartments or seizures of student property. No search or seizure shall be carried out by University employees unless authorization has been received in writing from the Vice President for Student Affairs & Dean of Students. Exceptions to this include an occupant consenting to a search or seizure or exigent circumstances exist in the form of safety concerns or a legitimate need to secure evidence of violations of University code of conduct. Reasonable efforts will be made to have the occupant of the room present during a search. The above policy does not prohibit the residence hall staff from making inspections which relate to the cleanliness of the room or the health of the student, or the fire marshal from checking for fire hazards. This policy applies to residence halls, fraternity/sorority houses, and University student apartments and houses.

SPACE HEATERS

Space heaters are not permitted in any University-owned residence.

SUMMER STORAGE – RESIDENCE HALLS

There is no summer storage provided in the residence halls or apartments.

SUBLETTING

Subletting a room or apartment or meal contract is prohibited.

TERMINATION OF OCCUPANCY

The University may terminate or suspend a student's housing at any time for reasons of health, safety, conduct, or personal circumstances. Any student not registered for at least 12 semester hours of classes is subject to termination of housing.

TRASH & RECYCLABLES

Residents are expected to keep residence hall and apartment rooms clean. All trash is to be placed in the large trash bins behind each hall. There also are trash containers located in each hallway and bathroom in residence halls. Before throwing away boxes (including pizza boxes), residents are asked to fold or break them down. Every resident is expected to cooperate with the building maintenance staff and keep hallways and lounges free from trash, shoes, or other personal items.

All recyclables are to be placed in these bins by students individually. Large orange recycling bins are provided near residential areas.

UTILITY CLOSETS

Utility closets in on-campus apartments and other residential areas are to remain locked at all times. Use of these areas as storage is a safety hazard, inhibits airflow to HVAC units, and is strictly prohibited.

VACATION PERIODS, CLOSING OF HALLS AND FOOD SERVICES

During all breaks, the residence halls are closed. Student apartments are not closed. All food services are closed during scheduled vacation periods.

At each vacation period, there are several things which students are expected to do before leaving: unplug all electrical items, close and lock windows, leave rooms reasonably clean. Students are to close draperies/mini-blinds if their room is on the first floor to prevent possible theft, but leave draperies/mini-blinds open on the second and third floors as a means of fire protection.

Before leaving for a vacation, residents are responsible for cleaning out and unplugging a mini-fridge; leaving the door open. Students are to leave within 24 hours after completing their last examination or by the official closing time set by the Office of Residence Life, whichever comes first.

Students who require residence during vacations must contact the Director of Residence Life at least two weeks in advance of the scheduled vacation in order that housing accommodations may be arranged. At the end of spring semester, each resident is responsible for notifying magazine subscriptions and others as to their summer forwarding address. The mail room will forward first class mail only.

VI. UNIVERSITY AFFILIATED GROUPS & ORGANIZATIONS

INTRODUCTION

A list of recognized university student organizations may be found on the Student Organizations website within the Office of Student Involvement. There is also information on how to become a recognized student organization for those wishing to start a new group.

RECOGNITION PROCEDURES

Before the student organization is approved by the University Student Activities Committee, the organization may only engage in “organizational” activities (e.g. meetings to write constitution and bylaws, brainstorming ideas for the organization). The student organization may not function, sponsor events, host speakers, reserve rooms, or travel for field trips until approval by the University Student Activities Committee is granted. Student Senate approval does not qualify for official approval; it is merely one step in the process.

A complete listing of the recognition procedures may be found on the Student Senate website within the Office of Student Involvement.

CATEGORIES OF STUDENT ORGANIZATIONS

There are four categories of organizations at ONU; each with their own specific rights and responsibilities. The specific classification for each organization is determined by the Office of Student Involvement based on the scope of the organization.

- “A” – Fully Recognized Student Organization; Groups in this category host a variety of events, programs, workshops, speakers, etc. throughout the year. Within this classification, groups are eligible to apply for Student Senate Funding, participate in Welcome Fest, and apply for the Student Organization of the Year Award. In order to receive full recognition, groups must complete the recognition procedure and maintain active status on campus.
- “B” – Honorary Organizations; Groups within this category have a national organization for which they are a member. This classification is only able to select and initiate new members. Other events hosted throughout the year are not permitted. Within this classification, groups are not eligible to apply for Student Senate Funding, participate in Welcome Fest, and apply for the Student Organization of the Year Award. Groups in this category participate in Honor’s Day. In order to receive Honorary status, a group must petition to the Office of Academic Affairs.
- “C” – University Affiliated/Sponsored Organizations; Groups within this category are supported by the University in all endeavors. This classification is for those groups that are furthering the University’s mission. In order to receive University Affiliated Status, a group must petition to the Office of Student Involvement.
- “D” – College of Law Organizations; Groups within this category are recognized by the College of Law. Groups must receive approval from the College of Law (in addition to Student Senate and SAC) in order to be recognized in this classification.

RIGHTS AND RESPONSIBILITIES OF STUDENT ORGANIZATIONS

Each student organization is permitted to:

- Use of the Ohio Northern University and ONU name
- Use of the University facilities
- Publicize events on campus and utilize campus publications
- Apply for Student Senate Funding (Classifications A & D only)
- An on-campus account through the Controller’s Office
- Have a website through Ohio Northern University

By the 6th week of each semester, organizations must submit a roster of all members. The roster must include first name, last name and student ID number. At this time, the name and contact information for the president and advisor must also be submitted. This information should be submitted via email to studentorgs@onu.edu.

At any point during the academic year when a transition has occurred with the president or advisor of the organization, the updated name and contact information should be submitted via email to studentorgs@onu.edu.

In the spring semester of even numbered years, organizations must also submit an updated constitution and bylaws for the local organization via email to studentorgs@onu.edu. This requirement only applies to student organizations in classification A and D.

SIGNS, POSTERS, BANNERS, AND SIDEWALK CHALKING

Below is the policy relating to the displaying of all signs, posters, banners and sidewalk chalking throughout the campus. Posters include all advertising done on poster board, boxes, or any other material. Banners include suspended sheets, ribbons and the like, on which advertising is done. All displaying of signs, posters, or banners must also be in keeping with the rules for solicitation on campus.

SIGNS, POSTERS, AND BANNERS OUTSIDE BUILDINGS

These rules apply to outdoor campus advertising and exclude inside buildings.

1. Signs, posters, banners and decorations on University grounds are limited to those which provide general information to the University community. Each must bear the name of the campus organization or University department sponsoring an event and/or communicating information.
2. Posters and banners will not exceed a total of twenty in number throughout the entire campus except with advanced approval of the Vice President for Student Affairs & Dean of Students.
3. Posters or banners may not be attached to trees, fences, or buildings in any damaging way such as staples, nails, or wire, but rather with a string, rope, tape, etc. All posters and banners must be approved in advance by the Vice President for Student Affairs & Dean of Students. Sidewalk chalking may only be done in areas designated through advance approval by the Vice President for Student Affairs & Dean of Students.
4. Posters may not exceed six (6) square feet and banners not more than twenty (20) square feet in size.
5. Posters and banners may not be displayed for more than ten (10) days prior to an event or twenty-four (24) hours following an event. This includes all materials used to secure the posters. The student or organization putting up the material must remove it. Exceptions to this time limit may be granted by the Vice President for Student Affairs & Dean of Students.

SIGNS AND POSTERS INSIDE BUILDINGS

1. All posters, fliers, notices and messages to be placed inside campus buildings must be posted on appropriate bulletin boards or space designated for that purpose.
2. All posters and signs must bear the sponsor's name, the campus organization, University department or office.

3. No more than one copy of each item may be placed on each bulletin board or designated space, and maximum size shall not exceed 24 inches by 24 inches. Signs should be clear and legible.
4. Permission for placing these items in residence halls must be obtained from the Office of Residence Life in McIntosh Center or a member of each hall's staff. In all other University buildings, permission must be obtained from the appropriate designated authority in each building. Failure to comply with these rules may result in the removal of signs without warning.

SOLICITATION AND FUNDRAISING

Many social and professional campus groups are involved in a variety of activities to raise funds for their programs and for outside charities. The number of groups involved in such activities has risen in recent years. Appeals are frequently made to students, faculty, and staff to support one or more of these charities/fundraising activities with direct contributions. To prevent campus community members from receiving excessive requests, the following guidelines have been established.

DEFINITION

Solicitation is: "Any act of urging or persuading an individual, by peaceful means, to accept a product or service for sale, requesting funds for various charitable or other organizations, to pay a gratuity for services rendered." Solicitation involves oral, written, signed communication and includes raffles, contests, and all other activities designed to serve as fundraising activities.

GUIDELINES

1. Approval for all fundraising activities by all student groups on campus must be obtained in advance of starting the activities. The approval process is coordinated through the Director of McIntosh Center.
2. Collaboration of organizations to sponsor one or two joint charities through mutual cooperation is encouraged. Similarly, the collaboration of campus religious groups for one or two joint charities is encouraged. Collaboration of athletic teams/associations for charitable and other fundraising is to be coordinated through the Office of the Director of Athletics.
3. Normally, there should be no more than three fund raising events on campus per week. The Director of McIntosh Center will coordinate its approvals for fund raising activities with the Offices of Financial Affairs and University Advancement in order to ensure this. Potential solicitations for all non-local causes or organizations must be checked with several ONU administrators for information concerning their legitimacy.
4. Use of campus mails and the ONU network for fundraising must be approved by the Vice President for Financial Affairs.
5. Students may not be asked to forego meals more than twice per year. Those instances must be approved by the Director of McIntosh Center.
6. Raffles and games of chance are to be reviewed/approved by the appropriate Vice President. Cash and/or alcohol are not acceptable awards at such events.

7. Destruction of property is not an acceptable format for fundraising events.
8. Individuals and small groups may not conduct fundraising on campus for personal financial gain or for gifts to be presented by the individual or small group.
9. University funds may not be used for charitable contributions to any group or cause.
10. Off-campus businesses and individuals are not to be solicited by individuals or groups associated with the University for charitable or other fundraising without prior written approval from the Vice President for University Advancement which may be obtained by following the procedure coordinated by the Director of McIntosh Center, mentioned previously.
11. Students or groups wishing to solicit in conjunction with “special days” on campus must gain authorization from the Vice President for Student Affairs & Dean of Students or a designated representative in order to do so.
12. Ten percent of all proceeds earned by off-campus solicitors will go to the hosting student organization or will be donated to the University.

SOLICITATION IN MCINTOSH CENTER

Recognized campus organizations or groups may obtain authorization to set up displays or sign-up tables, or sell or solicit in the McIntosh Center by completing the following:

1. An appropriate request form completed and approved by the Director of McIntosh Center.
2. No soliciting or selling by off-campus individuals or groups is allowed unless permission is first given by the Vice President for Student Affairs & Dean of Students.
3. Solicitation tables in McIntosh Center must have signs to clearly identify their organization.
4. The sale of items will be allowed during the hours of lunch and dinner.
5. The authorization to sell, solicit, or have a display requires that the individuals conduct themselves in a manner that will not draw undue attention to themselves or place undue pressure on anyone to “buy”.
6. The University reserves the right to suspend or deny any group permission to sell, solicit, or set up displays on campus.
7. Other efforts to sell, solicit or set up displays elsewhere on campus require the permission of the Vice President for Student Affairs & Dean of Students. See Solicitation for rules regarding other solicitations.

STUDENT ORGANIZATIONS AND POLITICAL ACTIVITY

Ohio Northern University’s status as a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code prohibits it from participating or intervening in any political campaign on behalf of (or in opposition to) any candidate for public office.

Notwithstanding these limitations, Ohio Northern University recognizes that students, faculty and staff may wish to participate in the political process and that such participation may, in fact, contain an educational component.

Ohio Northern University adheres to the principle enunciated by the American Council on Education (ACE) in 1970 that “every member of the academic community has a right to participate or not, as he (or she) sees fit, in the election process. On the other hand, no member of that community should speak or act in the name of the institution in a political campaign.”

POLITICAL POLICY

It is the policy of Ohio Northern University not to participate in, directly or indirectly, or to intervene in (including by means of publishing or distributing of statements) any political campaign behalf of or in opposition to any candidate for public office.

