Communications with the University

General University (419) 772-2000
President Daniel A. DiBiasio 772-2031
Provost, Vice President for Academic Affairs David C. Crago 772-2034
Vice President for Financial Affairs William Ballard 772-2022
Vice President for Enrollment Lawrence Lesick 772-2260
Vice President for Student Affairs Adriane Thompson-Bradshaw 772-2431
Vice President for University Advancement Kenneth Block 772-2036
Dean, College of Arts & Sciences Catherine Albrecht 772-2130
Dean, College of Business Administration James W. Fenton Jr. 772-2070
Dean, College of Engineering Eric T. Baumgartner 772-2372
Dean, College of Law Richard Bales 772-2205
Dean, College of Pharmacy Steven J. Martin 772-2277
Dean of Students Adriane Thompson-Bradshaw 772-2433
Budget Analyst Elizabeth Runser 772-3552
Controller Mark Russell 772-2010
Registrar Melanie Hough 772-2024
University Chaplain David MacDonald 772-2200
Director of Heterick Library Kathleen Baril 772-2188
Director of the Taggart Law Library Nancy A. Armstrong 772-2692
Director of Admissions Deborah Miller 772-2464
Director of Admissions (Law) Chad M. Vondenhuevel 772-2211
Director of Alumni Relations Sarah Prasher Hays 772-1943
Director of Athletics Thomas E. Simmons 772-2450
Director of Polar Careers Justin F. Courtney 772-2401
Director of Communication Skills Center Melanie Caw Woods 772-2186
Director of Community Relations Chris Bums-DiBiasio 772-2000
Director of Counseling Center Michael D. Schafer 772-2190
Director of Engineering Corporate and Alumni Relations Laurie Laird 772-2421
Director of Financial Aid Services Melanie Weaver 772-2271
Director of Honors Program Patrick Crockery 772-2197
Director of Human Resources Tonya Paul 772-2013
Director of Information Technology Jeff Riemann 772-3100
Director of Institutional Research Omer Minhas 772-2529
Director of International Admissions Raymond Ornoco 772-3518
Director of McIntosh Center David L. Deliffield 772-2400
Director of Multicultural Development LaShonda Gurley 772-3145
Director of Residence Life Justin F. Courtney 772-2401
Director of Summer Session Juliet K. Hurtig 772-2032/Melanie Hough 772-2024
Director of Sustainability Terry Keiser 772-2721
Executive Assistant to the President Ann E. Donnelly Hamilton 772-2030
Executive Director of Communications and Marketing Amy Prigge 772-3961

THE OHIO NORTHERN PROMISE

The Ohio Northern Promise is a set of initiatives to make an ONU education more affordable, to reduce student loan debt, to sustain academic quality, and to prepare students for career success. Simply put, it is about ensuring that higher education, historically a key enabler of social mobility, remains accessible and affordable for bright young students and their families.

Key components of The Ohio Northern Promise
1. 20-25 percent reduction in tuition rates (based on 2013-14 rates)
2. A four-year graduation guarantee (available across most undergraduate programs)
3. Hands-on high-impact learning, a core component of every academic major
4. Sustained job placement and graduate and professional school admissions rates for graduates

UNIVERSITY AT A GLANCE
University Calendar, 2014-15

Undergraduate Colleges

Fall Semester 2014-15

August
25 Last day for payment of fees
21-24 New student orientation
21 Residence halls open, new students, 9 a.m.
24 Residence halls open, returning students
25 Late registration for new, re-entry, and continuing students
25 Classes begin 8 a.m.

September
1 Labor Day
3 Last day to add a class or section
16 Beginning of “W” period for withdrawals

October
3-5 Homecoming
Oct 27 - Nov 7 Registration for spring semester

November
14 Last day to withdraw
14 Last day to remove “I” (Incomplete)
24-28 Thanksgiving recess

December
1 Classes resume
15-19 Final exams

Spring Semester 2014-15

January
11 Residence halls open, 8 a.m.
12 Last day for payment of Spring Semester fees
12 Late registration of new, re-entry and continuing students
12 Classes begin 8 a.m.
19 Martin Luther King Jr. Day (no classes)
21 Last day to add a class or section

February
3 Beginning of “W” period for withdrawals

March
2-6 Spring recess
9 Classes resume
23 - April 2 Registration for fall semester

April
3-6 Easter Recess
10 Last day to withdraw
10 Last day to remove “I” (Incomplete) marks
25 Honors Day

May
4-8 Final Exams
10 Commencement
29-31 Alumni Weekend

Summer Session 2015

First Session..........................................May 26 to June 26
Second Session......................................June 29 to July 31

Summer Orientation (Advising and Scheduling) 2015 dates to be announced.

General Information

Mission, Vision and Core Values

History and Heritage
Ohio Northern University began with a single person and a single idea. In 1871, Henry Solomon Lehr, with support from the community, founded the Northwestern Ohio Normal School as a teacher-training institution. Two other name changes would follow: first, to Ohio Normal University and second, to Ohio Northern University. The evolution from a normal school to a true university reflects an impressive period of growth in both size and scope, one that distinctively combined traditional arts and sciences departments and education with the professional fields of engineering, pharmacy, law, and business. In 1899, the University affiliated with the United Methodist Church and more intentionally embraced the Judeo-Christian values of becoming church-related. From these beginnings, Ohio Northern University has developed a focus on teaching, learning, scholarship, and professional practice, and a campus environment that is student-centered, service-oriented, and values-based.

Mission
Influenced by a unique history and an enduring affiliation with the United Methodist Church, Ohio Northern University’s mission is to provide a high-quality learning environment that prepares students for success in their careers; service to their communities, the nation, and the world; and a lifetime of personal growth inspired by the higher values of truth, beauty, and goodness. The University’s distinctive academic program includes mutually supporting liberal and professional education components that integrate practice with theory, complemented by excellent co-curricular offerings that enrich the Northern experience. To fulfill this mission, faculty and staff engage with students so they can learn to think critically, creatively, and entrepreneurially; communicate effectively; gain practical experience, solve problems collaboratively; and act as ethical and responsible members of a global community.

Vision 2021
Ohio Northern University’s vision is to be among the best private, comprehensive universities in the nation, known for programs of excellence and distinction, and recognized for effectively integrating arts and sciences disciplines, professional studies, high-impact learning, and civic engagement.

To achieve higher levels of excellence and distinction and greater national recognition, the University will build on its current strengths and pursue the following key elements of a shared strategic vision:

• We will identify and implement opportunities for both new and existing academic program growth, with programs in the allied health professions among the first to be considered.
• We will adopt technology resources that enhance student learning and improve administrative functioning.
• We will align our financial aid policies, curriculum, and support services to become a peer leader in graduating students in four years.
• We will build strategic partnerships and expand opportunities to serve our local communities, the region, and beyond.
• We will develop a new campus master plan to meet academic and co-curricular needs, focusing first on a new engineering building and enhanced student services.
• We will incorporate sustainable practices to be better stewards of our environmental, energy, and financial resources.
• We will improve the financial state and fiscal strength of the University.
• We will develop a more compelling brand promise for the University that will advance and enhance our national reputation.

By successfully implementing these key strategies, Ohio Northern University will be poised to celebrate its sesquicentennial year in 2021 and be prepared for continued 21st-century success.

Core Values
Collaboration: We encourage the development of unique collaborations that further distinguish the university.

Community: We are a community that strives to be “purposeful, open, just, disciplined, caring, and celebrative” (Boyer, 1990), and that is strengthened by engaging all members of the community in the life of the University.
Diversity: We value the core belief expressed in the University's motto, “Ex diversitate vires, "out of diversity strength,” and provide experiences and programs that prepare graduates for success in a diverse nation and world.

Excellence: We aspire to achieve the highest standards of performance in our professional fields and our roles at the University.

Faith: We celebrate the University’s historic relationship and active affiliation with the United Methodist Church and welcome persons of all faiths by providing a supportive environment for their moral and spiritual growth.

Integrity: We expect individuals to conduct themselves with honesty, trustworthiness, and respect for others.

Service: We encourage service to others and civic engagement, both as a commitment to community involvement and as a responsibility of democratic citizenship.

Organization of the University
Ohio Northern University emphasizes a liberal arts education; is organized into five colleges: Arts & Sciences, Business Administration, Engineering, Law, and Pharmacy; and offers the appropriate degrees on the undergraduate and first professional degree levels.

The Getty College of Arts & Sciences is organized into 17 departments. Each department has a chair that is directly responsible to the dean of the college. Graduates in all departments of the Getty College of Arts & Sciences satisfy in full the requirements for the Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Science, Bachelor of Science in Medical Laboratory Science, or Bachelor of Science in Nursing. The three departments of Art and Design, Theatre Arts, and Music offer programs in the fine arts. Humanities programs are included within the departments of English; History, Politics and Justice; Modern Languages; and Philosophy and Religion. Mathematics and natural sciences programs are offered by five departments: Biological and Allied Health Sciences, Chemistry and Biochemistry, Mathematics and Statistics, Nursing, and Physics and Astronomy. Social science programs are offered by two departments: History, Politics and Justice and Psychology, Sociology, and Criminal Justice. General health-related or sport sciences programs are offered by the Department of Human Performance and Sport Sciences. The Department of Technological Studies offers programs in manufacturing technology, construction management, and technology education. The Center for Teacher Education offers 16 teacher licensure programs approved by the state of Ohio and the Council for the Accreditation of Educator Preparation (CAEP); two of these programs (early childhood and middle childhood) are majors in the Department of Education.

Ohio Northern emphasizes a liberal arts education. Graduates in all departments of the Getty College of Arts & Sciences satisfy in full the requirements for the appropriate bachelor’s degree. Students qualifying for teacher licensure in early childhood, middle childhood or adolescent/young adult education must satisfy the appropriate College of Arts & Sciences requirements. Students in the colleges of Engineering, Pharmacy and Business Administration must satisfy certain course requirements in the College of Arts & Sciences and may elect further courses offered by the College of Arts & Sciences.

The T. J. Smull College of Engineering is organized into the departments of Civil Engineering, Electrical & Computer Engineering and Computer Science, and Mechanical Engineering. The engineering programs have a freshman core curriculum that affords time for undecided students to declare a major. A five-year optional co-op program is available to all students who maintain at least a 2.50 cumulative grade point average. All graduates of the College of Engineering satisfy in full the requirements for the Bachelor of Science in civil, computer, electrical, or mechanical Engineering; Bachelor of Science in engineering education; or Bachelor of Science in computer science.

The Rudolph H. Raabe College of Pharmacy is organized into the departments of Pharmacy Practice, and Pharmaceutical and Biomedical Sciences. The Raabe College of Pharmacy also has an Office of Experiential Education. The basic program in pharmacy is the Doctor of Pharmacy (Pharm.D.) curriculum, a six-year program.

The James F. Dicke College of Business Administration offers the Bachelor of Science in Business Administration with majors in accounting, management, marketing, risk management and insurance, pharmaceutical business, and risk management and insurance. The college also awards the Master of Professional Practice in Accounting (M.P.P.A).

The Pettit College of Law awards the Juris Doctor after successful completion of a three-year course of study. An earned baccalaureate degree from an accredited institution is required for admission into the J.D. program. The College of Law also awards the Master of Legal Letters (LL.M.) in Democratic Governance and Rule of Law.

Brief History of the University
In August 1871, near the end of President Ulysses S. Grant’s first administration, Henry Solomon Lehr founded a school that was to become, in time, Ohio Northern University. Its first name was Northwestern Ohio Normal School until its incorporation in 1885, when the name was changed to Ohio Normal University. In the same year, the Department of Law was established. The year before, in 1884, the Department of Pharmacy was founded. The first catalog listed a course in surveying, and, by 1882, the Department of Engineering was formed.

Lehr initially designated his school to prepare teachers for public schools, which was a purpose of normal schools in the 19th century. Another 19th-century cultural experience Lehr followed was the creation of student literary societies, which, according to a University historian, “happily wedded social and intellectual pursuits and neatly filled a gap in the architecture of the institution.” In these societies, students found “an outlet for oratorical and literary talents and a fitting haven for the urge to identify with like-minded fellows.” In the early history of the University, the “Franklins” and “Philomatheans” created the social activities as well as the political atmosphere of student life.

In August 1889, almost 28 years after its founding, the University was sold to the Central Ohio Conference of the Methodist Episcopal Church, and, in 1901, Dr. Leroy Belt, a Methodist minister, was named its second president. Lehr remained as vice president until his retirement the next year. In 1903, engineering students, led by Thomas Smull, agitated to have “Normal” dropped from the University’s name, and the Board of Trustees reacted sympathetically, changing the name to Ohio Northern University, thereby retaining the ONU initials.

Belt was succeeded in 1905 by Dr. Albert Edwin Smith, whose strong and willful leadership guided Northern’s destiny for the next quarter century. Smith resembled William Jennings Bryan in physical appearance and even emulated in style and manner the populist senator and presidential candidate. Dr. Robert Williams was Northern’s fourth president, from the beginning of the depression in 1930 to the middle of World War II, before he stepped aside for Dr. Robert McClure, who remained in office through the post-war boom years until 1949.

His successor was Dr. F. Bringle McIntosh, who presided as Northern’s sixth president for 16 years and oversaw the accreditation of several colleges as well as the development of the west campus, including residence halls and the center that bears his name. Dr. Samuel Lewis Meyer, Northern’s seventh president and first layman to hold office since Henry Solomon Lehr, served from 1965 to 1977, during which seven buildings were added to campus.

The eighth president, Dr. Ray B. Loeschner, assumed office on Aug. 1, 1977, and served until July 31, 1979. In December 1979, Dr. DeBow Freed became Northern’s ninth president and served from 1979 to 1999, a time that saw improvements to campus buildings, aesthetics and infrastructure as well as the construction of the Freed Center for the Performing Arts. On Sept. 1, 1999, Dr. Kendall L. Baker became the University’s 10th president. During his tenure, the University saw growth in student enrollment, additional academic programs, and the addition and renovation of numerous facilities. Baker retired at the end of June 2011. The 11th president, Daniel A. DiBiasio, assumed office on Aug. 1, 2011.

The Campus and Facilities
Ohio Northern University is a safe, friendly, beautiful residential campus, situated on nearly 342 acres in the small town of Ada (pop. 5,000) in northwest Ohio. ONU is located within 90 minutes of several major cities: Dayton, Columbus, Toledo and Ft. Wayne, Ind.

Lehr Memorial Building (1915) contains the offices of Human Resources, the Controller and the Registrar on the first floor. The offices of the president, vice president for academic affairs, vice president for financial affairs, vice president for advancement and institutional research are on the second floor. On the third floor are the offices of Development and Communications and Marketing.

Hill Memorial Building (1915) contains classrooms and offices for the Department of History, Politics, and Justice, and the Department of Psychology and Sociology.

Clark Hall (1950), Department Offices for English Language Program offices (Intensive English Program and International Scholar Transition Program), Help c/Center for Technology Services, and the Islamic Center and Mosque.

GENERAL INFORMATION
Dukes Memorial Building (1901-02), Freeman Annex (1995) and Coronet Addition (2003) contain offices and classrooms for the Department of English, the Department of Modern Languages, and the Center for Teacher Education. The office of the dean of the College of Arts & Sciences also is in Dukes Memorial.

James F. Dicke Hall (2003) is the state-of-the-art home of The James F. Dicke College of Business Administration. In addition to high-technology classrooms and break-out rooms, the building houses an entrepreneurship program. The atrium features a 160-foot-long, two-story lobby. The Dicke Forum accommodates formal meetings and events with the latest in communications technology.

The DeBow and Catherine Freed Center for the Performing Arts (1991) consists of a performance center and an educational complex. The performance center features the 550-seat Eleanor Biggs Theatre/Concert Hall, the 120-seat Stambaugh Studio Theatre and state-of-the-art production support facilities. The Albert and Harriet Smith Educational Complex is home to the Departments of Communication and Media Studies and Theatre Arts and houses classrooms, faculty offices, a desktop publishing computer laboratory, and television and radio production facilities, including WONB, the University’s 3,000-watt FM radio station.

Presser Hall (1929) includes the 156-seat Snyder Recital Hall, a rehearsal room for band, choir, orchestra and other ensembles, teaching studios, an electronic piano lab, an electronic synthesizer lab, classrooms, choral and instrumental music libraries, and faculty offices. A two-story addition (1998) increased the number of practice rooms and added the Foley Rehearsal Hall as well as additional faculty studio offices.

Taft Memorial Building (1929) houses the Department of Technological Studies and the Kuka Robotics Center of Excellence.

The Tilton Hall of Law (1973) contains classrooms, seminar rooms, the moot court rooms, faculty offices and administrative offices. Recent renovations include the installation of technology presentation podiums in some classrooms, plasma televisions in the classrooms, and wireless technology throughout the building and library. Learning spaces have been upgraded to incorporate current legal technology in a functional modern environment. The Taggart Law Library is also located in this building. The library contains more than 430,000 volumes, is open 113 hours per week, and provides more than 280 seats, individual study carrels, study rooms, special collections and conference rooms. Every seat is wired for electricity and Internet connectivity. A portion of the law library was renovated as the Hanson Reading Room (2008). In 2011, the law college dedicated its newly renovated Alumni Moot Court, which contains the latest in courtroom technology and provides students an opportunity to hone their advocacy skills in a real-world environment. The courtroom is used for both classes and moot court competitions with seating for 30 students. In 2012, the library renovated and dedicated the David C. Crago Rare Book and Special Collections Room. This attractive new room has numerous display cases and a museum-quality temperature and humidity-controlled environment to preserve the collection.

Heterick Memorial Library actively supports the learning, teaching and research activities of the University. The library teaches students to find information for class assignments and research projects, to critically evaluate and determine relevancy of information sources, and to use information sources ethically.

The collection includes books, e-books, print and electronic periodicals, 226 databases as well as DVDs and other media materials to support the curriculum of the University. Local collections are supplemented by OhioLINK, a statewide resource-sharing network, and by efficient interlibrary loan services. Facilities include areas for individual and collaborative study with study carrels, group study rooms, conference rooms and computer labs equipped with printing capabilities. Wi-fi access is provided throughout the building, and numerous power and wired network connections are available.

McIntosh Center (1959) provides a center for student activities, both social and extracurricular, for the University community and for public organizations. The Information Desk provides a central location for students and guests to the campus to obtain general assistance. The student dining room, the faculty staff dining room and the White Bear Inn provide meals and snacks for students and the general public. The building includes a centralized mail room, informal lounge, conference rooms, a general activities room and formal ballroom. The University bookstore and offices of the vice president for student affairs are located on the first floor of McIntosh Center. The second floor houses the Polar Careers office. The offices of student newspaper, The Northern Review, are located on the lower level of the building.

The Science Complex consists of six buildings. In the center is the Meyer Hall of Science (1970), where classrooms, laboratories and offices for the departments of Biological and Allied Health Sciences, Chemistry and Biochemistry and Physics and Astronomy are located. To the west of the Meyer Hall of Science is the Biggs Engineering Building (1971), where classrooms, laboratories and offices for the departments of Civil Engineering, Electrical & Computer Engineering and Computer Science, and Mechanical Engineering are located. The office of the dean of the College of Engineering is on the second floor. The computer center also is located in the engineering building. A two-story renovation and addition to the science and engineering buildings (1997) provides facilities for instruction, including a lecture hall, classrooms, laboratories, seminar rooms, service areas and offices. To the east of the Meyer Hall of Science is the Robertson-Evans Pharmacy Building (1966), where classrooms, laboratories, and offices for the Department of Pharmacy Practice and the Department of Pharmaceutical and Biomedical Sciences are located. The office of the dean is located on the first floor. Pierstorff Addition (1995) includes a pharmacy museum, computer lab and student lounge. Opened in 2006, the Hakes-Pierstorff Family Pharmacy Education Center contains state-of-the-art classrooms, laboratories and offices for pharmacy students and faculty. Completing the science complex is the Mathile Center for the Natural Sciences. Opened in 2009, the Mathile Center connects Meyer Hall and the Robertson-Evans Pharmacy Building. This student-centered research and learning facility blends hands-on teaching excellence with advanced technology in a functional modern environment. The building houses the departments of Nursing and Mathematics and Statistics. The Astronomy Research Center opened in 2010 and is located just west of Wander baseball field. It has three permanently mounted telescopes, a roll-off roof, and high-tech charge-coupled device equipment to connect the telescopes with computers and monitors.

The ONU Sports Center was created in 1991 with the renovation of parts of the King-Horn Convocation and Physical Education Center (1974) and the addition of a field house complex and connecting addition. An addition and renovation also were completed in 1996. The Sports Center accommodates intercollegiate athletics, physical education and recreation activities, as well as commencements, special events, and assembly programs. King-Horn’s main floor seats 3,200 for basketball and 5,000 for convocations. A six-lane swimming pool, wrestling room, gymnastics room, dance room, two handball courts, elevated jogging track, multipurpose lounge, and offices and classrooms for the Department of Human Performance and Sport Sciences are among the facilities in King-Horn Center. The field house features a 200-meter indoor running track, cross courts for multipurpose use, two weight-training rooms, a fitness laboratory, and modern sports medicine and training areas.

Ohio Northern University completed construction of an eight-lane, 400-meter outdoor track in 1991. The track is encircled by mound-style seating with additional bleacher seating for 1,000. The infield of the track complex received artificial turf in fall 2013. ONU also constructed a 2.5-mile outdoor jogging/walking path around the perimeter of campus in 1991. The path is 8 feet wide and can be used for biking.

Lehr-Kennedy House (1902), once the retirement home of Ohio Northern’s first president, contains the offices of the director of multicultural development, the coordinator of International Student Services and several offices for multicultural student organizations.

Wesley Center Complex (1971) is composed of the English Chapel with seating for 475 plus multi-use areas and a small prayer room for campus ministry, outreach and multi-faith worship, and the Burgett Wing (2002) which houses the Department of Philosophy and Religion.

Wilson Art Center and Elzay Gallery (1976) contains classrooms, studios and offices for the Department of Art and Design. The art gallery is connected to the classroom-studio building by a loggia and is used to display student and faculty exhibitions as well as the work of artists in invited shows. An addition (1995) includes a sculpture studio, ceramics studio, a lounge and a graphic design studio.
The Alumni House, at 115 W. Lima Ave., is the former president’s house. This updated facility not only provides offices for the Office of Alumni Relations, but also is a place to greet alumni returning to campus.

The Dicke House (2000) is home for the University’s president.

The Deming-Combe boulevard entrance to campus, located at Main Street and College Avenue, was completed in 1996.

The Dial-Roberson Stadium (2004) is an outdoor events stadium with training rooms and offices as well as modern facilities for ONU’s football fans to enjoy the Polar Bears. Dial-Roberson Stadium and Kerscher Stadium both received artificial turf in fall 2013.

The Inn at Ohio Northern University (2008) is a full-service, 73-bed hotel offering deluxe guestrooms plus one- and two-room suites, a dining room and pub. In addition, the hotel has more than 3,000 square feet of flexible meeting space, including a 14-seat executive boardroom.

Baker Commons, named in honor of Dr. Kendall L. Baker, president emeritus, and Mrs. Toby Baker, is located primarily in the southwest quadrant of the campus and includes the Dicke House, Stadium View Apartments, Klonidike’s Den, Polar Place, Dial-Roberson Stadium, the Remington Walk, Northern Commons and the Affinity Village.

Admission to the University

Ohio Northern University selects its student body from among those students possessing characteristics congruent with the institution’s objectives, stated earlier. Generally, a student must be prepared to use the resources for the institution to achieve personal and educational goals.

A high school student applying for admission should have demonstrated academic aptitude in his/her high school program. Prior to matriculation, students must demonstrate completion of an accredited high school program or its equivalent. While specific admission requirements vary among the four undergraduate colleges within the University, all colleges require a minimum of four units of English, two mathematics units (algebra and geometry), and other units from among the natural sciences, social sciences, history, or language for a total of 16 units. Enrollment in a modern language is encouraged. Applications for admission should be accompanied by scores from the American College Testing Program (ACT) or Scholastic Assessment Test (SAT) official high school transcript sent from the high school, minimum 250-word personal statement (required by College of Pharmacy) and one high school teacher/counselor recommendation form or letter (required for College of Pharmacy first-time freshmen only).

Application for admission to Ohio Northern University may be made at the end of the junior year or early in the senior year of high school. First-time freshmen applying to the College of Pharmacy must submit all application materials by Dec. 1. Early applications are encouraged particularly as some programs have capacities that can be reached early. For maximum scholarship consideration, applications should be submitted by Dec. 1. The ACT or SAT should be taken no later than the December testing date of the senior year. Prospective students taking the SAT should include the writing portion when sending scores to ONU. Students taking the ACT are encouraged to take the writing option as well. Applicants will be reviewed once the file is complete.

*Advanced Placement (AP) The University grants credit for College Entrance Examination Board Advanced Placement Tests to those high school students achieving at least the minimum score established by the department in which credit is being sought. Test results should be sent to the University registrar. Final decision rests with the chairperson of the department.

*College-Level Examination Program (CLEP) The University grants credit under the College-Level Examination Program of the College Entrance Examination Board for students to earn college credit by subject-level examination prior to enrollment at ONU.

*International Baccalaureate (IB) Ohio Northern University recognizes the International Baccalaureate (IB) Program and will grant transfer credit, up to a total of 30 semester hours.

Students will earn 15 credit hours for completion of the IB diploma. In addition, students will receive credit for individual scores ranging from 5 to 7 on the higher level examinations, for a total no greater than 30 credits of AP, IB, CLEP, PEP or institutional examination.

*Further information is available on the web at www.onu.edu/registrar.

Post Secondary Options Credit Students entering Ohio Northern University with college credit (option A or B) from the Ohio Post Secondary Options Program must have transcripts sent directly from the issuing institution to Ohio Northern. Credits to be transferred must be graded C (2.00) or higher. Ohio Northern is a participating university in the PSO Program. Contact the admissions office for additional information.

Transfer Applicants Transfer students in good standing academically and socially from accredited colleges and universities may be admitted with advance standing. Credits to be transferred must be graded C (2.00) or higher and must apply toward the student’s intended course of study. Concealment of previous attendance at a college or university is cause for cancellation of admission and registration. Ohio Northern welcomes transfer students from junior colleges, community colleges, and other accredited institutions to pursue majors in the undergraduate colleges. Transcripts from each post-secondary institution previously attended, sent directly from the issuing institution to Ohio Northern, are required as well as a final high school transcript.

Students who have completed the Associate of Arts or equivalent degree from an accredited institution, who have an accumulative grade point average of at least 2.00, normally will be able to complete work toward graduation from the Getty College of Arts & Sciences with the Bachelor of Arts in two academic years, if courses in the first two years of work conform to the usual pattern in their chosen major field. The student will assume a normal course load of 15 to 19 academic semester hours. If a student wishes to obtain teacher licensure, it is possible that one or more additional academic semesters of study will be required.

Transfer credit can be accepted from institutions lacking regional accreditation but having accreditation by an agency recognized by the Council for Higher Education Accreditation (CHEA). It is the applicant/student’s responsibility to provide the required documentation necessary for determination of the acceptability of the work for transfer credit at ONU. Credit may be accepted only upon the recommendation of the specific ONU department and/or college in which the coursework is appropriate. Before credit is awarded, previous coursework may be subject to validation by examination if recommended by the appropriate ONU college or department.

Re-Entry Students Re-admission will be subject to approval of the dean of the college of application for re-entry, the vice president for student affairs, and the Office of the Controller. A student who has not been enrolled at ONU for one year or longer will, upon re-entry, be under the graduation requirements as specified in the catalog issued in the academic year of entry.

Credit Articulation for Transfer or Returning Students

A student who returns/transfers to ONU may automatically apply to his or her degree requirements a course that the student has completed at ONU if the course or a close equivalent exists in the current university catalog and no more than six years have elapsed since the student completed the course (and the grade of the course meets the degree requirements).

A student who transfers to ONU may automatically apply to his or her degree requirements a course that the student has completed at another college or university if the course exists in the current ONU articulation catalog and no more than six years have elapsed since the student completed the course with a grade of C or higher.

Any course completed more than six years before its application to a degree program at ONU is subject to review and approval by the dean of the college that offers the course or its equivalent at ONU.

To complete a major, minor, or option for a degree from Ohio Northern University, a student must complete 25 percent of the course requirement for the major, minor, or option at Ohio Northern University. Therefore, only 75 percent of the hours required for a degree can be transferred in and applied to a student’s hours toward graduation.
Home Schooled Admissions

Home schooled students seeking admission to Ohio Northern need to complete the current "Application for Undergraduate Admission". Applications for admission should be accompanied by: the results of a national standardized college admittance test, such as ACT or SAT, which are deemed satisfactory in determining the competency of the home school high school curriculum; a transcript/portfolio of high school work (9-12th grades) with courses completed (or in progress) and levels of achievement (i.e. grades including a cumulative GPA or another acceptable/standard measurement of academic success); transcripts of any college-level or post-secondary courses taken (Granting of any credit is based on transfer credit requirements outlined in the university catalog); minimum 250-word personal statement and/or submit their own essay regarding their desire to attend ONU (required by College of Pharmacy); a listing of out of class activities including any extracurricular experiences, community and church involvement, travel, employment, and other interests/hobbies; and one recommendation (required for College of Pharmacy first-time freshmen only).

The transcript must be signed by the instructor(s), dated, and meet the normal requirements as a college preparatory curriculum (as outlined in the University Catalog). In place of an accredited high school diploma or GED results, the home-schooled students will submit evidence of the annual approval of their program as required within their home state.

Personal references and a personal interview are optional but strongly encouraged. An on-campus visit is recommended. Once the applicant's file is complete, the Admissions Committee will review the student's promise for academic success in the program selected at the university. However, some programs can reach capacity early; check regarding timelines.

Merit (academic) scholarships are available to home schooled students based on outstanding grades/performance and the appropriate ACT or SAT scores. Refer to the ONU Scholarship materials for details. Special talent awards are also described in this material. Financial assistance, in general applies to home schooled students in the same fashion as others once admission requirements are met satisfactorily and admission is granted. Admitted students are encouraged to work with the Financial Aid Office as to the completion of forms and requirements for various programs.

Admission to the Pettit College of Law

Prospective law students should request separate law college admissions materials. Applicants for the ONU College of Law must take the Law School Admissions Test (LSAT) and graduate from an accredited four-year college or university. Ohio Northern undergraduates may be admitted to the College of Law under either the regular or automatic admissions programs. Applicants from the undergraduate colleges will be admitted to the Pettit College of Law if they:

1. Maintain an undergraduate grade point average of at least 3.40;
2. Score in at least the 75th percentile of the LSAT or higher;
3. Pass character and fitness review by the Admissions Committee of the College of Law; and
4. Pursuant to ABA Admissions Standard 501, are deemed by the law school admissions committee to appear capable of satisfactorily completing its program and being admitted to the bar.

Students with disabilities should request such accommodation in writing from the dean of the college to which the student was admitted. Requests for reasonable accommodation will be honored unless they impose an undue hardship on Ohio Northern University.

No individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities privileges, advantages, or accommodations of any place of public accommodation owned or leased by Ohio Northern University.

Student Right-To-Know Act

In accordance with guidelines for the Student Right-to-Know Act, Ohio Northern University had a six-year average graduation rate of 66% for first-year students entering between 2003 and 2006 (does not include Pharmacy, Law, and 5th year Engineering students).

International Students

Ohio Northern University welcomes applications from qualified international students. Applications for undergraduate programs are accepted on a rolling basis. Students requiring a visa to enter the USA should apply at least two months in advance of the term they intend to enroll. For those interested in the Doctorate of Pharmacy program, freshmen must apply by December 1 while transfer students should apply by April 1.

In order to be considered for admission to Ohio Northern University, students should submit the International Student Application (on line), official transcripts of all high school and university course work, and proof of English proficiency (see below). Those students requiring a visa to enter the USA must also show proof of financial support for the first year of college expenses, as well as proof of resources for future years of study.

Students who are academically qualified for admission but do not meet the minimum language requirements may apply to study in Ohio Northern University's Intensive English Language Program. Applicants to the Intensive English Program must demonstrate evidence of having some previous instruction in English.

International students for whom English is not their native language must complete the College Composition course sequence (ENGL 1411 and 1421 or ENGL 1511 and 1521) based on results of the ONU Writing Placement Exam administered during International Student Orientation. Requirements may vary by college.

For further information, contact the Office of International Admissions at int-adm@onu.edu
Expenses

Students enrolled for the 2014-15 academic year

Tuition & General Fee Per Semester:
- Full-time student $13,750
- Part-time student (less than 12 hrs.) per hour $1145
- Academic overload fee (per hour) $860

Technology Fee Per Semester
- Full-time Student $275
- Part-time Student (less than 12 hrs.) $110

Room
- Residence hall per semester, double or triple occupancy $2500
- Residence hall per semester, (air-conditioned) $2715
- Air-conditioned Suite $3125
- Two bedroom-two resident campus apartment $4160
- Two bedroom-three resident campus apartment $3560
- Four bedroom-four resident campus apartment $3965

Board
19 meal plan per semester with $250 dining dollars $2675
Greek Affinity Village plan, per semester, 8 meals per week $250 dining dollars $1900

Total Per Semester, Full-time student
Based on full tuition, technology fee, double occupancy room & 19 meal plan $19200

Total Per Academic Year, Full-time student
Based on full tuition, technology fee, double occupancy room & 19 meal plan $38400

Bachelor of Science in Medical Laboratory Science (BSMLS)
West Central Ohio Medical Laboratory Science Program
(includes professional liability insurance, administrative costs)
Tuition: $3665 per semester, last 3 semesters
Technology Fee Per Semester: $275 (full-time), $110 (part-time)

RN/BSN Nursing Completion Program
Tuition: $335 per semester hour
Technology Fee Per Term: $180
Applicants seeking admission to the RN-BSN Completion Program must meet the following criteria:
1. Associate degree or equivalent degree from a regionally accredited institution.
2. Minimum GPA 2.50
3. Current and unrestricted Ohio RN license
4. Completion of a writing sample
5. Meet the health requirements of the clinical agencies
   Each applicant must submit an RN-BSN application, ONU Financial Aid Form, Informational Form, Computer Account Agreement and $30.00 application fee (waived if student visits campus before applying or if application is completed online). All academic transcripts must be submitted to ONU directly from the institution.

Intensive English Program 2014-15
Full-time Tuition: $3350 per eight-week term
Part-time (less than 8 hours per term) Tuition: $280 per credit hour
Technology Fee Per Semester: $275 (full-time), $110 (part-time)
Student Testing, Tutoring and Activity fees: $25 per term.

International Scholar Transition Program 2014-15
Student Testing, Tutoring and Activity fees: $100 per semester

MPPA Program
Tuition: $13,750 (full time per semester) $1000/credit hour (less than 12 hours)

EXPENSES

Payment

Semester Due Dates for Fee Payment
Fall – August 25, 2014 • Spring – January 12, 2015

The university makes available to parents and students a variety of plans which can be used to make fee payments. Please contact the controller's office for additional information on these plans.

Regular Billing Schedule
For students selecting courses during the advance registration period, bills will be sent through the TouchNet Ebill System. Students will receive an e-mail at their ONU address when a bill is available for viewing. Full payment of all charges due is required to complete registration. Failure to do so will result in the cancellation of the registration. Any arrangements for loans or financial aid should be made well in advance of each semester so that all fees are paid by the date they are due.

For students registering at the beginning of the semester, full payment is required as part of the registration process.

Visa/MasterCard/Discover/American Express
Payment of fees may be made by Visa, American Express, MasterCard, or Discover. A convenience fee of 2.75% will apply.

Conditions
Tuition and fees cover use of the library, laboratories, Health Center, Sports Center, and McIntosh Center; cultural activities; co-curricular programs; admission to athletic events and most other events on campus; the student newspaper, literary magazine, and yearbook if full-time during the two semesters of the academic year. All university students, except married students and students living with parents or other close relatives, will be required to live in University housing which includes all residence halls, fraternity and sorority houses. When housing demands exceed capacity, the obligation for living in residence halls will be waived by using a priority system. (See Campus Student Life Section of this catalog.)

All residents in the residence halls are obligated to a meal contract for food service in the student dining hall located in McIntosh Center. Any appli-
cation to waive this service must be made each semester to the director of residence life.

All expenses associated with off-campus study, such as travel including field trips, clothes, and meals at unusual times, will be borne by the students. Box lunches may be obtained for meals which cannot be taken on campus for boarding contract students.

**Other Charges**

**Auditing Fee**, per semester hour (when permitted) $15.00

**Administrative/Activity Fee**, per semester hour $47.00. Applicable to ONU employees and eligible dependents, outbound tuition exchange students, outbound international exchange students, and others who receive remission of tuition. Also applies to those students participating in study abroad experiences and enrolled in OVRC subject coursework.

**Placement Examination** No charge for administration of placement examinations required by a department or college for determining entry level in sequential courses. If credit is established by the examination, a credit fee, as indicated below, will be required.

**Course Credit by Institutional Examination**

**Administration fee**, per course $25.00 Payable before the examination is administered. Applied to credit fee if credit is earned. **Credit fee** fees must be paid before credit is entered on student’s permanent record in Registrar’s Office. 50% of credit hour charges assessed part-time student. All full-time, degree-seeking students will be permitted to take one course (up to 5 hrs.) by examination at no charge.

**Academic Overload Fees**

Maximum hours which can be taken per semester without overload charge:

- Undergraduate 19 hours
- For each semester hour over maximum, 75% of semester hour charges assessed part-time students will be billed. **Exemption**: Activities courses not including physical education service courses, taken as electives.

**Applied Music Lessons For Music Majors and Musical Theatre Majors**

**Extra fee**, per semester hour $125.00

**For music minors and non-music majors** For each semester hour $325.00

**Recital Charge**: $250.00

**Late Registration Fee** The late registration fee is assessed if course registration is not completed at the established time each semester. $110.00

**Late Payment Fee** If fees are not paid in full when due, a $50.00 charge is assessed. If fees are then not paid by the first day of class, a charge of 1 1/2% of the unpaid will be assessed. Thereafter, interest at 1 1/2% per month (18% annual) will be charged on any unpaid balance at the end of each month.

**Monthly Payment Plan Fee** $25.00

**Application Fee**, non-refundable, payable with application for admission $30.00 (waived if student visits campus before applying or if application is completed online).

**Advance Deposit** Upon receiving an offer of admission to Ohio Northern, an advance deposit is required by May 1st from all students. The amount of deposit is $200.

If a student applying for admission for fall semester is unable to attend and if the University has received written notice by May 1st, 100% will be refunded; after May 1st, no refund.

For all other semesters, 50% of the advance deposit is refunded if written notice is received 30 days prior to the start of the semester. All international students will be required to make a deposit with the University for funds in an amount not less than one semester’s tuition, fees, room and board for the college in which the student will be enrolled.

**Medical Laboratory Science Students**

**Fourth year Only**

- **Microscope rental rates**: approximately $200.00 per school year (price includes delivery and pick-up charges)
- $200.00 refundable security deposit
- $50.00 theft insurance
  (Total = $450.00 per year)

All lease agreements made through and fees paid to Dayton Microscope and Supply, Inc. before the first day of class in June. Additional information on the leasing is available through the WCOMLS Program Office in the Department of Biological and Allied Health Sciences.

**Transcript Fee**

- Transcripts may be ordered via Self-Service Banner from National Student Clearinghouse (NSC), a non-profit organization serving the higher education community.
- Transcript fee is $4 plus NSC service fee(s).
- Transcripts ordered from NSC are processed same or next day if electronic delivery is chosen, and two to five days business days if paper delivery is chosen.
- Special handling will be granted upon request, at the registrar’s office, with prepayment of the appropriate fee.

**Placement Service**

Up to 10 mailings of credentials without charge. Each mailing above 10:
- $3.00
**Lost/stolen/damaged ID Card Fee**

$25.00

**Returned Check Fee**

$25.00

**Residence Halls**

- Improper check-out $100.00
- Re-pin/new keys $100.00
- Door knob replacement $350.00
- Late application fee (off-campus request, housing request) $50.00

**Motor Vehicles**

**On-Campus Parking Permit**

- Full Year $65.00
- Per Semester $40.00

**Schedule of Fines**

- Improper parking $15.00
- Driving or parking on grass $30.00
- Driving on sidewalks $30.00
- Reckless operation of a motor vehicle $35.00
- Parking without parking permit — first offense $65.00
- Stop sign $15.00
- Parking in fire lanes $35.00
- Falsification of information $30.00
- 30-day Parking Ticket Non-Payment Late Fee (per ticket) $5.00
- Parking longer than posted time $15.00
- Parking in restricted area $30.00
- Parking in handicapped space (not appealable) $50.00

Motor vehicle regulations are designed to protect the safety and welfare of the campus community and promote good order. Violations are issued by Security Officers. Cited violators may appeal to an Appeals Committee within three working days of the violation.

**Other Deposits**

- Marching Band Uniform Maintenance Fee $60.00
- Instrument Deposit (refundable to student account) $50.00

**Summer Session 2015**

**College Fees, per credit hour**

- Colleges of Arts & Sciences and Business Administration $780
- College of Engineering $890
- College of Pharmacy $920

**Summer Apartment Rental**

Double $410 per month

Students are entitled to a pro-rata refund calculation through the 60% point of each term. A 100% refund is granted on or before the first day of each
session. After that, the percentage is based on the number of days in attendance for the session.

**Charges for Damages to University Property**

Students will be billed for any damages to university equipment or property. The charges include the estimated cost of replacement parts or materials, labor for repair or replacements, and overhead expenses associated with the clean-up, repair, or replacement.

**Payment of University Accounts**

Students should pay all financial obligations to the university promptly. Registration for a succeeding semester and issuance of a diploma or transcript is dependent upon the student paying all financial obligations to the university.

**Student Identification Cards**

The first student ID card is issued to registered students without charge. A replacement fee of $25.00 will be charged for lost, stolen, or damaged ID cards. The ID card allows free admission to athletic events, reduced admission to theatre productions, and the artist series. This card is also required for library checkout, meal contract registration, and resale of textbooks at the university bookstore. ID cards are also required for some labs and entrance to residence halls and King Horn.

**Refunds**

If a student withdraws from the university, or is suspended for disciplinary reasons, refunds of tuition will be made on the basis shown below. Withdrawal date is the date the student officially submits the withdrawal form, or the date the University determines the student ceased attendance or failed to meet published academic policies, whichever comes first. Students attending Ohio Northern University are entitled to a pro-rata refund calculation through the 60% point of the semester. Tuition, room and board charges will be included in the designated refund percentage. Financial aid adjustments will be calculated based upon mandated Federal refund calculations. 100% refund is granted on or before the first day of class each semester. After that, the percentage is based on the number of days in attendance for the semester. There is no refund after the first 60% of the semester has been completed.

Also, keep in mind, students who drop from full-time to less than full-time during the first 60% of the semester will have adjustments made to their financial aid and tuition.

**Financial Aid**

Students who withdraw during a term will be subject to adjustments in their financial assistance. The adjustment of financial aid depends on the policies of the organization from which the aid came. If the particular agency or foundation has no policy for adjustment due to withdrawal, the adjustment will be made on the basis of Ohio Northern University’s refund policy.

The adjustments in charges for a student withdrawal may result in an outstanding balance on the student’s account which will be due and payable at the time of withdrawal.

Adjustments in loans from prior semesters are generally not made; however, students may wish to pay off any loans when they withdraw.

Federal Perkins Loan and Health Professions Student Loan borrowers will be expected to provide the exit interview information as requested through University Accounting Service, our billing agency, at www.uasexit.com.

Earnings from campus employment for the time worked up to the date of withdrawal will be paid to the student on the next scheduled date of pay.

All adjustments in financial assistance will be made by the director of financial aid.

**Review and Appeal**

Review and appeal boards, composed of students, faculty, and administrators, are available for review of certain charges. For example, motor vehicle violation charges can be appealed in writing through the university security office to the Traffic Violation Appeals Committee. Appeals for other charges must be filed with the dean of student services.

</table>
Scholarships and Financial Aid

Each student's education at Ohio Northern University is partially subsidized by the university's endowment, by the annual giving of alumni, by the United Methodist Church, and by other interested persons and organizations. Prospective students should confer with their high school counselors for information about financial assistance available from local civic groups, fraternal orders, churches, business organizations, and the loan plans of their states.

Ohio Northern offers scholarships to encourage superior students to select this university. Students with limited financial resources are also assisted by the university with grants and with loan and work opportunities.

The university participates in the Federal Perkins Loan Program, the Federal Work Study Program, which provides part-time jobs on campus for students, and the Federal Supplemental Education Opportunity Grant Program. The Health Professions Program provides loans on a limited basis for students in the College of Pharmacy.

The parents of each applicant for student aid should complete the Free Application for Federal Student Aid (FAFSA). This application is available online at www.fafsa.ed.gov. Parents and/or students are encouraged to submit the FAFSA as early as possible.

Please note: All financial assistance programs are awarded assuming full-time enrollment and a nine-month academic school year. Funds provided are divided into two equal awards for semesters. If a student attends for less than a full nine months, his/her aid is reduced accordingly. (Example - a $6,000 scholarship will provide $3,000 per semester, but the student must be in attendance for two semesters to receive the full amount.) Additionally, if a student attends three semesters in the same academic year only two terms of assistance are available. Funds from outside agencies (federal, state or other private organizations) generally are provided on an annual basis and divided by two terms. Example - a $6,000 scholarship will provide $3,000 per semester, but the student must be in attendance for two semesters to receive the full amount.)

Financial Aid

Satisfactory Progress Standards for Financial Aid

Students attending Ohio Northern University are required to complete their academic programs in a total time frame equal to no more than 150% of the normal time that it takes to complete their degree. Further information relative to the satisfactory progress standards and exceptions or appeals are referred to at onu.edu/SAP

Gift Aid

Federal Pell Grant The FAFSA should be filed for this federal grant (the maximum award is $5,730 for 2014-15. Based upon the FAFSA information, students will receive an ONU Award Notice indicating their Pell eligibility.

Federal Supplemental Education Opportunity Grant (SEOG) The FAFSA should be filed for this federal grant which requires a high need and Federal Pell eligibility to qualify; the grant amount is determined by the aid office.
Ohio College Opportunity Grant Awarded to Ohio residents based upon need. Students must file the Free Application for Federal Student Aid no later than October 1 of the award year and attend an Ohio College or University. The Expected Family Contribution (EFC) will be the index number for awarding the Ohio College Opportunity Grant. The funding for this grant is subject to the budget of the state of Ohio.

Pennsylvania residents should ask their high school guidance counselors about a grant from their state. Pennsylvania will send eligible students’ approvals for an award directly to ONU.

ONU General Grant The FAFSA form must be filed for this university grant award based on need. The amount is determined by the aid office.

ONU Methodist Crusade This application can be obtained from ONU’s aid office for members of an Ohio United Methodist Church. Students must show a need on the FAFSA to qualify for this $1,000 per year grant.

Ohio Northern University Scholarships Scholarships provided by Ohio Northern University recognize outstanding achievement by high school students. Financial need is not a requirement. To receive a scholarship, students must generally rank in the upper 10% of their high school class, have a high composite ACT score or a high combined SAT score, high GPA and strong participation in extra-curricular activities. Ohio Northern will superscore ACT and SAT test results for scholarship purposes.

ONU scholarships are awarded for four years to each recipient. For Pharmacy students there is a separate scholarship program for the fifth and sixth years.

A prospective student must apply for the scholarship by completing an application for admission. Students are automatically considered for scholarships (if minimally qualified) upon initial review of the admission application.

United Methodist Ministerial Deduction An application (from ONU’s aid office) should be submitted for students who are unmarried, legal dependents of United Methodist Ordained Elders in full connection, in good standing, and under full-time appointment by the Annual Conference. Eligible students must be seeking their first baccalaureate degree. A tuition reduction is available to those students who qualify. The reduction applies for four academic years and does not apply for summer school. This award also applies to children of retired or deceased United Methodist ministers with the same credentials.

ONU Sibling Grant This award is available to students who are the second (or third, etc.) unmarried, legally dependent child of the family attending ONU at the same time. This $1,000 per year grant will apply as long as there is at least one other sibling who does not receive this grant awarding at the same time. (Not applicable to children of Methodist ministers or students with Tuition Remission or Tuition Exchange.)

ONU Matching Grant for Churches Ohio Northern will match any church awarded scholarship up to $1000 per year. The match is on a dollar-for-dollar basis up to, but not exceeding, established financial need. The application deadline is May 1st of each year. The application can be found at www.onu.edu/finaid under “Policies and Forms”.

ONU Alumni Award Awarded to legally dependent (defined by IRS) sons or daughters of ONU graduates. The award is for full-time undergraduate students working toward their first degree. Financial need is not a factor.

ONU Dimension Award This award is provided to qualified students from diverse backgrounds who demonstrate an extra dimension offered to the general student body. Awards start at $1,000 and are coordinated with other available funds. Financial need is not a factor.

ONU Out Of State Recognition Award Awarded to all accepted new and transfer undergraduate students whose permanent residence is outside of the state of Ohio. This is for first-time freshman and new transfer students entering in 2011-12 and beyond. Financial need is not a factor.

Student Loans

The first three loans all feature federal interest subsidy and loan principal deferment. The government pays the interest on the loan until the student no longer attends college at least half time. Loan repayment does not generally begin until the grace period elapses. These loans can also be deferred again for graduate school.

Federal Perkins Loan A FAFSA must be on file showing a need for this 5% interest rate loan. The controller will electronically send a notice to sign the promissory note to eligible students. ONU is the lender for this federal program and the grace period for new borrowers is nine months.

Health Professions Loan The FAFSA must be on file, with financial need being established as a dependent student, to be eligible for this 5% interest rate federal student loan. The loan is for Pharmacy students only and ONU is the lender. The grace period is 12 months. An application must be completed through the financial aid office.

Federal Subsidized Stafford Loan This federal program allows freshmen to borrow up to $3,500 per year, sophomores, up to $4,500 per year, and juniors and seniors, up to $5,500 per year. The aid office will determine eligibility. The student should maintain a 2.00 cumulative GPA and progress in terms of class level. For undergraduate students, the interest rate is set at a fixed rate of 3.86%. A 1.072% default fee is subtracted by the federal government before the loan is disbursed to the student account. The interest rate is 3.86%. A 1.072% default fee is subtracted by the federal government before the loan is disbursed to the student account. The grace period is six months. The application for the Stafford loan is located at www.studentloans.gov.

Federal Unsubsidized Stafford Loans (dependent students) are available to students who were either limited or determined to be ineligible for the Federal Subsidized Stafford Loan. The amounts per grade level are the same as for the Federal Subsidized Stafford Loan; however, the student is responsible for interest charges while in school. Interest may be paid by the student or deferred and capitalized. The interest rate is fixed 3.86%. A 1.072% default fee is subtracted by the federal government before the loan is disbursed to the student account. Additionally all undergraduate dependent students are eligible to borrow $2000 of unsubsidized Stafford loans beyond the subsidized Stafford limits established.

Federal Unsubsidized Stafford Loans (independent students) The terms for this loan are the same as for dependent students. The amounts are up to $4000 for freshmen and sophomores; $5000 for juniors, seniors and fifth-year students. Graduate students can use up to $20,500 per year at a 5.41% fixed interest rate.

Federal Parent PLUS Loan A parent may borrow this loan for their undergraduate dependent student to assist in covering the cost of their education. These loans have a 6.41% fixed interest rate. A 4.288% default fee is subtracted by the federal government before the loan is disbursed to the student account. The amount borrowed can be up to the cost of education minus financial aid per year. Repayment usually begins 30 days after the last disbursement but deferment while a student is enrolled is available. Family income is not a criterion in obtaining parental loans. A good credit history is required. The application for the Parent PLUS loan is located at www.studentloans.gov.

Private Student Loan This is a resource for credit-worthy students to help with their educational costs. A credit-worthy cosigner is usually required. The maximum amount the borrower is eligible to receive is the cost of education minus all other financial aid. This loan is available through a variety of lenders. The interest rate varies and is based on credit. The origination fee is determined by each lender with some offering loans with 0% fees. For some private loans the repayment of principal and interest begins after graduation or when the enrollment status drops below half-time. Other private loan options require an interest-only payment while enrolled in school. The length of repayment is based on the loan balance. There is no penalty for prepayment. A list of optional private loan lenders can be found at www.onu.edu/finaid under “Student Loans.”

Campus Employment

The Student Employment Program allows students to work on campus to offset educational expenses. Jobs are primarily awarded on the basis of financial need through the Federal Work Study Program, although skills and experience may be a consideration. A 15-hour week is the work limitation and paychecks are issued directly to students every two weeks.
The University recommends that all students make full use of the Health Service. All medical records are confidential, and only at the student’s written request will the University Health Center supply information to another doctor. All students entering the university are required to submit a complete medical history, including a current immunization record. Students who suffer from allergies may receive their allergy injections at the Health Center if they supply the serum and specific directions from their doctor or allergist.

Student Health Insurance – All students who attend Ohio Northern University are required to have health insurance coverage. The university offers through United HealthCare, a student medical plan that provides healthcare coverage. Keep in mind, enrollment IS AUTOMATIC for all students unless a waiver is completed, on-line and submitted to the Controller’s Office by the due date. After the due date, the charge will remain and will become the responsibility of the student.

Counseling
The University provides counseling services for all enrolled students. Spouses of students are also eligible for couples counseling. The Counseling Center is staffed by licensed mental health professionals who are available Monday–Friday throughout the school year, including summer session. The Counseling Center staff adheres to a professional code of ethics in providing confidential services.

Students can receive help from the Counseling Center staff in order to better understand and resolve their difficulties. Some commonly presented concerns include loneliness, depression, homesickness, substance abuse, feelings of inadequacy, anxiety, roommate conflicts, relationship problems, loss or grief, and stress situations. The staff makes every effort to create an atmosphere where personal concerns of any type can be examined and discussed freely and confidentially.

The Counseling Center provides career and educational counseling. Interest inventories and other tests may be used to help students make meaningful decisions about their career paths. The staff also provides assistance to students struggling with academic difficulties such as study habits, time management, procrastination, and test taking.

Any student interested in making an appointment can contact the Counseling Center directly; no referral is necessary. Evening appointments are available on Wednesdays.

Polar Careers
Polar Careers helps students as they prepare to make the transition from college to graduate/professional school and/or the world of work. Although not an employment agency, the office serves as a liaison between students, alumni, and potential employers by making job referrals, distributing vacancy notices, and conducting on-campus recruiting programs. Other services and programs include an academic course titled AAGS 3001: Job and Graduate School Strategies, job fairs, individual consultation and coaching, seminars, and classroom presentations. By using the services of this office, students will gain a better understanding of the job market and the methods used to conduct a successful job search, as well as strategies to gain acceptance to preferred graduate/professional schools. A separate career services office is maintained by the College of Law.

Office of Multicultural Development
The primary mission and objective of the Office of Multicultural Development is to foster an environment conducive to the matriculation, retention, and graduation of diverse students at Ohio Northern University. In addition to discussing the recruitment and retention of minority students, the staff is intensely committed to an action-oriented approach to building a campus community that fosters academic excellence, diversity, equity, and cultural pluralism. Special emphasis is placed on promoting student retention by sponsoring programs that address the needs of students on a personal, academic, social and cultural level. Equally critical is the role staff plays in promoting an environment favorable for academic success where appreciation, respect and understanding of cultural diversity are encouraged.

The Office sponsors a number of programs and services that are designed to cultivate scholarship, social and intellectual engagement, and cultural awareness. Program efforts include, but are not limited to:
Religious Life Program

As a United Methodist Church-affiliated university, Ohio Northern recognizes the importance of religious belief and faith in the life and education of its students. Opportunities are available for students and faculty to examine, develop, and practice their religious convictions in formal and informal settings. The non-academic emphasis is the concern of the Office of the University Chaplain and the Religious Affairs Committee, composed of students and faculty.

In the midst of west campus is Wesley Center, which consists of the English Chapel and the Burgett Pavilion. English Chapel houses the chapel sanctuary, meeting room, prayer chapel, and multi-faith room. The Burgett Pavilion houses the academic department of philosophy and religion (which includes a conference room and an area for the administrative assistant), office of the University Chaplain, office for the chaplain’s administrative assistant, office for religious life staff, and a lounge. The chaplain is available to students seeking spiritual and personal counsel, and friendly conversation. The Office of the Chaplain also coordinates “Get Connected ONU,” a campus-wide coordination of service opportunities, connecting student volunteers to non-profit organizations that need volunteer help. Throughout the year, the Chaplain’s Office will also sponsor retreats, spiritual formation groups, and other opportunities for spiritual growth.

The Religious Life Program seeks to help students develop a mature, thoughtful, and relevant faith that will serve them well in contemporary society. The spirit of the activities is ecumenical and interfaith. An emphasis is placed on spiritual nurture and the ethics that develop in a maturing faith. Emphases are placed on spiritual formation, worship, and service. Opportunities are available through student groups to reach out and put faith into practice. Each student is free to choose the extent of his or her participation.

Chapel is held each Thursday at 11 a.m., beginning with a communal meal and fellowship time. Attendance is voluntary and is encouraged by scheduling it during an open hour. In addition, Mid-Week Prayer is held on Wednesdays at 5 p.m. This reflective service in the liturgical tradition is an opportunity for members of the campus community to meet together to pray for the campus, the community, and the world.

Congregations in the village of Ada and in surrounding communities always welcome students. In Ada, those churches include: First United Methodist Church, First Presbyterian Church, St. Mark Lutheran Church, Our Lady of Lourdes Roman Catholic Church, Church of Christ Disciples, First Baptist Church, and Grace Gospel Church. Temple Beth Israel-Shaare Zedek is located in Lima. There is a mosque in Toledo. Friday prayer service for Muslims is held on campus.

RELIGIOUS LIFE ORGANIZATIONS

A wide variety of religious life organizations provides opportunities for worship, fellowship, outreach, and service both on and off campus.

Religious Life Staff
Five students serve as members of the Religious Life Staff, overseeing several important areas of campus ministry, including:
- Ada Friends Coordinator
- Programming Coordinator
- Technical Team Coordinator
- Community Relations Coordinator
- Music Coordinator

Ada Friends
A mentorship program similar to Big Brothers/Big Sisters.

Agape Improv
A Christian theatre outreach team that performs short skits

Christian Pharmacy Fellowship International
A worldwide, interdenominational ministry of individuals working in all areas of pharmaceutical service and practice.

Christian Legal Society
A nationwide organization of lawyers, law students and others in the legal field who seek to serve Jesus Christ.

Fellowship of Christian Athletes
A group that is open to anyone (no need to be an athlete) to enjoy a great time of friendship, fellowship and gathering into the Word of God.

Gospel Ensemble
A vocal outreach team that travels to churches singing primarily contemporary gospel music, much of it is sung a cappella.

Habitat for Humanity
Habitat’s mission is to eliminate substandard housing worldwide by building decent, inexpensive, adequate homes for families who need them.

Kappa Phi
A Christian women’s service organization.

Muslim Student Association
Students whose purpose is to promote unity and inter-religious dialogue and understanding.

Newman Club
A student-run organization that serves the ONU Catholic community.

Northern Chimes
A bell choir outreach team that spreads God’s word through their music and Bible verses.

Northern Christian Fellowship (NCF)
Works alongside Campus Crusade for Christ with the goal of providing a welcoming environment, using small groups, discipleship pairs, and a large group gathering, called Fusion, on Thursday evenings.

Pre-Ministry Students
Students who are considering entering seminary or a church vocation; open to anyone interested in talking about professional ministry.

Sigma Theta Epsilon
A national Christian service fraternity.

Son’s Rays
A vocal outreach team who brings the message of Jesus Christ through song and testimony.

Tech Team
A team that provides audio and visual support for chapel programs.

Ultimate Faith Outreach
An outreach team that leads retreats for youth groups.

Worship Band
A musical group open to all types of musicians and singers that leads worship music during weekly Chapel.

Worship Design Team
A group responsible for planning and evaluating special chapel experiences.

Special Events
Throughout the year, the university and various student committees bring to the campus a variety of cultural and entertaining programs. The Cultural Affairs and Special Events Committee administers the Artist Series, which sponsors performances by professional performing artists as well as a series of foreign movies. The department of music presents a faculty recital series; band, choral and ensemble concerts; and student recitals. The College of Law sponsors a lecture series.

Theatre productions, athletic events, concerts, Greek events plus club and organization activities provide a wide range of special events.
Alcohol Consumption

The University affirms its historic belief that the consumption of alcoholic beverages is not beneficial to the academic environment of the University. Alcoholic beverages are permitted to be possessed or consumed by individuals in private areas on campus as long as the laws of the Village of Ada and the State of Ohio are followed. Anyone who possesses or consumes alcoholic beverages must be 21 and must obey all other University rules and regulations and applicable government laws pertaining to the use of alcohol. The sale or dispensing of alcohol in private areas is prohibited.

In keeping with the above for purposes of this policy only, the following are defined as private areas:

Student rooms in upper class student halls, apartments and fraternity houses where at least one roommate is 21 years of age, with the door to the hallway closed. Unless one of the roommates is 21, alcohol cannot be present in a room in which an undergraduate student resides. If a student resides in an apartment or suite, alcohol must be kept in the bedroom of the student who is 21 rather than in the common area or kitchen.

Alcohol is not permitted in first year housing (Northern House, 5 University Parkway, Maglott, Founders, Park and Stambaugh).

Underage students in the presence of alcohol are in violation of the alcohol policy (unless student is a permanent resident of that private area).

Drinking games of any type are prohibited on Ohio Northern’s campus.

Visitation Policy

Guests of the opposite gender may visit the student rooms of residence halls during designated guest hours. Visitation hours are:

New Students in Residence Halls:
5 University Parkway, Founders Hall, Park Hall, Maglott Hall, Northern House, Stambaugh Hall (new student residents)
Sunday - Thursday 10 a.m. - 11 p.m.
Friday - Saturday 10 a.m. - 1 a.m.

Returning Students Not Residing in Apartments:
Affinity, Brookhart Hall, Lima Hall, Roberts Hall
Sunday - Thursday 10 a.m. - 11 p.m.
Weekend Friday 10 a.m. - Sunday 11 a.m.

Student Organizations

GENERAL STUDENT ORGANIZATIONS

Student Senate is the governing body for the students of Ohio Northern University and serves as a liaison between the students and administration. The purpose of the Student Senate is to serve as the official representative group of the student body and to work cooperatively with the faculty, the administration, and the Board of Trustees of the University in the formulation of University policy in matters pertaining to the student body. The Student Senate President serves as a member of the Board of Trustees of the University.

OFFICE OF STUDENT INVOLVEMENT

Greek Life

Ohio Northern University has five national social fraternities and four national social sororities. The Interfraternity Council is the governing body for social fraternities, and the Panhellenic Council is the governing body for social sororities.

The five men’s national social fraternities with the dates of their establishment at Ohio Northern are: Delta Sigma Phi, (1920); Phi Gamma Delta (colony, 2012), Phi Mu Delta (colony, refounded 2014), Sigma Phi Epsilon, (1905); and Theta Chi, (1966).

The four women’s national social sororities with the dates of their establishment at Ohio Northern are: Alpha Xi Delta, (1959); Delta Zeta, (1959); Zeta Tau Alpha, (1939); and Kappa Alpha Theta, (1994).

The six national professional fraternities and sororities with the dates of establishment at Ohio Northern are: Kappa Epsilon (Pharmacy Fraternity for Women), (1957); Kappa Psi (Pharmacy), (2009); Mu Phi Epsilon (Music), (1989); Phi Alpha Delta (Law), (1960); Phi Sigma Rho (Engineering/Computer Science Women), (2002); Rho Chi (Pharmacy), (1962).

Student Activities

The Student Planning Committee develops and implements social, educational, cultural, and recreational programs throughout the school year, for the university community.

Ohio Northern University has over 200 approved student organizations of a wide variety of interests.

Leadership

Leadership development training workshops are held throughout the year to further strengthen the leadership skills of students elected or appointed as campus organizational leaders.

Annually, Omicron Delta Kappa, national leadership honorary, sponsors the President’s Leadership Dessert. This formally recognizes the leadership accomplishments of undergraduate students. The DeBow Freed Awards for Outstanding Leadership as a Student, as well as The Alice-Kay Hilderbrand Student Organization of the Year Awards, are announced at this event.

Other services include maintaining a Leadership Library of resources and training materials.

HONORARY SOCIETIES

Alpha Epsilon Delta, health pre-professional national honorary. Organized by biology student Liz Lundrum.

Alpha Kappa Delta, the international sociology honor society, founded in 1920, is a “non-secret, democratic, international society of scholars dedicated to the ideal of Anthropon Katamthanee Diakonesian” or “To investigate humanity for the purpose of service.”

Alpha Lambda Delta, national scholastic society for freshman students who have attained an accumulative average of 3.50 or above during the first semester.

Alpha Mu Alpha, national honorary to promote the advancement of excellence in the field of marketing and to recognize and reward scholastic attainment in marketing subjects.

Alpha Phi Sigma, an honor society which recognizes and promotes high scholarship among students actively engaged in collegiate preparation for professional services, keeps abreast of advances in scientific research, and elevates ethical standards of the criminal justice professions. Majors, minors, or equivalent in criminal justice who have completed one-third of the units required for graduation and who have a cumulative GPA of 3.00 or better are eligible for membership.

Beta Alpha Psi, international honorary for financial information students that encourages and recognizes scholastic and professional excellence in the business information field. Eligible student members are junior or senior accounting, finance, and information systems majors who rank high academically.

Beta Beta Beta, a national honorary society for students of the biological sciences affiliated with the American Association for the Advancement of Science, seeks to encourage scholarly attainment in this field of learning by reserving its membership for those who achieve superior academic records and indicate special aptitude for the subject of biology.

Beta Gamma Sigma, the national scholastic honor society in the field of business administration recognized by AACSB International–The Association to Advance Collegiate Schools of Business. To be eligible for membership, a student at the junior level must rank in the upper seven percent of that class and a senior must rank in the upper ten percent of that class.

Delta Omicron, international music fraternity for music majors, founded in 1909 to create and foster fellowship through music, to develop character and leadership, and to encourage excellence in scholarship and performance.

Delta Phi Alpha, the national German honors society, seeks to recognize excellence in the study of German and to provide an incentive for higher scholarship. The Society aims to promote the study of the German language, literature and civilization and endeavors to emphasize those aspects of German life and culture which are of universal value.
Epsilon Pi Tau, an international honorary for professions in technology dedicated to the advancement of understanding, appreciation, and awareness of technology as both an enduring and influential human endeavor and an integral element of culture. Juniors and seniors majoring in the department of technology with accumulative grade point averages in the upper 25 percent may be selected to membership.

Gamma Theta Upsilon, an international honorary society founded in 1928, designed to encourage, advance, and strengthen the study of geography as a cultural and practical discipline.

Gamma Sigma Epsilon, a national chemistry honorary founded in 1919, is open to all students who have completed two years of chemistry courses and labs.

Kappa Delta Pi, honorary society in education, encouraging high professional, intellectual and personal growth, and recognizing outstanding contributions to education; juniors and seniors.

Kappa Kappa Psi, national honorary band fraternity for male student members of the university band program.

Kappa Mu Epsilon, national mathematics honor society, recognizing scholastic achievement of undergraduate students in mathematics.

Kappa Pi, national honorary in art, eligibility to membership based primarily on achievement in the field of art.

Lambda Pi Eta, a communications studies honorary designed to recognize, foster, and reward outstanding scholastic achievement.

Mortar Board, national honor society for students, selected during their junior year for outstanding scholarship, service, and leadership.

Ohio Northern University Honor Society of Nursing, the mission of the Honor Society of Nursing is to support the learning, knowledge and professional development of nurses committed to making a difference in health worldwide. Membership is by invitation to baccalaureate and graduate nursing students who demonstrate excellence in scholarship and to nurse leaders exhibiting exceptional achievements in nursing.

Omicron Delta Epsilon, an international honorary society in economics, recognizing scholastic attainment in economics and honoring outstanding achievements in economics; for upperclassmen and women.

Omicron Delta Kappa, all-campus national honorary society for all-around campus leaders, founded in 1914.

Order of Omega, a national Greek leadership honorary. The group recognizes juniors and seniors for outstanding leadership across campus and represents the top 3% of Greek members on campus.

Phi Alpha Theta, a national honorary society in recognition of superior achievement in the study of history.

Phi Beta Delta, national honor society for international scholars, founded in 1966, is dedicated to recognizing scholarly achievement of international students, U.S. students who have studied abroad, and faculty and staff who are involved in international activities.

Phi Epsilon Kappa, national professional fraternity for students pursuing careers in health, physical education, recreation or safety, recognizing outstanding scholarship, service and achievement of upper class students.

Phi Eta Sigma, national scholastic society for freshman students who have attained an accumulative grade point average of 3.50 or above during the first semester.

Phi Kappa Phi, a national scholastic honorary society for junior and senior students in all academic fields. Seniors in the top eighth of the class may be elected to a number not exceeding one tenth of the class. Students in the highest five percent of the class may be elected in the final term of the junior year.

Phi Lambda Sigma, national pharmacy leadership society; undergraduate students of pharmacy who have demonstrated dedication, service, and leadership in the advancement of pharmacy.

Phi Sigma Tau, the national philosophy honorary awarding distinction to students of high scholastic achievement and seeking to popularize interest in philosophy among the general collegiate public.

Pi Delta Phi, national honorary society in French, recognizing outstanding scholarship in French language and literature and promoting knowledge of France and its culture; juniors and seniors.

Pi Sigma Alpha, national political science honorary, honoring student achievement and encouraging interest in politics and political science.

Psi Chi, the international honor society in psychology, founded in 1929 for the purpose of encouraging, stimulating, and maintaining excellence in scholarship and advancing the science of psychology. Membership in the society is selective and based on high academic performance.

Rho Chi Society, national pharmacy honor society; undergraduate students of pharmacy who are in the upper 20 percent of their class, who have attained a scholastic average of at least "B", and who have completed 70 percent of the scholastic work applicable towards the Pharm.D. degree, including at least 68 hours completed after enrollment in the College of Pharmacy.

Sigma Delta Pi, national honorary society in Spanish for upperclassmen who rank high academically.

Sigma Iota Epsilon, the national honorary and professional fraternity for management. Its purpose is to encourage and recognize scholastic excellence and to promote cooperation between the academic and practical aspects of management.

Sigma Pi Sigma, the national physics honor society founded in 1921, honors outstanding scholarship in physics, encourages interest in physics among students at all levels, and promotes an attitude of service of its members to students, colleagues and the public.

Sigma Tau Delta national English honorary endeavors to advance the study of the chief literary masterpieces, encourage worthwhile reading, promote the mastery of written expression, and foster a spirit of fellowship among students specializing in the English language and literature.

Sigma Xi, the scientific research society. Founded in 1886 as an honor society for scientists and engineering, Sigma Xi is an international, multidisciplinary research society whose programs and activities encourage appreciation and support of original work in science and technology, foster interaction among science, technology, and society, and honor scientific research accomplishments.

Studia Socialia Americae, national honor society in social studies. Founded at ONU in 2005. Recognizes academic achievement among students who are pursuing state licensure in social studies as well as academic and professional achievement among educators who hold state licensure in social studies.

Tau Beta Pi, national engineering honorary society. Members at the junior rank must be within the upper 12.5 percent of their class when initiated into the society while the senior student may be within the upper 20 percent of his/her class when initiated.

Tau Beta Sigma, national honorary band fraternity for female student members of the university band program.

Theta Alpha Kappa, the national honorary for students of Religious Studies and/or Theology. Founded in 1976, it recognizes students of high attainment in these fields who also have achieved outstanding grades across the curriculum.

Theta Alpha Phi, a national honorary theatre fraternity, which recognizes superior achievement and high personal standards of character and leadership as demonstrated in sustained active participation in the Ohio Northern theatre programs; for students of sophomore or higher rank.

Upsilon Pi Epsilon, an international honorary society in the field of art.
DEPARTMENTAL AND PROFESSIONAL ORGANIZATIONS

Special organizations, many of them chapters of national organizations, are active in all of the colleges of the University. Members of these groups meet regularly to discuss matters of interest in their respective areas: University: Bear Ambassadors; Black Student Union; Cheerleaders; College Democrats; College Republicans; Latino Student Union; Muslim Student Association; Pre-law Club; Psi Sigma, Student Planning Committee; Student Senate; The President’s Club; World Student Organization; Getty College of Arts & Sciences; Academy of Criminal Justice Sciences; American Correctional Association; American Geographical Society; Arts and Sciences Student Advisory Board; Association for Technology, Management and Applied Engineering; Biology Student Association; College Broadcaster Inc.; College Media Association; FPSS Majors Club; Mathematical Association of America; Mock Trial; Model United Nations; Music Educators National Conference Student Chapter; National Student Nurses Association; ONU Chapter of the Student Members of the American Chemical Society; ONU Construction Management Association; ONU-Solve (Mathematics Problem Solving Group), Pre-law Society; Professional Association for Design; Professional Association of Medical Laboratory Students; Professional Association of Women in Science; Public Relations Student Society of America; Secondary Education Society; SME (formerly Society of Manufacturing Engineering); Society of Physics Students; Student Chapter of the Association for Supervision and Curriculum Development; Technology Education Club; T.J. Smull College of Engineering: American Society for Engineering Education (ASEE); American Society of Civil Engineers (ASCE); American Society of Mechanical Engineers (ASME); American Institute of Aeronautics & Astronautics (AIAA); Association for Computing Machinery (ACM); The Institute of Electrical and Electronics Engineers (IEEE); Joint Engineering Council (JEC); Northern Engineering Without Boundaries (NEWB); Phi Sigma Rho; Polar Robotics Club; The Society of Automotive Engineers (SAE); The Society of Women Engineers (SWE); Raabe College of Pharmacy; Academy of Students of Pharmacy (ASP); A.W.A.R.E.; American Pharmaceutical Association's Fellowship International (CFFI); Drug Abuse Awareness Team; National Community Pharmacists Association (NCPA); Pharmacy Student Council; Student Society of Health System Pharmacists (SSHP); Academy of Managed Care Pharmacy (AMCP); Student National Pharmaceutical Association (SNAPhA); Personalized Medicine Coalition (PMC); Dicke College of Business Administration: American Marketing Association; Collegiate Entrepreneurs' Organization; Dean’s Advisory Council; Institute of Management Accountants; ONU Healthcare Business Professionals; Student Investment Group; Society for the Advancement of Management; Society for Human Resource Management; Students in Free Enterprise; Pettit College of Law: American Civil Liberties Union; Black Law Students Association (BLSA); Christian Legal Society; Criminal Law Society; Environmental Law Society; FederaList Society; Icelandic Legal Exchange Program; International Justice Mission; International Law Society; Law School Democrats; LAMBDa Law Students’ Association; Law Review; Legal Association of Women; Moot Court; ONU Law Students for Reproductive Justice; Phi Alpha Delta; Public Interest Law Association; Sports Law Society; Street Law Society; Student Bar Association (SBA); Veterans Association; Willis Society Law Honorary; William Howard Taft American Inn of Court.

Musical Activities

The Department of Music sponsors a wide variety of music performing activities for all students. Non-music majors are especially welcome to participate and they constitute a large percentage of the personnel. Academic credit may be earned for participation in musical groups.

University Bands: The Marching Band performs for football games and festivals. The Symphonic Band and Wind Orchestra offer students the opportunity to play the finest band literature at concerts, other activities, and on tour. The Athletic Band performs for home basketball games.

Symphony Orchestra: Qualified university students are eligible to perform with the Symphony Orchestra in their full season of concert activities.

Choral Groups: Vocal organizations offer students a wide variety of singing experiences. University Singers, Opera Workshop, A Capella Ensembles and Chamber Singers are select ensembles which offer students a wide variety of performing experiences. Men’s Chorus and Women’s Chorus are open to all students and perform year-round at concerts, chapel services and many other campus and off-campus functions.

Ensembles: A variety of smaller instrumental and vocal groups available to all students include Jazz Ensembles, Brass Ensemble, Percussion Ensemble, Woodwind Ensemble, String Ensemble, Composer’s Workshop Ensemble and various chamber ensembles.

Communication and Media Studies Activities

Communication Studies

Students have a variety of opportunities to participate in conferences as presenters or attendees. Additionally, speakers, workshops and internships and practicum experiences provide students with hands-on opportunities in their field of study. Lambda Pi Eta, the national communication honors society occasionally features social and academic activities as well.

Radio/Television/Broadcasting and Multimedia Journalism

Ohio Northern University is home to WONB, 94.9 FM, a 3,000 watt non-commercial broadcast station. Professionally managed and student operated, WONB is a part of the Department of Communication and Media Studies. WONB provides student opportunities in music programming, news, public affairs and sports announcing, production and programming.

The Freed Center for the Performing Arts also houses ONU Cable TV, Ohio Northern’s campus cable system and local origination channel. ONU Cable provides more than 70 channels of educational and entertainment programming. Local campus programming is produced by Multimedia Journalism majors and scheduled over ONU3-TV.

The Multimedia Journalism program utilizes a modern facility with the latest equipment including audio and video production studios and editing suites; a master control room and TV production studio; and remote production equipment. Students in production classes work with Final Cut Pro; AVID; Adobe Premiere; and, Audition software.

Public Relations Student Society of America

The Ohio Northern University chapter of the Public Relations Student Society of America is a professional organization that provides networking, workshops, public relations campaign exposure, internships, community and university service projects, and awards and recognition to students. The PRSSA chapter operates a nationally affiliated student run public relations firm. The ONU PRSSA chapter is sponsored by the Central Ohio chapter of the Public Relations Society of America in Columbus.

Theatre Arts Activities

Dance

The dance program at Ohio Northern University offers a wide range of dance skills to students from master classes with guest artists to performing on the main stage at the Freed Center for the Performing Arts. Participation in the ONU Dance Company provides student dancers the experience of working with professional dance companies.

Theatre

The Department of Theatre Arts provides many theatrical activities and experiences in the Freed Center for the Performing Arts, which contains a 551-seat mainstage theatre and a studio theatre with flexible seating up to 136. All interested university students may audition for mainstage or studio productions, or they may become involved in technical or front house work.

Student Publications

The Northern, the yearbook, contains a record of student activities for the year.

The Northern Review is a campus newspaper published throughout the regular year by the students of the university. Positions on the staff of the newspaper and yearbook are open to all students.

Polaris is a creative magazine published each semester by and for Ohio Northern students.

Re: Media is a student-produced web magazine.

The Student Handbook, which is posted on the ONU web site, is a compilation of rules and information pertaining to student life on campus.

The ONU Fraternity/Sorority Guide, is published annually by the Interfraternity Council and the Panhellenic Council.

The Ohio Northern University Law Review is a professional legal periodical. Published three times per year, it is subscribed to by the practicing bar, bench, government officials, and legal scholars throughout the U.S. as well as eleven different countries. In addition to student comments, the Review publishes articles by noted authors from within the legal community.
Athletics
The purpose of the program of intercollegiate athletics at Ohio Northern is to provide the important educational experiences:
1. To support and broaden modern education. 2. To expose and educate students in legitimate methods of good sportsmanship, in the meaning of wholesome competition, and in the will to win. 3. To serve as a laboratory for the professional approach of those interested in health, physical education, coaching, athletic training, exercise physiology, and sport management as a career. 4. To supply wholesome recreation for the participants and other students. 5. To provide a focus for the interest of students, faculty, administration, and alumni. The athletics program at Ohio Northern is advised by the Committee on Athletics of the University faculty.

Intercollegiate Competition for Men. Ohio Northern participates in intercollegiate football, basketball, baseball, tennis, golf, wrestling, swimming and diving, cross country, indoor and outdoor track, and soccer. Lacrosse will be added in 2015-16. It is a member of the Ohio Athletic Conference and the NCAA Division III.

Intercollegiate Competition for Women. Women at Ohio Northern compete in intercollegiate football, basketball, swimming and diving, tennis, indoor and outdoor track, cross-country, soccer, golf and softball. Lacrosse will be added in 2015-16. Ohio Northern belongs to the NCAA Division III and Ohio Athletic Conference and follows their rules and regulations.

Club Sports. Ohio Northern's club sports program is open to all students who meet membership requirements. Club sports encourage students to be actively involved in creating their own recreational and competitive sport experiences. Current club sports include men and women's water polo, men and women's rugby, women's soccer, fencing, lacrosse, men and women's ultimate Frisbee and men's volleyball. All club sports have a faculty advisor, and students wishing to form a sport's club can do so under the guidance and help of ONU's student senate and the Assistant Director of Athletics for club sports.

The Educational Program of the University

Academic Calendar
The Ohio Northern calendar divides the academic year (nine months) into two semesters of approximately equal length, designated as fall and spring for the undergraduate colleges. A summer session of approximately 8 weeks is divided into terms of four weeks. Fall semester ends before Christmas; spring semester begins in January and ends in early May. The College of Law is on a different semester calendar.

University Organization
Ohio Northern University is composed of five colleges.

The Getty College of Arts & Sciences is organized into 17 departments each providing one or more majors as a basis for degree programs leading to the Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Science, Bachelor of Science in Medical Laboratory Science, or Bachelor of Science in Nursing.