Recognized student organizations may reserve University facilities and/or any other space available to all recognized student organizations, to conduct organizational meetings or to host, sponsor and/or publicize an event on behalf of a candidate.

The following disclaimer language should be used for all moderated events: “While neither supporting nor opposing our guest and his/her bid for elected office, Ohio Northern University is proud to present this educational opportunity for our campus to participate more fully in the political life of our community”.

However, no organization or individual may:

1. Use the name or seal of the University on letters or other written materials.
2. Use University property to raise funds through admissions, fees, contributions, donations, or sale of materials or services to benefit a political party, campaign or candidate.
3. Use University funds (including student fees) to purchase promotional material, pay for campaign ads or contribute any way to a political campaign.
4. Use University funds (including student fees) to pay honoraria or cover transportation, A/V services, accommodation or meal expenses, for candidates of public office.
5. Use University resources , including but not limited to, mail distribution services, the University seal or other identifying marks, stationery and letterhead, facsimile and duplicating machines, email accounts, telephone lines and voicemail systems for political campaigns or solicitation of endorsement of, or opposition to, candidates for public office.

VOTER EDUCATION AND REGISTRATION ACTIVITIES

A student organization may participate in non-partisan voter registration activities on campus. Voter registration booths/tables should not mention any particular candidate or party.

CONDUCT OF STUDENT ORGANIZATIONS

Organizations must adhere to all University policies and guidelines as set forth in the Student Code of Conduct found in the Student Handbook, which can be obtained in the Office of Student Conduct. Acts involving discrimination, hazing, and alcohol or drug abuse will not be tolerated, and may be considered grounds for suspension or dismissal of the organization's recognition.

Any student organization reported to be in violation of the Student Code of Conduct is subject to investigation and possible sanctions. Alleged violations can be reported by any member of the University Community or the Village of Ada to the Ohio Northern Security Office, the Office of Student Conduct or the Office of Student involvement.

To anonymously report a violation against a university student organization, any University Community or Village of Ada member may call the Campus Conduct Hotline at 866-943-5787. Campus Conduct Hotline is a confidential, independent, call-in service that provides a simple, anonymous way for you to help preserve the values and reputation of Ohio Northern University.

DISCIPLINARY PROCEDURES FOR STUDENT ORGANIZATIONS

In an effort to maintain consistency with the individual student disciplinary procedures, any student organization involved in an alleged student code of conduct violation will meet with the Director of Student Conduct to discuss the details of the incident. The Director of Student Involvement will also be present in the meeting. Student

organizations may send one student representative and one ONU faculty/staff advisor to the meeting. After the discussion of the incident, the Director of Student Conduct will determine if there is enough information to find the organization responsible for the alleged violation. If the organization is found responsible for violating the student code of conduct, sanctions will be conveyed in a second meeting with the student representative. Sanctions may include but is not limited to any one or more of the following:

1. **Warning:** Oral or written notice to the organization that it is violating or has violated the student code of conduct and that continuation or repetition of misconduct may result in a more severe sanction.
2. **Fines:** Payment of charges for violation of student code of conduct.
3. **Restitution:** Compensation for loss, damage or injury.
4. **Educational Sanctions:** Community service, essay writing assignment, attendance to a seminar, action plan, drug or alcohol programs/assessments, or other discretionary sanctions as deemed appropriate.

7. **Suspension:** Short-term revocation of a student organization's status as an officially recognized organization. Any organization that is placed on suspension will be given a trial period in which it must demonstrate a compelling reason for its organizational status to be reinstated by the University. Failure to do so will result in the deactivation of an organization at the end of a suspension period. If an organization is placed on suspension, all rights and privileges of the group to self-govern are removed, and any activity or action that is associated with the group including meetings and events, whether formal or informal, must be approved by the Office of Student Involvement in advance.

If an organization chooses to "deny" the sanctions, a meeting will be scheduled with the Vice President for Student Affairs & Dean of Students to review the sanctions only, not the determination of responsibility. The Vice President for Student Affairs & Dean of Students may affirm, reverse or modify the sanctions.

VII. FRATERNITY/SORORITY LIFE

INTRODUCTION

This section of the Student Handbook serves as a supplemental addition to sections of this publication. Below are features of fraternity/sorority life that are of interest to current Greek members and others who are considering joining a fraternity or sorority.

USE OF THE TERM “FRATERNITY”

The word “fraternity” is commonly used to denote brotherhoods and sisterhoods. Although the term “sorority” is commonly used for women’s organizations, the term “women’s fraternity” or “fraternity” is commonly applied as well. Throughout this section the terms will be used interchangeably. In some cases the term will show common characteristics of men’s and women’s groups, and in some cases it will denote differences.

It should be assumed that “fraternity” applies to both male and female groups unless preceded by the term “men’s” or “women’s”.

THE HISTORY OF FRATERNITY/SORORITY CHAPTERS AT OHIO NORTHERN

In May of 1886, Henry Solomon Lehr was approached by a committee of male students seeking permission to organize a fraternity on campus. Lehr knew little about fraternities; there had been none at Mt. Union when he was a student there, and he was uncertain about just what a fraternity was and the implications of the Greek system. The men assured him that a fraternity was an organization “similar to the Masons” and other secret orders. Without consulting his associates, Lehr somewhat casually gave consent to the men students . . . a decision he later regretted. His associates did not approve of the fraternity idea, and Lehr received much criticism from those associates and the anti-fraternity students on campus, especially the literary societies.

The literary societies had fought hotly among themselves, but at last they found common ground in their opposition to fraternities. The fraternity was a chapter of Kappa Sigma, and when the chapter made a mass appearance at chapel one day a riotous demonstration occurred. Unaware of the hornets he had stirred up, Lehr was unprepared for the reaction of the anti-fraternity element on campus. As he later wrote, “You may well imagine my surprise when one Monday morning, 18 students marched into chapel wearing the insignia of the order, and to hear them hissed, hooted and insulted in various ways.”

The “antis’ contended that the fraternity was undemocratic and would injure the literary societies; the Greeks retorted that their opponents were just a bunch of sore heads, jealous because they were not asked to join the fraternity. “The fight waxed hot, exceedingly hot,” Lehr said sadly. Temporarily forgetting their animosities to combat a common enemy, the literary societies promptly met in joint sessions and added an amendment to their by-laws forever prohibiting a fraternity man from becoming a member of any literary group. The fraternity was disbanded, and it was 1903, 17 years later, before another fraternity surfaced at Ohio Northern.

The honeymoon was short-lived. When Dr. Albert E. Smith became president in 1905, he again outlawed fraternities, making membership grounds for expulsion from the University. The Greeks were hard to remove, however, and managed to survive official hostility and economic travail. Over the years, the administration’s frown gradually became a smile, and fraternities today are more often praised than criticized.

In 1959 three local sororities affiliated with national organizations, and in 1966 one additional sorority became national. In 1994, a fifth sorority was chosen through the expansion process. In 2011, one fraternity closed. At the present time, the University’s four sororities and five fraternities are nationwide in membership.

OHIO NORTHERN UNIVERSITY’S STATEMENT OF POLICY FOR FRATERNITY/ SORORITY CHAPTER RESPONSIBILITIES

Fraternities/Sororities are expected to encourage high standards of leadership, scholarship, character, conduct, service, and social education. The proposal for the formation of any fraternal association or the affiliation of any association with a national fraternal organization shall be submitted first to the respective Greek Council

(Interfraternity Council for the men's fraternities and Panhellenic Council for the women's sororities), Student Senate and the University Student Activities Committee.

Each Fraternity chapter may set its own standards of membership except that they may not conflict with University, Interfraternity or Panhellenic Councils, or their national organization's regulations. No one may be selected as a new member or an active member who is not an enrolled, full-time student at Ohio Northern University with at least a 2.00 cumulative GPA. Each chapter shall have at least one faculty/staff advisor, who is an employee of Ohio Northern University, who attends chapter meetings and advises the membership about chapter activities. Each chapter is encouraged to have an active alumni board or house corporation, which is concerned with the operation of the chapter and with proper maintenance of the chapter house.

Each chapter shall be expected to observe all federal, state, and local laws, Fraternal Information and Purchasing Group (FIPG) guidelines, and the rules and regulations of the University. Any event an observer would associate with the fraternity in which more than a few members or pledged members are involved in an event, it will be considered a chapter event.

ALCOHOL - GREEK HOUSE POLICIES

Alcohol may be possessed or consumed in the private areas (individual rooms with the door closed) of Fraternity houses by active fraternity members, new members, alumni, and advisors of the house if they are of legal age, in accordance with the specific requirements of each fraternity's national organization. Alcohol is not permitted in the common areas of any Fraternity house at any time. Possession of alcohol is considered evidence of consumption.

CANDLES AND OPEN FLAMES

Because of the danger of fire, lighted candles and open flames of any kind are generally prohibited. If initiation rituals require the use of candles, great care is to be used in handling them and fire protection equipment should be readily at hand. The use must be for very limited time duration; care should be used in properly extinguishing the flames. Candles should be stored at all times when not in use for ritual purposes.

CAPACITIES OF GREEK HOUSES

University approved capacity; capacities may not be changed without University approval. Greek houses are expected to be at full capacity during fall and spring semesters.

Alpha Xi Delta - 32

Delta Sigma Phi - 40

Delta Zeta - 32

Kappa Alpha Theta - 48

Phi Delta Chi - 12

Sigma Phi Epsilon - 22

Theta Chi - 32

END OF THE YEAR CLOSING OF HOUSES

At the end of the academic year, each fraternity is responsible for leaving the house in a clean and orderly condition which meets the satisfaction of the University. If the house will be closed through the summer, the chapter must complete a closing walk-through with a member of the Office of Student Involvement or other designee.

EVENT POLICY

Fraternities host a variety of events throughout the year in order to achieve the values and ideals of their organizations. No chapter events, including those for which an Event Notification Form is not required, are permitted for the following times:

- Move-in Weekend
- Weekend before final exams begin (both semesters)
- Weekend following final exams
- University breaks

The consumption of alcohol at a Fraternity social event, regardless of the location of the event, must be limited to those members or invited guests who are of legal age. Possession of alcohol is considered evidence of consumption.

Event Notification Form

Each group sponsoring/hosting/co-hosting an event in which individuals from outside of the organization are expected to be present must turn in an Event Notification Form with all necessary signatures and information to the Office of Student Involvement one (1) week prior to the event. This includes, but is not limited to, social events, alumni/alumnae events, and family events.

In addition to filling out an Event Notification Form for events sponsored/hosted/co-hosted by a chapter in which individuals from outside of the organization are expected to be present, any chapter sponsoring/hosting/co-hosting such an event where alcohol is present must also have a faculty/staff advisor or representative present. (Reminder: With the exception of events at the University Inn, events with alcohol are not permitted on the campus of Ohio Northern University). A faculty/staff advisor or representative must be present throughout the duration of the event.

The Event Notification Form does **NOT** need to be completed for educational sessions (including sessions for the Standards of Excellence such as educational, risk management and academic sessions), recruitment activities, philanthropic projects, or community service events.

A copy of the Event Notification Form can be obtained from the Office of Student Involvement website.

FLAMMABLE MATERIALS

In keeping with the spirit of fire prevention, draperies and other cloth goods used to decorate rooms must be manufactured and labeled fire-retardant. Any possession or use of kerosene, gasoline, naphtha, benzene, or any other similar materials in or around the Greek houses is forbidden. Paints, solvents, and cleaning fluids which are flammable must be stored in an approved metal cabinet away from any source of heat.

FRATERNITY HOUSE OWNERSHIP AND LEASES

Fraternity houses located off the campus of Ohio Northern University are generally owned by house corporations established under guidelines set by the national fraternities' chapters. All University rules and regulations pertaining to maintenance of property and inspections apply to these houses, as they are considered by the University to be part of University housing.

Houses located on campus are generally built on land owned by the University and leased to fraternities or their corporations. Terms of leases vary, but all have some common elements. Fraternities must maintain various types of insurance on their properties. There are restrictions on the use of the houses and on housing guests. Leases contain specific statements on upkeep and repair that require the houses to be properly maintained at all times, and there are provisions for inspections of the properties. Utilities and taxes are the responsibilities of the fraternities in all cases.

It should be noted that these houses, and the land on which they are located, will remain property of Ohio Northern University throughout the leased period. The fraternities generally have various terms of vested interest in the properties.

FRATERNITY MEMBERSHIP

Both the Interfraternity Council (IFC) and the Panhellenic Council (PHC) govern the rules under which new members are invited to join fraternities at Ohio Northern University. Eligibility and decisions for membership are made by the individual chapters based on recruitment guidelines prepared by the Interfraternity and Panhellenic Councils and the governing national organizations. A calendar of recruitment activities and information about respective chapters are published each year in pamphlets prepared by both the Interfraternity and Panhellenic Councils. These pamphlets are available from any Greek chapter, Greek council, or from the Office of Student Involvement.

GREEK HOUSING POLICY AND ELIGIBILITY

Greek Houses, both on and off campus, and portions of the Affinity Village are considered University housing. Students residing in Greek houses will represent the entire fraternity in their actions. Greek housing exists to cultivate customs which will create the best possible context for student living and strive to attain the ideal of the fraternal community in its finest sense.

Thus, the same requirements for on-campus housing apply to Greek houses. Sorority floor housing in Lima Complex (Brookhart Hall) is considered Greek housing for purposes of this housing policy. Housing commitments are for the entire school year. Residents are not permitted to move from residence halls to Fraternity/Sorority housing, or to off-campus housing, nor from Fraternity/Sorority housing to off-campus housing at any time during the academic year. Exceptions to this policy must be given in writing by both the Director of Residence Life and the Director of Student Involvement.

The University recognizes an interrelated obligation in the operation of a fraternity house which must be fulfilled if fraternities, which house members, are to provide a meaningful and satisfying house experience. The University

may enter fraternity premises and buildings at all reasonable times to make such inspections as it deems necessary and to determine compliance by each fraternity with conditions of University policy and terms of leases.

It is assumed that fraternity houses will be open with students occupying the houses during fall and spring semesters.

1. To be eligible to move into a fraternity house, a member must be a full-time returning/transfer student at Ohio Northern University; be carrying 12 credits or more; be currently enrolled in a program of study leading to a degree; and have a 2.0 cumulative GPA. No person who is under suspension, or who has been dismissed from the University for academic or disciplinary reasons, may live in a Greek house. Students living in Greek houses that are suspended or expelled during a term must vacate within 24 hours. No exceptions will be made to this regulation.
2. It is most desirable that the fraternity fill its' house with active members. If this is not possible, other qualified students may be housed, but they must agree to abide by all rules for fraternity living and have permission of the Office of Student Involvement. Under no circumstances shall a fraternity advertise for tenants in public media or rent rooms indiscriminately to all comers.
3. It is the responsibility of the fraternity to determine which of its members may, in accordance with established guidelines, be allowed to reside outside the fraternity house/wing. An individual must still seek approval from the Director of Residence Life if interested in residing off-campus.
4. It is suggested that all fraternities place on file in the Office of Student Involvement a copy of their house rules concerning such things as study conditions, quiet hours, moral conduct, maintenance of healthful conditions, etc. Additionally, copies of these rules should be supplied to all members and pledges, resident and non-resident. Each fraternity shall be responsible for enforcing its rules and generally maintaining good conditions for student living.
5. It is suggested that fraternities have written contracts or leases with all residents fully specifying the terms of occupancy, services included, etc. Pertinent sections of the house rules, as referred to in #4, should be attached and made a covenant of the lease. Security deposits to cover damage to rooms or the house should be used by all chapters.
6. Student rooms are deemed private areas, if the door is closed, while living rooms, dining rooms, kitchens, television rooms, game rooms, hallways or other such common areas therein are considered public areas.
7. Students are required to vacate the fraternity/sorority house within 24 hours of the last final exam at the end of each semester and by 8:00 p.m. of the last exam prior to break or holiday periods. At the end of Spring Semester, only graduating students are permitted to remain in the house after 8:00 p.m. on the Friday of Commencement Weekend.
8. Chapters wishing to open their facilities early for some or all of their members, must receive permission from the Office of Student Involvement. The application for approval must include names of all members moving in early, reason for early arrival, their move in date, and the name and phone number of the responsible officer moving in early. It is understood that all University rules and regulations for the regular academic year will be strictly adhered to, including but not limited to alcoholic beverages, social events and visitation.

HAZING POLICY

Ohio Northern University, all national Greek organizations, the State of Ohio, the Panhellenic Council, the Interfraternity Council, and the Office of Student Involvement prohibit hazing. Following acceptance of a membership bid, each new member must sign a hazing compliance form to be kept on file within the Office of Student Involvement. For additional information, refer to HAZING, Appendix O, Article 3.

ICE MACHINES

Although it is intended that the ice machines in the residence halls are for hall residents only, efforts will be made to assist houses in obtaining ice when needed. If a house wishes to obtain ice from one of the hall machines, a request must be made to the Resident Director of the hall directly. Under no circumstances should a machine be totally cleaned of all its ice nor should ice be taken without permission.

INSPECTIONS – LIVING CONDITIONS

The University Board of Trustees has taken action to ensure that the Office of Student Affairs establishes high standards of cleanliness and safety for all residence units, plus develops and enforces whatever regulations are necessary to ensure that high standards are maintained in all Residence Halls and Greek houses.

In keeping with this action, an inspection system is in effect that calls for semester inspections of all Greek facilities. The Greek house inspections occur each semester and during the summer, and involve appropriate fraternity officers, as well as the Life Safety Committee members which may be represented by the University Security Office, the Physical Plant, the Office of Residence Life, Office of Student Conduct and the Office of Student Involvement. The inspections are scheduled in advance with chapter presidents.

The first failed inspection will result in a warning letter that will be issued to the chapter and a plan-of-action must be submitted by the chapter for each deficient item. If the repairs needed are extensive, a chapter may submit a request for a time extension to the Office of Student Involvement. The time extension will be reviewed by the Life Safety Committee for approval.

The second successive failure will result in the following actions: prohibition of all 'chapter-house social events' until the identified facility problems are corrected (as determined by the Life Safety Committee), 90% of the membership must attend a Life Safety Program, and the chapter's national office will be notified.

The third consecutive failed inspection could result in the following actions: recommendation to close the facility to the University Vice Presidents and/or a State Inspection of the facility. If serious violations of cleanliness, health and/or safety are found during any inspection, the University may close the house until the problems are repaired.

LAUNDRY

It is suggested that each house has laundry facilities available to the members.

MEALS

All members residing in Greek houses will be expected to purchase meals provided by the fraternity and prepared by a full-time cook. When a fraternity does not provide full-time meal service (minimum 10 meals per week),

residents of the house may be required to purchase a meal contract with the University. It is the responsibility of the fraternity that all local county, state, and federal regulations pertaining to food services are implemented. The County Health Department or the University may terminate the use of the kitchen for failure to comply with those regulations. Individuals residing in a Greek house without an operable kitchen may be required to purchase a meal contract from the University. Residence hall students, including Affinity Village residents, who are also Greek members are subject to meal contract regulations applying to all residence hall students.

NEW MEMBER EDUCATION/PLEDGING

To promote good scholarship, the term of new member education will be no more than 8 weeks. The 8 weeks of the new member education period will begin counting down the first full business day after bids are accepted by new members. (i.e If bids are handed out on Thursday and accepted Friday or throughout the weekend, the 8 week countdown will start on the following Monday). Full weeks of university recess will not be included in the new member process; however partial weeks will be included. No new member education or pledging activity may take place during a full week of university recess, finals week, or the week prior to finals week.

The entire new member education plan, including initiation dates, must be told to the new member/pledge class upon starting New Member Education. Each fraternity is also required to provide a written copy of the chapter's new member education plan to the Office of Student Involvement. The plan must be received one (1) week prior to the distribution of bids. The plan must include the following information for each event which new members may be in attendance: name of event, date of event, start time and end time of the event, location of the event, individuals to be present, a brief description of the event, and the name and contact number of the responsible party for the event. These events include but are not limited to, pledging and bid acceptance ceremonies, study sessions, chapter history presentations, online modules, leadership presentations, retreats, big brother/big sister reveals and family activities/excursions, national ritual ceremonies (noted as such), social events, philanthropic or service projects, or any other meal, event, or gathering in which new members are expected to attend.

The Student Affairs staff may at any time visit new member activities or events with the exception of national ritual activities.

NOISE AND STEREOS

In order to provide a good atmosphere for study and sleep, loud noises and stereos should be kept to a minimum. Consideration for fraternity and village residents, as well as for the occupants of University buildings, should be observed at all times. Stereo speakers should be kept inside and facing into the house.

In the event of a stereo, other sound system, or creation of other audible disturbances, sanctions will be imposed on the owner/s of the stereo.

PETS

Greek houses, with the exception of those chapters within the Affinity Village, have traditionally been given permission to maintain one dog as a house-owned pet. More than one dog per house is not acceptable; cats and other animals are prohibited. The house must request and receive permission to keep a dog from the Office of Student Involvement via e-mail at: greeklife@onu.edu. If permission is granted, the owner must provide the Security Office with their contact information, room number, license number, picture of the dog and identifying information for their dog. Dogs must be kept inside the house or chained outside - they are not permitted to run free on campus.

PHYSICAL PLANT

The Physical Plant will assist fraternity members and/or alumni with consultation concerning needed repairs and will be willing to provide repair service if time allows. This could result in substantial savings before outside contracting is arranged.

ROOF USE POLICY

For safety reasons, students are not permitted on the roofs of the Greek houses (see ROOF AREAS).

ROOM SELECTION – SORORITY FLOORS

A designated area is set aside in Lima Complex (Brookhart Hall) for a sorority wing. On this floor, members are allowed to block-book the number of rooms necessary to house members. The assignment of rooms within this area, and decisions relative to which sisters live in the house/wing, are developed by each chapter. Approval by the Director of Residence Life is necessary and contingent on University policies being properly followed.

Living on a sorority floor is considered the same as Greek housing for purposes of the priority system described in the University housing policy.

STANDARDS OF EXCELLENCE

The Standards of Excellence Program will be utilized each year as a system of positive reinforcement for individual members, chapters and the Greek community as a whole. Implemented in the Spring of 2008, the program evaluates chapters in four main areas including: membership development, internal relations, external relations, and risk management. The Standards of Excellence Program will operate on a modified calendar running from spring semester through fall semester the following year. Each chapter is expected to obtain 60% of the standards points that apply to their organization *and meet all* of the standards designated as recognition standards in order to remain in good standing with the University. A copy of the current Standards of Excellence Program can be obtained through the Office of Student Involvement website.

SUMMER FRATERNITY/SORORITY HOUSING

Special provisions are necessary by fraternities for securing University permission to operate during the summer. This permission must be applied for by May 1st of the preceding spring term from the Office of Student Involvement via e-mail at greeklife@onu.edu.

Application must include:

1. A list of student members who desire to live in the house. Each must be enrolled in summer school and have resided in the house the preceding school year and/or those working in Ada-area over the summer to earn funds towards attending ONU. In addition, each student must be enrolled in classes for fall semester.
2. The name and contact information of the officer or member designated by the chapter to be responsible for summer residents.

Incomplete applications will not be considered.

It is understood that all University rules and regulations for the regular academic year will be strictly adhered to, including but not limited to alcoholic beverages, social events and visitation. A minimum of three (3) members must be in occupancy at all times the house is open during the summer sessions. Students residing there will represent the entire fraternity in their actions. All exceptions must be approved by the Director of Student Involvement.

Fraternity houses, which do not satisfy the preceding criteria, are considered closed for the summer. Members will not reside there, nor will they conduct activities which are construed with residence (watching TV, washing cars, using computers, etc.). Members wishing to pick up or deposit personal belongings at a closed house must do so on scheduled membership work weekends. Notification of all work weekends is to be provided in writing to the Director of Student Involvement at least fourteen (14) days in advance of any member's arrival to the house. Written notification must include the following information: names of all attendees, duration of the stay, contact information for the officer or member responsible throughout the weekend, and confirmation of approval of the work weekend from the chapter advisor.

TOBACCO AND SMOKING POLICY

In accordance with the laws of the State of Ohio and Ohio Northern University, the use of tobacco products is not permitted within any of the Greek houses (see TOBACCO AND SMOKING POLICY).