The T.J. Smull College of Engineering has three departments which offer Bachelor of Science degree programs with accredited curricula in civil, computer, electrical, mechanical engineering, and computer science. This college also offers a Bachelor of Science in engineering education.

The Raabe College of Pharmacy offers the Doctor of Pharmacy (Pharm. D.) degree as a six year program for high school graduates.

The Pettit College of Law awards the Juris Doctor degree after successful completion of a three-year course of study. An earned baccalaureate degree from an accredited institution is required for admission into the J.D. program. The College of Law also awards the Master of Legal Letters (LL.M.) in Democratic Governance and Rule of Law.

The Dicke College of Business Administration curricula require a four-year course of study leading to the degree of Bachelor of Science in Business Administration with majors offered in accounting, management, marketing, pharmaceutical business and risk management and insurance. The college also awards the Master of Professional Practice in Accounting (MPPA).

University General Learning Objectives
Beginning in 2011-12, all entering first-time freshman students will participate in ONU’s new general education plan. This general education plan is based on learning outcomes that specify the abilities that ONU expects each student to cultivate through general education. From matriculation and continuing through their educational experiences at ONU, our students will demonstrate:
1. Effective communication (both written and non-written)
2. Critical and creative thinking
3. Scientific and quantitative literacy
4. An understanding of diverse cultures and their effects on human interaction
5. Integration of concepts across disciplines
6. Informed and ethical responses to personal, civic, and global needs
7. Informed responses to aesthetics in art or nature

Evidence of attainment of these outcomes will appear in artifacts produced through individual academic work, collaborative academic work, or co-curricular activities. The artifacts must be graded by the course instructor and may take many forms, including items such as a paper, an examination essay, an oral presentation, etc. These artifacts will be stored in an electronic portfolio. Faculty members will assess the artifacts with a rubric designed specifically for each outcome. A rubric is a performance-based assessment tool that evaluates student performance with regards to specific criteria. The assessment will be reviewed by the University Assessment Committee to further strengthen and document the effectiveness of our general education plan.

Each student at ONU is required to complete the following four courses with a grade of C or better as part of the general education plan:
1. Transitions Experience (1000 level): Offered within the student's college, this course demonstrates ties between general education and the student's major and facilitates the student's transition from high school to college life.
2. Writing Seminar (1000 level): Introduction to college-level writing skills, including critical reading, the formulation of arguments, researching and incorporating outside sources, and writing essays.
3. Extra-disciplinary Seminar (2000 level): This course expands a student's experience beyond the major by exploring a common theme from other perspectives. Each instructor will develop a unique course that reflects the common theme.
4. Capstone (4000 level): The capstone is a high-impact educational activity that a student completes at or near the end of a student's academic program.

Any course that the General Education Committee tags for at least one general education learning outcome is part of the general education curriculum. Those courses that have agreed to participate are known as "tagged." A tag is defined as an indication of a general education learning outcome that a course satisfies. Students can search for the tag information on particular courses through their Self-service banner account or via the registrar's website (Schedule/Catalog search).

A checksheet that summarizes the artifact requirements for general education follows. Note that each student's portfolio must contain 20 artifacts, as specified on the checksheet. If a student fails a course, the artifact(s) associated with that course do not meet the general education program requirements. If a student has transfer credit work, there is the possibility that the student will receive a waiver in proportion to the hours transferred. For every six semester hours transferred to the degree re-
within the student’s transition course. The full general education plan is available from the Academic Affairs website under the topic of General Education.

2. Critical, Creative Thinking
   • Transitions Experience
   • Extra-Disciplinary Seminar
   • Senior Capstone

3. Scientific and Quantitative Literacy
   • ______________________________
   • ______________________________

4. Diversity, Human Interaction
   • ______________________________
   • ______________________________

5. Integration of Disciplines
   • ______________________________
   • ______________________________

6. Informed, Ethical Responses
   • ______________________________
   • ______________________________

7. Aesthetics
   • ______________________________
   • ______________________________

Two Additional Artifacts
   • ______________________________ Outcome #:______ Grade: _____ □ Waived**
   • ______________________________ Outcome #:______ Grade: _____ □ Waived**

*Must earn a grade of a C or better.
**Students with transfer work that counts towards the degree may earn a waiver in proportion to the hours transferred.

The International Study Opportunity

The international dimension of the university’s educational program seeks to develop in students an interest, understanding, and appreciation of other peoples and a cultivation of a spirit of world citizenship within the university community. International experiences are encouraged through various academic and nonacademic opportunities. On-campus academic and cocurricular programs bring together the experience and expertise of faculty and students alike in a variety of activities which broaden the international perspective of those who participate. Off-campus opportunities include study abroad, occasional work experiences abroad, and other types of student travel exchanges. Recent programs abroad include summer study tours to Europe, Japan, Korea, and Latin America, a co-op experience abroad in engineering, summer internships abroad in business, theatre performances abroad, and individually designed summer abroad experiences for modern language students. The engineering co-op program provides opportunity for actual work experiences in an industrial engineering company abroad. Student teaching abroad is available by application through limited international sites.

The university is a member of the Institute for International Education, the NAFAA Association of International Educators, the Indiana Consortium for International Programs (ICIP), Council on International Educational Exchange, the University Studies Abroad Consortium (USAC), the International Studies Abroad (ISA) consortium, and the World Affairs Council of Greater Cincinnati. The university has cooperative exchange agreements with Queen Margaret College, Edinburgh, Scotland; Glasgow Caledonian University, Glasgow, Scotland; University of Wales Lampeter in Lampeter, Wales; the University of Ulster, Northern Ireland; the University of Science and Technology, Lille, France; Robert Schuman University, Strasbourg, France; the University of Aarhus, Aarhus, Denmark; the University of Joensuu in Joensuu, Finland; Helsinki School of Economics in Mikkeli, Finland; Amherst Business School in the Netherlands; Brandenburg Techni- cal University, Cottbus, Germany; University of Iceland, Reykjavík, Iceland; University of Debrecen, Debrecen, Hungary; Instituto Tecnologico y de Estudios Superiores de Monterrey, Campus Queretaro in Queretaro, Mexico; Universidad Antonio de Nebrija, Madrid, Spain; Kansai Gaidai University, Hirakata City, Japan; Ritsumeikan University, Kyoto, Japan; Hanyang University, Seoul, Korea; Da-Yeh University, Changhua, Taiwan; Ming Chuan University, Taipei, Taiwan; and the Plekhanov Economic Academy, Moscow, Russia. Additional study abroad opportunities are provided through the university’s affiliation with Global Links (AustraLearn/AsiaLearn/EuroLearn) and the Semester at Sea program.

The university also has program agreements with Studio Art Centers International, Florence, Italy, Burren College of Art in Ireland, Middlesex University, London and University of the Arts, London. The university has a friendship pact and an exchange agreement with Dankook University in Seoul, Korea.

The Byron L. Hawbecker Travel Fellowship is available for students in the College of Arts & Sciences pursuing study abroad.

Washington Center Program

Ohio Northern University is affiliated with the Washington Center in Washington, D.C. The Washington Center arranges a variety of student internships with federal agencies, legislative offices, private organizations, and non-profit organizations on behalf of students from the four undergraduate colleges. The Washington Center also offers short-term seminars where students can receive academic credit. A limited number of Washington Center scholarships are available for students. More information is available from the undergraduate deans or the academic affairs office.

Academic Programs between Colleges

Majors and Minors between Colleges

A student may complete a secondary academic program and minors by satisfactorily completing the required major and major related or minor requirements of the two departments plus college requirements of his or her college of registration only. Students pursuing a degree in the College of Engineering or the College of Pharmacy must be registered in one of those colleges as their primary degree program but may pursue majors or minors only in other colleges. Exceptions to this general policy are that the dual degree program of electrical engineering and computer science is permitted, and all engineering majors except for computer engineering can pursue a computer science minor.

Dual Degree Programs

Students may elect to earn an additional distinct degree from the university. The student must complete a minimum of 30 semester hours beyond the total credit hour requirements for the degree with the lesser number of hours required. Students not meeting this requirement for more than one degree must choose which degree they wish to receive. This choice may not subsequently be changed.

A student following a dual degree program pursues both degrees simultaneously, with permission of the college of registration, and under the supervision of an advisor from each of the colleges involved. For students pursuing a degree in either the College of Engineering or the College of Pharmacy, the college of primary registration must be one of these two colleges and the tuition charged will be the Pharmacy or Engineering College rate as appropriate.

Students in the College of Engineering are not permitted to have a dual major in computer engineering and computer science.

A student completing a dual degree program must meet all of the requirements established for each degree. Certification of completion of these requirements is made by the college granting a degree.

The university does not guarantee that program additions (e.g., dual degrees, double majors, minors and options) can be completed within the normal time to complete one degree and/or without encumbering additional overload hour fees.
Pre-law Program
Ohio Northern University has developed a unique pre-law program which offers an excellent opportunity for superior students who are preparing for a career in law. The program is open to all students enrolled in any academic department of the Colleges of Arts & Sciences, Business Administration, Engineering, or Pharmacy.

Students in the pre-law program select a major and complete the necessary requirements like other students. The University Pre-law Admissions Committee, with representatives from each of the undergraduate colleges, the law college, and undergraduate career services, advises students to include in their studies specific courses that encourage and develop (1) reading comprehension and written expression, (2) critical understanding of the human institutions and values with which the law deals, and (3) critical and analytical thinking. The committee also supervises a pre-law orientation course, a Law School Admissions Test (LSAT) preparatory workshop, and a mentoring program involving pre-law students with local attorneys. Members of the committee advise students on related matters such as applying for admission to law school.

Students in the pre-law program will gain automatic admission to the Ohio Northern University College of Law if they (1) maintain an undergraduate grade point average of at least 3.40/4.00; (2) score in at least the 75th percentile on the LSAT; (3) pass the character and fitness review by the Admissions Committee of the College of Law; and (4) are deemed by the law school Admissions Committee to appear capable of satisfactorily completing its program and being admitted to the bar pursuant to ABA Admissions Standard 501. To take advantage of an automatic admission, a student must enroll in the College of Law in the fall semester immediately following the date that the student received an undergraduate degree from Ohio Northern.

Additional information is available through the offices of the deans.

Library
Heterick Memorial Library (1968) provides information resources and services to support course offerings and foster independent study. An open stack arrangement allows easy access to nearly all of the material in the collections. The centrally located facility is named for Dr. Robert Hinton Heterick and Frances Felker Heterick.

The library provides books and periodicals, both in print and electronic form. Collections of CD's, DVD's, videotapes, and microforms are also available. Facilities include individual study carrels, study rooms, a conference room, microform reading and printing devices, copy services, and audiovisual equipment.

Wi-Fi access is provided throughout the building and numerous power and wired network connections are available.

Computer services include a cluster of 32 computers, all of which are connected to the campus local area network. The Spar/Wintzer Music Media Lab provides computer facilities for music students. The library also maintains POLAR, the University’s on-line catalog, as well as offering over 200 computerized services, more than 9000 electronic journals, and a growing number of electronic books over the campus network.

Local collections are supplemented by efficient interlibrary loan services, including OhioLINK, a statewide resource-sharing network.

Librarians are available to help students and faculty identify appropriate sources of information and to use the catalog and other bibliographic materials. Instructional lectures are offered to classes and groups upon request.

Information Technology
The University is among the leaders in offering creative and efficient application of information technology in support of teaching, learning, administrative and student services. Information technologies are integrated into all aspects of University life: enhanced classroom, laboratory, research and living experiences, recreation and communications.

The University provides a heterogeneous environment of computer equipment integrated by local area networks. The campus network is attached to the Internet through a high-speed fiber-optic connection. The campus network is available in every residence hall room and apartment. In addition, wireless networks are installed in academic buildings, libraries and residence facilities. Computer labs are available to students in various academic areas.

Access to the digital campus is through the ONU website giving access to integrated services like e-mail, student records, academic calendar, faculty and student chat sessions, and course information.

Classrooms are equipped with state-of-the-art instructional technology. Students have a variety of technology available for their use including smart boards, video-teleconferencing units, high-end workstations and various software applications.

Students have access to a range of support services including high-speed network laser printing, document scanning, CD-ROM creation capability, desktop publishing, and videoconferencing capability. In addition students have access to a digital video camera and several digital still cameras.

The College of Business Administration is a Microsoft Authorized Testing Center. The Microsoft Office certification program is designed to assess proficiency and improve skills. Certification testing is available for Microsoft Access, Excel, Outlook, PowerPoint and Word. The college is also licensed to test for and award the IC3 Internet and Computing Core Certification.

The Heterick Memorial Library and the Taggart Law Library employ computer technology to better serve the University community. Both libraries are members of OhioLINK, a resource sharing consortium of Ohio academic libraries which allows patrons to locate and borrow materials from other member libraries electronically.

Distance learning and web-based learning instruction is provided using MoodleRooms and BlackBoard Collaborate.

Communication Skills Center
Clear expression of ideas, both oral and written, is a standard Ohio Northern endorses for its students. To help meet and maintain that standard, the University provides the services of its Communication Skills Center. It is designed to strengthen the student’s work in basic writing and oral communication courses and to reinforce those communication skills throughout the student’s entire academic career.

Individual assistance is provided to help students master writing skills and develop skills in organizing and delivering oral presentations. Mock interviews are available for students entering the job market. In addition, the Communication Skills Center offers reference materials, written and oral communication models, and recording facilities. The Communication Skills Center, located conveniently on the second floor of Heterick Memorial Library, is staffed by communication professionals and student tutors.

Honors Program
The ONU Honors Program has been established to stimulate highly qualified students in any field of study who are capable of meeting academic challenges and who choose to do so. Students are encouraged to develop their full intellectual potential within a continuing community of scholarly excellence that offers exciting and enhanced varieties of academic experiences. Honors Program experiences are designed to nurture students’ curiosity, their written and oral communication skills, and their leadership capabilities as well as to provide an opportunity for students to be more actively involved in their education. The Honors Program requirements support the University and College General Education requirements through special seminars, while allowing participants to work closely with faculty members in their major. Additional information about the ONU Honors Program can be found on page 30.

ROTC
The Bowling Green State University provides college-level instruction to Ohio Northern University students interested in either the Air Force Reserve Officers Training Corps (ROTC) or the Army ROTC programs. Further information about either of these programs can be found on pages 31 and 32, respectively.

English Language Programs for International Students
English Language Programs serves the needs of second language English learners at Ohio Northern University. The focus of ELP is language learners seeking English proficiency for the purpose of successful academic study at a high quality, American university with both U.S. and international faculty and staff. Certification testing is available.

Each component of the ELP is directed toward a specific goal: The International Scholar Transition Program is for students whose English and academic skills are mature but need further development and support while beginning academic study at a high standards university. The Intensive English Program is for students who need significant work in
English before beginning academic studies or engaging effectively in an English speaking country.

Students placed in the Intensive English Program do not enter degree studies until they have met the language requirements for academic study. Students in the International Scholar Transition Program are fully admitted to degree programs and ISTP courses earn academic credit which may be used toward graduation. Further information about the English Language Programs can be found starting on page 25.

Registration Procedure
Registration is completed during the periods assigned and published by the University Registrar. During each term, registration is conducted for the following term. All continuing students are expected to register within the designated period. The student is responsible for the completion of prerequisites for courses for which enrolled and for securing the approvals needed as indicated in the University Catalog. Unless otherwise specified, a grade of 'D' or better will satisfy a course prerequisite. The student is expected to complete registration in the prescribed manner and to complete payment fees by the required date to validate his/her registration. Failure to do so can result in the cancellation of the registration, the assessment of the late registration fee, and removal of name from class lists for the term. Delinquent payment of charges will not enable reinstatement in the term for which charges have not been paid. Reregistration of a student whose registration was cancelled because of failure to satisfy fee payment requirements will be permitted only during the late registration period for the term.

Each student is assigned an advisor to assist in curriculum and registration matters. The advisor's signature is required for registration and substantial changes in schedules. Undergraduate students requesting more than 19 hours must have the dean's signature. Law students with fewer than 12 hours or more than 18 must have appropriate prior approval. Outstanding financial obligations to the University must be paid or satisfactory arrangements made prior to the completion of registration for a subsequent term.

New students may register for fall semester at any one of the summer orientations. New students or re-entry students may also register for fall semester the day before classes begin.

The Office of the Registrar will permit another person to register or to withdraw will result in failure (F or U) for each course scheduled. If the student is residing in a University residence hall, and the controller's signature is waived), office of residence life will be marked as "W" (official withdrawal). Delinquent payment of charges will not allow reinstatement in the term for which charges have not been paid. Reregistration of a student whose registration was cancelled because of failure to satisfy fee payment requirements will be permitted only during the late registration period for the term.

A student enrolled in one undergraduate college in the University may request transfer to another undergraduate college by initiating a change of college form. The signature of the dean of the college in which the student is enrolled. Specific college regulations on academic actions at ONU (suspension, probation, dismissal).

A student who wishes to withdraw from all courses for which the student is registered for a semester may do so by initiating an official withdrawal with the student's advisor and submitting the withdrawal form to the following offices for signature — dean of the college of registration (if the dean's signature is obtained without the advisor's signature, it is assumed that the signature of the advisor is waived), office of residence life if the student is residing in a University residence hall, and the controller's office. After obtaining the proper signatures, the student must process the form with the Office of the Registrar to be official. Discontinuance of attendance does not constitute an official withdrawal. Failure to officially withdraw will result in failure (F or U) for each course scheduled.

Dropping Courses from Schedule or Withdrawal from the University
Courses dropped within the first three weeks of a semester will not appear on official reports; courses officially dropped after the third week of the semester will be marked as "W" (official withdrawal).

Courses may be withdrawn (W on transcript) after the end of the twelfth week of a semester to the beginning of final examination week with approval of the dean of the college of registration but will be approved only for reason of unusual circumstances beyond the control of the student. The instructor of the course will be notified promptly of withdrawals approved after the end of the twelfth week of a semester and before the beginning of finals. The instructor may make inquiry to the dean of the college of registration concerning the circumstances and will be provided the rationale with sensitivity for the student's right to privacy.

Courses may be withdrawn (W on transcript) or a complete withdrawal processed after the beginning of the final examinations or thereafter with approval of the instructor of the course, the dean of the college offering the course, and the dean of the college of the student's registration. In the event that there is disagreement with the withdrawal by any of these persons, and the disagreement cannot be resolved, the vice president for academic affairs will provide a decision and inform all parties directly involved. The vice president for academic affairs will report to the Committee on Academic Affairs all withdrawals after the beginning of the final examination week which were not approved by the dean of the college of the student's registration, dean of the college offering the course, and the instructor of the course.

For courses scheduled for less than a semester in length, equivalent periods for registration changes will be established by the University Registrar. Changes of schedule (add-drop) and complete withdrawals are official on the date received in the Office of the Registrar. Courses or sections dropped or added without proper approvals will result in no credit for the course added and an "F" for the course dropped.

A student who wishes to withdraw from all courses for which the student is registered for a semester may do so by initiating an official withdrawal with the student's advisor and submitting the withdrawal form to the following offices for signature — dean of the college of registration (if the dean's signature is obtained without the advisor's signature, it is assumed that the signature of the advisor is waived), office of residence life if the student is residing in a University residence hall, and the controller's office. After obtaining the proper signatures, the student must process the form with the Office of the Registrar to be official. Discontinuance of attendance does not constitute an official withdrawal. Failure to officially withdraw will result in failure (F or U) for each course scheduled.

Transfer between Undergraduate Colleges in the University
A student enrolled in one undergraduate college in the University may request transfer to another undergraduate college by initiating a change of college form. The signature of the dean of the college in which the student is currently enrolled must be obtained as well as the approval of the dean of the college to which the student is transferring. The student must provide the dean of the college to which the student is transferring the required forms for each course to be transferred. If the dean approves the transfer, the student must formally request transfer to another college by initiating a change of college form. The signature of the dean of the college offering the course, and the dean of the college of the student's registration. In the event that there is disagreement with the withdrawal by any of these persons, and the disagreement cannot be resolved, the vice president for academic affairs will provide a decision and inform all parties directly involved. The vice president for academic affairs will report to the Committee on Academic Affairs all withdrawals after the beginning of the final examination week which were not approved by the dean of the college of the student's registration, dean of the college offering the course, and the instructor of the course.

Dismissal
The Ohio Northern student is expected to maintain certain levels of scholarship. A student may be suspended or dismissed for violation of University rules or for continued low scholarship.

Academic Standing
At the end of each semester or summer session the academic standing of each student (except transient and special high school students) enrolled in the University is determined according to the standards established by the college in which the student is enrolled. Specific college regulations on academic probation are detailed in the sections of this catalog on each college.

Academic Probation describes the academic standing of a student who falls below the minimum standard cumulative grade point average, but is eligible to continue.
Continued Academic Probation denotes the academic standing of a student who was on probation or continued probation the previous term enrolled, who does not qualify for good standing, and who is eligible to continue in the University.

Academic Suspension is an action which makes the student ineligible to continue in the University for a specified period of time, ordinarily two semesters. A second academic suspension results in academic dismissal.

Academic Dismissal is an action which makes the student ineligible to continue in the University. Normally, students dismissed are not readmitted.

The academic record of an undergraduate student on academic probation or continued academic probation whose grade point average for the semester is below the minimum standard established for his or her college is reviewed by the appropriate committee in the college, at which time the student may be permitted to continue in the University or may be suspended or dismissed for academic reasons. The student has the right to appeal in writing to his or her college an academic suspension or dismissal.

Veterans or Eligible Dependents

Any student receiving Veterans Educational Benefits under Title 38 USC may remain on academic probation for no more than two consecutive semesters unless the veteran is making progress toward the required grade point average and is allowed to remain in school by the decision of the appropriate academic committee for his or her college.

Grades and Quality Points

The value of credit courses is expressed in semester hours. Our definition of a credit hour is based on the Carnegie Unit, which has stipulated that one semester credit hour be awarded for fifteen sessions of 50-minutes duration in classroom lecture-recitation, each requiring two hours of outside preparation by the student. This minimum standard does not restrict a higher standard that requires more student work per credit hour. See the ONU web site for further definition.

Ohio Northern, except the College of Law, uses the four point system in calculating grade point average. Grade meanings and their equivalent point values are: A-Excellent, 4 points; B-Good, 3 points; C-Average, 2 points; D-Passing, 1 point; F-Failure, 0 points.

In the College of Law a plus and minus letter grade system is used: A+ 4.33; A 4.00; A- 3.67; B+ 3.33; B 3.00; B- 2.67; C+ 2.33; C 2.00; C- 1.67; D+ 1.33; D 1.00; D- 0.67; F 0.00.

In certain clinical courses, the mark of S or U will be given.

The following grades or marks are not computed in calculating grade point averages: I-Incomplete; W-Official Withdrawal; S-Satisfactory, equivalent to “C” or better; U- Unsatisfactory (no credit earned towards graduation). Marks of I are given only with the dean’s approval for documented reasons generally beyond the student’s control.

All Incomplete (“I”) grades must be removed within 12 weeks after the end of the course. All Incomplete grades must be removed within 12 weeks after the end of the course. The normal examination period for each section will be based on regular meeting time and days of the class. Some departmental multiple section examinations are scheduled.

All students are expected to be present for final examinations. Absences from final examinations, with the reasons for the absences, must be reported immediately to the faculty member or Director of Residence Life, if the student is unable to contact the instructor individually. Absences other than for reasons of illness or other unavoidable circumstances will result in the final examination grade being calculated as a failure in determining the final course grade.

A student with an “A” in the course may be excused from the final examination by the faculty member.

Class Attendance

The policy of the University is that all students are expected to attend all classes, including examinations. It is realized, of course, that not all students will or can possibly attend all classes. Absences from class fall into three main categories: a) absences because of other class activities; b) absences because of official University functions and activities; and c) absences because of personal reasons.

Regardless of the reasons for absence, it is the student’s responsibility to contact his/her faculty member (preferably before the absence) so that mutual agreement may be reached concerning work to be completed, and how course grade will be determined in light of absences.

Student Academic Conduct

Ohio Northern University students have an obligation to maintain the highest standards of ethical conduct. The University expects its students to conduct themselves in a dignified and honorable manner as mature members of the academic community and assumes that individually and collectively they will discourage acts of academic dishonesty. The University also expects cooperation among administrators, faculty, staff and students in preventing acts of academic dishonesty, in detecting such acts, reporting them, and identifying those who commit them, and in providing appropriate punishment for offenders.

Minimum standards of academic conduct ensure fairness, honesty, and integrity in the evaluation of student performance. Faculty should be confident that their evaluation methods will not be willfully invalidated by students intending or attempting to misrepresent the skill, achievement, or ability either of themselves or of others. Students, on the other hand, should be confident that a fair comparison of their work with that of other students has not been subverted by unethical conduct.

A complete copy of the Code of Student Academic Conduct may be found in the Student Handbook.

Student Review of Examinations

A student has the right to review and discuss with the faculty member any examination and/or evaluation instrument within a reasonable period of time following the student's request for review.
Grade Appeals Procedure
A student has the right to appeal a final course grade which the student feels is unfairly or erroneously assigned. The student must first discuss the grade with the faculty member(s) who assigned the grade no later than the fifth/second (if College of Pharmacy module course) class day after the final grade for the course was assigned/posted. If the student is still convinced that the grade is an unfair evaluation of the student’s performance in the course, the student may appeal the grade. The appeal must be made in writing within two class days. A response will be provided to the student within two class days. If the matter has not been resolved by the department chair to the student’s satisfaction, the student must appeal within two days to the dean of the college in which the course is offered. Upon receipt of the written appeal, the dean will inform the Grade Appeals Committee that a grade appeal procedure has been initiated.

The faculty member has the sole responsibility to determine the final grade for the course. The department chairperson, dean or the Grade Appeals Committee may only make recommendations to the faculty member.

The complete policy statement on the Grade Appeals Procedure can be found in the Student Handbook.

This policy does not apply in the College of Law.

The University Course Numbering System
Each course is identified by a two, three or four letter subject code and a four-digit course number. Some music courses also include an alpha character to designate instrument. This information is used on all official records.

Eligibility for Intercollegiate Athletics
Ohio Northern is a member of the National Collegiate Athletic Association and the Ohio Athletic Conference. Ohio Northern follows the Constitution and Bylaws of the NCAA and OAC in determining the eligibility of students to participate in intercollegiate athletics unless the student is restricted from doing so by the action of the dean of his/her college for academic reasons or by the vice president for student affairs or the director of athletics for disciplinary reasons.

General Academic Regulations
Mid-term examinations are held at the discretion of the faculty member. In the College of Arts & Sciences such examinations must be during the seventh or eighth week of the semester and must be announced by the first day of the semester.

Each student is required to carry at least 12 credit hours per semester to establish one semester of full-time residence work. A student enrolled for less than 12 hours is classified as a part-time student.

Any required course in which a grade of “F” is earned should be taken again in the first semester in which the course is given after the failure occurs.

Transient Credit and Status
University policy requires that students obtain prior approval by their academic dean for course work attempted at another institution and request that an official transcript of such course work promptly be sent directly from the issuing institution to the Office of the Registrar following completion of the course work.

Credits may be transferred only for courses graded C (2.00) or higher and must apply toward a degree in the course of study the student pursues. Students who wish to pursue course work at another institution during a summer term or concurrently while enrolled in the University must consult with their advisor and submit a transient request to the academic dean. In order for the dean to evaluate the request, a catalog description of course(s) must accompany the request. Upon approval by the dean, the student and the Office of the Registrar will receive a copy of the completed form to verify approval. Failure to obtain prior approval can result in non-acceptance of credits by transfer to Ohio Northern University.

Students wishing to pursue courses at another institution during a regular term must consult with their advisor and obtain approval by the academic dean for transient status by the end of the last term enrolled. Such status may not be for a period of more than one academic year.

Students who do not pursue a previously approved program or who do not return for the term listed on the transient application will be expected to seek readmission as a transfer student.

Transient status requests must be accompanied by a list of approved courses and name and address of the institution to be attended. This list must include course equivalencies and credits to be awarded.

Students permitted to complete their last requirements for graduation off-campus must apply for a terminal transient status. If the terminal transient status is approved, students must contact the Office of the Registrar concerning graduation. It is understood that terminal transient status is granted only under extraordinary circumstances or as part of a 3+2 degree program.

Students who are not enrolled at Ohio Northern University for one or more regular terms are expected to apply for readmission by the application deadline date. Those who have been enrolled at another institution without a prior approval during a regular term will be considered for admission as transfer students.

These procedures will apply to all colleges in the University.

Credit by Special Institutional or Required Placement Examination
Examinations are employed both to provide assistance in placing students at the appropriate level in certain areas of study and to provide an opportunity for students to obtain credit for previously learned skills.

In certain subject areas, students are required to take a placement examination. There is no charge to take that examination or for placement. The student who is seeking a degree at ONU can use the test results of those examinations to obtain credit. In that case, the student is required to pay an administrative or credit fee. For one course (up to five credits), only an administrative fee is charged; there is no credit fee. For all subsequent courses, there is a per credit hour fee charged (the administrative fee is included in the credit charge).

In certain subject areas, a full-time undergraduate student who is seeking a degree at ONU can request a Special Examination for Credit. There is an administrative fee charged which must be paid before the examination can be taken. The student may wish to use the test results of those examinations to obtain credit. In that case, the student may be required to pay an additional credit fee. For one course (up to five credits), there is no credit fee. For all subsequent courses, there is a per credit fee charged (the administrative fee is included in the credit charge).

The examination is evaluated as either “S” (satisfactory) or “U” (unsatisfactory). Only satisfactory evaluations are recorded on the student record. Results of examinations do not affect the student’s cumulative grade point average. Satisfactory examination results will be recorded as either “PL” or “XM.” “PL” indicates the examination satisfies the appropriate graduation and/or prerequisite requirements of the course(s) with no hours earned towards graduation. “XM” indicates that credit hours are earned for the specified course(s).

Permission for a special examination requires formal application using a form obtained from the Office of the Registrar. The application must be approved by (1) the student’s academic advisor; (2) the academic dean of the student’s college of registration, and (3) the chair of the department in which the course is offered. Such examination shall not be approved for courses which the student has previously audited, completed or failed at this or another institution nor for courses which are prerequisite to any course for which the student has earned credit nor for courses for which the student has previously attempted credit by examination unsuccessfully.

After all required approvals have been obtained, in the order required on the form, and appropriate fees paid, an examiner is assigned by the department chair. The student shall arrange for the examination with the examiner. The examination must be approved, given, evaluated, and the results reported to the Office of the Registrar prior to the end of the “W” period of the semester in which the examination is administered.

Payment of an “administration fee” is required in the controller’s office prior to taking a special examination. The “credit hour fee” is 50% of the tuition charge per credit hour as charged to part-time students as listed in the university catalog at the time of the payment of the fee. The “administration fee” is applied toward the “credit hour fee.” One course, maximum of five hours, is not assessed the “credit hour fee.”

Credit earned by examination after having achieved senior (SR) or P6 status is not applicable toward graduation. A maximum total of thirty (30) hours of credit earned by special examination, externally administered or ONU special examination, can be recorded and applied toward a baccalaureate degree.
Modern Languages Retroactive Credit Policy

All students are eligible for retroactive credits for all Modern Languages courses below the level of the first course satisfactorily completed at ONU. (See chart on page 109). To determine entry into the appropriate course level, students may complete a placement test and consult with faculty in the Modern Languages Department. The department strongly recommends that students begin foreign language study during their first year.

Student Responsibility

Faculty members, academic advisors and deans are available to help students understand and meet academic requirements for a degree, but students themselves are responsible for meeting them. Degrees are not conferred until all requirements are fulfilled. Thus it is essential that students be familiar with requirements and confer frequently with their advisors.

Participation in Student Outcomes Assessment

Ohio Northern regularly conducts campus-based studies of student attitudes, student achievement, student satisfaction, and personal, professional and career development. These studies are grouped under the heading of student outcomes assessment and are conducted by the Office of Institutional Research, individual colleges, and academic programs. Data collection and analysis procedures employed ensure the confidentiality and privacy of individual participants and results are only provided in aggregate form. Participation in student outcome assessment assists Ohio Northern University in the continuous improvement of academic programming and student development.

Awarding of Degrees

A student receives the appropriate degree after applying for graduation and completing the required curriculum as outlined in the five colleges of the University.

Graduation requirements, including but not limited to: general education, secondary academic program, minor(s), concentration(s), and option(s), are specified in the university catalog issued in the academic year of the student’s most recent admission or readmission as a degree seeking student. When a student changes colleges at ONU the new college will determine the catalog to be in effect for the student.

A student can complete a secondary academic program and/or minor(s) and/or concentrations and/or option(s) added to the University’s curriculum in catalogs subsequent to his/her admission as a degree seeking student.

A student can make an irrevocable request in writing to change the catalog used to determine his/her graduation requirements to a more recent catalog. Such a change requires the approval of the student’s academic department and college dean.

In order to qualify for graduation, an undergraduate student is required to submit a formal application for graduation to the Office of the Registrar. Applications for graduation should be submitted two semesters prior to the completion of the advance registration period for the semester before the end of either fall or spring semesters must be received by the Office of the Registrar by the Friday of final examinations week of the appropriate degree.

Any transfer work needed to complete requirements for graduation at the end of either fall or spring semesters must be received by the Office of the Registrar by the Friday of final examinations week of the appropriate term. For graduation at the end of the summer session, records of transfer work must be received by the Office of the Registrar by the Friday of the last week of classes in the summer term.

A student is required to have a minimum of a 2.00 cumulative average in addition to meeting other requirements before qualifying for the appropriate degree.

Commencement is held once a year at the conclusion of spring semester in separate ceremonies. Spring semester graduates must participate in commencement. All participants must have completed all graduation requirements and wear the traditional cap and gown. Graduates from the previous summer and fall terms are invited to participate in the spring commencement and must notify the Office of the Registrar at least one month in advance of their plan to participate in the commencement. The University confers degrees at the end of the semester after completion by the student of all graduation requirements.

In order to be eligible for a degree from Ohio Northern University, a student must register for and successfully complete at least 25% of the course requirements for that degree at Ohio Northern University. The last 30 semester hours for the degree must be completed at Ohio Northern University (ONU on-line courses, co-ops, internships, etc. are included). To complete a major, minor, or option for a degree from Ohio Northern University, a student must complete at least 25% of the course requirements for the major, minor, or option at Ohio Northern University.

To receive a degree a student must meet all requirements which the faculty of the college may determine and receive the approval of the University faculty for the awarding of the degree. Substitutions in college requirements for graduation may be approved by the appropriate department or college dean’s office.

Secondary academic program majors, minors, concentrations and options for which the student has applied and for which he or she is eligible are awarded at the time of awarding of the degree.

Graduation with Distinction

The University recognizes, confers at graduation, and records on the diploma three classes of senior honors: cum laude, awarded to undergraduate, MPPA, and pharmacy students with a cumulative grade point average of at least 3.5; magna cum laude, awarded to students with a cumulative point average of at least 3.7; and summa cum laude, awarded to students with an accumulated grade point average of at least 3.9. A student must complete at least 30 hours of graded courses at Ohio Northern to qualify for graduation with distinction. This policy does not apply to the College of Law.

Transcripts of Academic Record

The University offers online transcript ordering through the National Student Clearinghouse (NSC), a non-profit organization serving the higher education community. Requests may be made to NSC via Self-Service Banner. Two to five working days should be allowed for processing transcript requests. Special handling will be granted upon request, at the registrar’s office, with prepayment of the appropriate fee.

Ohio Northern University has published regulations designed to protect the privacy of students by the University. Copies of the University policy may be obtained from the offices of the University registrar and the dean of student services or on the Web at www.onu.edu/registrar

Graduate Placement

The University assists its graduates with identifying career opportunities and helping them develop professional networking materials and skills. These services are available to seniors and alumni and are free of charge.

Seniors planning to continue their education are advised to research their potential graduate programs to ascertain the graduate entrance examination required. Several of these exams are administered on campus.

Summer Session

The summer session includes courses for regular college students, academically talented high school students who have completed their junior year, and adults who may wish to study for professional advancement or cultural enjoyment.

Degree/Enrollment Verification

The National Student Clearinghouse is Ohio Northern University’s authorized agent for providing degree verifications for graduates and enrollment verification for current students. Ohio Northern University submits data electronically to the National Student Clearinghouse (NSC), and in compliance with FERPA, the Clearinghouse dispenses the information electronically to lending institutions, background investigation firms, prospective employers, and credit granting agencies.

Ohio Northern University reports enrollment and expected graduation dates to the NSC every 30 days, and awarded degrees are reported after each semester. Students are strongly encouraged to contact their lenders and/or insurance agents to determine continued eligibility before dropping/withdrawing from classes and decreasing their enrollment status to below full-time.
University Academic Programs

ENGLISH LANGUAGE PROGRAMS

W. Trudeau (Exec. Dir./Dept. Head), M. Pitts (Dir. International Scholar Transition Program), N. Mills (Dir. Intensive English Program), A. Smith, (Instructor ELP), J. Smith (Instructor ELP).

Mission and Overview:

English Language Programs serves the needs of second language English learners at Ohio Northern University. The focus of ELP is language learners seeking English proficiency for the purpose of successful academic study at a high quality, American university with both U.S. and International faculty.

Each component of the ELP is directed toward a specific goal: The International Scholar Transition Program (ISTP) is for students whose English and academic skills are mature but need further development and support while beginning academic study at a high standards university. The Intensive English Program is for students who need significant work in English before beginning academic studies or engaging effectively in an English speaking country.

INTENSIVE ENGLISH PROGRAM

The Intensive English Program provides academic English literacy skills to students whose TOEFL iBT score is less than 54 or whose language assessment subscores indicate deficiencies preventing success in the ISTP Program. IEP students may be conditionally admitted to a degree program and will gain full admission to that program after successfully meeting the program’s standards for English competency or successfully entering the ISTP Program following the IEP. Students may also be admitted to the IEP as Special Admissions without conditional admission to a university degree program.

Students beginning the five-level Intensive English Program study at least one year, including a summer term, before moving on to ISTP. Students entering at higher than the first level may complete in less time. Level and courses are decided after students complete an English placement test during International Student orientation immediately prior to the term. Once enrolled, progress through the IEP depends on successful completion (grade of C+ or better) of each level before advancing to work at a higher level. Progress is from level to level; students may not take courses outside their level and IEP students may not enroll in academic courses outside the IEP.

IEP courses are repeatable. They can be taken more than once and each grade is recorded, with the most recent grade computed into the GPA. Sometimes a single course has students at different levels with special content to meet student language abilities. Content-Based instruction and Integrated Skills courses may include students from different levels; each student learning material at his or her level related to his or her major. Some courses have specific prerequisites; for all levels, successful completion of a lower level (C+ average or better) is required to enroll in courses at a higher level.

Subject - English for Academic Purposes (EAP) courses

EAP 0111-L1 Listening/L1 Speaking
2 Credits
Beginning level students are introduced to simple language and essential contexts in which they are equipped with the basic information necessary to survive in the English speaking culture of America. The students not only learn vocabulary and stock phrases, but they participate in contexts where written language is necessary, such as classroom instruction. Additionally, introduction to interpretation of schedules, charts and graphs will be instructed. By the end of the term, students gain confidence with the English language by developing their foundational reading strategies and survival vocabulary. Students must achieve the qualifying score on the IEP Placement Exam.

EAP 0141-L1 Writing
2 Credits
This beginner-level course emphasizes fundamental writing skills including application of alphabet, spelling, and simple sentence structure. Knowledge of compound sentences will be introduced as well as introduction to punctuation. Students must achieve the qualifying score on the IEP Placement Exam.

EAP 0151-L1 Grammar
2 Credits
This beginner grammar course enhances a student’s grammatical knowledge of the simple present, BE-verb, parts of speech, subject/object pronouns, article forms, and modals of ability. Students will identify the form of simple past, present progressive, future verbs, and Quantity expressions. Generalizations and measurement words will be introduced. This course parallels to other skill areas of the same level to promote communicative usage of grammar. Students must achieve the qualifying score on the IEP Placement Exam.

EAP 0161-Entry Orientation
2 Credits
This course is for students new to Ohio Northern University. It focuses on creative and practical English necessary for survival in this English language university setting. Learners also focus on life-skill themes and the language skills required to improve confidence, and interact successfully. They learn creative dialogues necessary for restaurants, doctor’s offices, hair salons and the like. Students take this course at their entry level, with outcomes appropriate to language skills.

EAP 0191-L1 Special Topics
1 to 2 Credits
From time to time, special topics in English will be added to the schedule: pronunciation, orthography, spelling or content-based language instruction. Special topics may be added to the term curriculum and required of all students at Level 1, or may be substituted for another course at Level 1. Must be enrolled in one of the following Departments: Intensive English Program. This course may be repeated 4 times.

EAP 0211-L2 Listening
2 Credits
This high-beginning course requires proficiency in discriminating sounds within words and words within phrases. Students master understanding and responding to simple questions, directions and classroom instructions. They are introduced to stress, rhythm and intonation as markers of meaning by listening to common dialogues in university and social contexts, and learn to identify main ideas and details. Prerequisite(s): EAP 0111. Minimum Grade of C.

EAP 0221-L2 Speaking
2 Credits
This high-beginning speaking course requires proficiency in basic sounds structures and soundletter correspondences, cardinal and ordinal enumerating and stock phrases for greetings and leavings, basic campus encounters such as library, registration and asking for clarification. Students will review campus interchanges such as buying books and asking about time and questions in university and social contexts. The basics of public speaking will be introduced, as will communicating main ideas, expressing opinions and giving directions. Students will practice intonation patterns and rhythm and blending in speech. Students must have met the qualifying score on the ESL Placement Exam or must have satisfied the pre-requisite listed. Prerequisite(s): EAP 0111. Minimum Grade of C.

EAP 0231-L2 Reading
2 Credits
This high-beginner level course requires students to be able to read basic classroom instructions, common stock phrases, and read basic charts and schedules. Students will be introduced to reading strategies such as, skimming and scanning, and to different language-learning resources. Students are expected to read extensively. Student will participate in regular timed-readings. By the end of the term, students will be able to increase reading speed and understand and recognize expanded vocabulary. Prerequisite(s): EAP 0131.
EAP 0241-L2 Writing
2 Credits
This high beginner level course requires students to compose simple sentences and basic survival writing tasks. Students will be introduced to the writing process as well as organize basic information into paragraphs. Students are expected to connect ideas in writing to create cohesion while mastering simple, compound and complex sentence structures. Students will participate in regular timed-writings and practice revision and editing strategies. By the end of the term, students will be able to apply basic formatting to paragraphs. Submission of a one-typed paragraph and one-hand written paragraph is expected for the student file. Prerequisite(s): EAP 0141. Minimum Grade of C.

EAP 0251-L2 Grammar
2 Credits
This high-beginner grammar course requires proficiency in the simple present, BE-verb, parts of speech, subject/object pronouns, article forms, and modals of ability. This course enhances a student’s grammatical knowledge of verb tense, modals and simple sentence structure. Simple past, present progressive and future verbs will be introduced, as well as IF-clauses for the future, compound sentences, Quantity expressions, possessives and imperatives. This course parallels to other skill areas of the same level to promote communicative usage of grammar. Prerequisite(s): EAP 0151. Minimum Grade of C.

EAP 0291-L2 Special Topics
1 to 2 Credits
From time to time, special topics in English will be added to the schedule: pronunciation, orthography, spelling or content-based language instruction. Special topics may be added to the term curriculum and required of all students at Level 2, or may be substituted for another course at Level 2. Must be enrolled in one of the following Departments: Intensive English Program. This course may be repeated 4 times. This course is repeatable for a total of 8 hours.

EAP 0311-L3 Listening
2 Credits
This low-intermediate course requires proficiency in understanding and responding to simple questions, directions and classroom instructions. Students master basic suffix pronunciation, such as -s and -ed endings and expand the ability to distinguish main ideas and details from lectures as well as knowledge of stress, rhythm and intonation patterns. Students are introduced to discriminating between formal and informal language use, making predictions and inferring intent in listening. Prerequisite(s): EAP 0211. Minimum Grade of C.

EAP 0321-L3 Speaking
2 Credits
This low-intermediate course requires proficiency in basic campus interchanges and interacting in university and social contexts. The course will expand the students’ ability to interact in social and academic settings, including class presentations using visual aids. Students will practice signaling main ideas in a presentation, main supporting ideas, and summarizing and telling about an experience. Students will be introduced to classroom discussion models and will practice discussion strategies in class. They will master production of plural and past endings of nouns and verbs. Prerequisite(s): EAP 0221. Minimum Grade of C.

EAP 0331-L3 Reading
2 Credits
This low-intermediate level course requires students to be able to skim and scan reading text for main ideas and targeted information. Students will be introduced to varying rhetorical styles and vocabulary skills needed to infer meaning of confusing words. Introduction to appropriate text selection will be instructed. Students are expected to apply reading strategies to intensive and extensive reading. Students will participate in regular timed-readings. By the end of the term, students will be able to increase reading speed and apply vocabulary. Prerequisite(s): EAP 0231. Minimum Grade of C.

EAP 0341-L3 Writing
2 Credits
This low-intermediate level course requires students to be able to organize information into paragraphs while practicing the steps of the writing process. Students completing this course will examine and compose four varying rhetorical styles. Students will participate in regular timed-writings. This course will focus on revision and editing strategies and fluency in writing. Students will master paragraph writing and will submit a one-typed paragraph and one-hand written paragraph for the student file. Prerequisite(s): EAP 0241. Minimum Grade of C.

EAP 0351-L3 Grammar
2 Credits
This low-intermediate level course requires students to have proficiency in simple past, modals of advice, request and permission, parts of speech with respect to adverbs and adjectives, and coordinating conjunctions in compound sentences. This course enhances a student’s grammatical knowledge of the differences between similar verb forms, modals, compound sentences and articles. Transitivity of phrasal verbs, gerunds and infinitives, present perfect and irregular past participles will be introduced as well as the comparative and superlative structures. This course parallels to other skill areas of the same level to promote communicative usage of grammar. Prerequisite(s): EAP 0251. Minimum Grade of C.

EAP 0361-American Culture
2 Credits
This course focuses on developing one’s understanding of American culture and increases awareness of ones identity within American Culture. Readings about distinct aspects of American Culture will be included and enhanced by group discussions. Weekly labs require students to do field work in observing local culture from a firsthand perspective. The culminating project is a student for instructors and staff in which the students compare American culture with their home culture.

EAP 0391-L3 Special Topics
1 to 2 Credits
From time to time, special topics in English will be added to the schedule: pronunciation, orthography, spelling or content-based language instruction. Special topics may be added to the term curriculum and required of all students at Level 3, or may be substituted for another course at Level 3. Must be enrolled in one of the following Departments: Intensive English Program. This course may be repeated 4 times. This course is repeatable for a total of 8 hours.

EAP 0411-L4 Listening
2 Credits
This intermediate course requires proficiency in distinguishing main ideas and details from lectures, recognizing the organization of short academic lectures, and pronunciation of basic suffixes. Students will master distinguishing main from supporting ideas in lectures, recognizing organization markers for important ideas, and are introduced to presentation and small group discussion participation. Students learn to access body language and speaker’s intent. Students also practice outlining, using common symbols to facilitate note-taking and learn to distinguish fact from opinion. Prerequisite(s): EAP 0311. Minimum Grade of C.

EAP 0421-L4 Speaking
2 Credits
This intermediate course requires proficiency in basic communications, communicating main and supporting ideas in formal presentations, and summarizing experiences. Students review presentation methodologies and develop the ability to make longer and more extensive presentations, with supporting visuals and handouts. They review discussion formats while developing the ability to give feedback and reach consensus on an issue. Students are introduced to interviewing and reporting techniques and enhance their ability to use stress to signal focus words, important phrases and distinguish homonyms with different stress patterns. Prerequisite(s): EAP 0321. Minimum Grade of C.

EAP 0431-L4 Reading
2 Credits
This intermediate level course requires students not only to skim and scan reading text for main ideas and details, but also for development, purpose, and important ideas. Students are introduced to different academic rhetorical styles as well as expand vocabulary using learned skills. Mastery of dictionary and thesaurus are stressed in this level. Students are expected to apply reading strategies to intensive and extensive reading and will participate in regular timed-readings. By the end of the term, students will be able to increase reading speed and apply vocabulary learned by way of study of stems and affixes. Prerequisite(s): EAP 0331. Minimum Grade of C.
EAP 0441-L4 Writing  
2 Credits  
This intermediate level course requires students to compose a paragraph and demonstrate a fluency in writing. This course will introduce students to three body paragraph essay writing by exposing students to varying model essays. Students apply writing techniques, practice revision and editing strategies, and apply formatting to essays. Students are introduced to research practice and methods to identify reliable sources. Students participate in regular timed writings and students completing the term will submit a one typed 3-body paragraphs essay and one hand-written 3-body paragraphs essay for the student file. Prerequisite(s): EAP 0341. Minimum Grade of C.

EAP 0451-L4 Grammar  
2 Credits  
This intermediate level course requires students to have proficiency in simple and compound sentences, past participles, present perfect, modals of desire and preference, and transitive and intransitive phrasal verbs. This course enhances a student’s grammatical knowledge of phrasal verbs, modals, gerunds and infinitives. Passive voice, adjective and adverb clauses in complex sentences and past perfect will be introduced. This course parallels to other skill areas of the same level to promote communicative usage of grammar. Prerequisite(s): EAP 0351. Minimum Grade of C.

EAP 0461-Testing Strategies  
2 Credits  
This course provides practice in the type of exercises encountered on the TOEFL, IELTS, MELICET and similar language assessment tests. Test strategies, useful not only for the proficiency test but also for success in academic courses, are also taught. Students become familiar with common topics covered on the tests. Practice test portions and entire practice tests are administered and progress recorded.

EAP 0471-L4 Content-based Instruction  
2 Credits  
This intermediate level course integrates the learning of language skills with the mastery of academic content in a specific area of study. Students use the study of academic, often core content or major area of study, to increase vocabulary, knowledge of language use in classroom settings, and interactive language skills. Language skill enhancement occurs through note-taking, dialogue, presentation skills, test-taking and the writing of academic papers. At Level 4, the coursework must be applicable or adaptable to the language skills.

EAP 0481-L4 Integrated Skills  
2 Credits  
This intermediate level course requires students to be able to utilize all language skills: reading, writing, listening, and speaking, within a single setting and theme. Students are expected to utilize knowledge of grammar to edit and revise written work and learn strategies to continue language development through academic classes. Students are expected to work with authentic materials such as articles, podcasts, newscasts, documentaries or interviews. By the end of the term, students will be able to give thoughtful responses in writing and through discussion or presentation to the ideas presented in the authentic materials.

EAP 0491-L4 Special Topics  
1 to 2 Credits  
From time to time, special topics in English will be added to the schedule: pronunciation, orthography, spelling or content-based language instruction. Special topics may be added to the term curriculum and required of all students at Level 4, or may be substituted for another course at Level 4. Must be enrolled in one of the following Departments: Intensive English Program. This course may be repeated 4 times. This course is repeatable for a total of 8 hours.

EAP 0511-L5 Listening  
2 Credits  
This high intermediate course requires proficiency in distinguishing main from supporting ideas in lectures, and in recognizing organization markers for important ideas. Students develop the ability to understand and outline short academic lectures, distinguish topics, subtopics and supporting structures, and gain mastery of non-verbal and pronunciation/intonation markers that signal important information. They learn to evaluate peer presentations and discussions and are introduced to debating. Prerequisite(s): EAP 0411. Minimum Grade of C.

EAP 0521-L5 Speaking  
2 Credits  
This high-intermediate course helps students improve fluency in spoken English. It requires proficiency in presentation and discussion skills and in communicating important and supporting ideas. Students practice longer presentations and interviews and develop feedback models both for self-evaluation and for evaluation of others’ presentations. They are introduced to debate models and practice debating in class, with focus on expressing disagreement and supporting claims. Prerequisite(s): EAP 0421. Minimum Grade of C.

EAP 0531-L5 Reading  
2 Credits  
This high intermediate class requires students to apply learned reading and vocabulary strategies for further academic preparation and readiness. Students are introduced to academic journals and online scholarly publications. Additionally, students will be introduced to understanding author’s tone and purpose. Students participate in regular times readings with comprehension questions. By the end of the term, students demonstrate a mastery of reading skills and familiarity with academic genres. Prerequisite(s): EAP 0431. Minimum Grade of C.

EAP 0541-L5 Writing  
2 Credits  
This high intermediate level course requires students to be able to compose a three body paragraphs essay and demonstrate a fluency in writing. Students connect ideas in writing while applying steps of the writing process, editing strategies, and basic formatting to essays. Students are introduced to a five body paragraphs writing with a mastery of introduction, body and concluding paragraphs. Students incorporate research practices into four varying rhetoric styles. Students completing this term participate in regular timed writings and submit onem typed five body paragraphs essay and one hand written five body essay for inclusion in the student file. Prerequisite(s): EAP 0441. Minimum Grade of C.

EAP 0551-L5 Grammar  
2 Credits  
This high intermediate level course requires students to have proficiency in present and past perfect tenses, of active and passive voices, of modals of logic, conclusion, suggestion and lack of necessity, of gerunds and infinitives, and complex sentences. This course enhances students’ grammatical knowledge of noun clauses in complex sentence, gerunds, infinitives and phrasal verbs. Perfect progressive, future perfect and IF-conditions are introduced. This course parallels to other skill areas of the same level to promote communicative usage of grammar. Prerequisite(s): EAP 0451. Minimum Grade of C.

EAP 0571-L5 Content-based Instruction  
2 Credits  
This high intermediate level course integrates the learning of language skills with the mastery of academic content in a specific area of study. Students use the study of an academic, often core content or major area of study to increase vocabulary, knowledge of language use in classroom settings, and interactive language skills. Language skill enhancement occurs through note-taking, dialogue, presentation skills, test-taking and the writing of academic papers. At Level 5, the coursework must be applicable or adaptable to the language skills outlined in the skill-based courses at this level. Topics or content area taught will vary each time the course is offered. At Level 5, the course is frequently taught using a content area instructor with support from an IEP instructor.

EAP 0581-L5 Integrated Skills  
2 Credits  
This high-intermediate level course requires students to utilize all language skills: reading, writing, listening, and speaking within a single setting and theme. Students are expected to utilize knowledge of grammar to edit and revise written work and to learn strategies to continue language development through academic classes. Students are expected to work with authentic materials such as articles, podcasts, newscasts, documentaries or interviews. By the end of the term, students will give thoughtful responses in writing and through discussion or presentation to the ideas presented in the authentic materials.
### UNIVERSITY ACADEMIC PROGRAMS

- **EAP 0611-L6 Listening and Speaking**
  - **4 Credits**
  - This gateway course is for completers of the Intensive English Program who need additional course-work before entering academic studies at the beginning of the following semester. This is a project-based course in which students practice, refine, and improve skills in listening and speaking. Competent completers of this course may advance directly to the second semester of ISTP Reading and Vocabulary, based on successful completion of Level 6 and TOEFL ITP reading sub-scores above 50. The project theme varies, but focus is on one or more specific projects utilizing extensive and intensive listening and speaking skills. Prerequisite(s): EAP 0511 Minimum Grade of C or EAP 0521 Minimum Grade of C. Corequisite(s): EAP 0631, EAP 0651.

- **EAP 0631-L6 Reading and Writing**
  - **4 Credits**
  - This gateway course is for completers of the Intensive English Program who need additional course-work before entering academic studies at the beginning of the following semester. This is a project-based course in which students practice, refine, and improve skills in English reading and writing. Competent completers of this course may advance directly to the second semester of ISTP Reading and Vocabulary, based on successful completion of Level 6 and TOEFL ITP reading sub-scores above 50. The project theme varies, but focus is on one or more specific projects utilizing extensive and intensive reading and writing skills. Prerequisite(s): EAP 0531 Minimum Grade of C or EAP 0541 Minimum Grade of C. Corequisite(s): EAP 0611, EAP 0651.

- **EAP 0651-L6 Grammar**
  - **1 Credit**
  - Grading mode is S/U
  - This grammar workshop offers support for students’ projects in Level 6 project-based coursework. Students focus on identifying knowledge gaps in grammar and practice self-editing skills in production of written and spoken English. They also focus on the grammar of authentic texts that parallel their assignments. The course is offered for groups of up to eight students. Prerequisite(s): EAP 0551 Minimum Grade of C or EAP 0541 Minimum Grade of C. Corequisite(s): EAP 0611, EAP 0631.

### INTERNATIONAL SCHOLAR TRANSITION PROGRAM (ISTP)

The International Scholar Transition Program provides International students holding a TOEFL score of 50-78 iBT with solid foundation in academic English and American academic culture through concurrent enrollment in general education and composition courses. The Transition Program facilitates advancement of academic English skills for study in students’ respective majors. All courses carry academic credit and fulfill degree requirements or elective credits towards graduation.

- **Applicants with iBT scores in this range are admitted to the International Scholar Transition Program for full time study over one or two semesters. Non-ISTP courses are chosen in consultation with advisors in the student’s major. By university policy, all students whose first language is not English, including non-ISTP students, enroll in the College Composition courses. Students who remain in the ISTP for a full academic year, earning 2.0 or better in all ISTP and academic courses, and demonstrating English proficiency with an Institutional TOEFL (ITP) score greater than 500 (no sub-scores below 50) are eligible for full time academic study. The ISTP must be completed before registration in courses numbered 3000 or greater. Earlier graduation from the Program requires meeting the admission standards for English proficiency (79 on the iBT with matching sub-scores; 6.0 on the IELTS with no sub-score below 5.5). Students meeting English proficiency levels while enrolled in the Transition Program must complete ISTP courses with a 2.0 or better entering full time regular academic study the following semester. Students receiving less than 2.0 in any ISTP course must repeat that course with a passing score.**

### Subject - International Scholar Transition Program (ISTP)

- **ISTP 1111-L6 Listening & Speaking 1**
  - **6 Credits**
  - This course develops listening and speaking skills for academic purposes for students with minimum TOEFL ITP Section 1 sub-scores of 46 or equivalent. Listening strategies to strengthen comprehension of academic lectures and introduction to effective note-taking. Additional focus on enhancing speaking skills, including pronunciation practice and role-play, as well as extensive individual and group presentation and class discussions. Concurrent registration in ENGL 1411, 1511, 1421, or 1521 is expected. Formerly known as BRDG 1201.

- **ISTP 1111-Reading and Vocabulary 1**
  - **4 Credits**
  - This course develops reading and vocabulary skills for academic purposes for students with minimum TOEFL ITP Section 1 sub-scores of 46 or equivalent. Students review and demonstrate ability to predict content, identify main and supporting ideas and details, and make inferences when reading academic texts. Students will also expand and apply academic vocabulary, while increasing reading speed and comprehension. Concurrent registration in ENGL 1411, 1511, 1421, or 1521, is expected. Formerly known as BRDG 1101.

- **ISTP 1191-Special Topics**
  - **3 to 6 Credits**
  - This course may be repeated 4 times. This course is repeatable for a total of 12 hours.

- **ISTP 1211-Learning and Speaking 2**
  - **6 Credits**
  - This course develops advanced listening and speaking skills for academic purposes for students with minimum TOEFL ITP Section 1 sub-scores of 50 or equivalent. Further development of listening strategies to optimize comprehension of complex academic lectures and discussion, as well as more sophisticated note-taking. Additional focus on enhancing speaking skills, including pronunciation practice and role-play, in-depth class discussion, as well as extensive individual and group presentation. Concurrent registration in ENGL 1411, 1511, 1421, or 1521 is expected. Formerly known as BRDG 1221. Students must have taken one of the prerequisite courses or have permission of the ISTP Director. Prerequisite(s): BRDG 1201 Minimum Grade of C or ISTP 1111 Minimum Grade of C.

### COLLEGE COMPOSITION PROGRAM

The Department of English provides instruction for international students in the area of college composition. There are two series of courses available for international students, which when completed are equivalent to the Writing Seminar ENGL 1221. ENGL 1411 and 1421, are equivalent to ENGL 1221. ENGL 1511 and ENGL 1521 are equivalent to ENGL 1221. The two series have been designed to meet the needs of second language English learners, while still addressing the development of college composition skills. A description of these courses is located in the College of Arts & Sciences section of the catalog, under the Department of English.

### UNIVERSITY COURSES

- **Subject - General Education course**

- **EXDS 2001-Extra-disciplinary Seminar**
  - **3 Credits**
  - This course expands a student’s experience beyond the major by exploring a common theme from other perspectives. Each instructor will develop a unique course that reflects the common theme. This course is a requirement of the university general education program, and is intended to be completed in the sophomore or junior year. Students must take a section offered by a faculty member outside their college. In the case of students in the College of Arts and Sciences, they must enroll in a section offered outside their division. May not be enrolled in one of the following Classifications: Freshman.
Subject - Varsity Sports (VARS)

VARS 1001-Cross Country (Men) - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 1011-Cross Country (Women) - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 1021-Football - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 1031-Soccer (Men) - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 1041-Soccer (Women) - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 1051-Volleyball - Varsity
1 Credit Grading mode is S/U
Offered fall semester. This course may be repeated 4 times.

VARS 2001-Basketball (Men) - Varsity
0 or 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2011-Basketball (Women) - Varsity
0 to 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2021-Indoor Track (Men) - Varsity
0 to 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2031-Indoor Track (Women) - Varsity
0 or 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2041-Swimming & Diving (Men) - Varsity
0 or 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2051-Swimming & Diving (Women) - Varsity
0 or 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 2061-Wrestling - Varsity
0 or 1 Credits Grading mode is S/U
Offered fall and spring semesters. This course may be repeated 8 times.

VARS 3001-Baseball - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3011-Golf (Men) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3021-Golf (Women) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3031-Outdoor Track (Men) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3041-Outdoor Track (Women) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3051-Softball - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3061-Tennis (Men) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

VARS 3071-Tennis (Women) - Varsity
1 Credit Grading mode is S/U
Offered spring semester. This course may be repeated 4 times.

HONORS PROGRAM

Mission Statement The Ohio Northern University Honors Program, consistent with the University’s Mission Statement, has been established to stimulate highly qualified students who are capable of meeting academic challenges and who choose to do so. Students are encouraged to develop their full intellectual potential within a continuing community of scholarly excellence that offers exciting and enhanced varieties of academic experiences.

Objectives Honors Program experiences are designed to nurture students’ curiosity, their written and oral communication skills, and their leadership capabilities as well as to provide an opportunity for students to be more actively involved in their education.

Admission Upon acceptance at Ohio Northern, students with an ACT composite of 29 or higher (or equivalent SAT score) may apply to enter the Honors Program. Enrolled students who complete their first academic semester with a GPA of 3.50 or higher also may apply if space is available. Completion of the requirements of the Honors Program are the same regardless of time of entry.

An application to the Honors Program will include an essay that supports acceptance into the Program. Acceptance into the Honors Program is highly competitive.

Program Requirements The Honors Program consists of the Honors Program Orientation and three additional Honors Seminars (10 credit hours total); two Contract Courses done in conjunction with classes at the 3000-level or above (each class at least 3 credits); and a final Honors Capstone Enhancement. The Honors Seminars may be used to replace University General Education, college, major, or other requirements, as determined by University/department/college faculties.

To remain active in the Honors Program, students must have a cumulative GPA of 3.00 or better at the end of their second semester and a cumulative GPA of 3.20 or better at the end of their fourth semester at ONU. A student whose cumulative GPA is below 3.30 at the end of a sixth semester of enrollment will not be permitted to complete the Honors Program.

Students in the Honors Program are required to attend at least three Honors Capstone Enhancement public presentations each academic year.

Program Specifics Honors Seminars have an enrollment limit of 15. Students not in the Honors Program may enroll in an Honors Seminar on a space available basis upon approval of the instructor. However, only Honors Program students may enroll in the Honors Program Orientation. With the approval of the Honors Program Committee, an Honors Seminar requirement can be fulfilled by contract.

Honors Seminars and the Honors Capstone Enhancement are graded on the A-F scale.

As stated above, to satisfy the program requirements, two existing courses at the 3000-level or higher must be completed with contracts. Contracts do not provide more credit hours for a course, but rather represent agreement on the part of the student to complete work in greater depth. Contract proposals are initiated by the student with guidance from the instructor, and a copy of the final contract is placed on file for review by the Honors Program Committee no later than the third week of the term of enrollment. With the approval of the Honors Program Committee, Contract Course requirements may also be fulfilled following up on a research experience for undergraduates (REU), study abroad, internship, co-op, practicum or service experience.

The Honors Capstone Enhancement builds on the department/college capstone. A Capstone Enhancement plan must be approved by the department/college and the Honors Program Committee. Each student must give an announced, public presentation of the completed Honors Capstone Enhancement.

Program Recognition as an Honors Program graduate requires satisfactory completion of the program requirements stated above. At Commencement, the Honors student will be recognized as an ONU Honors Program graduate. Diplomas and transcripts will identify completion of the Honors Program.
Program Administration  An Honors Program Committee with membership to include faculty from each of the undergraduate colleges and students in the Honors Program provides oversight to the Honors Program.

Subject - ONU Honors Program (HONR)

HONR 1001-Honors Program Orientation  
1 Credit Grading mode is S/U  
Facilitates the transition from high school to honors-level work through in-depth explorations of the general education of major-related themes discussed in the various college-specific Transitions Experience classes.

HONR 1221-Honors Writing Seminar  
3 Credits  
Introduction to college-level writing skills, including critical reading of challenging texts, advanced argumentation, researching and incorporating outside sources, and writing essays. Meets university first-year writing requirement. Course Attributes: Effective Communication Writing.

HONR 2001-Honors Extradisciplinary Seminar  
3 Credits  
Topics include but are not limited to: Minds and Computers, Encountering the Other; Innovation, Creativity, and the Entrepreneurial Mindset. Meets university extra-disciplinary seminar requirement. Must be enrolled in one of the following Fields of Study: Honors Program. This course may be repeated 2 times.

HONR 2011-Honors General Education Seminar  
3 Credits  
Topics include but are not limited to: Asian Studies, Corporate Culture, The Study of Human Language, Disease and Society, Energy Systems, Animatronics, Cryptography, and The Big Ideas in Physics. Will be tagged to meet a University General Education Outcome. This course may be repeated 2 times.

HONR 2021-Honors Cultural Understanding Seminar  
3 Credits  
Topics include but are not limited to: Theories of Human Nature, Prophets in the Ancient Near East, and Sub-Saharan West African Cultures as Portrayed in Film. This course may be repeated 1 time. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

HONR 2041-Honors Great Works Seminar  
3 Credits  
Reading and writing about significant works of literature. Topics include but are not limited to: Pushing the Boundaries-Exploration and Pioneering in the New World, The American Novel, Medieval Roots-Tolkien’s Lord of the Rings, Film Adaptation, and Medicine in Literature. Course Attributes: Humanities, Effective Communication Writing, Informed Responses-Aesthetics.

HONR 2261-Honors Nonverbal Communication Seminar  
3 Credits  
The multiple facets of communication that involve things other than actual words. How people communicate using the eyes, touch, the environment, time, space, color, smell and other nonverbal codes. Course Attributes: Communication Studies, Effective Communication Non-Writing.

HONR 2401-Honors Professional Ethics Seminar  
3 Credits  
Major ethical theories and their application to professions and topics that arise in the professional setting. The role of institutions in ethical theory, the nature of professions, and responsibilities to clients and the public. Course Attributes: Humanities, Informed Ethical Responses.

HONR 3011-Honors Advanced Seminar  
3 Credits  
Topics include but are not limited to: History of American Popular Culture, The Witch Hunt 1450-1700. This course may be repeated 1 time.

HONR 3801-Honors Experiential Contract  
0 Credits Grading mode is S/U  
Work done under supervision of ONU Faculty following up on a research experience for undergraduates (REU), study abroad, internship, co-op, practicum, or service experience. This course may be repeated 1 time.

HONR 3991-Honors Capstone Enhancement Research  
1 to 3 Credits Grading mode is S/U  
Research for the Honors Capstone Enhancement. This course may be repeated 1 time.

HONR 4001-Honors Capstone Enhancement  
1 Credit  
Final version of the Honors Capstone Enhancement and oral presentation.

ROTC  
(Reserve Officer Training Corps)

AIR FORCE ROTC  
The Air Force Reserve Officers Training Corps (AFROTC) program, offered by the Department of Aerospace Studies on the Bowling Green State University campuses, provides college-level education to prepare interested men and women for commissioning as second lieutenants in the United States Air Force. The program emphasizes the development of each student’s sense of personal integrity, honor, individual responsibility and potential as a leader and manager.

The AFROTC program consists of a General Military Course (GMC) offered to freshmen and sophomores; and a Professional Officer Course (POC) offered to selected juniors and seniors. Admission to the GMC is open to most U.S. citizens, male and female, over the age of 14. The student must be enrolled full-time in the university and registered for a minimum of 12 academic hours. The student spends one hour per week in AFROTC courses. Uniforms and AFROTC textbooks are provided without cost while the student is enrolled in the GMC. Enrollment of foreign students is governed by Air Force regulations.

Admission to the POC is on a competitive basis for those students who successfully complete the GMC. At a minimum, requirements for selection to the POC include successful completion of a four-week summer field training camp and an Air Force medical examination. The student must be of high moral character and demonstrate outstanding leadership potential. The student spends three hours per week in AFROTC courses. While enrolled in the POC, students receive up to $450-$550 per academic month (tax-free) in stipend as well as uniforms. Enrollment of foreign students is governed by Air Force regulations.

For both GMC and POC, students will be required to attend weekly physical training (three times per week) and leadership lab (2 hours per week). AFROTC leadership training activities are a part of each course and offer opportunities for practical leadership and teambuilding training and experience in a supervised environment. Students may also be eligible for different types of AFROTC scholarships. If available, scholarships may provide up to full college tuition, required fees, textbooks, and a monthly stipend.

Students who successfully complete the AFROTC program and graduates from the University are commissioned as second lieutenants in the active duty U.S. Air Force. Commitment incurred is normally four years; however, students designated for pilot or navigator training will serve a longer commitment, based on the current Air Force requirements.

For additional information, contact AFROTC, Bowling Green State University, 419-372-2176, email det620@bgsu.edu

DEPARTMENT OF AEROSPACE STUDIES  
Subject - Aerospace Studies (AERO)

A TOTAL OF FOUR CREDITS EARNED IN AIR FORCE ROTC MAY COUNT TOWARD THE 120 SEMESTER HOURS NEEDED FOR GRADUATION IN THE COLLEGE OF ARTS & SCIENCES
AERO 1110-Air Force Organization 1
2 Credits
Organization of the United States Air Force. Focus on missions involving airlift forces, strategic forces, tactical forces as well as overseas forces. Development and employment of weapons systems and logistic support functions. Leadership laboratory activities. Offered fall semester.

AERO 1120-Air Force Organization 2
2 Credits
Organization of the United States Air Force. Focus on U.S. Defense policies, military balance between U.S. and eastern European forces as well as capabilities of Army, Navy and Reserve/Guard forces. Officer/ship/professionalism and introduction to flight. Leadership laboratory activities. Offered spring semester.

AERO 2110-Air Force History 1
2 Credits
Development of air power from the first lighter-than-air vehicles through the establishment of the Department of the Air Force as an independent military force. Various concepts of employment of air power and factors which have prompted research and technological change. Examples of impact of air power on strategic thought. Leadership laboratory activities. Offered fall semester.

AERO 2120-Air Force History 2
2 Credits
Development of air power since the establishment of the independent Air Force to the present. Various concepts of employment of air power and factors which have prompted research and technological change. Examples of impact of air power on strategic thought. Leadership laboratory activities. Offered spring semester.

AERO 3110-Air Force Management 1
3 Credits
Integrated management course emphasizing individual as a leader in the Air Force. Human behavior, individual and in groups, historical development of management thought, discussion of classical leadership theory, oral and written communication, military writing and briefing formats. Leadership laboratory activities. Offered fall semester. Course Attributes: Requires Department Approval.

AERO 3120-Air Force Management 2
3 Credits
Continuation of AERO 3110. Air Force leadership, planning, organizing, coordinating, directing and controlling functions of management with emphasis on Air Force application, concept of command and staff, junior officer as administrative leader, Air Force personnel system, management of change, managerial strategy in changing environment. Leadership laboratory activities. Offered spring semester.

AERO 4110-American National Security 1
3 Credits
Role of the President, the Congress and National Security Council in national security policy making; American defense strategy; alliances; regional security; arms control. Leadership laboratory activities. Offered fall semester. Course Attributes: Requires Department Approval.

AERO 4120-American National Security 2
3 Credits
Air Force Officer as part of national security forces; military law; laws of armed conflict; the military profession; transition to military life; relations with civilian community. Leadership laboratory activities. Offered spring semester.

ARMY ROTC
Army ROTC is offered to students at Bowling Green State University (BGSU).

Students interested in attending Army ROTC courses at BGSU should contact the Recruiting Operations Officer at 419-372-9968 or go to: http://www.bgsu.edu/departments/mils

Students wishing to enroll in the BGSU Army ROTC courses should plan on attending classes in Bowling Green on Thursdays from 3 to 5:30 p.m. Students should enroll through ONU’s course request system.

For more information, contact BGSU ROTC at 419-372-2476 or the Recruiting Operations Officer at 419-372-9968, email det620@bgsu.edu

DEPARTMENT OF ARMY ROTC
Subject - Army ROTC (ARMY)

A TOTAL OF FOUR CREDITS EARNED IN ARMY ROTC MAY COUNT TOWARD THE 120 SEMESTER HOURS NEEDED FOR GRADUATION IN THE COLLEGE OF ARTS & SCIENCES

ARMY 1000-Lifetime Leadership Skills
2 Credits
Skills needed to be successful in a wide range of environments to include academic, corporate and military. Subjects include but are not limited to time management, memory comprehension, effective and efficient reading and effective note taking. Extensive leadership studies of both corporate and military settings focuses on interpersonal skills, professional ethics and officer/ship. No military obligation or prerequisites.

ARMY 1010-ROTC and the National Defense Organization
2 Credits
Background, programs, benefits and objectives of Army ROTC. Organization and functions of national defense establishment, with emphasis on the role of the U.S. Army. Extensive discussion of the role and responsibility of the Army officer.

ARMY 2010-Leadership/Officership
2 Credits
Theoretical and practical leadership instruction. Examination of several aspects of communication and leadership concepts such as written and oral communication, effective listening, assertiveness, personality, adult development, motivation, and organizational culture and change. Emphasis on developing intellectual curiosity and clarifying practical applications.

ARMY 2020-Military Tactics
2 Credits
Army tactics, principles of engagement and usage of military maps. Simulation exercises and war games will be utilized in class highlighting military tactics. No military obligation.

ARMY 3010-Professionalism/Leadership
3 Credits
Professionalism and leadership required of the U.S. Army Officer; application of leadership principles and styles through case studies and role-playing exercises with emphasis on military situations. Participation in leadership labs, physical training program and field training exercises required. Requires completion of one of the following: ROTC basic course at BGSU; ROTC Basic Camp at Fort Knox, KY; prior active duty service; Army Reserve or Army National Guard basic training. Course Attributes: Requires Department Approval.

ARMY 3020-Small Unit Operations
3 Credits
Organization and employment of basic military teams. Squad and platoon-level tactical operations. Progressive leadership development through application of tactical principles. Participation in leadership labs, physical training program and field training exercises required.

ARMY 4010-Unit Management and Officer Development
3 Credits
Concepts and fundamentals of Army unit administration, supply and material readiness. Professional officer/ship techniques and military ethics. Management at the small unit level. Organizing, planning, and participating in field training exercises, participation in physical training and leadership labs. Course Attributes: Requires Department Approval.

ARMY 4020-Military Law & Leadership
3 Credits
Organization and concepts of the U.S. Army judicial system including court martial and punitive actions. Fundamentals of the military decision making process. Discussions of various administrative details pertinent to newly commissioned lieutenants. Participation in field training exercises, physical training and leadership labs.

ARMY 4700-Studies in Military Science
1 to 3 Credits
Offered on demand. Detailed study of selected military subjects. Offered on lecture basis in seminar or independent study depending on students’ needs and nature of material. This course is repeatable for a total of 6 hours. Course Attributes: Requires Instructor Approval.
Academic Divisions (Departments)

Education and Professional Studies (Education, Human Performance and Sport Sciences, Technological Studies)

Fine Arts (Art and Design, Music, Theatre Arts)

Endowed Chairs

The Eleanor H. and Robert W. Biggs Chair in Chemistry was established in 1992. The 2013-14 recipient is Dr. Bradley Wile.

The Eleanor H. and Robert W. Biggs Chair in the Arts was established in 1992. The 2013-14 recipient is Dr. Rebecca Casey.

The Eleanor H. and Robert W. Biggs Chair in Sciences was established in 1992. The 2013-14 recipient is Dr. Jay Mager.

The Wilfred E. Binkley Chair of History and Political Science, inaugurated in 1971, has been made possible by a grant from the Scaife Foundation of Pittsburgh. The 2013-14 recipient is Dr. John Lomax.

The Irene Castel Chair in Education, Professional and Social Sciences, was established in 1992 and funded by a bequest from Irene Castel in 1998. The 2013-14 recipient is Mr. Richard Miller.

The Mary Reichelderfer Chair in Mathematical Sciences was established in 1983 with funds from the estate of Mary K. Werkman. The recipient for 2013-14 is Dr. Kristo Boyadzhiev.

The Sara A. Ridenour Chair of Humanities was established in 1983 from funds provided by her daughter. The recipient for 2013-14 is Dr. Forrest Clingerman.

The Kernan Robson Chair of Government, inaugurated in 1972, has been made possible by a trust established by the late Kernan Robson. The 2013-14 recipient is Dr. Robert Alexander.

Mission Statement

The Getty College of Arts & Sciences provides a broad-based education that fosters innovative problem-solving skills and teaches students to become independent thinkers and life-long learners. Students interact in small class environments directly with faculty dedicated to excellence in teaching and scholarship. Rigorous programs of study in the liberal and fine arts, sciences, and pre-professional programs provide strong theoretical foundations. Practical experiences in unique and state-of-the-art facilities ensure that students are competitive and well prepared for graduate programs, professional studies, and employment.

Admission Standards

Candidates seeking admission to the College of Arts & Sciences are required to meet the general requirements for admission to the University. The College of Arts & Sciences accepts high school graduates and non-graduates who have 16 acceptable units. Twelve of these units are as follows: 4 units in English; 2 units in mathematics; 6 units in history, social studies, languages or natural sciences, or any combination thereof. Candidates are strongly encouraged to complete four years of a foreign language while in high school. Acceptable scores on the American College Test or the College Entrance Examination Board tests are expected of all candidates.

University General Education Framework

The purpose of the Ohio Northern University general education program is to cultivate undergraduate student abilities as specified by general education learning outcomes. General education is defined as the courses that a student takes to achieve a well-rounded education. A learning outcome is defined as a fundamental ability that a student develops through completion of his or her ONU educational experience. All undergraduate students must, regardless of major or degree and in addition to all other graduation requirements, complete the university general education program to graduate from Ohio Northern University.
Learning Outcomes
All undergraduates must complete the following University general education learning outcomes:
1. Effective communication (both written and non-written)
2. Critical and creative thinking
3. Scientific and quantitative literacy
4. An understanding of diverse cultures and their effects on human interaction
5. Integration of concepts across disciplines
6. Informed and ethical responses to personal, civic, and global needs
7. Informed responses to aesthetics in art or nature

To demonstrate that they have met the general education learning outcomes, students generate artifacts in courses tagged as meeting those outcomes. Students may take general education courses both within and outside of their major areas of study, but at least 50 percent of the artifacts a student generates must be produced in courses outside of the major department.

Transitions Experience (TREX 1001)
The transitions experience has the following attributes:
1. It facilitates the student's transition from high school to college life;
2. It is mandatory for all undergraduate students during their first semester of study;
3. It demonstrates ties between general education and the major or potential major;
4. It addresses, at minimum, the general education learning outcome of Critical and Creative Thinking;
5. The student shall place in his or her electronic portfolio qualifying artifacts completed for this course;
6. The student can receive credit only once for a transitions experience course;
7. It is designed and delivered by the individual colleges;
8. In the Colleges of business, engineering, and pharmacy, it may satisfy other degree requirements, but it will not satisfy any other degree requirements in the College of Arts & Sciences.

Writing Seminar (ENGL 1221)
The writing seminar has the following attributes:
1. It emphasizes English writing skills;
2. It is mandatory for all undergraduate students during their first year of study;
3. It addresses the general education learning outcome of Effective Communication (written);
4. The student shall place in his or her electronic portfolio one qualifying artifact completed for this course; and
5. It may satisfy other degree requirements established by the colleges.

Extra-disciplinary Seminar (EXDS 2001)
The extra-disciplinary seminar has the following attributes:
1. It expands a student's experience beyond the major by exploring from other disciplinary perspectives a common theme recommended by the General Education Committee and selected by the faculty;
2. Each extra-disciplinary seminar is uniquely developed by the instructor to reflect the common theme;
3. It is mandatory for all undergraduate students;
4. Students must enroll in an extra-disciplinary seminar located outside the student's own college or division;
5. Students may fulfill this requirement during the sophomore or junior year;
6. It addresses the general education learning outcome of Critical and Creative Thinking and one other general education learning outcome of the instructor's choice;
7. The student shall place in his or her electronic portfolio qualifying artifacts completed for this course; and
8. It may satisfy other degree requirements established by the colleges.