USE OF UNIVERSITY FACILITIES

At times, Greek organizations may wish to use other University facilities for meetings or special events. Procedures for securing permission and reserving space are provided in the Student Handbook, or information may be acquired by contacting the Information Desk in McIntosh Center. Greeks may occasionally wish to use residence hall lounges for non-alcoholic events or meetings. Permission to use these facilities should be requested from the Director of Residence Life. Responsibility for proper clean-up will rest with the group using the space.

- Financial information submitted by the student's parents;
- Confidential letters and recommendations associated with admission, to which the student has waived the right to inspection and review;
- Employment or job placement records;
- Honors information, to which the student has waived the right to inspection and review; and,
- Education records containing information about more than one student, in which case the University will only permit access to that part of the record pertaining to the inquiring student.

Students wishing to review their records must make a written request to the Office of the Registrar specifying which records they wish to review. The Registrar will make the education records available within forty-five (45) days of receipt of the request. Unless the student has an outstanding financial indebtedness to the University, copies of student education records can be made at the student's expense at prevailing institutional rates.

Amendment

Students who believe their education records contain information that is inaccurate, misleading or otherwise in violation of their privacy or other rights may request an amendment of the records. Students wishing to amend their records should submit a request for the amendment in writing to the Office of the Registrar. The request should clearly identify what records the student wants to amend and the reasons supporting the amendment. Within a reasonable amount of time, the Registrar will notify students of the decision regarding their request. If the education record is not amended pursuant to the student's request, the Registrar will inform the student of the student's right to request a formal hearing.

A student may present relevant evidence to the issues raised and may be assisted by any person of their choice.

The panel for the hearing will consist of the Vice President for Academic Affairs, the Vice President for Student Affairs & Dean of Students and the Academic Dean of the student's college. In the event that one of these individuals is the party alleged to be responsible for the disputed contents of the record, the President will appoint an alternate member to the panel.

The panel shall base its decision only upon the evidence presented at the hearing. Panel decisions are considered final and will consist of a written statement summarizing the evidence presented, the findings of the panel, and its decision. The written statement will be delivered to all parties concerned.

If the decision is in favor of the student, the education records will be amended according to the decision of the panel. If the panel finds against the student, the student has the right to place a statement commenting on the information in the record and that the student disagrees with the panel. The statement will be maintained as part of the student's education records and released whenever those records are disclosed.

Any student who believes that the adjudication of the student's request for amendment was unfair or not in keeping with the provisions of FERPA may make a written request for the assistance of the President of the University. In addition, students who believe the university is not in compliance with FERPA may file a complaint with the:

 - 3. Refer the matter to the University Disciplinary Board to adjudicate the student's liability for a violation(s) and/or to determine the remedy or sanction for the violation(s).
- C. In circumstances where the alleged violation(s) mandates suspension or dismissal, or where the Director of Student Conduct believes that suspension or dismissal is the most appropriate sanction, the matter shall be referred directly to the University Disciplinary Board for adjudication.

Section 5: Referral to the University Disciplinary Board

- A. If the matter is not resolved after meeting with the Director of Student Conduct, the matter shall be referred to the University Disciplinary Board and:

 - 3. The SCC shall promptly notify the alleged violator, the complainant, and all necessary parties to the matter of the times and places of any hearings before the Disciplinary Board.

ARTICLE II: THE UNIVERSITY DISCIPLINARY BOARD

Section 1: Organization

- A. The University Disciplinary Board consists of five members, appointed by the Vice President of Student Affairs. The Vice President for Student Affairs shall appoint members to the Disciplinary Board based on their availability, the nature of the alleged violations, and the college in which the student charged is enrolled.
- B. Three of the Disciplinary Board members shall be students appointed from a list of qualified student members. Two of the Disciplinary Board members shall be faculty members appointed from a list of elected faculty members. The members of each Disciplinary Board shall select from among their number one faculty member to serve as Chair and Presiding Officer of the Disciplinary Board, one student to serve as Vice Chair, and one student to serve as Secretary who shall keep the minutes of the proceeding.
- C. Appointments to the Disciplinary Board may only be challenged by the alleged violator on the basis of pre-existing personal bias by the appointee based on prior personal knowledge of the alleged violator or of the facts of the alleged violation. Such challenge shall be made to the Vice President for Student Affairs who shall determine the merits of the challenge and, if in agreement, replace the challenged member of the Board with another from the qualified and elected lists.

Section 2: Membership

- A. The list of qualified student members shall consist of fifteen students selected and placed on the list annually by the Student Senate. The list shall include a minimum of two students from each of the five colleges. Students may be reappointed for up to three years. Students must complete the training requirements specified by the Vice President for Student Affairs before being appointed to a Disciplinary Board.
- B. The list of faculty members shall consist of eight members. The faculty of each of the five colleges shall elect one member to the University Disciplinary Board for terms of two years

at a regular Spring term or other meeting of the college faculty. The faculty of the university shall elect three at-large members of the University Disciplinary Board for terms of two years at a regular Spring term or other meeting of the college faculty. Faculty members may be re-elected to the list.

- C. In the event that no qualified student or elected faculty member is available to serve on a particular Disciplinary Board, the Vice President for Student Affairs may designate student(s) and/or faculty member(s) for service for that specific hearing. The students need not complete the formal training requirements specified by the Vice President for Student Affairs, provided the Vice President for Student Affairs determines that they are fit to serve for a particular hearing.

Section 3: Disciplinary Board General Procedures

- A. **Objective:** It is the objective of the Disciplinary Board to ensure the disclosure of all relevant facts, provide the opportunity for all parties to present their views of the facts and circumstances in issue, and impose an appropriate remedy or sanction for violation(s) of the Code of Conduct. The formal judicial rules of procedure and evidence are not applicable. Failure to strictly adhere to these procedures shall not invalidate a decision. However, material deviation from written procedures that impact the fairness of the hearing constitute grounds for appeal under Article II.2.A. of these Procedures.
- B. **Due Process:** Students have the right to fundamental due process and procedural fairness. Students may only be found liable if a majority of the Disciplinary Board finds it is more likely than not that the accused violated the Code of Conduct.
- C. **Parties:** The complainant and accused may appear and take an active role in the presentation of the matter to the Disciplinary Board.
- D. **Open/Tape Recorded Hearings:** Proceedings of the Disciplinary Board will be tape recorded. Disciplinary hearings are held in private unless both the accused and the complainant(s) agree in writing to an open hearing. The chair of the Disciplinary Board may limit attendance at a hearing to ensure fair and orderly proceedings. If a hearing is opened in accord with this procedure, the chair may, when necessary to maintain order or to protect the rights of participants, declare the hearing closed to the public. In a case involving important privacy interests, the chair may close a hearing or part of a hearing that has been opened upon determining that the privacy rights of a participant may be jeopardized.
- E. **Separate Hearings:** In hearings involving more than one accused student, the student(s) may request that the hearings be separated. If the accused students have not already requested separation, the Chair of the Disciplinary Board may decide to conduct the hearings separately.
- F. **Advisors:** The complainant and the accused student may have one advisor present at the hearing. The SCC must be informed of the name of the advisor at least one (1) University business day prior to the hearing date. The advisor must be a member of the University Community. The advisor and advisee may exchange notes in the hearing, and talk outside the hearing during a break. The advisor is not permitted to speak or to participate directly

in any hearing. At any time should the advisor step outside of his/her role, he/she may be requested to leave the hearing at the discretion of the Chair.

- G. **Witnesses Testimony:** The complainant, the accused student, and the Disciplinary Board Chair may present witnesses, all of whom may be questioned by the Disciplinary Board and the parties. It is the responsibility of the complainant and the accused to contact their own witnesses, request their attendance at the hearing, and notify the SCC of the witnesses' names at least one (1) university business day prior to the hearing date. The hearing may proceed if all witnesses are not present. The hearing Chair may limit the number of witnesses permitted to attend the hearing if it is clear they will only offer redundant, repetitive, or otherwise unessential testimony. The Disciplinary Board may request certain witnesses attend the hearing to provide testimony.
- H. **Other Evidence:** The complainant, the accused student, and the Disciplinary Board Chair may present relevant records, exhibits and written statements for consideration by the Disciplinary Board. The Chair shall determine the relevancy of the evidence, but shall broadly interpret relevancy for the purpose of the hearing. The complainant and the accused must provide the SCC with exhibits at least one (1) university business day prior to the hearing date. The hearing may proceed if all exhibits are not present. The Chair may limit the number of exhibits permitted if it is clear they are redundant, repetitive, or otherwise unessential to the fair adjudication of the matter.
- I. **Failure to Attend Scheduled Hearing:** If the party charged in a Complaint has been properly served according to Article I, Section 3:B, and fails to attend the hearing, the Disciplinary Board may, in its discretion, continue the matter for a reasonable time or adjudicate the matter without the presence of the accused.
- J. **Procedure:** All procedural questions are subject to the final decision of the Disciplinary Board Chair.

Section 4: Conduct of the Hearing

- A. Where the student has denied responsibility for the alleged violation, the hearing shall take place in two parts: (1) the determination of responsibility; and if the Disciplinary Board finds the student responsible for the alleged violation, (2) the assessment of the penalty. At the discretion of the Disciplinary Board, the two parts may take place on the same day, or may be separated by not more than three University business days.
- B. All hearings to determine responsibility will be conducted by the Disciplinary Board according to the following procedure:
 - 1. **Complaint:** The Chair will read the complaint(s) to the accused student(s).
 - 2. **Response:** The accused student(s) will accept or reject each accusation of the complaint(s).
 - 3. **Presentation by the Complainant:** The complainant may present evidence, including witnesses, related to the offense.

4. Presentation by the Accused: The accused may comment upon the evidence and may present additional evidence, including witnesses.
 5. Questioning: Each party may question the witnesses of the other. The members of the Disciplinary Board may also question witnesses and the parties.
 6. Clarification of the Evidence: After each party has concluded presenting their evidence and witnesses, the complainant and members of the Disciplinary Board may re-examine the evidence against the accused student.
 7. Closing Statements: The complainant and the accused may each make a brief summary statement at the close of the hearing. The accused shall make a summary statement after the complainant has been afforded the opportunity to make a summary statement.
 8. Adjournment and Deliberation: The parties shall be dismissed after completion of the summary statements and the Disciplinary Board shall deliberate upon the question of responsibility of the accused and/or appropriate penalty depending on the nature of the proceedings.
 9. Determination: The Disciplinary Board will promptly determine (by majority vote) whether or not the accused is responsible for each allegation.
 10. Sanctions: Promptly following the announcement of the determination of responsibility, and not more than three university business days, the Disciplinary Board shall continue the hearing to determine the appropriate sanction.
- C. All hearings to determine appropriate sanctions will be conducted by the Disciplinary Board according to the following procedure:
1. Presentations: The accused and the complainant may make presentations to the Disciplinary Board regarding the nature of the sanctions to be imposed, and both may, at the discretion of the Chair, call witnesses on their behalf. The parties and the Disciplinary Board shall have the right to question the witnesses.
 2. Sanctions Determination: Upon completion of the sanctions hearing, the Disciplinary Board shall promptly determine the sanctions to be imposed, and may orally communicate the sanctions to the parties.
 3. Secretary's Report: The secretary will prepare a written deliberation report to be included in the student's conduct file detailing the finding, the evidence cited by the body in support of its finding, and any evidence that the body excluded from its consideration, and why. This report should conclude with the recommended sanctions and must be submitted to the Director of Student Conduct within 48 hours after the end of deliberations.
 4. Notice of Decision: Within five (5) university business days of receiving the report, the SCC will mail the results to the accused student. Where the complaint involves sexual misconduct, the victim is entitled to receive the decision and sanction

imposed by the Disciplinary Board in writing and has a right to appeal any decision and be notified of the status of any appeal.

5. Administration of Sanctions: Sanctions shall be administered by the SCC under the supervision of the Dean of Students, and shall be imposed immediately upon receipt of the notice of determination by the accused, but shall be suspended pending the resolution of an appeal by the accused. A student who appeals a decision that includes a sanction of suspension or dismissal shall have his/her diploma withheld pending resolution of the appeal.
6. Records Retention: A record, including the complaint, resolution (and tape recording in complaints resulting in suspension or expulsion), will be kept for all hearings before the Disciplinary Board. The record is the property of Ohio Northern University. The SCC will retain all records for a period of six years from the time the incident was first reported, at which time the SCC shall destroy all paper and electronic records of the proceeding.

Section 5: Discretionary Procedures

- A. ONU recognizes that from time to time complaints of a sensitive nature may come before the Disciplinary Board. In such cases, discretionary procedures may be used during the adjudication of a complaint. Such matters will be determined on a case by case basis by the Disciplinary Board Chair and may include allowing witnesses to testify behind a privacy screen or via closed circuit television.
- B. The past sexual history or sexual character of a party will not be admissible by the other party in hearings unless such evidence is determined to be highly relevant by the Chair of the Disciplinary Board. All such evidence sought to be admitted will be presumed irrelevant. Any request to overcome this presumption by the parties must be in writing and directed to the Chair of the Disciplinary Board.

ARTICLE III: APPEALS

Section 1: Filing the Appeal

- A. A student may appeal an adverse decision of the Disciplinary Board or the Student Affairs Administrator to the University Board of Appeals.

- C. The appeal must be made in writing to the SCC within five (5) university business days from when the student receives the written decision of the Disciplinary Board, including the day on which the student receives the written decision.
- D. If an appeal is not filed within this timeframe the right to appeal is waived and the original resolution becomes final.

Section 2: Review and Approval of the Appeal

- A. The appeal will be reviewed by the Chair of University Board of Appeals for scope. The scope of the appeal, as identified by the Appellant, will be limited to the following:
 - 1. New evidence, unavailable during the original hearing, that could be outcome determinative;

 - 3. Sanction(s) grossly disproportionate to the severity of the offense;
 - 4. The finding is not in accord with the evidence; and/or,

- B. The Chair of the University Board of Appeals will have five (5) university business days to determine the permissibility of the appeal.
- C. If an appeal is denied by the Chair of the University Appeals Board, the Appellant will be notified in writing within five (5) university business days and the SCC will retain a record of the denial. Denial of the appeal means the disposition of the complaint by the hearing body is upheld.
- D. If an appeal is permitted by the Chair of the University Board of Appeals, the appellant will be notified in writing within five (5) university business days. An appeal hearing will be promptly scheduled by the SCC with the University Board of Appeals.

Section 3: University Board of Appeals Membership

- A. The University Board of Appeals consists of eight members. The President of the University shall appoint two members of the Board of Trustees and two university administrators; the university faculty shall elect two members of the faculty; and the Student Senate shall select two students to serve on the Board of Appeals. The members of the Board of Appeals shall select from among its number a Chair and Presiding Officer, a Vice-Chair, and a Secretary who shall keep minutes of proceedings.

Section 4: University Appeals Board Procedure

- A. - B. The SCC shall see that the statement is promptly delivered to the Board of Appeals, the Appellee, and the Chair of the Disciplinary Board.
- C. The Appellee shall have five (5) university business days, including the date of receipt, to respond in a writing of no more than five (5) pages to the statement of the Appellant. This statement shall be delivered to the SCC, who shall provide copies to the Appeals Board, the appellant and the Chair of the Disciplinary Board.

- D. Advisors: Both the Appellee and the Appellant may have one advisor present at the hearing. The SCC must be informed of the name of the advisor at least one (1) University business day prior to the Appeal hearing date. The advisor must be a member of the University Community. The advisor and advisee may exchange notes in the hearing, and talk outside the hearing during a break. The advisor is not permitted to speak or to participate directly in any hearing. At any time should the advisor step outside of his/her role, he/she may be requested to leave the hearing at the discretion of the Chair.
- E. The Board of Appeals shall hold a hearing during which the parties may appear to make brief oral presentations and answer questions from the members of the Board. The Chair of the Board of Appeals may request that the Chair or another representative of the Disciplinary Board also participate in the hearing. All Board of Appeals hearings shall be closed to the university community and to all others who are not directly involved in the proceedings except when both the accused and the complainant(s) agree in writing to an open hearing. The chair of the Board of Appeals may limit attendance at a hearing to ensure fair and orderly proceedings. If a hearing is opened in accord with this procedure, the chair may, when necessary to maintain order or to protect the rights of participants, declare the hearing closed to the public. In a case involving important privacy interests, the chair may close a hearing or part of a hearing that has been opened upon determining that the privacy rights of a participant may be jeopardized.
- F. Following the hearing, the Board of Appeals shall decide the matter by upholding the decision of the Disciplinary Board, reversing the decision with regard to responsibility, and/or modifying the sanction. The decision of the Board of Appeals is final.

ARTICLE IV: PUBLIC INFORMATION

Descriptions of violations found to have been committed and the sanctions imposed may be posted in a prominent place or published periodically in the NORTHERN REVIEW or other publication, without the names or identities of the parties except where both the accused and the complainant(s) agree in writing to an open hearing. The SCC shall maintain and make accessible to any member of the public a public register of such decisions. This register shall not include the names or identities of the parties except where both the accused and the complainant(s) agree in writing to an open hearing.

ARTICLE V: DISCIPLINARY OFFENSES

- A. The following are general sanctions that may be taken by the Office of Student Conduct, or the University Disciplinary Board. Sanctions may include, but are not limited to, the following:
 - 1. Social Probation. Social Probation indicates a specific time period where any further violation of any University policy may cause more severe action to be taken by the University, including withheld suspension or dismissal. Social Probation may limit participation in extra-curricular activities, intramurals, and/or affiliation with certain groups. Additional sanctions and/or activities may be imposed as a requirement for successfully completing the social probationary period.

2. No Contact Order. A No Contact Order may be imposed in instances where it is determined that a student poses a potential threat or the escalation of disruption to another person. It may be used as an immediate sanction in some cases. This means no contact in person, via phone, cell phone, text message, instant message, communication via friends or other third parties, etc. In the event that the individual meets by chance/other reasons with the student in question, they are instructed to refrain from making any contact. A violation of the No Contact Order could result in further disciplinary action, including suspension from the university.
3. Withheld Suspension. Withheld Suspension is the most severe disciplinary action taken that allows a student to remain on campus and in classes. Any further violation of University regulations may cause suspension from the University. Withheld Suspension may limit participation in extra - curricular activities, intramurals, and/or affiliation with certain groups. Additional sanctions and/or activities may be imposed as a requirement for successfully completing the period of withheld suspension.
4. Suspension. Suspension requires a student to leave campus and not return until readmitted. The length of suspension is determined by the offense, and re-enrollment at the University is contingent upon fulfilling additional sanctions.
5. Dismissal. Dismissal requires the student to leave campus and he/she may not re-enroll at the University.

APPENDIX C: CODE OF STUDENT ACADEMIC CONDUCT

PREAMBLE

January 31, 2007

Ohio Northern University, a United Methodist-related institution of higher learning, seeks to graduate students imbued with Christian ideals, accomplished in scholastic achievement, inspired with a desire to contribute to the good of mankind, and committed to a way of life that will result in a maximum of personal and social growth.

Ohio Northern University students have an obligation to maintain the highest standards of ethical conduct. The University expects its students to conduct themselves in a dignified and honorable manner as mature members of the academic community and assumes that individually and collectively they will discourage acts of academic dishonesty. The University also expects cooperation among administrators, faculty, staff, and students in preventing acts of academic dishonesty, in detecting such acts, reporting them, and identifying those who commit them, and in providing appropriate punishment for offenders.

A major objective in maintaining minimum standards of academic conduct is to ensure fairness, honesty and integrity in the evaluation of student performance. Instructors should be confident that their evaluation methods will not be willfully invalidated by students intending or attempting to misrepresent the skill, achievement, or ability either of themselves or of others. Students, on the other hand, should be confident that a fair comparison of their work with that of other students has not been subverted by unethical conduct. Nevertheless, academic offenses may occur in connection with written examinations or other written work submitted for evaluation or in the performance of laboratory work and use of university computers. A listing of specific offenses covered by this Code is provided in Section I below.

Handling of alleged breaches of this Code begins in the college, usually with the faculty member in whose course of study the alleged offense occurred. Each college has its own procedures for deciding the validity of an allegation and for appealing a decision in connection with that allegation. The final college decision will be by the dean or a body to which the dean has delegated responsibility and authority.

Either the charged student or the complainant may not wish to accept the decision on the validity of the allegation; or the student may accept the decision but not the sanction imposed. In the first instance, an appeal of the decision on the validity of the allegation may be carried to the University Committee on Academic Conduct. The Committee on Academic Conduct will be composed of five full-time faculty members, no more than two from any one college, who shall be elected for two-year terms at the regular May faculty meeting. In the second instance, an appeal of the sanction may be filed with the Vice President for Academic Affairs.

The University Committee on Academic Conduct will consider appeals in accord with procedures detailed in Section II, Part B, below. A decision of the University Committee on Academic Conduct may be appealed to the Vice President for Academic Affairs. The Vice President for Academic Affairs may sustain the Committee decision, making it final, or may return a recommendation to the Committee. The Committee's subsequent decision is final.

Several degrees of sanction may be imposed, ranging from written warning to dismissal from the University. If an offense involves a violation of law, the University may take additional actions as appropriate.

This Code of Student Academic Conduct sets forth the following: (1) the minimum standards of academic conduct for the various offenses that are expressly prohibited; (2) the procedures for adjudicating any alleged breach of

this Code; and (3) both the sanctions and the policies relating to those sanctions that may be imposed for any breach of this Code.

Section I - ACADEMIC OFFENSES

No student shall engage in any form of improper or unethical conduct, as expressly set forth in this Section.

Furthermore, in any particular course, no student shall engage in any form of improper or unethical conduct designated as such by the faculty member in charge of that course even though it is not specifically included in the listing below. Faculty members are encouraged to enumerate matters of this kind and to clarify them for their students.

 - 4. Improper collaboration - Engaging in any discussion, joint research, or joint effort of a kind expressly prohibited by the instructor.
 - 5. Deception - Misrepresenting the authenticity of sources, citations, or principles in any written work.
 - 6. Other misconduct - Engaging in any other improper conduct as specified by the instructor.

- C. Improper Knowledge of Contents of an Examination - No student shall knowingly acquire unauthorized knowledge of an examination or any part of an examination, or solicit, offer, or give information about any part of an examination.
- D. Improper Laboratory Work or Computer Use - Offenses involving improper work in a laboratory or improper use of a computer may include those offenses listed above as examination offenses and written work offenses and will also include all instructions and rules specified by either the course instructor or the Director of Computer Users Services.
- E. Misrepresentation - No student shall make any deliberate misstatement of a material fact relevant to academic matters, such as misrepresenting the inability to take an examination because of illness.

Section II - RESOLUTION AND ADJUDICATION PROCEDURES

- A. College Procedures
 - 1. The initial responsibility for dealing with violations of the Code of Student Academic Conduct lies with the individual faculty member in whose classroom or course of study the offense occurred unless college policy requires otherwise. Each college shall establish and promulgate processes for resolving and adjudicating alleged breaches of the Code.
 - a. It is desirable that any violation of the Code receive prompt action by the faculty member through immediate imposition of sanctions or referral to an appropriate college committee. No charges may be brought later than thirty days from the time of reasonable opportunity for knowledge that the alleged offense occurred.
 - b. If the college procedure provides for an initial decision on the validity of the allegation and a determination of the sanction by a committee or other body or person, a process for appeal and preliminary review of the decision and sanction must be provided.
 - c. If the college procedure provides for an initial decision on the validity of the allegation and a determination of the sanction by the faculty member, the procedure must further provide for both (1) a process for appeal and preliminary review and (2) a final college decision by the dean of the college or by a body to which the dean has delegated responsibility and authority for such final college decision.
 - d. The faculty member in whose classroom or course of study the alleged offense occurred shall provide notice of the charges to the dean of the college in which the alleged offense occurred (and the dean of the student's college of registration, if different). The faculty member may review a student's file for previous record of Code violations in the dean's office and may consult with the dean of the student's college of registration. The faculty member may use the existence or nonexistence of previous charges in consideration of charges to be recommended.
 - e. The faculty member, or other body as set forth in college policy, shall prepare a letter stating sanctions to be, applied sanctions (1), (2), or (3), or recommended, sanctions (4) or (5) or (6), (see C.1. below), one copy to the student, one copy to the dean of the

college in which the course is offered, and one copy to the dean of the student's college of registration (if different).