Senior Capstone Experience (4000-level)
Students graduating from the College of Arts & Sciences complete a Senior Capstone Experience, integrating concepts from their major course of study with skills developed through their general education coursework into a final project or activity. The exact nature of the capstone experience depends upon the specific departmental major; the requirement may be fulfilled by a variety of senior-level events such as seminars, research projects or papers, recitals, exhibitions, or practicums.
The capstone has the following additional attributes:
1. It is a high-impact educational activity that a student completes at or near the end of his or her academic program;
2. Normally two terms in length, the timing and location of capstone activities are flexible;
3. It is mandatory for all undergraduate students;
4. It addresses, at minimum, the general education learning outcomes of Effective Communication and Critical and Creative Thinking;
5. The student shall place in his or her electronic portfolio qualifying artifacts completed for this course;
6. The student shall engage in a substantial project determined by the department or college;
7. It may be interdisciplinary; and
8. It may satisfy other degree requirements established by the colleges.

Degree Requirements
The College of Arts & Sciences offers a variety of majors under the framework of six different degrees: BA, BFA, BM, BS, BSMLS, and BSN. All degree-seeking students in the College must meet the following distribution requirements. An approved Honors Seminar may fulfill a requirement listed below for any degree offered by the College of Arts & Sciences. For specific information, see the Office of the Dean.

Distribution Requirements
To ensure that Arts & Sciences undergraduate students achieve the breadth of a liberal arts education, all students must take courses in the following disciplinary areas. These courses may be tagged for one or more general education learning outcomes. The distribution requirements may be met by extra-disciplinary seminars as well as by courses in the major.

- Humanities: Three courses taken from different disciplines in philosophy, religion, history, or literature
- Fine Arts: One course taken from art, design, theatre arts (TADN, TADP, TAMT, or TATH), or music (MUSC) or four credit hours of a music ensemble (MUSE), a theatre arts practicum (TADN, TADP, TAMT, TATH), or dance (TADN

MUSE 1011  University Singers
MUSE 1021  Symphony Orchestra
MUSE 1031  Wind Orchestra
MUSE 1041  Symphonic Band
MUSE 1051  Marching Band
MUSE 1111  Opera Workshop
MUSE 1131  Chamber Singers
MUSE 1141  A Capella Ensembles
MUSE 1151  Women's Chorus
MUSE 1161  Men's Chorus
MUSE 1171  Jazz Ensemble
MUSE 1181  Steel Drum Band
MUSE 1191  Brass Ensemble
MUSE 1201  Percussion Ensemble
MUSE 1211  String Ensemble
MUSE 1221  Woodwind Ensemble
MUSE 1231  Athletic Band
MUSE 1241  Composer's Workshop Ensemble
MUSE 1251  Chamber Music
Or four credit hours of a single, continuing theatre arts practicum:
TADN 2601  Dance Practicum
TADP 2571  Shop Practicum
TADP 2651  Stage Management Practicum
TADP 2761  Production Practicum
TADP 3761  Advanced Production Practicum
TADP 3781  Design Practicum
Bachelor of Science

The following are the prescribed general education courses required of all students enrolled in a Bachelor of Science degree program. This degree is available to students in many of the majors within the College of Arts & Sciences. (See Completing a Major on page 36.) Specific requirements for the BS in Medical Laboratory Science and the BS in Nursing are listed under the Department of Biological and Allied Health Sciences and the Department of Nursing respectively.

University General Education Framework (See page 34.)

Distribution Requirements (See page 35.)

Additional Requirements for the BS Degree

One additional course in the natural sciences outside the department

One additional course in mathematics or statistics outside the department (students in all mathematics majors will take one additional course outside the major)

One additional course in the natural sciences or mathematics or statistics outside the department (Math Education majors will take one additional course outside the major. All other math majors will take a natural science course outside the department.)

Completing a Major

The degree candidate is required to complete in a logical sequence a major of not less than 30 semester hours. Students may be listed as majoring in general studies during their freshman and sophomore years, but they must select a distinct major with an appropriate degree by the start of their junior year of study. Students who have a particular interest in science may be listed as majoring in general science to insure an appropriate course selection in preparation for an eventual major in one of the basic or professional science programs. General science students should select a distinct major with an appropriate degree by the start of their sophomore year.

Candidates for a bachelor’s degree who expect to teach in the public school are required to satisfy professional education requirements. In some majors, areas of concentration requiring at least 18 semester hours are provided allowing the student to focus on a specific area within a major.

Students pursuing a dual major or secondary academic program in two departments within the College of Arts & Sciences are required to meet each department’s requirements for the major in that discipline.

The following major fields are offered for the bachelor’s degree in the College of Arts & Sciences:

The Bachelor of Science in Medical Laboratory Science and Bachelor of Science in Nursing Degree Programs

A candidate for the Bachelor of Science in Medical Laboratory Science degree must complete the clinical year as well as other prescribed requirements. (See page 49.) A candidate for the Bachelor of Science in Nursing degree must complete the Clinical Capstone as well as other requirements. (See page 123.)

Minors

A formal program of academic minors is available in several of the subject matter areas. Consult the chair of the department in question for specific procedural instructions. Minors require a minimum of 18 semester hours of approved courses, including some work above the 2000 level. Minors are for students who wish to pursue organized study in a discipline without completing a major.

Options

A specific program of academic options is available in conjunction with several of the majors in the college. Included are options in criminal justice (forensic science) for students majoring in biology or molecular biology, forensic science for students majoring in criminal justice, and pre-art therapy for students majoring in studio arts. The courses involved are listed under the department of the primary major. Accounting and business-related options are also available to all students in the College of Arts & Sciences. They are as follows:

Accounting Option

BIZ 2111 Financial Accounting Foundation for Bus. Plan. 3 hrs
BIZ 2121 Managerial Accounting Tools for Bus. Plan. 3 hrs

One of the following sequences:

ACCT 3011/3021 Intermediate Accounting 1 & 2 6 hrs
ACCT 3141/3151 Intermediate Managerial Accounting 1 & 2

Two additional 3000-/4000-level business courses approved by the department of the student’s major, at least one of which is an accounting course.

6 hrs

Business Option

BIZ 2111 Financial Accounting Foundations for Bus. Plan. 3 hrs
BIZ 2121 Managerial Accounting Tools for Bus. Plan. 3 hrs
BIZ 2131 Legal Environ. for Bus. Plan. 3 hrs

One of the following courses:

BIZ 2331 Behavioral Mgmt. for Bus. Plan. 3 hrs
BIZ 2511 Marketing for Bus. Plan. 3 hrs
BIZ 3621 Financial Analysis for Bus. Plan. 6 hrs

Two additional 3000-/4000-level business courses approved by the department of the student’s major.

6 hrs

An option requires a minimum of 18 semester hours in coursework related to a specified department or discipline, but its original conception and continued integrity as a dynamic program may come from a source external to that department or discipline. Students should consult the chair of their major department for specific procedural instructions on all options.

Dual Degree Programs

Information concerning dual degree programs involving the College of Arts & Sciences appears on page 20 of this catalog. Students may receive further details in the Office of the Dean of the College.

Teacher Education

Ohio Northern University is vitally concerned with preparing effective teachers. The Center for Teacher Education is nationally accredited by the Council for the Accreditation of Educator Preparation (CAEP). Programs are offered within the degree requirements in many departments.

Undergraduate students preparing to teach are expected to make formal application for admission into the teacher education program during the sophomore year. The exact semester of application depends on the licensure area. To be accepted, the student must have an overall cumulative grade point average of at least 2.50 with no grade less than "C" in specific professional education and basic requirement courses, achieve passing scores on the Core PRAXIS for Educators or equivalent, and meet other program requirements. The Center establishes additional policies for admission into the teacher education program and considers all applications for admission to the program.

Students with degrees from other accredited universities may pursue teacher licensure by completing the required professional education courses and content area courses required for their licensure area and passing appropriate state licensure exams and regulations.

Preprofessional Programs

Medical Sciences Programs

The Medical Sciences Advisory Committee oversees the advising of students in the areas of the medical sciences (pre-medicine, pre-dentistry, pre-veterinary medicine, etc.). The general objectives of the committee are to counsel students preparing for a career in the medical sciences, to serve as a source of information concerning preprofessional education in the medical sciences, and to serve as a source of recommendations to professional schools in the medical sciences.

The first year program usually includes biology, chemistry, English, and mathematics. After the first year, with the exceptions of organic chemistry and physics, the program is a function of the student’s choice of departmental major and the specific requirements of the professional program being pursued. For further information, contact Chair, Medical Sciences Advisory Committee.
Pre-art Therapy

The curriculum prepares students majoring in studio arts to develop a professional portfolio that demonstrates mastery of skill and knowledge necessary to enter graduate school (Master’s in Art Therapy). The option allows students the flexibility to minor in psychology.

Pre-law

Students in the pre-law program select a major and complete the necessary requirements like other students. The program is open to all students enrolled in any academic department of the Colleges of Arts & Sciences, Engineering, Pharmacy, or Business Administration. For additional information, see page 20.

Pre-occupational Therapy

The curriculum prepares students for entry into post-baccalaureate programs in occupational therapy. The program requires coursework in the following areas: biological sciences (biology, physiology, and human anatomy each with a laboratory component), behavioral sciences, written/verbal communication, physics, chemistry, biostatistics, medical terminology, and computer literacy. The pre-occupational therapy curriculum also includes completion of a one-semester internship in a therapy clinical setting. Because admission requirements, prerequisites and program components differ among post-baccalaureate programs, details of the curriculum may vary depending on the chosen graduate program. For further information, contact the Pre-occupational Therapy Coordinator, Department of Biological and Allied Health Sciences.

Pre-physical Therapy

The curriculum prepares students for entry into post-baccalaureate programs in physical therapy. Required courses include one year of biology, one year of general chemistry, one year of physics and one year of mathematics at the level of pre-calculus and above. Courses in psychology are required in addition to various recommended electives considered necessary for application to graduate programs. The pre-physical therapy curriculum also includes completion of a one semester internship in a therapy clinical setting. Because admission requirements, prerequisites and program components differ among post-baccalaureate programs, details of the curriculum may vary depending on the chosen graduate program. For further information, contact the Pre-physical Therapy Coordinator, Department of Biological and Allied Health Sciences.

Pre-physician Assistant

The pre-physician assistant program prepares students for entry into most master level physician assistant programs. The basic program, offered by the Department of Biological and Allied Health Sciences, includes one year of biology, one year of general chemistry, and one year of mathematics emphasizing biostatistics. Course requirements in biochemistry and organic chemistry will vary according to individual program requirements. Additional courses taken in the Biological and Allied Health Sciences department include physiology, human anatomy, developmental anatomy, basic emergency response, genetics, microbiology, immunology, as well as other biology courses and other required courses to fulfill the requirements for a Bachelor of Science degree in biology. The curriculum also includes courses in nutrition, philosophy, and psychology. For further information, contact the Pre-Physician Assistant Coordinator, Department of Biological and Allied Health Sciences.

Pre-seminary

A faculty member in the Department of Philosophy and Religion serves as advisor to pre-seminary students in planning a preparessional program. The recommendations of the American Association of Theological Schools are followed in counseling the student. A major in the Department of Philosophy and Religion or in another appropriate department may be selected.

Credit for Intercollegiate Athletics

By participating in intercollegiate athletics, a student may receive a maximum of two additional credits that may be applied toward graduation. In order to receive credit for participation in intercollegiate athletics, a student-athlete must complete the entire season in good standing. An unsatisfactory grade will be assigned if a student-athlete quits the team, is dismissed from the team or participates in less than 50 percent of the season. Participation in intercollegiate athletics constitutes one hour of credit per sport to a maximum of two sports. Only one credit of intercollegiate participation in each sport may count toward graduation.

General Regulations

1. A student usually may not register for more than 19 hours of academic work unless he/she achieved a grade point average of 3.00 or better in the preceding semester, in which case the dean may grant permission for extra hours. See page 10 for overload charges beyond 19 credit hours. A normal program consists of 12 to 19 scheduled hours including physical education.
2. All new students in the College of Arts & Sciences are required to take a Transitions Experience course in their first term of enrollment. For students transferring to Ohio Northern University’s College of Arts & Sciences from another institution, students who transfer in fewer than 30 semester hours will be required to take a Transitions Experience course.
3. A student indicates a choice of major field by filling out a declaration of major form available in the office of the department chair or dean.
4. No course for which a student has received a “D” is generally acceptable toward a major, secondary academic program, minor, option, or area of concentration. A department chair may allow one “D” toward the academic program at his/her discretion.
5. Juniors and seniors are expected to schedule a majority of their courses from the 3000- and 4000-levels.
6. With the permission of the instructor and the department chair, any course prerequisite may be waived.
7. Except where noted, credit hours earned in repeated courses may count only once toward the total hours required for graduation.
8. The Writing Seminar should be completed by all freshmen during their first year on campus. The Writing Seminar is required of all transfer students who have not completed a transferable writing course at the prior institution.

S/U Grade Option

Students in the College of Arts & Sciences are given the opportunity to register for one course per semester on a S/U (Satisfactory/ Unsatisfactory) options basis, with the following stipulations:
1. The student must have sophomore, junior, senior or post-grad standing.
2. The requested course cannot count toward fulfillment of major, secondary academic program, minor, concentration or option requirements.
3. The requested course cannot be a 1000-level general education course.
4. The grade of “S” is to be equated with A, B, C. The grade of “U” is equated with D or F.
5. Students cannot change the grading system after the second week of class.

Classification of Students

For purpose of classification, the minimum requirement for sophomore standing is 30 semester hours of academic work; for junior standing, 60 semester hours; for senior standing, 90 semester hours.

Academic Standing

A grade point average (GPA) of 2.00 is required for graduation. If a student’s cumulative grade point average falls below 2.00, the student is placed on academic probation. The student can return to good academic standing by raising his/her cumulative grade point average to 2.00 or above.

For students enrolled prior to the fall of the 2008-09 academic year:
If the cumulative grade point average of a freshman falls below 1.60, that student cannot participate in competitive activities of individuals, teams or other groups officially designated as representing the University. A sophomore must maintain at least a 1.80 cumulative grade point average to participate in the aforementioned activities. Juniors and seniors who are on academic probation are not eligible to participate in these activities.

For students entering or readmitted to Ohio Northern University in the fall 2008 or later:
Those who have earned fewer than 25 quarter credit hours or 24 semester credit hours total must maintain at least a 1.80 cumulative
grade point average to participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.

Those who have earned more than 25 quarter credit hours or 24 semester credit hours total must maintain at least a 2.00 cumulative grade point average to participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.

Any student on probation who does not earn a minimum 2.00 term GPA the semester following placement on probation will have his/her record reviewed by the Committee on Academic Qualifications (CAQ) of the college. The committee may then recommend to the dean that the student be subject to academic actions which may include suspension or dismissal. Students on probation are expected to comply with all special requirements established by the dean’s office. Failure to do so may result in administrative cancellation of the student’s registration. Any student with a term GPA of 1.00 or lower may be placed on probation or suspended.

If action is taken to suspend a student, the suspension will be for a definite period of time, after which the student may apply for readmission. If readmission is granted, the Committee on Academic Qualifications may establish certain conditions of academic performance for the student to remain enrolled in the College of Arts & Sciences. Continued poor performance by a readmitted student will lead to dismissal.

If action is taken to dismiss a student, it is to be regarded as a terminal action, and the student is not eligible to apply for readmission to the College of Arts & Sciences at any time thereafter. A complete list of CAQ Academic Action Guidelines is available for review in the dean’s office of the College of Arts & Sciences.

Graduation
To graduate with a Bachelor of Arts, a Bachelor of Fine Arts, Bachelor of Music, a Bachelor of Science, a student is required to complete a minimum of 120 semester hours which includes the appropriate general education courses, complete an approved major, and have a cumulative grade point average of at least 2.00. Some majors require more than 120 semester hours to complete.

The music education major must also complete all course work and observation hours required by the state of Ohio for teacher licensure. To graduate with a Bachelor of Science in Medical Laboratory Science, a student must also successfully complete one year of clinical training at the approved program subsequent to completing prescribed preclinical coursework.

To graduate with a Bachelor of Science in Nursing, a student must also earn a minimum of a C grade in ALL nursing core courses and successfully complete ALL clinical rotations to meet eligibility requirements for a Professional Pre-licensure Nursing Education Program (ORC Rule 4723-5-13).

The minimum residency requirement for all students is the last two semesters and the completion of at least 30 semester hours with at least 60 quality points elected mostly from 3000- and 4000-level courses.

COLLEGE OF ARTS & SCIENCES COURSES

Subject - Transitions Experience (TREX)
See course sections for specific attributes.

TREX 1001-Transitions Experience
3 Credits
Designed to facilitate students’ transition from high school to university by introducing the skills and habits of mind necessary for success at this level. Individual sections will be designed around topics that deal with various disciplines. Students will develop critical and creative thinking skills and make connections between their major and the general education program. Must be enrolled in one of the following Colleges: Arts and Sciences. Must be enrolled in one of the following Classifications: Freshman. Course Attributes: Requires Instructor Approval.

Subject - General Arts & Sciences (AASG)

AASG 0961-Study Skills
1 Credit
To increase study efficiency by emphasizing improvement in motivation, concentration and memory. Attention is also given to selected study skills including time-management, listening, note-taking, reading comprehension and testing. CREDIT EARNED DOES NOT SATISFY GRADUATION REQUIREMENTS FOR ANY PROGRAM OFFERED AT THE UNIVERSITY. Formerly AASG 010. Course Attributes: Requires Instructor Approval.

AASG 0971-Introduction to College Reading
2 Credits
Designed to increase reading proficiency by focusing on comprehension, vocabulary, reading speed, and study skills. Reading ACT score of 18 or below OR enrollment in AASG 0991 is required. CREDIT EARNED DOES NOT SATISFY GRADUATION REQUIREMENTS FOR ANY PROGRAM OFFERED AT THE UNIVERSITY. Formerly ENGL 105. Corequisite(s): AASG 0991. Must be enrolled in one of the following Classifications: Freshman.

AASG 0991-Introduction to College Writing
3 Credits
Intensive instruction and practice in college-level writing. English ACT score of 16 or below is required. Student must pass writing proficiency test to progress to ENGL 1221. CREDIT EARNED DOES NOT SATISFY GRADUATION REQUIREMENTS FOR ANY PROGRAM OFFERED AT THE UNIVERSITY. Formerly ENGL 105. Corequisite(s): AASG 0971. Must be enrolled in one of the following Classifications: Freshman.

AASG 1101-Pre-Law Orientation
1 Credit Grading mode is S/U
How to prepare for admission to law school, Introduction to legal education and the legal profession. This course may be repeated 1 time.

AASG 1111-Introduction to Legal Reasoning
1 Credit
Introduction to how to think like a lawyer. Includes rules and the rule of law, the use of precedent and authority, the interpretation of precedent and statutes, law making versus rule making. This course is repeatable for a total of 1 hour.

AASG 1121-Analytical Reasoning
1 Credit
Explore analytical reasoning in the various branches of the law. Develop and improve analytical reasoning abilities. Appreciate the role of future coursework in developing analytical reasoning ability. Assess analytical reasoning abilities as measured by the LSAT.

AASG 1131-Pre-Law Seminar
1 Credit
Preparation for applying to law school and a career in the legal profession. Includes writing the application essay, constructing a resume, LSAT preparation, choosing the right law school, introduction to the legal profession. This course is repeatable for a total of 1 hour.

AASG 1951-Publication Activities Practicum
1 Credit Grading mode is S/U
Participation in design, photography, writing, and producing the Ohio Northern University yearbook. Formerly AASG 110. This course is repeatable for a total of 11 hours.

AASG 3001-Career Search Strategies
1 Credit
An experiential environment facilitating learning skills that enable development and implementation of personalized and successful intern, professional employment and graduate/professional school search strategies.
DEPARTMENT OF ART AND DESIGN

Associate Professors: Eddings, Rowe; Assistant Professors: Mancuso (Chair), Sheets

Mission Statement
The visual arts program integrates traditional and contemporary approaches to the creation of art and design. The primary goal is to develop students as creative, productive and intellectually curious artists or designers capable of historical insight, critical thinking and technical proficiency in their areas of emphasis. Our program combines professional training and broad study in the liberal arts so that students majoring in art and design receive as comprehensive an understanding of the discipline as possible; become cognizant of historical and cultural knowledge of the past and present; and develop competence in the use of tools, materials and processes in their profession.

Vision Statement
To be a leading program in the region by setting the standard for educating artists, designers and art educators. To be recognized for an education program that integrates professional and liberal arts education: conceptual development, intellectual capacity, professional skills and artistic expression. To be acknowledged as a contributor to the scholarship within the fields of art, design and art education. To be a leader in the community in fostering and providing art, design and education programs.

Accreditation
The art education licensure program to teach K-12 is approved by the Ohio Department of Education. The Teacher Education Program is accredited by the Council for the Accreditation of Educator Preparation (CAEP)

Majors, Minors and Degrees Offered
Advertising Design Major (BA, BFA)
Art Education Major (BA)
Graphic Design Major (BA, BFA)
Studio Arts Major (BA)
  2D Concentration (BFA)
  3D Concentration (BFA)
  Pre-Art Therapy Option (BFA)
Art Minor
Design Minor

BA Degree Requirements
  First Year A&D Seminar (1)
  Visual Foundations 1 (3)
  Visual Foundations 2 (3)
  Visual Foundations 3 (3)
  Principles of Design (3)
  Art 1010 2D Concentration (3)
  Art 1013 3D Concentration (3)
  Art 1015 Pre-Art Therapy Option (3)

Special Programs
Internships
Internships are an integral part of our educational program. They give students the opportunity to affirm career goals and gain experience in a chosen field while making invaluable connections in the profession. All students in the BFA degree programs, regardless of major, are required to participate in the internship program. For art education majors, student teaching is required for graduation and licensure. Studio arts majors must complete an internship, externship or study abroad. In special occasions, domestic study in an approved program also may fulfill this requirement. For design majors, students are required to complete an internship in a graphic or advertising design setting, either during a summer or regular academic term.

Study Abroad
The visual arts program is at the forefront of the university's efforts to expand its international experiences for students at Ohio Northern. The department already has specific cooperative art exchange agreements with the University of the Arts London (Chelsea College of Art and Design) in England and the University of Ulster in Belfast, Northern Ireland. The University also has agreements with the Studio Art Centers International, Florence, Italy and the Burren School of Art in Co. Clare, Ireland. Numerous other international opportunities are available to students at Ohio Northern including studying in Cuba, South America and Europe. ONU is a member of the University Studies Abroad Consortium (USAC) that provides many study-abroad and internship opportunities.

Community Outreach
The Department of Art and Design is leading educational efforts at Ohio Northern to expand its educational outreach and connections. Translating what students learn in the classroom to real world art and design solutions is key to our educational mission. The outreach program provides students important opportunities to develop relevant workplace skills and leadership as they work with clients and many other professionals from the community.

Major Course Requirements
Art and design majors with sophomore standing must participate in Sophomore Review. This assessment gauges student learning based on the department’s program objectives. All students graduating from the University participate in a senior capstone experience which allows students to integrate many concepts and theories from their course of study into a final project or activity.

Exhibiting is an important component of the student’s educational experience. Exhibition requirements for majors in the department include the Foundations Honors Exhibit, Junior BA/BFA Exhibit, Works-in-Progress Exhibit, Senior BA/BFA Exhibit (capstone), and the Annual Juried Exhibit. All art and design majors are required to enter work in the juried exhibit held each year. Majors with sophomore standing are responsible for the organization and preparation of this show. As part of the senior capstone experience, all majors are required to submit work to a professional (external) juried exhibit, competition or scholarship.

Advertising Design Major
This interdisciplinary program integrates liberal arts studies and design with marketing courses from the business college. The major provides students broad knowledge of the principles, theories and skills of visual communication. First-year courses focus on liberal arts, visual theories, materials and methods. Courses during the second and third year engage students in the concentration and development within advertising design. The fourth year involves integration with advanced study. Candidates may choose the BFA degree program with a rigorous study in advertising design or the BA degree program with intense study and a major or minor in another discipline.

BA Degree Requirements (73 credit hours)
  ART 1601 First Year A&D Seminar (1)
  ART 1101 Visual Foundations 1 (3)
  ART 1111 Visual Foundations 2 (3)
  ART 1501 3D Design Foundations (3)
  DSGN 1101 Photography & Communication (3)

Studio Arts Major
The studio arts major integrates art and design courses with liberal arts studies. Candidates pursue one of two degree programs. The BA degree program is designed for intense study with the option of a major or minor in another discipline. The BFA degree program is a rigorous study in the visual arts; students pursuing this degree must select a 2D concentration, a 3D concentration or an option in pre-art therapy.

BA Degree Requirements (52 credit hours)
ART 1601 First Year A&D Seminar (1)
ART 1101 Visual Foundations 1 (3)
ART 1111 Visual Foundations 2 (3)
ART 1501 3D Design (3)
DSGN 1101 Photography & Communication (3)
ART 2111 Life Drawing (3)
ART 2401 Ceramics 1 (3)
ART 2601 Art History 1 (3)
ART 2611 Art History 2 (3)
ART 2651 Non-Western Art (3)
ART 2801 Book Arts (3)
ART 4901 Senior Capstone 1 (3)
ART 4911 Senior Capstone 2 (3)

Choose one:
ART 2201 Painting 1 (3)
ART 2251 Watercolor (3)

Choose one:
ART 2501 Sculpture: Additive & Subtractive (3)
ART 2551 Sculpture: Small Metals (3)
ART 3501 Sculpture: Model Making & Casting (3)
ART 3511 Sculpture: Installation (3)

Choose one:
ART 3301 Print and Paper 1 (3)
ART 3311 Print and Paper 2 (3)

2D Concentration Students have the option of choosing an area of emphasis, such as illustration, painting or printmaking. Six courses (18 credits) in 2D media at the advanced level are required; certain 2D media courses may be repeated for credit.

Choose:
ART 2251 Watercolor (3)
ART 4101 Advanced Illustration (3)
ART 4111 Advanced Life Drawing (3)
ART 4201 Advanced Painting (3)
ART 4301 Advanced Print and Paper (3)
ART 4701 Advanced Book Arts (3)

3D Concentration Students have the option of choosing an area of emphasis, such as ceramics or sculpture. Six courses (18 credits) in 3D media at the 3000-level and above are required; certain 3D media courses may be repeated for credit.

Choose:
ART 3501 Sculpture: Model Making & Casting (3)
ART 3511 Sculpture: Installation (3)
ART 4401 Advanced Ceramics (3)
ART 4501 Advanced Sculpture (3)

Pre-Art Therapy Option Practitioners of art therapy help people to better understand themselves and their world. ONU’s pre-art therapy option prepares students to develop a professional portfolio that demonstrates mastery of skill and knowledge necessary to enter graduate school (Masters in art therapy). The option allows students the flexibility to minor in psychology.
ART 1001 Psychology (3)
PSYC 1001 Psychology (3)
PSYC 2151 Development across the Lifespan (3)
PSYC 2121 Psychology of Personality (3)
PSYC 3121 Psychological Assessment (3)
PSYC 4201 Abnormal Psychology (3)
PSYC xxx1 Psychology elective (3)

Minors
A minor is available only to non-art and design majors.

Art Minor
ART 1651 Visual Literacy (1)
ART 1101 Visual Foundations 1 (3)
ART 1111 Visual Foundations 2 (3)
ART 1501 3D Design (3)
2 art electives at the 2000 level or above

Design Minor
ART 1101 Visual Foundations 1 (3)
ART 1111 Visual Foundations 2 (3)
DSGN 1201 Introductory Visual Communication Design (3)
DSGN 1301 Typography (3)
DSGN 2601 Design Research Methods (3)
2 design electives at the 2000 level or above

Subject - Art (ART)

ART 1101-Visual Foundations 1
3 Credits
Composition, perception and analysis of visual space through direct
observation and the manipulation of elements and principles of design.
Offered fall semester. Course Attributes: Fine Arts, Informed Responses-
Aesthetics.

ART 1111-Visual Foundations 2
3 Credits
Drawing and design as a means of expression, invention and communi-
cation through interaction of perceptual skills, visual language, subject
matter and color organization, phenomena, and interaction. Offered spring
semester. Prerequisite(s): ART 1101 or ART 150. Course Attributes: Fine
Arts.

ART 1501-3-D Design
3 Credits
The visual language, methods and techniques of three-dimensional
design. Emphasis on conceptual thinking skills. Offered spring semester.
Course Attributes: Fine Arts, Critical and Creative Thinking, Informed
Responses-Aesthetics.

ART 1601-First Year Seminar
1 Credit Grading mode is S/U
Familiarization to areas of art and design research, scholarship, and study
within visual experiences and across disciplines. Offered fall semester.

ART 1651-Visual Literacy
3 Credits
Analysis into the theories, practices, techniques, language and media of
the visual arts and design. Fundamentals of art historical study, styles and
periods. Focus on major works from prehistoric world through contempo-
rary issues to cultural and social contexts. Emphasis on identifying rela-
tionships between composition, form and content. Offered fall and spring

ART 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in the Art and Design field. Unlimited repeats permitted. Course
Attributes: Requires Instructor Approval.

ART 1981-Special Topics in Art
1 to 3 Credits Grading mode is S/U
Topics in art. Enrollment restricted to attendees of the Summer Honors In-
stitute. May repeat as topic varies. This course may be repeated 3 times.

ART 1991-Special Topics in Art and Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

ART 2111-Life Drawing
3 Credits
Composition, proportion, structure and form from direct observation of the
human figure. Offered alternate spring semester. Prerequisite(s): ART 1111
or (ART 160 and ART 170). Course Attributes: Fine Arts.

ART 2201-Painting 1
3 Credits
Concepts and competencies of painting through direct observation. Offered
fall semester. Course Attributes: Fine Arts, Critical and Creative Thinking,
Informed Responses-Aesthetics.

ART 2211-Painting 2
3 Credits
Creating and controlling visual space and form and their relationship to
composition. Offered alternate spring semesters. Prerequisite(s): ART
2201 or ART 250. Course Attributes: Fine Arts.

ART 2251-Watercolor
3 Credits
Concepts, competencies and techniques of aqueous media through com-
position. Offered alternate spring semesters. This course may be repeated
2 times. Course Attributes: Fine Arts.

ART 2401-Ceramics 1
3 Credits
Composition and methods of forming clay objects using various hand build-
ing and wheel throwing techniques, including decorating, glazing and firing.
Offered fall semester. Course Attributes: Fine Arts, Critical and Creative
Thinking, Informed Responses-Aesthetics, Integration Across Disciplines.

ART 2501-Sculpture: Additive & Subtractive
3 Credits
The composition and rendering of sculpture in clay, plaster, wood, and
stone. Emphasis on technical skills and the organization of form and
space. Offered alternate fall semesters. Course Attributes: Fine Arts.

ART 2551-Sculpture: Small Metals
3 Credits
The visual language, concepts, materials and technical skills of small-scale
sculpture. Offered alternate spring semesters. Course Attributes: Fine Arts.

ART 2601-Art History 1
3 Credits
Western tradition of painting, sculpture and architecture from the Prehistor-
ic era through the Renaissance. Offered fall semester. Course Attributes:
Fine Arts.

ART 2611-Art History 2
3 Credits
Western tradition of painting, sculpture and architecture from the 16th
century to contemporary. Offered spring semester. Course Attributes: Fine
Arts.

ART 2651-Non-Western Art
3 Credits
Painting, sculpture and architecture beyond the Western tradition such as
India, Southeast Asia, Africa, Japan, Korea, the Pacific area and the Ameri-
cas. Offered alternate spring semesters. This course may be repeated 2
times. Course Attributes: Non Western Cultural, Fine Arts.

ART 2801-Book Arts
3 Credits
An introduction to the book arts as a medium of creative expression, com-
munication, design, and innovation. Drawing upon both the historic and
contemporary western bookbinding tradition, this course is an initiation into
fundamental binding forms, techniques, and materials. Offered spring se-
mester. This course may be repeated 2 times. Course Attributes: Fine Arts,
Informed Responses-Aesthetics, Integration Across Disciplines.
ART 2991-Special Topics in Art and Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

ART 3301-Print and Paper 1
3 Credits
Fundamentals of screen printing. Emphasis on developing the technical and conceptual skills to be able to produce a more individual image and personal aesthetic. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

ART 3311-Print and Paper 2
3 Credits

ART 3401-Ceramics 2
3 Credits
Advanced methods and techniques of forming clay objects; hand building, wheel throwing, planing and firing. Offered alternate spring semester. Prerequisite(s): ART 2401 or ART 255. Course Attributes: Fine Arts.

ART 3501-Sculpture: Mold Making & Casting
3 Credits
The composition and methods of plaster molds for reproduction and altering of direct cast ceramics and in lost wax casting of bronze. Emphasis on organizational problems of form and space. Offered alternate spring semesters. Course Attributes: Fine Arts.

ART 3511-Sculpture: Installation
3 Credits
Design of sculptural environments and site-specific work. Offered alternate fall semesters. Course Attributes: Fine Arts.

ART 3991-Special Topics in Art and Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

ART 4101-Advanced Illustration
3 Credits
Innovative visual solutions in illustration and the mastery of advanced techniques through creative and professional work habits. Offered spring semester. Prerequisite(s): ART 1111 or (ART 160 and ART 170 and ART 210). This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4111-Advanced Life Drawing
3 Credits
Structure of the human body with the aim of producing drawings of greater structural and visual integrity. Offered spring semester. Prerequisite(s): ART 2111 or ART 210. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4201-Advanced Painting
3 Credits
Creating and controlling pictorial space and form and their relationship to concept and composition. Offered spring semester. Prerequisite(s): ART 2211 or ART 251. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4301-Advanced Print and Paper
3 Credits
Self-directed study in printmaking and papermaking processes. Offered spring semester. Prerequisite(s): ART 3301 or ART 379 or ART 3311 or ART 377 or ART 375 or ART 385. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4401-Advanced Ceramics
3 Credits
Directed study. Offered fall and spring semesters. Prerequisite(s): ART 3401. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4501-Advanced Sculpture
3 Credits
Directed study. Offered fall and spring semesters. Prerequisite(s): ART 3501 or (ART 360 and ART 370) or ART 3511 or ART 365. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4691-Seminar in Art and Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 4 times.

ART 4801-Advanced Book Arts
3 Credits
Relationship between the book, text and image through narrative, pacing, and techniques in illustration, drawing and printmaking. Traditional and non-traditional applications utilized. May repeat to 6 credits. Offered spring semester. Prerequisite(s): ART 2801. This course may be repeated 2 times. Course Attributes: Fine Arts.

ART 4901-Senior Capstone in Art 1
3 Credits
Yearlong investigative project that synthesizes liberal arts and major learning objectives. Offered fall semester. Course Attributes: Fine Arts.

ART 4911-Senior Capstone in Art 2
3 Credits
Culmination and presentation of demonstrated knowledge of practices, methods, theories, concepts, and issues. Offered spring semester. Prerequisite(s): ART 4901 Minimum Grade of C. Course Attributes: Fine Arts.

ART 4921-Externship
1 to 3 Credits
Supervised field experience in an approved studio, agency, firm, department, museum, university, arts organization, or non-profit. International or domestic study may count toward requirement with department authorization. Formal presentation to department required after completion. Offered fall and spring semesters. This course is repeatable for a total of 9 hours. Course Attributes: Requires Instructor Approval.

ART 4981-Independent Study in Art
1 to 3 Credits
May repeat as topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ART 4991-Special Topics in Art and Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

Subject - Design (DSGN)

DSGN 1101-Photography and Communication
3 Credits
Communication in the context of image creation; composition and technical skills through aesthetics and style. Methods in concept, image and form development, presentation formats, sequence and narrative. Offered spring semester. Course Attributes: Fine Arts.

DSGN 1201-Introductory Visual Communication Design
3 Credits
Basic methods, processes, language, composition and theory of working in two-dimensional communication design. Emphasis on problem analysis, creative concept development, analytical and technical skills. Offered fall semester. Course Attributes: Fine Arts.

DSGN 1301-Typography
3 Credits
Examines typographic changes brought about through cultural, political and sociological influences; language theories; and technological development. Integrates lessons from the past with contemporary theory and technology. Lectures based on four language components: letter and word, sentence and meaning, language and structure, text and textuality. Offered fall semester. Course Attributes: Fine Arts.
DSGN 1981-Special Topics in Design
1 Credit Grading mode is S/U
Topics in design. Enrollment restricted to attendees of the Summer Honors Institute. May repeat as topic varies. This course may be repeated 3 times.

DSGN 1991-Special Topics in Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

DSGN 2101-Advanced Photography and Communication
3 Credits
Visual language in context of form, content and meaning; aesthetics and style; sequence and narrative. Offered spring semester. Prerequisite(s): DSGN 1101 or ART 240. This course may be repeated 1 time. Course Attributes: Fine Arts.

DSGN 2401-Narrative Structures
3 Credits
Design thinking and the exploration of the nature and practice of visual communication as a story-telling and framing activity in print media. Emphasis on research, concept development and technical skills. Offered spring semester. Prerequisite(s): DSGN 1301 or ART 223. Course Attributes: Fine Arts.

DSGN 2601-Design Research Methods
3 Credits
Research design, gathering, analysis, application and presentation of information for graphic designers. Emphasis on role of research in problem solving process, from initial client intake, to problem definition, design requirements, screening, selection and refinement, to implementation and postproject evaluation. Offered alternate fall semesters. Course Attributes: Fine Arts.

DSGN 2651-History of Graphic Design
3 Credits
Events, ideas, movements, artifacts and designers that have historical significance and influence on contemporary graphic design and the profession. Exploration of the role of design in society and the nature, influence and impact of changing design methods, materials, technologies, theories and values. Offered alternate fall semesters. Course Attributes: Fine Arts.

DSGN 2801-Design for Social Change
3 Credits
Design thinking and the examination of historical, cultural, political or environmental relationships as it pertains to the ways in which design can improve our world. May repeat as topic varies. Offered alternate spring semesters. This course may be repeated 2 times. Course Attributes: Fine Arts.

DSGN 2991-Special Topics in Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

DSGN 3401-Packaging and Identity Design
3 Credits
Investigation of comprehensive applied problems in visual communication addressing design identity, branding programs and consumer-oriented design. Offered fall semester. Prerequisite(s): DSGN 1301 or ART 340. Course Attributes: Fine Arts.

DSGN 3501-Persuasive Design
3 Credits
Examination of form, content and context that shape persuasive communication including commercial, political and social contexts; persuasive strategies, critical techniques and ethical issues in shaping design. Offered spring semester. Prerequisite(s): DSGN 2401 or ART 341. Course Attributes: Fine Arts.

DSGN 3501-Advertising Design 1
3 Credits
Form and content that shape communication branding strategies in advertising design. Examination of concept development, the psychology of effective visual messages and the creative, intelligent, emotional and persuasive writing/images of ad campaigns. Offered alternate spring semesters. Prerequisite(s): DSGN 2401 or ART 340. Course Attributes: Fine Arts.

DSGN 3561-Advertising Design 2
3 Credits
Design thinking of integrated communications into media, three-dimensional artifacts and campaigns as an extension of brand experience and strategic solutions. Offered alternate spring semesters. Prerequisite(s): DSGN 2401. Course Attributes: Fine Arts.

DSGN 3701-Visual Interface Design
3 Credits
Communication design of visual interfaces and the analytical behavioral, cognitive and linguistic dimensions of designing for dynamic information environments. May repeat to 6 credits. Offered fall semester. Prerequisite(s): DSGN 1301 or ART 340. This course is repeatable for a total of 3 hours. Course Attributes: Fine Arts.

DSGN 3751-Interactive Design and Identity
3 Credits
Design thinking and processes in the context of e-commerce, branding and identity, usability and hierarchical form. May repeat to 6 credits. Offered spring semester. Prerequisite(s): DSGN 1301 or ART 341. This course is repeatable for a total of 3 hours. Course Attributes: Fine Arts.

DSGN 3991-Special Topics in Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

DSGN 4201-Advanced Visual Communication Design
3 Credits
Design thinking and processes in the context of transformation design; interdisciplinary design issues addressed as a means of participation, response, adaptation and innovation beyond traditional design solutions to create fundamental change. May repeat as topic varies. Offered spring semester. Prerequisite(s): DSGN 3501 or ART 440. This course may be repeated 2 times. Course Attributes: Fine Arts.

DSGN 4601-Professional Practices in Design
3 Credits
In-house design and project management issues with emphasis on collaborative communication problem-solving, designer/client relationships, research strategies, legal issues, production methods and ethics in design. Offered fall semester. This course may be repeated 2 times. Course Attributes: Fine Arts.

DSGN 4691-Seminar in Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 4 times.

DSGN 4901-Senior Capstone in Design 1
3 Credits
Yearlong investigative project that synthesizes liberal arts and departments learning objectives. Offered fall semester. Course Attributes: Fine Arts.

DSGN 4911-Senior Capstone in Design 2
3 Credits
Culmination and presentation of demonstrated knowledge of practices, methods, theories, concepts, and issues. Offered spring semester. Prerequisite(s): DSGN 4901. Minimum Grade of C. Course Attributes: Fine Arts.
DSGN 4921-Internship
1 to 3 Credits
Supervised field experience in an approved commercial studio, agency, firm, department, museum, gallery, arts organization, or non-profit. Approval of department required prior to registration. Formal presentation to department required after completion. May repeat, but only 12 credits count toward graduation. Offered fall and spring semesters. This course is repeatable for a total of 11 hours. Course Attributes: Requires Instructor Approval.

DSGN 4981-Independent Study in Design
1 to 3 Credits
May repeat as topic varies. Unlimited repeats permitted.

DSGN 4991-Special Topics in Design
1 to 3 Credits
May repeat as topic varies. This course may be repeated 2 times.

DEPARTMENT OF BIOLOGICAL AND ALLIED HEALTH SCIENCES

Professors Anderson (Chair), Aulthouse, Keiser, Verb, Woodley, L. Young; Associate Professors De Luca, Keas, Mager, Meehan, Suniga; Assistant Professors Anghelescu, McAfee, Riley, Sanford; Visiting Assistant Professors Kolomyjec, Motz, C. Young; Medical Laboratory Science Program Director & Clinical Assistant Professor Walden; Laboratory Technician Brachok; Adjunct Faculty Carmichael, Decanio, DeLong, Enders, Francis, Hoagstrom, Hussain, Johnson, Kuk, Marshall, Nivar, Ramos, Rebold, Robinson, Sargeant, Sherrick, Sreenan, Westrick, Wiss, Connour, Babbitt, Casey.

Mission Statement
The department provides a dynamic educational environment in which students learn, investigate, and apply knowledge in their chosen discipline within the biological and allied health sciences, preparing them to become ethical and competent professionals.

Vision Statement
The department is committed to the continuous integration of academic excellence with professional and personal development of students. Accordingly, the faculty will foster and empower student achievement through scholarship and participation in the classroom and experiential activities using innovative approaches, which will prepare them to become accomplished professionals.

Overview
The department offers five majors and four minors with student-centered instruction focused on high impact learning opportunities. The department offers research, internship, study abroad and experiential opportunities appropriate to student's career goals. Special programs are offered in the premedical sciences and teaching licensure.

Accreditation
The Life Sciences and Integrated Science licensure programs are approved by the state of Ohio. The Teacher Education Program is accredited by the National Council for Accreditation of Teacher Accreditation (NCATE).
Ohio Northern University’s West Central Ohio Medical Laboratory Science Program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS), 5600 N. River Rd., Suite 720, Rosemont, IL 60018-5119.

Majors, Minors and Degrees Offered
Biology Major (BS)
Environmental and Field Biology Major (BS)
Forensic Biology Major (BS)
Medical Laboratory Science (BSMLS)
Molecular Biology Major (BS)
Biomedical Sciences Minor
Biomedical Sciences Minor
Environmental Studies Minor
Public Health Minor

Certification and Licensure Offered
Medical Laboratory Science Post-Baccalaureate Certificate
Teacher Licensure in Integrated Science (7-12)
Teacher Licensure in Life Sciences (7-12)

*Information about ONU’s West Central Ohio Medical Laboratory Science Program can be found on page 49.

Special Programs
Pre-professional Medical Sciences
Qualified students can pursue pre-professional education in the following medical science fields: pre-dentistry, pre-medicine, pre-occupational therapy, pre-optometry, pre-physical therapy, pre-physician assistant and pre-veterinary medicine.

Dual Degrees Program
- The pharmacy/biology dual degrees program is a six-year curriculum that provides for education, practice and research experiences in both pharmacy and biology. The Doctor of Pharmacy degree and the Bachelor of Science in biology degree are awarded upon completion of the program of study. A more detailed description about this program is available from the Department of Biological and Allied Health Sciences and from the College of Pharmacy. This program is available to pharmacy (Pharm.D) students.

Internships
BIOL 4811, 4821, and 4831
The 400-hour senior status internship provides an off-campus practical experience in areas of the biological sciences. Examples include state and federal forensic laboratories, hospital and technical health programs, laboratory research, toxic waste management, environmental consulting, zoo animal care and management, wildlife and fisheries management. Before embarking on an internship, students must complete at least three years of course work in biology and related areas. The internship must be approved by the capstone committee and faculty of the department prior to registration. Internships credit hours are from 4 to 12, only 4 credit hours will count towards the major.

Cooperative Education Experience
BIOL 3401
Co-op students earn professional experience in a biologically- or environmentally-related occupation with a governmental, consulting or industrial entity that interacts with professional scientists in an employer-employee context. The normal undergraduate career of students choosing the Co-op program is five years rather than the four. Co-op program students may spend a total of two semesters of employee/intern activity with the Co-op agency. These Co-op activities will be interspersed with regular academic terms on campus enrolled as full-time students. Junior status and approval of the capstone committee and department chair is required for participation in the Co-op program.

Study Abroad
The department has specific study abroad agreements with the Cuba Program (University of Havana), the University of Ulster (Ireland), and the University of Eastern Karelia (Joensuu, Finland). Others can be arranged. The study abroad experience must be approved by the capstone committee and the department to be used as a student’s capstone course work.

Off-campus Facilities
The department utilizes for experiential learning and biological surveys the 300-acre Tidd-Dakes Wetland Restoration Project bordering the Scioto River and Scioto Marsh twelve miles from the campus. The glaciated, former farm land has an on-site field station and is used for laboratory courses and research in biology.
The ONU Metzger Nature Center, a 70-acre property in Tuscarawas County, OH, serves as a biology field station. The facility is located near Ravenna and includes a century-old farm house and a modern 8,500 square foot academic, classroom, laboratory and residence center. The hills, valleys, woods, fields, stream and pond provide an excellent opportunity for teaching, study and research in the non-glaciated region of Ohio.

Major Course Requirements
All required courses in the major subject area must be completed with a grade of "C" or higher. Forensic Biology majors are required to show proof of membership in a professional organization each year. The ETS Major Field Test (MFT) in biology is required of all majors during their senior year. Credit will not be granted for both BIOL 2311 and 3241 or 3311 or for BIOL 2321 and 3251 or 3231.
### Biology Major

Aside from the requirements below each student's curriculum is open to meet the requirements of their goals, including graduate or professional school, and teacher licensure. Academic advisor's guide students in meeting their goals.

#### BS Degree Requirements (47-49 credit hours)
- BIOL 1951 Biology Orientation (1)
- BIOL 1311 Biology 1: Cells and Molecules (4)
- BIOL 1321 Biology 2: Organismal Biology (4)
- BIOL 2001 Biology 3: Diversity of Life (4)
- BIOL 4921 Capstone Experience1 (1)
- BIOL 4941 Capstone Seminar (1)

Eighteen (18) credit hours of biology electives from 2000 to 4000 level courses.

Other required courses
- Two non-remedial courses in chemistry totaling eight to ten (8-10) credit hours.
- Two non-remedial courses in mathematics and/or statistics totaling six (6) credit hours.

1Capstone Experience must be approved by the department and may be an off-campus research (REU) experience, an internship, study abroad, a co-op, or another approved experience.

#### Biology Major-Adolescent Young Adult (7-12) Life Sciences Licensure

This option is available to students majoring in biology (see above requirements for biology major). All courses required for the licensure must be completed with a grade of "C" or higher.

Additional requirements (47 credit hours)
- EDUC 1151 Culture and Schooling (3)
- EDUC 1501 Five-Day Field Experience I (1)
- EDUC 1521 Five-Day Field Experience II (1)
- EDUC 2101 Exceptional Learners (3)
- EDUC 2891 Curriculum and Assessment (3)
- EDUC 3201 Instructional Media and Educational Technologies (3)
- EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
- EDUC 4401 Educational Psychology and Instructional Practices (3)
- EDUC 4451 Leadership Seminar in Education (3)
- EDUC 4511 Integrated Science Methods (3)
- EDUC 4651 Science Education Portfolio (0)
- EDUC 4721 Student Teaching Adolescent Young Adults (12)

Specified general education courses
- CACS 2151 Classroom Communication (3)
- PSYC 1001 Psychology (3)
- PSYC 2171 Adolescent Psychology (3)

#### Adolescent Young Adult (7-12) Integrated Sciences Licensure

This option is available to students majoring in biology, chemistry or physics and allows students to teach classes in Biology, Chemistry, Physics, and/or Earth Sciences. Students must complete additional hours in science courses outside the major for this licensure. All courses required for the licensure must be completed with a grade of "C" or higher.

#### Environmental and Field Biology Major

#### BS Degree Requirements (63-65 credit hours)
- BIOL 1951 Biology Orientation (1)
- BIOL 1311 Biology 1: Cells and Molecules (4)
- BIOL 1321 Biology 2: Organismal Biology (4)
- BIOL 2001 Biology 3: Diversity of Life (4)
- BIOL 2131 Natural History (2)
- BIOL 2511 Ecology (4)
- BIOL 4921 Capstone Experience1 (1)
- BIOL 4941 Capstone Seminar (1)

The Field Semester
The field semester consists of the following five courses taken concurrently by the student in the fall semester of the junior year. Failure of any of these courses may be remedied by passing additional substitute course(s) approved by the department.

- BIOL 3661 Environmental Research Methods (3)
- BIOL 3671 Field Botany (3)
- BIOL 3681 Ichthyology (3)
- BIOL 3691 Field Invertebrate Biology (3)
- BIOL 3701 Marine Biology (3)

### Specified General Education Classes

1Capstone Experience must be approved by the department and may be an off-campus research (REU) experience, an internship, study abroad, a co-op, or another approved experience.

#### Forensic Biology Major

The forensic biology major provides students with a solid foundation in the forensic sciences through a core of forensic biology courses and, through upper-level forensic courses, provides a focused and coherent study in the practice of the scientific techniques used to analyze physical evidence found at the scene of a crime. All required courses must be completed with a grade of "C" or higher.

#### BS Degree Requirements (105 credit hours)
- BIOL 1951 Biology Orientation (1)
- BIOL 1311 Biology 1: Cells and Molecules (4)
- BIOL 1321 Biology 2: Organismal Biology (4)
- BIOL 2101 Genetics (4)
- BIOL 2171 Molecular Biology (3)
- BIOL 2191 Forensic Biology 1 (4)
- BIOL 2291 Forensic Biology 2 (4)
- BIOL 2311 Anatomy and Physiology 1 (3)
- BIOL 2591 Crime Scene Investigation (4)
- BIOL 2691 Forensics Computer Analysis (4)
- BIOL 3191 Forensic Microscopy (3)
- BIOL 3291 Forensic Physical Methods (4)
- BIOL 3521 Cell and Molecular Biology Lab (2)
- BIOL 3571 Forensics DNA Analysis (4)
- BIOL 3651 Forensic Entomology (3)
- BIOL 4831 Forensic Biology Internship1 (8)
- BIOL 4941 Capstone Seminar (1)

#### Forensic Physical Methods (3)
- CHEM 1711 General Chemistry 1 (5)
- CHEM 1721 General Chemistry 2 (5)
- CHEM 2311 Analytical Chemistry 1 (4)
- CHEM 2511 Organic Chemistry 1 (3)
- CHEM 2521 Organic Chemistry 2 (3)
- CHEM 2551 Organic Chemistry Lab 1 (1)
- CHEM 2561 Organic Chemistry Lab 2 (1)
- CHEM 3111 Biochemistry (3)
- CHEM 3151 Biochemistry Lab (1)
- COMM 2111 Public Speaking (3)
- MATH 1461 Calculus for Life Sciences (3)
- PHYS 2111 Physics 1 (3)
- PHYS 2121 Physics 2 (3)
- PHYS 2341 Physics Lab 1 (1)
- PHYS 2351 Physics Lab 2 (1)
- PLSC 1211 Intro to Criminal Justice (3)
- SOC 2611 Criminology (3)
- STAT 1561 Statistics for Professionals 1 (3)

1Forensic Biology Internship, is completed prior to the Capstone Seminar (BIOL 4941), to fulfill the senior capstone requirement.

#### Molecular Biology Major

The molecular biology major provides the classroom and laboratory training necessary for students to pursue careers in the biotechnology industry, biomedical research and for preparation for graduate and medical school. All required courses must be completed with a grade of "C" or higher.

BS Degree Requirements (70 credit hours)

BIOL 1951 Biology Orientation (1)
BIOL 1311 Biology 1: Cells and Molecules (4)
BIOL 1321 Biology 2: Organismal Biology (4)
BIOL 2001 Biology 3: Diversity of Life (4)
BIOL 2101 Genetics (4)
BIOL 2171 Molecular Biology (3)
BIOL 3511 Cell Biology (3)
BIOL 3521 Cell and Molecular Lab (2)
BIOL 3111 Microbiology (4)
BIOL 4511 Advanced Topics in Cell Biology (2)
BIOL 4921 Capstone Experience (1)
BIOL 4941 Capstone Seminar (1)

The minor in biology is available only to students in majors outside of the Department of Biological and Allied Health Sciences.

Option Course Requirements

Business Option A business option with a management emphasis is available for any student majoring in biology or environmental and field biology or in the medical laboratory sciences program. See page 37 for further details.

Criminal Justice (Forensics) Option (28 credit hours) The criminal justice (forensics) option is for students majoring in biology or molecular biology. Students will deal with various aspects of the scientific side of crime scenes and investigations. The list of courses provides the student with the minimal required course work to fulfill the guidelines set forth by the FBI to become a DNA analyst in Forensic DNA and Convicted Offender Laboratories. The criminal justice (forensics) option is not available to students with a major in forensic biology.

Additional Requirements (38 credit hours)

BIOL 2101 Genetics (4)
BIOL 2171 Molecular (3)
BIOL 2181 Forensic Biology (4)
BIOL 3521 Cell and Molecular Biology Lab (2)

Other required courses

CHEM 1711 General Chemistry 1 (5)
CHEM 1721 General Chemistry 2 (5)
CHEM 2511 Organic Chemistry 1 (3)
CHEM 2521 Organic Chemistry 2 (3)
CHEM 2551 Organic Chemistry Lab 1 (1)
CHEM 2561 Organic Chemistry Lab 2 (1)
CHEM 3111 Biochemistry (3)
CHEM 3151 Biochemistry Lab 1 (1)

Two non-remedial courses in mathematics and/or statistics totaling six (6) credit hours.

Minor Course Requirements

Students majoring in biology who choose to add a minor within the department (e.g. environmental studies) must take an additional 8 hours in BIOL courses beyond the requirements of the minor.

Students in majors outside of the Department of Biological and Allied Health Sciences may complete two minors from within the department by taking all required courses for each of the minors plus eight additional hours of BIOL courses.

Biology Minor (20 credit hours) The minor in biology is available only to students in majors outside of the Department of Biological and Allied Health Sciences.

BIOL 1311 Biology 1: Cells and Molecules (4)
BIOL 1321 Biology 2: Organismal Biology (4)
BIOL 2001 Biology 3: Diversity of Life (4)

Eight (8) credit hours of biology electives from 2000 to 4000 level courses.

Biomedical Sciences Minor (22-24 credit hours)

BIOL 1311 Biology 1: Cells and Molecules (4)
BIOL 1321 Biology 2: Organismal Biology (4)
BIOL 1341 Human Anatomy and Histology (4)

Select one of the following two-course sequences:

- BIOL 2311 Anatomy and Physiology 1 (3)
- BIOL 2321 Anatomy and Physiology 2 (3)

or

- BIOL 3241 Medical Physiology 1 (4)
- BIOL 3251 Medical Physiology 2 (4)

Two non-remedial courses in chemistry, or physics with labs totaling eight (8) credit hours.

Environmental Studies Minor (23 credit hours) Students majoring in environmental and field biology may not minor in environmental studies.

BIOL 1311 Biology 1: Cells and Molecules (4)
BIOL 1321 Biology 2: Organismal Biology (4)
BIOL 2001 Biology 3: Diversity of Life (4)
BIOL 2111 Environmental Issues (3)
BIOL 2131 Natural History (2)
PHIL 3101 Environmental Ethics (3)
PLSC 3061 Environmental Law (3)

Two non-remedial courses in chemistry, or physics with labs totaling eight (8) credit hours.

Public Health Minor (31-32 credit hours) The minor in public health is designed to prepare students for careers in health education, disease prevention and control and health promotion by acquainting them with major public health issues.

One year of introductory biology (8)

BIOL 2011 Environmental Issues (3)
BIOL 2101 Genetics (4)
BIOL 2551 Epidemiology (3)

A microbiology course (3/4)

PHPR 2511 Preventive Medicine (3)
STAT 1561 Statistics for Professional 1 (3)

Two courses from this list:

- BIOL 2511 Ecology (4)
- BIOL 3011 Developmental Anatomy (3)
- BIOL 3051 Environmental Toxicology (3)
- BIOL 3151 Medical Terminology (1)
- BIOL 3541 Bioinformatics (4)
- BIOL 3621 Parasitology (3)
- CE 3631 Water Resources (3)
- CE 3711 Urban Planning (3)

GEOG 2481 Intro to G.I.S. (3)
GEOG 2261 World Geography (3)
HLED 1101 Personal Health Problems (3)
HLED 1201 School & Community Health (2)
HLED 2101 AIDS and other STDs (3)
PHBS 3501 Nutrition (2)
PHBS 3751 Immunology (3)
PHBU 4121 Health Care Management (3)
PHIL 1021 Philosophy of Science (3)
PHIL 1051 Ethics, Justice and Law (3)
PHIL 2401 Professional Ethics (3)
PHIL 3101 Environmental Ethics (3)
PLSC 3661 Public Administration (3)
LAW 1582 Law & Medical Ethics (3)
STAT 2561 Statistics for Professional 2 (3)
Two non-remedial courses in chemistry, geology or physics with a lab totaling eight (8) credit hours.

**West Central Ohio Medical Laboratory Science Program**

The West Central Ohio Medical Laboratory Science (WCOMLS) Program is a full-year (12 months) clinical training experience for those pursuing the BSMLS degree or the post-baccalaureate certificate. During the first two semesters, students complete didactic coursework in medical laboratory science theory and practice, hematology, clinical chemistry, clinical microbiology, clinical immunology, immuno-hematology, biological fluids, professional practice and development. The students complete their last semester of clinical coursework at an assigned clinical affiliate that may include Lima Memorial Hospital.

Graduates and those who complete the certificate may pursue career opportunities in various laboratory settings including clinical, industrial and public health or choose to continue their education in graduate school.

**Mission Statement**

The mission of the WCOMLS Program is to educate students in the medical laboratory sciences, preparing them to practice as ethical and competent professionals and enabling them to meet whatever job-related challenges arise now and in the future.

**Accreditation**

Ohio Northern University’s West Central Ohio Medical Laboratory Science Program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS), 5600 N. River Rd., Suite 720, Rosemont, IL 60018-5119.

**Admission Requirements**

The WCOMLS Program has an enrollment capacity of eight students per year. The start date for the program is the first day of summer term. Prospective students may submit applications at any time but not later than March 1 of the year for which an applicant seeks program admission. Applicants completing prerequisite coursework at the time of application may be considered for admission but, if selected (provisional admission), will be required to submit documentation (transcript or original grade report) of successful completion of the course(s) prior to the first day of class. Applicants selected for admission for a given year are notified by the Program Director by April 1 of that year. Admission to the program is competitive, based on enrollment capacity and admission standards.

At a minimum, BSMLS applicants to the WCOMLS Program must do the following:

- Submit a completed application for admission (only completed applications are considered) by March 1
- Satisfy all applicable university and college requirements for graduation
- Satisfy all applicable degree requirements excluding MLS coursework
- Complete all prerequisite coursework with a minimum of a “C” in each course
- Demonstrate a minimum of 2.80 GPA with a minimum 3.00 science (biology, chemistry, mathematics, physics) GPA on a 4.00 scale
- Complete all prerequisite coursework (biology, chemistry, mathematics, physics) GPA on a 4.00 scale
- Complete all prerequisite coursework with a minimum of a “C” in each course
- Demonstrate a minimum of 2.80 cumulative GPA with a minimum 3.00 science (biology, chemistry, mathematics, physics) GPA on a 4.00 scale
- Complete all prerequisite coursework with a minimum of a “C” in each course
- Demonstrate a minimum of 2.80 cumulative GPA with a minimum 3.00 science (biology, chemistry, mathematics, physics) GPA on a 4.00 scale
- Demonstrate comprehension and commitment to MLS professionalism

At a minimum, non-degree seeking (Post-Baccalaureate Certificate) applicants to the WCOMLS Program must meet the following requirements:

- Submit a completed application for admission (only completed applications are considered) by March 1
- Satisfy all applicable university and college requirements for graduation
- Possess a baccalaureate degree from an accredited college or university
- Have completed 16 semester hours (or equivalent quarter hours) of biology coursework that must include a microbiology course with laboratory, human anatomy and physiology, genetics and molecular biology
- Have completed 16 semester hours (or equivalent quarter hours) of chemistry including biochemistry or organic chemistry
- Have completed 5 semester hours (or equivalent quarter hours) of college-level mathematics including one course in statistics
- Possess a baccalaureate degree from an accredited college or university
- Have completed 16 semester hours (or equivalent quarter hours) of biology coursework that must include a microbiology course with laboratory, human anatomy and physiology, genetics and molecular biology
- Have completed 16 semester hours (or equivalent quarter hours) of chemistry including biochemistry or organic chemistry
- Have completed 5 semester hours (or equivalent quarter hours) of college-level mathematics including one course in statistics

Medical Laboratory Science Major

The BSMLS degree coursework centers on student learning and professional development using a community-partnered curriculum. Students are expected to complete all degree requirements including (a) a minimum of 36 semester hours of approved general education coursework, (b) a minimum of 37 semester hours of biology requisites, (c) a minimum of 18 semester hours of chemistry requisites, (d) participation in the college assessment program, and (e) a minimum of 51 semester hours of medical laboratory science core coursework. Students are encouraged to include recommended science electives as time and scheduling permit. The last year of study requires that students apply for admission to and complete the clinical training program. Students admitted to the program continue their didactic coursework in the Department of Biological and Allied Health Sciences and complete clinical training at an area clinical affiliate. Full-time students can complete the degree in nine semesters (i.e. four years plus one summer).

Students who successfully complete all degree requirements are awarded a BS in Medical Laboratory Science and are eligible to seek professional certification from the American Society for Clinical Pathology (ASCP).

**Major Course Requirements**

BSMLS Degree Requirements (104 credit hours)

- BIOL 1951  Biology Orientation (1)
- BIOL 1311  Biology 1: Cells and Molecules (4)
- BIOL 1321  Biology 2: Organismal Biology (4)
- BIOL 2101  Introductory Genetics (4)
- BIOL 2311  Anatomy and Physiology 1 (3)
- BIOL 2321  Anatomy and Physiology 2 (3)
- BIOL 3031  Histology (4)
- BIOL 3111  Introduction to Microbiology (4)
- BIOL 3431  Histological Techniques (3)
- BIOL 3521  Cell and Molecular Biology Lab (2)
- BIOL 2171  Molecular Biology (3)

BSMLS Degree Requirements (104 credit hours)

- BIOL 1951  Biology Orientation (1)
- BIOL 1311  Biology 1: Cells and Molecules (4)
- BIOL 1321  Biology 2: Organismal Biology (4)
- BIOL 2101  Introductory Genetics (4)
- BIOL 2311  Anatomy and Physiology 1 (3)
- BIOL 2321  Anatomy and Physiology 2 (3)
- BIOL 3031  Histology (4)
- BIOL 3111  Introduction to Microbiology (4)
- BIOL 3431  Histological Techniques (3)
- BIOL 3521  Cell and Molecular Biology Lab (2)
- BIOL 2171  Molecular Biology (3)

- BIOL 4621  Biological Fluids (3)
- BIOL 4631  Clinical Immunology (3)
- BIOL 4641  Hematology and Hemostasis (4)
- BIOL 4671  Diagnostic Microbiology (4)
- MLS 4601  Foundations of Clinical Laboratory Science (3)
- MLS 4611  Professional Practice and Development (3)
- MLS 4651  Blood Banking and Transfusion Science (4)
- MLS 4661  Clinical Chemistry (4)
- MLS 4681  Clinical Laboratory Practicum (2)
- MLS 4691  Clinical Hematology Practicum (4)
- MLS 4701  Blood Bank Practicum (4)
- MLS 4771  Clinical Chemistry Practicum (4)
- MLS 4721  Clinical Microbiology Practicum (4)
- MLS 4731  Immunology and Infectious Disease Practicum (2)
- MLS 4741  Case Studies in Medical Lab Science (1)
- MLS 4921  Capstone Experience (1)
- MLS 4941  Capstone Seminar (1)

- CHEM 1711  General Chemistry 1 (5)
- CHEM 1721  General Chemistry 2 (5)
- CHEM 2511  Organic Chemistry 1 (3)
- CHEM 2521  Organic Chemistry 2 (3)
- CHEM 2551  Organic Chemistry Lab 1 (1)
- CHEM 2561  Organic Chemistry Lab 2 (1)

1 MLS core courses are the requirement for the Post-Baccalaureate Certificate in MLS.
Essential Functions

Essential functions are nonacademic standards that all WCOMLS Program students must master and execute successfully to participate in and complete the program without compromising the safety and the well-being of students, instructors, and patients and the public. The WCOMLS program essential functions require that a student do the following:

1. Identify and differentiate physical features, including color, shape and size of microscopically viewed materials.
2. Identify, discriminate and characterize the physical attributes (e.g., color, odor, consistency) of biological samples, reagents and endpoints of chemical reactions.
3. Read numbers, letters and symbols displayed in print whether transmitted through non-electronic or other technological media.
4. Identify and respond to warning signals.
5. Demonstrate dexterity to perform analyses in accordance with established laboratory protocols and to manipulate laboratory utensils, tools, equipment and instrumentation, including computer touch-screens, keyboards and handheld calculators.
6. Engage in a sustained physical activity that may require sitting, standing or walking for extended periods of time.
7. Practice laboratory safety and respond to emergent situations in accordance with established guidelines to minimize harm and danger to self and others.
8. Exercise range of motion and reach to work in laboratory facilities, to assist patients who may be seated, prone or standing and to manipulate sample containers, lab utensils, tools, equipment and instrumentation without threatening harm or violating safety protocols.
9. Use available modes of transportation to travel between the university campus and off-campus training sites.
10. Collect specimens in a safe, timely and professional manner without compromising sample integrity or causing the patient undue pain and suffering.
11. Ask appropriate scientific questions and demonstrate ability to evaluate and draw conclusions.
12. Organize and communicate results obtained by observation and experimentation in oral and written form under conditions of stress or calm and within given time constraints.
13. Identify and employ strategies that minimize miscommunication.
14. Adhere to established policies to safeguard confidentiality of information communicated by non-electronic and electronic means.
15. Perform multiple tasks with focused attention on safety, accuracy and quality.
16. Communicate tactfully, respectfully and regardless of the intended audience’s race, color, creed, religion, sex, age, handicap, veteran status or national origin.
17. At all times and in all circumstances, maintain a professional demeanor and perform every task assignment with focused attention on safety, accuracy and quality.
18. Speak, act and perform assigned tasks in an ethical manner.
19. Recognize and work within the limits of personal abilities, ask for help when required and actively participate in opportunities to improve.
20. Engage in actions that support team workmanship and minimize conflict.
21. Work collaboratively and independently, demonstrating knowledge and mastery of skills when speaking, writing or taking examinations.

Medical Laboratory Science Post-Baccalaureate Certificate

The ONU post-baccalaureate certificate in MLS focuses on educating academically qualified individuals in the medical laboratory sciences using a community-partnered curriculum. Specifically, students must complete a minimum of 51 semester hours of clinical laboratory science core coursework including the supervised applied clinical experience.

Post-Baccalaureate Certificate Requirements

See the list of MLS core courses on page 49. All MLS core courses must be completed with a grade of “C” or higher.

Essential Functions

See the list of Essential Functions above.

Subject - Biological Sciences (BIOL)

BIOL 1031-Life and Earth Sciences for Early and Middle Childhood Education Majors

3 Credits

Diversity, evolution, ecology, cell biology, inheritance and earth science as they affect and have affected life on earth. A Nature Center use fee and lab fee are charged. DOES NOT SATISFY ANY REQUIREMENTS FOR THE MAJOR IN BIOLOGY, CLINICAL LABORATORY SCIENCE, ENVIRONMENTAL AND FIELD BIOLOGY, OR MOLECULAR BIOLOGY. Formerly BIOL 103. Must be enrolled in one of the following Fields of Study: Early Childhood Education, Education, Middle Childhood Education. Course Attributes: Math/Natural Sciences, Scientific and Quantitative Literacy.

BIOL 1101-Principles and Concepts of Human Biology

3 Credits

This course is designed to take the basic principles of cell structure and function and incorporate them into a working knowledge of the organ systems of the human body by using hands-on experiments and laboratory exercises to reinforce concepts presented in lecture. A lab fee is charged. Formerly BIOL 110. Must be enrolled in one of the following Fields of Study: Nursing, Pharmaceutical Business. Course Attributes: Math/Natural Sciences.

BIOL 1201-Introductory Biology

4 Credits

An introduction to the concepts underlying the structure and function of cells including their organization, chemical foundations, metabolism, and the principles and mechanisms of heredity and gene expression. Laboratory activities emphasize the scientific method in exploring these topics. A lab fee is charged. May not be enrolled in one of the following Departments: Biological & Allied Health Sci. Course Attributes: Math/Natural Sciences.

BIOL 1311-Biology 1: Cells and Molecules

4 Credits

An introduction to the concepts underlying the structure and function of cells including their organization, chemical foundations, metabolism, and the principles and mechanisms of heredity and gene expression. Laboratory activities emphasize the scientific method in exploring these topics. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 1101. Must be enrolled in one of the following Fields of Study: Biochemistry ACS Certified, Biology, Civil Engineering, Computer Engineering, Electrical Engineering, Engineering Education, Environmental and Field Bio, Forensic Biology, Mechanical Engineering, Medical Laboratory Science, Molecular Biolog Course Attributes: Math/Natural Sciences, Scientific and Quantitative Literacy.

BIOL 1321-Biology 2: Organismal Biology

4 Credits

Comprehensive integrated study of plant and animal anatomy and physiology focusing on the major systems. Corresponding inquiry-based laboratories complement the lecture. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 1311. Must be enrolled in one of the following Fields of Study: Biochemistry ACS Certified, Biology, Civil Engineering, Computer Engineering, Electrical Engineering, Engineering Education, Environmental and Field Bio, Forensic Biology, Mechanical Engineering, Medical Laboratory Science, Molecular Biolog Course Attributes: Math/Natural Sciences, Scientific and Quantitative Literacy.

BIOL 1341-Human Anatomy and Histology

3 Credits

Basic anatomy of human tissues and organ systems at the gross and microscopic levels. DOES NOT SATISFY ANY REQUIREMENTS FOR THE MAJOR IN BIOLOGY OR MOLECULAR BIOLOGY. Offered spring semester. Prerequisite(s): BIOL 1311 or BIOL 1201. Corequisite(s): BIOL 1361. Course Attributes: Math/Natural Sciences.

BIOL 1361-Lab for Human Anatomy and Histology

1 Credit

This course is designed to take the basic principles of cell structure and function and incorporate them into a working lab for BIOL 1341. Human systems studied using cat dissection, radiographs, anatomical models and histological slides. Offered spring semester. Prerequisite(s): BIOL 1311 or BIOL 1201. Corequisite(s): BIOL 1341.
BIOL 1911-Summer Honors Institute
1 to 3 Credits Grading mode is S/U
Topics in the Biological and Allied Health Sciences field. Enrollment is restricted to attendees of the Summer Honors Institute. May be repeated as the topic varies. This course may be repeated 6 times. Course Attributes: Requires Instructor Approval.

BIOL 1951-Biology Orientation
1 Credit Grading mode is S/U
Presentations and discussions relating to adjustment and requirements of academic life within the University, College and the Department of Biological & Allied Health Sciences. Offered spring semester.

BIOL 2001-Biology 3: Diversity of Life
4 Credits
Investigations of ecological and evolutionary processes, biodiversity, phylogenetic relationships, and paleogeography. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 1321. Must be enrolled in one of the following Fields of Study: Biochemistry ACS Certified, Biology, Civil Engineering, Clinical Laboratory Science, Computer Engineering, Electrical Engineering, Engineering Education, Environmental and Field Bio, Forensic Biology, Mechanical Engineering, Molecular Bioi Course Attributes: Math\Natural Sciences.

BIOL 2011-Environmental Issues
3 Credits
The interaction of humans and their surroundings with an emphasis on the problems arising from increasing human population, pollution, and resource use. Offered fall and spring semesters. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

BIOL 2041-Systematic Plant Survey
3 Credits
The phylogeny, classification, morphology, and development of selected plant and algal taxa. A Nature Center use fee and lab fee are charged. Formerly BIOL 204. Offered alternate years. Prerequisite(s): BIOL 2001. Course Attributes: Math\Natural Sciences.

BIOL 2101-Genetics
4 Credits
Cytogenetics, Mendelian, molecular, and population genetics. Molecular genetics has an emphasis on biotechnology. Labs are paper and computer based. Emphasis on human genetics. A lab fee is charged. Formerly BIOL 210. Offered fall and spring semesters. Prerequisite(s): BIOL 1311 or BIOL 123 and (CHEM 1721 or CHEM 173 or CHEM 183 or CHEM 1821). Course Attributes: Math\Natural Sciences.

BIOL 2131-Natural History
2 Credits
The recognition, identification, and understanding of local biotic communities and their inhabitants. Field study is emphasized. A Nature Center use fee and lab fee are charged. Offered spring semester. Course Attributes: Math\Natural Sciences, Informed Ethical Responses.

BIOL 2151-Microbiology for Nurses
3 Credits
The characteristics and control of microorganisms related to human infectious disease. Prerequisite(s): BIOL 2311 or BIOL 231. Corequisite(s): BIOL 2321. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Math\Natural Sciences.

BIOL 2171-Molecular Biology
3 Credits
Structure and function of DNA, RNA and Proteins. Transcription, gene regulation, mobile DNA, and molecular evolution. On each topic prokaryotes and eukaryotes are compared. Lab is focused on molecular techniques. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 2101 or BIOL 210. Course Attributes: Math\Natural Sciences.

BIOL 2191-Forensic Biology 1
4 Credits
Introduction and Investigating the Crime Scene, Identifying and Processing Physical Evidence including, Hair and Fibers, Glass, Fingerprints, Questioned Documents, Firearms, Inorganic substances: Determination of Trace Metals from Gunshot Residue, Arson, Drugs of Abuse, Toxicology, Biological Fluids and Introduction to Forensic DNA Typing, Explosives and Detection of Weapons of Mass Destruction will be covered. Introduction to theory and practice of forensic chemical analysis from spot tests through instrumentation including practical application of this instrumentation. A laboratory fee is charged. High school biology, chemistry and physics are required. Offered fall semester. Prerequisite(s): BIOL 1311 Minimum Grade of C or BIOL 123 Minimum Grade of C. Course Attributes: Math\Natural Sciences.

BIOL 2231-Invertebrate Zoology
3 Credits
The diversity, ecology, evolution, morphology and developmental biology of invertebrate animals. Emphasis on major phyla. A lab fee is charged. Offered spring semester. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences.

BIOL 2291-Forensic Biology 2
4 Credits
This course is a continuation of the Forensic Biology 2191 course. Topics will include the practice of forensic sciences including an emphasis on forensic toxicological methods and includes Legal Aspects of Forensic Science, Admissibility Standards for Forensic Evidence in the Courts, including aspects of Federal Rules of Evidence, Frye and Daubert Hearings. Ethical considerations of past and present issues. In addition, the introduction to the practice of quality assurance and quality control in the laboratory. A lab fee is charged. Offered fall semester. Prerequisite(s): BIOL 2191 Minimum Grade of C or BIOL 219 Minimum Grade of C. Course Attributes: Math\Natural Sciences.

BIOL 2311-Anatomy and Physiology 1
3 Credits
Cells, tissues, skin, nervous, skeletal, muscular systems. CREDIT CANNOT BE RECEIVED FOR BOTH BIOL 2311 AND BIOL 3241. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 1101 or BIOL 110 or BIOL 1231 or BIOL 1341 or BIOL 124 or BIOL 122. Course Attributes: Math\Natural Sciences.

BIOL 2321-Anatomy and Physiology 2
3 Credits
Continuation of BIOL 2311. Endocrine, blood, cardiovascular, respiratory, excretory, and reproductive systems. CREDIT CANNOT BE RECEIVED FOR BOTH BIOL 2321 AND BIOL 3251. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIOL 2311 or BIOL 231. Course Attributes: Math\Natural Sciences.

BIOL 2381-Emergency Medical Technician Training
1 Credit
Ohio Department of Public Safety certified training program. Successful completion of course requirements, and National Registry of Emergency Medical Technicians examination provides national EMT_Basic certification. Open to all students. DOES NOT COUNT TOWARD THE MAJOR IN BIOLOGY. Offered fall semester. Course Attributes: Requires Instructor Approval.

BIOL 2401-OSHA 40 Hour Safety Training
2 Credits
Response operations for the remediation incidents involving hazardous materials. Provided by arrangement with the Rhodes State College in Lima. DOES NOT COUNT AS A BIOLOGY COURSE. Offered fall semester.

BIOL 2451-OSHA Refresher
1 Credit Grading mode is S/U
Compiles with requirements regarding annual follow-up training for hazardous waste site workers who have previously completed BIOL 240 (OSHA Safety Training). Taught at Rhodes State College in Lima. DOES NOT COUNT AS A BIOLOGY COURSE. Offered fall semester. Prerequisite(s): BIOL 2401 or BIOL 240. This course may be repeated 3 times.
**Biol 2511-Ecology**  
4 Credits  
Study of the theory and application of how organisms interact with their biotic and abiotic environment. Considers organismal-, population-, community-, and ecosystem-level ecology. A lab fee is charged. Offered fall semester. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math/Natural Sciences, Scientific and Quantitative Literacy.

**Biol 2531-Nutrition for Nurses**  
3 Credits  
The maintenance of health through conventional dietary strategies, energy factors associated with body weight and the pathology of various body systems with corresponding medical nutrition therapies. Offered spring semester. Prerequisite(s): BIOL 2321 or BIOL 232. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Math/Natural Sciences.

**Biol 2551-Epidemiology**  
3 Credits  
A broad overview of the field of epidemiology, with heavy emphasis on infectious diseases. Students will explore the relationship between behavior and health or disease, learn to identify patterns of disease transmission, and learn how to design an effective epidemiological study and how to evaluate and interpret the results of published studies. BIOL 1201 or BIOL 1311 or permission of instructor required prior to enrollment in this course. Offered spring semester. Prerequisite(s): BIOL 1201 or BIOL 1311 or BIOL 122. Course Attributes: Math/Natural Sciences, Diversity-Human Interaction.

**Biol 2591-Forensic Crime Scene Investigation**  
4 Credits  
The techniques of crime scene investigation and reconstruction will emphasize recognition and search, collection and preservation of physical evidence. Exercises will require acquisition of skills to sketch, note take and photograph crime scenes and evidence. Emphasis will be on the goal of crime scene reconstruction. Practical techniques for fingerprint evidence recovery, cast and impressions along with bloodstain evidence and crime scene photography will be practiced. A laboratory fee is charged. Offered spring semester. Prerequisite(s): BIOL 2291 or BIOL 239. Course Attributes: Math/Natural Sciences.

**Biol 2631-Biogeography**  
4 Credits  
Current and historic distribution of plants and animals related to major geological and evolutionary concepts. A Nature Center use fee and lab fee are charged. Formerly BIOL 263. Offered alternate spring semesters. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math/Natural Sciences.

**Biol 2691-Forensic Computer Analysis**  
4 Credits  
The history of computer crime, investigations of pre-search and on-scene activities, data analysis and file recovery on devices such as computer and cell phones. Actual in class secured network simulations. Hands-on activities utilizing FBI approved software. A laboratory fee is charged. Formerly BIOL 229. Offered spring semester. Prerequisite(s): BIOL 2191 or BIOL 219. Course Attributes: Math/Natural Sciences.

**Biol 2751-Medicinal Herbs**  
1 Credit  
Students will identify locally growing medicinal herbs, learn current and historical medicinal uses for herbs from many locales and practice hands-on techniques for preparation of herbal remedies. Students will participate in a Service Learning Project to establish a medicinal herb garden on campus, develop an educational pamphlet to serve as a self guided tour of the garden, develop web pages as an educational tool for the herb garden website and deliver a class presentation on one herb. A lab fee is charged.

**Biol 2901-Special Topics in Biological Sciences**  
1 to 3 Credits  
Grading system at the discretion of the instructor. May be repeated for credit as the topic varies. Maximum of 6 hours can be counted toward the major. Formerly BIOL 290. This course may be repeated 7 times. This course is repeatable for a total of 7 hours. Course Attributes: Requires Instructor Approval.

**Biol 2971-Independent Study in Biology**  
1 to 4 Credits  
Can be repeated for a maximum of 3 credit hours. Offered fall and spring semesters. This course is repeatable for a total of 3 hours. Course Attributes: Requires Department Approval.

**Biol 3011-Developmental Anatomy**  
3 Credits  
Development of the embryo through the first 8 weeks, as well as germ cell formation, fertilization, conception, and implantation events. Comparative embryological development presented, with focus on human development. A lab fee is charged. Offered spring semester. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math/Natural Sciences.

**Biol 3021-Human Anatomy**  
4 Credits  
Human body systems using x-rays, MRIs, skeletal material, and cadaver dissection. A lab fee is charged. BIOL 2001 or BIOL 122 or permission of instructor required prior to enrollment in this course. Offered fall semester. Prerequisite(s): BIOL 2001 or BIOL 122. Course Attributes: Math/Natural Sciences.

**Biol 3031-Histology**  
4 Credits  
Human cells, tissues, organs, and systems studied at the microscopic level. A lab fee is charged. Formerly BIOL 303. Offered fall semester. Prerequisite(s): BIOL 1201 or BIOL 1311 or BIOL 122. Course Attributes: Math/Natural Sciences.

**Biol 3051-Environmental Toxicology**  
3 Credits  
Effects of both man-made and natural toxic agents in plant and animal systems. Offered fall semester. Prerequisite(s): (BIOL 1201 or BIOL 1311) and (CHEM 1721 or CHEM 1812 or CHEM 173 or CHEM 183). Course Attributes: Math/Natural Sciences.

**Biol 3091-Integrated Plant Anatomy and Physiology**  
4 Credits  
Principles of vascular plant morphology, anatomy, and ultra-structure are integrated with the basic physiological processes of growth, development, transport, and response to the environment. A lab fee is charged. Formerly BIOL 308 and BIOL 310. Offered alternate spring semesters. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math/Natural Sciences.

**Biol 3111-Microbiology**  
4 Credits  
Students will be expected to master the basic principles of microbiology. Although students will focus their studies on the different groups of bacteria and viruses, a brief survey of fungi, algae, and protozoans will also be performed. The significance of microbes will be discussed in terms of their medical, environmental, economical, and research importance as students practice laboratory techniques for culturing, identifying, and manipulating them. A lab fee is charged. Offered spring semester. Prerequisite(s): (BIOL 2001 or BIOL 122) and (CHEM 1721 or CHEM 1821 or CHEM 173 or CHEM 183). Course Attributes: Math/Natural Sciences.
BIOLOGICAL & ALLIED HEALTH SCIENCES

BIO 3131—Medical Microbiology
3 Credits
Microbial cell biology, antimicrobial chemotherapy, interactions of microorganisms with humans and other organisms, microbial diversity. Offered fall and spring semesters. Prerequisite(s): BIO 1311 or (BIO 1201 or BIO 124). Course Attributes: Math\Natural Sciences.

BIO 3151—Medical Terminology
1 Credit
Students will master the vocabulary of the medical field as it pertains to the ten major body systems. Additionally, students will review medical terminology associated with the following specific related disciplines: pharmacology, optometry, otorhinolaryngology, emergency medicine, gerontology, radiology, oncology, physical therapy, occupational therapy, rehabilitation services, surgery, psychiatry, alternative medicine, and pediatrics. Offered fall semester.

BIO 3191—Forensic Microscopy
3 Credits
Introduction to fundamentals of light and optics, to advanced microscopical analysis including forensic sample analysis utilizing bright field, dark field, polarizing, fluorescent and phase contrast microscopy. Laboratory application to forensic science for identification of hairs, fibers and trace evidence. A lab fee is charged. Offered fall semester. Prerequisite(s): BIO 2291 Minimum Grade of C or BIO 229 Minimum Grade of C. Course Attributes: Math\Natural Sciences.

BIO 3221—Bioscience Laboratory
1 Credit
Methods used in drug development; routine histological techniques, and in vitro and in vivo drug screening. In vivo models of selected diseases are presented. Experimental data analysis in microbiology, molecular biology and cell biology. A lab fee is charged. Formerly BIO 322 and BIO 323. Offered fall semester. Prerequisite(s): BIO 313 or BIO 3131.

BIO 3241—Medical Physiology I
4 Credits
The first in a sequence of two courses that provides an in-depth survey of human physiology systems. The course includes didactic lectures, pharmacy connections and practical applications of physiological principles through scenario analyses. Major themes covered in this course include: transport across the plasma membrane, the somatic and autonomic nervous systems, smooth and skeletal muscle physiology, and the gastrointestinal system. Formerly BIO 331. Prerequisite(s): (BIO 1311 and CHEM 1721) or (BIO 1341 and CHEM 1821) or (BIO 124 and CHEM 172) or (BIO 124 and CHEM 183). Must be enrolled in one of the following Fields of Study: Pharmacy. Course Attributes: Math\Natural Sciences.

BIO 3311—Physiology 1
4 Credits
The first in a sequence of two courses that provides an in-depth survey of human physiology systems. The course includes didactic lectures, pharmacy connections and practical applications of physiological principles through scenario analyses. Offered spring semester. Prerequisite(s): BIO 3111 or BIO 331. Must be enrolled in one of the following Fields of Study: Pharmacy. Course Attributes: Math\Natural Sciences.

BIO 3321—Physiology 2
4 Credits
The second in a sequence of two courses that provides an in-depth survey of human physiology systems. The course includes didactic lectures, pharmacy connections and practical applications of physiological principles through scenario analyses. Offered fall semester. Prerequisite(s): BIO 3311 or BIO 331. Must be enrolled in one of the following Fields of Study: Pharmacy. Course Attributes: Math\Natural Sciences.

BIO 3401—Professional Experience Co-op
4 Credits Grading mode is S/U
Experience in a biologically or environmentally-related occupation with a governmental, consulting or industrial entity. Offered fall semester. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Math\Natural Sciences, Requires Department Approval.

BIO 3431—Histological Techniques
3 Credits
Principles and procedures used in the preparation of biological specimens for microscopic study. Techniques include tissue spreads and smears, and paraffin and frozen sections using routine and histochemical stains. A lab fee is charged. Offered as needed. Prerequisite(s): BIO 1321 or BIO 122. This course is repeatable for a total of 4 hours. Course Attributes: Math\Natural Sciences.

BIO 3511—Cell Biology
3 Credits
Students will be expected to integrate lecture and laboratory data regarding cell structure and function to develop an understanding of eukaryotic cells as dynamic entities. A lab fee is charged. Offered spring semester. Prerequisite(s): (BIO 1311 Minimum Grade of C and CHEM 1721) or (BIO 123 and CHEM 173) or (BIO 123 and CHEM 183). Course Attributes: Math\Natural Sciences.

BIO 3521—Integrated Cell and Molecular Biology Laboratory
2 Credits
Execution of advanced research techniques in molecular/cellular biology utilizing plant and animal model systems with added emphasis on data analysis and interpretation. A lab fee is charged. Offered fall and spring semesters. Prerequisite(s): BIO 2171 or BIO 3511. Concurrency allowed. Corequisite(s): BIO 2171, BIO 3511. Course Attributes: Math\Natural Sciences.
BIOL 3541-Bioinformatics

4 Credits

Introduction to the use of data mining using the extensive NCBI-based applications for the field of genomic and proteomics analysis. Computer-based laboratory and homework exercises using NCBI databases and other public domain sequence sources to explore genetic diseases, antibiotic resistance, protein function, the relationship between RNA sequence and protein structure prediction, and molecular phylogenetics with a slant to evolution theory. A laboratory fee is charged. Offered fall semester. Prerequisite(s): BIOL 2101 or BIOL 210) and (BIOL 2171 or BIOL 217). Course Attributes: Math\Natural Sciences.

BIOL 3571-Forensics DNA Analysis

4 Credits

Review of the historical methods of forensic DNA analysis and including multiple techniques for the extraction, Quantification and analysis of genomic STR, mitochondrial DNA and Y-STR analysis. Laboratory will include sample collection methods, storage and characterization of various crime scene samples and performance of human DNA Quantification, autosomal DNA analysis, mitotyping and Y-STR typing. Includes the statistical interpretation of forensic DNA evidence, DNA databases, and Quality Assurance. A laboratory fee is charged. Offered spring semester. Prerequisite(s): BIOL 3111 and BIOL 3151. Corequisite(s): CHEM 3111, CHEM 3151. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 3601-North American Mammals

3 Credits

Natural history, behavior, ecology and systematics of North American orders and most North American families. A weekend field trip is required. A lab fee is charged. Offered on demand. Prerequisite(s): BIOL 1321. Course Attributes: Math\Natural Sciences.

BIOL 3611-Entomology

3 Credits

Morphology, physiology, ecology, evolution and taxonomy of insects. Laboratory emphasizes field collection, identification and curation of insects. A weekend field trip is required. A Nature Center use fee and lab fee are charged. BIOL 2231 recommended. Offered alternate fall semesters. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences.

BIOL 3621-Parasitology

3 Credits

Taxonomy, pathology, ecology, and evolution of major human and veterinary protozoan and metazoan parasites, including their distribution, life cycles, prevention and control. BIOL 2231 recommended. A lab fee is charged. Offered alternate fall semesters. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences.

BIOL 3631-Oriithology

3 Credits

Study of taxonomy, ecology, natural history, and behavior of birds, with emphasis on North American taxa. A weekend field trip is required. A Nature Center use fee and lab fee are charged. BIOL 2001 or BIOL 123 or permission of instructor is required prior to enrollment in this course. Formerly BIOL 363 Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 3641-Herpetology

3 Credits

Amphibians and reptiles emphasizing species native and introduced to Ohio and neighboring states. A weekend field trip is required. A Nature Center use fee and lab fee are charged. Formerly BIOL 364. Offered on demand. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences.

BIOL 3651-Forensic Entomology

3 Credits

Application of insects to legal proceedings, especially medico-criminal. The collection and identification of larval and adult insects from carrion models and their use in determining post-mortem interval is emphasized. Recent developments in the field of forensic entomology, including molecular and laboratory techniques, are examined. A lab fee is charged. Offered alternate fall semesters. Prerequisite(s): BIOL 2001 Minimum Grade of C or BIOL 2291 Minimum Grade of C or BIOL 122 Minimum Grade of C. Course Attributes: Math\Natural Sciences.

BIOL 3661-Environmental Research Methods

3 Credits

The study of the design, execution, analysis, and communication of original research in environmentally-oriented fields. Offered fall semester. Prerequisite(s): (BIOL 2001 or BIOL 123) and (BIOL 2131 or BIOL 213). Corequisite(s): BIOL 3711, BIOL 3681, BIOL 3691, BIOL 3701. Course Attributes: Math\Natural Sciences.

BIOL 3671-Field Botany

3 Credits

Identification of native aquatic and terrestrial flora with an emphasis on the use of keys, principles of classification, field work, ecological concepts, and herbarium methods. University defensive driving certification required. A Nature Center use fee and lab fee are charged. Offered fall semester. Prerequisite(s): (BIOL 2001 or BIOL 123) and (BIOL 2131 or BIOL 213). Corequisite(s): BIOL 3611, BIOL 3661, BIOL 3681, BIOL 3691, BIOL 3701. Course Attributes: Math\Natural Sciences.

BIOL 3681-Ichthyology

3 Credits

Fish biology, particularly Ohio freshwater teleosts, emphasizing field exercises, techniques and systematics. University defensive driving certification required. A Nature Center use fee and lab fee are charged. Offered fall semester. Prerequisite(s): (BIOL 2001 or BIOL 123) and (BIOL 2131 or BIOL 213). Corequisite(s): BIOL 3661, BIOL 3671, BIOL 3691, BIOL 3701. Course Attributes: Math\Natural Sciences.

BIOL 3691-Field Invertebrate Biology

3 Credits

Field investigations of aquatic and terrestrial invertebrates emphasizing the diversity, ecology, conservation, and methods for their study. University defensive driving certification required. A Nature Center use fee and lab fee are charged Offered fall semester. Prerequisite(s): (BIOL 2001 or BIOL 123) and (BIOL 2131 or BIOL 213). Corequisite(s): BIOL 3661, BIOL 3671, BIOL 3681, BIOL 3701. Course Attributes: Math\Natural Sciences.

BIOL 3701-Marine Biology

3 Credits

Organisms and their habitats emphasizing southeastern and Gulf coastal and offshore environments. A two-week field trip to a selected marine environment is required. University defensive driving certification required. Additional fee is charged. Offered fall semester. Prerequisite(s): (BIOL 2001 or BIOL 123) and (BIOL 2131 or BIOL 213). Corequisite(s): BIOL 3681, BIOL 3671, BIOL 3691, BIOL 3701. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 3711-Advanced Marine Biology

3 Credits

Ecological, physical and chemical aspects of marine systems. A two-week field trip to a selected marine environment is required. An additional fee is charged. Prerequisite(s): BIOL 3701 or BIOL 271. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 3721-Topics in Marine Biology

3 Credits

Ecological, physical and chemical aspects of marine systems. A two-week field trip to a selected marine environment is required. An additional fee is charged. Formerly BIOL 372. Offered alternate spring semesters. Prerequisite(s): BIOL 3701 or BIOL 271. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.
BIOL 3831 - Animal Behavior
3 Credits
Invertebrates and vertebrates, stressing observational and descriptive techniques. Offered alternate years. A lab fee is charged. Prerequisite(s): BIOL 2001 or BIOL 123. Course Attributes: Math\Natural Sciences.

BIOL 3841 - Animal Behavior Laboratory
1 Credit
Laboratory to accompany the Animal behavior (BIOL 3831) course. Provides overview of design, completion, analysis, and communication of results from observational and experimental behavioral research. Corequisite(s): BIOL 3831.

BIOL 3971 - Self-Directed Studies in the Biological Sciences
1 to 3 Credits
Investigation of specialty fields within the biological sciences by utilizing interactive and/or multimedia programs. A maximum of 3 hours may be counted toward the major. Cannot be used as a general education class. Graded S/U. Formerly BIOL 397. Offered fall and spring semesters. Prerequisite(s): BIOL 2001 or BIOL 123.

BIOL 4231 - Topics in Ecology and Biogeography
3 Credits
Current literature on selected topics. May be repeated for credit as the topics vary. Formerly BIOL 423. Offered spring semester. Prerequisite(s): (BIOL 2511 or BIOL 251) and (BIOL 2631 or BIOL 263). Unlimited repeats permitted. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 4511 - Advanced Topics in Cell Biology
2 Credits
Current literature on selected cell biology. May be repeated for credit as the topics vary. Formerly BIOL 451. Offered fall semester. Prerequisite(s): (BIOL 3511 or BIOL 351) and (CHEM 3111 or CHEM 311) or (PHBS 3411 or PHBS 341). This course is repeatable for a total of 6 hours. Course Attributes: Math\Natural Sciences.

BIOL 4621 - Biological Fluids
3 Credits
Lecture/laboratory coverage of various human body fluids, including urine, sweat, seminal fluid, amniotic fluid, cerebrospinal fluid, and serous fluids, the physical and biochemical methods used to analyze them, and correlations of results with states of health and disease. A lab fee is charged. Minimum grade of C for MLS majors. Offered fall semester. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 4631 - Clinical Immunology
3 Credits
Lecture/laboratory coverage of the structure and function of the human immune system and methods used to diagnose, prognose, and monitor its response in health and disease states. A lab fee is charged. Minimum grade of C for MLS majors. Offered summers. Course Attributes: Math\Natural Sciences, Requires Instructor Approval.

BIOL 4641 - Hematology and Hemostasis
5 Credits
Lecture/laboratory coverage of human blood ontogeny, kinetics, pathophysiology, and methods used to diagnose, prognose, and monitor diseases of the blood, blood forming tissues, and disorders of ASBIOL BIOL hemostasis. A lab fee is charged. Minimum grade of C for MLS majors. Offered fall semester. Course Attributes: Requires Instructor Approval.

BIOL 4671 - Diagnostic Microbiology
5 Credits
Lecture/laboratory coverage of microbes of medical interest, emphasizing application of conventional methods and emerging technologies to isolate, identify, and detect antimicrobial susceptibility of bacteria, viruses, fungi, and parasites associated with human disease. A lab fee is charged. Minimum grade of C for MLS majors. Offered summers. Course Attributes: Requires Instructor Approval.

BIOL 4811 - Internship Program
12 Credits Grading mode is S/U
Experience enables the student to experience working with scientists in a professional workplace. Only 4 credit hours can be used in the major. Formerly BIOL 481. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Senior.

BIOL 4821 - Internship in Environmental Studies
12 Credits
Experience working with scientists in a professional workplace. Only 4 credit hours can be used in the major. Formerly BIOL 482. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Environmental and Field Bio. Must be enrolled in one of the following Classifications: Senior.

BIOL 4831 - Forensic Biology Internship
4 Credits
Capstone experience for Forensic Biology Major or Biology Major/Molecular Biology Majors with Criminal Justice Option. This experiential program is designed for the student to work in a forensic testing laboratory or laboratory approved by the Director of the Forensic Biology Major and the Internship Committee. Completion of three years of forensic biology coursework or senior status. Formerly BIOL 483. Prerequisite(s): BIOL 3571 Minimum Grade of C or BIOL 357 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Biology, Forensic Biology, Molecular Biology. Course Attributes: Math\Natural Sciences, Requires Department Approval.

BIOL 4841 - Experiential Biology
4 Credits
Summer off-campus field and laboratory experiences. Only available during summer terms. 400 hours of experiential experience required. Must be enrolled in one of the following Classifications: Junior. Course Attributes: Math\Natural Sciences, Requires Department Approval.

BIOL 4891 - Special Topics in Biological Sciences
1 to 4 Credits
Disciplines such as mammalogy and plant taxonomy. May be repeated for credit as topic varies. A lab fee is charged. Formerly BIOL 490. This course is repeatable for a total of 7 hours.

BIOL 4921 - Capstone Experience
1 Credit
Experience off-campus REU research program, study abroad, internship or other approved experience in a biological field of study. Student must be approved by the Department in the semester prior to enrollment. Offered fall and spring semesters.

BIOL 4941 - Capstone Seminar
1 Credit
Senior capstone-oral and written presentations of Capstone Experience. The ETS Major Field Test in Biology is required and a special fee is assessed. Offered fall and spring semesters. Prerequisite(s): BIOL 4921 Minimum Grade of C.

BIOL 4971 - Independent Research in Biology
1 to 3 Credits
For students interested in mentored research project with the proposed topic approved by the department and chair. The completed research will involve a scientific paper. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Biology, Clinical Laboratory Science, Environmental Studies, Forensic Biology, Molecular Biology. Must be enrolled in one of the following Classifications: Senior. This course is repeatable for a total of 7 hours.
**Subject - Medical Laboratory Science (MLS)**

**MLS 4601-Foundations of Medical Laboratory Science**  
3 Credits  
Lecture/laboratory coverage of the professional practices, including safety, regulatory issues, phlebotomy and specimen collection, handling, and processing, quality assurance, professionalism and ethics. Lab fee charged. Offered summers. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4611-Professional Practice & Development**  
3 Credits  
Web-based, interactive coverage of clinical laboratory management including organizational structure, laboratory operations, leadership, team building, legal issues, interpersonal and interdisciplinary communication, resources management, career development and education methodology. Offered fall semester. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4651-Blood Banking & Transfusion Science**  
3 Credits  
Lecture/laboratory coverage of blood groups biochemistry, genetics, and immunology, and discipline specific practices including donor selection, component preparation, detection and identification of antibodies, and compatibility testing. Lab fee charged. Offered fall semester. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science. Course Attributes: Requires Instructor Approval.

**MLS 4661-Medical Chemistry**  
4 Credits  
Lecture/laboratory coverage of analytical principles, techniques, and applications of tests to diagnose, assess, and manage health and disease states. Lab fee charged. Offered in one of the following Major fields of study: Medical Laboratory Science. Course Attributes: Requires Instructor Approval.

**MLS 4681-Medical Laboratory Practicum**  
2 Credits Grading mode is S/U  
Practical experience emphasizing policies and procedures governing operations including safety, specimen collection and phlebotomy, resource management, communications and information systems. Lab fee charged. Offered spring semester.

**MLS 4691-Medical Hematology Practicum**  
4 Credits  
Practical experience emphasizing application of knowledge and skills to perform a wide variety of testing in a clinical setting, and further develop discipline-specific competency. Lab fee is charged. Offered spring semester. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4701-Blood Bank Practicum**  
4 Credits  
Practical experience emphasizing application of knowledge and skills to perform a wide variety of testing in a clinical setting, implement therapy protocols, and further develop discipline-specific competency. Lab fee charged. Offered spring semester. Prerequisite(s): CLSS 4651 Minimum Grade of C or CLS 465 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4711-Medical Chemistry Practicum**  
4 Credits  
Practical experience emphasizing application of knowledge and skills to perform a wide variety of testing in a clinical setting and further develop discipline-specific competency. Lab fee charged. Offered spring semester. Prerequisite(s): CLSS 4661 Minimum Grade of C or CLS 466 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4721-Medical Microbiology Practicum**  
4 Credits  
Practical experience emphasizing application of knowledge and skills in a clinical setting to perform a wide variety of testing and to further develop discipline-specific competency. Lab fee charged. Offered spring semester. Prerequisite(s): BIOL 4671 Minimum Grade of C or BIOL 467 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4731-Immunology and Infectious Diseases Practicum**  
2 Credits  
Practical experience emphasizing application of knowledge and skills in a clinical setting to perform a wide variety of testing and to further develop discipline-specific competency. Lab fee charged. Offered spring semester. Prerequisite(s): BIOL 4631 Minimum Grade of C or BIOL 463 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4741-Case Studies in Medical Laboratory Science**  
1 Credit Grading mode is S/U  
Exploration of current topics in the field of laboratory medicine culminating in a written manuscript suitable for publication in a discipline-specific journal. The course may be repeated to appreciate various topical prospects. Offered spring semester. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science.

**MLS 4901-Special Topics in Medical Laboratory Science**  
1 to 3 Credits  
Exploration of current topics in the field of laboratory medicine culminating in a written manuscript suitable for publication in a discipline-specific journal. The course may be repeated to appreciate various topical prospects. Must be enrolled in one of the following Major fields of study: Medical Laboratory Science. This course is repeatable for a total of 6 hours.

**Subject - Geology (GEOL)**

**GEOL 2801-Geology**  
3 Credits  
Physical geology and paleogeology, including chemical properties of minerals and rocks, geologic processes, and earth materials. May be taken without GEOL 2811. Formerly GEOL 280. Offered fall semester. Course Attributes: Math/Natural Sciences.

**GEOL 2811-Geology Lab**  
1 Credit  
Labs utilize minerals, rock, sediments, maps and field trips to illustrate techniques used by geologists. A Nature Center use fee and lab fee are charged. Corequisite(s): GEOL 2801.

**GEOL 2901-Special Topics in Geology**  
1 to 4 Credits  
Labs utilize minerals, rock, sediments, maps, and field trips to illustrate techniques used by geologists. A Nature Center use fee is charged. May be repeated for credit up to total of 8 hours as the topic varies. Formerly GEOL 290. Offered fall semester. Prerequisite(s): GEOL 2801 or GEOL 280. This course is repeatable for a total of 7 hours.

**GEOL 2971-Independent Study in Geology**  
1 to 3 Credits Grading mode is S/U  
Independent study in geology. Formerly GEOL 297. Offered fall semester. This course is repeatable for a total of 6 hours. Course Attributes: Requires Instructor Approval.
DEPARTMENT OF CHEMISTRY
AND BIOCHEMISTRY

Professors Gray, Peterson; Associate Professors Bates, Bowers (Chair), Broekemeier, Celius, Myers, Perrine, Zimmerman; Assistant Professors Anderson-Wile, Karn, Spiese, Wile; Introductory Laboratory Coordinator Duliba; Director of Laboratories Dawes; Chemistry Laboratory Instructor Hall

Mission Statement
The Department of Chemistry and Biochemistry prepares students for research, academic, professional and technical careers in the physical and medical sciences. Students master methods in mathematics and physical sciences while developing competence to identify, analyze and solve scientific problems. The department also meets the needs of non-technical students for an understanding of scientific concepts and the scientific method and the ability to apply quantitative methods to identify and solve real-world problems.

Overview of Purpose and Offerings
The department offers majors and minors in chemistry and biochemistry. Chemistry majors in the department may choose a general education program leading to either the Bachelor of Arts degree or the Bachelor of Science degree. Students may pursue a concentration which results in American Chemical Society (ACS) certification. In addition, the department cooperates with the Center for Teacher Education in program planning for licensure for those desiring to teach at the secondary school level.

Accreditation
The department is approved by the American Chemical Society for the professional education of chemists and biochemists.

Majors, Minors and Degrees Offered
Biochemistry Major (BS)
Chemistry Major (BA, BS)
Biochemistry Minor
Chemistry Minor

Certifications and Licensure
Biochemistry Major/ACS Certified (BS)
Chemistry Major/ACS Certified (BS)
Teacher Licensure in Chemistry (BA, BS)
Teacher Licensure in Integrated Science (7-12)
Teacher Licensure in Life Sciences (7-12)

Major Course Requirements
All required courses in the major subject area must be completed with a grade of "C" or higher. All required courses outside of the major subject area must be completed with a grade of "D" or higher.

Biochemistry
Optional ACS Certification and teacher licensure are available to students completing this major.

BS Degree Requirements (70 credit hours)
CHEM 1811 General Chemistry 1 – Majors (5)
CHEM 1821 General Chemistry 2 – Majors (5)
CHEM 2001 Capstone 1 (1)
CHEM 2311 Analytical Chemistry 1 (4)
CHEM 2481 Chemical Applications of Math (3)
CHEM 2611 Organic Chemistry 1 – Majors (3)
CHEM 2651 Organic Chemistry 1 Lab – Majors (1)
CHEM 2661 Organic Chemistry 2 – Majors (3)
CHEM 2661 Organic Chemistry 2 Lab – Majors (2)
CHEM 3001 Capstone 2 (1)
CHEM 3111 Biochemistry (3)
CHEM 3151 Biochemistry Lab (1)
CHEM 3411 Physical Chemistry 1 (4)
CHEM 4001 Capstone 3 (2)
CHEM 4111 Advanced Biochemistry: Proteins and Metabolism (3)
CHEM 4121 Advanced Biochemistry: Information Transfer (3)
CHEM 4161 Advanced Biochemistry Lab (2)

Other required courses
BIOL 1311 Biology 1: Cells and Molecules (4)
BIOL 1321 Biology 2: Organismal Biology (4)
MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
PHYS 2311 Physics 1 (3)
PHYS 2341 Physics 1 Lab (1)
PHYS 2321 Physics 2 (3)
PHYS 2351 Physics 2 Lab (1)

ACS Certified Biochemistry
Additional requirements (19 to 20 credit hours)
CHEM 2621 Organic Chemistry 2 – Majors (3)
CHEM 2661 Organic Chemistry 2 Lab – Majors (2)
CHEM 3711 Inorganic Chemistry 1 (3)
CHEM 4111 Advanced Biochemistry: Proteins and Metabolism (3)
CHEM 4121 Advanced Biochemistry: Information Transfer (3)
CHEM 4161 Advanced Biochemistry Lab (2)

Choose one:
BIOL 3001/4001 approved by the department
CHEM 3201 Medicinal Chemistry (3)
CHEM 3421 Physical Chemistry 2 (4)
CHEM 3601 Organic Synthesis (4)
CHEM 4321 Analytical Chemistry 2 (3)
CHEM 4811 Senior Research 1 (2)
and
CHEM 4821 Senior Research 2 (2)

Chemistry
Optional ACS Certification (BS) and teacher licensure (BA, BS) are available to students completing this major.

BA Degree Requirements (46 to 51 credit hours)
CHEM 1811 General Chemistry 1 – Majors (5)
CHEM 1821 General Chemistry 2 – Majors (5)
CHEM 2001 Capstone 1 (1)
CHEM 2311 Analytical Chemistry 1 (4)
CHEM 2611 Organic Chemistry 1 – Majors (3)
CHEM 2651 Organic Chemistry 1 Lab – Majors (1)
CHEM 2401 Elements of Physical Chemistry (3)
or
CHEM 3411 Physical Chemistry 1 (4)
CHEM 3001 Capstone 2 (1)
CHEM 4001 Capstone 3 (2)

Choose two:
CHEM 2621 Organic Chemistry 2 – Majors (3)
and
CHEM 2661 Organic Chemistry 2 Lab – Majors (2)
CHEM 3111 Biochemistry (3)
and
CHEM 3151 Biochemistry Lab (1)
CHEM 3201 Medicinal Chemistry (3)
and
CHEM 3261 Medicinal Chemistry Lab (1)
CHEM 3421 Physical Chemistry 2 (4)
CHEM 3601 Organic Synthesis (4)
CHEM 3711 Inorganic Chemistry 1 (3)
and
CHEM 3751 Inorganic Chemistry 1 Lab (1)
CHEM 4321 Analytical Chemistry 2 (3)
Other Required Courses
- PHYS 2111 General Physics 1 (3)
- PHYS 2121 General Physics 2 (3)
- PHYS 2341 Physics 1 Lab (1)
- PHYS 2351 Physics 2 Lab (1)
  or
- PHYS 2311 Physics 1 (3)
- PHYS 2321 Physics 2 (3)
- PHYS 2341 Physics 1 Lab (1)
- PHYS 2351 Physics 2 Lab (1)

Choose two:
- MATH 1431 Calculus for Science and Technology (3)
- MATH 1461 Calculus for Life Sciences (3)
- MATH 1611 Calculus I with Precalculus 1 (4)
- MATH 1621 Calculus I with Precalculus 2 (4)
- MATH 1631 Calculus I (4)
- MATH 1641 Calculus II (4)
- STAT 1561 Statistics for Professionals 1 (3)
- STAT 1761 Statistics for Pharmacy (3)
- STAT 2501 Statistics for Scientists and Engineers (3)
- CHEM 2561 Elements of Physical Chemistry (3)
- CHEM 2521 Physical Chemistry 1 (4)
- CHEM 2551 Inorganic Chemistry 1 (3)
- CHEM 2571 Inorganic Chemistry 1 Lab (1)
- CHEM 3001 Capstone 2 (1)
- CHEM 4001 Capstone 3 (2)

Other Required Courses
- MATH 1631 Calculus I (4)
- MATH 1641 Calculus II (4)
- PHYS 2341 Physics I Lab (1)
- PHYS 2321 Physics 2 (3)
- PHYS 2351 Physics 2 Lab (1)

ACS Certified Chemistry
- Additional requirements (18 to 20 credit hours)
  - CHEM 2621 Organic Chemistry 2 – Majors (3)
  - CHEM 2661 Organic Chemistry 2 Lab – Majors (2)
  - CHEM 3111 Biochemistry (3)
  - CHEM 3421 Physical Chemistry 2 (4)

Choose two:
- CHEM 3201 Medicinal Chemistry (3)
- CHEM 3601 Organic Synthesis (4)
- CHEM 4321 Analytical Chemistry 2 (3)
- CHEM 4421 Advanced Physical Chemistry (3)
- CHEM 4601 Physical Organic Chemistry (3)
- CHEM 4721 Inorganic Chemistry 2 (3)
- CHEM 4811 Senior Research 1 (2)
  and
- CHEM 4821 Senior Research 2 (2)

Additional requirements (54 credit hours)
- BIOL 1311 Biology 1: Cells and Molecules (4)
- EDUC 1151 Culture and Schooling (3)
- EDUC 1501 Five-Day Field Experience (1)
- EDUC 1521 Five-Day Field Experience (1)
- EDUC 2101 Exceptional Learners (3)
- EDUC 2681 Curriculum and Assessment (3)
- EDUC 3201 Instructional Media and Educational Technologies (3)
- EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
- EDUC 4401 Educational Psychology and Instructional Practices (3)
- EDUC 4511 Integrated Science Methods (3)
- EDUC 4441 Leadership Seminar in Education (3)
- EDUC 4651 Science Education Portfolio (0)
- EDUC 4721 Student Teaching/AYA (12)

Choose one:
- GEOL 2801 Geology (3)
- PHYS 1051 Planetary Astronomy (3)

Specified general education courses
- CAMS 1311 Communication in the Classroom (3)
- PSYC 1001 Psychology (3)
- PSYC 2171 Adolescent Psychology (3)

Minors
- Students may earn a minor in biochemistry or chemistry, but not both. All courses required for a minor must be completed with a grade of “C” or higher.

Biochemistry Minor (25 credit hours)
- CHEM 1711 General Chemistry 1 (5)
- CHEM 1721 General Chemistry 2 (5)
- CHEM 2511 Organic Chemistry 1 (3)
  and
- CHEM 2521 Organic Chemistry 2 (3)
- CHEM 2561 Organic Chemistry 2 Lab (1)
- CHEM 3111 Biochemistry (3)
- CHEM 3151 Biochemistry Lab (1)

Choose one:
- CHEM 4111 Advanced Biochemistry: Proteins and Metabolism (3)
- CHEM 4121 Advanced Biochemistry: Information Transfer (3)

Chemistry Minor (21 to 22 credit hours)
- CHEM 1711 General Chemistry 1 (5)
- CHEM 1721 General Chemistry 2 (5)

Choose three:
- CHEM 2311 Analytical Chemistry 1 (4)
- CHEM 2401 Elements of Physical Chemistry (3)
- CHEM 2511 Organic Chemistry 1 (3)
  and
- CHEM 2521 Organic Chemistry 2 (3)
  and
- CHEM 2561 Organic Chemistry 2 Lab (1)
- CHEM 3111 Biochemistry (3)
- CHEM 3151 Biochemistry Lab (1)
- CHEM 3201 Medicinal Chemistry (3)
- CHEM 3411 Physical Chemistry 1 (4)
- CHEM 3421 Physical Chemistry 2 (4)
- CHEM 3601 Organic Synthesis (4)
- CHEM 3711 Inorganic Chemistry 1 (3)
- CHEM 4321 Analytical Chemistry 2 (3)

Teacher Licensure in Chemistry
This option is available to students majoring in biochemistry or chemistry.

ACS certified chemistry course work must include 400 laboratory hours above general chemistry.
Subject - Chemistry (CHEM)

CHEM 1001 - Chemistry in Society
3 Credits
The behavior of matter at the macroscopic level and explanations of this behavior using molecular-level models. Applications in everyday life. Chemistry 1711 recommended for science majors. Offered fall and spring semesters. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

CHEM 1201 - Chemistry for the Health Sciences
5 Credits
Chemical principles and theories in the areas of atomic structure, chemical bonding, solution chemistry, redox chemistry and acid/base chemistry. Basic principles and applications of kinetics and thermodynamics. Stereochemistry, functional groups and the basic properties of functional groups. Structures, properties and functions of biologically relevant carbohydrates, lipids, and proteins. Facets of DNA structures and replication as well as relevant concepts in protein synthesis. Principles of enzyme catalysis in biochemical processes with application to specific pathways in both carbohydrate and lipid metabolism. Basic bioenergetic principles as present in the citric acid and oxidative phosphorylation. Lab supports principles presented in lecture. High school chemistry recommended. Offered fall and spring semesters. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

CHEM 1501 - Chemistry for Engineering
3 Credits
Atomic structure, the mole, stoichiometry, chemical reactions, thermochemistry, electron configuration, periodicity, bonding, molecular structure, states of matter, solutions, thermodynamics, kinetics, equilibrium, acids, bases, and electrochemistry. Taken concurrently with CHEM 1551. High school chemistry recommended. Offered fall semester. Prerequisite(s): CHEM 1551. Concurrency allowed. Course Attributes: Math\Natural Sciences.

CHEM 1551 - Chemistry for Engineering Lab
1 Credit
Lab for CHEM 1501. Taken concurrently with CHEM 1501. Offered fall semester. Prerequisite(s): CHEM 1501. Concurrency allowed.

CHEM 1711 - General Chemistry 1
5 Credits
Macroscopic concepts of the elements, compounds and reactions. Stoichiometry, thermochemistry and properties of ideal gases as applied to reactive systems. Emphasis on acid-base, redox, and descriptive chemistry. Atomic theory and its application to bonding. Laboratory supports principles presented in lecture, including spectroscopy. Credit may be received for either CHEM 1711, or CHEM 1811 but not for both. High school chemistry required. Offered fall semester. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

CHEM 1721 - General Chemistry 2
5 Credits
Macroscopic concepts of the elements, compounds and reactions. Stoichiometry, thermochemistry and properties of ideal gases as applied to reactive systems. Emphasis on acid-base, redox, and descriptive chemistry. Atomic theory and its application to bonding. Laboratory supports principles presented in lecture, including spectroscopy. Credit may be received for either CHEM 1711, or CHEM 1811 but not for both. Offered spring semester. Prerequisite(s): CHEM 1711 or CHEM 1811 or CHEM 172 or CHEM 182. Course Attributes: Math\Natural Sciences.

CHEM 1811 - General Chemistry 1 - Majors
5 Credits
Macroscopic concepts of the elements, compounds and reactions. Stoichiometry, thermochemistry and properties of ideal gases as applied to reactive systems. Emphasis on acid-base, redox, and descriptive chemistry. Atomic theory and its application to bonding. Laboratory supports principles presented in lecture, including spectroscopy. Credit may be received for either CHEM 1711, or CHEM 1811 but not for both. Offered fall semester. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

CHEM 1821 - General Chemistry 2 - Majors
5 Credits
Molecular structure, condensed phases, chemical reactions and mechanisms. Physical principles controlling chemical reactions including kinetics, thermodynamics, electrochemistry, and acid-base equilibrium conditions. Laboratory supports principles presented in lecture, including kinetics and equilibrium. Credit may be received for either CHEM 1721 or CHEM 1821, but not for both. Offered spring semester. Prerequisite(s): CHEM 1711 or CHEM 1811 or CHEM 172 or CHEM 182. Course Attributes: Math\Natural Sciences.

CHEM 1901 - Special Topics
1 to 3 Credits
Can be repeated as topic varies. Unlimited repeats permitted.

CHEM 1911 - ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in Chemistry and Biochemistry field for Summer Honors Institute only. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

CHEM 2001 - Capstone 1
1 Credit
Methods and objectives of chemical research. Undergraduate research opportunities in the department. Science literature search engines. Summer research opportunities at other institutions. Offered fall semester. Prerequisite(s): CHEM 1821 or CHEM 1721 or CHEM 183 or CHEM 173. Course Attributes: Informed Ethical Responses.

CHEM 2311 - Analytical Chemistry 1
4 Credits
Practice and principles of modern chemical methods of analysis including instrumental methods. Offered fall semester. Prerequisite(s): CHEM 1721 or CHEM 1821 or CHEM 183 or CHEM 173. Course Attributes: Math\Natural Sciences.

CHEM 2401 - Elements of Physical Chemistry
3 Credits
Principles and applications of selected areas of physical chemistry including thermodynamics, kinetics, and spectroscopy. Credit may be received for CHEM 2401 or CHEM 3411 but not for both. Offered alternate spring semesters. Prerequisite(s): CHEM 1501 or CHEM 1721 or CHEM 1821 or CHEM 183 or CHEM 173 or CHEM 226. Course Attributes: Math\Natural Sciences.

CHEM 2481 - Chemical Applications of Mathematics
3 Credits
Application of mathematical techniques to problems in chemistry. Offered spring semester. Prerequisite(s): (CHEM 1721 or CHEM 1821 or CHEM 183 or CHEM 173) and (MATH 1641 or MATH 165). Course Attributes: Math\Natural Sciences.
CHEM 2511 - Organic Chemistry 1
3 Credits
Bonding, acidity, functional groups, conformations, stereochemistry, nomenclature, fundamental reactions/mechanisms (SN1, SN2, E1, E2) of organic chemistry, addition reactions to alkenes and alkynes, oxidation and reduction, and structure determination using IR, NMR, and MS spectroscopy. Taken concurrently with CHEM 2551. Credit may be received for CHEM 2511 or 2611, but not for both. Offered fall semester. Prerequisite(s): CHEM 1721 or CHEM 1821 or CHEM 183 or CHEM 173) and CHEM 2551. Concurrency allowed. Course Attributes: Math\Natural Sciences.

CHEM 2521 - Organic Chemistry 2
3 Credits
Reactions with/on radicals, dienes, aromatics, alcohols, carbonyls, amines, the structure and chemistry of carbohydrates, and organic polymer chemistry. Taken concurrently with CHEM 2561. Credit may be received for CHEM 2521 or 2621, but not for both. Formerly known as CHEM 253. Offered spring semester. Prerequisite(s): (CHEM 2511 and CHEM 2551 and CHEM 2561) or (CHEM 2611 and CHEM 2651 and CHEM 2661) or (CHEM 252 and CHEM 2651) or (CHEM 262 and CHEM 2661). Concurrency allowed. Course Attributes: Math\Natural Sciences.

CHEM 2551 - Organic Chemistry Lab 1
1 Credit
Basic laboratory techniques used for synthesis, isolation, purification, and analysis of organic compounds are studied in the course. Some functional group interconversion, substitution, and elimination processes are introduced. Structure analysis using spectroscopy. The lab experiments are designed to illustrate practical implementation of the theories and concepts learned in lecture. Taken concurrently with CHEM 2511. Credit may be received for CHEM 2551 or 2651, but not for both. Offered fall semester. Prerequisite(s): CHEM 2511. Concurrency allowed.

CHEM 2561 - Organic Chemistry Lab 2
1 Credit
Reactions with/on radicals, dienes, aromatics, alcohols, carbonyls, amines, the structure and chemistry of carbohydrates, and organic polymer chemistry. Taken concurrently with CHEM 2521. Credit may be received for CHEM 2561 or 2661, but not for both. Offered spring semester. Prerequisite(s): CHEM 2521. Concurrency allowed.

CHEM 2611 - Organic Chemistry 1 - Majors
3 Credits
Bonding, acidity, functional groups, conformations, stereochemistry, nomenclature, fundamental reactions/mechanisms (SN1, SN2, E1, E2) of organic chemistry, addition reactions to alkenes and alkynes, oxidation and reduction, and structure determination using IR, NMR, and MS spectroscopy. Taken concurrently with CHEM 2651. Credit may be received for CHEM 2511 or 2611, but not for both. Offered fall semester. Prerequisite(s): (CHEM 1721 or CHEM 1821 or CHEM 183 or CHEM 173). Corequisite(s): CHEM 2651. Course Attributes: AS - Math\Natural Sciences.

CHEM 2621 - Organic Chemistry 2 - Majors
3 Credits
Reactions with/on radicals, dienes, aromatics, alcohols, carbonyls, amines, the structure and chemistry of carbohydrates, and organic polymer chemistry. Taken concurrently with CHEM 2661. Credit may be received for CHEM 2521 or 2621, but not for both. Formerly known as CHEM 263. Offered spring semester. Prerequisite(s): (CHEM 2511 and CHEM 2551 and CHEM 2661) or (CHEM 2611 and CHEM 2651 and CHEM 2661) or (CHEM 252 and CHEM 2651) or (CHEM 262 and CHEM 2661). Concurrency allowed. Course Attributes: Math\Natural Sciences.

CHEM 2651 - Organic Chemistry Lab 1 - Majors
1 Credit
Basic laboratory techniques used for synthesis, isolation, purification, and analysis of organic compounds are studied in the course. Some functional group interconversion, substitution, and elimination processes are introduced. Structure analysis using spectroscopy. The lab experiments are designed to illustrate practical implementation of the theories and concepts learned in lecture. Taken concurrently with CHEM 2611. Credit may be received for CHEM 2551 or 2651, but not for both. Offered fall semester. Prerequisite(s): CHEM 2611. Concurrency allowed.

CHEM 2661 - Organic Chemistry Lab 2 - Majors
2 Credits
Free radical reactions, cycloaddition, electrophilic aromatic substitution, and other reactions relevant to the lecture material are explored. The reactivity of phenols, enolates, amines, and carboxylic acid derivatives is investigated. The structure of carbohydrates, and representative multiple-step organic syntheses of relevant pharmaceutical agents are explored. Grignard and multiple step synthesis are introduced. Use of the chemical literature. Routine acquisition of NMR, IR, MS spectra and other physical data are used for structure elucidation of unknown organic compounds. In-depth coverage of two-dimensional NMR, IR UV, and MS spectroscopy. Taken concurrently with CHEM 2621. Credit may be received for CHEM 2561 or 2661, but not for both. Formerly known as CHEM 266. Offered spring semester. Prerequisite(s): CHEM 2621. Concurrency allowed. Course Attributes: Critical and Creative Thinking.

CHEM 2901 - Special Topics
1 to 3 Credits
Can be repeated as topic varies. Unlimited repeats permitted.

CHEM 2971 - Independent Study
1 to 4 Credits
Offered fall and spring semesters. This course is repeatable for a total of 4 hours.

CHEM 3001 - Capstone 2
1 Credit
Careers in the chemical/biochemical sciences. Critical evaluation of scientific literature. Preparation for oral presentations. Offered spring semester. Prerequisite(s): CHEM 2001 or CHEM 200. Course Attributes: Effective Communication Writing.

CHEM 3111 - Biochemistry
3 Credits
Fundamentals of biochemistry with emphasis on the structures and properties of the major classes of biological molecules and the relationships between biomolecular structure and function; introduction to enzyme catalysis and metabolic pathways. Optional associated laboratory: CHEM 3151. Offered fall semester. Prerequisite(s): (CHEM 2521 and CHEM 2561) or (CHEM 2621 and CHEM 2661) or (CHEM 253 or CHEM 263). Course Attributes: Math\Natural Sciences.

CHEM 3151 - Biochemistry Lab
1 Credit
Structure and properties of proteins, carbohydrates, lipids, and nucleic acids; introduction to enzyme kinetics and proteomics. Taken concurrently with CHEM 3111 or PHBS 3411. Offered fall semester. Prerequisite(s): CHEM 3111 or PHBS 3411. Concurrency allowed.

CHEM 3201 - Medicinal Chemistry
3 Credits
Fundamentals of drug design and drug action including SAR, stereochemical considerations, free energy relationships, receptors, enzymes, prodrugs and drug metabolism. Isolation, synthesis, characterization, and bioactivity of bioactive natural products. Offered alternate spring semesters. Prerequisite(s): (CHEM 2521 and CHEM 2561) or (CHEM 2621 and CHEM 2661) or (CHEM 253 or CHEM 263). Course Attributes: Math\Natural Sciences.
CHEM 3261-Medicinal Chemistry Lab
1 Credit

CHEM 3411-Physical Chemistry 1
4 Credits
Classical thermodynamics. Quantum mechanics of atoms and molecules. Laboratory illustrates principles and applications. Offered fall semester. Prerequisite(s): (CHEM 2481 and PHYS 2311 and PHYS 2321 and PHYS 2341 and PHYS 2351) or (MATH 2631 and MATH 2651 and MATH 3261 and PHYS 2311 and PHYS 2321 and PHYS 2341 and PHYS 2351). Course Attributes: Math/Natural Sciences, Integration Across Disciplines.

CHEM 3421-Physical Chemistry 2
4 Credits
Molecular structure, statistical thermodynamics, and reaction dynamics. Laboratory illustrates applications in spectroscopy and kinetics. Offered spring semester. Prerequisite(s): CHEM 3411 or CHEM 342. Course Attributes: Math/Natural Sciences.

CHEM 3601-Organic Synthesis
4 Credits
Retrosynthetic analysis, functional group transformations, asymmetric synthesis, organometallic chemistry. Laboratory involves multistep synthesis using techniques to work with air and water sensitive materials, standard purification techniques, and organic product characterization. Offered alternate spring semesters. Prerequisite(s): (CHEM 2621 and CHEM 2661) or CHEM 263. Course Attributes: Math/Natural Sciences.

CHEM 3711-Inorganic Chemistry 1
3 Credits
Bonding, structures, preparation, properties, compounds, and reactions of main group and transition metal elements. Offered fall semester. Prerequisite(s): CHEM 2621 or CHEM 263.

CHEM 3751-Inorganic Chemistry 1 Lab
1 Credit
Basic methods of synthesis and characterization. Offered fall semester. Prerequisite(s): CHEM 2621 Minimum Grade of C. Corequisite(s): CHEM 3711.

CHEM 3901-Special Topics
1 to 3 Credits
Can be repeated as topic varies. Unlimited repeats permitted.

CHEM 4001-Capstone 3
2 Credits
Oral presentation and a formal paper on a chemical topic. Offered spring semester. Prerequisite(s): CHEM 3001 or CHEM 300. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing.

CHEM 4111-Advanced Biochemistry: Proteins and Metabolism
3 Credits
In depth study of protein structure and function; enzyme kinetics and mechanisms; regulation and integration of metabolism; bioenergetics. Offered alternate spring semesters. Prerequisite(s): CHEM 3111 or CHEM 311. Course Attributes: Math/Natural Sciences.

CHEM 4121-Advanced Biochemistry: Information Transfer
3 Credits
DNA replication and repair; transcription; RNA modifications; translation; control of gene expression; signal transduction. Offered alternate spring semesters. Prerequisite(s): CHEM 3111 or CHEM 311. Course Attributes: Math/Natural Sciences.
DEPARTMENT OF COMMUNICATION AND MEDIA STUDIES

Associate Professors Walton (chair), Gainey, North; Assistant Professors Agozzino, Cruea, Fleck, Tilton

Mission
Communication and Media Studies majors emphasize a liberal arts education combined with a professional program, designed to produce graduates who are prepared for a lifetime of learning in a diverse and changing world. Our flexible programs maintain professional standards while adapting easily to individual needs and interests. Our curriculum and manner of instruction encourage critical thinking, the development of ethical standards and an understanding of human communication in all aspects of personal and professional life. With a strong foundation in general knowledge and specialty studies, graduates are prepared for entry level positions or graduate studies in their professional areas. They also attain the reasoning, organization and management skills necessary for a useful and meaningful life.

Overview Statement
The departmental course offerings promote understanding of the theory, practice and aesthetics of human communication. Students pursue a major particular to their professional education goals.

Majors, Minors and Degrees Offered
Communication Studies Major (BA)
Multimedia Journalism Major (BA)
Public Relations Major (BA)
Communication Studies Minor
Digital Media Production Minor
Multimedia Journalism Minor
Public Relations Minor
Social Media Minor

Departmental Activities
Students are encouraged to become involved in a variety of departmental activities. ONU3-TV, ONU’s Local Access Cable Channel, allows students to gain experience in broadcast programming and production. WONB-94.9 FM, ONU’s 3,000 watt FM station, provides opportunities in music programming, news and sports announcing and audio production. The Northern Review (ONU's campus newspaper) provides an opportunity for students to gain experience in both print and online publishing. The Public Relations Student Society of America introduces students to professional networking, workshops, campaigns, and service. The National Communication Association Student Club allows students an opportunity to interact with professionals and provide service to the campus community. Credit toward graduation may be received for participation in some activities.

Major Course Requirements
All required courses in the major subject area must be completed with a grade of "C" or higher.

Communication Studies Major
Communication Studies provides knowledge and skills emphasizing the close relationship between effective communication and successful personal and professional relationships. The major prepares students for graduate study and for careers in fields such as human resources, law, business, education, entrepreneurship and politics.

BA Degree Requirements (39 credit hours)
CAMS 1001 Orientation (0)
CAMS 1301 Presentational Speaking (3)
CAMS 2311 Interpersonal Communication (3)
CAMS 3331 Communication Theory (3)
CAMS 3371 Internship (3)
CAMS 4381 Capstone (3)

Rhetorical Studies – Select six (6) hours:
CAMS 2301 Advanced Presentational Speaking (3)
CAMS 3301 Interviewing (3)
CAMS 3331 Communication Theory (3)
CAMS 4281 Public Relations Campaigns Capstone (3)
CAMS 4301 Film Study and Analysis (3)
CAMS 4311 Political Communication and Campaigns (3)
ENGL 4521 Rhetorical Theory (3)

Research Methods – Select three (3) hours:
CAMS 3001 Communication Research Methods (3)
ISR 2531 Social Research 1 (3)
MRKT 3341 Marketing Research (3)

Communication Contexts – Select six (6) hours:
CAMS 1101 Introduction to Convergent Media (3)
CAMS 1201 Introduction to Public Relations (3)
CAMS 1311 Communication in the Classroom (3)
CAMS 3311 Cross-cultural Communication (3)
CAMS 2321 Group Dynamics and Team Interaction (3)
CAMS 3321 Organizational Communication (3)
CAMS 2331 Health Communication (3)
CAMS 2391 Special Topics (3)
BIZ 2331 Behavioral Management for Business Planning (3)

The Multimedia Journalism Major
The Multimedia Journalism major is a cutting-edge program designed to prepare students for 21st century advances in the field of journalism. Students will learn the fundamentals of writing and editing, and develop the skills necessary to tell stories in a multimedia world, using the latest technologies and software. Course work is enhanced with practical experience gained through participation in on campus media and off campus internships. The program is designed to ensure students acquire the practical skills and well-rounded knowledge needed to succeed in the quickly evolving news profession.

BA Degree Requirements (51 credit hours)
CAMS 1001 Orientation (0)
CAMS 1101 Introduction to Convergent Media (3)
CAMS 2101 News Writing (3)
ENGL 2001 Grammar in Context (3)
CAMS 2111 Layout and Design (3)
ENGL 2051 Writing in the Profession (3)
CAMS 3101 Feature Writing (3)
CAMS 2391 Special Topics (3)

Select three (3) credits:
CAMS 3131 Photographing
CAMS 3141 Video Storytelling
Select six (6) credits:

CAMS 3131 Photojournalism (If not already taken for major) (3)
CAMS 3141 Video Storytelling (If not already taken for major) (3)
CAMS 4191 Special Topics in Multimedia Journalism (1-3)
CAMS 4501 Media Management (3)
CAMS 1201 Introduction to Public Relations (3)
CAMS 1401 Social Media Principles (3)
DSGN 2651 History of Graphic Design (3)
TECH 1421 Web Design & Development (3)
ENGL 2051 Writing in the Professions (3)
ENGL 2001 Writing in Digital Environments (3)

Public Relations Major

The Public Relations program prepares students for jobs with agencies, nonprofit organizations and corporations doing both internal and external communication tasks. Public relations majors learn how to conduct research, plan programs, produce communication materials and carry out program evaluation. Ohio Northern University’s public relations program is designated as Certified for Education in Public Relations (CEPR) by the Public Relations Society of America (PRSA), the largest professional organization in the public relations field.

BA Degree Requirements (49 credit hours)

CAMS 1001 Orientation (0)
CAMS 1201 Introduction to Public Relations (3)
CAMS 2201 Public Relations Writing (3)
CAMS 1401 Social Media Principles (3)
CAMS 3001 Communication Research (3)
CAMS 3201 Advanced Public Relations Writing (3)
CAMS 3271 Internship (3)
CAMS 4001 Communication Law and Ethics (3)
CAMS 4281 Public Relations Campaigns Capstone (3)
CAMS 4201 Public Relations Case Studies (3)
CAMS 2261 Public Relations Practicum (4)

Select twelve (12) credits:

CAMS 1901 Public Speaking (3)
CAMS 2311 Interpersonal Communication (3)
CAMS 2321 Group Dynamics and Team Interaction (3)
CAMS 2151 Multimedia Writing (3)
CAMS 3211 Issues in Public Relations (3)
CAMS 2291 or CAMS 4291 Special Topics in Public Relations (3)
CAMS 2101 News Writing (3)
ISR 2531 Research Methods (3)

Select six (6) credits:

CAMS 3301 Interviewing (3)
BIZ 2331 Behavioral Management and Business Planning (3)
BIZ 2511 Marketing and Business Planning (3)
CAMS 3331 Communication Theory (3)
CAMS 3321 Organizational Communication (3)

Minors

All courses required for a minor must be completed with a grade of “C” or higher.

Communication Studies Minor (18 credit hours)

CAMS 1111 Presentational Speaking (3)
CAMS 2251 Interpersonal Communication (3)
CAMS 3251 Communication Theory (3)

Select at least three (3) hours from the area of Rhetorical Studies within the Communication Studies major. See page 62.

Select at least three (3) hours from the area of Communication Contexts within the Communication Studies major. See page 62.

Select at three (3) hours from any of the four areas within the Communication Studies major. See page 62.

Multimedia Journalism Minor (21 credit hours)

CAMS 1001 Communication and Media Studies Orientation (0)
CAMS 1101 Introduction to Convergent Media (3)
CAMS 2101 News Writing (3)
CAMS 2161 Multimedia Journalism Practicum (1 hour x 3 Semesters)*
CAMS 3101 Feature Writing (3)
CAMS 3111 Editing (3)
CAMS 4121 Computer Assisted Reporting (3)

Select three (3) credit hours:

CAMS 3131 Photojournalism (3)
CAMS 3141 Video Storytelling (3)

Digital Media Production (21 credit hours)

CAMS 1001 Communication and Media Studies Orientation (0)
CAMS 1101 Introduction to Convergent Media (3)
CAMS 2151 Multimedia Writing (3)
CAMS 3131 Photojournalism (3)
CAMS 3141 Video Storytelling (3)
CAMS 2161 Practicum (1 hour x 3 Semesters)

Select twelve (12) credit hours:

CAMS 1401 Social Media Principles (3)
CAMS 4051 Independent Study (1-3 Hours)
CAMS 4501 Media Management (3)
DSGN 1301 Typography (3)
TECH 1421 Web Design & Development (3)

Public Relations Minor (24 credit hours)

CAMS 1201 Introduction to Public Relations (3)
CAMS 2201 Public Relations Writing (3)
CAMS 1401 Social Media Principles (3)
CAMS 3201 Advanced Public Relations Writing (3)
CAMS 3001 Communication Research Methods (3)
CAMS 4281 Public Relations Campaigns Capstone (3)
CAMS 4201 Public Relations Case Studies (3)
CAMS 4001 Communication Law and Ethics (3)

Social Media Minor (21 credit hours)

CAMS 1401 Social Media Principles (3)
CAMS 2151 Multimedia Writing (3)
CAMS 2401 Social Media Strategies and Campaigns (3)
CAMS 3401 Digital Branding (3)

Select three (3) credit hours:

ABUS 2221 Entrepreneurship (3)
CAMS 1101 Introduction to Convergent Media (3)
CAMS 1201 Introduction to Public Relations (3)
CAMS 3001 Research Methods (3)
MKRT 3341 Marketing Research (3)
MKRT 3521 Consumer Behavior (3)

Subject - Communication and Media Studies Orientation (CAMS)

CAMS 0301-Global Village

1 Credit Grading mode is S/U

This course will provide the students living in the Global Village with a basic understanding of what it means to live and interact with people of diverse backgrounds. Throughout the semester, students in this course will not only gain a better understanding of themselves and their role in our global society, but also of the various cultures represented by their classmates. It will combine relevant course readings, guest speakers and classroom discussion to address the topics to be covered in the course. This course may be repeated 1 time.
CAMS 1001-Communication and Media Studies Orientation
0 Credits
Familiarization with the departmental requirements for majors, planning a program of courses, university catalog and library. Required of departmental majors. Offered fall semester. Must be enrolled in one of the following Departments: Communication & Media Studies.

CAMS 1101-Introduction to Convergent Media
3 Credits
This course begins with an overview of how we got to where we are today in a convergent media world as compared to the past century of journalism. This class combines theory and practical experience while providing students with the basic production technology necessary to design and create multimedia, primarily audio recording and editing and video shooting and editing. The Convergent Publishing course, CAMS 3131 will utilize the skills learned and take your work to the next level, The Web. Offered fall semester.

CAMS 1201-Introduction to Public Relations
3 Credits
The role, function, and responsibilities of the public relations practitioner within organizations. Offered fall and spring semesters. Course Attributes: Integration Across Disciplines.

CAMS 1301-Presentational Speaking
3 Credits
Basic principles of preparation, organization, and delivery of original informative and persuasive speeches. Offered fall and spring semesters. Course Attributes: Effective Communication Non-Writing.

CAMS 1311-Communication in the Classroom
3 Credits
Emphasis on special audiences and situations unique to classroom teaching. Focus on interpersonal and speaking skills as they relate to interactions with students, parents, and the educational system. Offered fall and spring semesters. Course Attributes: Effective Communication Non-Writing.

CAMS 1401-Social Media Principles
3 Credits
Introductory course provides an overview of social media concepts, technologies and implementation. This course will highlight evolution, theory, technology and impact of social media in a hand-on approach.

CAMS 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in Communication Arts and Media Studies. Enrollment is restricted to attendees of the Summer Honors Institute. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

CAMS 2101-News Writing
3 Credits
Expansion of the basics of news reporting, including interviewing techniques and other methods of news gathering, organizing information, and copy editing. Offered fall semester. Course Attributes: Effective Communication Writing.

CAMS 2111-Layout and Design
3 Credits
Design principles used in the printing industry and on the web, as well as coverage of basic headline and outline writing skills. Practical application of software publication tools in a computer classroom setting. Offered fall semester. Course Attributes: Effective Communication Non-Writing.

CAMS 2151-Multimedia Writing
3 Credits
This basic introduction to media writing emphasizes the similarities in professional media writing environments while also recognizing that print, radio, television, multimedia and social media writing each have special demands unique to medium and purpose. A writing exam will be given during the first week of this course. If score is not satisfactory, the course ENGL 2001, Grammar in Context, will be required to continue in major. Offered even fall semester, even years. Prerequisite(s): CAPR 1301 or COMM 130 or CAMS 1201.

CAMS 2161-Multimedia Journalism Practicum
1 to 3 Credits Grading mode is S/U
Multimedia journalism activities in the ONU convergent newsroom including research, creation and dissemination of information across a variety of media platforms. One to three credits, depending on role, to be determined by department. Offered fall and spring semesters. This course is repeatable for a total of 6 hours.

CAMS 2201-Public Relations Writing
3 Credits
Study of basic concepts for public relations writing projects and production of written public relations materials. The course consists of lectures, discussions, and supervised writing labs. Offered fall and spring semesters. Prerequisite(s): CAMS 1201 Minimum Grade of C or CAPR 1301 Minimum Grade of C or COMM 130 Minimum Grade of C.

CAMS 2201-Public Relations Practicum
1 to 3 Credits
Course provides students the opportunity to experience public relations firsthand through professional involvement with service and non-profit projects. Offered fall and spring semesters. This course is repeatable for a total of 4 hours.

CAMS 2301-Advanced Presentational Speaking
3 Credits
Emphasis on special audiences and situations unique to classroom teaching. Focus on interpersonal and speaking skills as they relate to interactions with students, parents, and the educational system. Offered fall and spring semesters. Prerequisite(s): CACS 1111 Minimum Grade of C or COMM 211 Minimum Grade of C or CAMS 1301 Minimum Grade of C. Course Attributes: Effective Communication Non-Writing, Informed Ethical Responses.

CAMS 2311-Interpersonal Communication
3 Credits
Explores issues and theories which will assist students in their abilities to interact interpersonally in personal and professional relationships. Offered fall and spring semesters. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

CAMS 2321-Group Dynamics and Team Interaction
3 Credits
Group dynamics, theory, and problem solving/decision making methods are examined; emphasis on working effectively in teams and effective team interaction. Offered fall semester.

CAMS 2331-Health Communication
3 Credits
Theory and practice of health communication. Examines communication between practitioner/client, in community/consumer health education, in health teams, and groups, in health care delivery systems, in support systems for caretakers and patients, and in intercultural settings. Offered fall semester. Course Attributes: Effective Communication Non-Writing.

CAMS 2351-Independent Study in Communication Studies
1 to 3 Credits
A topic in Communication Studies that is of particular interest to the student. Offered fall and spring semesters. This course is repeatable for a total of 24 hours. Course Attributes: Requires Department Approval.

CAMS 2361-Communication Studies Practicum
1 to 3 Credits Grading mode is S/U
Hands-on experience learning related to a variety of areas of communication studies. Offered fall and spring semesters. This course is repeatable for a total of 5 hours. Course Attributes: Requires Instructor Approval.

CAMS 2391-Communication Studies Special Topics
1 to 3 Credits
Course topics related to communication studies, but not part of regular curriculum. Course may be repeated, but course content must vary each time. Offered fall and spring semesters. This course is repeatable for a total of 24 hours.
CAMS 2401-Social Media Strategy and Campaigns  
3 Credits  
Students' will create and implement a social media campaign from planning and strategizing stage to measuring and evaluation stage. Students will set goals and objectives while determining and matching social media strategies and tactics with prioritized key publics. Offered fall semester. Prerequisite(s): CAMS 1401 Minimum Grade of C.

CAMS 3001-Communication Research Methods  
3 Credits  
Research design, data collection methods, sampling techniques, tabulation, analysis and presentation of information concerning issues in communication. Provides a working knowledge of the concepts and methods of communication research. Course Attributes: Scientific and Quantitative Literacy.

CAMS 3101-Feature Writing  
3 Credits  
Understanding and practice in writing soft news. Class assignments may profile people who make the news; explain events that move or shape the news; analyze what is happening in the world, nation, or community; teach an audience how to do something; suggest better ways to live; examine trends; or entertain. Offered spring semester. Course Attributes: Effective Communication Writing, Integration Across Disciplines.

CAMS 3111-Editing  
3 Credits  
Expansion of the basics of news reporting, including interviewing techniques and other methods of newsgathering, organizing information, and copyediting. Offered fall semester.

CAMS 3121-Convergent Publishing  
3 Credits  
This course offers students a hands-on opportunity to work in a multimedia newsroom, where they will report for radio/TV, print journalism, and online. Press releases will also be generated. Students will work in teams covering the news, with each team taking an approach that is targeted toward their media outlet (web, newspaper or radio/TV). Students will be introduced to the basics of designing pages for the web using WordPress. This course builds on the skills learned in CAMS 1101. Offered spring semester. Prerequisite(s): CAMS 1101 and CAMS 2101.

CAMS 3131-Photojournalism  
3 Credits  
Focuses on the art of digital news photography, and covers basic instruction in photography and lighting, as well as the types of photography found in the news, specifically sports coverage, feature shots, and straight news. Camera provided. Open to Communication and Media Studies Department majors. Others by permission of the department. Offered fall semesters. Course Attributes: Effective Communication Non-Writing, Informed Responses-Aesthetics.

CAMS 3141-Video Storytelling  
3 Credits  
Advanced course in video journalism designed to give the student the ability to communicate in the Video Age—whether for television, the web, public relations, professional associations, nonprofits or social networking. This course concentrates on video storytelling to emphasize the communication of ideas, along with the technical knowledge of shooting and editing video. Must be enrolled in the Communication and Media Studies Department as a major or minor or have approval from the department to enroll in this course. Offered fall semester, alternating years.

CAMS 3171-Multimedia Journalism Internship  
1 to 3 Credits Grading mode is S/U  
Provides practical experience outside the classroom and enhances the students professional interests. Courses appropriate for the internship required. Offered fall and spring semesters. This course is repeatable for a total of 15 hours.

CAMS 3201-Advanced Public Relations Writing  
3 Credits  
The course presents opportunities for research, indentifying and writing public affairs columns, editorials, features, and position papers for use in the public relations arena. Offered fall semester. Prerequisite(s): CAMS 2201 Minimum Grade of C or CAPR 2361 Minimum Grade of C or COMM 236 Minimum Grade of C.

CAMS 3211-Issues in Public Relations  
3 Credits  
Current topics in the field including but not limited to: the role of public relations in organizational decision making, ethics, and special practice areas. Offered spring semester. Unlimited repeats permitted. Course Attributes: Informed Ethical Responses.

CAMS 3271-Public Relations Internship  
1 to 12 Credits  
A skills course blending classroom theory with practical experience through working in an outside organization. Offered fall and spring semesters. This course is repeatable for a total of 12 hours.

CAMS 3301-Interviewing  
3 Credits  
Basic principles and structures of interviewing are examined and applied to interview situations such as employment, performance/appraisal, journalism, counseling, etc. Offered fall semester.

CAMS 3311-Cross-Cultural Communication  
3 Credits  
Equips students with an awareness of the social construction of values, cognitions, performances across cultural lines. Familiarization with major theories, concepts, and skills cultural adaptation and identity management. Offered fall semester. Course Attributes: Diversity-Human Interaction.

CAMS 3321-Organizational Communication  
3 Credits  
Major organization and communication theories and their practical applications for effective communication within organizations. Communication processes, various roles and relationships in organizations, leadership communication, ethics, and problematic communication situations. Offered fall semester.

CAMS 3331-Communication Theory  
3 Credits  
In depth examination and application of communication theories about the nature and dynamics of human communication/interaction.

CAMS 3371-Communication Studies Internship  
1 to 9 Credits Grading mode is S/U  
A supervised program of experiences applying discipline related theories and practices to a working experience. This course is repeatable for a total of 9 hours. Course Attributes: Requires Department Approval.

CAMS 3401-Digital Branding  
3 Credits  
Building on previous semesters work, creating a fully functional website integrating components of previous social media work (i.e. podcasts, YouTube videos, infographs). Focus will be on application of social media concepts and application, creating brand strategy with heavy reliance on social media as the foundation way of building and maintaining relationships. Offered spring semester. Prerequisite(s): CAMS 1401 Minimum Grade of C.

CAMS 4001-Communication Law and Ethics  
3 Credits  
Freedom of speech and press with particular emphasis on major legal issues confronting media practitioners; introduction to such areas of law as censorship, libel, invasion of privacy, access to information, regulation of electronic and print media and commercial speech. Offered spring semester, alternating years.
CAMS 4121-Computer Assisted Reporting
3 Credits
The fundamentals of computer-assisted reporting using public documents, records and or databases in order to gather, organize, evaluate data to write objective reports in accepted journalistic style across several media platforms.

CAMS 4181-Multimedia Journalism Capstone
3 Credits
Designed for students seeking careers in print, broadcast, and online journalism. Provides information and instruction on skills, self-assessment, job procurement processes and procedures, career field expectations. The course requires production of a professional portfolio of journalism works and completion of a comprehensive senior journalism project. Offered fall and spring semesters. Course Attributes: Requires Instructor Approval.

CAMS 4191-Special Topics in Multimedia Journalism
1 to 3 Credits
May be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

CAMS 4201-Public Relations Case Studies
3 Credits
Public relations case studies concerning problems in industry, business, education, government, social welfare, and trade associations. Offered spring semesters. Course Attributes: Informed Ethical Responses.

CAMS 4281-Publicity, Media & Campaigns
1 to 2 Credits
Public Relations Capstone Course. Students will take 1 credit hour in the fall of their senior year and 2 credit hours in the spring of their senior year. Prerequisite(s): CAMS 3201 Minimum Grade of C or CAPR 3361 Minimum Grade of C or COMM 336 Minimum Grade of C. This course is repeatable for a total of 3 hours. Course Attributes: Integration Across Disciplines.

CAMS 4291-Public Relations Special Topics
3 Credits
Special Topics in Public Relations This course is repeatable for a total of 12 hours.

CAMS 4301-Film Study and Analysis
3 Credits
In depth exploration of the rhetorical principles found in popular contemporary films that define social trends, analyze social issues, and serve as metaphors for the human experience. Offered alternate fall semesters. Course Attributes: Informed Responses-Aesthetics.

CAMS 4311-Political Communications and Campaigns
3 Credits
Political communication and the means to assess political activities through rhetorical methods of analysis. Methods may include those presented by classical and contemporary theorists such as Aristotle, Lloyd Bitzer, and Kenneth Burke. Offered alternate fall semesters. Course Attributes: Effective Communication Non-Writing, Integration Across Disciplines.

CAMS 4351-Independent Study in Communication Studies
1 to 3 Credits
A topic in Communication Studies that is of particular interest to the student. Offered fall and spring semesters. This course is repeatable for a total of 24 hours. Course Attributes: Requires Department Approval.

CAMS 4381-Communication Studies Capstone
1 to 2 Credits
A multi-component project completed during the senior year. Integration of skills and experiences acquired during study to complete the major, project and design and planning. Offered fall semester. Must be enrolled in one of the following Major fields of study: Comm Arts/Comm Studies, Comm Arts/Public Relations, Multimedia Journalism. This course is repeatable for a total of 3 hours. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

CAMS 4391-Communication Studies Special Topics
1 to 3 Credits
Course topics related to communication studies, but not part of the regular curriculum. Course may be repeated, but course content must vary each time. Offered fall and spring semesters. This course is repeatable for a total of 24 hours.

CAMS 4501-Multimedia Management
3 Credits
A comprehensive look at media management, including such topics as the basic schools of management theory; specific organizational structures for various media such as radio, TV, cable TV, newspaper, and Public Broadcasting; Regulations governing media, Broadcast sales, research and ratings; and employment opportunities in media. Offered spring semester, alternating years.

DEPARTMENT OF EDUCATION AND CENTER FOR TEACHER EDUCATION

Professor Crosier; Associate Professors Kieffer; Assistant Professors Akuyepong, Calvert (Director of the Center for Teacher Education), Garth (Chair), Gross; Lecturers Osborn; Visiting Instructor Lehman

Center for Teacher Education The Center includes the Education faculty above plus the following faculty from other areas of Ohio Northern University: Professors Alexander, C. Bates, D’Arca, Pinkney, Roepeke, Robeson, Rouch; Associate Professors Aying, S. Bates, Crawford, Kanwit, Mager, Reid, Schroeder, Swanson; Assistant Professors Durand, R. Miller, Rohan, Witte; Visiting Instructor Poelzler-Kamataki

Mission Statement
The Center for Teacher Education is a community of dedicated faculty committed to providing quality instruction in the knowledge of the learner, knowledge of the discipline, and knowledge of pedagogy. When these areas of knowledge are integrated, the end result is an enabling teacher who can prepare students with diverse backgrounds and abilities to contribute both individually and cooperatively to the common good of the larger society.

Vision Statement
In collaboration with the broader Ohio Northern community and the professional community in schools surrounding our university, the Center for Teacher Education seeks to prepare educators who are able to meet the challenges of teaching in the twenty-first century. Our shared vision has two central components. The first relates to the nature of the learner and the second to our role in educational change and understanding.
1. We envision an educational system that prepares a citizenry that is made up of diverse individuals who are lifelong learners and who contribute individually and collectively to the common good of the larger society.
2. It is also the vision of the Center for Teacher Education to prepare teachers who are enablers. By this we mean that an ONU teacher education candidate will be the type of educator who uses knowledge of the learner, knowledge of the appropriate discipline, and knowledge of pedagogy to create environments and circumstances that enable all students to become autonomous learners. This requires the establishment of teaching methods, strategies and environments that contribute to all students’ physical, cognitive, and socio-emotional growth and well-being.

Accreditation
The Center for Teacher Education is accredited by the Council for the Accreditation of Educator Preparation (CAEP). In addition, Teacher Education Programs are approved by the Chancellor of the Ohio Board of Regents as meeting curriculum and experience requirements for the initial Ohio teaching license. All requirements are subject to change and approval by these two entities.
Majors and Degrees Offered
Early Childhood Education Major (BA, BS)
Middle Childhood Education Major (BA, BS)

Licensure Offered
An Intervention Specialist license is available to EC/MC majors (admission to Teacher Education required) in conjunction with Bluffton University. The Center for Teacher Education offers the following teacher licensure programs for Early Childhood, Middle Childhood, Adolescent/Young Adult (AYA) and Multi-age (MA) teacher candidates:

- Early Childhood (grades PK-3)
- Early Childhood Generalist Endorsement (grades 4-5)
- Middle Childhood (grades 4-9)
- Middle Childhood Generalist Endorsement (grades 4-6)
- AYA Integrated Language Arts (grades 7-12)
- AYA Integrated Mathematics (grades 7-12)
- AYA Integrated Social Studies (grades 7-12)
- AYA Integrated Science (grades 7-12)
- AYA Life Sciences (grades 7-12)
- AYA Physical Sciences: Physics and Chemistry (grades 7-12)
- AYA Physical Sciences: Physics (grades 7-12)
- AYA Physical Sciences: Chemistry (grades 7-12)
- MA Music (grades PK-12)
- MA Visual Arts (grades PK-12)
- MA Foreign Languages (French, Spanish or German) (grades PK-12)
- MA Technology (grades 4-12)

Those candidates pursuing the AYA or MA programs must complete the major and degree requirements in the subject area from the appropriate ONU department and complete the professional education coursework listed below.

Admission Requirements
Teacher education candidates typically apply for formal admission to the Teacher Education Program during the sophomore year. Requirements include a minimum 2.50 grade point average, passage of the Praxis™ Core Academic Skills for Educators examination, a grade of ‘C’ or higher in specified prerequisite courses, and favorable recommendations. Candidates should contact the Center for Teacher Education office for complete requirements and application procedures. Applications for admission are considered by the Center faculty.

Special Programs
Student Teaching At-home and Abroad
The Teacher Education Program culminates with a twelve-week minimum supervised student teaching experience. Although most candidates study near Ohio Northern University, the Center for Teacher Education offers a student teaching abroad program. Candidates may be approved through application to student teach at various worldwide locations with which ONU’s Center for Teacher Education collaborates for this purpose.

Major Course Requirements
Requirements are listed by program and degree. The teacher candidate must be formally admitted to the Teacher Education Program to take any course marked with an asterisk (*).

Field Experience
All teacher candidates complete required coursework as well as extensive field experience in which the candidate collaborates with university faculty and PK-12 classroom teachers and students to develop the knowledge, skills, and dispositions necessary to become a competent teacher. Field experience requirements differ by program and are available in the Center for Teacher Education office.

Early Childhood Education (PK-3) Major (67 credit hours)
EDUC 1151 Culture and Schooling (3)
EDUC 1501 Five-Day Field Experience 1 (1)

### Contextual Information

- **Average number of weeks of supervised student teaching**: 12
- **Average number of student teaching hours per week**: 40
- **Average number of hours required for student teaching**: 480
- **Total number of students in supervised student teaching**: 46
- **Number of faculty members who supervised student teachers**: 20
- **Student teacher/faculty ratio**: 2.3:1
- **Full-time faculty in professional education**: 6
- **Part-time faculty in professional education**: 7
- **Who work full-time in the institution**: 1
- **Part-time faculty in professional education not otherwise employed by the institution**: 1
- **No pass rate percentage is calculated when fewer than 10 teacher candidates take the Praxis II test.**

For more information, visit [http://title2.ed.gov/View.asp](http://title2.ed.gov/View.asp)

---

1. The number of program completers found, matched, and used in the passing rate calculation will not equal the sum of the column label “Number Taking Assessment” since a completer can take more than one assessment.
2. Numbers of completers who took one or more tests in a category and within their area of specialization.
3. Number who passed all tests they took within the category and within their area of specialization.
4. The national passing rate is calculated at Ohio’s cut schools, which are among the highest in the nation.
5. For instance, Ohio requires the highest cut score in Principles of Learning and Teaching 5-9 and ranks second in Principles of Learning and Teaching 7-12.
6. Numbers of completers who successfully completed one or more tests across all categories used by the state for licensure and the total pass rate.

---

**Early Childhood Generalist Endorsement** (12 credit hours)

This optional Early Childhood Generalist Endorsement provides the coursework for an Early Childhood Education major (grades PK-3) to add grades 4-5 to the Ohio teaching license.

- **MCED 2601**: Introduction to Middle Childhood Education (3)
- **MCED 3091**: Middle School Science Methods (3)
- **MCED 3111**: Middle School Social Studies Methods (3)

- EDUC 3041* Strategies for Technology Education (3)
- EDUC 4581* Organization and Methods for Technology Education (3)
- EDUC 4451* Leadership Seminar in Education (3)
- EDUC 4741* Student Teaching/MA (12)
**Subject- Early Childhood Education (ECED)**

ECED 2051 - Children's Literature in the Early Childhood Classroom
3 Credits
Selecting and evaluating quality children's literature. Examination of works of notable authors and illustrators, concepts of diversity, strategies for integrating various genre into the curriculum, story-telling, and helping children respond to literature. Offered spring semester. Course Attributes: Diversity-Human Interaction.

ECED 2301 - Early Childhood Mathematics Methods
2 Credits
Content, strategies, materials, technology and assessment from a constructivist perspective in the early childhood mathematics classroom. Offered fall semester. Prerequisite(s): (MATH 1661 or MATH 172) and (MATH 1671 or MATH 173).

ECED 2401 - Introduction to Early Childhood Education
3 Credits
Introduction to the profession with emphasis on issues, ethics, developmentally appropriate practices in early childhood education including creating effective family and community partnerships. 2.50 GPA and Praxis I or equivalent required. Offered spring semester. Prerequisite(s): EDUC 1151 or EDUC 115. Course Attributes: Informed Ethical Responses.