2. Appeal from college action

- a. If either the charged student or the complainant is not satisfied with the decision reached through the college procedures, an appeal from the decision may be filed with the University Committee on Academic Conduct. Appeal must be filed within ten class days following the decision.
- b. If either the charged student or the complainant is not satisfied with the sanction established through the college procedures, an appeal may be filed with the Vice President for Academic Affairs within ten class days following establishment of the sanction. The authority of the Vice President for Academic Affairs shall be to (1) sustain the college decision or (2) remand the matter, with recommendation, to the person or body within the college which made the decision. Following review of the Vice President's recommendation, a final and binding establishment of sanction shall be made by the person or body to which the matter was remanded.

B. Appeal to University Committee on Academic Conduct

1. The University Committee on Academic Conduct shall consider appeals based upon a study of all relevant documents and materials considered in the college adjudication procedures and upon a hearing conducted in accord with the following:
 - a. The hearing shall be convened within ten class days following receipt of appeal, provided, however, that upon timely application by one of the parties the Committee may, by majority vote, grant such extensions as it deems desirable and are accepted by both parties.
 - b. The hearing should be conducted so as to best ascertain the truth and carry out the spirit of the Code. The hearing shall be conducted in a fair and impartial manner but shall not be bound by rules of evidence or formal rules of procedure other than those set forth in this Code.
 - c. The hearing shall be open unless the charged student requests it be closed.
 - d. Each party, charged student and complainant may have one member of the University community speaking in the individual's behalf. Each party is allowed to have another person present at the hearing to provide advice and consultation but not to address the Committee except at its request.
 - e. Witnesses may be presented by either party for direct examination and cross examination.
 - f. The hearing shall be tape recorded, and the recording shall be made available to either party upon request.

- g. If either party fails to appear when the case is called for hearing, the Committee in its sole discretion may discuss the appeal with or without prejudice to either party, bring the matter before the Committee again, or sustain the appealed decision if the charged student does not appear.
 - h. After completion of all presentations and receipt of all relevant documents and materials, the Committee shall deliberate privately and reach a decision.
 - i. An appealed decision shall be sustained when three-fifths of the members find, beyond a reasonable doubt, that the charged student has violated the Code.
2. The Committee shall prepare a written opinion ten class days after receipt of relevant documents and materials from the college or after adjournment of the hearing. One copy of the opinion shall be provided for each of the following: (1) the University Committee on Academic Conduct file, (2) the charged student, (3) the dean of the college in which the alleged breach of the Code occurred, (4) the dean of the college of the student's registration, (5) the Vice President for Academic Affairs, (6) the faculty member in charge of the course or other complainant, and (7) the University Registrar, if the sanction imposed affects the student's academic record or eligibility to continue as a student.
 3. The Committee shall have the opportunity to overturn the decision arrived at in a college and the resulting sanction, but it may not alter sanctions imposed if it upholds the decision of the college.
 4. If either the charged student or the complainant is not satisfied with the decision of the Committee, an appeal may be filed with the Vice President for Academic Affairs within ten class days. The authority of the Vice President shall be to (1) sustain the Committee decision, thus making the decision final and binding, or (2) remand the matter to the Committee with recommendation. Following review of the Vice President's recommendation, a final and binding decision shall be made by the Committee.

C. Sanctions

1. Sanctions may include, but are not limited to, the following: (1) warning--a written notice that continuation or repetition of conduct found wrongful may be cause for more disciplinary action; (2) censure--a written reprimand for breach of the Code, including the possibility of more severe disciplinary sanctions if there is further violation of any part of the Code; (3) repeating of relevant course requirements or lowering of grade on relevant course requirements by discounting the examination paper or other evaluation instruments in which the violation occurred in part or in its entirety in the determination of the final grade for the course; (4) administrative withdrawal from the course without claim for financial recompense; (5) suspension--ineligibility to continue in the University for a specified period of time not to exceed one calendar year; and (6) dismissal--ineligibility to continue in the University, normally with no opportunity for readmission. Sanctions of suspensions and dismissal imposed in accordance with this Code are academic sanctions.
 - a. Sanctions at the level of (4), or (5), or (6) as identified in C.1. are to be recommended to the student's college, if different from the college in which the conduct occurred, for its action.

2. If discounting the evaluation instrument is the chosen sanction (see C.1.(3), above) either the charged student or any appeal body in these procedures may cause a letter to be placed in the University Registrar's files or attached by the Registrar to the student's transcript, such letter to provide explanatory information relative to the grade.
3. Sanctions will be imposed while the appeal is pending, unless the University Committee on Academic Conduct, upon considering a request for stay of sanction, rules that sanction is to be deferred until final decision has been reached.

D. Secondary Sanctions

If the offense determined through the procedures above involves a violation of any local, state, or national law, a full report of all evidence and actions taken shall be communicated to the Vice President for Academic Affairs for possible additional action. In such cases, additional sanctions may be imposed, including expulsion of the student from the University, remanding the subject to proper law enforcement officials for legal action, or other such steps as may seem appropriate and reasonable.

Section III - ENFORCEMENT

In all cases where there has been a finding of a violation by the student, the student's college dean, or other appropriate University official, shall administer the recommended sanction.

Section IV - THE RELATION OF COLLEGE STANDARDS TO THE OHIO NORTHERN UNIVERSITY CODE OF STUDENT ACADEMIC CONDUCT

In all respects, this Code shall be taken as stating the minimum requirements applicable in all colleges of the University. College standards may supersede this Code only insofar as they are more rigorous than this Code.

However, Ohio Northern University may, in connection with its voluntary efforts to overcome the effects of limited participation in the University's programs by disabled persons, invite applicants, on a voluntary basis, to indicate whether and to what extent they are disabled.

After admission, Ohio Northern University may take inquiries on a confidential basis as to disabilities that may require accommodation. Disabled students admitted to Ohio Northern University who require accommodation of a disability should request such accommodation in writing from the dean of the college to which the student was admitted. Requests for reasonable accommodation will be honored unless they impose an undue hardship on Ohio Northern University.

Access to facilities

No individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, or any place of public accommodation owned or leased by Ohio Northern University.

Procedure for Obtaining Reasonable Accommodation

Federal regulations require the University to modify its academic requirements to insure those requirements do not discriminate or have the effect of discriminating against qualified disabled students on the basis of disability. At the same time, academic requirements that are demonstrably essential to the program of instruction being pursued or directly relate to a licensing requirement are not regarded as discriminatory. The regulations require faculty members, in their course examinations or other student evaluation procedures, to use evaluation methods that best insure the results of the evaluation will represent the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors the test purports to measure).

The following are the procedures to be followed when a student requests accommodation for a disability:

1. Disabled student requests accommodation in writing from dean of college to which student is admitted. Request must be accompanied by a written diagnosis from an appropriate professional made within three years prior to the request. The diagnosis must include a clear recommendation describing what services or accommodations are appropriate for the student.
2. Original of written diagnosis kept in Registrar's Office. A copy is kept in a file in college of registration.

3. Dean of college of registration reviews written diagnosis and recommendations and establishes accommodations plan for student.
4. Student is informed of accommodation plan. Student who believes plan is inadequate is entitled to appeal.
5. Student signs statement prior to each academic term permitting University officials to supply accommodation plan to appropriate faculty members (teachers of student) and staff (deans, advisors).
6. Signed statement is placed in file in Registrar's Office. Copy kept in student file in college of registration.
7. College of registration provides appropriate faculty members with accommodation plan before each academic term.

Notice and Appeal

1. A student who has completed these procedures has the right to appeal an accommodations plan established by the office of the dean which the student feels is inadequate for his/her needs. The student should first discuss the accommodations plan with the dean of the college of registration who determined the plan during, or before, the first week of the academic term. If the student still believes the plan is inadequate, the student may appeal the plan. A written appeal must be submitted by the end of the second week of the term to the Accommodations Appeals Committee of the college of the student's registration established as provided below in paragraph 3. A student who provides documentation of new or changed circumstances of his/her disabilities which arise after an academic term has begun may request a new or different accommodation plan after the first two weeks of that term. The procedures of this section will then be followed. No appeal can be brought in the final two weeks of the academic term.
2. Accommodations appeals shall be handled only by the college of the student's registration. The Committee will review the written statements of the student and information supplied by the faculty member(s) and dean. The Committee shall, within five days of receipt of the written appeal, either affirm the accommodation plan provided by the college dean or specify in writing to the faculty member(s), student and dean, an alternative accommodation plan for the student. All discussions and written statements concerning the circumstances of the accommodations appeal are to be kept confidential by all persons involved in the appeals process.
3. The Accommodations Appeals Committee shall be composed of the following members: (1) one faculty member designated from the student's college of registration; (2) one faculty member designated from each department/college offering a course for which the student has requested an accommodation plan; and (3) one faculty member or student selected by the appealing student. Each department/college shall elect a faculty member and an alternate at the beginning of each academic year to serve as its department/college representative(s) for accommodations appeals. A faculty member involved in an appeal procedure shall not serve on the Committee. In that event, the faculty member will be replaced on the Committee for this appeal by the alternate faculty member selected by the department/college.

4. The student has the responsibility to initiate the appeals procedure promptly at each step so that any appeal requested can be completed in a timely manner.

APPENDIX F: GETTY COLLEGE OF ARTS AND SCIENCES

ACADEMIC STANDING

A grade point average of 2.00 is required for graduation. If a student's cumulative grade point average falls below 2.00, the student is placed on academic probation. The student can return to good academic standing by raising his/her cumulative grade point average to 2.00 or above.

For students enrolled prior to the Fall of the 2008-09 Academic Year: If the cumulative grade point average of a freshman falls below 1.60, that student cannot participate in competitive activities of individuals, teams, or other groups officially designated as representing the University. A sophomore must maintain at least a 1.80 cumulative grade point average to participate in the aforementioned activities. Juniors and seniors who are on academic probation are not eligible to participate in these activities.

Students entering or readmitted to Ohio Northern University in the Fall of 2008 or later:

1. who have earned fewer than 37 credit hours must maintain at least a 1.80 cumulative grade point average to participate in competitive activities of individuals, team, or other groups officially designated as representing the University.
2. who have earned 37 or more credit hours must maintain at least a 2.00 cumulative grade point average to participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.

Any student on probation whose semester grade point average for the following semester is below a 2.00 will have his/her record reviewed by the Committee on Academic Qualifications of the college and may be recommended to the dean for academic actions which may include suspension or dismissal. Students on probation are expected to comply with all special requirements established by the dean's office. Failure to do so may result in administrative cancellation of the student's registration. Any student with a term gpa of 1.00 or lower may be placed on probation or suspended. A complete list of CAQ Academic Action Guidelines is available for review in the dean's office of the College of Arts and Sciences.

If action is taken to suspend a student, the suspension will be for a definite period of time, after which the student may apply for readmission. If readmission is granted, the Committee on Academic Qualifications may establish certain conditions of academic performance for the student to remain enrolled in the College of Arts and Sciences. Continued poor performance by a readmitted student will lead to dismissal.

If action is taken to dismiss a student, it is to be regarded as a terminal action and the student is not eligible to apply for readmission to the College of Arts and Sciences at any time thereafter.

CODE OF ACADEMIC STUDENT CONDUCT

In conformance with Section II of the University Code of Student Academic Conduct, the College of Arts and Sciences establishes the following procedures for resolving and adjudicating alleged breaches of the Code.

Violations of the Code of Student Academic Conduct are described in Section I (Academic Offenses). When a faculty member believes there is sufficient evidence that a breach of the Code of Student Academic Conduct has occurred, the faculty member will clearly state the charge to the student, and the student will either acknowledge the validity of the charge or deny the charge. If the student acknowledges the validity of the charge, the faculty member shall recommend the sanction to be imposed as described in Section II (Sanctions for Academic Misconduct). If the student holds the recommended sanction is excessive, or if the student denies the charge, the student may implement the procedure outlined in Section III (Resolution and Adjudication Procedures).