ECED 2421 - Early Childhood Curriculum and Guidance
3 Credits
Early childhood curriculum, curriculum delivery models, unit planning, guidance approach to classroom and behavior management appropriate to the early childhood classroom. Offered fall semester. Prerequisite(s): ECED 2401 or ECED 240. Course Attributes: Requires CTE admission.

ECED 2671 - Educational Psychology
3 Credits
Psychological theories, concepts, and principles applied to teaching and learning. Learning processes, motivation, development, social processes, individual differences, and instruction practices. Case study applications. Offered fall semester. Course Attributes: Requires CTE admission.

ECED 2991 - Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for the specific course taken independently. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

ECED 3051 - Social Studies in Early Childhood Education
2 Credits
An integrated approach to the planning, processes and content of the social studies based on developmental characteristics of the preschool/primary child. Offered spring semester. Course Attributes: Requires CTE admission.

ECED 3151 - Teaching Science as Inquiry
3 Credits
Constructivist approach to science education methods and materials in the early childhood classroom. Focus on standards, inquiry, safety, assessment, and incorporation of technology with content of a general science curriculum. Offered spring semester. Course Attributes: Requires CTE admission.

ECED 3181 - Education Assessment for Early Childhood
3 Credits
Concepts in developmentally appropriate assessment with emphasis on crafting assessments to inform teaching and learning aligned with state and national standards. Development and appropriate use of traditional and alternative assessments, evaluating student progress, applying technologies, interpreting and using standardized tests and federal and state assessment requirements/reporting. Offered fall semester. Prerequisite(s): EDUC 1151 or EDUC 115.

ECED 3351 - Visual Arts in Early Childhood Education
2 Credits
An integrated, constructivist approach to curriculum and pedagogy for teaching the visual arts based on developmental characteristics of the preschool-primary child. Offered spring semester. Course Attributes: Requires CTE admission.

ECED 3551 - Music and Movement in Early Childhood Education
2 Credits
An integrated, constructivist approach to incorporating music into the PreK and K-3 primary curricula. Elements of music and movement applied to developmentally appropriate practice. Offered alternate fall semesters. Course Attributes: Requires CTE admission.

ECED 3901 - Special Topics in Early Childhood Education
1-3 Credits
Selected special topics in early childhood education. Can be repeated as the topic varies. Unlimited repeats permitted.

ECED 4991 - Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for a specific course taken independently. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

**Subject- Education (EDUC)**

EDUC 1151 - Culture and Schooling
3 Credits
The philosophical, historical, and sociological aspects of the American public school experience. Included is the impact that cultural factors have on students, teachers, and on the development and enactment of the school curriculum. Offered fall and spring semesters. Course Attributes: Diversity-Human Interaction.

EDUC 1501 - Five-Day Field Experience I
1 Credit Grading mode is S/U
Observation and participation with students and teachers in a racially or ethnically diverse school setting for five consecutive school days and a minimum of 35 hours. A paper, pre-conference and post-conference are required. Offered fall and spring semesters. Prerequisite(s): EDUC 1151 or EDUC 115. Course Attributes: Requires CTE admission.

EDUC 1521 - Five-Day Field Experience II
1 Credit Grading mode is S/U
Observation and participation with students and teachers in a school setting for five consecutive school days and a minimum of 35 hours. Experience will focus on teaching and the reflective practice. A paper, pre-conference and post-conference are required. Offered fall and spring semesters. Prerequisite(s): EDUC 1501 or EDUC 150. Concurrency allowed. Course Attributes: Requires CTE admission.

EDUC 2101 - Exceptional Learners
3 Credits
Understanding the varying characteristics and needs of exceptional individuals; legal requirements, bilingual/multicultural considerations, least restrictive environment and programming alternatives developed to meet student needs. Offered fall and spring semesters. Prerequisite(s): EDUC 1151 or EDUC 115.
EDUC 2211-Child and Adolescent Development and Diversity
2 Credits
Designed as a study of the characteristics, problems, promises and issues of adolescence and will focus on aspects of adolescent development and the possible special needs of adolescents that are particularly relevant to persons who will be professionally involved with both adolescents and their families. Includes a survey of the physical, intellectual, social and emotional development of the typical adolescent and also provides a study of the unique needs and characteristics of adolescents who are at risk or who have disabilities. Students will have the opportunity to observe and interact with adolescents within middle and high school settings. Topics to be covered in the course: physical, intellectual, emotional and social development; becoming a change agent in the secondary classroom; collaboration and consultation; holistic programs; regular and special education programs in middle schools and high schools; diverse populations in middle/secondary schools; family-school partnerships; and sociocultural awareness. 4 field hours. Prerequisite(s): (EDUC 1501 and EDUC 1151).

EDUC 2311-Diagnosis and Educational Planning for Special Needs Children
3 Credits
This course focuses on information and practical experiences relating to assessment and remediation of children with mild/moderate educational needs. Topics to be covered include formal and informal criterion-referenced assessment, individualized educational plans, multidisciplinary approaches, parental roles, report writing, collaboration. 20 clinical hours. Prerequisite(s): EDUC 2101. Must be enrolled in one of the following Classifications: Junior, Senior.

EDUC 2351-Language Development for Diverse Learners
3 Credits
This course introduces speech and language acquisition of the typically and atypically developing child. It also presents a survey of various disorders and their effects on receptive (listening and reading) and expressive (oral and written) language functions and learning. Students become familiar with the diagnostic tools and the professional vocabulary in order to communicate effectively with other professionals. Emphasis is placed on methods that the regular classroom or intervention specialist can use to communicate with and teach children with diverse learning styles in reading, writing, listening and speaking. Students become sensitive to the concerns of speech and language differences related to culture and environmental issues. 10 field hours/20 clinical hours. Prerequisite(s): EDUC 2101. Must be enrolled in one of the following Classifications: Junior, Senior.

EDUC 2681-Curriculum and Assessment
3 Credits
General and specific topics related to curriculum development and general teaching methods, lesson and unit development, constructivist teaching, and effective classroom practices including formal and informal assessment for adolescent and multiage classrooms. 2.50 GPA and Praxis I required. Offered fall and spring semesters. Prerequisite(s): EDUC 1151 or EDUC 115.

EDUC 2991-Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for the specific course taken independently. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

EDUC 3001-Foundations of Literacy
3 Credits
Theoretical orientations of the reading processes, brief history of the U.S. literacy trends, and evaluation of literacy materials in accordance with literacy theories. Offered fall and spring semesters. Prerequisite(s): EDUC 1151 or EDUC 115.

EDUC 3041-Strategies for Technology Education
3 Credits
Technology and technological activity to assist the synthesis of learning. The use of materials, tools and processes to enhance learning and to assist in developing interests and talents. Emphasis on STEM integration through the development of hands-on, manipulative, problem based learning strategies to be used in the classroom. Typical problems and the planning and organizing of the learning environment. Offered alternate spring semesters. Course Attributes: Requires CTE admission.

EDUC 3121-Teaching Phonics
3 Credits
Emphasis on stages of orthographic development, phonics generalizations, how to teach phonics, and word recognition skills within a structured word study methodology. Offered fall and spring semesters. Prerequisite(s): EDUC 3001 or EDUC 300.

EDUC 3201-Instructional Media and Educational Technologies
3 Credits
The role that technologies play in our schools of today as well as in American society. Emphasis on technology integration in instruction including planning, selection, utilization, operation, and evaluation of hardware (computers, digital cameras, digital camcorders, digital document cameras, smart board, etc.) and software applications; culminating in the production of a multimedia project for a classroom teacher and his/her students. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Requires CTE admission.

EDUC 3221-Integrated Language Arts
3 Credits
Strategies for integrating the language arts within a literacy program with an emphasis on the writing process, applications and conventions. Offered fall and spring semesters. Prerequisite(s): EDUC 3001 or EDUC 300. Course Attributes: Requires CTE admission.

EDUC 3301-Media and Young Adult
3 Credits
Analysis of the characteristics of young adults, their information needs, materials and media, information-seeking behavior, digital media use, and impact of digital media on teaching and learning.

EDUC 3421-Literacy Across the Content Areas
3 Credits
Literacy connections across the curriculum including instruction methods in prereading, vocabulary, comprehension strategies, and study skills. Appropriate for licensure requirements in ECED and MCED. Offered fall and spring semesters. Prerequisite(s): EDUC 3001 or EDUC 300. Course Attributes: Integration Across Disciplines, Requires CTE admission.

EDUC 3441-Intervention Specialist Classroom Organization
2 Credits
This course is designed to assist prospective intervention specialists in understanding teacher and student behaviors, discipline in the educational process and communication techniques as they apply to good classroom management. In addition, students will explore techniques for maximizing learning in a variety of classroom settings, building students' self-concepts and understanding the use and abuse of power. 45 field hours. Prerequisites: all major requirements as listed in the professional preparation outline for early childhood. Course is taken during the semester of Clinical Practice (EDUC 4631). Prerequisite(s): (EDUC 2211 and EDUC 2311 and EDUC 2351 and EDUC 3841 and EDUC 3891). Corequisite(s): EDUC 4631. Must be enrolled in one of the following Classifications: Junior, Senior.

EDUC 3451-Literacy Across the Content Areas/AYA/MA
3 Credits
Literacy connections across the curriculum including instruction methods in prereading, vocabulary, comprehension strategies, and study skills. Appropriate for licensure requirements in AYA and MA. Offered fall and spring semesters. Course Attributes: Integration Across Disciplines, Requires CTE admission.
EDUC 3501-Departmental Field Experience
0 Credits Grading mode is S/U
Individually planned field experience based on an area of licensure purposes and objectives and/or student teaching objectives. Specific objectives and experience proposed by student and must be approved by major department and education advisors. Required for adolescent or multilege licensure if 160 hours of field experience is not complete in other professional education courses. Must be enrolled in one of the following Colleges: Arts and Sciences. Must be enrolled in one of the following Departments: Education. Course Attributes: Requires CTE admission.

EDUC 3841-Methods and Materials for Diverse Learners
3 Credits
Designed to develop teacher competency, to analyze learners and to plan the "least restrictive environment" for the student with mild to moderate educational needs. Candidates will develop skills in designing, implementing and evaluating appropriate educational interventions in the areas of language, math, reading, behavior and social skills. Attention will also be given to occupational orientation and transition planning. Candidates will develop knowledge and skills in designing lessons, classroom environments, community-based instruction and transition planning. Prerequisite(s): (EDUC 2101 and EDUC 1501 and EDUC 1151 and PSYC 1001).

EDUC 3891-Current Issues in Special Education
1 Credit
This course is designed to present current issues affecting the education of exceptional children. Students will examine such topics as contemporary research findings, community and governmental resources, current federal and state regulations, special education service delivery models and counseling/supporting parents of exceptional children. Prerequisite(s): (EDUC 1151 or EDUC 115) and (EDUC 1501 or EDUC 150).

EDUC 3901-Special Topics in Education
1-3 Credits
Selected special topics in education. Can be repeated as the topic varies. Unlimited repeats permitted.

EDUC 4001-Assessment of Reading Instruction
3 Credits
Use of student assessment information to inform planning, teaching and learning for struggling readers and writers. Offered fall and spring semesters. Prerequisite(s): EDUC 3121 or EDUC 312. Course Attributes: Requires CTE admission.

EDUC 4401-Educational Psychology and Instructional Practices
3 Credits
Teaching behavior, instructional techniques and classroom management from a constructivist perspective essential for effective instruction in adolescent and multilege classrooms. Offered fall and spring semesters. Course Attributes: Requires CTE admission.

EDUC 4451-Leadership Seminar in Education
2 Credits Grading mode is S/U
An emphasis on professional growth and development and an overview of legal and financial aspects of education, organizational structure at the local and state level, influence from the state and federal government, and information related to teaching position search. Offered fall and spring semesters. Prerequisite(s): EDUC 4701 or EDUC 4721. Concurrency allowed. Course Attributes: Requires CTE admission.

EDUC 4511-Integrated Science Methods
3 Credits
Constructivist approach to science education methods and materials in the AYA classroom. Focus on standards, inquiry, safety, assessment, and incorporation of technology with content of a general science curriculum. Offered fall semester. Course Attributes: Requires CTE admission.

EDUC 4521-Integrated Language Arts Methods
3 Credits
Effective methods in teaching language, writing, and literature. Preparation for Licensure exam. Offered alternate fall semesters. Course Attributes: Requires CTE admission.

EDUC 4531-Integrated Social Studies Methods
3 Credits
A theoretical basis for social studies education with a strong emphasis on the teaching methods and practices that enliven the social studies classroom for adolescent students. Offered fall semester. Course Attributes: Requires CTE admission.

EDUC 4541-Integrated Mathematics Methods
3 Credits
Methods and current issues in adolescent/young adult mathematics teaching including concept construction, differentiation, assessment, technology, and teaching strategies. Offered fall semester. Course Attributes: Requires CTE admission.

EDUC 4551-Integrated Modern Language Methods
3 Credits
Practical approaches to meeting standards for foreign language teaching. Strategies for developing communication skills, addressing diverse learner needs, and assessing outcomes. Offered alternate fall semesters. Course Attributes: Requires CTE admission.

EDUC 4571-Integrated Art Methods
3 Credits
Effective strategies and methods of instruction in teaching visual art. Lesson planning, resource materials, media, curriculum, issues, and assessment of a comprehensive program. Offered alternate fall semesters. Course Attributes: Requires CTE admission.

EDUC 4591-Integrated Music Methods
3 Credits
Philosophy, techniques, materials, curriculum planning for the music teacher. Offered alternate fall semesters. Course Attributes: Requires CTE admission.

EDUC 4601-Integrated Health Methods
3 Credits
Innovative strategies for the teaching of health education are applied. Attention is given to conceptualizing instruction, specifying instructional objectives, planning units and lessons, utilizing various instructional methods, selecting and using instructional materials, and evaluating teaching effectiveness. Offered alternate spring semesters. Course Attributes: Requires CTE admission.

EDUC 4611-Integrated Physical Education Methods
3 Credits
Methods and techniques most effective in teaching the discipline in the public schools. Includes analysis of successful teaching behaviors during the planning and implementation of quality learning experiences. Offered fall semester. Corequisite(s): PHED 3001. Course Attributes: Requires CTE admission.

EDUC 4631-Clinical Practice-Intervention Specialist
10 Credits Grading mode is S/U
Clinical practice provides supervised experiences in applying the principles and techniques learned in the professional courses to classroom situations under the guidance and direction of a cooperating teacher. Clinical Practitioners spend full days in their assigned public school setting for 10 weeks during the senior year. Prerequisite(s): (EDUC 2211 and EDUC 2311 and EDUC 2351 and EDUC 3841 and EDUC 3891). Corequisite(s): EDUC 3441. Must be enrolled in one of the following Classifications: Senior.
EDUC 4651-Science Education Portfolio
0 Credits Grading mode is S/U
Self-directed exploration of topics important to secondary education, including the history of science, its relationship to other disciplines and society, ethics and legal issues, laboratory safety, and scientific research. Offered fall semester. Corequisite(s): EDUC 4511. Course Attributes: Requires CTE admission.

EDUC 4701-Student Teaching-EC/MC
12 Credits Grading mode is S/U
Capstone practicum of supervised teaching in the major licensure field of the candidate. Offered fall and spring semesters. Corequisite(s): EDUC 4451. Unlimited repeats permitted. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing, Effective Communication Writing, Requires CTE admission.

EDUC 4721-Student Teaching-Adolescent
12 Credits Grading mode is S/U
Capstone practicum of supervised teaching in the major licensure field of the candidate. Offered fall and spring semesters. Corequisite(s): EDUC 4451. Unlimited repeats permitted. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing, Effective Communication Writing, Requires CTE admission.

EDUC 4741-Student Teaching -MultiAge
12 Credits Grading mode is S/U
Capstone practicum of supervised student teaching in the major licensure field of the candidate. Offered fall and spring semesters. Corequisite(s): EDUC 4451. Must be enrolled in one of the following Major fields of study: Early Childhood Education, Middle Childhood Education. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing, Effective Communication Writing, Requires CTE admission.

EDUC 4761-Education Studies Capstone
3 Credits
Exploration of a topic in education with faculty supervision including preparation of a paper on the topic. Offered fall and spring semesters. This capstone does not lead to teacher licensure. Course Attributes: Requires CTE admission.

EDUC 4991-Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for the specific course taken independently. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

Subject- Middle Childhood Education (MCED)

MCED 2601-Introduction to Middle Childhood Education
3 Credits
The history, philosophy, and organization of middle school education. Planning, instructional strategies, and evaluation responsive to the needs of young adolescents. Utilization of multi-media materials, creative exploration, and enrichment activities to build an effective middle school curriculum. 2.50 GPA and Praxis I or equivalent required. Offered fall semester. Prerequisite(s): EDUC 1151 or EDUC 115.

MCED 2621-Middle Childhood Methods, Curriculum, and Policies
3 Credits
The understanding of theory, organization, and decision making in middle school curriculum from an integrated, interdisciplinary focus. Includes the development of integrated planning, teaching, and assessing at the middle school level. Offered spring semester. Prerequisite(s): MCED 2601 OR MCED 260.

MCED 2671-Educational Psychology and Middle Childhood Assessment
3 Credits
Connecting learning with formal and informal assessments and from a cognitive, linguistic, and social development perspective in a middle childhood classroom. Offered spring semester. Prerequisite(s): EDUC 1151 or EDUC 115.

MCED 2991-Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for the specific course taken independently. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

MCED 3021-Classroom Guidance, Family, School, and Community Partnerships
3 Credits
A guidance approach to classroom and behavior management appropriate to the middle school classroom. Understanding students and families through sensitivity to diversity and effective communication strategies. Research and development of family/school/community plans. Offered fall semester. Course Attributes: Requires CTE admission.

MCED 3051-Young Adult Literature for the Middle Childhood Classroom
3 Credits
Literature for individual, group, and whole-class reading in middle childhood education (grades 4-9). Offered spring semester.

MCED 3081-Middle School Mathematics Methods
3 Credits
Methods and current issues in middle school mathematics teaching, including content, strategies, materials, technology and assessment. Offered spring alternate semesters. Course Attributes: Requires CTE admission.

MCED 3091-Middle School Science Methods
3 Credits
Constructivist approach to science education methods and materials in the middle school classroom. Focus on standards, inquiry, safety, assessment, and incorporation of technology with content of a general science curriculum. Offered fall semester. Course Attributes: Requires CTE admission.

MCED 3111-Middle School Social Studies Methods
3 Credits
A theoretical basis for social studies education with a strong emphasis on the teaching methods and practices that enliven the social studies classroom for middle childhood students. The student will also be prepared to effectively teach Ohio history, including coverage of the necessary content. Offered fall semester. Course Attributes: Requires CTE admission.

MCED 3901-Special Topics in Middle Childhood Education
1-3 Credits
Selected special topics in middle childhood education. Can be repeated as the topic varies. Unlimited repeats permitted.

MCED 4991-Independent Study
1 to 3 Credits
The independent study designation to be used as a prefix for the specific course taken independently. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

DEPARTMENT OF ENGLISH

Professors Robeson (Chair), McManus, R. Scott; Associate Professors Bauer, Cullen, Kanwit, J. Pitts; Assistant Professors Dowland, Moore

Mission Statement
Based on its commitment to the values of the humanities, the faculty of the Department of English teaches analytical reading and critical, creative, and professional writing as forms of art, as sources of pleasure, as a means of understanding diverse peoples and cultures, and as practical, marketable skills. Through close interaction with written, oral, and digital texts, students develop as critical thinkers and writers to become producers of knowledge. Through close interaction with peers and faculty, and active engagement with a variety of publications and professional experiences, students learn the value of creating texts and, in turn, become thoughtful members of our
global community. Studies in English prepare students for professional, business and teaching careers, for law school, for graduate study in English and other disciplines, as well as for a lifetime of continual engagement with language and literature.

Vision or Overview Statement
The English Department at Ohio Northern University will continue to strengthen our unique and individualized programs in Creative Writing, Language Arts Education, Literature, and Professional Writing, while also encouraging a sense of community and common purpose among our students and faculty. We will continue to create innovative programs and classes that foster critical and creative thinking, reading, and writing. We will cultivate an understanding of diverse cultures and an appreciation for aesthetics. We will take a leadership role in developing writing skills for students across the university.

Accreditation and Professional Memberships
The Integrated Language Arts (grades 7-12) licensure program (Language Arts Education major) is approved by the state of Ohio. Ohio Northern University’s Teacher Education Program is accredited by the Council for the Accreditation of Educator Preparation (CAEP). Additionally, the department holds membership in the National Council of Teachers of English (NCTE), Modern Language Association (MLA), Association of Writers and Writing Programs (AWP), Ohio Council of Teachers of English Language Arts (OCTELA), College English Association of Ohio (CEAO), College English Association (CEA), and Sigma Tau Delta, the international English honor society.

Majors, Minors and Degrees Offered
Creative Writing Major (BA)
Language Arts Education Major (BA)
Literature Major (BA)
Professional Writing Major (BA)
Creative Writing Minor
Literature Minor
Professional Writing Minor

Licensure Offered
Adolescent Young Adult (grades 7-12) Language Arts Teaching Licensure for students majoring in Language Arts Education. An endorsement for Teaching English as a Second Language (TESOL) may be added to the teaching license.

Admission Requirements
Only one major in the department, Language Arts Education for Integrated Language Arts Secondary Teaching Licensure, requires additional admission requirements beyond the standard criteria for acceptance to Ohio Northern University. Students must request acceptance into the Center for Teacher Education (CTE) once they have successfully completed Praxis Core for Educators exams or equivalent, have a 2.5 overall GPA, and have met specific CTE course and field experience requirements.

Special Programs
Internships and Study Abroad
The English Department requires internships for the Professional Writing majors, but internship opportunities that provide hands-on professional experience are available to students in all department majors. Faculty advisers recommend that English majors take advantage of study abroad options and Washington Center internships where possible.

Publications
The Department produces three publications: Polaris (creative writing magazine); (R) e-media (webzine); and Ethos (alumni newsletter).

Students in all major concentrations are required to have experience working on department publications and are encouraged to work on more than one to gain diverse publication experience and create an expanded portfolio.

Conferences
Students submit top papers and projects from their classes to the Sigma Tau Delta national conference and to other student and professional conferences. Faculty members take student editors and other groups to state and national conferences. Language Arts Education majors are required to attend two professional conferences for graduation. Travel to these conferences is supported by department funding.

Major Course Requirements
Neither 1000-level English courses (excluding 1001) nor ENGL 2041 count toward any major, minor, or option in the department, nor does any major course with a grade below “C.”

All majors include a senior capstone project for which students prepare a professional project or paper with a view to publication under the guidance of an instructor in a 3000- or 4000-level course. In ENGL 4461, they revise and formally present their projects to department faculty, students and families in a professional conference setting in the department. The student may complete two majors or a major and a minor within the department so long as there is no more than 30% duplication of courses within the second major or minor. In addition, the department encourages complementary majors, minors, or options in other disciplines.

Creative Writing Major (37 credit hours)
ENGL 0011 Enrichment (0)
ENGL 2011 Introduction to Creative Writing (3)
ENGL 2101 Pro Seminar: English Studies (3)
ENGL 2111 American Literature 1 (3)
or
ENGL 2121 American Literature 2 (3)
ENGL 2131 British Literature 1 (3)
or
ENGL 2141 British Literature 2 (3)
ENGL 4461 Capstone (1)
Select three additional literature courses (at least two courses must be at the 3000 and 4000 level)

Select 12 credits (at least one course must be at the 4000 level):
ENGL 3401 Intermediate Poetry Writing (3)
ENGL 3411 Intermediate Fiction Writing (3)
ENGL 3421 Screenwriting (3)
ENGL 4401 Advanced Poetry Writing (3)
ENGL 4411 Advanced Fiction Writing (3)
ENGL 4421 Nonfiction Writing (3)
TATH 3821 Playwriting (3)

Select 3 credits:
CAM 2161 Multimedia Journalism Practicum
ENGL 2511* Magazine Practicum (1-3)
ENGL 2521* Journal Publishing Practicum (1-3)
ENGL 2531* Web Publishing Practicum (1-3)
ENGL 2541* Screenwriting Workshop (1-3)
ENGL 2551* Creative Writing Workshop (1-3)
ENGL 3431* Department Newsletter (3)

*Workshops and practica have variable credit of 1-3 hours (they may be taken for more than 1 credit at the instructor’s discretion) and may be repeated; English Department Newsletter is taken for 3 credit hours. Only 6 hours of practicum, workshop and newsletter credits will count toward graduation.

Language Arts Education Major (92 credit hours)
Successful completion of this major meets the curriculum and experience requirements for the Adolescent Young Adult (7-12) Teaching Licensure.

ENGL 0011 Enrichment (0)
ENGL 1001 Introduction to Literature (3)
ENGL 2101 Pro Seminar: English Studies (3)
ENGL 2001 Grammar in Context (3)
ENGL 2251 Children’s and Young Adult Literature (3)
ENGL 3511 English Language (3)
ENGL 4121 Shakespeare Studies (3)
ENGL 4461 Capstone (1)
Select one:
- ENGL 2511 Magazine Practicum
- ENGL 2521 Journal Publishing Practicum

Select one:
- ENGL 2571 Research Practicum
- CAMS 2161 Multimedia Journalism Practice
- ENGL 2541 Screenwriting Workshop (1-3)
- ENGL 2551 Creative Writing Workshop (1-3)
- ENGL 3431 English Department Newsletter (1-3)

Select one:
- ENGL 2191 Topics in World Literature (3)
- ENGL 2631 Women's Literature (3)
- ENGL 2741 American Multicultural Literature (3)
- ENGL 3201 European Literature (3)
- ENGL 3301 Postcolonial Literature (3)

Select two:
- ENGL 3101 Topics in Medieval Literature (3)
- ENGL 3191 Renaissance and Jacobean Literature (3)
- ENGL 3261 Post-World War I British Literature (3)
- ENGL 3341 Topics in American Literature pre-1865 (3)
- ENGL 3351 Topics in American Literature post-1865 (3)
- ENGL 3641 British Novel (3)
- ENGL 3651 American Novel (3)
- ENGL 3811 Modernist and Contemporary Poetry (3)
- ENGL 3901 Special Topics in English
- ENGL 4051 Studies in Literary and Cultural Theory (3)
- ENGL 4101 Chaucer (3)
- ENGL 4231 18th Century/British Romanticism (3)
- ENGL 4241 Victorian Period (3)
- ENGL 4311 Studies in American Literature (3)
- ENGL 4901 Special Topics in English

AYA Licensure (Center for Teacher Education Requirements)
- CAMS 1311 Communication in the Classroom (3)
- EDUC 1151 Culture and Schooling (3)
- EDUC 1501 Five-Day Field Experience 1 (1)
- EDUC 1521 Five-Day Field Experience 2 (1)
- EDUC 2101 Exceptional Learners (3)
- EDUC 2561 Curriculum and Assessment (3)
- EDUC 3201 Instructional Media and Educational Technologies (3)
- EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
- EDUC 4401 Educational Psychology and Instructional Practices (3)
- EDUC 4451 Leadership Seminar in Education (3)
- EDUC 4521 Integrated Language Arts Methods (3)
- EDUC 4721 Student Teaching/AYA (12)
- ENGL 1221 Writing Seminar (3)
- PSYC 2171 Adolescence Psychology (3)

In addition to the requirements above, all language arts education majors must attend two professional conferences and complete a Language Art Education portfolio. The appropriate subject exam must be passed prior to application for the AYA license.

Teaching English as a Second Language (TESOL) Endorsement
Language Arts Education majors may add a state-recognized endorsement in Teaching English as a Second Language to their license by taking the following courses: Any courses marked with an asterisk (*) will be taken at Bluffton University

- EDUC 2111* TESOL: Theories and Issues (3)
- EDUC 2221* TESOL: Instructional Methods and Assessment (3)
- EDUC 2521* Introduction to Linguistics (3)
- EDUC 2711* English Grammar (3)
- EDUC 3131* Language Variation (3)
- EDUC 3851* TESOL Practicum (2)
- EDUC 1151 Culture and Schooling (3)

One course with a diverse cultures or nonwestern attribute from ONU (3)

The appropriate additional TESOL subject exam must be passed prior to application for the endorsement. Scores must be sent to Bluffton University.

Literature Major (38 credit hours)
- ENGL 0011 Enrichment (0)
- ENGL 1001 Introduction to Literature (3)
- ENGL 2101 Pro Seminar: English Studies (3)
- ENGL 3511 English Language (3)
- ENGL 4121 Shakespeare Studies (3)
- ENGL 4461 Capstone (1)

Select one:
- ENGL 2511 Magazine Practicum (1-3)
- ENGL 2521 Journal Publishing Practicum (1-3)
- ENGL 2531 Web Publishing Practicum (1-3)
- ENGL 2571 Research Practicum (1-3)

Select three:
- ENGL 2111 American Literature 1 (3)
- ENGL 2121 American Literature 2 (3)
- ENGL 2131 British Literature 1 (3)
- ENGL 2141 British Literature 2 (3)

Select one:
- ENGL 2091 Topics in Fiction (3)
- ENGL 2081 Topics in Drama (3)
- ENGL 2091 Topics in Poetry (3)

Select one:
- ENGL 2191 Topics in World Literature (3)
- ENGL 2251 Children’s and Young Adult Literature (3)
- ENGL 2531 American Multicultural Literature (3)
- ENGL 2741 American Literature post-1865 (3)
- ENGL 3641 British Novel (3)
- ENGL 3651 American Novel (3)
- ENGL 3811 Modernist and Contemporary Poetry (3)
- ENGL 3901 Special Topics in English
- ENGL 4051 Studies in Literary and Cultural Theory (3)
- ENGL 4101 Chaucer (3)
- ENGL 4231 18th Century/British Romanticism (3)

ENGLISH 77
ENGL 0011-Enrichment

0 Credits Grading mode is S/U

Enrichment of the curriculum for English department majors through required attendance at designated cultural and academic extracurricular events. Must be completed twice each academic year by all English department majors. Offered fall and spring semesters. Must be enrolled in one of the following Departments: English. This course may be repeated 8 times.

ENGL 1001-Introduction to Literature

3 Credits

Approaches to analyzing, interpreting, and writing about literature. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Freshman, Sophomore, Junior, Senior. Course Attributes: Effective Communication Writing, Informed Responses-Aesthetics.

ENGL 1221-Writing Seminar

3 Credits

Introduction to college-level writing skills, including critical reading, the formulation of arguments, researching and incorporating outside sources, and writing essays. Required of all students. Meets university first-year writing requirement. Offered fall and spring semesters. Course Attributes: Effective Communication Writing.

ENGL 1411-Intensive College Composition 1

3 Credits

Academic English skills for students whose native language is not English, with a focus on grammar and sentence-level structures leading to fully-developed paragraphs and short essays. This intensive course meets five hours per week. Enrollment determined by ONU Writing Placement Exam administered during International Student Orientation. ENGL 1411 and ENGL 1421 together satisfy the general education first-year writing requirement. Students must earn a C or better to advance to ENGL 1421. Offered fall semester.

ENGL 1421-Intensive College Composition 2

3 Credits

Continuation of ENGL 1411 with additional emphasis on academic writing including documentation of sources and research writing. This intensive course meets five hours per week. ENGL 1411 and ENGL 1421 together satisfy the general education first-year writing requirement. Students must earn a C or better in ENGL 1411 to enroll in this course. Offered spring semester. Prerequisite(s): ENGL 1411 Minimum Grade of C. Course Attributes: Effective Communication Writing.

ENGL 1511-College Composition 1

3 Credits

Academic English skills for students whose native language is not English, with emphasis on reading and writing. Enrollment determined by ONU Writing Placement Exam administered during International Student Orientation. ENGL 1511 and ENGL 1521 together satisfy the general education first-year writing requirement. Students must earn a C or better to advance to ENGL 1521. A score of 3.5 or higher on the ONU Writing Placement Exam is required to enroll in this course. Offered fall semester.

ENGL 1521-College Composition 2

3 Credits

Continuation of ENGL 1511 with additional emphasis on academic writing including documentation of sources and research writing. ENGL 1511 and ENGL 1521 together satisfy the general education first-year writing requirement. Students must earn a C or better to advance to ENGL 1521. Offered spring semester. Prerequisite(s): ENGL 1521 Minimum Grade of C. Course Attributes: Effective Communication Writing.

ENGL 2001-Grammar in Context

3 Credits

English grammatical structures and their rhetorical effects.

ENGL 2011-Introduction to Creative Writing

3 Credits

Introduction to creative writing techniques and texts in multiple genres. Course Attributes: Critical and Creative Thinking, Informed Responses-Aesthetics.

ENGL 2021-Business Writing

3 Credits

Approaches to business communication focused on evaluating audience, purpose, and genre. Practical experience in drafting, revising and presenting formal documents including memos, proposals and presentations. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C or HONR 1221 Minimum Grade of C or HONR 1231 Minimum Grade of C. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing, Non-Western Culture.
ENGL 2031 - Technical and Science Writing
3 Credits
Approaches to technical communication focused on evaluating audience, purpose and genre in the production and use of documents in professional contexts and in the Natural Sciences. May include production of abstracts, proposals, usability studies, grant applications, lab reports and scholarly articles. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C or HONR 1221 Minimum Grade of C or HONR 1231 Minimum Grade of C. Course Attributes: Effective Communication Writing.

ENGL 2041 - Great Works
3 Credits
Major literary texts covering a range of historical periods and genres. A general education course with an emphasis on reading. Offered fall and spring semesters. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 111 Minimum Grade of C or HONR 1231 Minimum Grade of C or HONR 1221 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Effective Communication Writing, Informed Responses-Aesthetics.

ENGL 2051 - Introduction to Professional Writing
3 Credits
The functions, uses, history, and practice of writing in professional situations, with a focus on practical understanding of fundamental rhetorical concepts. Assignments include print and online writing, research, and documentation projects in various professional situations with emphasis on grammatical correctness, concision and clarity, and the revision process. Offered alternate fall semesters. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 111 Minimum Grade of C or HONR 1231 Minimum Grade of C or HONR 1221 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C.

ENGL 2061 - Grant Writing
3 Credits
Introduction to drafting and submitting grants for funding agencies in academic and professional contexts. Practical experience in locating sources for funding, establishing goals, creating budgets and designing assessment. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 111 Minimum Grade of C or HONR 1231 Minimum Grade of C or HONR 1221 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C.

ENGL 2071 - Topics in Fiction
3 Credits
Exploration of thematic and stylistic elements in fiction from a variety of cultures and periods. This course may be repeated 2 times. This course is repeatable for a total of 6 hours. Course Attributes: Humanities, Effective Communication Writing, Informed Responses-Aesthetics.

ENGL 2081 - Topics in Drama
3 Credits
Exploration of thematic and stylistic elements in dramatic literature from a variety of cultures and periods. This course may be repeated 2 times. This course is repeatable for a total of 6 hours. Course Attributes: Humanities, Effective Communication Writing, Informed Responses-Aesthetics.

ENGL 2091 - Topics in Poetry
3 Credits
Exploration of thematic and stylistic elements in poetry from a variety of cultures and periods. This course may be repeated 2 times. This course is repeatable for a total of 6 hours. Course Attributes: Humanities, Critical and Creative Thinking, Informed Responses-Aesthetics.

ENGL 2101 - Proseminar: English Studies
3 Credits
Overview of theoretical and practical approaches to interpreting and writing about texts. Offered fall semester. Prerequisite(s): ENGL 1221 Minimum Grade of C or ENGL 1231 Minimum Grade of C or ENGL 111 Minimum Grade of C or HONR 1231 Minimum Grade of C or ENGL 1421 Minimum Grade of C or ENGL 1521 Minimum Grade of C. Must be enrolled in one of the following Departments: English.

ENGL 2111 - American Literature 1
3 Credits
The early period of American literature (1492-1870s), including such genres as exploration and spiritual narratives, revolutionary political writing, fiction, and poetry, taking into account social and historical context. 1 to 3 Credits  
May be repeated as the topic varies. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

ENGL 4971-independent Study in Literature  
1 to 3 Credits  
May be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

ENGL 4981-independent Study in Professional Writing  
1 to 3 Credits  
May be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

DEPARTMENT OF HISTORY, POLITICS AND JUSTICE

Professors R. Alexander (Chair), Lomax, Louisin, J. Scott; Associate Professors Crawford, D. Smith, Nsia-Pepra; Visiting Assistant Professors Schuck, R. Waters

Mission Statement  
The mission of the Department of History, Politics and Justice is to assist students' development into self-reliant individuals. The department places special emphasis on the development of diverse ideas within the historical, political, legal, and geographical realm and furthers students' understanding of the world through the development and enhancement of critical and analytical reasoning skills.

Professional Memberships  
Memberships include the Academy of Criminal Justice Sciences, the American Correctional Association, the American Geographical Society, the American Historical Association, and the American Political Science Association, Ohio Council for the Social Studies, North American Society for Sport History, Western Society for French History, Ohio Association of Economists and Political Scientists.

Majors, Minors and Degrees Offered  
History Major (BA)  
Political Science Major  
American Politics Concentration (BA)  
International Politics Concentration (BA)  
Social Studies Major (BA)  
Asian Studies Minor  
Geography/Area Studies Minor  
Geography/Geographic Information Systems (GIS) Minor  
History Minor  
Political Science Minor  
Public History and Museum Studies Minor

Licensure Offered  
Adolescent Young Adult (AYA) Social Studies Teaching Licensure (grades 7-12)  
Teacher Licensure in Integrated Science (7-12)  
Teacher Licensure in Life Sciences (7-12)

Special Programs  
Archaeological Field School  
The department conducts an Archaeological Field School. It is an ongoing educational program that maximizes student participation and learning at an active archaeological site. Field School is a "teaching through doing" course. It features site work, formal lectures, and informal discussions on archaeology, archaeological methods, and the application of anthropological theory to archaeological discoveries.
Internships and Other Experiential Education

Public service internships are available at all levels of government, including the Ohio and federal legislatures. Public history internships include work in museums and in archival management in addition to research positions with professional historians. Many students intern with private businesses and non-profit organizations. The department also offers students the opportunity to participate in The Washington Center for Internships and Academic Seminars or the Washington Semester program sponsored by American University. A student may apply three credit hours of internship to selected majors and minors and as many as fifteen total credit hours of departmental internship to the Bachelor of Arts degree.

Students annually participate in the National Model United Nations in New York City and the American Mock Trial program in cities such as Chicago, Illinois, and St. Paul, Minnesota. A student may apply three credit hours of Model United Nations to the political science/international politics major and up to nine credit hours to the Bachelor of Arts degree. A student may apply three credit hours of Mock Trial to the criminal justice or political science majors and up to nine credit hours to the Bachelor of Arts degree.

Honorary

The department has active chapters of Phi Alpha Theta, the national history honorary; Phi Beta Delta, the national honorary for international scholars; Pi Sigma Alpha, the national political science honorary; Studia Socialia Americae, the national social studies honor society, and Gamma Theta Upsilon, the international geographic honor society.

Study Abroad

The department participates in numerous study-abroad programs. Students majoring in history are encouraged to consider direct exchanges at University of Joensuu, the University of Wales, Lampeter, or University of Debrecen, Hungary. Political science students are directed toward Glasgow Caledonian University, University of Debrecen, or the University of Joensuu. Students interested in Asian Studies are encouraged to study in Hanyang University as well as other programs in Korea, China, and Taiwan. Ohio Northern also participates in several study abroad consortia that allow students to pursue study abroad in every part of the world.

Pre-law Program

Ohio Northern University has developed a unique pre-law program that offers superior students an excellent opportunity to prepare for a career in law. Pre-law students have access to individual pre-law advisers who encourage students to enroll in courses that encourage and develop (1) comprehension and expression in words, (2) critical understanding of the human institutions and values with which the law deals, and (3) critical and analytical thinking. The Pre-law Advising Committee sponsors a course that introduces students to legal studies and a Law School Admissions Test (LSAT) preparatory workshop. Pre-law advisers also assist students with applications for admission to law schools.

Students in the pre-law program will gain automatic admission to the Ohio Northern University College of Law if they (1) maintain an undergraduate grade point average of at least 3.40/4.00; (2) score in at least the 75th percentile on the LSAT; (3) pass the character and fitness review by the Admissions Committee of the College of Law, and (4) pursuant to ABA Admissions Standard 501, are deemed by the law school admissions committee to appear capable of satisfactorily completing its program and being admitted to the bar. To take advantage of an automatic admission, a student must enroll in the College of Law in the fall semester immediately following the date that the student receives an undergraduate degree from Ohio Northern.

Major Course Requirements

Every course required for a major must be completed with a grade of “C” or higher. The capstone requirement for majors in this department is met by successful completion of Senior Thesis 1 and 2 in the appropriate major. To pursue a dual major or a major and a minor, students must complete all requirements for each separate major and minor.

Political Science Major (47-53 credit hours)

A major in political science with a concentration in either American politics or international politics prepares students for careers in law, journalism, information management, government service, and business. The concentration that a student chooses will reflect his or her career goals and interests. The student must complete the major courses, the other required courses and either the American politics concentration or the international politics concentration to complete the political science major. The credit hours listed above include the credit hours required for the concentration.

</tr>
</tbody>
</table>
B. Academic Electives

Complete five (5) three-credit international politics electives (PLSC) at the 3000- or 4000-level (15 credits).

International Politics Concentration (27 hours)

The student must complete one 6 credit hour experiential/research elective, the academic elective courses, and second-year language competency to complete the concentration. The student may not apply to the academic electives any credit hours that have been applied to the experiential/research elective.

A. Experiential/Research Elective

PLSC 4711 Public service internship\(^1\) (6)

or

XXXX 3xx1-4xx1 Study abroad\(^2\) (6)

or

XXXX 3xx1-4xx1 Research facility course\(^3\) (3)

or

MLNG 2xx1 Intermediate Language 1 (3)

MLNG 2xx1 Intermediate Language 2 (3)

B. Academic Electives

Complete five (5) three-credit American politics electives (PLSC) at the 3000- or 4000-level (15 credits).

A. Experiential/Research Elective

PLSC 4711 Public service internship\(^1\) (6)

or

XXXX 3xx1-4xx1 Study abroad\(^2\) (6)

or

XXXX 3xx1-4xx1 Research facility course\(^3\) (3)

or

MLNG 2xx1 Intermediate Language 1 (3)

Notes:

\(^1\)The student must complete a total of 240 on-site hours of Public Service Internship (PLSC 4711). The student must enroll in at least 1 credit hour of Public Service Internship for each internship experience. Students who complete a full-time internship at The Washington Center may apply up to 6 credit hours of PLSC 4711 to the experiential/research elective. With prior departmental approval, the student may apply 3 hours of Seminar - The Washington Center (PLSC 4721) to the academic electives. A student who selects study abroad or research facility to complete the experiential/research elective may apply 3 credit hours of Public Service Internship (PLSC 4711) to the Academic Electives.

\(^2\)The department must approve 6 credit hours of 3xx1-4xx1 level coursework from among the courses that the student has completed at the study abroad site to complete the study abroad experiential/research elective.

\(^3\)The department must grant prior approval of the research facility courses with which the student intends to complete the experiential/research elective.

\(^4\)The student completing the American politics concentration may fulfill one academic elective course requirement with 3 credit hours of Mock Trial (PLSC 4761). HSPS and GGPS courses that satisfy the American politics elective attribute may be taken for PLSC elective credit.

\(^5\)The student completing the international politics concentration may fulfill one academic elective course requirement with 3 credit hours of Model United Nations (PLSC 4751). HSPS and GGPS courses that satisfy the international Politics elective attribute may be taken for PLSC elective credit.

Other required courses:

- CAMS 1311 Communication in the Classroom\(^5\) (3)
- EDUC 1151 Culture and Schooling (3)
- EDUC 1501 Five-Day Field Experience 1 (1)
- EDUC 1521 Five-Day Field Experience 2 (1)
- EDUC 2101 Exceptional Learners (3)
- EDUC 2681 Curriculum and Assessment (3)
- EDUC 3201 Instructional Media and Educational Technologies (3)
- EDUC 3451 Literacy across the Content Areas (3)
- EDUC 4401 Educational Psych. and Instructional Practices (3)
- EDUC 4451 Leadership Seminar in Education\(^6\) (3)
- EDUC 4531 Integrated Social Studies Methods (3)
- EDUC 4721 Student Teaching/AYA\(^*\) (12)
- PSYC 2171 Adolescent Psychology (3)

Social Studies Major (105 credit hours)

The social studies major with other required coursework meets the curriculum and experience requirements for the Integrated Social Studies (grades 7-12) teaching license for the state of Ohio. There are special departmental advisors for teacher licensure. Completion of the Social Studies major also completes the requirements for a second major in history.

- HSPS 1001 History, Politics and Justice Orientation (1)
- HIST 2041 Historiography (3)
- HIST 2141 United States to 1877 (3)
- HIST 2151 United States since 1877 (3)
- HIST 3411 African American History (3)
- HIST 3xx1/4xx1 US history elective (3)
- HIST 3xx1/4xx1 European history elective (3)
- HIST 3xx1/4xx1 Non-Western history elective (3)
- HIST 3xx1/4xx1 History elective\(^*\) (3)
- HIST/HSPS 4981 Senior Thesis 1 (1)
- HIST/HSPS 4991 Senior Thesis 2 (2)
- GEOG 2261 World Regional Geography (3)
- GEOG 2371 Physical Geography (3)
- PLSC 2011 Introduction to American Politics (3)
- PLSC 3xx1/4xx1 Political science elective\(^2\) (3)
- SOC 2501 Cultural Anthropology (3)

C. Second-year competency in a modern language

- MLNG 2xx1 Intermediate Language 1 (3)
- MLNG 2xx1 Intermediate Language 2 (3)
Notes:

1. HSPS and GGHS courses may be taken for HIST elective credit.
2. An HSPS or GGPS course may be taken for PLSC elective credit.
3. A student with a social studies primary major may substitute World Civilizations 1 and 2 (HIST 1151 and HIST 1161) for the Western Civilization 1 and 2 (HIST 1101 and 1111) requirement of the second major in history.
4. Fulfills the communication arts distribution requirement for the Bachelor of Arts degree.
5. Leadership Seminar in Education (EDUC 4451) and Student Teaching/AYA (EDUC 4721) must be taken during same semester.

Minor Course Requirements

Every course required for a minor must be completed with a grade of "C" or higher.

Asian Studies Minor (24 credit hours)

The student may take no more than two courses in any subject code. With the approval of the Asian Studies Committee, the student may apply study abroad courses to elective credit.

Select one first-year language sequence:

- CHNS 1011: Elementary Chinese 1 (3)
- CHNS 1021: Elementary Chinese 2 (3)
- JAPN 1011: Elementary Japanese 1 (3)
- JAPN 1021: Elementary Japanese 2 (3)

Select one:

- HIST 3131: East Asia to 1800 (3)
- HIST 3141: East Asia since 1800 (3)

Select:

- HSPS 3221: Asia in Transition (3)

Select four:

- BIZ 3001: Global Environment for Business Planning (3)
- GEOG 2261: World Regional Geography (3)
- HONR 2021: Asian Music (3)
- HSPS 3241: The Middle East in Transition (3)
- HSPS 3901*: Special Topics in History and Politics (3)
- MUSC 2201: Non-Western Music (3)
- PHIL 2431: Asian Philosophies (3)
- RELG 2021: Islam (3)
- RELG 2031: Eastern Religious Traditions (3)
- RELG 2051: Hinduism (3)
- RELG 3021: Buddhism (3)
- SOC 2501: Cultural Anthropology (3)

*May be repeated once.

Geography/Area Studies Minor (24 credit hours)

- GEOG 1001: Introduction to Geography: Methods and Materials (3)
- GEOG 2261: World Regional Geography (3)
- GEOG 2371: Physical Geography (3)
- GEOG 2551: Spatial Methods 1 (3)

Select two:

- HSPS 3211: Europe in Transition (3)
- HSPS 3221: Asia in Transition (3)
- HSPS 3231: Africa in Transition (3)
- HSPS 3241: The Middle East in Transition (3)
- HSPS 3251: Latin America in Transition (3)
- HSPS 4161: Russia and the Near Abroad (3)

Select two:

- GEOG 2481: Introduction to GIS (3)
- GEOG 2401: Political Geography (3)
- GEOG 2421: Population Geography (3)
- GGHS 3xx1: Historical geography elective (3)
- PLSC 4751: Model UN (3)

Geography/Geographic Information Systems (GIS) Minor (24 credit hours)

- GEOG 1001: Geography/Methods & Materials (3)
- GEOG 2261: World Regional Geography (3)
- GEOG 2371: Physical Geography (3)
- GEOG 2481: Introduction to GIS (3)
- GEOG 2551: Spatial Methods 1 (3)
- GEOG 2681: Cartography (3)
- GEOG 4001: Introduction to Remote Sensing (3)
- GEOG 3481: Applied GIS (3)
- GEOG 4711: Public Service Internship (3)

Notes:

1. With the approval of the academic advisor, the student may substitute one Geography Special Topics course (GEOG 3931 or GEOG 4931) or one Seminar in Geography (GEOG 4941) for World Regional Geography (GEOG 2261) or for Physical Geography (GEOG 2371).

2. The student must complete a one-term internship. The student must enroll in at least 1 credit hour of Public Service Internship (GEOG 4711) for each internship experience.

History Minor (21 credit hours)

- HIST 1101: Western Civilization 1 (3)
- HIST 1111: Western Civilization 2 (3)
- HIST 2041: Historiography (3)
- HIST 2141: United States to 1877 (3)
- HIST 2151: United States since 1877 (3)
- HIST 3xx1-4xx1: Non-Western elective (3)
- HIST 3xx1-4xx1: History elective (3)

1. A student may take HSPS and GGHS courses for HIST elective credit.

Political Science Minor (21 credit hours)

- PLSC 2011: Introduction to American Politics (3)
- PLSC 2201: Introduction to International Relations (3)
- PLSC 2211: Introduction to Comparative Politics (3)
- PLSC 4581: Western Political Thought 1 (3)
- PLSC 4591: Western Political Thought 2 (3)

1. HSPS and GGPS courses may be taken for political science elective credit.

Public History and Museum Studies Minor (21 credit hours)

A student must complete the core and either the managerial focus or the curatorial focus to complete the minor in public history and museum studies.

- HIST 2301: Introduction to Museums and Archives (3)
- HIST 3081: Material Culture (3)
- HIST 3201: Advanced Public History (3)
- HIST 3301: Advanced Local History (3)
- HIST 4121: Archaeology Field School (3)
- HIST 4711: Public Service Internship (3)
Managerial Focus:
Complete two:
- CAMS 1201 Introduction to Public Relations (3)
- MGMT 4771 Non-Profit Management (3)
- PLSC 3661 Public Administration (3)
- TAAD 2311 Arts Marketing/Audience Development (3)

Curricular Focus:
Complete two:
- HIST 3071 Introduction to Family History and Genealogy (3)
- CAMS 2111 Layout and Design (3)
- SOC 2501 Cultural Anthropology (3)
- TECH 1421 Web Design (3)

* A student must complete 3 credit hours of Public Service Internship (HIST 4711). The student must enroll in at least 1 credit hour of Public Service Internship (HIST 4711) for each internship experience.

Subject - Geography (GEOG)

GEOG 1001-Introduction To Geography: Methods And Materials
3 Credits
Methods and tools that geographers use to study the complex relationship between place and space. The major academic subdisciplines of geography, including physical geography, political geography, cartography, population geography, historical geography, and GIS. Course Attributes: Social Science, Scientific and Quantitative Literacy.

GEOG 1901-Special Topics In Geography
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

GEOG 1961-Independent Study in Geography
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

GEOG 2261-World Regional Geography
3 Credits
Regional survey of the non-Western world. Examination of the leading cultural, economic, historical, political, and environmental features of the non-Western world. Confers International Politics elective credit. Course Attributes: Non Western Cultural, Social Science, Informed Ethical Responses.

GEOG 2371-Physical Geography
3 Credits
Basic concepts in physical geography. The atmosphere, the biosphere, the lithosphere, and the hydrosphere. Processes driving physical systems on the earth, interactions among physical systems, human interaction with the physical environment. Basic physical geographic processes and the global geographic patterns. Course Attributes: Social Science.

GEOG 2401-Political Geography
3 Credits

GEOG 2421-Population Geography
3 Credits
Spatial variations in the distribution, composition, migration, and growth of populations in relation to the nature of places. Demography from a geographical perspective. Course Attributes: Social Science.

GEOG 2481-Introduction To Geographic Information Systems
3 Credits
Fundamentals of geographic information systems (GIS). Basic cartographic principles, general geography concepts and spatial analysis, and hardware and software elements of GIS. Lab exercises in various applications of GIS technology to engineering, political science, health, environmental science, business, government, and criminal justice. GIS terminology, raster and vector data structures, data sources and accuracy, methods of data acquisition, conversion, input, and working with spatial databases. Working knowledge of Windows operating system required. Exercises require work in the computer lab outside class hours. Course Attributes: Social Science, Scientific and Quantitative Literacy.

GEOG 2551-Spatial Methods 1
3 Credits
Introduction to the application of Quantitative and qualitative methods in geography. Quantitative methods, including descriptive statistics; descriptive spatial statistics; normal, Poisson, and binomial probabilities. Introduction to qualitative methods, including interviewing, observation, document analysis, and visual analysis. Course Attributes: Social Science, Scientific and Quantitative Literacy.

GEOG 2561-Spatial Methods 2
3 Credits
Intermediate application of Quantitative and qualitative methods in geography. Quantitative methods used by geographers, including multivariate analysis, factor analysis, and spatial modeling. Continues discussion on qualitative methods used by geographers. Prerequisite(s): GEOG 2551 Minimum Grade of C. Course Attributes: Social Science, Scientific and Quantitative Literacy.

GEOG 2621-GIS for Criminal Justice
3 Credits
Spatial aspects of criminal justice. Geographies of crime, policing, and related topics. Course Attributes: Social Science.

GEOG 2641-GIS for Marketing
3 Credits
Geographies of markets, analysis of the location of markets, spatial and temporal trends, mapping markets, and GIS. Also listed as MRKT 3541. Students who have received credit for MRKT 3541 may not receive credit for GEOG 2641. Course Attributes: Scientific and Quantitative Literacy.

GEOG 2681-Cartography
3 Credits
The art and science of making maps. The history of map-making, elements of map construction, and properties of map projections. How to construct different kinds of thematic maps and manipulate geographic data to illustrate characteristics of distribution, concentration, or other geographic patterns that promote interpretation of the earth’s features. Exercises require work in the computer lab outside class hours. Offered alternate years. Course Attributes: Social Science, Informed Responses-Aesthetics, Scientific and Quantitative Literacy.

GEOG 2901-Special Topics In Geography
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

GEOG 2961-Independent Study in Geography
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

GEOG 3021-Nature Center Seminar In Geography
1 Credit
Weekend seminar at the Metzger Nature Center on a wide range of topics in geography. May be repeated as topic varies. A Nature Center use fee is charged. Unlimited repeats permitted.

GEOG 3041-Historical Geography
3 Credits
Spatial aspects of history. Geographies of historical events and trends and spatial analysis of the past. Cross-listed as HIST 3041. Students who have received credit for HIST 3041 may not receive credit for GEOG 3041. Course Attributes: Humanities.
GEOG 3481-Applied Geographic Information Systems
3 Credits
Advanced discussion of spatial interpolations, error, and uncertainty, Global Positioning Systems (GPS), and spatial model-building. Advanced knowledge of GIS theory and science. Computer lab projects geared toward the relevant major. Exercises require work in the computer lab outside class hours. Offered alternate years. Prerequisite(s): GEOG 2481 Minimum Grade of C or GEOG 248 Minimum Grade of C. Course Attributes: Integration Across Disciplines, Scientific and Quantitative Literacy.

GEOG 3901-Special Topics In Geography
1 to 3 Credits
May be repeated as topic varies. Formerly GEOG 393. Unlimited repeats permitted.

GEOG 3961-Independent Study in Geography
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

GEOG 4001-Introduction To Remote Sensing
3 Credits
Principles and application of remote sensing. The fundamental characteristics of electromagnetic radiation, and energy-atmosphere interactions. The design of remote sensing instruments. Techniques to extract problem-solving information from remote sensing data. Emphasis on digital image-processing techniques and the algorithms involved in measurement, analysis, and interpretation of electromagnetic energy collected by remote sensing instruments. Prerequisite(s): GEOG 2481 Minimum Grade of C or GEOG 248 Minimum Grade of C. Course Attributes: Social Science.

GEOG 4711-Public Service Internship Program
1 to 15 Credits
Field experience in the area of public service. Student works in a close relationship with public offices and officials or approved private agencies and firms. Student must enroll in at least 1 credit hour of Public Service Internship per internship experience. A full time Public Service Internship requires 600 hours of on-site work. Student may apply up to 15 credit hours of departmental internship to the BA degree. Consultation with the department internship committee and completion of the application process; 2.75 GPA. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 15 hours.

GEOG 4721-Seminar -The Washington Center Seminar
3 Credits
Course Attributes: Social Science, Requires Department Approval.

GEOG 4901-Special Topics In Geography
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

GEOG 4941-Seminar In Geography
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

GEOG 4961-Independent Study In Geography
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - History (HIST)

HIST 0041-Teacher Licensure Orientation
0 Credits Grading mode is S/U
Introduction to the National Council for the Social Studies Ten Themes for Teaching and requirements for teacher licensure. The Ohio State Board of Education requires this course for Social Studies licensure. A Nature Center use fee is charged. Must be enrolled in one of the following Fields of Study: Social Studies.

HIST 1101-Western Civilization 1
3 Credits
Ideas, attitudes, and institutions basic to civilization as it developed in the West from ancient times to the sixteenth century. Course Attributes: Humanities, Integration Across Disciplines.

HIST 1111-Western Civilization 2
3 Credits
Ideas, attitudes, and institutions basic to civilization as it developed in the West from the seventeenth century to the present. Course Attributes: Humanities, Integration Across Disciplines.

HIST 1151-World Civilizations 1
3 Credits
The emergence, development, and interactions of civilizations in Africa, Asia, Europe, and the Americas, from the Neolithic Revolution to 1400 CE. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction, Integration Across Disciplines.

HIST 1161-World Civilizations 2
3 Credits
The development and interactions of Western and non-Western civilizations from 1400-present. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction, Integration Across Disciplines.

HIST 1201-Public History
3 Credits
Fundamentals of public history. Investigation, examination, and study of museums and historical societies, historic preservation, material culture, popular culture, and family and ethnic group history. Readings, discussions, demonstrations, and fieldwork. Student who completes HIST 1201 may not enroll in HIST 3201. Course Attributes: Humanities, Diversity-Human Interaction.

HIST 1301-Local History
3 Credits
Significant aspects of local history for reference and teaching purposes. Investigation, examination, and study of topics and trends in local history theory and practice. Readings, discussions, demonstrations, and fieldwork. Student who completes HIST 1301 may not enroll in HIST 3301. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

HIST 1401-America Rising
3 Credits
America rose from isolated colonies to an economic juggernaut between 1600 and the 1890s. The course will consider the effect of European colonization, interaction with Native Americans, colonial struggles leading to independence, the creation of a new republic, the Antebellum Period, the Civil War, and the rise of industrial America. Special consideration given to the struggle over definition of the new republic and its conflict over slavery. Course Attributes: Humanities, Diversity-Human Interaction, Integration Across Disciplines.

HIST 1411-The American Century
3 Credits
Already an economic power at the end of the 19th century, the United States achieved the status of superpower in the wake of the second World War. This course will consider what Time publisher, Henry Luce famously called the ‘American Century.’ Special consideration given to the debate over the meaning of ‘America’ and over the nation’s role in the world. Covers the period from the Spanish American War in 1898 to Francis Fukuyama’s declaration of the triumph of American-style liberal democracy and free market capitalism in the 1990s. Course Attributes: Humanities, Diversity-Human Interaction, Informed Responses-Aesthetics, Integration Across Disciplines.

HIST 1901-Special Topics In History
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.
HIST 1961-Independent Study in History
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HIST 2041-Historiography
3 Credits
Methods for researching and writing history from textual sources. Examination of major theories and schools of historical writing. Requires a fully documented research paper written predominantly from primary sources. Fulfills the research methods requirement for History and Social Studies majors. Course Attributes: Humanities.

HIST 2141-United States History To 1877
3 Credits
American colonies and United States from 1492 to 1877. Emphasis on the formation of American political, economic, and social attitudes, their application in the early Republic, the Civil War, and Reconstruction. Course Attributes: Humanities.

HIST 2151-United States History Since 1877
3 Credits
The United States since the end of Reconstruction. Major topics include the role played by the US in global affairs and US domestic policy. Course Attributes: Humanities.

HIST 2301-Introduction To Museums And Archives
3 Credits
Theoretical, administrative, and curatorial aspects of museum and archival management and practice. Topics include the growth of museums and archives, the development of private and public institutions, and the manner in which museum and archival collections are gathered, catalogue, utilized, stored, and made available for research, educational and exhibition purposes. Students gain proficiency in PastPerfect. Course Attributes: Humanities, Informed Ethical Responses.

HIST 2501-Military and Society
3 Credits
The evolving relationship between warfare and the societies that wage wars, from the Middle Ages to the 20th century. The values, attitudes, purposes, and methods that have given direction and shape to military operations in the Western world. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

HIST 2601-Sport and Society
3 Credits
History of the rise of sport in America from Colonial Period to the present. Influence of sport on society and of society on sport. Examine influence of technology, economics, politics, race, class, and gender on sport. Course Attributes: Humanities, Critical and Creative Thinking.

HIST 2901-Special Topics In History
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HIST 2961-Independent Study in History
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HIST 3001-Myth In History
3 Credits
Analysis of the nature and function of myth in historical societies. Case studies in the mythologies of the ancient Near East, Greece, Rome, northern Europe, the Americas, Australia, and the Pacific. Course Attributes: Humanities.

HIST 3021-Nature Center Seminar In History
1 Credit
Weekend seminar at the Metzger Nature Center on a wide range of topics in history. May be repeated as topic varies. A Nature Center use fee is charged. Unlimited repeats permitted.

HIST 3041-Historical Geography
3 Credits
Spatial aspects of history. Geographies of historical events and trends and spatial analysis of the past. Cross-listed as GEOG 3041. Students who receive credit for GEOG 3041 may not receive credit for HIST 3041. Course Attributes: Humanities.

HIST 3071-Introduction To Family History And Genealogy
3 Credits
Genealogical research and practice for understanding family history and social development. Exploration of family records; local, state, and federal records; church records; census records; land and probate records and documents; school records; immigration lists and naturalization records; and miscellaneous records to document specific ethnic origins. Offered alternate years. Course Attributes: Humanities.

HIST 3081-Material Culture
3 Credits
Material culture as a means of understanding history and the built environment. Interdisciplinary trends in theory and methodology. The importance of material culture analysis to understand issues such as consumption, fashion, gender, technology, built form, and popular contemporary culture. Offered alternate years. Course Attributes: Humanities.

HIST 3131-East Asia To 1800
3 Credits
Historical evolution of imperial authority in China and Japan. Cultural institutions in China, Japan, Korea, and southeast Asia. Cultural interactions between those nations. The beginnings of European penetration into the East. Offered alternate years. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction, Effective Communication Writing, Informed Ethical Responses.

HIST 3141-East Asia Since 1800
3 Credits

HIST 3201-Public History
3 Credits
Fundamentals of public history. Investigation, examination, and study of museums and historical societies, historic preservation, material culture, popular culture, and family and ethnic group history. Readings, discussions, demonstrations, and fieldwork. Requires extensive readings and a research project. Intended for History majors and minors and Social Studies majors. Student who completes HIST 1201 may not enroll in HIST 3201. Course Attributes: Humanities, Diversity-Human Interaction.

HIST 3301-Local History
3 Credits
Significant aspects of local history for reference and teaching purposes. Investigation, examination, and study of topics and trends in local history theory and practice. Readings, discussions, demonstrations, and fieldwork. Requires extensive readings and a research project. Intended for History majors and minors and Social Studies majors. Student who completes HIST 1301 may not enroll in HIST 3301. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

HIST 3401-Colonial North America
3 Credits
HIST 3411-Western Expansion
3 Credits

HIST 3421-The Constitutional Era In United States History
3 Credits

HIST 3451-African American History
3 Credits
The history of the African-American experience from the African beginnings to the present-day. Course Attributes: Humanities.

HIST 3511-The Crusades
3 Credits
The origins, operations, and effects of the crusading movements of the Middle Ages. The impact of the crusades on the relationship between Christendom and Islam. Course Attributes: Non Western Cultural, Humanities, Informed Ethical Responses, Integration Across Disciplines.

HIST 3541-Civil War and Reconstruction
3 Credits
Origins, operations, and effects of the American Civil War. Team taught course. Course Attributes: Humanities.

HIST 3551-World War I
3 Credits
Origins, operations, devastation, and longer-term-effects of the war. Biographies, letters, posters, poetry, novels, films, documentaries, and military history. WWI as much as a revolution as a war, from which emerged communism, fascism, Nazism, and an acceleration of modernist and post-modern currents. Course Attributes: Humanities, Effective Communication Non-Writing, Informed Responses-Aesthetics, Integration Across Disciplines.

HIST 3561-World War II
3 Credits
Origins, operations and effects of the war that defined the 20th century. The military, political, and social forces that the war unleashed. Presentation of World War II in popular culture. Course Attributes: Humanities.

HIST 3571-Cold War
3 Credits
Capitalism vs. communism in a race for global dominance from 1945 o 1990. Political and cultural trends in the events of half a century of East-West conflict. Team taught course. Course Attributes: Humanities.

HIST 3581-Vietnam War
3 Credits
The origins, operations, and effects of the wars in Vietnam, from 1945 to the present. Course Attributes: Humanities.

HIST 3611-20th Century United States Political History
3 Credits
Evolution of U.S. government during the 20th century. Delineation of political eras. How the roles of the three branches of the federal government have changed and how domestic and foreign crises have shaped political and institutional responses and changes. Course Attributes: Humanities, Effective Communication Writing, Informed Responses-Aesthetics.

HIST 3621-20th Century United States Cultural History
3 Credits
Changes in U.S. culture through World War I, the 1920s, the Great Depression, World War II, and the Cold War. Emphasis on how these events affected cultural creation and evolution. Course Attributes: Humanities.

HIST 3701-The Ancient World
3 Credits
The political, social, economic, and cultural development of the Near Eastern, Greek, and Roman civilizations of antiquity. Course Attributes: Humanities, Diversity-Human Interaction, Integration Across Disciplines.

HIST 3711-Medieval Europe
3 Credits
The political, social, economic, and cultural development of Europe from the decline of the Roman Empire to the beginning of the Renaissance, with special attention to the emergence of institutions that shaped the modern world. Course Attributes: Humanities, Diversity-Human Interaction, Integration Across Disciplines.

HIST 3731-The Age Of Revolutions
3 Credits
The American and French Revolutions, Latin American revolutions, the Revolutions of 1830, 1848, and 1870, and the Industrial Revolution. Uncovers parallel patterns and divergences in the organized political violence of the modern Western world. Revolutions in culture, customs, agriculture, industry, science, society, religion, and philosophy as well as political revolutions and revolutionary conflicts. Course Attributes: Humanities.

HIST 3741-Russia To 1905
3 Credits
Russia from its origins to 1905. The Kievan Rus, the Mongols, Muscovy, and imperial Russia under the Romanovs. Examines geography, the conflict of cultures, the development of social, political and religious institutions, and serfdom. Course Attributes: Humanities.

HIST 3791-Topics In Modern Europe
3 Credits
Various topics that provide added depth in various areas of modern European history and allow professors to utilize their areas of expertise more fully. May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Humanities.

HIST 3901-Special Topics In History
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HIST 3961-Independent Study in History
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HIST 4121-Field School In Archaeology
3 Credits
Basic archaeology and archaeological field work. Curriculum includes survey and excavation; basic geophysical survey methods; preparation of field notes and documentation; and instruction in other fundamental field skills; preparation and identification of recovered artifacts. A Nature Center use fee is charged. Course Attributes: Humanities.

HIST 4211-Fascism
3 Credits
Origins and nature of fascism. Contrasts the regimes in Italy and Germany with those in Spain, France, and elsewhere. Utilizes biographical, descriptive, analytical, and theoretical approaches. Examines fascist leaders, including Mussolini, Hitler, and Franco, as well as fascist activists, journalists, and intellectuals. Course Attributes: Humanities, Critical and Creative Thinking, Effective Communication Non-Writing, Integration Across Disciplines.
HIST 4221-Hitler And Nazism
3 Credits
Personal, intellectual, and political biography of Adolf Hitler in the context of his times. Uses original photo documentation to examine Hitler’s early life and the pre-and post-WWII historical and intellectual milieu out of which Nazism emerged. Considers the Nazi regime before and during WWII not as a military account of that war. Course Attributes: Humanities, Effective Communication Non-Writing, Informed Responses-Aesthetics, Integration Across Disciplines.

HIST 4231-The Holocaust
3 Credits
Origins, nature, and implications of the Holocaust. Consideration of the general problem of modern anti-Semitism. Current representations of the Holocaust as keys to understanding the generation of historical meaning in the modern world. Employs documentaries, docudramas, and original photo documentation from Germany, Austria, and important sites in Eastern Europe, including Poland, Hungary, and Ukraine. Course Attributes: Humanities, Effective Communication Non-Writing, Informed Responses-Aesthetics, Integration Across Disciplines.

HIST 4411-Baseball in American Culture
3 Credits
Origins and history of baseball from 1840s to the present. Social, political, and economic forces that shaped the game and American culture during that period along with baseball’s importance to our history and in the popular culture. Course Attributes: Humanities, Diversity-Human Interaction, Effective Communication Non-Writing, Integration Across Disciplines.

HIST 4421-Football in America
3 Credits
Origins and history of football from 1860s to the present. Social, political, and economic forces that shaped the game and American culture. The rise of professional football from obscurity to the most followed sport in America. Course Attributes: Humanities, Diversity-Human Interaction, Effective Communication Non-Writing, Integration Across Disciplines.

HIST 4511-History of Law
3 Credits
Evolution of law as an instrument of dispute resolution and social control. Development of the civil law tradition and the English common law tradition to the seventeenth century. Course Attributes: Humanities.

HIST 4711-Public Service Internship Program
1 to 15 Credits
Field experience in the area of public service. Student works in a close relationship with public offices and officials or approved private agencies and firms. Student must enroll in at least 1 credit hour of Public Service Internship per internship experience. A full time Public Service Internship requires 600 hours of on-site work. Student may apply 3 credit hours of HIST 4711 to an HIST Elective major requirement. Student may apply up to 15 credit hours of departmental internship to the BA degree. Consultation with the department internship committee and completion of the application process; 2.75 GPA. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 15 hours.

HIST 4721-Seminar -The Washington Center Seminar
3 Credits
Course Attributes: Humanities, Requires Department Approval.

HIST 4901-Special Topics In History
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HIST 4941-Seminar In History
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Humanities.

HIST 4961-Independent Study In History
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HIST 4981-Senior Thesis 1
1 to 2 Credits
First part of the two-course departmental Capstone sequence for majors in History and Social Studies. Topic selection; development of bibliography, preliminary thesis, outline for senior thesis; examination of the norms of the discipline; post-graduate planning; selection of thesis director for HIST 4991. Required of History and Social Studies majors. Enrollment at least two semesters before expected semester of graduation. First part of the University General Education Capstone course requirement. Prerequisite(s): HIST 2041 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: History, Social Studies. Must be enrolled in one of the following Classifications: Junior, Senior.

HIST 4991-Senior Thesis 2
1 to 2 Credits
Second part of the two-course departmental Capstone sequence for majors in History and Social Studies. Completion of the senior thesis under the direction of a paper director and a second reader. Student must present his or her senior thesis at a public forum. Required of History and Social Studies majors. Enrollment at least one semester before expected semester of graduation. Completes University General Education Capstone course requirement. The senior thesis may be submitted as an artifact for General Education Learning Outcome #2: Critical and Creative Thinking. Prerequisite(s): HIST 4981 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: History, Social Studies. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

**Subject - History, Political Science and Justice (HSPS)**

HSPS 1001-Orientation -Department of History, Politics and Justice
1 Credit
Introduction to the faculty, programs, procedures, and opportunities in the Department of History, Politics and Justice. Exploration of the practical and intellectual dimensions of academic life at Ohio Northern University. Must be enrolled in one of the following Fields of Study: History, Political Science, Social Studies. Must be enrolled in one of the following Classifications: Freshman.

HPS 1901-Special Topics In History and Politics
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HPS 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in the History and Political Science field for the Summers Honors Institute only. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

HPS 1921-ST-History & Political Science
3 Credits Grading mode is S/U
Topics in the History and Political Science field for Summer Honors Institute only. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

HPS 1961-Independent Study in History and Politics
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.
HSPS 2211-Europe In Transition
3 Credits
European history, politics, and culture from the end of World War II. The Cold War, European Integration, and accelerating globalization. Post-war migrations, immigration, and the periodic challenges from the political extremes. Cultural and intellectual trends. Growing religious and ethnic tensions, especially as they pertain to terrorism. Requires a research project. Student who completes HSPS 2211 may not enroll in HSPS 3211. Course Attributes: Humanities, Social Science, Critical and Creative Thinking, Effective Communication Non-Writing.

HSPS 2221-Asia In Transition
3 Credits
Transformation of political systems, economic systems, societies, culture, art, religion, and the family in Asia since World War II. Requires integration of readings, audio-visual presentations, discussions, and lectures. Student who completes HSPS 2221 may not enroll in HSPS 3221. Course Attributes: Non Western Cultural, Humanities, Social Science.

HSPS 2231-Africa In Transition
3 Credits
The transition of sub-Saharan Africa from traditional society to modernity and from colonialism to independence and state building. Political, economic, social, cultural trends since World War II. Requires integration of readings, audio-visual presentations, discussions, and lectures. Student who completes HSPS 2231 may not enroll in HSPS 3231. Course Attributes: Non Western Cultural, Humanities, Social Science, Diversity-Human Interaction.

HSPS 2241-The Middle East In Transition
3 Credits
The political, economic, social, cultural, and intellectual development of Southwest Asia and North Africa since World War II. The clash of Western and non-Western power centers in the region. The rise of political Islam. Student who completes HSPS 2241 may not enroll in HSPS 3241. Course Attributes: Non Western Cultural, Humanities, Social Science, Diversity-Human Interaction, Effective Communication Non-Writing.

HSPS 2251-Latin America In Transition
3 Credits
The oscillation of Latin America between dictatorship and democracy, the transition from rural to urban societies, and the evolving relationship between Latin America and the world. Political, social, economic, and cultural trends since World War II. Requires integration of readings, audio-visual presentations, discussions, and lectures. Student who completes HSPS 2251 may not enroll in HSPS 3251. Course Attributes: Non Western Cultural, Humanities, Social Science, Integration Across Disciplines.

HSPS 2901-Special Topics In History And Politics
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HSPS 2961-Independent Study in History and Politics
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HSPS 3021-Nature Center Seminar In History And Politics
1 Credit
Weekend seminar at the Metzger Nature Center on a wide range of interdisciplinary topics in history, politics, and government. May be repeated as topic varies. A Nature Center use fee is charged. Formerly HSPS 302. Unlimited repeats permitted.

HSPS 3211-Europe In Transition
3 Credits
European history, politics, and culture from the end of World War II. The Cold War, European Integration, and accelerating globalization. Post-war migrations, immigration, and the periodic challenges from the political extremes. Cultural and intellectual trends. Growing religious and ethnic tensions, especially as they pertain to terrorism. Requires a research project. Student who completes HSPS 3211 may not enroll in HSPS 2211. International Politics Elective. Course Attributes: Humanities, Social Science, Critical and Creative Thinking, Effective Communication Non-Writing.

HSPS 3221-Asia In Transition
3 Credits
Transformation of political systems, economic systems, societies, culture, art, religion, and the family in Asia since World War II. Requires a research project. Student who completes HSPS 3221 may not enroll in HSPS 2221. International Politics Elective. Course Attributes: Humanities, Social Science.

HSPS 3231-Africa In Transition
3 Credits
The transition of sub-Saharan Africa from traditional society to modernity and from colonialism to independence and state building. Political, economic, social, cultural trends since World War II. Requires integration of readings, audio-visual presentations, discussions, and lectures. Requires a research project. Student who completes HSPS 3231 may not enroll in HSPS 2231. International Politics Elective. Course Attributes: Humanities, Social Science, Diversity-Human Interaction.

HSPS 3241-The Middle East In Transition
3 Credits
The political, economic, social, cultural, and intellectual development of Southwest Asia and North Africa since World War II. The clash of Western and non-Western power centers in the region. The rise of political Islam. Requires a research project. Student who completes HSPS 3241 may not enroll in HSPS 2241. International Politics Elective. Course Attributes: Humanities, Social Science, Diversity-Human Interaction, Effective Communication Non-Writing.

HSPS 3251-Latin America In Transition
3 Credits
The oscillation of Latin America between dictatorship and democracy, the transition from rural to urban societies, and the evolving relationship between Latin America and the world. Political, social, economic, and cultural trends since World War II. Requires integration of readings, audio-visual presentations, discussions, and lectures. Requires a research project. Student who completes HSPS 3251 may not enroll in HSPS 2251. International Politics Elective. Course Attributes: Humanities, Social Science, Integration Across Disciplines.

HSPS 3901-Special Topics In History And Politics
1 to 3 Credits
May be repeated as topic varies. Formerly HSPS 392. Unlimited repeats permitted. Course Attributes: Non Western Cultural, Effective Communication Non-Writing, Integration Across Disciplines.

HSPS 3961-Independent Study in History and Politics
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HSPS 4161-Russia And The Near Abroad
3 Credits
Comparative study of the transition from autocratic to democratic political systems in the region formerly dominated by the Soviet Union. From Tsarist Russia and the Communist period to present-day efforts of democratization. International Politics Elective. Course Attributes: Non Western Cultural, Humanities, Social Science.

HSPS 4521-American Foreign Relations
3 Credits

HSPS 4531-Spy vs. Spy: Espionage, 1947-Present
3 Credits
HSPS 4711-Public Service Internship Program
1 to 15 Credits
Field experience in the area of public service. Student works in a close relationship with public offices and officials or approved private agencies and firms. Student must enroll in at least 1 credit hour of Public Service Internship per internship experience. A full time Public Service Internship requires 600 hours of on-site work. Student may apply 3 credit hours of HSPS 4711 to an HIST Elective major requirement. Student may apply up to 15 credit hours of departmental internship to the BA degree. Consultation with the department internship committee and completion of the application process; 2.75 GPA. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 15 hours. Course Attributes: Requires Department Approval.

HSPS 4721-Seminar -The Washington Center Seminar
3 Credits
Course Attributes: Humanities, Social Science, Requires Department Approval.

HSPS 4901-Special Topics In History And Politics
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

HSPS 4941-Seminar In History And Politics
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Humanities, Social Science.

HSPS 4961-Independent Study In History And Politics
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HSPS 4981-Senior Thesis 1
1 to 2 Credits
First part of the two-course departmental Capstone sequence for majors in History, Political Science and Social Studies. Required to enroll in this coursework sequence to meet the Capstone requirement. Selection of an interdisciplinary topic; development of bibliography, preliminary thesis, outline for senior thesis; examination of the norms of the disciplines; post-graduate planning; selection of thesis director for HSPS 4991. Required of History, Political Science, and Social Studies majors who elect to enroll in this course sequence to meet the departmental Capstone requirement. Enrollment at least two semesters before expected semester of graduation. First part of the University General Education Capstone course requirement. Prerequisite(s): HIST 2041 Minimum Grade of C or (ISR 2531 Minimum Grade of C and ISR 2541 Minimum Grade of C). Must be enrolled in one of the following Fields of Study: History, History and Political Science, Political Science, Social Studies. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Critical and Creative Writing, Effective Communication Writing.

HSPS 4991-Senior Thesis 2
1 to 2 Credits
Second part of the two-course departmental Capstone sequence for majors in History, Political Science, and Social Studies. Completion of an interdisciplinary senior thesis under the direction of a paper director and a second reader. Students must present his or her senior thesis at a public forum. Required of History, Political Science, Social Studies majors who elect to enroll in this course sequence to meet the departmental Capstone requirement. Enrollment at least one semester before expected semester of graduation. Completes University General Education Capstone course requirement. The senior thesis may be submitted as an artifact for General Education Learning Outcome #2: Critical and Creative Thinking. Prerequisite(s): HIST 4981 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: History, History and Political Science, Political Science, Social Studies. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Critical and Creative Thinking.

Subject - Leadership Studies (LEAD)

LEAD 4901-Foundations Of Leadership
2 Credits
Leadership and how it works. Theories, definitions and models of leadership. Participants interview a contemporary leader, analyze that leader's style, and complete a personal vision statement. Must be enrolled in one of the following Fields of Study: Leadership Studies Option. Must be enrolled in one of the following Classifications: Junior, Senior.

LEAD 4911-Techniques And Dynamics Of Leadership
2 Credits
Effective techniques and the discernable dynamics of leadership. Leading in groups, team building, problem solving and negotiation, leadership in crises, and getting a foothold in the real world. Participants will be involved in a civic engagement project or an alternate leadership project and report on the same. Must be enrolled in one of the following Fields of Study: Leadership Studies Option. Must be enrolled in one of the following Classifications: Junior, Senior.

LEAD 4921-Issues In Contemporary Leadership
2 Credits
Effective leadership in the contemporary setting. The use of personal leadership to improve communities. Leadership in an era of social, cultural, racial and gender diversity. Balancing commitments to career, family and community. The future of leadership. Participants will link with an experienced leader for participatory mentoring and report on their experience. Must be enrolled in one of the following Fields of Study: Leadership Studies Option. Must be enrolled in one of the following Classifications: Junior, Senior.

LEAD 4991-Leadership Practicum
1 to 2 Credits
Field experience in leadership. Significant involvement in a civic project or a major leadership role on campus. Maintenance of a journal that reflects the involvement and reactions to the experience. Additional requirements may be included in the contract. Requires approval of the Leadership Studies Committee and the instructor. May be repeated as topic varies. Must be enrolled in one of the following Fields of Study: Leadership Studies Option. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 1 time. This course is repeatable for a total of 2 hours. Course Attributes: Requires Department Approval.

Subject - Political Science (PLSC)

PLSC 1901-Special Topics In Political Science
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 1961-Independent Study in Political Science
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

PLSC 2011-Introduction To American Politics
3 Credits
Constitutional underpinnings, political behavior, processes, and institutions of American national politics. Course Attributes: Social Science, Informed Ethical Responses.

PLSC 2201-Introduction To International Relations
3 Credits
The relations of states, governments, political movements, and international organizations in the global context. Political actors and their objectives in a world of limited resources. Global collective responses to global problems. Competition between rich and poor nations and between major and minor powers in terms of the collective good. Formerly HSPS 107. Course Attributes: Social Science, Critical and Creative Thinking, Effective Communication Non-Writing.
PLSC 2211-Introduction To Comparative Politics
3 Credits
Comparative study of political institutions and processes and individual and group behavior. Interrelationships among the historical, cultural, social, and economic characteristics of national political systems. Comparative governmental structures and patterns of mass political behavior. Course Attributes: Non Western Cultural, Social Science, Critical and Creative Thinking, Effective Communication Non-Writing.

PLSC 2501-State and Local Politics
3 Credits

PLSC 2901-Special Topics In Political Science
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 2961-Independent Study in Political Science
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

PLSC 3021-Nature Center Seminar In Political Science
1 Credit
Weekend seminar at the Metzger Nature Center on a wide range of topics in politics and government. May be repeated as topic varies. A Nature Center use fee is charged. Unlimited repeats permitted.

PLSC 3061-Environmental Law
3 Credits
American legal system used to preserve the nation’s environment. Significant environmental laws and policies developed for implementation. American Politics Elective. Course Attributes: Social Science.

PLSC 3201-Topics In American Politics
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

PLSC 3211-Political Parties And Interest Groups
3 Credits

PLSC 3221-Campaigns And Elections
3 Credits

PLSC 3231-Mass Media And Politics
3 Credits
Historical development and contemporary operation of the mass media as they relate to the American political system. American Politics Elective. Course Attributes: Social Science.

PLSC 3241-Film And Politics
3 Credits
Historical development and contemporary role of films that relate to political processes and institutions. American Politics Elective. Course Attributes: Social Science.

PLSC 3251-Popular Culture In American Politics
3 Credits
Historical development and contemporary role of popular culture in American politics. American Politics Elective. Course Attributes: Social Science.

PLSC 3301-Comparative Politics Of Democracies
3 Credits
Comparison of the politics of democracies. The impact of political culture and the operations of governmental institutions, parties, and interest groups on public policy-making. International Politics Elective. Course Attributes: Social Science, Diversity-Human Interaction, Effective Communication Non-Writing.

PLSC 3311-Comparative Politics In The Developing World
3 Credits
Comparison of contemporary politics in developing and non-Western societies. The impact of cultural fragmentation, modernization, social unrest, and rising expectations on the stability and effectiveness of governmental institutions and processes. International Politics Elective. Course Attributes: Social Science, Critical and Creative Thinking, Diversity-Human Interaction, Effective Communication Non-Writing.

PLSC 3411-Human Rights
3 Credits

PLSC 3421-Conflict Analysis And Resolution
3 Credits

PLSC 3431-Terrorism
3 Credits

PLSC 3441-Wars In Africa
3 Credits

PLSC 3501-Constitutional Law And Government
3 Credits
Social and political forces that shaped constitutional political theory. The interaction of law and politics through the Reconstruction era. Relationship of the Supreme Court with respect to Congress, the executive, states, and emergency powers. American Politics Elective. Course Attributes: Social Science.

PLSC 3511-Constitutional Law And Civil Liberties
3 Credits
Late nineteenth, twentieth, and twenty-first century decisions of the Supreme Court pertaining to civil liberties, civil rights, and criminal justice. American Politics Elective. Course Attributes: Social Science.
PLSC 3541-Judicial Process, Behavior, And Impact
3 Credits
The roles of lawyers, judges, and juries in the judicial process. The organization-making process of federal and state trial courts. The decision-making of federal and state appellate courts. The voting behavior of federal and state appellate judges. The impact of appellate court decisions on society and on the operations of criminal justice agencies. American Politics Elective. Course Attributes: Social Science.

PLSC 3661-Public Administration
3 Credits
Bureaucrats as actors in the American political system, their sources of power, and their relationship to elected public officials. American Politics Elective. Course Attributes: Social Science.

PLSC 3671-Policy Analysis
3 Credits
Basic dynamics and problems of policymaking and the widely used analytical approaches to public policy. American Politics Elective. Course Attributes: Social Science.

PLSC 3881-International Law And Organizations
3 Credits
Factors and forces that determine the policies of nation-states with respect to international cooperation. The structure, operation, and legal setting of international politics. The role of IGOs and NGOs. The evolving international legal order. International Politics Elective. Course Attributes: Social Science, Critical and Creative Thinking, Effective Communication Non-Writing.

PLSC 3901-Special Topics In Political Science
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 3961-Independent Study in Political Science
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

PLSC 4091-The Presidency
3 Credits

PLSC 4111-Congress
3 Credits

PLSC 4581-Western Political Thought 1
3 Credits
Western political theory from Plato, Aristotle, and the Stoics through Machiavelli, the Reformation, and the Wars of Religion. Examines the political and theoretical elements of pre-modern thought. Course Attributes: Social Science, Critical and Creative Thinking, Informed Ethical Responses, Integration Across Disciplines.

PLSC 4591-Western Political Thought 2
3 Credits
Western political theory from the Enlightenment through John Rawls. Examines the political and theoretical implications of constitutionalism, contract theory, conservatism, idealism, romanticism, liberalism, utilitarianism, Marxism, anarchism, socialism, elite theories, social Darwinism, racism, anti-Semitism, fascism, feminism, environmentalism, and libertarianism. Confers American Politics Elective credit if not used for Major Course credit. Course Attributes: Social Science, Critical and Creative Thinking, Informed Ethical Responses, Integration Across Disciplines.

PLSC 4711-Public Service Internship Program
1 to 15 Credits Grading mode is S/U
Field experience in the area of public service. Student works in a close relationship with public offices and officials or approved private agencies and firms. Student must enroll in at least 1 credit hour of Public Service Internship per internship experience. A full time Public Service Internship requires 600 hours of on-site work. Student may apply up to 15 credit hours of departmental internship to the BA degree. Consultation with the department internship committee and completion of the application process; 2.75 GPA. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 15 hours.

PLSC 4721-Seminar -The Washington Center Seminar
3 Credits Grading mode is S/U
Course Attributes: Social Science, Requires Department Approval.

PLSC 4751-Model United Nations
1 to 2 Credits
Preparation to participate in regional Model United Nations conferences and the National Model United Nations conference in New York City. An integrated simulation of key operations of the United Nations. Travel to New York City in the spring. Student may apply 3 credit hours of Model United Nations to the Political Science/International Politics major (Academic Component). Student may apply up to 9 credit hours of Model United Nations to the BA degree. Open to any major. This course is repeatable for a total of 9 hours. Course Attributes: Effective Communication Non-Writing, Informed Ethical Responses.

PLSC 4761-Mock Trial
1 to 2 Credits
Preparation to participate in regional and national mock trial competitions held at various sites throughout the United States. Preparation of both civil and criminal cases, including opening and closing arguments, direct and cross examination of witnesses, and objections. Student may apply 3 credit hours of Mock Trial to the Criminal Justice major or to the Political Science/American Politics major (Academic Component). Student may apply up to 9 credit hours of Mock Trial to the BA degree. Confers 3 hours of American Politics Elective credit. Open to any major. This course may be repeated 2 times. This course is repeatable for a total of 9 hours.

PLSC 4901-Special Topics In Political Science
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 4911-Special Topics in American Politics
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 4921-Special Topics In International Relations
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 4931-Special Topics in Comparative Politics
1 to 3 Credits
May be repeated as topic varies. Unlimited repeats permitted.

PLSC 4941-Seminar In Political Science
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

PLSC 4961-Independent Study In Political Science
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.
PLSC 4981-Senior Thesis 1  
1 to 2 Credits  
First part of the two-course departmental Capstone sequence for majors in Political Science. Completion of the senior thesis under the direction of a paper director and a second reader. Students must present his or her senior thesis at a public forum. Requisite of all Political Science majors. Enrollment at least one semester before expected semester of graduation. Completes University General Education Capstone course requirements. The senior thesis may be submitted as an artifact for General Education Learning Outcome #2: Critical and Creative Thinking. Prerequisites: PLSC 4981 Minimum Grade of C. Must be enrolled in one of the following fields of study: Political Science. Must be enrolled in one of the following classifications: Junior, Senior.

PLSC 4991-Senior Thesis 2  
1 to 2 Credits  
Second part of the two-course departmental Capstone sequence for majors in Political Science. Completion of the senior thesis under the direction of a paper director and a second reader. Students must present his or her senior thesis at a public forum. Requisite of all Political Science majors. Enrollment at least one semester before expected semester of graduation. Completes University General Education Capstone course requirements. The senior thesis may be submitted as an artifact for General Education Learning Outcome #2: Critical and Creative Thinking. Prerequisites: PLSC 4981 Minimum Grade of C. Must be enrolled in one of the following fields of study: Political Science. Must be enrolled in one of the following classifications: Junior, Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

DEPARTMENT OF HUMAN PERFORMANCE AND SPORT SCIENCES

Associate Professors Hofman, Swanson (Chair), Wilson, M.;  
Assistant Professors Beaschler, Durand, Potkanowicz, Ridenour, Rohan, Simmons, West, Wilson, K., Witte

Mission Statement  
The Department of Human Performance and Sport Sciences prepares professionals for teaching, service, research, and/or leadership roles in educational institutions, business and industry, and other agencies. We strive to provide diverse, comprehensive, and life-long learning, while encouraging an appreciation of the importance of health, fitness and sport and their contribution to quality of life.

Vision Statement  
The Department of Human Performance and Sport Sciences will continue its commitment to high quality undergraduate education and to achieving meaningful student learning outcomes through active engagement in the teaching-learning interchange, scholarly and creative pursuits, leadership and service to others.

Accreditation  
The exercise physiology program is accredited by the Committee on Accreditation of Allied Health Education Programs (CAAEHP) and the Committee on the Accreditation of Exercise Sciences (CoAES). The athletic training program is accredited by the Commission on Accreditation of Athletic Training Education (CAATE).

Majors, Minors and Degrees Offered  
Athletic Training Major (BA, BS)  
Exercise Physiology Major  
Clinical/Research Concentration (BA, BS)  
Personal Training/Corporate Fitness Concentration (BA, BS)  
Sport Management Major (BA, BS)  
Exercise Physiology Minor

Admission Requirements  
Students, including transfers, must be accepted into the athletic training program through a secondary competitive admissions process. The formal admittance process occurs at the conclusion of the second semester. Students must meet specific academic and technical standards prior to admittance including a health assessment and vaccination verification. A student desiring to transfer from another college or university must follow the university procedures outlined in the course catalog. Specific athletic training courses may receive transfer credit, but they will only be accepted for graduation if there is documented evidence from the transfer institution that the courses include the same educational competencies and proficiencies as the course(s) they are replacing. Specific requirements may be obtained from the Department of Human Performance and Sport Sciences, the athletic training program director, or the athletic training program website.

Major Course Requirements  
Students must earn a grade of ‘C’ or higher in all courses completed for the major.

Department Requirements  
Students must maintain a minimum accumulative 2.00 GPA in order to remain eligible for internships, practicum and clinical experience assignments. Students who have been assigned to an internship, practicum or clinical and who have dropped below an accumulative 2.00 GPA will be immediately removed from that assignment and will not be reassigned to an internship, practicum or clinical until their GPA rises to the minimum accumulative 2.00.

Students are responsible for all costs associated with off-campus internships, practicums or clinical experiences, including, but not limited to, travel to and from the facility or affiliated sites, a criminal background check (BCI and/or FBI), a health assessment, vaccinations, or drug testing, as required by the facility.

Athletic Training Major (72 credit hours)  
ATTR 1001 Basic Athletic Training (3)  
ATTR 1011 Basic Athletic Training Lab (1)  
ATTR 1101 Professional Emergency Care (2)  
ATTR 1201 Advanced Weight Control/Sports Nutrition (2)  
ATTR 2101 Advanced Strength and Conditioning w/ Lab (3)  
ATTR 2301* Pre-Season AT Clinical (1)  
ATTR 2401*** AT Clinical Level 1 (2)  
ATTR 2451*** AT Clinical Level 2 (2)  
ATTR 2601 Evaluation Techniques of AT 1 (3)  
ATTR 2651 Evaluation Techniques of AT 2 (3)  
ATTR 2801 Athletic Taping and Bracing (1)  
ATTR 3101 Therapeutic Modalities in Athletic Training (4)  
ATTR 3201 Exercise Rehab in AT (4)  
ATTR 3301 Psychosocial Factors of AT (2)  
ATTR 3401*** AT Clinical Level 3 (2)  
ATTR 3451*** AT Clinical Level 4 (2)  
ATTR 3501** Off-campus AT Clinical Experience (0)  
ATTR 4101 Medical Considerations (even years) (3)  
ATTR 4201 Trends in Athletic Training (odd years) (3)  
ATTR 4401*** AT Clinical Level 5 (2)  
ATTR 4451*** AT Clinical Level 6 (2)  
ATTR 4601 Senior Seminar in Athletic Training (3)

Other required courses  
EXPH 1301 Anatomical Structure & Function (3)  
BIOL 2311 Anatomy and Physiology 1 (3)  
BIOL 2321 Anatomy and Physiology 2 (3)  
EXPH 2201 Kinesiology (3)  
EXPH 2301 Exercise Physiology (4)  
EXPH 3201 Research and Design (3)  
EXPH 4801 Exercise Pathophysiology (3)

Note:  
* Must enroll at least one time concurrent with a fall clinical experience (ATTR 2401, 2451, 3401, 3451, 4401, 4451) that begins prior to the start of fall semester classes. Students have the option to repeat this course for a maximum of 3 times if they are enrolled in a fall clinical experience every year.  
**The credit received for this clinical is given through either AT Clinical Level 3, 4, 5, or 6 (ATTR 3401, 3451, 4401, 4451), one of which is taken concurrently with the Off-Campus AT Clinical Experience.
Exercise Physiology Major (55 or 62 credit hours)

Student majoring in exercise physiology must complete one of two concentrations: clinical/research or personal training/corporate fitness. The 55-62 credit hours listed above includes the 46 credit hours of common courses plus the 16 credit hours required for the clinical/research concentration or the 9 credit hours required for the personal training/corporate fitness concentration.

EXPH 1001 Introduction to Exercise & Health (3)
EXPH 1301 Anatomical Structure and Function (3)
EXPH 1401 Administration of Health Promotion Programs (3)
EXPH 2101 Sports Nutrition and Supplementation (3)
EXPH 2201 Kinesiology (3)
EXPH 2301 Exercise Physiology (4)
EXPH 2401 Practicum 1: Field Experiences in Exercise Physiology (1)
EXPH 3101 Exercise Testing and Prescription I (3)
EXPH 3151 Exercise Testing and Prescription II (3)
EXPH 3201 Research and Design (3)
EXPH 3301 Exercise Management of Chronic Disease (3)
EXPH 3501 Practical Applications of Exercise Programming (3)
EXPH 4201 ECG Analysis and Interpretation (3)

Other required courses
ATTR 2101 Advanced Strength and Conditioning w/Lab (3)

Other non-major required courses
BIOL 2311* Anatomy and Physiology I (3)
*Grade of ‘D’ or better required.

Clinical/Research Concentration (16 credit hours)
BIOL 2321 Anatomy and Physiology 2 (3)
BIOL 3021 Human Anatomy (4)
EXPH 4801 Exercise Pathophysiology (3)
EXPH 4851 Exercise Biochemistry (3)
EXPH 4501 Exercise Physiology Internship (3)

Corporate Fitness/Personal Training Concentration (9 credit hours)
PHED 3401 Motor Learning (3)
EXPH 4501 Exercise Physiology Internship (3)
EXPH 4701 Advanced Exercise Techniques and Assessments (3)

Sport Management Major (56 credit hours)
SPMG 1001 Introduction to Sport Management (3)
SPMG 2101 Social/Psychological Issues in Sport (3)
SPMG 2201 Promotions/Marketing in Sport (3)
SPMG 2301 Facility/Event Management in Sport (3)
SPMG 3001 Sport Facilities Management Practicum (1)
SPMG 3051 Team Promotions Practicum (1)
SPMG 3101 Organization/Administration in Sport (3)
SPMG 3201 Finance/Economics in Sport (3)
SPMG 4101 Ethics in Sport (3)
SPMG 4201 Legal Issues in Sport (3)
SPMG 4501 Internship in Sport Management (3)

Other required courses
ABUS 2221 Principles of Entrepreneurship (3)
BIZ 2111 Financial Accounting Foundations for Business Planning (3)
BIZ 2331 Behavioral Management (3)
BIZ 2511 Marketing (3)
CAM 1301 Interpersonal Speaking (3)
CAM 3321 Organizational Communication (3)
CAM 1201 Introduction to Public Relations (3)
CAM 3201 Public Relations Writing (3)
MRKT 4711 Sales and Customer Relations Management (3)

Minor Course Requirements

Students must earn a grade of ‘C’ or higher in all courses completed for the minor.

Exercise Physiology Minor (33 credit hours)
EXPH 1001 Introduction to Exercise and Health (3)
EXPH 1301 Anatomical Structure and Function (3)
EXPH 2101 Sports Nutrition and Supplementation (3)
EXPH 2201 Kinesiology (3)
EXPH 2301 Exercise Physiology (4)
EXPH 3101 Exercise Testing and Prescription I (3)
EXPH 3151 Exercise Testing and Prescription II (3)
EXPH 3301 Exercise Management of Chronic Disease (3)

Other required courses
ATTR 1101 Professional Emergency Care (2)
ATTR 2101 Advanced Strength and Conditioning w/Lab (3)
BIOL 2311* Anatomy and Physiology I (3)
*Grade of ‘D’ or better required

Subject - Water Activities (AQUA)

AQUA 2101-Lifeguarding
1 Credit
To develop knowledge and skills to aid in the prevention of aquatic accidents and an ability to give assistance to victims. The American Red Cross Advanced lifeguarding certificate/emblem may be obtained by passing an examination. Fee required. Offered fall semester.

AQUA 2111-Water Safety Instruction
2 Credits
To develop knowledge and skills to teach swimming and water safety skills, methods and techniques. Successful completion of the course will lead to American Red Cross Water Safety Instruction certification. Offered spring semester.

Subject - Athletic Training (ATTR)

ATTR 1001-Basic Athletic Training
3 Credits
The prevention, recognition and care of athletic injuries as well as common principles associated with the athletic training profession. Offered fall and spring semesters.

ATTR 1011-Basic Athletic Training Lab
1 Credit
Lab focusing on skills associated with athletic training including but not limited to: taping, ice and heat application, referral procedures, examination and screening procedures, wound care, etc. Offered fall and spring semesters. Corequisite(s): ATTR 1001. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 1101-Professional Emergency Care
2 Credits
To provide the citizen responder with the knowledge and practical skills necessary to help sustain life, reduce pain and minimize the consequences of injury or sudden illness until EMS arrives. Skills in first aid and advanced assessment and care of adults, children, and infants including AEDs, BVM, stabilization, transportation, and special resuscitation techniques. American Heart Association Basic Life Support (BLS) for Healthcare Providers and Heartsaver First Aid certifications may be obtained by students who pass written and skill examinations. Course can be taken only once for graduation credit. Course may be repeated once for recertification as space permits. (Fee) Offered fall and spring semesters. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology. This course may be repeated 1 time. This course is repeatable for a total of 2 hours.

33 credit hours
ATTR 1201-Advanced Weight Control/Sports Nutrition
2 Credits
The nutritional requirements for athletes and physically active population. Analyze principles of weight control, including body fat, caloric requirements, effects of exercise and fluid loss/replacement. Recognize disordered eating habits and illnesses associated with poor nutritional habits and implement proper referral procedures. Offered fall semester. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 2101-Advanced Strength & Conditioning w/ Lab
3 Credits
Addresses physiological response to exercise, proper and safe methods and techniques of strength training, testing of strength and conditioning, interpreting testing data, and developing proper strength and conditioning programs for various individuals and groups. Proper performance and instruction of strength and conditioning methods will be addressed. Offered spring semester. Prerequisite(s): BIOL 2311 or BIOL 231. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

ATTR 2301-Pre-Season Athletic Training Clinical
1 Credit
On-campus clinical field experience in pre-season football, soccer or volleyball prior to the start of the academic year. Offered fall semester. Prerequisite(s): ATTR 1001 Minimum Grade of C and ATTR 1011 Minimum Grade of C and ATTR 1011 Minimum Grade of C and ATTR 1101 Minimum Grade of C and ATTR 1201 Minimum Grade of C or (HPES 160 Minimum Grade of C and HPES 112 Minimum Grade of C and HPES 117 Minimum Grade of C and HPES 120 Minimum Grade of C). Must be enrolled in one of the following Major fields of study: Athletic Training. This course may be repeated 3 times. This course is repeatable for a total of 3 hours.

ATTR 2401-Athletic Training Clinical Level 1
1 to 2 Credits
On-campus clinical experience rotation as assigned by the Clinical Education Coordinator. Under the supervision of a preceptor, specific clinical proficiencies and skills will be completed. Must have valid First Aid and BLS or CPR PR certifications. Offered fall and spring semesters. Prerequisite(s): (ATTR 1001 Minimum Grade of C and ATTR 1011 Minimum Grade of C and ATTR 1101 Minimum Grade of C and ATTR 1201 Minimum Grade of C or (HPES 160 Minimum Grade of C and HPES 112 Minimum Grade of C and HPES 117 Minimum Grade of C and HPES 120 Minimum Grade of C). Must be enrolled in one of the following Major fields of study: Athletic Training. This course is repeatable for a total of 2 hours.

ATTR 2451-Athletic Training Clinical Level 2
1 to 2 Credits
On-campus clinical experience rotation as assigned by the Clinical Education Coordinator. Under the supervision of a preceptor, specific clinical proficiencies and skills will be completed. Must have valid First Aid and BLS or CPR PR certifications. Offered fall and spring semesters. Prerequisite(s): ATTR 2401 Minimum Grade of C or HPES 251 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Athletic Training. This course is repeatable for a total of 2 hours.

ATTR 2601-Evaluation Techniques of Athletic Training 1
3 Credits
General overview of the injury evaluation process including medical terminology and SOAP note writing. Practical application of lower extremity anatomy, neurovascular, pathology, injury evaluation and diagnosis. Offered fall semester. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 2651-Evaluation Techniques of Athletic Training 2
3 Credits
Practical application of upper extremity/head and spine anatomy, neurovascular, pathology, injury evaluation and diagnosis. Offered spring semester. Prerequisite(s): ATTR 2601 Minimum Grade of C or (HPES 215 Minimum Grade of C and HPES 277 Minimum Grade of C). Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 2801-Athletic Taping and Bracing
1 Credit Grading mode is S/U
Athletic taping and bracing principles and techniques associated with specialized taping, wrapping, bracing and padding selected joints and body parts. Additional focus will be on concepts regulating design, application, construction, maintenance and reconditioning of immobilization devices. Offered fall semester. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 2901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

ATTR 3101-Therapeutic Modalities in Athletic Training
4 Credits
A review of therapeutic modalities used in the athletic training and other rehabilitation settings. To include indications and contraindications as well as the practical application of these modalities as they relate to the healing process. Offered fall semester. Prerequisite(s): (ATTR 2651 or HPES 278) and (EXPH 2301 or HPES 221). Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 3201-Exercise Rehab in Athletic Training
4 Credits
Basic components of a comprehensive rehabilitation program. To concentrate on techniques used in the restoration of flexibility, strength, endurance and functional activity. Selection of therapeutic exercises for injuries and corrective surgeries sustained by the athlete and others actively involved in sports activities. Offered spring semester. Prerequisite(s): ATTR 3101 or HPES 371. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 3301-Psychosocial Factors of Athletic Training
2 Credits
The psychological and sociocultural factors relative to an athletic population as well as the roles and functions of various health care providers responsible for professional care. Strategies for identifying problems, intervening and making appropriate referrals are presented. Offered spring semester. Prerequisite(s): ATTR 3401 or HPES 353. Must be enrolled in one of the following Major fields of study: Athletic Training.

ATTR 3401-Athletic Training Clinical Level 3
1 to 2 Credits
On or off-campus clinical experience rotation as assigned by the Clinical Education Coordinator. Under the supervision of a preceptor, specific clinical proficiencies and skills will be completed. Must have valid First Aid and BLS or CPR PR certifications. Offered fall and spring semesters. Prerequisite(s): (ATTR 2451 Minimum Grade of C or HPES 252 Minimum Grade of C) and (ATTR 2651 Minimum Grade of C or HPES 278 Minimum Grade of C) and (ATTR 2101 or HPES 207) and (BIOL 2321 or BIOL 232) and (EXPH 2301 or HPES 221). Must be enrolled in one of the following Major fields of study: Athletic Training. This course may be repeated 2 times. This course is repeatable for a total of 2 hours.

ATTR 3451-Athletic Training Clinical Level 4
1 to 2 Credits
On or off-campus clinical experience rotation as assigned by the Clinical Education Coordinator. Under the supervision of a preceptor, specific clinical proficiencies and skills will be completed. Must have valid First Aid and BLS or CPR PR certifications. Offered fall and spring semesters. Prerequisite(s): ATTR 3401 Minimum Grade of C or HPES 353 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Athletic Training. This course may be repeated 2 times. This course is repeatable for a total of 2 hours.
Subject - Exercise Physiology (EXPH)

EXPH 1001-Introduction to Exercise & Health
3 Credits
Examination of basic physiological, fitness and health concepts utilized to promote a healthy, active lifestyle. Topics discussed include exercise prescriptions, health and fitness benefits of exercise, adaptations to exercise training, disease prevention and weight management. Laboratory experiences will focus on basic exercise measurements of health and fitness parameters. Offered fall semester. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 1301-Anatomical Structure and Function
3 Credits
An introduction to the anatomical structures, physiological systems and functional aspects of allied health. Laboratories focus on identification of important anatomical structure. Does not satisfy any requirements for the major in Biology. Offered spring semester. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 1401-Administration of Health Promotion Programs
3 Credits
A study of the design implementation, organization, administration and evaluation of health promotion programs: consists of competencies and strategies in administrative tasks, programming, facilities, equipment, marketing, sales, finance and liability. Offered spring semester. Must be enrolled in one of the following Major fields of study: Exercise Physiology.

EXPH 1911-ST-Summer Honors Institute
1 Credit
Grading mode is S/U
Topics in Exercise Physiology. Enrollment is restricted to attendees of the Summer Honors Institute. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

EXPH 2101-Sports Nutrition and Supplementation
3 Credits
Examination of the role of macro/micronutrients and nutritional supplements in exercise performance. Offered fall semester. Prerequisite(s): EXPH 1001 or HPES 110. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 2201-Kinesiology
3 Credits
Practical analysis of human movement patterns with emphasis on a muscle’s action and appropriate strengthening and stretching techniques for the human body. Additional course concepts include Functional Movement Screening (FMS) techniques and Gait analysis via utilization of Dartfish motion analysis software. Offered spring semester. Prerequisite(s): BIOL 2311 or BIOL 231. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology, Health Education, Physical Education. Course Attributes: Effective Communication Non-Writing.

EXPH 2301-Exercise Physiology
4 Credits
The physiological basis and application of exercise physiology adaptations to exercise training, fitness and health. Laboratory experiences will expose students to common exercise physiology techniques and evaluations used to assess physical conditioning. Offered spring semester. Prerequisite(s): BIOL 2311 or BIOL 231. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology. Course Attributes: Critical and Creative Thinking.
EXPH 2401-Practicum 1: Field Experiences in Exercise Physiology
1 Credit
Observation and participation in a selected and approved allied health setting for a minimum of 30 hours. Offered fall, spring and summer semesters. Courses may be repeated but only 1 hour can count toward graduation. Course must be completed prior to junior year. Must be enrolled in one of the following Major fields of study: Exercise Physiology. May be enrolled in one of the following Classifications: Sophomore. This course may be repeated 4 times. This course is repeatable for a total of 1 hour.

EXPH 2901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

EXPH 3101-Exercise Testing and Prescription I
3 Credits
Basic and advanced exercise testing, evaluation and programming in healthy and diseased populations. Emphasis will be placed on designing exercise prescriptions using American College of Sports Medicine guidelines. Offered fall semester. Prerequisite(s): EXPH 2301 Minimum Grade of C or HPES 221 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 3151-Exercise Testing and Prescription II
3 Credits
Basic and advanced exercise testing, assessment and interpretation of cardiovascular, respiratory and muscular changes associated with training, aging and disease. Offered spring semester. Prerequisite(s): EXPH 3101 Minimum Grade of C or HPES 261 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 3201-Research and Design
3 Credits
The development, design and critical analysis of scientific research. Topics discussed include scientific research problem development, literature databases and search strategies, experimental design, research methodology and statistical analysis. Offered fall and spring semesters. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 3301-Exercise Management of Chronic Disease
3 Credits
Research and design of exercise programming strategies appropriate for select populations. Course topics include, but are not limited to: exercise considerations for cardiovascular, pulmonary, metabolic, immunological, neuromuscular, and orthopedic patients as well as adolescents, pregnant women, and geriatric patients. Offered fall semester. Prerequisite(s): EXPH 2301 Minimum Grade of C or HPES 221 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Athletic Training, Exercise Physiology.

EXPH 3501-Practical Applications of Exercise Programming
3 Credits
Examination of current exercise programming strategies, fitness facility operations, professional competencies, and disease state management. Course requires experiences in an exercise environment. Offered fall and spring semesters. Prerequisite(s): EXPH 2201 Minimum Grade of C and EXPH 2301 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Exercise Physiology. Must be enrolled in one of the following Classifications: Junior, Senior.

EXPH 4201-ECG Analysis and Interpretation
3 Credits
Basic electrocardiographic analysis and interpretation of ECGs in healthy and diseased populations. Offered spring semester. Prerequisite(s): (EXPH 2201 Minimum Grade of C or HPES 223 Minimum Grade of C) and (EXPH 2301 Minimum Grade of C or HPES 221 Minimum Grade of C). Must be enrolled in one of the following Major fields of study: Exercise Physiology.

EXPH 4501-Exercise Physiology Internship
3-12 Credits
An off-campus, experiential experience designed to provide practical and applied professional experiences in exercise physiology-related professions. Offered summer, fall and spring semesters. Prerequisite(s): EXPH 3151 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Exercise Physiology. Must be enrolled in one of the following Classifications: Senior. This course may be repeated 4 times. This course is repeatable for a total of 12 hours. Course Attributes: Critical and Creative Thinking, Effective Communication Writing, Requires Instructor Approval.

EXPH 4701-Advanced Exercise Techniques and Assessments
3 Credits
This course will examine current exercise industry trends involving advanced exercise modalities. Students will learn the proper exercise biomechanics involved in, but not limited to: TRX training, slideboard training, kettlebell training, and Olympic Weightlifting. Students will also participate in seminar discussions to examine current events in the exercise industry and to prepare for national certification exams from either the American College of Sports Medicine or the National Strength and Conditioning Association. Offered fall semester. Prerequisite(s): EXPH 2201 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Exercise Physiology. Must be enrolled in one of the following Classifications: Junior, Senior.

EXPH 4801-Exercise Pathophysiology
3 Credits
The etiology of health-related disease development (i.e. coronary heart and artery disease, hypertension, diabetes, and hyperlipidemia) and the pharmacological agents prescribed to manage these disease states will be discussed. Offered fall semester. Prerequisite(s): EXPH 2301 Minimum Grade of C or HPES 221 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Exercise Physiology.

EXPH 4851-Exercise Biochemistry
3 Credits
The examination of energy metabolism and ATP production at rest and during exercise. The major biochemical pathways, enzymes, intermediates and control of carbohydrate, fat and protein metabolism will be discussed. Biochemical pathways covered include glycolysis and gluconeogenesis, beta oxidation and fat biosynthesis, protein and amino acid metabolism, the urea cycle and the glucose/alanine cycle, and mitochondrial respiration and the electron transport chain. Offered fall semester. Prerequisite(s): EXPH 2301 Minimum Grade of C or HPES 221 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Exercise Physiology.

EXPH 4901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Department Approval.
Subject - Health Education (HLED)

HLED 1101-Personal Health Problems
3 Credits
A theoretical and practical treatment of the concepts of disease prevention and health promotion. Course content includes topics such as emotional health; aging and death; alcohol, tobacco, and drug abuse; physical fitness; nutrition and dieting; consumer health; chronic and communicable diseases; human sexuality; and stress management. Offered fall semester.

HLED 2101-AIDS & Other STDs
3 Credits
An introductory, non-technical examination of the biological/medical, social, psychological, and other ethical aspects of AIDS and other sexually transmitted diseases. Topics include: history of AIDS; treatment and prevention of HIV/AIDS and STDs; medical aspects of HIV/AIDS; HIV testing; counseling of HIV/AIDS positive individuals; AIDS education within school systems; women and HIV/AIDS; legal and ethical aspects of HIV/AIDS; and living with HIV/AIDS. Offered spring semester.

HLED 2901-Independent Study
1 to 4 Credits
Individual study of a topic of interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

HLED 4901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - Physical Education (PHED)

PHED 3401-Motor Learning
3 Credits
Motor Learning -studies the factors affecting the learning of motor skills. You will be presented with practical knowledge of the processes and variables that influence the rate, level, and retention of skill acquisition. The student will ultimately be able to develop a sound theoretical basis for instruction, coaching and performance enhancement. Offered spring semester. Must be enrolled in one of the following Major fields of study: Exercise Physiology, Physical Education.

PHED 4901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - Sport Management (SPMG)

SPMG 1001-Introduction to Sport Management
3 Credits
Initial introduction to basic concepts, career preparation, professional opportunities, and professional skills necessary to be successful in a career in sport management are explored. Offered fall semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 2101-Social/Psychological Issues in Sport
3 Credits
Analysis of the social significance and interrelationship that social history, values, and power structures in and outside of sports influence individual and societal beliefs, attitudes, and practices in sports. Specific focus on the topics of youth, deviance and violence, gender/orientation, race and ethnicity, religion, social class, and future of sports in society are also explored. Offered spring semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 2201-Promotions/Marketing in Sport
3 Credits
The practice of marketing, promotions and sales in the sport marketplace. Introduction to event management, print and broadcast media advertising, marketing strategies, and a class project. Open to Sport Management majors and others with approval of the department chair. Offered fall semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 2301-Facility/Event Management in Sport
3 Credits
Explore issues related to facility and event management unique to the sport environment while developing an understanding of successful practices and procedures for managing sport and event enterprises. Focus on the skills necessary for sport and event managers needed for successful human and capital resource management, as well as the financial viability and sustainability of sport facilities. Offered spring semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 2901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

SPMG 3001-Sport Facilities Management Practicum
1 Credit
Designed to give Sport Management majors the opportunity to experience facilities management through involvement with the sports facilities at the University. Offered fall and spring semesters. Must be enrolled in one of the following Major fields of study: Sport Management. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Requires Instructor Approval.

SPMG 3051-Team Promotions Practicum
1 Credit
Designed to give Sport Management majors the opportunity to acquire promotional experience through involvement with a sport team at the University. Offered fall and spring semesters. Must be enrolled in one of the following Major fields of study: Sport Management. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Requires Instructor Approval.

SPMG 3101-Organization/Administration in Sport
3 Credits
Examination of the philosophy, principles, problems, policies and procedures essential in the organization and administration of meaningful programs in sports studies. Offered fall semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 3201-Finance/Economics in Sport
3 Credits
The application of economic and financial theories applied to the sports industry in both the professional and the amateur sports markets. The critical and objective evaluation of economic and financial issues that arise in the sports industry. Increase knowledge of various sports markets, while emphasizing the role economics plays in determining outcomes in these markets. Offered spring semester. Must be enrolled in one of the following Major fields of study: Sport Management.
SPMG 4101-Ethics in Sport
3 Credits
Develops an awareness of the complexities concerning sports litigation, primarily in the focus of educational institutions. To use this new knowledge to assist their professional growth in the field. To have a clear understanding of the law and its fundamental elements. Offered fall semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 4201-Legal Issues in Sport
3 Credits
Develops an awareness of the complexities concerning sports litigation, primarily in the focus of educational institutions. To use this new knowledge to assist their professional growth in the field. To have a clear understanding of the law and its fundamental elements. Offered fall semester. Must be enrolled in one of the following Major fields of study: Sport Management.

SPMG 4501-Internship in Sport Management
3 Credits
An off-campus, experiential experience designed to provide practical and applied professional experiences in sport management-related professions. Offered Summer, Fall and Spring semesters. Must be enrolled in one of the following Major fields of study: Sport Management. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 4 times. This course is repeatable for a total of 12 hours. Course Attributes: Critical and Creative Thinking, Effective Communication Writing, Requires Instructor Approval.

SPMG 4901-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

INSTITUTE FOR SOCIAL RESEARCH

Contact: Durkin (Director)

Ohio Northern University’s Institute for Social Research offers a unique opportunity for students in several of the University’s undergraduate programs. The Institute performs surveys, needs assessments, policy evaluations, and other social research tasks as required by public and private agencies in the region.

The institute offers exceptional students opportunities to observe and assist in social, political, and geographical research. Students are assigned increasing levels of responsibility as an important adjunct to their education as social scientists. ISR 1861, 2861, 3861, and 4861 may count toward students’ primary or secondary major, but only 3 credit hours will count for the major and only 9 credit hours will count towards the degree.

Regular course offerings in the Institute for Social Research include a two-semester sequence (ISR 2531 and 2541) in conducting social science investigations. One course focuses on data collection and research methodology, while the second concentrates on the analysis of data and statistical procedures.

Subject - Institute for Social Research (ISR)

ISR 1861-Social Research Practicum 1
1 to 4 Credits Grading mode is S/U
Participation in the Institute for Social Research under the direction of a faculty member. Offered fall and spring semesters. Course Attributes: Requires Instructor Approval.

ISR 2861-Social Research Practicum 2
1 Credit Grading mode is S/U
Participation in the Institute for Social Research, including some leadership responsibilities under the direction of a faculty member. Offered fall and spring semesters. Prerequisite(s): ISR 1861 Minimum Grade of C or ISR 2861 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

ISR 3861-Social Research Practicum 3
1 Credit Grading mode is S/U
Participation in the Institute for Social Research, including some leadership responsibilities under the direction of a faculty member. Offered fall and spring semesters. Prerequisite(s): ISR 2861 Minimum Grade of C or ISR 2861 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

ISR 4861-Social Research Practicum 4
1 Credit Grading mode is S/U
Participation in the Institute for Social Research under the direction of a faculty member. Student assumes responsibility as a project director or assistant project director. Offered fall and spring semesters. Prerequisite(s): ISR 3861 Minimum Grade of C or ISR 3861 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

DEPARTMENT OF MATHEMATICS AND STATISTICS

Professors Boyadzhiev, Mi. Caragiú (Chair), Putt; Associate Professors Fuller, Hunt, Johns, Retterer, Robinson, Roepeke, Schroeder; Assistant Professor Rahrig, Zaki; Lecturers Barnhart, Roll, Rosendale; Director of the Mathematics Resource Center Rader

Mission Statement
The mission of the Department of Mathematics and Statistics is to provide an environment in which students grow intellectually and which encourages the continued professional growth of the faculty. To achieve this, the department is committed to introducing students to the concepts used in mathematics, to giving them experiences in the development and application of mathematical theory, to helping them develop their critical and analytical reasoning skills, to exposing them to the relationships between mathematics and other fields of endeavor and to preparing them for their career choices.

Overview Statement
Courses are offered in mathematics and statistics to complement almost all disciplines in the university. In addition, the department cooperates with the Center for Teacher Education in program planning for licensure for those desiring to teach high school or middle school mathematics.
Accreditation

The teacher licensure program in mathematics is nationally accredited by the National Council of Teachers of Mathematics.

Majors, Minors and Degrees Offered

Majors

Applied Mathematics Major (BA, BS)
Mathematical Statistics Major
  Actuarial Science Concentration (BA, BS)
  Applied Statistics Concentration (BA, BS)
Mathematics Major
  Advanced Mathematical Studies Concentration (BA, BS)
  Teacher Licensure Concentration (BA, BS)
  Applied Mathematics Minor
  Applied Statistics Minor
  Mathematics Minor

Minor

Licensure Offered

Adolescent Young Adult (7-12) Mathematics Licensure

Special Programs

Department faculty are active in several professional organizations, providing students with opportunities for research, presentations, and professional experience. The department offers a Mathematics Co-op Program, providing students the experience of applying mathematical theory in a work environment as a preparation for doing the same in a potential career field.

Major Course Requirements

All required courses in major subject area must be completed with a grade of 'C' or higher. All required courses outside of the major subject area must be completed with a grade of 'D' or higher.

Applied Mathematics Major (46 credit hours)

Applied mathematics is an interdisciplinary major. A student in this major must design a program of study in consultation with his/her Mathematics and Statistics Department advisor. Such a program of study must explicitly list the mathematics and the application area electives the student will take.

MATH 1951 Freshman Seminar (1)
MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
MATH 2631 Calculus 3 (4)
MATH 2651 Differential Equations (4)
MATH 2691 Foundations of Mathematics with Problem Solving (3)
MATH 3621 Linear Algebra (3)
MATH 3631 Complex Variables (3)
MATH 3641 Mathematical Modeling (3)
MATH 3951 Junior Seminar (1)
MATH 4951 Senior Seminar (1)

Select at least one course from two of the following three categories:

Algebraic Mathematics:
MATH 3061 Discrete Mathematics (3)
MATH 3411 Abstract Algebra 1 (3)
MATH 3421 Abstract Algebra 2 (3)
MATH 4411 Number Theory with Applications (3)

Analytic Mathematics:
MATH 3611 Real Analysis 1 (3)
MATH 3621 Real Analysis 2 (3)
MATH 3651 Partial Differential Equations (3)
MATH 4611 Numerical Analysis (3)

Decision Support Mathematics:
MATH 3041 Theory of Interest (3)
MATH 3221 Operations Research (3)
MATH 3601 Mathematical Programming (3)
MATH 4651 Probability Theory (3)

Other required courses

Three departmentally approved major-appropriate courses (9 credit hours) in a specific application area outside of the department.

Mathematical Statistics Major (48-60 credit hours)

Students majoring in mathematical statistics must complete one of two concentrations: actuarial science or applied statistics. The 48-60 credit hours listed above includes the 33 credit hours of common courses plus the 27 credit hours required for the actuarial science concentration or the 15 credit hours required for the applied statistics concentration.

MATH 1951 Freshman Seminar (1)
MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
MATH 2631 Calculus 3 (4)
MATH 2691 Foundations of Mathematics with Problem Solving (3)
MATH 3951 Junior Seminar (1)
MATH 4651 Probability Theory (3)
MATH 4661 Mathematical Statistics (3)
MATH 4951 Senior Seminar (1)
STAT 1561 Statistics for Professionals 1 (3)
STAT 2561 Statistics for Professionals 2 (3)
STAT 3511* Applied Regression and Correlation Analysis (3)

Actuarial Science Concentration (27 credit hours)

Students completing this concentration will have taken the necessary coursework to prepare for SOA/CAS preliminary exams P/1 and FM/2. Courses marked with an asterisk (*) have been approved as VEE courses by the Society of Actuaries.

MATH 3041 Theory of Interest (3)
BIZ 2021* Microeconomic Foundations for Business Planning (3)
BIZ 2031* Macroeconomic Foundations for Business Planning (3)
BIZ 3621* Financial Analysis for Business Planning (3)
FINC 3691* Intermediate Financial Management (3)

Select at least four:
MATH 3611 Real Analysis 1 (3)
MATH 3621 Real Analysis 2 (3)
STAT 3511 Categorical Data Analysis (3)
STAT 3521 Analysis of Variance with Experimental Design (3)
STAT 3531 Survey Sampling Methods (3)
STAT 3541 Nonparametric Statistical Methods (3)
STAT 3551 Applied Probability (3)
STAT 3571 Data Management and Statistical Computing (3)
STAT 3901 Special Topics in Statistics (3)
STAT 4561 Introduction to Stochastic Processes (3)
STAT 4571 Linear Statistical Models (3)
STAT 4901 Special Topics in Statistics (3)

Applied Statistics Concentration (15 credit hours)

STAT 3511 Categorical Data Analysis (3)
STAT 3521 Analysis of Variance with Experimental Design (3)

Select at least three:
MATH 3041 Theory of Interest (3)
MATH 3611 Real Analysis 1 (3)
MATH 3621 Real Analysis 2 (3)
STAT 3531 Survey Sampling Methods (3)
STAT 3541 Nonparametric Statistical Methods (3)
STAT 3551 Applied Probability (3)
STAT 3571 Data Management and Statistical Computing (3)
STAT 3901 Special Topics in Statistics (3)
STAT 4561 Introduction to Stochastic Processes (3)
STAT 4571 Linear Statistical Models (3)
STAT 4901 Special Topics in Statistics (3)
Mathematics Major (49-90 credit hours)

Students majoring in mathematics must complete one of two concentrations: advanced mathematical studies or teacher licensure. The 49-90 credit hours listed above includes the 27 credit hours of common courses plus the 22 credit hours required for the advanced mathematical studies concentration or the 63 credit hours required for the teacher licensure concentration.

MATH 1951 Freshman Seminar (1)
MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
MATH 2631 Calculus 3 (4)
MATH 2691 Foundations of Mathematics with Problem Solving (3)
MATH 3261 Linear Algebra (3)
MATH 3411 Abstract Algebra 1 (3)
MATH 3611 Real Analysis 1 (3)
MATH 3951 Junior Seminar (1)
MATH 4951 Senior Seminar (1)

Advanced Mathematical Studies Concentration (22 credit hours)

Minor Course Requirements

MATH 2651 Differential Equations (4)
MATH 3x41-4xx1 Mathematics elective (3)
MATH 3x41-4xx1 Mathematics elective (3)
MATH 3421 Abstract Algebra 2 (3)
MATH 3601 Mathematical Programming (3)
MATH 3621 Real Analysis 2 (3)
MATH 4651 Probability Theory (3)

Teacher Licensure Concentration (66 credit hours)

Mathematics Minor (22 credit hours)

MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
MATH 2631 Calculus 3 (4)
MATH 2651 Differential Equations (4)

Select at least two:
CHEM 2481 Chemical Applications of Mathematics (3)
MATH 3041 Theory of Interest (3)
MATH 3061 Discrete Mathematics (3)
MATH 3221 Operations Research (3)
MATH 3631 Complex Variables (3)
MATH 3641 Mathematical Modeling (3)
MATH 3651 Partial Differential Equations (3)
MATH 4411 Number Theory w/ Applications (3)
MATH 4611 Numerical Analysis (3)
MATH 4651 Probability Theory (3)
STAT 3501 Applied Regression and Correlation Analysis (3)
STAT 3551 Applied Probability (3)
STAT 4561 Intro to Stochastic Processes (3)
STAT 4571 Linear Statistical Models (3)

Applied Mathematics Minor (18 credit hours)

STT 1561 Statistics for Professionals 1 (3)
STT 2561 Statistics for Professionals 2 (3)

Select at least two courses (6 credit hours) from fundamental statistics:
Fundamental Statistics:
STAT 3501 Applied Regression and Correlation Analysis (3)
STAT 3511 Categorical Data Analysis (3)
STAT 3521 Analysis of Variance with Experimental Design (3)
STAT 3531 Survey Sampling Methods (3)

Select at least one additional course (3 credit hours) from fundamental statistics or advanced statistics:
Advanced Statistics:
STAT 3541 Nonparametric Statistical Methods (3)
STAT 3551 Applied Probability (3)
STAT 3571 Data Management and Statistical Computing (3)
STAT 3901 Special Topics in Statistics (3)
STAT 3911 Special Topics in Statistics (3)
STAT 4561 Introduction to Stochastic Processes (3)

Select at least one additional departmentally approved quantitative course (3 credit hours):
1Pharmacy students may substitute MATH 1471 and STAT 1761 for STAT 1561 and STAT 2561.

Minors

Mathematics Minor (24-25 credit hours)

MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
MATH 2631 Calculus 3 (4)
MATH 2691 Foundations of Mathematics with Problem Solving (3)

Select one:
MATH 3261 Linear Algebra (3)
MATH 2651 Differential Equations (4)

Select at least one from the following:
MATH 2651-4xx1 Math elective (3)
MATH 3041-4xx1 Math elective (3)

1The following cannot be used as electives: MATH 3011, 3951, 4401, and 4951.
Subject - Mathematics (MATH)

MATH 1201 - Mathematics for Liberal Arts
3 Credits
This is a mathematics course for non-math, non-science majors. It provides an opportunity for students to see mathematics used in ways not emphasized in traditional courses. It covers a variety of topics which may include, but is not limited to, problem solving, set theory, logic, graph theory, numeration systems, number theory, modeling, consumer mathematics, apportionment, voting methods, and counting techniques. Offered fall and spring semesters. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1251 - College Algebra
3 Credits
The real number system, exponents, polynomials, factoring, rational expressions, equations and inequalities, functions and their graphs, polynomial and rational functions. Not open for credit to students who have received a grade of C or better in any higher numbered course. Offered fall and spring semesters. Course Attributes: Mathematics & Statistics.

MATH 1401 - Functions for Science and Technology
3 Credits
Functions and their graphs, exponential and logarithmic functions, trigonometric functions, analytic trigonometry, analytic geometry. Not open to any student who has received a grade of C or higher in any calculus course. Offered fall semester. Prerequisite(s): MATH 1251 or MATH 120 or ACT Math 21 or SAT Mathematics 540. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1431 - Calculus for Science and Technology
3 Credits
Applying mathematical techniques to problems in science and technology, including analysis, formulation, and problem solutions. Techniques of differentiation, max/min problems, and elementary techniques of integration. Not open to any student who has received a grade of C or higher in any other calculus course. Offered spring semester. Prerequisite(s): MATH 1401 or ACT Math 23 or SAT Mathematics 570 or (MATH 120 and MATH 122). Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1461 - Calculus for Life Sciences
3 Credits
Concepts of differentiation and integration applied to algebraic, exponential, and logarithmic functions. Not open to students who have received a grade of C or higher in any other calculus course. College of Pharmacy Students excluded. Offered fall and spring semesters. Prerequisite(s): MATH 1251 or MATH 120 or MATH 1401 or ACT Math 23 or SAT Mathematics 570. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1471 - Calculus and Probability in Life Sciences
3 Credits
Concepts of differentiation and integration applied to algebraic, exponential, and logarithmic functions. Descriptive statistics, binomial and normal distributions. Prerequisite(s): MATH 1251 or ACT Math 23 or SAT Mathematics 570. Must be enrolled in one of the following Colleges: Pharmacy. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1611 - Calculus w/Precalculus 1
4 Credits
A fast-paced review of algebraic and trigonometric functions. Limit of a function, continuity, the derivative, and the antiderivative. Introduction to definite and indefinite integrals and the Fundamental Theorem of Calculus. Two years high school algebra and one-half year high school trigonometry required. Formerly MATH 157. Offered fall semester. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1621 - Calculus 1
4 Credits
Continued development of differentiation techniques, extrema, Mean Value Theorem, curve plotting, other applications of the derivative, continued development of integration techniques and their applications, and calculus of exponentials and logarithms. Formerly MATH 159. Offered spring semester. Prerequisite(s): MATH 1611 or MATH 157. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1631 - Calculus 2
4 Credits
Limit of a function, continuity, the derivative, extrema, Mean Value Theorem, curve plotting, applications of the derivative, introduction to integration and its applications. Two years high school algebra and one-half year high school trigonometry required. Formerly MATH 163. Offered fall and spring semesters. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1641 - Calculus 2
4 Credits
Inverse functions; logarithmic, exponential, inverse trig, hyperbolic and inverse hyperbolic functions; sequences and series; Taylor series; parametric curves; polar coordinates; conic sections. Formerly MATH 165. Offered fall and spring semesters. Prerequisite(s): MATH 1621 or MATH 1631 or MATH 159 or MATH 163. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1661 - Fundamental Mathematics 1
3 Credits
Problem solving skills and techniques, elementary set theory, whole numbers, integers, theory of arithmetic, and introductory number theory. Formerly MATH 172. Offered fall semester. Must be enrolled in one of the following Fields of Study: Early Childhood Education, Middle Childhood Education. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1671 - Fundamental Mathematics 2
3 Credits
Rational and real numbers, introduction to the fundamentals of counting, probability and statistics, geometric figures, measurement, congruence, symmetry, constructions, transformations, and similarity. Formerly MATH 173. Offered spring semester. Must be enrolled in one of the following Fields of Study: Early Childhood Education, Middle Childhood Education. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

MATH 1901 - Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 190. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

MATH 1911 - Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 190. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

MATH 1951 - Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 190. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

MATH 1961 - Freshman Seminar
1 Credit
Familiarization with the Mathematics and Statistics Department, requirements for majors, planning a program of courses, university catalog, career planning, and problem-solving. Must be enrolled in one of the following Fields of Study: Applied Mathematics, Mathematical Statistics, Mathematics. This course is repeatable for a total of 1 hour.
MATH 2971—History of Mathematics
3 Credits
An introduction to the history and origin of mathematics, restricted principally to mathematics through elementary calculus. A chronological study of some mathematicians and their contributions to mathematical thought. Formerly MATH 245. Offered spring semester. Prerequisite(s): MATH 1431 or MATH 1461 or MATH 1621 or MATH 1631 or MATH 154 or MATH 163 or MATH 159. Course Attributes: Mathematics & Statistics, Integration Across Disciplines.

MATH 2631—Calculus 3
4 Credits
Vectors and vector valued functions, planes and lines in space, multivariate functions, differential and integral calculus of multivariate functions. Formerly MATH 263. Offered fall and spring semesters. Prerequisite(s): MATH 1641 or MATH 165. Course Attributes: Mathematics & Statistics.

MATH 2651—Differential Equations
4 Credits
Matrices and vector spaces; bases and dimension; first and second order linear differential equations with applications, LaPlace transforms. Formerly MATH 275. Offered fall and spring semesters. Prerequisite(s): MATH 1641 or MATH 165. Course Attributes: Mathematics & Statistics.

MATH 2691—Foundations of Mathematics with Problem Solving
3 Credits
A hands-on introduction to problem solving strategies and techniques of formal proof. Formerly MATH 294. Students who have not taken a MATH class for two semesters or more must have department approval to take this course. Offered spring semester. Prerequisite(s): MATH 1641 Minimum Grade of C or MATH 165 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 2901—Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 290. Course Attributes: Requires Instructor Approval.

MATH 2911—Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 290. Course Attributes: Requires Instructor Approval.

MATH 2921—Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 290. Course Attributes: Requires Instructor Approval.

MATH 2931—Special Topics in Mathematics
1 to 3 Credits
Formerly MATH 290. Course Attributes: Requires Instructor Approval.

MATH 2971—Independent Study
1 to 4 Credits
Formerly MATH 297. This course may be repeated 2 times.

MATH 3011—Mathematics for Secondary Teachers
3 Credits
To include topics from problem solving, probability, number theory, number systems, trigonometry, mathematical induction, geometry, graph theory, and discrete mathematics. Formerly MATH 301. Offered alternate fall semesters. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 294 Minimum Grade of C. Course Attributes: Mathematics & Statistics, Effective Communication Non-Writing, Informed Responses-Aesthetics.

MATH 3041—Theory of Interest
3 Credits
General theories of interest rates and factors, level and varying annuities, non-annual interest rates and annuities, loan repayment, bond valuation, and additional topics in financial analysis. Course will serve as an introduction to the material covered on the SOA/CAS Actuary Exam FM/2. Prerequisite(s): MATH 1631. Corequisite(s): MATH 1641. Course Attributes: Mathematics & Statistics.

MATH 3061—Discrete Mathematics
3 Credits
An introduction to discrete mathematical structures: sets, logic, combinatorics, relations and digraphs, functions, integers and related algorithms, partially ordered sets, lattices and Boolean algebras, Karnaugh maps, elementary graph theory. Formerly MATH 336. Offered fall and spring semesters. Prerequisite(s): MATH 1631 Minimum Grade of C or MATH 163 Minimum Grade of C or MATH 1621 Minimum Grade of C or MATH 159 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3221—Operations Research
3 Credits
Linear programming, simplex method, duality, sensitivity analysis, PERT/CPM. Standard O.R. applications including transportation, maximum flow, and shortest path problems, among others. Formerly MATH 332. Offered alternate spring semesters. Prerequisite(s): MATH 2651 Minimum Grade of C or MATH 3261 Minimum Grade of C or MATH 275 Minimum Grade of C or MATH 372 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3241—Topology
3 Credits
Metrics and metric spaces, topological spaces, topological invariants. Examples in real space and more general topological spaces. Formerly MATH 324. Offered alternate spring semesters. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 294 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3261—Linear Algebra
3 Credits
Finite and infinite dimensional vector spaces over a field, linear transformations, inner product spaces, and canonical forms. Formerly MATH 372. Offered fall semester. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 3061 Minimum Grade of C or MATH 294 Minimum Grade of C or MATH 336 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3401—Theory of Interest
3 Credits
General theories of interest rates and factors, level and varying annuities, non-annual interest rates and annuities, loan repayment, bond valuation, and additional topics in financial analysis. Course will serve as an introduction to the material covered on the SOA/CAS Actuary Exam FM/2. Prerequisite(s): MATH 1631. Corequisite(s): MATH 1641. Course Attributes: Mathematics & Statistics.

MATH 3411—Abstract Algebra 1
3 Credits
An introduction to algebraic structures; groups, rings and fields. Formerly MATH 311. Offered fall semester. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 294 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3421—Abstract Algebra 2
3 Credits
An introduction to algebraic structures; groups, rings and fields. Formerly MATH 312. Offered alternate spring semesters. Prerequisite(s): MATH 3411 Minimum Grade of C or MATH 311 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3601—Mathematical Programming
3 Credits
Programming concepts and techniques. Programming applications using MATLAB, Visual Basic for Applications, or a programmable calculator. Introduction to Maple. Use of Equation Editors. Formerly MATH 360. Offered alternate spring semesters. Prerequisite(s): MATH 2651 Minimum Grade of C or MATH 3261 Minimum Grade of C or MATH 275 Minimum Grade of C or MATH 372 Minimum Grade of C. Course Attributes: Mathematics & Statistics.
MATH 3611-Real Analysis 1  
3 Credits  
Real numbers, sequences, limits of functions, continuous functions. Formerly MATH 352. Offered fall semester. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 294 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3621-Real Analysis 2  
3 Credits  
Continuous functions. Differentiation, derivative theorems, Taylor’s formula. The Riemann integral and properties of integrals. Formerly MATH 353. Offered alternate spring semesters. Prerequisite(s): MATH 3611 Minimum Grade of C or MATH 352 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3631-Complex Variables  
3 Credits  
Complex algebra, complex calculus, analytic functions, infinite series over the complex plane, theory of residues, conformal mapping. Formerly MATH 363. Offered alternate spring semesters. Prerequisite(s): MATH 2631 Minimum Grade of C or MATH 263 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 3641-Mathematical Modeling  
3 Credits  
An introduction to discrete and applied mathematical modeling and methods. Topics may include discrete dynamical systems, Markovian population models, continuous models, dimensional analysis and scaling, perturbation methods, and variational methods. Prerequisite(s): MATH 2631. Course Attributes: Mathematics & Statistics.

MATH 3651-Partial Differential Equations  
3 Credits  
First-order equations: the method of characteristics and systems of first-order equations. Second-order equations: the Cauchy-Kowaleskaya theorem, canonical forms of second-order equations, Fourier series, Fourier integrals, boundary-value and initial-value problems. Formerly MATH 362. Offered alternate spring semesters. Prerequisite(s): (MATH 2631 Minimum Grade of C or MATH 263 Minimum Grade of C) and (MATH 2651 Minimum Grade of C or MATH 275 Minimum Grade of C). Course Attributes: Mathematics & Statistics.

MATH 3801-Professional Practice  
1 Credit  
Grading mode is S/U  
Cooperative education at an off-campus site. Involvement in full-time work (40 hours per week or more) requiring knowledge and skills in the major. See the description of the co-op program in the department narrative for details. Must have a minimum 2.5 GPA and acceptance into the Co-op program. Must be enrolled in one of the following Major fields of study: Applied Mathematics, Mathematical Statistics, Mathematics. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 3 times.

MATH 3901-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 390. Course Attributes: Requires Instructor Approval.

MATH 3911-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 390. Course Attributes: Requires Instructor Approval.

MATH 3921-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 390. Course Attributes: Requires Instructor Approval.

MATH 3931-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 390. Course Attributes: Requires Instructor Approval.

MATH 3951-Junior Seminar  
1 Credit  
Career options. Graduate and professional school options. Attendance at department seminars and capstone presentations. Self-evaluation of progress in the major. Preparation for MATH 4951-Senior Seminar including selection of senior capstone advisor and research topic. Formerly MATH 370. Offered spring semester. Must be enrolled in one of the following Fields of Study: Applied Mathematics, Mathematical Statistics, Mathematics. Must be enrolled in one of the following Classifications: Junior, Senior.

MATH 4211-Foundations of Geometry  
3 Credits  
An axiomatic approach to geometry including the concepts of incidence, ordering, separation, and congruence in incidence, affine, Euclidean, and non-Euclidean geometries. Formerly MATH 421. Offered alternate fall semesters. Prerequisite(s): MATH 2691 Minimum Grade of C or MATH 294 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 4401-Mathematics Internship  
1 to 8 Credits  
Formerly MATH 470. Must be enrolled in one of the following Fields of Study: Applied Mathematics, Mathematical Statistics, Mathematics. Must be enrolled in one of the following Classifications: Junior, Senior.

MATH 4411-Number Theory w/Applications  
3 Credits  
An introduction to number theory, modular arithmetic and finite fields, with applications to pseudo-random sequences, cryptography and coding theory. Formerly MATH 411. Offered alternate spring semesters. Prerequisite(s): MATH 1631 Minimum Grade of C or MATH 163 Minimum Grade of C or MATH 1621 Minimum Grade of C or MATH 159 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 4611-Numerical Analysis  
3 Credits  
Review of programming concepts using MATLAB or other programming software. Errors that occur in representing numbers on a computer and approximating solutions; methods for locating roots of a non-linear equation; interpolation, numerical differentiation; and numerical integration. Numerical solution of differential equations and of systems of linear algebraic equations. Splines. Formerly MATH 461. Offered alternate spring semesters. Prerequisite(s): (MATH 2651 Minimum Grade of C or MATH 275 Minimum Grade of C) and (MATH 3601 Minimum Grade of C or MATH 360 Minimum Grade of C). Course Attributes: Mathematics & Statistics.

MATH 4651-Probability Theory  
3 Credits  
Axioms of probability theory; Discrete and continuous random variables; multivariate distributions; functions of random variables; Central Limit Theorem. Formerly MATH 480. Offered alternate fall semesters. Prerequisite(s): MATH 2631 Minimum Grade of C or MATH 263 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 4661-Mathematical Statistics  
3 Credits  
Sampling distributions; Central Limit Theorem; point and confidence interval estimation; hypothesis testing. Formerly MATH 481. Offered alternate spring semesters. Prerequisite(s): MATH 4651 Minimum Grade of C or MATH 480 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

MATH 4901-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 490. Course Attributes: Requires Instructor Approval.

MATH 4911-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 490. Course Attributes: Requires Instructor Approval.
MATH 4921-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 490. Course Attributes: Requires Instructor Approval.

MATH 4931-Special Topics in Mathematics  
1 to 3 Credits  
Formerly MATH 490. Course Attributes: Requires Instructor Approval.

MATH 4951-Senior Seminar  
1 Credit  
The student prepares a paper and gives a presentation based on the work done in both MATH 3951 -Junior Seminar and this course. Formerly MATH 493. Offered fall and spring semesters. Prerequisite(s): MATH 3951 Minimum Grade of C or MATH 370 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Applied Mathematics, Mathematical Statistics, Mathematics. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

MATH 4961-Seminar in Mathematics  
1 to 3 Credits  
Formerly MATH 494.

MATH 4971-Independent Study  
1 to 4 Credits  
Formerly MATH 497. This course may be repeated 2 times.

Subject - Statistics (STAT)

STAT 1311-Introduction to Statistical Reasoning  
3 Credits  
Conceptual understanding and interpreting of statistical ideas; statistical literacy; numerical and graphical descriptions of data; normal distributions; probability, correlation, estimation and hypothesis testing. Cannot be taken for credit if credit has been received for STAT 1561, STAT 1761, STAT 2501 or PSYC 2401. Two years of high school algebra required. Formerly STAT 142. May not be enrolled in one of the following Major fields of study: Applied Mathematics, Mathematical Statistics, Mathematics. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

STAT 1561-Statistics for Professionals 1  
3 Credits  
Describing data graphically and numerically; describing bivariate data; probability concepts; random variables and probability distributions (both discrete and continuous); sampling distributions; statistical inference (point estimation, confidence intervals, hypothesis testing) for a single mean and the difference between two means; statistical study designs. Formerly STAT 156. A student can only receive credit for one of the following courses: STAT 1561, STAT 1761, STAT 2501 or PSYC 2401. Two years of high school algebra required. Offered fall and spring semesters. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

STAT 1761-Statistics for Pharmacy  
3 Credits  
Sampling distributions: Statistical inference (point estimation, confidence intervals, hypothesis testing) for single means and proportions, and the difference between two means and proportions: Simple linear regression; Chi-square GOF test and tests of association; ANOVA; Statistical study designs. A student can only receive credit for one of the following courses: STAT 1561, STAT 1761, STAT 2501 or PSYC 2401. Two years of high school algebra required. Offered fall and spring semesters. Prerequisite(s): MATH 1471. Must be enrolled in one of the following Colleges: Pharmacy. Course Attributes: Mathematics & Statistics.

STAT 1901-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 190. Prerequisite(s): STAT 1311 Minimum Grade of C or STAT 1561 Minimum Grade of C or STAT 142 Minimum Grade of C or STAT 156 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 1911-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 190. Prerequisite(s): STAT 1311 Minimum Grade of C or STAT 1561 Minimum Grade of C or STAT 142 Minimum Grade of C or STAT 156 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 1921-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 190. Course Attributes: Requires Instructor Approval.

STAT 1931-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 190. Course Attributes: Requires Instructor Approval.

STAT 2501-Statistics for Scientists and Engineers  
3 Credits  
Basic statistical techniques; random variables and probability distributions; sampling distributions; statistical inference (point estimation, confidence intervals, hypothesis testing) for a single mean and the difference between two means; statistical study designs. Formerly STAT 280. A student can only receive credit for one of the following courses: STAT 1561, STAT 1761, STAT 2501 or PSYC 2401. Offered fall semester. Prerequisite(s): MATH 1631 or MATH 1621 or MATH 163 or MATH 158. Course Attributes: Mathematics & Statistics.

STAT 2561-Statistics for Professionals 2  
3 Credits  
Review of inferential statistics; categorical data analysis (including goodness-of-fit tests and contingency table analysis); simple linear regression and correlation; multiple regression analysis; analysis of variance; analysis of covariance; statistical study designs. Formerly STAT 256. Offered fall and spring semesters. Prerequisite(s): STAT 1561 Minimum Grade of C or STAT 2501 Minimum Grade of C or PSYC 2401 Minimum Grade of C. Course Attributes: Mathematics & Statistics, Scientific and Quantitative Literacy.

STAT 2901-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 290. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 2911-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 290. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 2921-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 290. Course Attributes: Requires Instructor Approval.

STAT 2931-Special Topics in Statistics  
1 to 3 Credits  
Formerly STAT 290. Course Attributes: Requires Instructor Approval.
STAT 2971-Independent Study in Statistics
1 to 3 Credits
Individual study of a topic of particular interest to a student in statistics. This course may be repeated as topics vary. Must be enrolled in one of the following Classifications: Freshman, Sophomore. This course may be repeated 5 times. Course Attributes: Requires Instructor Approval.

STAT 3501-Applied Regression and Correlation Analysis
3 Credits
Simple linear regression and correlation data analysis methods; multiple regression methods; analysis of variance; analysis of covariance; statistical study designs. Formerly STAT 281. Offered fall semester. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3511-Categorical Data Analysis
3 Credits
Statistical inference with regard to categorical variables, including goodness-of-fit tests, contingency table analysis, Fisher exact test, and logistic regression models. Formerly STAT 351. Offered alternate spring semesters. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3521-Analysis of Variance w/ Experimental Design
3 Credits
Single factor analysis of variance, multiple comparisons, two and multiple factor analysis of variance, completely randomized designs, randomized block designs, analysis of covariance, random effects models, additional experimental designs. Formerly STAT 352. Offered alternate spring semesters. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3531-Survey Sampling Methods
3 Credits
Statistical methods pertaining to survey sampling, with an emphasis on human populations, including simple random sampling, stratified sampling, cluster sampling, systematic sampling, and the use of demographic information to reduce margins of error. Formerly STAT 353. Offered alternate spring semesters. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3541-Nonparametric Statistical Methods
3 Credits
Review of parametric inferential methods; nonparametric hypothesis testing (including Wilcoxon rank-sum, Wilcoxon signed-rank, sign, Kruskal-Wallis, Friedman); nonparametric point and confidence interval estimation; rank correlation; randomization and permutation tests. Formerly STAT 354. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3551-Applied Probability
3 Credits
Combinational analysis; discrete probability distributions; exponential distribution; Poisson distribution; normal distribution; DeMoivre-LaPlace limit theorem; random variables and their properties; laws of large numbers; generating functions; random walk and ruin problems; Markov chains. Formerly STAT 355. Prerequisite(s): (STAT 1561 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 2501 Minimum Grade of C or STAT 280 Minimum Grade of C or MATH 4651 Minimum Grade of C or MATH 480 Minimum Grade of C) and (MATH 1461 Minimum Grade of C or MATH 154 Minimum Grade of C or MATH 1621 Minimum Grade of C or MATH 159 Minimum Grade of C or MATH 163 Minimum Grade of C). Course Attributes: Mathematics & Statistics.

STAT 3571-Data Management and Statistical Computing
3 Credits
Use of statistical software packages such as SAS, SPSS, or Excel. Topics include data management, data analysis, graphical displays and computer simulation. Formerly STAT 350. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C or STAT 1761 Minimum Grade of C. Course Attributes: Mathematics & Statistics.

STAT 3901-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 390. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 3911-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 391. Prerequisite(s): STAT 2561 Minimum Grade of C or STAT 256 Minimum Grade of C. Course Attributes: Requires Instructor Approval.

STAT 3921-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 392. Course Attributes: Requires Instructor Approval.

STAT 3931-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 393. Course Attributes: Requires Instructor Approval.

STAT 4561-Introduction to Stochastic Processes
3 Credits
Random variables and stochastic processes; Markov chains and their properties (discrete and continuous); other important stochastic processes and their properties; elementary stochastic calculus. Formerly STAT 356. Prerequisite(s): (STAT 2501 Minimum Grade of C or STAT 280 Minimum Grade of C or MATH 4651 Minimum Grade of C or MATH 480 Minimum Grade of C) and (MATH 2651 Minimum Grade of C or MATH 275 Minimum Grade of C or MATH 3261 Minimum Grade of C or MATH 372 Minimum Grade of C). Course Attributes: Mathematics & Statistics.

STAT 4571-Linear Statistical Models
3 Credits
Review of linear algebra; linear statistical models, including regression and analysis of variance models, from a vector space perspective; Bivariate and multivariate normal distributions. Prerequisite(s): (STAT 1561 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 2501 Minimum Grade of C or STAT 280 Minimum Grade of C or MATH 4651 Minimum Grade of C or MATH 481 Minimum Grade of C or MATH 480 Minimum Grade of C) and (MATH 3061 Minimum Grade of C or MATH 336 Minimum Grade of C or MATH 2651 Minimum Grade of C or MATH 275 Minimum Grade of C). Course Attributes: Mathematics & Statistics.

STAT 4901-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 490. Course Attributes: Requires Instructor Approval.

STAT 4911-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 491. Course Attributes: Requires Instructor Approval.

STAT 4921-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 492. Course Attributes: Requires Instructor Approval.

STAT 4931-Special Topics in Statistics
1 to 3 Credits
Formerly STAT 493. Course Attributes: Requires Instructor Approval.

STAT 4971-Independent Study
1 to 4 Credits Grading mode is S/U
This course may be repeated 2 times.
DEPARTMENT OF MODERN LANGUAGES

Professors: Dufault, T. Finn, Walter; Associate Professor: Sen (Chair); Visiting Instructor: Poelzler-Kamatali, Lecturer: H. Johns, Sulayman

Mission Statement
The mission of the Department of Modern Languages is to provide students with abundant opportunities to learn to speak, understand, read, and write languages other than their own and to advance communication with different cultures through study of their literature and art, history, and experiences of themselves as a part of humanity. To this end, our instructors incorporate innovative technology and teaching methods that enhance interpersonal communication skills while promoting in-depth knowledge of the diverse peoples of our global community.

Statement of Purpose
Language study is an indispensable step toward understanding our world’s complexity and constitutes an irreplaceable part of a humanities education. It offers opportunities and perspectives unavailable to those limited to one language while providing a basis for mutual knowledge and respect among individuals and nations. Language study builds skills essential to successfully facilitating a multitude of human interactions graduates will encounter in every field of study and professional life.

Accreditation
The foreign language teaching licensure programs in French, German and Spanish are approved by the state of Ohio. The Teacher Education Program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

Majors, Minors and Degrees Offered
French Major (BA)
German Major (BA)
Spanish Major (BA)
French Minor
German Minor
Spanish Minor

Licensure Offered
Multi-age (PK-12) Foreign Language: French Licensure
Multi-age (PK-12) Foreign Language: German Licensure
Multi-age (PK-12) Foreign Language: Spanish Licensure

Admission Requirements
Students pursuing teacher licensure must request acceptance into the Center for Teacher Education. For specific requirements, refer to the ONU Department of Education.

Special Programs

Study Abroad
As a member of several study-abroad organizations, Ohio Northern University offers students the opportunity to study and complete internships in a large number of countries in Europe, Latin America, Africa, and Asia. While abroad for a summer, one, or two semesters, students earn ONU credit and greatly enhance their linguistic and cultural expertise. These programs are a basis for the capstone experience required of all Modern Languages majors.

Fulfillment of BA Degree Requirements
Students pursuing a BA must demonstrate at least first-year proficiency in a foreign language. To do so, students must pass at least an Elementary 2 modern language course. However, all students, regardless of major or degree requirements, are eligible for retroactive credits for all modern languages courses below the level of the first course satisfactorily completed at ONU. (See chart below.) To determine entry into the appropriate course level, students may complete a placement test and consult with faculty in the modern languages department. The department strongly recommends that students begin foreign language study during their first year.

Major Course Requirements
Students are encouraged to take a placement test and enroll at the level at which they feel comfortable. Retroactive placement credit will be awarded for 1000- or 2000-level courses upon successful completion of coursework at a higher level. All required courses in the major subject area must be completed with a grade of 'C' or higher. Courses taken through study abroad may be substituted with departmental approval.

French Major (37 credit hours)

FREN 1011 Elementary French 1 (3)
FREN 1021 Elementary French 2 (3)
FREN 2011 Intermediate French 1 (3)
FREN 2021 Intermediate French 2 (3)
FREN 3011 Introduction to French Literature (3)
FREN 3021 Advanced: French Speaking (3)
FREN 3031 Advanced: French Writing (3)
FREN 4501 Capstone (1)

Select five courses (15 credit hours):
FREN 3041 Cultural History of France 1 (3)
FREN 3051 Cultural History of France 2 (3)
FREN 3061 Francophone Cultures (3)
FREN 4001 Special Topics (3)
FREN 4011 French Novel 1 (3)
FREN 4021 French Novel 2 (3)
FREN 4031 French Theatre (3)
FREN 4101 French Poetry and Song (3)
FREN 4201 French Film (3)
FREN 4301 Francophone Literature (3)
FREN 4401 Modern French Musical (3)

French Major with Teacher Licensure (90 credit hours) The 90 credit hours includes the 37 credit hours required for the major plus the 53 additional credit hours required for the licensure. Study abroad is required. See the ONU Department of Education for details about this licensure.

Complete three (3) three-credit French electives (FREN) at the 3000- or 4000-level (9 credits).

Required education courses
EDUC 1151 Culture and Schooling (3)
EDUC 1501 Five-Day Field Experience I (1)
EDUC 1521 Five-Day Field Experience II (1)
EDUC 2101 Exceptional Learners (3)
EDUC 2681 Curriculum and Assessment (3)
EDUC 3201 Instructional Media and Educational Technologies (3)
EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
EDUC 4401 Educational Psychology and Instructional Practices (3)
EDUC 4451 Leadership Seminar in Education (3)
EDUC 4561 Integrated Modern Languages Methods (3)
EDUC 4701 Student Teaching – EC/MC (6)
EDUC 4721 Student Teaching – AYA (6)

Required general education courses
CAMS 1311 Communication in the Classroom (3)
PSYC 2171 Adolescent Psychology (3)
German Major (34 credit hours)
GERM 1011 Elementary German 1 (3)
GERM 1021 Elementary German 2 (3)
GERM 2011 Intermediate German 1 (3)
GERM 2021 Intermediate German 2 (3)
GERM 3011 German Language Studies (3)
GERM 3021 Using German (3)
GERM 3111 Culture of German-Speaking Europe (3)
GERM 3121 Studies in German Literature (3)
GERM 4501 Capstone (1)
OVRC xxxx Study Abroad (9)

German Major with Teacher Licensure (87 credit hours) The 87 credit hours includes the 34 credit hours required for the major plus the 53 additional credit hours required for the licensure. See the Department of Education for details about this licensure.

Complete three (3) three-credit German electives (GERM) at the 3000- or 4000-level (9 credits).

Required education courses
EDUC 1151 Culture and Schooling (3)
EDUC 1501 Five-Day Field Experience I (1)
EDUC 1521 Five-Day Field Experience II (1)
EDUC 2101 Exceptional Learners (3)
EDUC 2681 Curriculum and Assessment (3)
EDUC 3201 Instructional Media and Educational Technologies (3)
EDUC 3451 Literacy Across the Content Areas AYA/MA (3))
EDUC 4401 Educational Psychology and Instructional Practices (3)
EDUC 4451 Leadership Seminar in Education (3)
EDUC 4561 Integrated Modern Languages Methods (3)
EDUC 4701 Student Teaching – EC/MC (6)
EDUC 4721 Student Teaching – AYA (6)

Required general education courses
CAMS 1311 Communication in the Classroom (3)
PSYC 2171 Adolescent Psychology (3)

Spanish Major (37 credit hours)
SPAN 1011 Elementary Spanish 1 (3)
SPAN 1021 Elementary Spanish 2 (3)
SPAN 2011 Intermediate Spanish 1 (3)
SPAN 2021 Intermediate Spanish 2 (3)
SPAN 3011 Spanish Conversation (3)
SPAN 3021 Spanish Composition (3)
SPAN 3041 Introduction to Literature in Spanish (3)
SPAN 4501 Capstone (1)

Select five courses (15 credit hours):
SPAN 3101 Spanish Film (3)
SPAN 3111 Spanish Civilization (3)
SPAN 3121 Spanish Art, Music, Dance (3)
SPAN 3201 Latin American Film (3)
SPAN 3211 Latin American Civilization (3)
SPAN 3221 Latin American Art, Music, Dance (3)
SPAN 3301 Business Spanish (3)
SPAN 3311 Contemporary Hispanic Cultural Perspectives (3)
SPAN 4001 Special Topics (3)
SPAN 4111 Medieval and Golden Age Spanish Literature (3)
SPAN 4121 18th and 19th Century Spanish Literature (3)
SPAN 4131 20th and 21st Century Spanish Literature (3)
SPAN 4211 Colonial and 19th Century Latin American Literature (3)
SPAN 4221 20th and 21st Century Latin American Literature (3)

Spanish Major with Teacher Licensure (90 credit hours) The 90 credit hours includes the 37 credit hours required for the major plus the 53 additional credit hours required for the licensure. Study abroad is required. See the ONU Department of Education for details about this licensure.