I. ACADEMIC OFFENSES

No student shall engage in any form of improper or unethical conduct, as expressly set forth in this document. Furthermore, in any particular course, no student shall engage in any form of improper or unethical conduct designated as such by the faculty member in charge of that course even though it is not specifically included in the listing below.

Examination offenses include, but are not limited to, the following:

Taking unauthorized materials into or out of the examination room.

Leaving the examination room without authorization before completing an examination.

Talking in the examination room without authorization.

Discussing the examination outside the examination room during the course of the examination.

Attempting to observe the work of another student.

Taking an examination for another person, or permitting someone else to do so.

Collaborating improperly by discussion, joint research, or joint effort in any way expressly prohibited by the instructor.

Written work offenses include, but are not limited to, the following, which are expressly prohibited in the absence of prior written approval by the instructor or instructors involved.

Resubmission of work – submitting work which has been previously submitted for credit.

Plagiarism – submitting work done wholly or partly by another, including the unattributed copying of all or parts of a published work.

Prohibited sources – consulting material or persons contrary to the directions of the instructor.

Improper collaboration – engaging in any discussion, joint research, or joint effort of any kind expressly prohibited by the instructor.

Deception – misrepresenting the authenticity of sources, citations, or principles in any written work.

Other misconduct – engaging in any other improper conduct as specified by the instructor.

Improper knowledge of contents of an examination – no student shall knowingly acquire unauthorized knowledge of an examination or any part of an examination, or solicit, offer, or give information about any part of an examination.

Improper laboratory work or computer use – offenses involving improper work in a laboratory or improper use of a computer may include those offenses listed above as examination offenses and written work offenses and will also include all instructions and rules specified by either the course instructor or the Director of Academic Computer Users Services.

Misrepresentation – no student shall make any deliberate misstatement of a material fact relevant to academic matters, such as misrepresenting the inability to take an examination because of illness.

II. SANCTIONS FOR ACADEMIC OFFENSES

If a faculty member determines that a student has committed an academic offense as described above, s/he may sanction the student as outlined in the “Academic Misconduct Policy” stated in the instructor’s course syllabus. Sanctions may include, but are not limited to, the following:

Warning – a written notice that continuation or repetition of conduct found wrongful may be cause for more disciplinary action.

Censure – a written reprimand for breach of the Code, including the possibility of more severe disciplinary sanctions if there is further violation of any part of the Code.

Repeating of relevant course requirements or lowering of a grade on relevant course requirements by deducting the value of the examination paper or other evaluation instruments in which the violation occurred in part or in its entirety in the determination of the final grade for the course.

Administrative withdrawal from the course without claim for financial recompense (requires permission of the Dean’s Office).

Suspension – ineligibility to continue in the University for a specified period of time not to exceed one calendar year (requires permission of the Dean’s Office).*

Dismissal – ineligibility to continue in the University, normally with no opportunity for readmission (requires permission of the Dean’s Office).*

* When an instructor determines that academic misconduct has occurred and plans to recommend suspension/dismissal or assigning a lowered course grade, s/he should immediately contact the appropriate Dean’s Office and request that a “conditions hold” be placed on the student’s BANNER file. After the hold is in place, the instructor should meet with the student to discuss the academic offense and their recommended sanction. By putting a hold in effect first, the student is unable to withdraw from the course or university without permission of the Dean’s Office, thereby ensuring the recommended sanction is imposed.

Sanctions of suspension and dismissal imposed in accordance with this Code are academic sanctions.

Sanctions will be imposed while the appeal is pending, unless the Committee on Academic Conduct, upon considering a request for stay of sanction, rules that a sanction is to be deferred until the final decision has been

reached. When a student has been sanctioned for academic misconduct, s/he will not be permitted to evaluate the instructor of the course in which the offense occurred.

If the offense determined through the procedures outlined in this document involves a violation of any local, state, or national law, a full report of all evidence and actions taken shall be communicated to the Vice President for Academic Affairs for possible additional action. In such cases, additional sanctions may be imposed, including expulsion of the student from the University, remanding the subject to proper law enforcement officials for legal action, or other such steps as may seem appropriate and reasonable.

III. RESOLUTION AND ADJUDICATION PROCEDURES

Should the student feel they were inappropriately accused of an academic offense or excessively sanctioned for an offense, s/he must attempt to resolve the situation by meeting with their instructor within 10 working days of the alleged incident.

If the student and faculty member fail to agree on the validity of the allegations, the student may submit a written statement outlining the incident to the appropriate department chairman. The instructor will be required to submit copies of all relevant documents to his/her chairman. These actions must be accomplished within 10 working days of the student/instructor meeting.

Failure to satisfactorily resolve the issue at the department level will require the department chairman to forward all materials to the Dean of the College of Arts and Sciences who will convene a special meeting of the Committee on Academic Qualifications (CAQ). Materials must be received within 10 working days of the department decision. CAQ will review all relevant documents and render its written decision to the student, instructor, department chairman, the Dean of Students, the Dean of the student's college, the Dean of the instructor's college, the Vice President for Academic Affairs and the University Registrar within 10 working days of the date materials were received by the CAQ.

If the charged student is not satisfied with the decision reached through these college procedures, an appeal from the decision may be filed with the Committee on Academic Conduct. An appeal must be filed within 10 working days following the college decision made by the CAQ. This procedure is outlined in Section II B of Appendix 3 of the ONU Faculty Handbook.

If a student, faculty member or member(s) of CAQ feels that a case under review presents a conflict of interest for them, the committee member(s) will be excused from deliberations and an alternate member(s) will be appointed before proceeding.

APPENDIX G: SMULL COLLEGE OF ENGINEERING

CODE OF STUDENT ACADEMIC CONDUCT

Intellectual honesty is a vital part of each student's preparation for a full and rewarding life. Engineering is a profession of high calling in life. Traditionally, the professional person is one who follows the pursuits of a learned vocation and devotes his life to the betterment of mankind. The true professional person does not allow the thoughts of rewards, compensation, honors, recognition, personal gain, etc., to influence the desire to serve mankind. Service before the self is the motto of the Professional Engineer.

In keeping with the objectives of the University, the college provides the opportunity for the developing of each student as a whole individual who will be successful and creative in their professional life as well as in their personal life. One of the traditions of the college is to treat each student as an individual.

The T.J. Smull College of Engineering has a very simple procedure for handling cases of violation of student academic conduct. First, it is the responsibility of the faculty member involved to handle the manner on a one-to-one basis with the student. When either the faculty member or the student involved feels that the case needs further review, it is submitted to the appropriate department chairman. If the problem is not resolved at the department level, the case may be appealed to the Dean of the college. The final decision for an appealed case in the college is the responsibility of the Dean. Each program in the College of Engineering addresses professional ethics. Students are required to read and understand the "code of ethics" of the appropriate professional organization.

Such deliberations shall be completed no later than ten (10) class (working) days after the student charged received the notice of the charge(s) (Section 11.02).

11.04 If the student charged with a violation of the Code requests a hearing, a date shall be set for a hearing and all parties involved notified by the Board Hearing Committee as to the date, time and place. 12.01 Each party shall have the right to provide evidence and witnesses at the hearing and to be present throughout the presentation of all witnesses and evidence.

- 12.02 Each party shall provide a list of witnesses to the Board. The Board will then issue summons to the witnesses requiring their presence at the hearing. Witnesses with an unexcused absence will be held in contempt of the Code and will be subject to appropriate sanctions within reason. If either party requests, for just cause, as determined by the Chairperson of the Board, that additional witnesses be present, the Board may defer the hearing until such time that the witnesses may appear and be questioned.
- 12.03 The Board may request the appearance of additional witnesses if the Board determines that such witnesses could present relevant information.
- 12.04 Any witness who wishes or needs to be excused should, in advance of the hearing, confer with the Office of the Dean. The decision reached during this conference will be communicated immediately by the Dean, to the Chairperson or to the Vice-Chairperson of the Board who will then promptly relay any such information to all parties.
- 12.05 If a witness fails or refuses to appear, the Board shall first determine whether or not to proceed on the basis of other evidence or witnesses available. If it is the decision of the Board to proceed, the challenged portions of any written statements that may have been made by the absent witness shall be disregarded.
- 13.00 **HEARING PROCEDURES**
- 13.01 The Board will conduct the hearing and all of its deliberations in closed and confidential session within the committee.
- 13.02 The hearing will be called to order by the Chairperson who will then identify by name members of the Board who are present for the record.
- 13.03 The Chairperson will then identify by name the student charged with the alleged violation of the Code and his/her witnesses and the charging party and his/her witnesses.
- 13.03.1 In the event the student charged with the alleged violation of the Code or any of his/her witnesses or the charging party or any of his/her witnesses fail to appear, the Board shall determine whether or not to proceed based on the witnesses and evidence available.

- 13.04.5 Following presentation of all evidence and witnesses and questioning by the members of the Board, all parties will be excused while the Board deliberates.
- 13.04.5.1 The parties will remain available in the event that they are recalled as described in Section 13.05.6.

- 13.05 The Chairperson may grant a recess at the request of members of the Board or the parties involved to allow time for further preparation.
- 13.06 The Chairperson and members of the Board shall not discuss the evidence or testimony in the presence of the parties. All parties present shall hold all proceedings of the Board as confidential information.

14.00 **BOARD DELIBERATIONS**

- 14.01 The burden of proof rests with the charging party and will be satisfied by any clear and convincing evidence in the record when considered as a whole.
- 14.02 If the student charged with an alleged violation of the Code fails to make a statement or to answer any or all questions which shall not be considered in the determination of guilt or innocence by the Board.
- 14.03 The Board will begin deliberation immediately following the hearing and continue their deliberations until the verdict of guilty or not guilty is reached. The verdict will be determined by a simple majority vote as stipulated in Section 5.04.3.8
- 14.04 A student’s prior record or sanctions and/or prior accusations shall be inadmissible as evidence to provide/or prove innocence or guilt. However Board in the determination of the appropriate sanctions must consider the student’s prior record of sanctions if the student is judged guilty of the present violation.
- 14.05 In the event a verdict of guilty is reached, the Board will consider recommended sanctions as stipulated in Section 4.00.
- 14.05.1 The deliberation and determination of sanctions to be recommended may be postponed until precedental cases can be reviewed. Deliberations concerning sanctions must be completed within two (2) working days after the determination of the guilty verdict.

15.00 **ACTIONS IN RESPONSE TO BOARD FINDINGS**

- 15.01 The Dean will amend or accept the findings and recommendations of the Board, and notify the parties involved of the action to be taken by the College of Pharmacy.
- 15.01.1 The Dean will notify the student charged, in writing, of the findings and, in the case of a guilty verdict, any sanctions to be imposed. Copies of this notification of action shall be sent to the charging party (ies), to the student, and be placed in the student’s permanent file and the appropriate offices as determined by the Dean.
- 15.02 Upon notification of action, either party may appeal to the Office of the Dean as stipulated below:
- 15.02.1 The appeal must be filed in writing within five (5) working days after receipt of notification of the action described in Section 15.01. The appeal must include a statement of the asserted facts and the argument concerning appeal.

- 15.02.3 The other parties may submit a written response to the appeal within five (5) working days of receipt of the appeal described in section 15.02.1.
- 15.03 The Dean shall accept or amend the appeal and any response by the other parties. The Dean of the College of Pharmacy's decision will constitute the final action of the College of Pharmacy.
- 15.04 The Office of the Dean shall notify all parties of his/her decision(s) regarding the appeal. This notification shall represent the College of Pharmacy's final action.
- 15.05 If the student or complainant is not satisfied with the College of Pharmacy final action they may file an appeal with the University Judicial Board. (Appendix 3: Section II: Part 4, in the University Faculty Handbook)
- 15.06 The Office of the Dean shall monitor probation.
- 15.07 A student may not graduate during the appeal process.
- 15.08 A student may not be enrolled in classes during the appeals process.
- 15.09 A student returning after completion of a suspension will follow the same procedure to register as any other returning student.

16.00 **AMENDMENTS AND REVISIONS**

- 16.01 Proposed amendments and revisions shall be submitted to the faculty of the College of Pharmacy through the Board of Ethical and Professional Conduct. A majority vote of the faculty is necessary for the adoption of amendments, with a majority defined as greater than 50% of those voting. Amendments and revisions so adopted are then subject to the approval of the Dean of the College of Pharmacy and the Academic Vice President of Ohio Northern University, who may accept or veto said amendments and revisions. If vetoed, the revisions and/or amendments may be re-voted upon by the faculty and will be added to the Code of Conduct if greater than two-thirds of the popular vote indicates approval on a given revision

APPENDIX I: DICKE COLLEGE OF BUSINESS ADMINISTRATION

CODE OF STUDENT ACADEMIC CONDUCT

Pursuant to the Ohio Northern University Code of Student Academic Conduct adopted April 6, 1982, the College of Business Administration hereby establishes the Committee on Student Academic Conduct to satisfy the College Procedures requirement of the Code.

The College of Business Administration Committee on Student Academic Conduct shall be composed of three elected full-time teaching faculty members and one alternate member for instances in which a regular member is a directly-involved party.

The Committee's role specifically shall be to fulfill the requirements that the resolution and adjudication procedures of the college provide a process for appeal and preliminary review; i.e., the Committee shall meet subsequent to initial decision-making by the faculty member involved in an alleged code violation incident.

The Committee's findings and decision shall be reduced to writing and then be transmitted to the charged student, the faculty member involved, and the Dean of the College. The Committee shall have the authority to overturn the decision of the faculty member and the resulting sanction, but it may not alter sanctions imposed if it upholds the decision of the faculty member.

Either the faculty member or the student may appeal the Committee decision to the Dean of the College of Business Administration. Following the Dean's analysis of all pertinent data, a final college decision will be made by the Dean.

To provide for continuity from one year to the next, the initial election shall provide for members to serve a one-year term, a two-year term, and a three-year term. Elections are to be held at the first regular meeting of the academic year.

APPENDIX J: PETTIT COLLEGE OF LAW

CODE OF PROFESSIONAL RESPONSIBILITY

Adopted May 15, 1986

Revised March 22, 1988

PREAMBLE

Our self-governing society can exist only in an environment stabilized by law and stimulated by an informed and responsible citizenry. We have entered a specialization which performs a vital role not only in guarding the law but also in protecting the public's perception of the law's usefulness. While lawyers may use the accumulation of evidence, the citation of precedent, and the drafting of documents to cope with our increasingly complex culture, the ultimate tool must be the lawyer's conscience.

The canons which reflect our professional ethics are not a substitute for conscience; rather they provide guidelines for lawyers to deal with constantly changing situations. The specifics of these canons will be understood when, as law school graduates, we progress to our respective states. However, our responsibility to the law does not begin on the day we pass the bar examination; it begins on the day we enter law school. The Pettit College of Law Student Code of Professional Responsibility attempts to set forth acceptable standards of student conduct and to aid the student in becoming a respected member of the legal community. In addition to defining conduct which is unacceptable, the Code suggests conduct which is commensurate with the highest standards of the legal profession.

The self-government of the bar, like the self-government of our society, requires something extra of its people. Ultimate responsibility for the future of the legal profession rests within the conscience and morals of its members. Only through vigorous dedication to the high standards that have traditionally characterized the practice of law can we hope to enter the twenty-first century with the respect of the public we serve.

It is, therefore, the duty of every student, as we pursue our study of the law, to aspire to the highest ethical standards and to assist in the enforcement of this student code. Only in this way will we be able to preserve the commendable ideals that have come to signify the word "attorney" and continue the rich heritage of our profession.

PART TWO: ADJUDICATION PROCEDURES

If it is not, the Dean shall immediately notify the respondent of the nature of the complaint against him/her and shall give the respondent a copy of the complaint with the name of the complainant obliterated.
 - b. Within 10 days of the receipt of the complaint by the Dean, the respondent shall advise the Dean if s/he is entering a plea of guilty, nolo contendere, or the like. If the respondent enters such a plea, the Dean shall immediately forward the matter to the Adjudication Committee for a determination of the sanction pursuant to Article 2.8 and the balance of this Article does not apply.
 - c. Within 10 days of the receipt of the complaint by the Dean, the respondent (if no plea is entered pursuant to the preceding paragraph) shall be afforded the opportunity to meet with the Dean, without legal representation, to discuss the facts and circumstances pertinent to the complaint. If the respondent chooses to meet with the Dean for this purpose, the respondent may be accompanied by and may consult with a law student of his/her choosing. This law student shall not serve as the respondent’s representative. No statement made by the respondent at this meeting shall be used as evidence against the respondent in the hearing conducted pursuant to Article 2.6.

 - f. Within 15 days of the receipt of the complaint by the Dean, the Dean, after considering the relevant evidence and the provisions of this Code, shall (1) determine whether there is probable cause to believe that the respondent has violated the provisions of this Code, (2) prepare either the Determination Document described in Section B of this Article, or the Dismissal Document described in Section C of this Article, and (3) deliver the document in accordance with the requirements of Section D of this Article.
 - g. For good cause, the Dean may extend the deadlines referred to in this Article.
2. Determination Document: If the Dean determines that there is probable cause to believe that respondent has violated this Code, the Dean shall prepare a signed and dated Determination Document, stating his/her conclusion in a concise manner.
- a. The document shall contain (i) the name of the respondent, (ii) the name of the complainant, and (iii) the specific provisions of this code which the Dean has probable cause to believe the respondent has violated. (The Dean shall not be bound by the facts alleged or the Code sections cited in the complaint.)
 - b. The document shall contain enough additional information to alert the Adjudication Committee and the respondent to the basis nature of the charges, and the document shall include the names of persons on whose statements the Dean relied in making his/her determination. The document shall contain no argument to support the correctness of the Dean's determination.
3. Dismissal Document: If the Dean determines that there is no probable cause to believe that the respondent has violated this Code, the Dean shall prepare a signed and dated document, setting forth his/her conclusions.
4. Delivery:
- a. The Determination Document shall be delivered as follows:
 - i. The original, signed copy of the Determination Document shall be delivered to the Chair of the Adjudication Committee.

 - i. The original, signed copy of the Dismissal Document shall be delivered to the respondent.
 - ii. One copy of the Dismissal Document shall be delivered to the complainant.

5. Action by Dean Upon Dismissal:

In the event that the charges against the respondent are dismissed by the Dean, the Dean:

- a. Shall promptly take all necessary action to delete from the respondent's official records any and all references to the charges and proceedings under this Code.
- b. May suggest to the respondent, where appropriate, improvements in the conduct of his/her affairs that will aid the respondent in avoiding either an actual or apparent violation of this Code in the future and will assist the respondent in the development of professional standards behavior.

ARTICLE 2.5 ADJUDICATION COMMITTEE

- 1. As set out in Article 2.6 through Article 2.8, the Adjudication Committee shall have the responsibility of determining whether the respondent has violated the provisions of this Code and, if so, whether (and to what extent) sanctions should be imposed.
- 2. The Adjudication Committee shall be comprised of five members; three faculty members and two law student members.
 - a. The three faculty members shall be appointed by the Dean at the first regularly scheduled faculty meeting of the academic year. The appointments shall extend for a one-year period, ending on the date of the first regularly scheduled faculty meeting of the next academic year. The Dean shall designate which of the three appointment faculty members shall serve as Chair.
 - b. The two law student members shall be designated by the Student Bar Association for a one-year term, pursuant to procedures established by the Student Bar Association.
- 3. In the event of a temporary or permanent vacancy on the Adjudication Committee, the vacancy shall be filled in the following manner:

 - b. If there is a vacancy in a law student position, the Student Bar Association shall promptly appoint a law student to serve on the committee.
 - c. The individual named to fill the vacancy shall serve on the committee for (1) the duration of the vacancy, if the vacancy is temporary, or (2) the balance of the unexpired term, if the vacancy is permanent. For the purposes of this section, the term "temporary vacancy" shall encompass situations where the committee member is unable to serve because of illness, absence, prior professional or academic commitments, or potential conflict of interest.

ARTICLE 2.6 HEARING

1. The Adjudication Committee shall conduct a hearing to determine whether the respondent is guilty of the violation(s) set out in the Determination Document. The hearing shall begin on a date which is no more than ten days following the date on which the respondent received a copy of the Determination Document (or, if the respondent refused to accept delivery, following the date which the respondent was tendered a copy of the Determination Document). The chair of the Adjudication Committee shall set the date and time of the hearing, and s/he shall notify the respondent and the Adjudication Counsel. The chair may grant an extension of time for good cause.
2. No later than 48 hours prior to the commencement of the hearing, the respondent shall (a) file with the Chair of the Adjudication Committee all motions, briefs, and similar documents intended for the consideration of the Adjudication Committee, and (b) deliver copies of all of these documents to the Adjudication Counsel. Similarly, no later than 48 hours prior to the commencement of the hearing, the Adjudication Counsel shall (a) file with the chair of the Adjudication Committee all motions, briefs, and similar documents intended for the consideration of the Adjudication Committee, and (b) deliver copies of all these documents to the respondent.
3. No later than 48 hours prior to the commencement of the hearing, the respondent shall (a) file with the chair of the Adjudication Committee a listing of all exhibits intended to be introduced at the hearing for the consideration of the Adjudication Committee, (b) deliver a copy of this listing to the Adjudication Counsel, and (c) make all exhibits appearing on the listing available for review by the Adjudication Counsel. Similarly, no later than 48 hours prior to the commencement of the hearing, the Adjudication Counsel shall (a) file with the Chair of the Adjudication Committee, a listing of all exhibits intended to be introduced at the hearing for the consideration of the Adjudication Committee, (b) deliver a copy of this listing to the respondent, and (c) make all exhibits appearing on the listing available for review by the respondent.
4. Unless the requirements of sections 2 and 3 have been complied with in all respects, the Adjudication Committee shall not take into consideration, for any purpose, non-complying exhibits, motions, briefs, or other documents. For good cause, the chair may waive or modify the 48-hour deadline set forth in sections 2 and 3.
5. If, prior to or during the hearing, the Adjudication Counsel should conclude that s/he is unable to establish that the respondent is guilty of a particular violation set out in the Determination Document, the Adjudication Counsel may prepare a signed writing in which s/he states his/her conclusion that the respondent is not guilty of that violation. This writing shall be delivered by the Adjudication Counsel to the Chair of the Adjudication Committee, to the Dean, and to the respondent, and the writing shall have the same effect as a verdict of not guilty as to the specified violation. No further action shall be taken by the Adjudication Committee regarding that particular violation. If the Adjudication Counsel's writing states that the Adjudication Counsel has concluded that the respondent is not guilty of all violations referred to in the Determination Document, the Dean shall treat the matter as a dismissal to which Section 5 of Article 2.4 applies.
6. Except as provided in Section 5, the Adjudication Counsel shall call witness, present evidence, make arguments, and take all reasonable steps at the hearing to prove that the respondent is guilty of the violation(s) set out in the Determination Document. Under no circumstances shall the Adjudication Counsel (a) present evidence or make arguments that arise issues or tend to prove violations which are beyond the scope of the determination made in the Determination Document, or (b) make arguments or recommendations concerning the imposition of a sanction.

7. At the hearing, the respondent may be represented, may call witnesses on his behalf, and may cross examine those witnesses who testify against him. The respondent shall not be required to participate in the hearing or to make any statement at their hearing.
8. The hearing shall be conducted by the Adjudication Committee in a fair and impartial manner, but the committee shall not be bound to follow the usual rules of evidence or formal rules of procedure (other than those set forth in this Code). The hearing shall be conducted so as to best ascertain the truth and to carry out the spirit of the Code.

Sexual Offender Registration

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offenders Act. The federal law requires state law enforcement agencies in Ohio to provide Ohio Northern University with a list of registered sex offenders who have indicated that they are either enrolled, employed or carry on a vocation at Ohio Northern University.

Ohio Northern University is required to inform the campus community that a registration list of sex offenders will be maintained and available from the Ohio Bureau of Criminal Identification and Investigation at www.esorn.ag.state.oh.us/Secured/p1.aspx Ohio Northern University is located in Hardin County and the zip code is 45810.

The CSCPA further amends the Family Educational Right and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

This statement is provided in compliance with the Campus Sex Crimes Prevention Act of 2000 and the Ohio's Sex Offender Registration and Notification (SORN) Act. Ohio Revised Code Chapter 2950.