Complete three (3) three-credit Spanish electives (SPAN) at the 3000- or 4000-level (9 credits).

Required education courses
EDUC 1151 Culture and Schooling (3)
EDUC 1501 Five-Day Field Experience I (1)
EDUC 1521 Five-Day Field Experience II (1)
EDUC 2101 Exceptional Learners (3)
EDUC 2681 Curriculum and Assessment (3)
EDUC 3201 Instructional Media and Educational Technologies (3)
EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
EDUC 4401 Educational Psychology and Instructional Practices (3)
EDUC 4451 Leadership Seminar in Education (3)
EDUC 4561 Integrated Modern Languages Methods (3)
EDUC 4701 Student Teaching – EC/MC (6)
EDUC 4721 Student Teaching – AYA (6)

Required general education courses
CAMS 1311 Communication in the Classroom (3)
PSYC 2171 Adolescent Psychology (3)

Minor Course Requirements
Students are encouraged to take a placement test and enroll at the level at which they feel comfortable. Retroactive placement credit will be awarded for 1001- or 2001-level courses upon successful completion of coursework at a higher level. All required courses in the minor subject area must be completed with a grade of ‘C’ or higher. Courses taken through study abroad may be substituted with departmental approval.

French Minor (24 credit hours)
FREN 1011 Elementary French 1 (3)
FREN 1021 Elementary French 2 (3)
FREN 2011 Intermediate French 1 (3)
FREN 2021 Intermediate French 2 (3)
FREN 3011 Introduction to French Literature (3)
FREN 3021 Advanced: French Speaking (3)
FREN 3031 Advanced: French Writing (3)

Subject - Arabic (ARAB)

ARAB 1011-Elementary Arabic 1
3 Credits
This course assumes no previous study of Arabic. The course will introduce the alphabet and sound system of Arabic and will assist in developing some basic reading, writing, speaking and listening skills. The course will deal mainly with Modern Standard Arabic which is the formal language spoken in the Arab world. Some dialectal variations of Arabic will also be introduced when necessary. Course Attributes: Foreign Language, Non Western Cultural.
ARAB 1021-Elementary Arabic 2
3 Credits
This course will reinforce material learned and practiced in Elementary Arabic 1 and help promote development of Arabic language abilities. This course will devote special attention to Arabic grammar and vocabulary to assist with developing an intermediate level of language accuracy. The course will deal mainly with Modern Standard Arabic, which is the formal language spoken in the Arab world. Some direct attention will be given to the different Arab dialects. Prerequisite(s): ARAB 1011. Course Attributes: Foreign Language, Non Western Cultural.

ARAB 2011-Intermediate Arabic 1
3 Credits
Continued development of Arabic language skills. Prerequisite(s): ARAB 1021 Minimum Grade of C. Course Attributes: Foreign Language.

ARAB 2021-Intermediate Arabic 2
3 Credits
Continuation of ARAB 2011. Prerequisite(s): ARAB 2011 Minimum Grade of C. Course Attributes: Foreign Language.

Subject - Chinese (CHNS)

CHIN 1011-Elementary Chinese 1
3 Credits
Introduction to basic conversational Mandarin, familiarity with the foundations of the Chinese writing system. Course Attributes: Foreign Language, Non Western Cultural.

CHIN 1021-Elementary Chinese 2
3 Credits
Continuation of CHIN 1011. Prerequisite(s): CHIN 1011 or CHNS 101. Course Attributes: Foreign Language, Non Western Cultural.

CHIN 2011-Intermediate Chinese 1
3 Credits
Further building of listening and speaking skills. Continued addition of traditional and simplified characters, reading and composition practice. Prerequisite(s): CHIN 1021 or CHNS 103. Course Attributes: Foreign Language, Non Western Cultural.

CHIN 2021-Intermediate Chinese 2
3 Credits
Continuation of CHIN 2011. Prerequisite(s): CHIN 2011 or CHNS 201. Course Attributes: Foreign Language, Non Western Cultural.

Subject - French (FREN)

FREN 1011-Elementary French 1
3 Credits
Basic proficiency in understanding, speaking, reading and writing French in everyday situations. Emphasis on comprehension and oral expression. Digitized and Internet realia illustrate contemporary French and francophone cultural values. Course Attributes: Foreign Language, Diversity-Human Interaction.

FREN 1021-Elementary French 2
3 Credits
Continuation of FREN 1021. Prerequisite(s): FREN 1011 Minimum Grade of C or FREN 120 Minimum Grade of C or French BYU 200. Course Attributes: Foreign Language, Informed Ethical Responses.

FREN 2011-Intermediate French 1
3 Credits
Continued development of proficiency in understanding, speaking, reading and writing French. Emphasis on high-frequency vocabulary and grammatical structures. Increased exposure to and discussion of contemporary French and francophone cultural values. Prerequisite(s): FREN 1021 Minimum Grade of C or FREN 122 Minimum Grade of C or French BYU 250. Course Attributes: Foreign Language, Diversity-Human Interaction.

FREN 2021-Intermediate French 2
3 Credits
Continuation of FREN 2021. Prerequisite(s): FREN 2011 Minimum Grade of C or FREN 214 Minimum Grade of C or French BYU 350. Course Attributes: Informed Ethical Responses.

FREN 3011-Introduction to French Literature
3 Credits
Basic principles of analyzing and appreciating major works in French, poetry, prose and theater. Reading, discussion of, and written reflection on representative French and francophone texts. Prerequisite(s): FREN 2021 Minimum Grade of C or FREN 216 Minimum Grade of C or French BYU 400. Course Attributes: Humanities, Informed Responses-Aesthetics.

FREN 3021-Advanced French: Speaking
3 Credits
Intensive practice of oral communication in conversations, role-playing, and oral interviews within French and francophone cultural contexts. Emphasis on developing fluidity and accurate pronunciation. Prerequisite(s): FREN 2021 Minimum Grade of C or FREN 216 Minimum Grade of C or French BYU 400. Course Attributes: Foreign Language, Diversity-Human Interaction.

FREN 3031-Advanced French: Writing
3 Credits
Intensive practice of writing in various contexts, such as correspondence, research, and creative narrative. Topics based on French-speaking societies and cultures. Prerequisite(s): FREN 2021 Minimum Grade of C or FREN 216 Minimum Grade of C. Course Attributes: Foreign Language, Critical and Creative Thinking, Integration Across Disciplines.

FREN 3041-Cultural History of France 1
3 Credits
Discussion in French of French history, art, architecture, and cultural institutions from their origins to the Fifth Republic. Prerequisite(s): (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Ethical Responses.

FREN 3051-Cultural History of France 2
3 Credits
Discussion in French of French culture with emphasis on the family, education, employment, politics, technology and cultural institutions from the Fifth Republic to the present. Prerequisite(s): (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Ethical Responses.

FREN 3061-Francophone Cultures
3 Credits
Discussion in French of francophone cultures, including Quebec, the Caribbean, the Maghreb, and sub-Saharan Africa, in terms of historical perspectives and contemporary concerns. Prerequisite(s): (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Non Western Cultural, Diversity-Human Interaction, Informed Ethical Responses.

FREN 4001-Special Topics
3 Credits
May be repeated as topic varies. Prerequisite(s): (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Unlimited repeats permitted. Course Attributes: Foreign Language.
FREN 4011-French Novel 1
3 Credits
Reading, discussion of, and written reflection on representative French novels in their historical and cultural contexts from the 16th century to the Revolution. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Humanities, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4021-French Novel 2
3 Credits
Reading, discussion of, and written reflection on representative French and francophone novels in their historical and cultural contexts from the Revolution through the 21st century. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Humanities, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4031-French Theatre
3 Credits
Reading and discussion in French of representative works from the 17th century to the present. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4031-French Poetry and Song
3 Credits
Discussion and analysis in French of representative French and francophone works in their historical and cultural contexts. Rules of French versification. Interpretations of poetry into song. Classic and contemporary 'chansonniers.' Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4041-French Film
3 Credits
Viewing, discussion, and analysis in French of representative French and francophone films, directors, and actors. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4031-Francophone Literature
3 Credits
Reading and discussion in French of works by contemporary writers in francophone countries including Quebec, the Caribbean, the Maghreb, and sub-Saharan Africa. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

FREN 4041-Modern French Musical
3 Credits
Oral and written analysis of visual, auditory, and lyrical elements of musical theatre as text. Opportunities to enrich and enhance literary analytical skills in a multimedia environment while improving linguistic competencies and cultural knowledge. Prerequisite(s): (FREN 3011 Minimum Grade of C or FREN 310 Minimum Grade of C) and (FREN 3021 Minimum Grade of C or FREN 311 Minimum Grade of C) and (FREN 3031 Minimum Grade of C or FREN 312 Minimum Grade of C). Unlimited repeats permitted. Course Attributes: Foreign Language, Informed Responses-Aesthetics, Integration Across Disciplines.

FREN 4501-Capstone
1 Credit
Written or other presentational record of study abroad experience. Alternative: extensive research paper in French, evaluated by department faculty. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

FREN 4901-Independent Study in French
1 to 3 Credits
For advanced students only. This course is repeatable for a total of 3 hours. Course Attributes: Requires Department Approval.

Subject - German (GRMN)

GERM 1011-Elementary German 1
3 Credits
For beginners, introduction to basic characteristics of German. Builds on a foundation of vocabulary acquisition through listening and reading comprehension. Basic elements of speaking. Use of texts, stories, audio/visual materials. Course Attributes: Foreign Language.

GERM 1021-Elementary German 2
3 Credits
Continuation of GERM 1011. Prerequisite(s): GERM 1011 or GRMN 130 or German BYU 200. Course Attributes: Foreign Language.

GERM 2011-Intermediate German 1
3 Credits
Intensive overview of German grammatical structures. Emphasis on reading of more complex texts; vocabulary acquisition; training in composition. Prerequisite(s): GERM 2021 Minimum Grade of C or GRMN 226 Minimum Grade of C or German BYU 400. Course Attributes: Foreign Language.

GERM 2011-Intermediate German 2
3 Credits
Continuation of GERM 2011. Prerequisite(s): GERM 2011 or GRMN 224 or German BYU 350. Course Attributes: Foreign Language, Diversity-Human Interaction.

GERM 3011-German Language Studies
3 Credits
Prerequisite(s): GERM 1011 or GRMN 224 Minimum Grade of C or German BYU 200. Course Attributes: Foreign Language, Diversity-Human Interaction.

GERM 3021-Using German
3 Credits
Prerequisite(s): GERM 2021 Minimum Grade of C or GRMN 226 Minimum Grade of C or German BYU 400. Course Attributes: Foreign Language.

3 Credits
Continuation of SPAN 1011. Prerequisite(s): SPAN 1011 or SPAN 140 or Spanish BYU 200. Course Attributes: Foreign Language.

**SPAN 2011-Intermediate Spanish 2**
3 Credits
Continuation of SPAN 2011. Offered spring semester. Prerequisite(s): SPAN 2011 or SPAN 244 or Spanish BYU 350. Course Attributes: Foreign Language, Diversity-Human Interaction.

**SPAN 2021-Intermediate Spanish 2**
3 Credits
Continuation of SPAN 2011. Offered spring semester. Prerequisite(s): SPAN 2011 or SPAN 244 or Spanish BYU 350. Course Attributes: Foreign Language, Diversity-Human Interaction.

**SPAN 3011-Spanish Conversation**
3 Credits
Strengthening Spanish communication skills by regular guided oral practice. Building vocabulary, written exercises, and improving comprehension by listening to live speech, videos, audio recordings, and films. Prerequisite(s): SPAN 2021 Minimum Grade of C or SPAN 246 Minimum Grade of C or Spanish BYU 400. Course Attributes: Foreign Language, Effective Communication Non-Writing.

**SPAN 3021-Spanish Composition**
3 Credits
Improvement of written communication skills. Emphasis on task-oriented writing in Spanish, including composing and editing several drafts. Topics based on Spanish speaking societies and cultures. Prerequisite(s): SPAN 2021 Minimum Grade of C or SPAN 246 Minimum Grade of C or Spanish BYU 400. Course Attributes: Foreign Language, Critical and Creative Thinking, Integration Across Disciplines.

**SPAN 3041-Introduction to Spanish Literature**
3 Credits
Discussion in Spanish of historical development of Spanish cinema through significant directors, such as Buñuel, Saura, Almodóvar. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Humanities, Informed Responses-Aesthetics.

**SPAN 3101-Spanish Film**
3 Credits
Discussion in Spanish of historical development of Spanish cinema through significant directors, such as Buñuel, Saura, Almodóvar. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

**MODERN LANGUAGES 113**
SPAN 3111-Spanish Civilization
3 Credits
Discussion in Spanish of geographical, political, economic, social and cultural forces in Spain from prehistoric times to the present. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Ethical Responses.

SPAN 3121-Spanish Art, Music, Dance
3 Credits
Discussion in Spanish of Spanish art, architecture, music and dance from prehistoric times to the present. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Ethical Responses.

SPAN 3201-Latin American Film
3 Credits
Viewing and analysis in Spanish of contemporary Latin American film, with emphasis on understanding the film industry and how films relate to social and political contexts. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Non Western Cultural, Diversity-Human Interaction, Informed Responses-Aesthetics.

SPAN 3211-Latin American Civilization
3 Credits
Discussion in Spanish of geography, history and culture of Latin America from Mesoamerica to the present. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Non Western Cultural, Diversity-Human Interaction, Informed Ethical Responses.

SPAN 3221-Latin American Art, Music, Dance
3 Credits
Discussion in Spanish of Latin American art, architecture, music and dance from Mesoamerica to the present. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Non Western Cultural, Diversity-Human Interaction, Informed Ethical Responses.

SPAN 3301-Business Spanish
3 Credits
Development of oral and written proficiency of Spanish within a business context. Business vocabulary, readings, business and cultural concepts, situational practice and case studies. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Diversity-Human Interaction, Informed Responses-Aesthetics.

SPAN 3311-Contemporary Hispanic Culture
3 Credits
Comparative study in Spanish of socio-cultural attitudes, popular/folk traditions and lifestyles within Hispanic communities. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Course Attributes: Foreign Language, Non Western Cultural.

SPAN 4001-Special Topics
3 Credits
May be repeated as topic varies. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Concurrency allowed. Unlimited repeats permitted. Course Attributes: Foreign Language.

SPAN 4111-Medieval and Golden Age Spanish Literature
3 Credits
Discussion in Spanish of poetry, prose and drama from the origins of the Spanish language to 1681. Works may include selections from the epic of Mio Cid, El libro de buen amor, Don Quijote, Lope de Vega, Quevedo. SPAN 4221-20th and 21st Century Latin American Literature
3 Credits
Reading and discussion in Spanish of works by contemporary writers in Latin American countries. Prerequisite(s): (SPAN 3011 Minimum Grade of C or SPAN 370 Minimum Grade of C) and (SPAN 3021 Minimum Grade of C or SPAN 372 Minimum Grade of C). Course Attributes: Foreign Language, Non Western Cultural, Humanities, Diversity-Human Interaction, Informed Responses-Aesthetics.

SPAN 4501-Capstone
1 Credit
Written or other presentational record of study abroad experience. Alternative: extensive research paper in Spanish, evaluated by department faculty. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

SPAN 4901-Independent Study in Spanish
1 to 3 Credits
For advanced students only. This course is repeatable for a total of 3 hours. Course Attributes: Requires Department Approval.
DEPARTMENT OF MUSIC

Professors C. Bates, D. D’Arca, T. Hunt; Associate Professors B. Ayling, R. Casey (Chair), D. Kosmyna, S. Waters; Assistant Professors H. Schroeder; Resident Artists K. Osbun-Manley; Lecturers Aebker, Allstaetter, L. Ashmore, P. Ashmore, Damschroder, Eichelberger, Goare, Graber, Jordan, M., Klaau, Laukhuf, Mills, Ott, Parker, Pinkney, Roth-Basinger, Simionca, Smith, Sommer, Torres, Weiler

Mission Statement
In keeping with the university and college mission statements, the Music Department strives to develop the higher values of beauty and goodness through the art of music. The Department of Music seeks to fully develop highly capable music majors to be leaders in tomorrow’s cultural landscape—as music educators, performers, scholars and advocates—while actively serving the greater whole of the university’s mission by providing its general student body with significant applied and academic opportunities in music.

Accreditation
The Music Department is accredited by the National Association of Schools of Music.

Majors, Minors and Degrees Offered
Music Performance Major (BM)
Music Education Major (BM)
Music Major
Applied Studies Concentration (BA)
Music History and Literature Concentration (BA) This concentration is also available to BMPeformance majors
Music Theory and Composition Concentration (BA) This concentration is also available to BMPeformance majors

Licensure Offered
Multi-age (PK-12) Music Licensure

Admission Requirements
Auditions are required of all new students (freshman or transfer) who wish to declare a major in music. The audition process also serves to determine scholarship consideration. All audition information is available on the music admissions webpage.

Music Education majors must meet the requirements of the Center for Teacher Education’s professional education program for Music (PK-12) licensure.

Special Programs
Study Abroad
Music majors frequently take advantage of study-abroad opportunities offered through the university, including student teaching. A special relationship exists between ONU and the Estonian Academy of Music and with the University of Salford in Manchester, England.

Major Course Requirements
All required courses in major subject area must be completed with a grade of ‘C’ or higher. All required courses outside of the major subject area must be completed with a grade of ‘D’ or higher.

Bachelor of Music: Major in Performance (86 credit hours)
MUSC 0011 Concert and Recital Attendance (0)
MUSC 1011 Introduction to the Study of Music (2)
MUSC 1021 Technology for Musicians (1)
MUSC 1111 Music Theory I (3)
MUSC 1121 Music Theory II (3)

MUSIC 1011 - Introduction to Study of Music
2 Credits
All aspects of the music major, including the development of a four-year plan for graduation that fulfills NASM competencies and ONU catalog requirements for each degree program. Includes survey of western art music with emphasis on musical terms, styles, composers and representative literature. Limited to music majors and/or minors. Offered fall semester. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

MUSIC 1021 - Technology for Musicians
1 Credit
The use of technology in the music professions. Emphasis on MIDI sequencing, music notation, and digital audio recording. Limited to music majors and minors. Offered fall and spring semesters.

MUSIC 1031 - Fundamentals of Music
3 Credits
Note names, clefs, scales, triads, inversions, intervals, key signatures. Offered summers. Course Attributes: Fine Arts.

MUSIC 1041 - Fundamentals of Music for Musical Theatre Majors
3 Credits
Reading and writing musical notation including rhythms, note names, scales, chords, intervals, and interpretation. Offered fall semester. Course Attributes: Fine Arts.

MUSIC 1051 - Musicianship for the Musical Theatre
3 Credits
Functional harmony and form analysis applied to musical theatre repertoire. Includes advanced sight-singing and techniques for notating melody and harmony. Offered spring semester. Prerequisite(s): MUSC 1041 Minimum Grade of C. Course Attributes: Fine Arts.

MUSIC 1111 - Music Theory I
3 Credits
Foundational music theory and harmony including analysis, part-writing, and creative projects in composition and arranging. Limited to music majors and/or minors. Formerly part of the first-year music theory sequence MUSC 121, 122 and 123. Offered fall semester. Corequisite(s): MUSC 1131. Course Attributes: Fine Arts.

MUSIC 1121 - Music Theory II
3 Credits
Continuation of MUSC 1111. Formerly part of the first-year music theory sequence MUSC 121, 122 and 123. Offered spring semester. Prerequisite(s): MUSC 1111 Minimum Grade of C. Corequisite(s): MUSC 1141. Course Attributes: Fine Arts, Informed Responses-Aesthetics.
MUSC 1131-Aural Skills I
1 Credit
Introduction to sight-singing; melodic, rhythmic, and harmonic dictation; and keyboard skills. Includes basic counting exercises, conducting patterns, and coordination exercises to train basic musicianship skills in a skills/performance-based environment. Formerly part of the first-year sight-singing sequence MUSC 131, 132 and 133. Offered fall semester. Corequisite(s): MUSC 1111.

MUSC 1141-Aural Skills II
1 Credit
Continuation of MUSC 1121. Formerly part of the first-year sight-singing sequence MUSC 131, 132 and 133. Offered fall semester. Prerequisite(s): MUSC 1131 Minimum Grade of C. Corequisite(s): MUSC 1121.

MUSC 1311-Singers Diction I
1 Credit
The proper pronunciation of vocal and choral texts in Italian and Latin. Introduction of the International Phonetic Alphabet as it applies to all languages. Offered fall semester.

MUSC 1901-Special Topics
1 to 3 Credits
Topics include, but are not limited to special areas in music theory, music history, and/or music education. May be repeated as topics vary. Offered on demand. Course Attributes: Requires Department Approval.

MUSC 2111-Music Theory III
3 Credits
Continuation of MUSC 1121. The study of 18th, 19th and 20th century compositional techniques, orchestration and counterpoint. Includes development of analytical skills. Formerly part of the second-year music theory sequence MUSC 221, 222 and 223. Offered fall semester. Prerequisite(s): MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C. Corequisite(s): MUSC 2131. Course Attributes: Fine Arts.

MUSC 2121-Music Theory IV
3 Credits
Continuation of MUSC 2111. Formerly part of the second-year music theory sequence MUSC 221, 222 and 223. Offered fall semester. Prerequisite(s): MUSC 2111 Minimum Grade of C. Corequisite(s): MUSC 2141. Course Attributes: Fine Arts, Scientific and Quantitative Literacy.

MUSC 2131-Aural Skills III
1 Credit
Continuation of MUSC 1141. Advanced sight-singing; melodic, rhythmic, and harmonic dictation; and keyboard basic skills. Includes advanced counting exercises, conducting patterns, and coordination exercises to train advanced musicianship skills in a skills/performance based environment. Formerly part of the second-year sight-singing sequence MUSC 231, 232 and 233. Offered fall semester. Prerequisite(s): MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C. Corequisite(s): MUSC 2111.

MUSC 2141-Aural Skills IV
1 Credit
Continuation for MUSC 2131. Formerly part of the second-year sight-singing sequence MUSC 231, 232 and 233. Offered spring semester. Prerequisite(s): MUSC 2131 Minimum Grade of C. Corequisite(s): MUSC 2121.

MUSC 2201-Non-Western Music
3 Credits
The fundamental concepts of music in any culture with an in-depth exploration of the music of a limited number of non-Western groups. Emphasis on listening and understanding. Prerequisite(s): MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C. Course Attributes: Non Western Cultural, Fine Arts, Diversity-Human Interaction.

MUSC 2311-Basic Conducting
2 Credits
Basic baton technique applied to choral and instrumental conducting practices. Includes score reading and rehearsal techniques for various ensembles. Offered fall semester. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C). Course Attributes: Effective Communication Non-Writing.

MUSC 2331-Singers Diction II
1 Credit
Continuation of MUSC 1331, with specialized work in German. Offered alternate spring semesters. Prerequisite(s): MUSC 1331 Minimum Grade of C.

MUSC 2341-Survey of Piano Literature
2 Credits
Major keyboard composers, including overviews of styles, keyboard music as it relates to music history, and how various styles influenced future composers and keyboard music. Performance practices and recording artists emphasized. Formerly MUSC 371 and 372. Permission of instructor required. Offered alternate fall semesters. Course Attributes: Requires Instructor Approval.

MUSC 2351-Piano Pedagogy
2 Credits
The role of the teacher in the learning process including observation and laboratory teaching; literature relevant to piano pedagogy and its practical application; presentation of a professional teaching demeanor: basic methods of teaching individual and group piano; technology applicable to the above. Formerly MUSC 373. Permission of instructor. Offered alternate spring semesters. Course Attributes: Requires Instructor Approval.

MUSC 2401-Foundations of Music Education
1 Credit
Orientation to the profession of music education, including current issues; psychological, sociological, aesthetic, and historical foundations; current philosophies and learning theories; assessment; and an overview of instructional skills, knowledge, and dispositions, including national and state standards for music education. Limited to music education majors. Offered alternate spring semesters. Prerequisite(s): MUSC 1011 Minimum Grade of C or MUSC 101 Minimum Grade of C.

MUSC 2411-Woodwind Methods
1 Credit
Elementary performance skills and pedagogy of woodwind instruments including literature and materials for school-aged performers. Limited to music education majors. Offered alternate spring semesters. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C).

MUSC 2421-Brass Methods
1 Credit
Elementary performance skills and pedagogy of brass instruments including literature and materials for school-aged performers. Limited to music education majors. Offered alternate spring semesters. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C).

MUSC 2431-String Methods
1 Credit
Elementary performance skills and pedagogy of string instruments including literature and materials for school-aged performers. Limited to music education majors. Offered alternate spring semesters. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C).
MUSC 2441-Percussion Methods
1 Credit
Elementary performance skills and pedagogy of percussion instruments including literature and materials for school-aged performers. Limited to music education majors. Offered alternate fall semesters. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C).

MUSC 2901-Special Topics
1 to 3 Credits
Topics include, but are not limited to special areas in music theory, music history, and/or music education. Permission of department and instructor. May be repeated as topics vary. Offered on demand. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MUSC 2911-Independent Study
1 to 3 Credits Grading mode is S/U
Individual study of a course of interest to, or needed by, a music major. May be repeated as the topic varies. Offered on demand. Must be enrolled in one of the following Fields of Study: Music, Music Education, Performance. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MUSC 3151-Composition
2 Credits
Principles and practices general to all compositional styles applied to weekly composition projects. Includes score study of great works. Limited to music majors. Offered fall and spring semesters. Prerequisite(s): (MUSC 2121 Minimum Grade of C or MUSC 223 Minimum Grade of C) and (MUSC 2141 Minimum Grade of C or MUSC 233 Minimum Grade of C). Unlimited repeats permitted.

MUSC 3211-Music History and Literature I
3 Credits
Survey of the history of Western music from the medieval, renaissance, and baroque eras. Study of the development of musical styles, genres and compositional devices. Includes score reading and musical analysis. Students will become familiar with the masterworks of Western music history. Limited to music majors and minors. Formerly part of the music history sequence MUSC 321, 322 and 323. Offered fall semester. Prerequisite(s): MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C. Course Attributes: Fine Arts, Effective Communication Non-Writing, Integration Across Disciplines.

MUSC 3221-Music History and Literature II
3 Credits
A survey of the history of Western music from the Classical, Romantic, and Modern eras of music. Study of the development of musical styles, genres and compositional devices. Course includes score reading and musical analysis. Students will become familiar with the masterworks of Western music history. Limited to music majors and minors. Formerly part of the music history sequence MUSC 321, 322 and 323. Offered spring semester. Prerequisite(s): MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C. Course Attributes: Fine Arts, Effective Communication Non-Writing, Integration Across Disciplines.

MUSC 3231-Jazz History and Literature
3 Credits
Jazz from African influences through present developments; personalities involved in stylistic change. Listening-based; experiential component. Course Attributes: Fine Arts.

MUSC 3241-American Music
3 Credits
Music from colonial America to present day. Listening and recognition of styles and instruments, major composers and performers. Includes sacred music, pop, rock, band, jazz and music from the stage. Course Attributes: Fine Arts.

MUSC 3251-African Music
3 Credits

MUSC 3271-Survey of Vocal Literature I
1 Credit
Study of recital vocal literature, focusing on the Lied, French melodie, and British and American art song. Some Russian and Czech literature included. Formerly part of Vocal Literature sequence MUSC 371, 372 and 373. Offered alternate fall semesters. Prerequisite(s): MUSL 2391 or APMU 200.

MUSC 3281-Survey of Vocal Literature II
1 Credit
Continuation of MUSC 3271. Formerly part of Vocal Literature sequence MUSC 371, 372 and 373. Offered alternate spring semesters.

MUSC 3311-Choral Conducting
2 Credits
Adaption of basic conducting techniques to the choral ensemble including leadership, error detection, tonal development, historical and stylistic accuracy and analysis. Includes survey choral literature and programming for ensembles of every level. Offered alternate spring semesters. Prerequisite(s): MUSC 2311 Minimum Grade of C or MUSC 241 Minimum Grade of C.

MUSC 3321-Instrumental Conducting
2 Credits
Adaption of basic conducting techniques to the instrumental ensemble including formal analysis, score-marking, transpositions, rehearsal technique, error detection, program creation, historical and stylistic accuracy and analysis. Includes survey of literature for concert bands, wind ensembles, string orchestras and symphony orchestras in the schools at every level. Offered alternate spring semesters. Prerequisite(s): MUSC 2311 Minimum Grade of C or MUSC 241 Minimum Grade of C.

MUSC 3331-Singers Diction III
1 Credit
Continued development of the skills acquired in Diction I, with specialized work in French. Offered alternate spring semesters. Prerequisite(s): MUSC 1331 Minimum Grade of C.

MUSC 3461-Methods of Marching and Jazz Bands
2 Credits
Methods, materials, and techniques in the development and direction of marching and jazz bands. Marching band topics include show planning, drill writing, precision drill, rehearsal techniques, and selection and rehearsal of music. Membership in Marching Band required in conjunction with the course. Jazz ensemble methods include seating, standard and alternative instrumentation, literature selection and preparation, style, and the development of a personal philosophy of jazz education. This course is not for developing Jazz musicians. Offered every alternate fall semester. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C). Corequisite(s): MUSE 1051.

MUSC 3471-Technology for Music Educators
2 Credits
Integration of technology into the music curriculum, effective use of technology in teaching and learning music, preparation of teaching and administrative materials, leading class activities, and student projects. Includes experiences with music notation software, audio amplification, recording and editing, video recording and editing, and website creation and management. Offered alternate fall semesters. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C).
MUSC 3901-Special Topics
1 to 3 Credits
Topics include, but are not limited to special areas in music theory, music history, and/or music education. Permission of department and instructor. May be repeated as topics vary. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MUSC 4111-Analytical Techniques
2 Credits
Elements of form and analysis, and counterpoint. Musical forms and styles from the Baroque to the present. Theoretical and stylistic analysis of representative creative projects in contrapuntal writing. Offered alternate fall semesters. Offered alternate fall semesters. Prerequisite(s): (MUSC 2121 Minimum Grade of C or MUSC 223 Minimum Grade of C) and (MUSC 2141 Minimum Grade of C or MUSC 233 Minimum Grade of C).

MUSC 4161-Electronic Music
2 Credits
History, development, materials, and techniques of electronic music. Emphasis on composition in the medium. Prerequisite(s): (MUSC 1121 Minimum Grade of C or MUSC 123 Minimum Grade of C) and (MUSC 1141 Minimum Grade of C or MUSC 133 Minimum Grade of C). Unlimited repeats permitted.

MUSC 4171-Instrumentation and Arranging
2 Credits
Basic characteristics of each orchestral instrument and instrument family, including range, transposition, timbre and technique. Students produce scores of arrangements for choir, band, and orchestra. Offered fall semester. Prerequisite(s): (MUSC 2121 Minimum Grade of C or MUSC 223 Minimum Grade of C) and (MUSC 2141 Minimum Grade of C or MUSC 233 Minimum Grade of C).

MUSC 4291-Applied Field Literature and Pedagogy for Instrumentalists
2 Credits
Study of the professional and pedagogical literature for each instrument except piano and voice. Offered on demand. Formerly MUSC 371, 372 and 373.

MUSC 4481-Instrumental Music Methods
3 Credits
Procedures and materials in the successful administration, development and direction of instrumental music programs at the elementary, middle and high school level. Includes the beginning instrumentalist, curriculum planning, repertoire, adjudicated events, behavior management, recruiting, and public relations. Requires laboratory experience in teaching beginning instrumental students individually, in small groups and larger classes during 20 hours of field experience. Admission to the Teacher Education Program or approval of the Director of Teacher Education required. Limited to music education majors. Offered alternate spring semesters. Course Attributes: Fine Arts.

MUSC 4491-Choral Music Methods
3 Credits
Development of the middle school and high school choral ensemble, including philosophies, technologies, classroom management, vocal production and placement, rehearsal and organizational techniques, audition procedures, production of musicals, adjudicated events and festivals, booster/parent groups, selection of repertoire, concept-based and standards-based choral music education, and curriculum. Admission to the Teacher Education Program or approval of the Director of Teacher Education required. Limited to music education majors. Offered alternate fall semester. Course Attributes: Fine Arts.

MUSC 4601-Senior Capstone Research Project
3 Credits
Study of a specialized area of music directed by a member of the music faculty. Serves as capstone experience for the concentrations in the Bachelor of Arts degree program: music history and literature, music theory/composition, or applied studies. Offered on demand. Prerequisite(s): MUSL 2391 or APMU 200. Course Attributes: Fine Arts, Critical and Creative Thinking, Effective Communication Writing.

MUSC 4901-Special Topics
1 to 3 Credits
Topics include, but are not limited to special areas in music theory, music history, and/or music education. Permission of department chair and instructor. Offered on demand. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MUSC 4911-Independent Study
1 to 3 Credits Grading mode is S/U
Individual study of a course of interest to, or needed by, a music major. May be repeated as the topic varies. Offered on demand. Formerly MUSC 497. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Department Approval, Requires Instructor Approval.

Subject - Music Ensembles (MUSE)
Membership in music ensembles is open to all university students. All ensembles may be repeated for credit.

MUSE 1011-University Singers
1 Credit
A select group of men and women singers chosen to perform a wide variety of choral literature from various periods of music with the highest musical standards. Performances include concerts on and off campus and on tour as well as frequent appearances with various area symphony orchestras. Tours internationally every third year. Membership by audition. All vocal majors must audition for this ensemble. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1021-Symphony Orchestra
1 Credit
The Symphony Orchestra studies and performs the great symphonic repertoire from Baroque to the 21st century. Membership is by audition only. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1031-Wind Orchestra
1 Credit
Select ensemble performs standard professional and collegiate repertoire for winds and percussion. Tours internationally every third year. Membership is by audition. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1041-Symphonic Band
1 Credit
A fully-instrumented performance based concert ensemble studying and performing the finest wind band literature with the highest musical standards. Open to all students with prior high school instrumental experience. Placement audition required. Offered spring semester. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1051-Marching Band
1 Credit
The preparation and performance of music and field shows for home and selected away football games and tours internationally every third year. Open to all university students who play band instruments or are accepted for auxiliary groups. Requires successful completion of band camp prior to the start of fall semester. Placement audition required. Offered fall semester. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1111-Opera Workshop
1 Credit
Instruction and experience in preparation for opera performances on and off campus. Singers will study operatic literature and be coached for specific roles in public performance of opera scenes and/or fully staged operas. Membership by audition. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.
MUSE 1131-Chamber Singers
1 Credit
A highly select choral ensemble of 12-16 members performing appropriate literature both a cappella and accompanied from Renaissance to Contemporary. Performances include concerts on and off campus. Membership by audition. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1141-A Capella Ensembles
1 Credit
A highly select men’s quartet performing varied a cappella Barbershop literature. Performances include concerts on and off campus. Members are selected from the Men’s Chorus. Offered on demand. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1151-Women’s Chorus
1 Credit
Choral ensemble performing outstanding sacred and secular literature written and arranged for female voices. Open to all qualified women: students, faculty, staff and community members. Fulfills the requirement for a major ensemble for voice majors who are not in University Singers. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1161-Men’s Chorus
1 Credit
A choral ensemble performing outstanding sacred and secular choral literature written and arranged for men’s voices. On occasion the chorus may combine with other university choirs to perform major choral works. Performances include concerts on and off campus and on tour. Open to all qualified students. Fulfills the requirement for a major ensemble for voice majors who are not in University Singers. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1171-Jazz Ensemble
1 Credit
The study and performance of characteristic jazz literature. Membership is by audition. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1181-Steel Drum Band
1 Credit
Studies and performs music specific to the steel drum idiom. Includes music of the Caribbean, especially the island nations Guyana and Trinidad and Tobago. Performances are scheduled throughout the year, both on and off campus. Open to all qualified students. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1191-Brass Ensemble
1 Credit
Studies and performs characteristic brass literature. Open to all qualified students. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1201-Percussion Ensemble
1 Credit
Studies and performs music specific to the varied world of percussion. Includes chamber music performance opportunities for percussion majors. Performances are scheduled throughout the year, on and off campus. Open to all qualified students. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1211-String Ensemble
1 Credit
Ensembles of string instrumentalists for the study and performance of characteristic strings literature. Open to all qualified students. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1221-Woodwind Ensemble
1 Credit
A non-auditioned ensemble for all woodwinds. Open to all students and staff. Performs concerts on-campus. Open to all qualified students. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1231-Athletic Band
1 Credit
Athletic band provides spirited music for sports contests (men’s and women’s basketball games). Open to all students with prior high school instrumental experience. No formal audition required. Offered spring semester. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1241-Composer’s Workshop Ensemble
1 Credit
Rehearses and performs literature for smaller ensembles from the 20th and 21st centuries. Also, significant experimental music from previous centuries. Emphasis on landmark works by major composers of these eras. Open to all qualified students. Offered spring semester. Unlimited repeats permitted. Course Attributes: Fine Arts.

MUSE 1251-Chamber Music
1 Credit
Ensembles which perform without conductor. Chamber music credits fulfill the minor ensemble requirement. Includes standard trios, quartets and quintets for woodwinds, brass and strings as well as mixed ensembles with piano and percussion ensembles. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Fine Arts.

Subject - Applied Music (MUSL)

Individual instruction in applied music is available to music majors and minors, and to some non-majors. Non-majors register for MUSL 0011 classes and take half hour lessons for one credit.

Musical Theatre majors register for MUSL 1111, 1121, 2111, 2121, 3111, 3121 courses, taking half hour lessons for one credit.

First and second-year music majors register for 1211, 1221, 2211, 2221 courses, taking hour lessons for two credits.

Third and fourth year music majors who have passed the Second-Year Applied Music Proficiency Exam (MUSL 2391) register for MUSL 3211, 3221, 4211, 4221 courses, taking hour lessons for two credits (BA and Music Education majors) or three credits (Performance majors). Students are allowed a maximum of five semesters to pass the Second Year Proficiency Exam.

Students must be eligible for upper-level status before admission to the teacher education program or the performance degree program.

Select MUSL catalog numbers are followed by a catalog suffix indicating the discipline to be studied. These catalog numbers are for the following courses:

Applied Lessons for Non-Majors (MUSL 0011)
Applied Lessons for Musical Theatre Majors (MUSL 1111, 1121, 2111, 2121, 3111, 3121)
Applied Lessons for Music Majors (MUSL 1211, 1221, 2211, 2221, 3211, 3221, 4211, 4221)

The chart below indicates the discipline and the corresponding letter suffix.

MUSIC 121
MUSL 0011-Applied Lessons for Non-Majors/Voice
1 Credit
Development of musical skills at all ability levels. Preference for placement in lessons is given to student participating in ONU ensembles. Skills include but are not limited to: repertoire; improvisation; sight-reading; technique; and other skills pertinent to students profession and interest. Formerly APMU 001. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval. Discipline to be studied is indicated by the catalog suffixes listed above.

MUSL 0401-Voice Class for Non-Voice Majors
1 Credit
Introduction to a variety of technical exercises, improvisation and the basic concepts of vocal technique and song interpretation. Offered fall and spring semesters. Unlimited repeats permitted.

MUSL 0421-Piano Class for Non-Music Majors
1 Credit
Applied piano study for non-music majors with various levels of experience. Basic concepts for beginners and advanced concepts for experienced performers, according to individual skill level. One semester required for Musical Theatre majors. Formerly APMU 004. Offered fall and spring semesters. Unlimited repeats permitted.

MUSL 1011-Piano Skills for Music Majors I
1 Credit
Continuing course to develop functional keyboard skills and a working knowledge of piano in the music profession. Skills include: repertoire; pedalizing; harmonizing; sight-reading; vocal/instrumental open score reading; construction and maintenance of the piano; scales; arpeggios; choral warm ups; transpositions including alto and tenor clef; hymns; and improvising using appropriate accompaniment patterns. Limited to Music majors. Offered fall and spring semesters. Course Attributes: Requires Department Approval.

MUSL 1021-Piano Skills for Music Majors II
1 Credit
Continuation of MUSL 1011. Offered fall and spring semesters. Prerequisite(s): MUSL 1011 Minimum Grade of C or APMU 105 Minimum Grade of C. This course may be repeated 3 times. Course Attributes: Requires Department Approval.

MUSL 1111A-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
First-year study in applied voice for Musical Theatre majors. Offered fall and spring semesters.

MUSL 1121A-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
Continuation of MUSL 1111A. Offered fall and spring semesters. Prerequisite(s): MUSL 1111A Minimum Grade of C or APMU 125 Minimum Grade of C.

MUSL 1211-Applied Lessons for Music Majors/Voice
2 Credits
Applied lessons in voice to prepare for the respective proficiency exams and recitals required in the Bachelor of Arts and Bachelor of Music degree programs. Offered fall and spring semesters. Discipline to be studied is indicated by the catalog suffixes listed above.

MUSL 2121-Applied Lessons for Music Majors/Voice
2 Credits
Continuation of MUSL 1211A. Two credits. Offered fall and spring semesters. Prerequisite(s): MUSL 1211A Minimum Grade of C or APMU 121 Minimum Grade of C. Discipline to be studied is indicated by the catalog suffixes listed above.

MUSL 2211-Applied Lessons for Music Majors/Voice
2 Credits
Continuation of MUSL 2121A. Two credits. Offered fall and spring semesters. Prerequisite(s): MUSL 2121A Minimum Grade of C or APMU 225 Minimum Grade of C.

MUSL 2391-First Year Applied Proficiency Exam
0 Credits Grading mode is S/U
Comprehensive juried performance exam on the major applied instrument assessing competency in technique, musicality, sight reading at the appropriate level of literature. Required to register for 2000 level study. Offered fall and spring semesters. This course may be repeated 1 time.

MUSL 3111A-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
Continuation of MUSL 2121A. Formerly APMU 225. Offered fall and spring semesters. Prerequisite(s): MUSL 2121A Minimum Grade of C or APMU 225 Minimum Grade of C.

MUSL 3211-Applied Lessons for Music Majors/Voice
2 to 3 Credits
Continuation of MUSL 2211A. Offered fall and spring semesters. Prerequisite(s): MUSL 2211A Minimum Grade of C or APMU 221 Minimum Grade of C. Discipline to be studied is indicated by the catalog suffixes listed above.

MUSIC

MUSL 1221-Applied Lessons for Music Majors I
1 Credit
Continuation of MUSL 1211A. Offered fall and spring semesters. Prerequisite(s): MUSL 1211A Minimum Grade of C or APMU 105 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Requires Department Approval.

MUSL 2111A-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
Continuation of MUSL 1121A. Offered fall and spring semesters. Prerequisite(s): MUSL 1121A Minimum Grade of C or APMU 125 Minimum Grade of C.

MUSL 2121A-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
Continuation of MUSL 2111A. Offered fall and spring semesters. Prerequisite(s): MUSL 2111A Minimum Grade of C or APMU 225 Minimum Grade of C.

MUSL 2211-Applied Lessons for Music Majors/Voice
2 Credits
Continuation of MUSL 2211A. Offered fall and spring semesters. Prerequisite(s): MUSL 2211A Minimum Grade of C or APMU 221 Minimum Grade of C.

MUSL 2391-Second Year Applied Proficiency Exam
0 Credits Grading mode is S/U
Comprehensive juried performance exam on the major applied instrument assessing competency in technique, musicality, sight reading at the appropriate level of literature. Required to register for 3000 level study. Offered fall and spring semesters. This course may be repeated 1 time.

MUSL 3111-Applied Lessons for Musical Theatre Majors/Voice
1 Credit
Continuation of MUSL 3111A. Formerly APMU 225. Offered fall and spring semesters. Prerequisite(s): MUSL 3111A Minimum Grade of C or APMU 225 Minimum Grade of C.

MUSL 3211-Applied Lessons for Music Majors/Voice
1 Credit
Continuation of MUSL 3211A. Formerly APMU 225. Offered fall and spring semesters. Prerequisite(s): MUSL 3211A Minimum Grade of C or APMU 221 Minimum Grade of C. Discipline to be studied is indicated by the catalog suffixes listed above.
Mission Statement
To address the health care needs and issues within a diverse and changing world, the nursing program at Ohio Northern University provides educational opportunities to a diverse population of qualified students who seek to acquire the knowledge and skills required for the practice of nursing as a Registered Nurse. The program actualizes this mission through integration of critical thinking in theory and practice principles to achieve evidence-based nursing practice inspired by a desire to contribute to the good of humankind. The development of the whole person reflects the emphasis of the university and prepares the student as a life-long learner in pursuit of knowledge and excellence in practice.

Vision Statement
The department is committed to being an exemplary private baccalaureate nursing program grounded in the sciences and liberal arts. Faculty and graduates are poised to become leaders whose actions and voices will transform the health needs of individuals, families and communities worldwide.

Accreditation
The program has Full Approval by the Ohio Board of Nursing (17 South High St., Suite 400, Columbus, OH 43215-7410, 614-466-3947) and is accredited by Commission on Collegiate Nursing Education (One Dupont Circle, NW, Suite 530, Washington, DC 20036-1120, 202-887-6791).

Admission Requirements
1. Meet the general admission requirements of Ohio Northern University.
2. Graduate with a cumulative grade point average (GPA) of 3.30 or higher on a scale of 4.00 from an accredited high school program (or GED).
3. Earn a minimum ACT score of 23 or a composite SAT score of 1070.
4. Before beginning clinical nursing courses pass a criminal background check and drug screening.

Program Requirements
"A student shall not have impairment of the ability to practice according to acceptable and prevailing standards of safe nursing care because of physical or mental disability" (ORC Rule 4723-5-12 (16)).

In accord with this rule and to ensure the safe practice of nursing, all nursing majors must possess the following:
- The ability to see, hear, touch, smell, and distinguish colors;
- The ability to speak and write with accuracy, clarity, and efficiency;
- Manual dexterity (gross and fine movement);
- The ability to learn, think critically, analyze, assess, solve problems, and reach judgments, and;
- Emotional stability and the ability to accept responsibility and accountability.

Students will need to demonstrate satisfactory application of these functions and competencies during their course of study in nursing. Students should consider their ability to demonstrate these functions and competencies when applying for admission to the nursing program of Ohio Northern University.

Students must earn a grade of 'C' or higher in all nursing core courses and all other identified required courses outside of the major in order to remain in the nursing curriculum.

Policy for Progression/Program Completion within the Nursing Major:
All students must meet the following criteria to progress to the next nursing course and complete the nursing program:

Program Progression
- Students must meet and follow the Academic Standing policy of The Getty College of Arts and Sciences and the Department of Nursing;
- A student must receive grade of "C or higher" and a Satisfactory evaluation in the clinical portion of all clinical nursing courses to receive a passing grade in the course, students unsuccessful (D or F) must repeat both sections;
- A letter grade of “C” or above is required as a passing grade (D or F are failing grades) for identified general education courses, all identified other required courses and all nursing courses. Students who do not meet this requirement must repeat deficient coursework with a “C” or better before progressing in the program. No exceptions will be made;
- An accumulation of two (2) failures (D or F) in nursing courses may result in dismissal from the nursing program;
- Students with two failures (D or F) in nursing courses must submit a request for continuation in the nursing program (including self-assessment of reasons for failure and strategies which will increase learning and program success) to the faculty and Chair of the program;
- Students with three failures (D or F) in nursing courses will be dismissed from the program;
- If a student fails a Nursing Core Course (D or F) reentry in that course is based on space availability, and faculty recommendation.
Program Completion

Students must attain the following to meet the requirements for program completion:
- complete every nursing core major requirements, required other courses and general education courses identified in the nursing curriculum;
- all required courses and identified required courses a letter grade of "C" or higher is required;
- maintain good academic standing;
- meet university GPA requirement for graduation
- meet Getty College of Arts and Sciences Bachelor of Science basic and graduation requirements

Grads of the program are eligible to take the National Council Licensure Examination for licensure (NCLEX) as a Registered Nurse.

Nursing Major (120 credit hours)

The 120 credit hours listed above include 51 credit hours in nursing and 69 credit hours of other required courses outside the major.

- NURS 1101 Professional Concepts (1)
- NURS 2101 Physical Assessment (3)
- NURS 2201 Pathophysiology (3)
- NURS 2301 Fundamentals of Nursing (5)
- NURS 2501 Pharmacology (3)
- NURS 3101 Medical Surgical Nursing I (5)
- NURS 3231 Older Adult Nursing (2)
- NURS 3301 Transcultural Healthcare (2)
- NURS 3351 Nursing Research and Informatics (2)
- NURS 3441 Mental Health Nursing (3)
- NURS 3501 Nursing Care of the Developing Child and Family (5)
- NURS 4101 Community Health Nursing (4)
- NURS 4201 Leadership and Management in Nursing (2)
- NURS 4401 Medical Surgical Nursing II (5)
- NURS 4981 Transition to Professional Practice: Nursing Capstone (6)

Other required courses (69 hours)

- BIOL 1101 Principles and Concepts of Human Biology (3)
- BIOL 2151 Microbiology for Nurses (3)
- BIOL 2311 Anatomy and Physiology 1 (3)
- BIOL 2321 Anatomy and Physiology 2 (3)
- BIOL 2531 Nutrition for Nurses (3)
- BIOL 3151 Medical Terminology (1)
- CHEM 1201 Chemistry for the Health Sciences (5)
- ENGL 1221 Writing Seminar (3)
- PSYC 1001 Psychology (3)
- PSYC 2151 Development across the Lifespan (3)
- STAT 1561 Statistics for Professionals 1 (3)
- TREX 1xx1 First Year Transition (3)
- EXDS 2001 Extra-disciplinary Seminar (3)
- XXXX xxx1 Fine art elective (3)
- XXXX xxx1 Humanities electives (9)
- XXXX xxx1 Other electives (15)

Select one:

- CAMS 1301* Presentational Speaking (3)
- CAMS 2311* Interpersonal Communication (3)
- CAMS 2331* Health Communications (3)

*Indicates other required courses outside of the major requiring a grade of ‘C’ or higher.

RN-BSN Nursing Completion Program

The RN-BSN completion program has been developed to meet the needs of the practicing nurse. RNs will transfer into ONU with 72 credit hours based on their diploma and/or associate degree. The program of study is 48 credit hours with a clinical experience in NURS 4251 and NURS 4991. This program is designed to be completed in one calendar year with four 12-week terms. The program is held on-site at local area hospitals.

Admission Requirements

1. Hold an associate or equivalent degree from a regionally accredited institution.
2. Possess a minimum GPA of 2.50 on a 4.00 scale.
3. Possess a current and unrestricted Ohio RN license.
4. Meet the health requirements of the clinical agencies.

Each applicant must submit an RN-BSN application, ONU Financial Aid Form, Informational Form, Computer Account Agreement, and $30.00 application fee. All academic transcripts must be submitted to ONU directly from the institution before admission.

Completion Program Requirements

Students must attain a grade of "C" or higher in all nursing core courses and all other identified required courses outside of the major.

RN-BSN Nursing Completion Program (Non-traditional) Degree (48 credit hours)

The 48 credit hours listed above include 24 hours of nursing courses and 24 credit hours of courses outside the major.

- NURS 3011 Foundations of the Discipline and Science for the Registered Nurse (2)
- NURS 3021 Physical Assessment for the Registered Nurse (3)
- NURS 3051 Leadership & Mgmt in Nursing Care for the Registered Nurse (2)
- NURS 3061 Transcultural Healthcare for the Registered Nurse (2)
- NURS 3221 Pathophysiology for the Registered Nurse (3)
- NURS 4251 Community Health Nursing for the Registered Nurse (4)
- NURS 4751 Transition to Professional Nursing Practice for Registered Nurses: Clinical Capstone (5)

Other required courses (24 hours)

- ENGL xxx1 Literature elective (3)
- or MLNG xxx1 Literature elective (3)
- ENGL 1221* Writing Seminar (3)
- HIST xxx1 History elective (3)
- RELG xxx1 Religion elective (3)
- EXDS xxx1* Extra-disciplinary Seminar (3)
- XXXX xxx1 Fine art elective (3)

Select one:

- CAMS 1301* Presentational Speaking (3)
- CAMS 2311* Interpersonal Communication (3)
- CAMS 2331* Health Communications (3)
- STAT 1561* Statistics for Professionals 1 (3)

* Indicates other required courses outside of the major requiring a grade of ‘C’ grade or higher.

Subject - Nursing (NURS)

(Class Hours+Campus Lab Hours+clinical Hours)

NURS 1101-Professional Concepts

1 Credit

An entry level course that introduces students to concepts, theories and issues relevant to the nursing profession. The dynamics of the evolving role of nursing professional ethics and selected historical events and figures are discussed. Introduces conceptual framework of the nursing curriculum. Offered spring semester. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 1991-Independent Study

1 to 3 Credits

Individual study of a course of interest to, or needed by a student to progress in the nursing curriculum. May be repeated according to the policies of the Department of Nursing. Must be enrolled in one of the following Fields of Study: Nursing.
NURS 2101-Physical Assessment (2+3+0)

3 Credits
Aspects of routine well-adult health assessment and physical examination are presented and demonstrated. Nursing techniques of inspection, palpation, percussion and auscultation are demonstrated and practiced. Emphasis is placed on differentiating normal from abnormal findings. Therapeutic communication techniques and caring behaviors are integrated with assessment skills. A lab fee is charged. Offered fall semester. Prerequisite(s): NURS 1101 Minimum Grade of C and BIOL 2311 Minimum Grade of C and CHEM 1201 Minimum Grade of C. Corequisite(s): BIOL 2321. Concurrency allowed. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Critical and Creative Thinking.

NURS 2201-Pathophysiology

3 Credits
The basis of human diseases and disorders and the interaction of environmental, biological, behavioral, and pharmacologic consequences to the disease process. Microbiological concepts applied to the understanding of normal and pathological body processes. Emphasis on the effects of degenerative, metabolic and neoplastic diseases and disorders occurring in the following body systems: immunologic, nervous, hematologic, cardiovascular, respiratory, endocrine, gastrointestinal, reproductive, skeletal, integumentary and special senses. Offered spring semester. Prerequisite(s): NURS 2101 Minimum Grade of C and (BIOL 2321 Minimum Grade of C or BIOL 232 Minimum Grade of C). Corequisite(s): NURS 2301, NURS 2501. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 2301-Fundamentals of Nursing (2.5+3+6)

5 Credits
Foundation of fundamental nursing skills and related concepts basic to safe clinical practice. Concepts will be applied to nursing care in selected settings. Application of the nursing process for beginning clinical practice will be emphasized. Documentation, use of concept maps, health adaptation, teaching, learning and therapeutic communication are emphasized to promote development of nursing judgment. Basic concepts of drug therapy are introduced. Evidence based practice is explored in the clinical experience. Offered spring semester. Prerequisite(s): NURS 2101 Minimum Grade of C and (BIOL 2321 Minimum Grade of C or BIOL 232 Minimum Grade of C). Corequisite(s): NURS 2201, NURS 2501. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 2501-Pharmacology

3 Credits
Principles of pharmacology including pharmacokinetics, pharmacodynamics, drug interactions, common side effects and the misuse of medications. Selected drug classifications related to the neurological, circulatory, respiratory, endocrine, immune, gastrointestinal and urinary systems and processes. Offered spring semester. Prerequisite(s): NURS 2101 Minimum Grade of C and (BIOL 2321 Minimum Grade of C or BIOL 232 Minimum Grade of C). Corequisite(s): NURS 2201, NURS 2301. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 2991-Independent Study

1 to 3 Credits
Individual study of a course of interest to, or needed by a student to progress in the nursing curriculum. May be repeated according to the policies of the Department of Nursing. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 3011-Foundations of the Discipline for the Registered Nurse

2 Credits
Aspects of historical, philosophical, theoretical and social influences on the science and professional practice of nursing is presented and examined. The conceptual framework of the nursing curriculum is introduced. Offered in first term of program. Corequisite(s): NURS 3021, NURS 3061. Must have one of the following Student Attributes: RN/BSN Completion Program.

NURS 3021-Physical Assessment for the Registered Nurse

3 Credits
Aspects of routine well-adult health assessment and physical examination are presented and demonstrated for the registered nurse student. Nursing techniques of inspection, palpation, percussion and auscultation are demonstrated and practiced. Emphasis is placed on differentiating normal from abnormal findings. Therapeutic communication techniques and caring behaviors are integrated with assessment skills. Offered in first term of program. Corequisite(s): NURS 3011, NURS 3061. Must have one of the following Student Attributes: RN/BSN Completion Program.

NURS 3051-Leadership and Management in Nursing Care for the Registered Nurse

2 Credits
For the professional practice nurse and focuses on leadership and management theory/principles related to contemporary nursing trends and emphasizes practice applications. Emphasis will be placed on the coordination of nursing services and care management in relation to client/patient care, peers, superiors, or subordinates. Offered in second term of program. Prerequisite(s): NURS 3011 Minimum Grade of C and NURS 3021 Minimum Grade of C and NURS 3061 Minimum Grade of C. Corequisite(s): NURS 3221. Must have one of the following Student Attributes: RN/BSN Completion Program.

NURS 3061-Transcultural Healthcare for the Registered Nurse

2 Credits
Course is designed to build upon the Registered Nurses understanding of health beliefs, attitudes, values and practices in relation to health, illness, and health-seeking behaviors of culturally diverse individuals/groups. Cultural assessment will focus on tools, methods, nursing care adaptations. Students apply the nursing process to clients with respect for diversity and individual differences. Critical analysis of issues and trends in international health are discussed. Offered in first term of program. Corequisite(s): NURS 3011, NURS 3021. Must have one of the following Student Attributes: RN/BSN Completion Program. Course Attributes: Diversity-Human Interaction, Integration Across Disciplines.

NURS 3101-Medical Surgical Nursing I (2.5+3+6)

5 Credits
Builds on the concepts of Fundamentals of Nursing. Acquisition and application of nursing knowledge and nursing skills with adult clients and their families who are experiencing acute and chronic health alterations in selected clinical settings. Clinical judgment, nursing process, health adaptation, teaching-learning and therapeutic communication are emphasized. Evidence based practice is integrated into this clinical experience. Offered fall semester. Prerequisite(s): (NURS 2301 Minimum Grade of C or NURS 211 Minimum Grade of C) and (NURS 2201 Minimum Grade of C or NURS 251 Minimum Grade of C) and (NURS 2201 Minimum Grade of C or NURS 221 Minimum Grade of C). Corequisite(s): NURS 3231, NURS 3301. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Scientific and Quantitative Literacy.

NURS 3221-Pathophysiology for the Registered Nurse

3 Credits
Review and further exploration of the basis of human diseases and disorders and the interaction of environmental, biological, behavioral and pharmacological consequences to the disease process. The application of previous nursing knowledge, medical and nursing diagnoses, and interventions will be applied to current and emerging knowledge. Emphasis is placed on the effects of degenerative, metabolic and neoplastic diseases and disorder occurring in the following body systems: immunologic, nervous, hematologic, cardiovascular, respiratory, endocrine, gastrointestinal, reproductive, skeletal, integumentary and special senses. Offered in second term of program. Prerequisite(s): (NURS 3011 Minimum Grade of C and NURS 3021 Minimum Grade of C) and NURS 3051. Must have one of the following Student Attributes: RN/BSN Completion Program.

NURS 3231-Older Adult Nursing

2 Credits
This course applies knowledge and the nursing process in caring for the gerontological population in selected settings and focuses on issues related to the phenomenon of aging. Gerontological nursing models are explored. Exploration of ethical issues related to aging and concepts of research in aging. Evidence based practice is applied. Offered fall semester. Prerequisite(s): (NURS 2301 Minimum Grade of C or NURS 211 Minimum Grade of C) and (NURS 2501 Minimum Grade of C or NURS 251 Minimum Grade of C) and (NURS 2201 Minimum Grade of C or NURS 221 Minimum Grade of C). Corequisite(s): NURS 3101, NURS 3301. Must be enrolled in one of the following Fields of Study: Nursing.
NURS 3301-Transcultural Healthcare
2 Credits
To broaden an understanding and perspective of health and illness of differing sociocultural populations. Transcultural health care will introduce cultural influences which affect an individual's attitude toward institutional health care and the use thereof, and will identify culturally competent nursing interventions for the professional nursing student. Examines culturally based beliefs and values, preventive and therapeutic health practices and caring behaviors in diverse cultural and ethnic groups. Classroom and experimental activities address cultural assessment, awareness and competence. Offered fall semester. Prerequisite(s): NURS 1101 Minimum Grade of C or NURS 141 Minimum Grade of C. Corequisite(s): NURS 3101, NURS 3231. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Diversity-Human Interaction, Integration Across Disciplines.

NURS 3351-Nursing Research and Informatics
2 Credits
Historical developments and methodologies of nursing research as it relates to nursing practice. Development of an understanding of the research process and research proposals. Interpretation of research reports and critiquing research literature. Exploration and examination of computer technology, basic information systems, and the use of cyber technology as it relates to a variety of health care environments and nursing practice. The impact of these technologies on nursing clinical practice, nursing administration, education and research are discussed. Offered spring semester. Prerequisite(s): NURS 3231 Minimum Grade of C and (NURS 3101 Minimum Grade of C or NURS 310 Minimum Grade of C) and (NURS 3301 Minimum Grade of C or NURS 303 Minimum Grade of C) and (STAT 1561 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 142 Minimum Grade of C). Corequisite(s): NURS 3441, NURS 3501. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Scientific and Quantitative Literacy.

NURS 3441-Mental Health Nursing (2+0+4)
3 Credits
The acquisition and application of new knowledge of mental health nursing. The use of the nursing process with clients experiencing mental health alterations in selected care environments. Gain skill and refine therapeutic communication techniques and work with clients and family members in promoting therapeutic interpersonal relationships. Evidence based practice is applied in this clinical experience. Offered spring semester. Prerequisite(s): (NURS 3101 Minimum Grade of C or NURS 310 Minimum Grade of C) and (NURS 3301 Minimum Grade of C or NURS 303 Minimum Grade of C) and NURS 3231 Minimum Grade of C. Corequisite(s): NURS 3351, NURS 3501. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 3501-Nursing Care of the Developing Child and Family (3.5+0+6)
5 Credits
Application and acquisition of knowledge development in the specialty area of maternity and pediatric nursing. Emphasis will be placed on nursing process, teaching/learning and health promotion and health maintenance in these populations. Students will care for clients in a variety of settings. Evidence based practice is applied in this clinical experience. Offered spring semester. Prerequisite(s): NURS 3231 Minimum Grade of C and (NURS 3101 Minimum Grade of C or NURS 310 Minimum Grade of C) and (NURS 3301 Minimum Grade of C or NURS 303 Minimum Grade of C) and (Biol 2151 Minimum Grade of C or BIOL 215 Minimum Grade of C). Corequisite(s): NURS 3351, NURS 3441. Must be enrolled in one of the following Fields of Study: Nursing.

NURS 3801-Topics in Nursing
1 to 4 Credits
The practice and principles of specialized topics in non-acute nursing care. Topics include but are not limited to: oncology, nursing care, end of life nursing care and neurological nursing care. May be repeated as the topic varies. Prerequisite(s): NURS 3101 Minimum Grade of C or NURS 310 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Nursing. Unlimited repeats permitted.

NURS 4101-Community Health Nursing (2.5+0+6)
4 Credits
Nursing care and public health principles for families and communities. Introduction of health care policy. Epidemiology, health promotion and prevention strategies and interventions are presented. Health promotion (primary, secondary, tertiary prevention) is emphasized along with emerging community health issues and nursing interventions. Clinical leadership and management roles are explored. Evidence based practice is integrated into this clinical experience. Offered fall semester. Prerequisite(s): (NURS 3351 Minimum Grade of C or NURS 335 Minimum Grade of C) and (NURS 3501 Minimum Grade of C or NURS 340 Minimum Grade of C or NURS 345 Minimum Grade of C) and (NURS 3001 Minimum Grade of C or NURS 3441 Minimum Grade of C or NURS 324 Minimum Grade of C). Corequisite(s): NURS 4201, NURS 4401. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Informed Ethical Responses.

NURS 4201-Leadership and Management in Nursing
2 Credits
Leadership and management theory/principles for professional nursing practice in key leadership and management areas. Health care policy, finance and regulatory environments are discussed. Current issues and trends (national, state, and local) in nursing and health care illustrate the practical application of leadership/management theory to practice and create a framework to identify, explore and analyze issues. Offered fall semester. Prerequisite(s): (NURS 3351 Minimum Grade of C or NURS 335 Minimum Grade of C) and (NURS 3501 Minimum Grade of C or NURS 340 Minimum Grade of C or NURS 345 Minimum Grade of C) and (NURS 3001 Minimum Grade of C or NURS 3441 Minimum Grade of C or NURS 324 Minimum Grade of C). Corequisite(s): NURS 4101, NURS 4401. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Informed Ethical Responses.

NURS 4251-Community Health Nursing for the Registered Nurse (2.6+0+3.5)
4 Credits
Apply previous nursing knowledge and practice to individuals, families, groups and the practice setting of the community to promote optimal health behaviors. Review nursing care and current public health theories and principles as they relate to families, groups, and communities. Nursing process in public health nursing practice and common health problems encountered in community health nursing are studied. Offered in third term of program. Prerequisite(s): NURS 3221 Minimum Grade of C and NURS 3051 Minimum Grade of C. Corequisite(s): NURS 4751. Must have one of the following Student Attributes: RN/BSN Completion Program. Course Attributes: Informed Ethical Responses.

NURS 4401-Medical Surgical Nursing II (2.5+3+6)
5 Credits
Builds on concepts on previous clinical courses. Emphasizes the role of the Baccalaureate nurse in the care of the adult with acute and chronic illness across the lifespan. This course will combine complex medical surgical topics specific to the adult client. Uses the nursing process, clinical judgment principles and leadership experiences to coordinate and plan care for patients in acute care settings. Evidence based practice is integrated into this clinical experience. Offered fall semester. Prerequisite(s): (NURS 3501 Minimum Grade of C or NURS 340 Minimum Grade of C or NURS 345 Minimum Grade of C) and (NURS 3001 Minimum Grade of C or NURS 3441 Minimum Grade of C or NURS 324 Minimum Grade of C) and (NURS 3351 Minimum Grade of C or NURS 335 Minimum Grade of C) and (Biol 2151 Minimum Grade of C or BIOL 215 Minimum Grade of C). Corequisite(s): NURS 4101, NURS 4201. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Effective Communication Non-Writing.

NURS 4751-Nursing Research and Informatics for the Registered Nurse
3 Credits
Major components of the research process are addressed with a focus on the professional nurse as a consumer of research. Critical thinking skills are emphasized in the analysis of current nursing research. Historical developments and the methodologies of nursing research; and study findings as it relates to patient evaluation and care. Emphasis on developing an understanding of the research process and research proposals. The interpretation of research reports and critiquing research literature to support evidence-based nursing practice is examined. Explore and examine computer technology, basic infor-
ration systems, and the use of cyber technology as it relates to a variety of health care environments and nursing practice. Further discussion regarding the impact of these technologies on nursing clinical practice, nursing administration, education and research will be examined. Offered in third term of program. Prerequisite(s): (NURS 3221 Minimum Grade of C and NURS 3051 Minimum Grade of C) and (STAT 1561 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 142 Minimum Grade of C). Corequisite(s): NURS 4261. Must have one of the following Student Attributes: RN/BSN Completion Program. Course Attributes: Scientific and Quantitative Literacy.

**NURS 4801-Topics in Nursing**  
1 to 4 Credits  
The practice and principles of specialized topics in nursing care in acute settings. Topics to be covered include but are not limited to: emergency/urgent nursing care and ICU nursing care. May be repeated as the topic varies. Prerequisite(s): NURS 4401 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Nursing. Unlimited repeats permitted.

**NURS 4891-Transition to Professional Practice: Nursing Capstone (2.5+0+14)**  
6 Credits  
Students evaluate achievement of graduate outcomes. Integration of theory and practice. Provides direct nursing care and makes clinical judgments based on thorough assessment and evidence based practice. Synthesis of content from previous courses. A scholarly project is required. Offered spring semester. Prerequisite(s): NURS 4101 Minimum Grade of C and NURS 4201 Minimum Grade of C and NURS 4401 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Nursing. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing.

**NURS 4891-Transition to Professional Nursing Practice for Registered Nurses: Clinical Capstone (2.6+0+7)**  
5 Credits  
Integration of theory and practice as in the approach to completion of the nursing major. A clinical area will be selected to carry out nursing activities that promote health potential. Assist in the decision-making process about delivery of nursing care based on a thorough assessment, analysis and exploration of potential consequences while utilizing therapeutic communication. Enhance skills needed to continue with professional role development. Clinical experiences are based on objectives developed with RN preceptor and faculty and may be chosen from a variety of settings. Offered in fourth term of program. Prerequisite(s): NURS 4251 Minimum Grade of C and NURS 4751 Minimum Grade of C. Must have one of the following Student Attributes: RN/BSN Completion Program. Course Attributes: Critical and Creative Thinking, Effective Communication Non-Writing.

**DEPARTMENT OF PHILOSOPHY AND RELIGION**  

**Professors** Katayama (Chair), Person;  
**Associate Professors** Clingerman, Croskery, Dixon, S. Morrison;  
**Assistant Professors** Neely;  
**Lecturers** Belousek, Stauber.

**Mission Statement**  
The mission of the Department of Philosophy and Religion is to help Ohio Northern students think critically, communicate effectively, and appreciate “a lifetime of personal growth inspired by the higher values of truth, beauty, and goodness.” This mission occurs within a curriculum that requires the acquisition of diverse knowledge and the ability to critique the Judeo-Christian tradition and various other religious and philosophical traditions. The minors in religion and philosophy provide all students with opportunities to explore religious and philosophical traditions in more depth and the majors in philosophy, religion, and youth ministry also offer rigorous preparation for students who wish to pursue graduate and professional studies.

**Majors, Minors and Degrees Offered**  
- Philosophy Major (BA)  
- Religion Major  
  - Eastern Concentration (BA)  
  - Western Concentration (BA)  
- Youth Ministry Major (BA)  

**Philosophy Minor**  
**Religion Minor**  

**Special Programs**  
**Pre-law Program**  
The department cooperates with the Pettit College of Law in the “guaranteed admission” pre-law program (see page 20). Information about the curricular requirements of the program can be obtained from the department chair.

**Seminary Preview Program Partnership**  
Ohio Northern University participates in the Methodist Theological Seminary in Ohio’s Seminary Preview Program. Eligible students are able to enroll tuition-free in no more than two courses offered by MTSO. Students in their junior or senior years with a GPA of 3.00 or higher who have taken at least two courses in religion at ONU are eligible. More information is available from the chair of the Department of Philosophy and Religion.

**Pre-seminary Program**  
A faculty member in the department of philosophy and religion serves as advisor to pre-seminary students in planning a preprofessional program. The recommendations of the American Association of Theological Schools are followed in advising students. A major in the department of philosophy and religion or in another appropriate department may be selected.

**Major Course Requirements**  
All required courses in the major must be completed with a grade of ‘C’ or higher.

**Philosophy Major** (30 credit hours)  
Philosophy is a quest for a comprehensive understanding of human existence. The objective of philosophy is to consider the rational justification of logical inferences, human values, criteria for establishing the claims of knowledge and certainty, and interpretations of the nature of reality. The diverse insights of significant philosophers from ancient times to the present contribute resources to stimulate contemporary philosophical thinking in each of these areas. A major in philosophy prepares students generally for careers in areas which require the ability to analyze problems and to think and write clearly. It is an appropriate major for students planning to continue their education for professional careers such as law, medicine, or theology.

- PHIL 3441 Ethical Theory (3)

Select one:  
- PHIL 3401 Metaphysics (3)  
- PHIL 3551 Epistemology (3)

No more than two PHIL courses (6 credit hours) at the 1000-level may count towards the major.

**Religion Major** (30 credit hours)  
Religion is an integral part of human life and culture. It includes the ultimate commitments, attitudes, beliefs and forms of worship by which people live and find meaning for their personal and social existence. The courses in religion are intended to acquaint the student with the living religious traditions through an examination of their origins and development, their interaction with the changing cultural context, and their insights for dealing with the perennial questions of human existence and destiny. The approach to the study is ecumenical and makes use of current scholarly methods of research and findings.

Students majoring in religion must select one of the following concentrations: Eastern or Western. The 30 credit hours listed above include the 12 credit hours required in common plus the additional 18 credit hours required for the concentration.

**PHILOSOPHY AND RELIGION**  
127
Subject - Philosophy (PHIL)

PHIL 1001-Theories of Human Nature
3 Credits
Philosophical inquiry into rival theories of human nature with reference to religion, psychology, and science. Consideration of the various philosophical problems, such as the role of reason, free-will and determinism, the relationship between the individual and the universe/God (as well as society), moral psychology, and gender differences. Course Attributes: Humanities, Diversity-Human Interaction.

PHIL 1011-Plato
3 Credits
Plato’s early to middle dialogues, including the Republic. Course Attributes: Humanities, Informed Ethical Responses.

PHIL 1021-Philosophy of Science
3 Credits
Explores the logical and philosophical foundations that underlie science. Specific issues include: what is the difference between science and pseudo-science, what are scientific explanations, laws and theories, and what are science’s limits? Course Attributes: Humanities, Integration Across Disciplines.

PHIL 1031-Philosophy of Identity
3 Credits
Explores the question of who we are by examining questions related to our social identity, specifically how our identity is affected by attributes such as race, gender, and class and by the societal reaction to those attributes. Course Attributes: Humanities, Diversity-Human Interaction.

PHIL 1041-Philosophy and Film
3 Credits
An exploration of perennial philosophical questions. What is real? What can I know? What is life’s meaning? through classic and modern films and traditional philosophical treatises. Question concerning whether film is an appropriate medium in which to pursue philosophical issues. Course Attributes: Humanities, Diversity-Human Interaction.

PHIL 1051-Ethics, Justice and Law
3 Credits
An exploration of challenging and controversial issues such as euthanasia, the meaning of equality, and the role of religious beliefs in a society with multiple religious traditions, starting with issues at the level of personal ethical beliefs, then moving to broader issues of social justice, and concluding with the role of law in a pluralistic society. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

PHIL 1901-Special Topics in Philosophy
1 to 3 Credits
May be repeated for credit, depending on content. Unlimited repeats permitted.

PHIL 2021-Ancient Philosophy
3 Credits
Greek philosophical traditions against the background of the Pre-Socratics and Socrates, with a special emphasis on Plato and Aristotle. Course Attributes: Humanities, Critical and Creative Thinking, Informed Ethical Responses.

PHIL 2251-Philosophy of Religion
3 Credits
Critical inquiry into issues such as the nature and existence of God, the problem of evil, the significance of religious experience, the justification of religious belief, and the relation of faith and reason. Course Attributes: Humanities, Critical and Creative Thinking, Integration Across Disciplines.

PHIL 2281-Philosophy of Law
3 Credits
Major philosophical theories of law, from legal positivism to originalism. Application to topics such as criminal law, contract law, and constitutional interpretation. Specific applications include but are not limited to: free speech, the insanity defense, and surrogate mother contracts. Course Attributes: Humanities, Informed Ethical Responses.
PHIL 2341-Logic
3 Credits
Logical fallacies and the principles of correct reasoning. The application of formal logical analysis to arguments encountered in ordinary language. Course Attributes: Humanities, Critical and Creative Thinking.

PHIL 2401-Professional Ethics
3 Credits
Major ethical theories and their application to the professions and topics that arise in the professional setting. The nature of professions and responsibilities to clients and the public. Offered fall and spring semesters. Course Attributes: Humanities, Informed Ethical Responses.

PHIL 2431-Asian Philosophies
3 Credits
Asian philosophical traditions on the metaphysical, epistemological, logical, and ethical questions about the universe’s and human beings’ origins, natures and purposes, including the historical origins of these traditions, their development, and interactions. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

PHIL 2901-Special Topics in Philosophy
1 to 3 Credits
May be repeated for credit, depending on content. Unlimited repeats permitted.

PHIL 2971-Independent Study in Philosophy
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Fields of Study: Philosophy. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

PHIL 3101-Environmental Ethics
3 Credits
Theories of value, with special emphasis on the possible justification of extending the moral community to include non-human nature. Foci will include future generations, pollution, the commons, ‘jobs vs. wilderness,’ and legal and moral rights. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Informed Ethical Responses.

PHIL 3201-Political Philosophy
3 Credits
Theories of political philosophy, such as social contract, libertarianism, utilitarianism, feminist, and political liberalism. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

PHIL 3401-Metaphysics
3 Credits
Classical metaphysical questions about human nature and the world, such as the nature of reality, essence, existence, and causation. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Critical and Creative Thinking, Effective Communication Non-Writing.

PHIL 3441-Ethical Theory
3 Credits
Major ethical theories, such as utilitarianism, deontology, and virtue theory. Additional topics, such as ethical egoism, moral realism, and ethical relativism. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Critical and Creative Thinking.

PHIL 3551-Epistemology
3 Credits
Knowledge, its origins, structure, scope, justification and limitations, with reference to such problems as skepticism, realism, sense perception, mental representation, opinion and truth. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities.

PHIL 3901-Special Topics in Philosophy
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Unlimited repeats permitted.

PHIL 4811-Philosophy Senior Essay I
1 Credit
The first stage of the philosophy capstone project: completion of a rough draft of a critical essay on a topic selected in consultation with a faculty advisor. Must be enrolled in one of the following Major fields of study: Philosophy. Course Attributes: Humanities, Critical and Creative Thinking.

PHIL 4911-Philosophy Senior Essay II
2 Credits
The second and final stage of the philosophy capstone project: completion of and presentation of the critical essay begun in PHIL 4811. Prerequisite(s): PHIL 4811 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Philosophy. Course Attributes: Humanities, Effective Communication Non-Writing, Effective Communication Writing.

PHIL 4971-Independent Study in Philosophy
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Fields of Study: Philosophy. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - Religion (RELG)

RELG 1001-Death and Beyond in World Religions
3 Credits
An examination of distinct religious perspectives on individuals’ dying, afterlife, and additional goals beyond the experience of physical death. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

RELG 1011-Encountering the Other
3 Credits
The diversity of religious and cultural worldviews and practices, with primary focus on the phenomenon of ‘otherness,’ or ‘difference,’ and its personal and social ramifications. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

RELG 1021-Christianity and Natural World
3 Credits
Christian theological and ethical responses to nature. Discussion of how Christianity has historically understood the doctrine of creation. The diverse ways that contemporary Christianity interprets the material world Course Attributes: Humanities.

RELG 1031-Religion and Culture
3 Credits
The relationship between religious worldviews and culture, including fine arts, technology, and popular media. Different theological models that can be used to understand how culture challenges and influences religion. Course Attributes: Humanities.

RELG 1041-Women in the Bible
3 Credits
The portrayal of women in the Old and New Testaments with secondary readings of feminist theory. Course Attributes: Humanities, Diversity-Human Interaction, Informed Ethical Responses.

RELG 1051-American Christianity
3 Credits
An introductory survey of the varieties of American Christian religious experience, from Puritanism to mormonism, from evangelicalism to the rise of Pentecostalism/charismatic movement, to newer expressions of the church. Course Attributes: Humanities.

RELG 1071-Religions East and West
3 Credits
Representative major religions of the world, their origins, sacred writings, basic beliefs, and life practices, with special attention to non-Western religious traditions. Course Attributes: Humanities, Diversity-Human Interaction.
RELG 1911-Special Topics in Religion
3 Credits
May be repeated for credit, depending on content. Unlimited repeats permitted. Course Attributes: Humanities.

RELG 2001-Introduction to Old Testament
3 Credits

RELG 2011-Introduction to New Testament
3 Credits

RELG 2021-Islam
3 Credits
The ideas and practices of the Muslim tradition, with emphasis on Islam’s scriptural base, historical development, societal impact, and encounter with the West and with other religious traditions. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

RELG 2031-Eastern Religious Traditions
3 Credits
Major religions of Asia: their origins, sacred writings, basic beliefs, life practices, and, where applicable, presence in the West. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

RELG 2041-Western Religious Traditions
3 Credits
Major Semitic/Western religions: their origins, sacred writings, basic beliefs, life practices, and variations around the world. Course Attributes: Humanities, Diversity-Human Interaction.

RELG 2051-Hinduism
3 Credits
The ideas and practices of the Hindu tradition, with emphasis on historical development, varied literatures, societal influence, and encounters with the contemporary West. Course Attributes: Non Western Cultural, Humanities, Diversity-Human Interaction.

RELG 2061-Issues in Science & Religion
1 Credit
Investigation of the work of a major figure in the contemporary science and religion dialogue. Students are required to attend annual weekend Goshen Conference on Religion and Science, where students will have the opportunity to interact with the author being studied. Fee required. Unlimited repeats permitted. Course Attributes: Integration Across Disciplines.

RELG 2711-Biblical Hebrew 1
0 or 3 Credits
Biblical Hebrew with heavy emphasis on grammar and vocabulary. Course Attributes: Humanities.

RELG 2731-Biblical Hebrew 2
0 or 3 Credits
Biblical Hebrew with an emphasis on grammar and vocabulary as well as readings from the Hebrew Bible. Prerequisite(s): RELG 2711 Minimum Grade of C or RELG 271 Minimum Grade of C. Course Attributes: Humanities.

RELG 2811-Biblical Greek 1
3 Credits
Biblical Greek with heavy emphasis on grammar and vocabulary and readings from the Greek New Testament. Course Attributes: Humanities.

RELG 2831-Biblical Greek 2
3 Credits
Biblical Greek with heavy emphasis on grammar and vocabulary and readings from the Greek New Testament. Prerequisite(s): RELG 2811 Minimum Grade of C or RELG 281 Minimum Grade of C. Course Attributes: Humanities.

RELG 2911-Special Topics in Religion
1 to 3 Credits
May be repeated for credit, depending on content. Unlimited repeats permitted.

RELG 2981-Independent Study in Religion
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Fields of Study: Religion, Youth Ministry. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

RELG 3001-Christian Thought to 1500
3 Credits
Christian history, theology and ethics from the formative period of the Church to the late Middle Ages. Emphasis on the Christian response to cultural settings, efforts to define orthodoxy, philosophers, theologians and mystics. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Critical and Creative Thinking, Effective Communication Writing.

RELG 3011-Christian Thought 1500 to the Present
3 Credits
Christian history, theology and ethics from the Reformation to the present. The rise of confessions, Enlightenment challenges to religion, and representative theologians and issues from the past two centuries. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Critical and Creative Thinking, Effective Communication Non-Writing.

RELG 3021-Buddhism
3 Credits
The ideas and practices of the Buddhist tradition in Asia as well as in the West, with emphasis on the life and teachings of the Buddha and the evolution of extremely diverse forms of Buddhism. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Humanities, Critical and Creative Thinking, Effective Communication Non-Writing.

RELG 3911-Special Topics in Religion
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Unlimited repeats permitted.

RELG 4901-Religion Senior Essay I
1 Credit
The first stage of the capstone project for religion majors and youth ministry majors: completion of an annotated bibliography on a selected topic in consultation with a faculty advisor. Must be enrolled in one of the following Major fields of study: Religion, Youth Ministry. Course Attributes: Humanities, Critical and Creative Thinking.

RELG 4911-Religion Senior Essay II
2 Credits
The second and final stage of the capstone project for religion majors and youth ministry majors: completion of and presentation of the research paper proposed in RELG 4901. Prerequisite(s): RELG 4901 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Religion, Youth Ministry. Course Attributes: Humanities, Effective Communication Non-Writing, Effective Communication Writing.

RELG 4981-Independent Study in Religion
1 to 3 Credits
May be repeated for credit, depending on content. Must be enrolled in one of the following Fields of Study: Religion, Youth Ministry. Unlimited repeats permitted. Course Attributes: Requires Department Approval.
YMIN 0011 – Youth Ministry Observation 1
0 Credits Grading mode is S/U
Observation of and reflection on youth ministry in a congregational setting related to one’s own denominational tradition. Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 0021 – Youth Ministry Observation 2
0 Credits Grading mode is S/U
Observation of and reflection on youth ministry in a congregational setting different from one’s own denominational tradition. Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 0031 – Youth Ministry Observation 3
0 Credits Grading mode is S/U
Observation and reflection on ministry to youth in a culturally, racially, and/or socioeconomically diverse setting. Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 0041 – Internship: Group Reflection
0 Credits Grading mode is S/U
Group reflection on issues pertaining to students’ internships. Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 2531 – Youth Ministry Issues and Settings
3 Credits
Exploration of various settings for youth ministry, including weekly youth meetings, camps, mission trips, Sunday School, and community service. Offered alternate years. Prerequisite(s): (YMIN 001 or YMIN 0011) and (YMIN 002 or YMIN 0021) and (YMIN 003 or YMIN 0031). Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 2901 – Special Topics in Youth Ministries
1 to 3 Credits
May be repeated for credit depending on course content. Must be enrolled in one of the following Fields of Study: Youth Ministry. Unlimited repeats permitted.

YMIN 2991 – Independent Study in Youth Ministries
1 to 3 Credits
May be repeated for credit depending on course content. Must be enrolled in one of the following Fields of Study: Youth Ministry. Unlimited repeats permitted.

YMIN 4101 – Youth Ministry Internship
1 to 3 Credits
Internship in youth ministry in various possible settings: congregation, camp, mission trip, etc. Each credit hour requires 45 hours of practicum experience. Prerequisite(s): (YMIN 001 Minimum Grade of C or YMIN 0011 Minimum Grade of C) and (YMIN 002 Minimum Grade of C or YMIN 0021 Minimum Grade of C) and (YMIN 003 Minimum Grade of C or YMIN 0031 Minimum Grade of C). Corequisite(s): YMIN 0041. Must be enrolled in one of the following Fields of Study: Youth Ministry. This course is repeatable for a total of 6 hours.

YMIN 4531 – Principles of Christian Education
3 Credits
The philosophy, theory, and current methods of Christian education. The relationship of Christian education to other areas of ministry (e.g., worship). Offered alternate years. Prerequisite(s): (YMIN 2531 Minimum Grade of C or YMIN 253 Minimum Grade of C) and (YMIN 4101 Minimum Grade of C or YMIN 410 Minimum Grade of C). Must be enrolled in one of the following Fields of Study: Youth Ministry.

YMIN 4991 – Independent Study in Youth Ministries
1 to 3 Credits
May be repeated for credit depending on course content. Must be enrolled in one of the following Fields of Study: Youth Ministry. Unlimited repeats permitted. Course Attributes: Requires Department Approval.
Minor Course Requirements

All courses required for a minor must be completed with a grade of ‘C’ or higher.

Astronomy Minor (22 credit hours)

PHYS 1051 Planetary Astronomy (3)
PHYS 1061 Stars and Galaxies (3)
PHYS 1081 Planetary Astronomy Laboratory (1)
PHYS 1091 Stars and Galaxies Laboratory (1)
PHYS 2111 Planetary Astronomy Laboratory (3)
PHYS 2121 Modern Physics (3)
PHYS 3471 Introductory Astrophysics (3)

Physics Minor (20 credit hours)

PHYS 2111 Planetary Astronomy (3)
PHYS 2121 Modern Physics (3)
PHYS 2341 Physics Laboratory 1 (1)
PHYS 2351 Physics Laboratory 2 (1)
PHYS 2361 Modern Physics (3)
PHYS 3xx1 Elective (3)
PHYS 3xx1 Elective (3)
PHYS 3xx1 Elective (3)

Teacher Licensure in Physics

This option is available to students majoring in physics (54 credit hours)

Chem 1711 General Chemistry 1 (5)
Chem 1721 General Chemistry 2 (5)
Biol 1311 Biology 1: Cells and Molecules (4)
EDUC 1151 Culture and Schooling (3)

EDUC 4721 Student Teaching/AYA (12)

Specified general education courses

CAMS 1311 Communication in the Classroom (3)
PSYC 1001 Psychology (3)
PSYC 2171 Adolescent Psychology (3)

Subject - Physics (PHYS)

PHYS 0001-Orientation

1 Credit Grading mode is S/U

Familiarization with the department, requirements for majors, planning a program of courses. Required of department majors. Offered fall semester.

PHYS 1001-Conceptual Physics

3 Credits

Issues involving science and society, classical physics, relativity, atomic and nuclear physics. Students may not receive credit for PHYS 1001 after completion of either PHYS 2121 or 2321. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

PHYS 1031-Exploring Physics and Astronomy

3 Credits

The course will take a detailed look at important historical and cultural perspectives on astronomy. Qualitative and quantitative study of physics used in art including the Fibonacci sequence, the golden ratio and fractal art. Course Attributes: Math\Natural Sciences.

PHYS 1051-Planetary Astronomy

3 Credits

Introduction to solar system science, history of astronomy, telescopes, basic earth science. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.
PHYS 1061-Stars and Galaxies  
3 Credits  
Structure, motions and evolution of stars, interstellar material, galaxies and the universe as a whole. Course Attributes: Math\Natural Sciences, Scientific and Quantitative Literacy.

PHYS 1081-Planetary Astronomy Laboratory  
1 Credit  
Laboratory and mathematical companion to PHYS 1051.

PHYS 1091-Stars and Galaxies Laboratory  
1 Credit  
Laboratory and mathematical companion to PHYS 1061.

PHYS 1901-Special Topics in Physics  
1 to 3 Credits  
This course may be repeated 4 times. This course is repeatable for a total of 6 hours.

PHYS 1911-Special Topics in Summer Honors Institute  
1 to 3 Credits  
Topics in Physics. Enrollment is restricted to attendees of the Summer Honors Institute. May be repeated as the topic varies. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

PHYS 2051-Physics with Health Science Applications  
3 Credits  
Selected basic physical principles and their application to health science. Topics include levers and torques, fluid dynamics, electrical conduction, magnetism, optics, and radiation. Course Attributes: Math\Natural Sciences.

PHYS 2111-General Physics 1  
3 Credits  
Classic Newtonian mechanics. Oscillatory motion. Thermodynamics. Algebra and trigonometry used. The corresponding laboratory is PHYS 2341. Offered fall semester. Course Attributes: Math\Natural Sciences.

PHYS 2121-General Physics 2  
3 Credits  
Electric and magnetic phenomena. Waves, sound, and optics. Algebra and trigonometry are used. The corresponding laboratory is PHYS 2351. Offered spring semester. Prerequisite(s): PHYS 2111 or PHYS 2311 or PHYS 211 or PHYS 231. Course Attributes: Math\Natural Sciences.

PHYS 2311-Physics 1  
3 Credits  
Classic Newtonian mechanics. Oscillatory motion. Thermodynamics. Differential and integral calculus are used. The corresponding laboratory is PHYS 2341. Offered fall and spring semesters. Prerequisite(s): MATH 1611 or MATH 1631 or MATH 157 or MATH 163. Course Attributes: Math\Natural Sciences.

PHYS 2321-Physics 2  
3 Credits  
Electric and magnetic phenomena. Waves, sound, and optics. Differential and integral calculus are used. The corresponding laboratory is PHYS 2351. Offered fall and spring semesters. Prerequisite(s): PHYS 2311 or PHYS 231 or PHYS 231. Course Attributes: Math\Natural Sciences.

PHYS 2341-Physics Laboratory 1  
1 Credit  
Experiments in Newtonian mechanics. Oscillatory motion. Thermodynamics. PHYS 2111 or 2311 should be taken concurrently, or instructor’s permission must be obtained. Offered fall and spring semesters.

PHYS 2351-Physics Laboratory 2  
1 Credit  
Experiments in electricity and magnetism, and optics. PHYS 2121 or 2321 should be taken concurrently, or instructor’s permission must be obtained. Offered fall and spring semesters.

PHYS 2901-Special Topics in Physics  
1 to 3 Credits  
This course may be repeated 4 times. This course is repeatable for a total of 6 hours.

PHYS 2931-Independent Study  
1 to 3 Credits  
Individual study of topics in physics. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

PHYS 3011-Advanced Physics Research Lab  
2 Credits  
Statistical analysis of data and error propagation. Linear and non-linear curve fitting. Design and construction of scientific apparatus. Signal conditioning. Optical techniques. Vacuum systems. Research and scholarship ethics. Offered alternate spring semesters. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Effective Communication Non-Writing, Informed Ethical Responses.

PHYS 3051-Modern Physics  
3 Credits  
General and special relativity, quantum and wave mechanics, atomic and nuclear physics. Offered spring semester. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math\Natural Sciences, Integration Across Disciplines.

PHYS 3111-Nuclear Physics  
3 Credits  
Nuclear structure, nuclear reactions, nuclear constituents, fundamentals of nuclear reactor theory and design, shielding and safety principles in nuclear physics. Offered alternate spring semesters. Course Attributes: Math\Natural Sciences.

PHYS 3411-Optics  
3 Credits  
Elements of geometrical optics; wave optics: interference, diffraction, polarization; Fourier optics; basics of coherence theory and properties of lasers; holography: theory and actual exposure of various types of holograms. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math\Natural Sciences, Informed Responses-Aesthetics.

PHYS 3451-Math Methods  
3 Credits  
Mathematics applied to solving physical problems in electricity and magnetism, mechanics, quantum mechanics, optics. Vector analysis: gradient, divergence, curl; tensor analysis; determinants and matrices: eigenvalues and eigenvectors, diagonalization; series solutions of differential equations: Legendre equation, Hermite polynomials; Fourier series and transform. Offered alternate fall semesters. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math\Natural Sciences.

PHYS 3471-Introductory Astrophysics  
3 Credits  
Physical nature of planets, stars, galaxies and the universe as a whole. Particle and wave properties of light and matter, the Bohr atom, and astronomical instrumentation. Offered alternate years. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math\Natural Sciences.

PHYS 3511-Solid State  
3 Credits  
Basic elements of the physics of solids: the crystalline structure; thermal and electrical conductivity; semiconductors; magnetic properties of solids; superconductivity. Prerequisite(s): PHYS 3051 or PHYS 303. Course Attributes: Math\Natural Sciences.
PHYS 3531—Statistical Mechanics
3 Credits

PHYS 3551—Electronics
3 Credits
Theory of solid state devices, rectifier circuits, transistor amplifiers, oscillators and modulators, instrumentation applications. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math/Natural Sciences.

PHYS 3571—Computational Physics
3 Credits
Methods and problems in computational physics. Prerequisite(s): (PHYS 3451 or PHYS 346) and (ECCS 4611 or ECCS 461). Course Attributes: Humanities.

PHYS 3731—Analytical Mechanics
3 Credits
Vector analysis, kinematics, conservative forces, planetary motion, pendulum, free and forced oscillations, coupled systems and normal coordinates, angular momentum, rigid bodies. Offered alternate fall semesters. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math/Natural Sciences.

PHYS 3751—Quantum Mechanics
3 Credits
The mathematical language of quantum mechanics; the postulates of quantum mechanics; the one-dimensional Schrodinger equation; the three-dimensional Schrodinger equation; the hydrogen atom; angular momentum; the interpretation of quantum mechanics. Offered alternate fall semesters. Prerequisite(s): PHYS 2121 or PHYS 2321 or PHYS 213 or PHYS 233. Course Attributes: Math/Natural Sciences.

PHYS 3901—Special Topics in Physics
1 to 3 Credits
This course may be repeated 4 times. This course is repeatable for a total of 6 hours.

PHYS 3951—Independent Research
1 to 2 Credits Grading mode is S/U
This course may be repeated 4 times. This course is repeatable for a total of 8 hours.

PHYS 4111—Electricity and Magnetism 1
3 Credits
Electrostatic field theory, capacitance, multipole expansion, dielectric properties of matter; magnetic field theory; electromagnetic induction; magnetic properties of matter; Maxwell’s equations and electromagnetic waves. Offered alternate fall semesters. Prerequisite(s): PHYS 2321 or PHYS 233. Course Attributes: Math/Natural Sciences.

PHYS 4121—Electricity and Magnetism 2
3 Credits
Advanced electric and magnetic fields; electric and magnetic properties of solids, electromagnetic radiation. Offered alternate spring semesters. Prerequisite(s): PHYS 4111 or PHYS 411. Course Attributes: Math/Natural Sciences.

PHYS 4151—Plasma Physics
3 Credits

PHYS 4901—Special Topics in Physics
1 to 3 Credits
Part of the Physics major program and offered when needed. This course may be repeated 4 times. This course is repeatable for a total of 6 hours.

PHYS 4931—Independent Study
1 to 3 Credits
Individual study of topics in physics. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

PHYS 4951—Senior Thesis Seminar
2 Credits
Written and oral presentation of the complete Capstone Research Project. The Research Project is written in the format of a scientific manuscript and presented during a formal seminar. This course will be the culmination of the Capstone experience. Prerequisite(s): PHYS 3951 or PHYS 396. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

PHYS 4971—Independent Research
1 to 3 Credits Grading mode is S/U
Part of the Physics major program and offered when needed. This course may be repeated 4 times. This course is repeatable for a total of 8 hours.

DEPARTMENT OF PSYCHOLOGY, SOCIOLOGY AND CRIMINAL JUSTICE

Professors Cohoe, Durkin; Associate Professors Carrothers (Chair), Payment; Assistant Professors Johnson, Kilgallon, Kraynak, Zoladz; Visiting Instructor Brooks.

Mission Statement
The mission of the Department of Psychology, Sociology, and Criminal Justice is to provide students with an intellectual foundation in the theories that explain human behavior under both normal and abnormal conditions and clarify how pre-existing patterns of behavior shape human interaction. Students are taught to critically evaluate, theoretically analyze, and scientifically produce research findings about everyday life.

Majors, Minors and Degrees Offered
Criminal Justice Major (BA)
Forensic Science Option (BA)
Psychology Major
Behavioral Neuroscience Concentration (BS)
Clinical and Counseling Psychology Concentration (BA, BS)
General Psychology Concentration (BA, BS)
Sociology Major
General Sociology Concentration (BA)
Social Services Administration Concentration (BA)
Criminal Justice Minor
Psychology Minor
Sociology Minor

Special Programs
Honorary and Organizations
Alpha Kappa Delta is the international honor society in sociology, founded in 1920. Membership in Alpha Kappa Delta is limited to those students with superior scholarship and serious interest in sociology who meet the criteria for membership. Alpha Kappa Delta derives its name from the first letters of three Greek words, which, when translated freely, express both the goal and the method of Alpha Kappa Delta: “To study humankind for the purpose of service.”

 Psi Chi, the international honor society in psychology, was founded in 1929 for the purpose of encouraging, stimulating and maintaining excellence in scholarship and advancing the science of psychology. Membership in the society is selective and based on high academic performance.
PSYCHOLOGY, SOCIOLOGY, AND CRIMINAL JUSTICE

Complete two departmentally approved, major-appropriate courses from:

- STAT 1561
- SOC 1051
- PSYC 1001
- PLSC 3011 State and Local Politics (3)
- ISR 2541
- GEOG 2481

**Other required courses**

**Behavioral Science Concentration (29 credit hours)**

The behavioral science concentration is designed to prepare students for graduate study in physiological psychology, behavioral neuroscience, or neuropsychology.

- Complete the following five courses:
  - PSYC 3151 Learning and Behavior with Lab (4)
  - PSYC 3251 Cognitive Psychology with Lab (4)
  - PSYC 3301 Sensation and Perception with Lab (4)
  - PSYC 3351 Physiological Psychology with Lab (4)
  - PSYC 4351 Psychopharmacology (3)

**Forensic Science Option (33 credit hours)**

Only criminal justice majors may declare the forensic science option. Every course required for this option must be completed with a grade of "C" or higher.

- BIOL 1311 Biology 1: Cells and Molecules (4)
- BIOL 1321 Biology 2: Form and Function (4)
- BIOL 2101 Genetics (4)
- BIOL 2171 Molecular Biology (3)
- BIOL 2191 Forensic Biology 1 (4)
- BIOL 2311 Anatomy and Physiology 1 (3)
- BIOL 2591 Forensic Crime Scene Investigation (4)
- BIOL 3521 Integrated Cell and Molecular Biology Laboratory (2)
- CHEM 1201 Chemistry - Health Sciences (5)

**Psychology Major (39-42 credit hours)**

Psychology majors must complete one of three concentrations: behavioral neuroscience, clinical and counseling psychology, or general psychology. Each concentration has been designed to prepare students for graduate study in general psychology or specific subfields within the discipline. The 39-42 credit hours listed below include 16 credit hours of common courses plus 29 credit hours for the behavioral neuroscience concentration, 30 credit hours for the clinical and counseling psychology concentration, and 27 credit hours for the general psychology concentration.

**Other required courses**

- BIOL 1201 Introductory Biology (4) - for General Psychology and Clinical Counseling
- or
- BIOL 1311 Biology 1: Cells and Molecules (4) - for Behavioral Neuroscience

**Developmental Aspects of Psychology**

- PSYC 2161 Child Psychology (3)
- PSYC 2171 Adolescent Psychology (3)

**Clinical and Social Aspects of Psychology**

- PSYC 3011 Social Psychology (3)
- PSYC 3111 Psychology of Personality (3)
- PSYC 4201 Abnormal Psychology (3)
Clinical and Counseling Psychology Concentration (30 credit hours)
The clinical and counseling psychology concentration is designed to prepare students for immediate entry into the workforce or graduate study in clinical or counseling psychology.

Complete the following five courses:
- PSYC 2301 Introduction to Counseling (3)
- PSYC 3111 Psychopathology (3)
- PSYC 3121 Psychological Assessment (3)
- PSYC 4201 Abnormal Psychology (3)
- PSYC 4351 Psychopharmacology (3)

Complete at least one elective from each of the following three categories:
- Physiological Aspects of Psychology:
  - PSYC 3301 Sensation and Perception with Lab (4)
  - PSYC 3351 Physiological Psychology with Lab (4)
- Cognitive Aspects of Psychology:
  - PSYC 3151 Learning and Behavior with Lab (4)
  - PSYC 3251 Cognitive Psychology with Lab (4)
- Developmental Aspects of Psychology:
  - PSYC 2161 Child Psychology (3)
  - PSYC 2171 Adolescent Psychology (3)

General Psychology Concentration (27 credit hours)
The general psychology concentration is designed to prepare students for immediate entry into the workforce or graduate study in most subspecialties of experimental psychology.

Complete three (3) three-credit Psychology electives (PSYC) at the 2000-, 3000-, or 4000-level (9 credits).

Complete at least one elective from each of the following four categories:
- Physiological Aspects of Psychology:
  - PSYC 3301 Sensation and Perception with Lab (4)
  - PSYC 3351 Physiological Psychology with Lab (4)
- Cognitive Aspects of Psychology:
  - PSYC 3151 Learning and Behavior with Lab (4)
  - PSYC 3251 Cognitive Psychology with Lab (4)
- Developmental Aspects of Psychology:
  - PSYC 2161 Child Psychology (3)
  - PSYC 2171 Adolescent Psychology (3)
- Clinical and Social Aspects of Psychology:
  - PSYC 3011 Social Psychology (3)
  - PSYC 3111 Psychology of Personality (3)
  - PSYC 4201 Abnormal Psychology (3)

Sociology Major (37 credit hours)
Sociology majors must complete a core set of courses covering research methodology, data analysis, and sociological theory as well as a series of elective courses covering areas such as criminology, social psychology, social stratification, and medical sociology. These degree requirements prepare students for graduate work in sociology and related fields, as well as entry into the job market.

Sociology majors will enroll in either the general sociology concentration or the social services administration concentration.

General Sociology Concentration (37-40 credit hours)
The general sociology concentration is designed to prepare students for immediate entry into the workforce or graduate study by providing a broad survey of the discipline.

- SOC 1001 Introduction to Sociology (3)
- SOC 2xx1-4xx1 Sociology electives (3)
- SOC 2xx1-4xx1 Sociology electives (3)
- SOC 2xx1-4xx1 Sociology electives (3)
- SOC 2xx1-4xx1 Sociology electives (3)

Students will take four (4) of the following sociology courses
If a student declares the SSA later in the academic career, no adjustments will be made to the SSA curriculum. If a student decides, upon completion of the SSA requirements at ONU, that they do not wish to complete the MSSA, they do not wish to complete their graduate work at CWRU, or is not accepted by CWRU for graduate study, the student will transition to the general sociology concentration and complete the degree requirements as established. If a student is unable to complete the MSSA program at CWRU, a review of the coursework finished at CWRU will be completed to determine if the student has completed appropriate requirements for an ONU degree. The student may be required to return to ONU to complete degree requirements for the general sociology concentration.

Students will select two (2) of the following psychology courses
- PSYC 2161/2171 Child Psychology or Adolescent Psychology (3)
- PSYC 2301 Introduction to Counseling (3)
- PSYC 2101 Motivation and Emotion (3)
- PSYC 2201 Health Psychology (3)
- PSYC 2261 Human Sexual Behavior (3)
- PSYC 3011 Social Psychology (3)
- PSYC 3121 Psychological Assessment (3)

Minor Course Requirements
All courses required for a minor must be completed with a grade of ‘C’ or higher.
Psychology Minor (19 credit hours)
PSYC 1001 Psychology (3)
PSYC 2xx1-4xx1 Psychology electives (3)
PSYC 2xx1-4xx1 Psychology electives (3)

Complete at least one elective from each of the following three categories:
Cognitive and Physiological Aspects of Psychology:
PSYC 3151 Learning and Behavior with Lab (4)
PSYC 3251 Cognitive Psychology with Lab (4)
PSYC 3301 Sensation and Perception with Lab (4)
PSYC 3351 Physiological Psychology with Lab (4)

Developmental Aspects of Psychology:
PSYC 2161 Child Psychology (3)
PSYC 2171 Adolescent Psychology (3)

Clinical and Social Aspects of Psychology:
PSYC 3011 Social Psychology (3)
PSYC 3111 Psychology of Personality (3)
PSYC 4201 Abnormal Psychology (3)

Sociology Minor (28 credit hours)
SOC 1001 Introduction to Sociology (3)
SOC 2xx1-4xx1 Sociology electives (3)
SOC 2xx1-4xx1 Sociology electives (3)
SOC 2xx1-4xx1 Sociology electives (3)
SOC 4461 Classical Sociological Theory (3)

Other required courses
ISR 2531 Research Methods (3)
ISR 2541 Data Analysis (4)
STAT 1561 Statistics For Professionals 1 (3)

Notes:
1 Development across the Lifespan (PSYC 2151) is designed for non-psychology majors. Psychology majors who are interested in developmental psychology should take courses within the developmental sequence (PSYC 2161, PSYC 2171). Students taking PSYC 2151 should not take PSYC 2161 or PSYC 2171 and vice-versa.

2 Students may take an unlimited number of PSYC 4261 and 4271 credits. However, a maximum of 3 of these credits may be used as the equivalent of a psychology elective, and only 9 credits from these courses can be applied toward graduation.

3 Students may take an unlimited number of SOC 4811, 4881, 4891 and 4981 credits. However, a maximum of 3 of these credits may be used as the equivalent of a sociology elective, and only 9 credits from these courses can be applied toward graduation.

4 The capstone requirement will be filled by work done in the SOC 4461 and 4471 courses.
CJ 3561-Juvenile Justice
3 Credits

CJ 3601-Criminal Investigation
3 Credits

CJ 3901-Special Topics In Criminal Justice
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

CJ 4011-The Death Penalty
3 Credits

CJ 4101-Criminal Behavior
3 Credits
Use of the descriptions and explanations that criminals themselves provide to understand how people become criminals. The roles that social and peer groups, social environment, and learning play in the process. Theoretical and policy implications of criminal behavior. Course Attributes: Social Science, Diversity-Human Interaction.

CJ 4111-Serial Killers
3 Credits
The historical origins of the concept of serial killers. The methods, motives, and psychological background of American serial killers. The culture of serial killers. Theories to explain serial killing. The concept and application of profiling. Course Attributes: Social Science.

CJ 4121-Domestic Violence
3 Credits

CJ 4211-Crime And The Media
3 Credits

CJ 4621-Issues In Criminal Justice
3 Credits
Intensive study of selected topics related to criminal justice. May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

CJ 4711-Public Service Internship Program
1 to 15 Credits
Field experience in the area of public service. Student works in a close relationship with public offices and officials or approved private agencies and firms. Student must enroll in at least 1 credit hour of Public Service Internship per internship experience. A full time Public Service Internship requires 600 hours of on-site work. Student may apply up to 15 credit hours of departmental internship to the BA degree. Consultation with the department internship committee and completion of the application process; 2.75 GPA. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 15 hours.

CJ 4721-Seminar -The Washington Center Seminar
3 Credits
Course Attributes: Social Science, Requires Department Approval.

CJ 4901-Special Topics In Criminal Justice
3 Credits
May be repeated as topic varies. Formerly PLSC 490. Unlimited repeats permitted. Course Attributes: Social Science.

CJ 4941-Seminar In Criminal Justice
3 Credits
May be repeated as topic varies. Unlimited repeats permitted. Course Attributes: Social Science.

CJ 4961-Independent Study In Criminal Justice
1 to 3 Credits
Unlimited repeats permitted. Course Attributes: Requires Department Approval.

CJ 4981-Senior Thesis 1
1 Credit
Topic selection and development of bibliography and outline for senior thesis under the direction of a departmental faculty member. First part of departmental Capstone course for majors in Criminal Justice. Required of all Criminal Justice majors. Enrollment at least two semesters before the semester of expected graduation. Formerly PLSC 488. Prerequisite(s): (ISR 2531 Minimum Grade of C or ISR 253 Minimum Grade of C) and (ISR 2541 Minimum Grade of C or ISR 254 Minimum Grade of C). Must be enrolled in one of the following Fields of Study: Criminal Justice. Must be enrolled in one of the following Classifications: Junior, Senior.

CJ 4991-Senior Thesis 2
2 Credits
Completion of senior thesis under the direction of a departmental faculty member and a second reader. Second part of departmental Capstone course for majors in Criminal Justice. Required of all Criminal Justice majors. Enrollment at least one semester before the semester of expected graduation. Prerequisite(s): CJ 4981 Minimum Grade of C or PLSC 488 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Criminal Justice. Must be enrolled in one of the following Classifications: Junior, Senior.

Subject - Psychology (PSYC)

PSYC 1001-Psychology
3 Credits
Introduction to the scientific approach to understanding human behavior and mental processes. Topics may include human development, learning and memory, personality, social and environmental factors, biological aspects of behavior, the experience of emotion and psychological disorders. Offered fall and spring semesters. Course Attributes: Social Science, Critical and Creative Thinking.

PSYC 2101-Motivation and Emotion
3 Credits
Examination of how motivational factors, including emotion, affect the behavior of human and non-human organisms. Theoretical and empirical evidence addressing the biological, behavioral and mental events that trigger and direct behavior will be covered. Offered alternate fall semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science, Effective Communication Writing, Integration Across Disciplines.
PSYC 2151-Development across the Lifespan
3 Credits
Basic theories in human development from conception through old age using a biopsychosocial model; contemporary research at each age level. Offered fall and spring semesters. May not be enrolled in one of the following Major fields of study: Psychology. Course Attributes: Social Science, Critical and Creative Thinking.

PSYC 2161-Child Psychology
3 Credits
Survey of the basic theories and research relative to human growth and development from conception through late childhood with an emphasis on the physiological, cognitive, socioemotional and cultural changes associated with human life. Offered spring semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 2171-Adolescent Psychology
3 Credits
Survey of the basic theories and research relative to human growth and development from preadolescence through young adulthood with an emphasis on the physiological, cognitive, socioemotional and cultural changes associated with human life. Offered fall semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 2201-Health Psychology
3 Credits
Examination health using a bio-psycho-social model and investigation of the relation between psychology, health-promoting behaviors, wellness, sickness, and the health care system. Offered alternate spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science, Integration Across Disciplines.

PSYC 2261-Human Sexual Behavior
3 Credits
Use of research literature in an attempt to provide an understanding of what is known (as well as what is not known) about the major facets of human sexual behavior. Offered spring semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 2301-Introduction to Counseling
3 Credits
Discusses the basic skills involved in the counseling relationship, including attending, client observation, paraphrasing, summarization, confrontation, and reflection of feeling; explores basic skills and emphasizes skill development as well as counseling theory. Offered fall semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 2401-Statistics for the Behavioral Sciences
3 Credits
Provides an introduction to statistical methods in the behavioral sciences and stresses understanding when and why certain statistical procedures are used. Topics include descriptive and inferential statistics, including measures of central tendency and dispersion, correlation, hypothesis testing, t-tests, analysis of variance, and chi square. This course may be used to fulfill a math/stat distributional requirement. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Psychology. Course Attributes: Social Science, Scientific and Quantitative Literacy.

PSYC 2901-Special Topics in Psychology
3 Credits
Coverage of special topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 2921-Topics in Psychology
3 Credits
Coverage of topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 3011-Social Psychology
3 Credits
The effects of social and cultural forces upon the individual. The nature and development of attitudes, languages, cognitive processes. Individual and group projects illustrative of the methodology of social psychology. Offered fall semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3111-Psychology of Personality
3 Credits
The major theories of personality from Freud to contemporary theoretical approaches. Offered alternate fall semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3121-Psychological Assessment
3 Credits
Psychological measurement and evaluation in the areas of intelligence tests, tests of separate abilities, and personality inventories. Experience will be gained in test administration, scoring and interpretation. Offered spring semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Social Science.

PSYC 3151-Learning and Behavior with Lab
4 Credits
The major theories and empirical issues related to common forms of learning, such as classical and instrumental conditioning. Current research in learning is covered on both the human and non-human animal level. Laboratory component involves application of learning principles to modify the behavior of organisms. Offered fall semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3201-Psychology and the Law
3 Credits
A review of the role of the psychologist in civil commitment procedures, the insanity defense, patient’s rights, the determination of competency and testifying as an expert witness. An examination of significant course cases involving psychology and the law, research in the areas of jury selection, eye witness testimony and psychologists' licensing procedures. Offered alternate fall semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3211-Psychological Assessment
4 Credits
The major theories and empirical issues related to common forms of learning, such as classical and instrumental conditioning. Current research in learning is covered on both the human and non-human animal level. Laboratory component involves application of learning principles to modify the behavior of organisms. Offered fall semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3251-Cognitive Psychology with Lab
4 Credits
An introduction to the complex system of mental abilities. Theoretical and empirical approaches to the role of pattern recognition, attention, memory, problem-solving and decision making in human thinking will be explored. Laboratory component involves participation in experiments designed to facilitate student understanding of cognition phenomena. Offered spring semester. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.
PSYC 3301 - Sensation and Perception with Lab
3 Credits
A laboratory course on the senses and perception. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3351 - Physiological Psychology with Lab
4 Credits
A laboratory course on the physiological basis of behavior. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3401 - Experimental Psychology with Lab
4 Credits
A laboratory course on the logic of experimental research and the application of the methods of science to the study of behavior. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C or BIOL 1201 Minimum Grade of C or BIOL 121 Minimum Grade of C or BIOL 1311 Minimum Grade of C. Course Attributes: Social Science.

PSYC 3901 - Special Topics in Psychology
3 Credits
Coverage of special topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 3921 - Topics in Psychology
3 Credits
Coverage of topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 4201 - Abnormal Psychology
3 Credits
A field experience in the area of psychology. Only 3 practicum credits may be applied to the major. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. This course may be repeated 1 time.

PSYC 4271 - Research Practicum in Psychology
1 to 12 Credits
A research experience in the field of psychology supervised by a faculty member. Only 3 research practicum credits may be applied to the major. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted.

PSYC 4281 - Teaching Practicum in Psychology
4 Credits
A mentoring experience in conducting undergraduate psychology laboratories. Practicum students work with a supervising professor in preparation and presentation of instruction and laboratory exercises and providing feedback to students. Ethical, organizational and practical issues will be discussed. Only 3 practicum credits may be applied to the major. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Social Science.

PSYC 4351 - Psychopharmacology
3 Credits
Coverage of special topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 4901 - Topics in Psychology
3 Credits
Coverage of topics in psychology. This course may be repeated as topic changes. Offered fall and spring semesters. Prerequisite(s): PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Social Science.

PSYC 4921 - Senior Capstone in Psychology I
1 Credit
Use of developed skills in the field of psychology to prepare students for graduate studies in psychology or careers in psychology. Students will be exposed to the Psychology GRE subject test, graduate school interview process, preparation of a curriculum vitae, preparation of a personal statement, reviewing psychological journal articles, and preparation of literature review or experimental study proposal. Offered fall semester. Prerequisite(s): (PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C) and (PSYC 3401 Minimum Grade of C or PSYC 341 Minimum Grade of C). Must be enrolled in one of the following Classifications: Senior. Course Attributes: Effective Communication Writing.

PSYC 4961 - Senior Capstone in Psychology II
1 Credit
Continuation of PSYC 4951. Offered spring semester. Prerequisite(s): (PSYC 1001 Minimum Grade of C or PSYC 100 Minimum Grade of C) and (PSYC 3401 Minimum Grade of C or PSYC 341 Minimum Grade of C) and (PSYC 4951 Minimum Grade of C or PSYC 495 Minimum Grade of C). Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking.

PSYC 4971 - Independent Study in Psychology
1 to 4 Credits
Offered fall and spring semesters. This course may be repeated 1 time.
### Subject - Sociology (SOC)

**SOC 1001-Introduction to Sociology**

- **Credits:** 3
- **Description:** The basic phenomena and processes of social life: culture, socialization, deviance, social institutions (family, economy, education, religion, military), bureaucratization, collective behavior, social inequality, race, ethnicity, class, gender, and sexuality. Analysis of the interplay between the person and social groups. Offered fall and spring semesters. Course Attributes: Social Science, Diversity-Human Interaction.

**SOC 2301-Sociology of Religion**

- **Credits:** 3
- **Description:** Survey of the sociological study of religion as a social institution within a social system. Trends and patterns of individual, group, and organizational religious behavior are assessed using critical and empirical analysis, sociological theories, ideas and concepts. Offered alternate spring semesters. Course Attributes: Social Science, Integration Across Disciplines.

**SOC 2401-Sociology of the Family**

- **Credits:** 3
- **Description:** Historical, cross cultural, and analytical study of family with emphasis on ideology and the effects of social structures and agencies on family composition and roles. Offered spring semester. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science, Critical and Creative Thinking.

**SOC 2431-Deviant Behavior**

- **Credits:** 3
- **Description:** Sociological perspectives on the processes of individual and group deviance. An examination of how deviant behavior is defined, how the definitions are maintained, and how the violators are processed. Theory and research regarding specific classes of deviants are explored, and current public policy issues concerning deviants are discussed. Offered alternate fall semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science.

**SOC 2501-Cultural Anthropology**

- **Credits:** 3
- **Description:** The major concepts and principles of cultural anthropology, emphasizing the understanding of the total configuration and interrelationships of culture traits, complexes, and social relationships in a particular geographic environment and historical context. Offered fall and spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Non Western Cultural, Social Science, Diversity-Human Interaction.

**SOC 2601-Social Problems**

- **Credits:** 3
- **Description:** Sociological perspectives on contemporary problems and the process by which these issues come to be socially constructed as problems. Offered alternate spring semesters. Course Attributes: Social Science, Informed Ethical Responses.

**SOC 2611-Criminology**

- **Credits:** 3
- **Description:** The nature and extent of crime, development of criminological theory, major forms of criminal behavior, and society’s attempts at prevention and control of crime. The major perspectives, issues and diverse concerns that characterize contemporary criminology are presented. Offered fall semester. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science.

**SOC 2631-Victimology**

- **Credits:** 3
- **Description:** The history of victimology, patterns of victimization, the role of the victim in crime, the victim in the criminal justice system (including jury perceptions of victims), victim assistance programs, and victim/offender reconciliation programs. Offered alternate fall semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science.

**SOC 2901-Special Topics**

- **Credits:** 3
- **Description:** Coverage of topics in sociology. Offered fall and spring semesters. Unlimited repeats permitted.

**SOC 3461-Social Stratification**

- **Credits:** 3
- **Description:** The origins, institutionalization and change of class, status, prestige, power, and other forms of social inequality with attention to the effects of stratification on the individual. Offered alternate fall semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science, Diversity-Human Interaction.

**SOC 3471-Race, Class, and Gender**

- **Credits:** 3
- **Description:** Analysis of the structural interplay and social ramifications of race, social class, and gender. The course focuses on power relationships, intra and intergroup conflict, and minority relations. Offered alternate spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science, Diversity-Human Interaction.

**SOC 3481-Sociology of Health and Health Care**

- **Credits:** 3
- **Description:** This course introduces students to the social dimensions of health, illness, and health care. The sociology of health and health care, often referred to as medical sociology, examines a broad range of topics relevant to those in many fields of study. These topics include the social distribution of disease, social stress, health and illness behaviors, medical professions, the doctor-patient relationship, and health care systems. Offered alternate fall semesters. Course Attributes: Social Science.

**SOC 3491-Sociology of Mental Health and Illness**

- **Credits:** 3
- **Description:** Sociological perspectives on the definition, causes, patterning, and responses to mental health and illness. Topics include sociological (versus psychological or biological) theories of mental health and illness, the stress process, and the differential distribution of mental health and illness by race/ethnicity, gender, socioeconomic status, age, and marital status. Also covers the labeling or social construction of mental illness, as well as how society and various social institutions respond to those in need of treatment. Offered alternate spring semesters. Course Attributes: Social Science.

**SOC 3501-Self and Identity**

- **Credits:** 3
- **Description:** The theories of and research done on the self, self-concept, and identities in humans from both sociological and psychological perspectives. Offered alternate fall semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science.

**SOC 3551-Advanced Data Analysis**

- **Credits:** 3
- **Description:** Multivariate statistical procedures, including measures of association for nominal and ordinal variables as well as correlation. Simple, multiple and logistic regression. Cleaning data, and construction of and evaluation of measurement scales. Involves the use of statistical software. Prerequisite(s): ISR 2541 Minimum Grade of C or ISR 254 Minimum Grade of C or PSYC 2401 Minimum Grade of C or PSYC 142 Minimum Grade of C or STAT 156 Minimum Grade of C or STAT 1311 Minimum Grade of C. Course Attributes: Social Science.

**SOC 3611-Delinquency & Juvenile Justice**

- **Credits:** 3
- **Description:** An analysis of competing theoretical approaches to the causes of delinquent behavior, and the study of the prevention, treatment, and control of delinquency. Procedures and major contemporary issues in Juvenile Justice are addressed. Offered alternate fall semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Course Attributes: Social Science.
SOC 3621-Occupational Crime & Deviance
3 Credits
The various forms of criminal and deviant behavior that occur in the occupational context. A discussion of the nature, extent, consequences, and strategies to control this behavior. Major theoretical perspectives on occupational crime and deviance are considered. Topics covered include: white-collar crime, organized crime, employee theft, career criminality, and workplace violence. Offered alternate spring semesters. Course Attributes: Social Science.

SOC 3631-Sociology of Substance Abuse
3 Credits

SOC 3901-Special Topics in Sociology
3 Credits
Coverage of topics in sociology. Offered fall and spring semesters. Unlimited repeats permitted.

SOC 4461-Classical Sociological Theory
3 Credits
Traces sociological theorizing from sociology's historical origins. Major theorists covered include Marx, Durkheim, Weber, Simmel, and Chicago School sociologists. Emphasis on building an understanding of the roots of contemporary social theory. Senior status. Offered fall semester. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Social Science, Critical and Creative Thinking, Effective Communication Writing.

SOC 4471-Contemporary Sociological Theory
3 Credits
The major sociological theories developed since 1950. An examination of the critical debates in contemporary social theory. Senior status. Offered spring semester. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Social Science, Critical and Creative Thinking, Effective Communication Writing.

SOC 4811-Sociology Internship
1 to 12 Credits
Supervised field placement which involves work experience related to sociology or criminal justice or work experience on a specified external research project. Only 3 internship hours may be applied to the major. Offered fall and spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Requires Department Approval.

SOC 4821-Research Practicum in Sociology
1 to 12 Credits
A research experience in the field of sociology supervised by a faculty member. Only 3 research practicum credits may be applied to the major. Offered fall and spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. This course is repeatable for a total of 3 hours. Course Attributes: Requires Department Approval.

SOC 4831-Teaching Practicum in Sociology
1 to 12 Credits
A mentoring experience in instruction of undergraduates. Practicum students work with a supervising professor in preparation and presentation of instruction and course exercises and providing feedback to students. Ethical, organizational, and practical issues will be discussed. Only 3 practicum credits may be applied to the major. Offered fall and spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. This course is repeatable for a total of 3 hours. Course Attributes: Requires Department Approval.

SOC 4881-Senior Capstone Research 1
1 Credit
Development of research project or question, literature review, and outline of research project directed by faculty advisor. Capstone Research does not count toward Sociology elective hours. Senior status, sociology primary major, and permission of advisor. Offered fall and spring semesters. Prerequisite(s): SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C. Corequisite(s): SOC 4461. Must be enrolled in one of the following Classifications: Senior.

SOC 4891-Senior Capstone Research 2
2 Credits
Research design, data collection, data analysis, and writing of the research paper directed by faculty advisor. Capstone Research does not count toward Sociology elective hours. Offered fall and spring semesters. Prerequisite(s): (SOC 4881 Minimum Grade of C or SOC 488 Minimum Grade of C) and (SOC 1001 Minimum Grade of C or SOC 105 Minimum Grade of C). Corequisite(s): SOC 4471. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Social Science.

SOC 4981-Independent Study in Sociology
1 to 4 Credits
Offered fall and spring semesters. Course Attributes: Requires Department Approval.

DEPARTMENT OF TECHNOLOGICAL STUDIES

Mission Statement
The mission of the Department of Technological Studies is to graduate leaders that pursue lifelong learning and possess a high degree of technological literacy and the ability to implement and manage emerging technologies to benefit the world.

Overview Statement
The course work comprising the curriculum in the Department of Technological Studies is designed to prepare students for careers in professional and technical fields throughout industry and education. Classroom activities feature application-oriented experiences that reinforce the theory presented in lecture and readings to provide broad, foundational experiences in cutting edge technologies and applied sciences. Course work and associated laboratory assignments place emphasis on researching, designing, experimenting, fabricating, and managing.

Accreditation
The Construction Management and Manufacturing Technology programs are accredited by the Association for Technology, Management, and Applied Engineering (ATMAE).

The Technology Education major and teacher licensure program is accredited by the Council for the Accreditation of Educator Preparation (CAEP).

Majors, Minors and Degrees Offered
Construction Management Major (BS)
Manufacturing Technology Major
Applied Robotics Concentration (BS)
Manufacturing Management Concentration (BS)
Technology Education Major (BS)
Technology Systems Minor

Certification and Licensure Offered
The department provides opportunities for students to gain certifications in the following: ATMAE Manufacturing Specialist, Construction, MS Office software related, and other software related certifications, as appropriate.

Students majoring in technology education pursue the following teaching licensure: Career-Technical Technology Education Licensure (grades 4-12).
Admission Requirements
Students desiring teacher licensure must meet the requirements for admission into the Center for Teacher Education. See page 67 for details.

In addition, the department has established articulation programs with several area community and technical colleges. All transfer students must complete a minimum of 18 hours of 3000-level or above TECH courses at Ohio Northern University. Consult the department chair for more details.

Special Programs
Tours of Industries
The department has developed an extensive program of field work involving tours to relevant industries both regionally and internationally. Students are required to participate in at least one tour-of-industry class. The department will periodically take the tour of industries to study abroad locations.

Internships and Cooperative Experiences
The department offers two different work experience programs. The first is a one-semester internship (TECH 4841) designed to give the student a 15 week real-world experience, which is completed during the normal four-year program. The other is a five-year co-op program in which the student enrolls in TECH 3801 (Professional Practice) and completes at least two semesters of work experience, usually with the same company. No other courses can be taken while on a co-op experience. Participation in intercollegiate athletic teams is prohibited while on a co-op experience. Once the experience is begun, it can be terminated by the participant, the department, the university, or the employer for any reason. Co-op employers must meet the requirements of the department and the university. Requirements of the co-op program are provided in the TECH 3801 course description and details are available in the department office.

Organized Professional Activities
Students are given opportunities and are expected to participate in a variety of organized professional activities with professional student organizations such as the Society of Manufacturing Engineers (SME); the International Technology and Engineering Educator’s Association (ITEEA); Association of Technology, Management, and Applied Engineering (ATMAE); and the ONU Construction Management Association (ONUCMA).

Major Course Requirements
All required courses in major subject area (TECH) must be completed with a grade of ‘D’ or higher. All required courses outside of the major subject area must be completed with a grade of ‘C’ or higher. All required courses are listed for several area community and technical colleges. All transfer students must complete a minimum of 18 hours of 3000-level or above TECH courses at Ohio Northern University. Consult the department chair for more details.

Construction Management Major (82-92 credit hours)
TECH 1001 Technology and Society (3)
TECH 1201 Introduction to CAD (3)
TECH 1301 Materials Science (3)
TECH 1601 Fundamentals of Electronics (3)
TECH 2211 Construction Design (4)
TECH 2301 Materials and Processes (3)
TECH 2501 Construction Materials and Methods (4)
TECH 2701 Fluid and Mechanical Systems (3)
TECH 3251 Construction Specifications and Methods (3)
TECH 3421 Database Management and Applications (3)
TECH 3511 Applied Soils and Foundations (3)
TECH 3611 Applied Controls 1 (4)
TECH 4521 Construction Estimating and Scheduling (3)
TECH 4961 Tour of Industries (1)
TECH 4991 Senior Capstone (1)
TECH xxx1 Technical elective (3)
TECH xxx1 Technical elective (3)

Complete one (capstone experience)
TECH 3801 Professional Practice in Technological Studies (1)
TECH 4841 Internship (12)

Other required courses
BIZ 2131 Legal Environment for Business Planning (3)
BIZ 2331 Behavioral Management for Business Planning (3)
CE 2011 Surveying (3)
CE 4141 Project Management (3)
MATH/STAT Three courses of math or statistics at MATH 1251 or higher (9)
MGMT 3631 Human Resource Management (3)
PHYS/CHEM Physics 1001 (3), CHEM 1001 (3)

Manufacturing Technology Major (78-82 credit hours)
TECH 1001 Technology and Society (3)
TECH 1201 Introduction to CAD (3)
TECH 1301 Materials Science (3)
TECH 1601 Fundamentals of Electronics (3)
TECH 1621 Visual Basic (3)
TECH 2231 Product Design and Analysis (4)
TECH 2301 Materials and Processes (3)
TECH 2401 Computer Networking (3)
TECH 2701 Fluid and Mechanical Systems (3)
TECH 3421 Database Management and Applications (3)
TECH 3611 Applied Controls 1 (4)
TECH 3631 Applied Controls 2 (3)
TECH 4961 Tour of Industries (1)
TECH 4991 Senior Capstone (1)
TECH xxx1 Technical elective (3)
TECH xxx1 Technical elective (3)

Applied Robotics Concentration (35 credit hours)
TECH 4121 Manufacturing Management (4)
TECH 4621 Programming in Embedded Systems (4)
TECH 4341 Advanced Robotics 1 (capstone) (2)
TECH 4351 Advanced Robotics 2 (capstone) (2)
ENGR 2131 Statics (3)
ENGR 2231 Strength of Materials (3)

Other required courses
MATH 1631 Calculus 1 (4)
MATH 1641 Calculus 2 (4)
STAT 1311 Intro to Statistics (3)
PHYS 2311 Physics 1 (3)
CHEM 1001 Chemistry (3)

Manufacturing Management Concentration (33 credit hours)
TECH 3211 Digital Manufacturing (3)
TECH 3221 Manufacturing Simulation (3)
TECH 4111 Product Manufacturing (4)
TECH 4121 Manufacturing Management (4)
TECH 4341 Advanced Robotics 1 (capstone) (2)
TECH 4351 Advanced Robotics 2 (capstone) (2)

Other required courses
CHEM/PHYS CHEM 1001 (3), Physics 1001 (3)

Technology Education Major (92 credit hours)
TECH 1001 Technology and Society (3)
TECH 1201 Introduction to CAD (3)
TECH 1301 Materials Science (3)
TECH 1421 Web Design (3)
TECH 1601 Fundamentals of Electronics (3)
TECH 2211 Construction Design (4)
TECH 2301 Materials and Processes (3)
TECH 2401 Computer Networking (3)
TECH 2501 Construction Materials and Methods (4)
TECH 2701 Fluid and Mechanical Systems (3)
TECH 3611 Applied Controls 1 (4)
TECH 4111 Product Manufacturing (4)
TECH 4961 Tour of Industries (1)
TECH 4991 Senior Capstone (1)
TECH xxx1 Technical elective (3)
TECH xxx1 Technical elective (3)

Other required courses
MATH/STAT Three courses of math or statistics at MATH 1251 or higher (9)

Manufacturing Management Concentration (33 credit hours)
TECH 3211 Digital Manufacturing (3)
TECH 3221 Manufacturing Simulation (3)
TECH 4111 Product Manufacturing (4)
TECH 4121 Manufacturing Management (4)
TECH 4341 Advanced Robotics 1 (capstone) (2)
TECH 4351 Advanced Robotics 2 (capstone) (2)

Other required courses
CHEM/PHYS CHEM 1001 (3), Physics 1001 (3)

Technology Education Major (92 credit hours)
TECH 1001 Technology and Society (3)
TECH 1201 Introduction to CAD (3)
TECH 1301 Materials Science (3)
TECH 1421 Web Design (3)
TECH 1601 Fundamentals of Electronics (3)
TECH 2211 Construction Design (4)
TECH 2301 Materials and Processes (3)
TECH 2401 Computer Networking (3)
TECH 2501 Construction Materials and Methods (4)
TECH 2701 Fluid and Mechanical Systems (3)
TECH 3611 Applied Controls 1 (4)
TECH 4111 Product Manufacturing (4)
TECH 4961 Tour of Industries (1)
TECH 4991 Senior Capstone (1)
TECH xxx1 Technical elective (3)
TECH xxx1 Technical elective (3)

Other required courses
MATH/STAT Three courses of math or statistics at MATH 1251 or higher (9)
Required education courses
EDUC 1151 Culture and Schooling (3)
EDUC 1501 Five-day Field Experience I (1)
EDUC 1521 Five-day Field Experience II (1)
EDUC 2101 Exceptional Learners (3)
EDUC 2681 Curriculum and Assessment (3)
EDUC 3041 Strategies for Technology Education (3)
EDUC 3451 Literacy Across the Content Areas AYA/MA (3)
EDUC 4581 Organization and Methods for Technology Education (3)
EDUC 4451 Leadership Seminar in Education (3)
EDUC 4701 Student Teaching – EC/MC (6)
EDUC 4721 Student Teaching – AYA (6)

Other required courses
PSYC 1001 Psychology (3)
PSYC 2171 Adolescent Psychology (3)
CAMS 1311 Communication in the Classroom (3)

Notes:
Students must be admitted to teacher education to take 3000-level and above education (EDUC) courses.
Students must have 160 hours of course related field experience.
Graduates of the program must attain a passing score on Praxis II for Teacher Licensure.
Admission to teacher education requires at least a 2.50 accumulative GPA.

Minor Course Requirements
All courses required for a minor must be completed with a grade of 'C' or higher.

Technology Systems Minor (18 credit hours)
Students from all disciplines are encouraged to use courses from the Department of Technological Studies as a corollary to their major. This will permit students to use technology custom-made to meet individual needs and interests. Any student interested in the technology systems minor should contact the department to obtain a proposal form that the student completes to indicate personal objectives to be met with the minor plus a list of intended courses for the minor.

TECH 1001 Technology and Society (3)
TECH 2231 Technology and Society (3)
TECH 3691 Technology elective (3)
TECH 4451 Leadership Seminar in Education (3)
EDUC 1521 Student Teaching – EC/MC (6)
EDUC 1521 Student Teaching – AYA (6)

Notes:
Technical electives taken for the minor may not be part of a student’s major program of study and require department approval. Specific courses used to fulfill the requirements of the minor must be proposed to the Department of Technological Studies prior to declaring the minor.

Subject - Technology (TECH)

TECH 1001-Technology and Society
3 Credits
An overview of the development and design of technical systems in society, their impact throughout history, and procedures for making choices of appropriate technology to apply in the future. Lab activities and investigations utilized to reinforce concepts. Offered fall semester. Course Attributes: Critical and Creative Thinking, Informed Ethical Responses.

TECH 1201-Intro to Computer Aided Design
3 Credits
Graphic representation using the personal computer. Attention will be placed on the standards of the technical graphics field and the graphic illustration and visualization techniques as applied to CAD software. Develop proficient use of CAD software for solid modeling and orthographic projection, sections, auxiliary views, file conversion, and size description. Offered spring semester.

TECH 1301-Materials Science
3 Credits
An investigation into major industrial materials and their properties using industry standard testing formulas and equipment. The conversion of raw materials via extraction, refining, and processing into consumer products. An emphasis on safety, metallurgy, nondestructive testing, destructive testing and material processing will be applied. Offered fall semester.

TECH 1401-Intro to Information Systems
3 Credits
Fundamental computer literacy skills in Windows environment. Basic computer terminologies. Productivity software applications such as word processing, spreadsheets, database and presentation tools with an emphasis on organizing, accessing, managing and presenting data for personal and professional communication. Course Attributes: Effective Communication Non-Writing.

TECH 1421-Web Design
3 Credits
The development of computing skills focusing on web site design. Site structure, site planning, multimedia authoring, and the use of computer peripherals. Developing web sites using XHTML, DHTML, CSS, and web authoring software applications. Designing web based computer graphics and publishing web sites to the WWW. Offered fall and spring semesters. Course Attributes: Diversity-Human Interaction.

TECH 1601-Fundamentals of Electronics
3 Credits
The fundamentals of alternating and direct current will be explored in the context of changing technological advances. Basic electrical circuits and electronic components will be studied and utilized in the laboratory. MATH 1401 or above required. Offered fall and spring semesters. ACT Math 21 or (MATH 1251 Minimum Grade of C or MATH 120 Minimum Grade of C) or (MATH 1401 Minimum Grade of C or MATH 131 Minimum Grade of C or MATH 1561 Minimum Grade of C or (MATH 1611 Minimum Grade of C or MATH 157 Minimum Grade of C) or (MATH 1631 Minimum Grade of C or MATH 163 Minimum Grade of C) or (MATH 1641 Minimum Grade of C or MATH 165 Minimum Grade of C). Course Attributes: Scientific and Quantitative Literacy.

TECH 1621-Visual Basic
3 Credits
An introduction to computer programming and application development using Visual Basic. Computer lab activities and assignments emphasize the development of programs for various technology applications, including the use of text files and graphics.

TECH 1901-Special Topics in Technology
1 to 3 Credits
May be repeated as the topic varies. Unlimited repeats permitted.

TECH 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in the Technology field. Enrollment is restricted to attendees of the Summer Honors Institute. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval, Technological Studies.

TECH 2211-Construction Design
4 Credits
Pre-construction planning, scheduling, design, engineering and layout. Residential and commercial construction principles, print reading, architectural details, plot surveying and layout, scheduling, creation of architectural working drawings and introductory cost estimating using the latest software and technology available. Offered spring semester. Prerequisite(s): TECH 1201 Minimum Grade of C or TECH 120 Minimum Grade of C. Course Attributes: Informed Responses-Aesthetics.

TECH 2231-Product Design and Analysis
4 Credits
Technical sketching, product design processes and the components/variables of good design. Use of CAD solids modeling software to create part models and assemblies. Product designs will be designed and analyzed for manufacturability, performance, and potential for profitability for a company. Oral presentations, patent searches, and prototype development. Offered fall semester. Prerequisite(s): TECH 1201 Minimum Grade of C or TECH 120 Minimum Grade of C.
TECH 2301-Materials and Processes
3 Credits
Materials and processes involved in machining and fabricating of consumer products. Machining technologies include traditional and nontraditional material removal equipment, tooling and processes. Fabrication operations include welding, fastening and adhesives. Offered spring semester.

TECH 2311-Custom Woodworking
3 Credits
Basic processes, tools, and materials employed in the production of custom, individually designed, and crafted wood projects. Offered summers. This course is repeatable for a total of 6 hours.

TECH 2401-Computer Networking
3 Credits
Introduction to network terminologies, infrastructure (wired topologies), network functions and models of internet. Description of the OSI and TCP/IP layered models. Overview of applications and services of Application, Network, Data Link and Physical Layers. Simulation of LAN topology, configuration of routers and switches, implementation of cable selection and IP addressing schemes. Offered fall and spring semesters.

TECH 2501-Construction Materials & Methods
4 Credits
Basic concepts of construction techniques used today; including the methods and materials involved in framing, enclosing, and finishing residential and light commercial buildings. Financing, contracting, procuring, safety planning, supervising, site-operation, foundation, structural elements, utilities, landscaping and personnel associated with construction activities. Offered fall semester.

TECH 2701-Fluid and Mechanical Systems
3 Credits
Concepts of fluid power transmission, mechanical applications, and its control. Methods of maintaining, troubleshooting, and repairing energy conversion and transmission devices. Hydraulic and pneumatic power concepts, components, and their symbols. Control techniques experienced with hardware, and simulated with software based PLC ladder logic that is used in fluid and mechanical systems. Offered fall semester.

TECH 2901-Special Topics
1 to 3 Credits
May be repeated as the topic varies. Unlimited repeats permitted.

TECH 2971-Independent Study
1 to 4 Credits
Individual study of a topic of particular interest to the student in Technological Studies. May be repeated as the topic varies. Must be enrolled in one of the following Fields of Study: Construction Management, Manufacturing Technology, Technology, Technology Education. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

TECH 3211-Digital Manufacturing
3 Credits
Design of mechanical parts and products for manufacturing using 3D solid/parametric CAD modeling. Applications of computer simulations for analysis of assembly processes, ergonomics and robotics production improvements. Overview of digital manufacturing technologies, product data and product life-cycle management systems. Prerequisite(s): TECH 2231 Minimum Grade of C or TECH 223 Minimum Grade of C.

TECH 3221-Manufacturing Simulation
3 Credits
Apply sophisticated computer simulation software for analysis of manufacturing operations and processes. Use server-based and cloud-computing applications to permit secure data sharing and collaborations in company partnerships. Team project with a local industrial company utilizing manufacturing simulation and data management applications. Prerequisite(s): TECH 2501 Minimum Grade of C.

TECH 3251-Construction Specifications and Methods
3 Credits
This course is designed to provide knowledge of construction documents and contracts as they relate to a residential and commercial construction project. The student will understand the documentation process from pre design to post design phases of construction through the interpretation of a set of construction documents including contracts, specifications in CSI master format, working drawings, regulatory codes, and any sustainability concepts that apply. Prerequisite(s): TECH 2501 and TECH 2211.

TECH 3411-Wide Area Networking
3 Credits
The equipment and procedures for selecting hardware and configuring networking equipment and control software for network communication. Overview of WAN protocols, routing protocols, network management, and physical connections. Offered spring semester. Prerequisite(s): TECH 2401 Minimum Grade of C or TECH 240 Minimum Grade of C.

TECH 3421-Database Management and Applications
3 Credits
Comprehensive introduction to database concepts, design and applications. Database terminologies, relational database, database models, data normalization, and Structured Query Language (SQL). Constructing and maintaining of databases and objects in databases. Implementation of data sharing in applications. Offered fall and spring semesters.

TECH 3461-Digital Photography
3 Credits
Techniques of digital photographic composition, camera types, uses and accessories, photographic optics, Photoshop software applications, special effects, image formats, media types, equipment and accessory use, laboratory methods, materials for the collection and manipulation of digital images, and methods of processing. Reference to, and experiences of chemical photography and the shift to digital photographic methods. Offered fall and spring semesters. Course Attributes: Informed Responses-Aesthetics.

TECH 3511-Applications of Soils and Foundations
3 Credits
Principles of soil mechanics as it relates to general construction and foundation systems including footings, piles, caissons, cofferdams, structural concrete, concrete emplacements and other substances. Includes applications of properties of soils, soil exploration, compaction, water in soil, consolidation and settlement, soil strength, foundation design, and slope stability. Offered spring semester. Prerequisite(s): TECH 2501 Minimum Grade of C or TECH 350 Minimum Grade of C. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

TECH 3611-Applied Controls 1
4 Credits
Combinational digital logic and logic design will lay down a framework from which programmable logic controllers are presented. The concepts of inputs, outputs, relay logic and ladder logic will be addressed. Industrial robots will also be introduced and on-line programming will include tasks such as pick and place, finish application, and robot integration. Offered fall semester. Prerequisite(s): TECH 1601 Minimum Grade of C or TECH 281 Minimum Grade of C.

TECH 3631-Applied Controls 2
3 Credits
A further investigation into automation systems dealing with automated manufacturing practices in CNC machines, PLCs, vision systems, RFID, and industrial robotics. Activities include such things as automated handling and processing of materials using conveyors, positioners/workholders, industrial robots, and CNC machines. Computer Integrated Manufacturing techniques including technologies such as sensing, vision, automated product identification, and storage and retrieval. Offered spring semester. Prerequisite(s): TECH 3611 Minimum Grade of C or TECH 332 Minimum Grade of C.
TECH 3801-Professional Practice in Technological Studies
1 Credit Grading mode is S/U
Study and professional experience in a technological studies related occupation in an industrial enterprise, consulting firm, or governmental agency. Daily reports, midterm and final report on the assignment and employer's evaluation are required. Minimum 2.50 accumulative GPA. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. This course is repeatable for a total of 4 hours.

TECH 3901-Special Topics
1 to 3 Credits
May be repeated as the topic varies. Unlimited repeats permitted.

TECH 4111-Product Manufacturing
4 Credits
Application of operations management principles and practices in the manufacture of various types of products into consumer products. Creation, management, and dissolution of a simulated company to produce and sell a tangible product. Emphasis on process design, material handling, organization of work, division of labor, distribution and sales practices relating to mass production industries. Offered fall semester. Prerequisite(s): (TECH 2301 Minimum Grade of C and TECH 2231 Minimum Grade of C) or (TECH 230 Minimum Grade of C and TECH 223 Minimum Grade of C) or (TECH 2301 Minimum Grade of C and TECH 223 Minimum Grade of C) or (TECH 2231 Minimum Grade of C and TECH 230 Minimum Grade of C) or (BIZ 233 Minimum Grade of C or BIZ 2331 Minimum Grade of C or MGMT 333 Minimum Grade of C).

TECH 4121-Manufacturing Management
4 Credits
Manufacturing management principles and applications applied in mass production industries. Includes safety, process planning and design, quality assurance, maintenance, materials handling, inventory and production control, lean manufacturing, and globalization. Quality topics include Statistical Process Control, TQM, Six Sigma, and ISO/QS/TS quality systems. Work measurement topics include methods engineering and traditional time studies. Prerequisite(s): TECH 4111 Minimum Grade of C or TECH 232 Minimum Grade of C or BIZ 233 Minimum Grade of C or BIZ 2331 Minimum Grade of C or MGMT 333 Minimum Grade of C.

TECH 4341-Advanced Robotics 1
2 Credits
The first half of a two course capstone sequence. An advanced investigation of robotics and automated equipment. Topics of investigation will include robot and automated system design, construction, programming and troubleshooting in a team based environment. Offered fall semester. Prerequisite(s): TECH 3611 Minimum Grade of C or TECH 332 Minimum Grade of C. Must be enrolled in one of the following Classifications: Junior, Senior.

TECH 4351-Advanced Robotics 2
2 Credits
The second half of a two course capstone sequence. An advanced investigation of robotics and automated equipment. Topics of investigation will include robot and automated system design, construction, programming and troubleshooting in a team based environment. Offered spring semester. Prerequisite(s): TECH 4341 Minimum Grade of C.

TECH 4521-Construction Estimating and Scheduling
3 Credits
Methods and techniques in construction estimating, scheduling, and bidding to include Quantity take-off, labor costs, material costs, overhead, profits, and bidding using industry standard software packages. Includes extended practice in scheduling and submittal activities from pre-construction to completion. Practical applications emphasized. Offered fall semester. Prerequisite(s): TECH 3511 Minimum Grade of C or TECH 351 Minimum Grade of C.

TECH 4621-Programming in Embedded Systems
4 Credits
Exploration of programming applications in an embedded environment using various microcontroller functions including I/O, memory, and interface techniques. Offered fall semester. Prerequisite(s): TECH 3611 Minimum Grade of C or TECH 332 Minimum Grade of C.

TECH 4671-Robotic Systems
3 Credits
An introduction to digitally-controlled robotic manipulators. Topics include coordinate frames, coordinate frame transformations, forward and inverse kinematic solutions, and control of robot manipulators. Offered spring semester. Prerequisite(s): TECH 3651 Minimum Grade of C.

TECH 4801-Technical Education Foundations
3 Credits
Elements of technical instruction, scope and sequence, training program development, and the philosophical underpinnings regarding a successful learning environment. Provides the development of planning, organizing, and administering technical laboratories for those planning careers in the teaching/training in industry and vocational/technical secondary and post-secondary schools. Prerequisite(s): PSYC 1001 or PSYC 2151.

TECH 4811-Educational Technologies for Technical Education
3 Credits
Design and develop technology-enhanced learning for teaching and training for adult learners at the post-secondary level. Focus is on the alternatives for supporting technical instruction with educational technology multimedia and instructional design. Students explore concepts and findings identified in adult literature and apply to designing successful learning systems. Corequisite(s): TECH 4801.

TECH 4821-Tests, Measurement, and Assessment in Technical Education
3 Credits
The consideration of methodological, theoretical, and ethical problems involved in test construction and use. Topics which are covered include learning styles, multiple intelligences, elements of validity and reliability related to tests and measures, and how to use results to improve instruction and course procedures. Corequisite(s): TECH 4801.

TECH 4831-Instructional Design: Strategies in Technical Education
3 Credits
The study of the systematic way of designing, developing, implementing, and evaluating the processes of learning and teaching with specific objectives based on research in human learning and communication in the Teaching/Learning process in Technical Education. Specific attention will be given to developing appropriate strategies for delivery of different types of technical content for efficient learning. Prerequisite(s): TECH 4801.

TECH 4841-Internship
6 to 12 Credits
A supervised program of experiences in production practices, management techniques, research applications, and other activities representative in modern industry. Selection is based upon proper application, screening, and acceptance by an appropriate industry. Six hours of credit for one summer term or 12 hours for one full-time semester. A maximum of 12 hours to count toward graduation. Minimum 2.50 accumulative GPA. Must be enrolled in one of the following Classifications: Junior, Senior.

TECH 4901-Special Topics
1 to 3 Credits
May be repeated as the topic varies. Unlimited repeats permitted.

TECH 4951-Senior Project
1 Credit
Individual research project expanding upon and applying content learned in a Technological Studies major. Course must be repeated 2 times to fulfill the senior capstone requirement unless the student participates in a specific major capstone requirement in one of the majors in the department. This course is repeatable for a total of 2 hours.

TECH 4961-Tour of Industries
1 Credit Grading mode is S/U
Participation in the annual department sponsored comprehensive tour of industries including the submission of a written technical report pertaining to one or more facets of the experience. Offered spring semester. This course is repeatable for a total of 4 hours.
TECH 4971-Independent Study
1 to 3 Credits
Individual study of a topic of particular interest to the student in Technological Studies. May be repeated as the topic varies. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

TECH 4991-Senior Capstone
1 Credit Grading mode is S/U
Report, presentation, and culmination of the senior capstone experience. Presentation of the project management planning, researching, developing, fabricating, assembling, testing, and evaluating processes completed in the senior capstone activity. Offered fall and spring semester. Prerequisite(s): TECH 3801 Minimum Grade of C or TECH 4351 Minimum Grade of C or TECH 4841 Minimum Grade of C or TECH 4951 Minimum Grade of C or EDUC 4721 Minimum Grade of C. Concurrency allowed.

DEPARTMENT OF THEATRE ARTS

Professor Bell (Chair and Resident Artist); Lecturer Robbins; Resident Artists Osbun-Manley; Resident Instructor/Lighting Designer DeVault; Instructor/Resident Technical Director Phillips; Costumer Unrau; Lecturer of Arts Humphrey

Mission
Theatre arts majors emphasize a liberal arts education combined with a professional program, designed to produce graduates who are prepared for a lifetime of learning in a diverse and changing world. Our flexible programs maintain professional standards while adapting easily to individual needs and interests. Our curriculum and manner of instruction encourage critical thinking, development of aesthetic and ethical standards and an understanding of human communication in all aspects of personal and professional life. With a strong foundation in general knowledge and specialty studies, graduates are prepared for entry level positions or graduate studies in their professional areas. They also attain the reasoning, organization and management skills necessary for a useful and meaningful life.

Overview Statement
The departmental course offerings promote understanding of the theory, practice and aesthetics of human communication and theatre arts. Students pursue majors particular to their professional education goals.

Majors, Minors and Degrees Offered
Musical Theatre Major (BFA)
Theatre Design and Production Major (BFA)
Theatre Major (BA)
Theatre Minor
Arts Administration Minor
Dance Minor

Admission Requirements
An interview and portfolio review is required for the BFA in theatre design and production. An audition is required for the BFA in musical theatre.

Special Programs
Internships and Study Abroad
Internships are an integral part of all programs. Study abroad programs and internships are encouraged and facilitated by the department.

Departmental Activities
Students are encouraged to become involved in a variety of departmental activities. Ohio Northern University theatre offers opportunities for students to act in and engage in technical work for musicals, new works, readers theatre, dance and traditional plays. Theatre Arts students are encouraged to participate in the theatre honorary Theta Alpha Phi.

Major Course Requirements
All required courses in the major subject area must be completed with a grade of "C" or higher.

Musical Theatre Major
Musical theatre provides professional training in dance, music and theatre within a liberal arts environment. Students must audition for admittance into the major and are expected to successfully complete a sophomore hearing during their course of study. Graduates typically pursue professional careers in the performing arts. It is a policy of the Department of Theatre Arts that a student not be able to earn a BFA in as a theatre arts major in musical theatre or theatre design and production while concurrently earning a BM in performance or music education.

BFA Degree Requirements (73 credit hours)
TATA 1001 Orientation (0)
TADP 2101 Musical Theatre Dance Styles I (2)
TADP 4611 Musical Theatre Dance Styles II (2)
TADN 1201 Ballet I or TADN 1301 Modern Dance I
TADP 2151 Make-up (2)
TADP 2651 Stage Management Practicum (1)
TAMT 2951 Sophomore Hearing (0)
TAMT 2101 Musical Theatre History and Literature (3)
TAMT 3501 Acting Styles for Musical Theatre (3)
TAMT 4501 Musical Theatre Audition Techniques (2)
TAMT 4951 Senior Capstone (2)
TATH 2751 Play Analysis (3)
TATH 2911 World Theatre History I (3)
TATH 2921 World Theatre History II (3)
TATH 3001 Symposium (0)
TATH 2601 Introduction to Acting (2)
TATH 3601 Acting 2: Scene Study (3)
TATH 2501 Movement for the Actor (1)
TATH 4451 Business of Theatre (1)
TATH 2401 Voice and Speech (2)
MUSC 1041 Fundamentals of Music for MT (3)
MUSC 1051 Advanced Musicianship for MT (3)
MUSL 1111 Applied Lessons (1)
MUSL 1121 Applied Lessons (1)
MUSL 2111 Applied Lessons (1)
MUSL 2121 Applied Lessons (1)
MUSL 3111 Applied Lessons (1)
MUSL 3121 Applied Lessons (1)
MUSL 0011B Applied Piano (2)

Select twelve (12) hours:
TATA 2901 Special Topics (1 to 3)
TADN 2121 Dance and Culture (3)
TADN 3601 Dance History (3)
TADN 4601 Dance Composition (3)
TADN 1201 Ballet I (2)
TADN 1301 Modern I (2)
TADN 1401 Jazz I (2)
TADN 1501 Tap I (2)
TADP 2601 Stage Management (3)
TATH 3501 Stage Combat (2)
TATH 3651 Acting 3: Shakespeare (3)
TATH 3801 Topics in Theatre History (3)
TATH 3861 Directing (3)
TATH 3911 American Theatre History (3)
MUSE 1111 Opera Workshop (1)

Select four (4) hours:
TADN 2601 Dance Practicum (1)
TAMT 2601 Performance Practicum (1)
TATH 2611 Performance Practicum (1)

Select three (3) hours:
TADP 2111 Fundamentals of Stagecraft (3)
TADP 2121 Fundamentals Lighting and Sound (3)
TADP 2131 Fundamentals of Costuming (3)
Select six (6) hours:
TADN 1401 Jazz 1 (2) or TADN 1501 Tap 1 (2)
TADN 2201 Ballet II (2)
TADN 2301 Modern II (2)
TADN 2401 Jazz II (2)
TADN 2501 Tap II (2)
TADN 3201 Ballet III (2)
TADN 3301 Modern III (2)
TADN 3401 Jazz III (2)
TADN 3501 Tap III (2)

*No more than 1 class from a 1000 level will count toward this requirement*

Select six (6) hours:
TATH 3001 Musical Theatre History and Literature (3)

Select three (3) hours:
TATH 3621 World Theatre History III (3)
TATH 3911 American Theatre History (3)
TATH 3821 Playwriting (3)
TAMT 2101 Musical Theatre History (3)
TADN 3601 Dance History (3)

Select three (3) hours:
TADP 3761 Production Practicum (1)
TADP 2651 Stage Management Practicum (1)
TADP 2571 Shop Practicum (1)
TADP 3781 Design Practicum (1)
TADP 3761 Advanced Production Practicum (1)

Select three (3) hours:
PLSC 2201 International Studies (3)
GEOG 2261 World Regional Geography (3)

**Theatre Major**

Theatre explores the artistic expression of human action. As a liberal art, it is a foundation for many careers where critical thinking, analytic ability and creative expression are important. Graduates have been successful in theatre, law, medicine, banking and public service. The program permits the student to develop his or her individual focus.

**BA Degree Requirements** *(39 credit hours)*

TATA 1001 Orientation (0)
TADP 2121 Fundamentals of Lighting and Sound (3)
TADP 2111 Fundamentals of Stagecraft (3)
TATH 2601 Introduction to Acting I (2)
TATH 2751 Play Analysis (3)
TATH 2911 World Theatre History I (3)
TATH 2921 World Theatre History II (3)
TATH 3001 Theatre Symposium (0)
TATH 4951 Senior Capstone (2)

Select two (2) hours:
TAAD 2601 Arts Administration Practicum (1)
TADN 2601 Dance Practicum (1)
TADP 2571 Shop Practicum (1)
TADP 2651 Stage Management Practicum (1)
TADP 2761 Production Practicum (1)
TADP 3781 Design Practicum (1)
TATH 2611 Performance Practicum (1)
TATH 3621 Directing Practicum (1)

Select three (3) hours:
TAN 3701 Dance History (3)
TAN 2121 Dance and Culture (3)
TATH 3801 Topics in Theatre History/Dramatic Literature (3)
TATH 3821 Playwriting (3)
TATH 3911 American Theatre History (3)
TATH 4851 Dramatic Criticism and Performance Studies (3)
ENGL 2081 Modern World Drama (3)
ENGL 2601 Introduction to Shakespeare (3)
ENGL 4121 Shakespeare (3)
FREN 4031 French Theatre (3)

Select three (3) hours:
TADP 2121 Fundamentals of Lighting and Sound (3)
TADP 2571 Shop Practicum (1)
TADP 2601 Stage Management (3)
TADP 2651 Stage Management Practicum (1)
TADP 2751 Introduction to Design (3)
TADP 2761 Production Practicum (1)
TADP 3501 Advanced Stage Technique in Stagecraft (3)
TADP 3761 Advanced Theatre Production Practicum (1)
TADP 3781 Design Practicum (1)

Select fifteen (15) hours:
In addition to the courses listed above, the student must complete 15 credit hours in TADP, TATH, TAMT, or TADN courses. A maximum of six of these hours may be in dance, and a maximum of three of these hours may be practicum credit.

**Theatre Arts Business Option** This option is available only to theatre arts majors.
Additional Requirements (21 credit hours)
ABUS 2011 Personal Computer Applications for Business (3)
BIZ 2111 Financial Accounting Foundations for Business Planning (3)
BIZ 2131 Legal Environment for Business Planning (3)

Select six (6) hours:
FINC 1101 Personal Finance (3)
BIZ 2331 Behavioral Mgmt for Business Planning (3)
BIZ 2511 Marketing for Business Planning (3)
BIZ 3621 Financial Analysis for Business Planning (3)
MRKT 4601 Integrated Marketing Communication (3)

Select at least three other three-hour courses (for a total of nine (9) hours from the theatre discipline.

Dance Minor (18 credit hours)
TADN 1101 Introduction to Dance (1)
TADN 1201 Ballet I (2)
TADN 1301 Modern I (2)
TADN 2121 Dance and Culture (3) or TADN 3601 Dance History (3)
TADN 2201 Ballet II (2) or TADN 2301 Modern II (2) or TADN 3301 Modern III (2)
TADN 2601 Dance Practicum (2)
TADN 4601 Dance Composition (3)

Select five (5) hours:
TADN 1221 Ballet II (2) or TADN 2201 Ballet II (2) or TADN 2301 Modern II (2) or TADN 3301 Modern III (2)
TADN 2751 Play Analysis (3)
TATH 2911 World Theatre History I (3)
TATH 2921 World Theatre History II (3)

Minors

All courses required for a minor must be completed with a grade of “C” or higher.

Arts Administration Minor (19 credit hours)
MGMT 4771 Non-profit Management (3)
TAAD 2111 Introduction to Arts Admin. (3)
TAAD 2311 Arts Marketing/Audience Development (3)
TAAD 2411 Grant Writing/Arts Fundraising (3) or ENGL 2XXX Grant Writing
TAAD 2611 Arts Administration Practicum (1)
TATH 3001 Symposium (0)
TAAD 3011 Arts Administration Symposium (0)
TAAD 3351 Arts Administration Internship (2)
TATH 4451 Business of Theatre (1)

Select three (3) hours:
BIZ 2511 Marketing for Business Planning (3)
CAMS 2111 Advanced Presentational Speaking (3)
ENGL 2441 Desktop Publishing (3)
TECH 1421 Web Development and Multimedia (3)

Arts Marketing/Audience Development (3)
TATH 2911 Introduction to Arts Administration (3)
TATH 2921 World Theatre History I (3)
TATH 2921 World Theatre History II (3)

Select one two-hour course (2) from a performance-based area: A practicum and skill driven course. A formal list is available in the department and on the department website.

Select one three-hour course (3) from a production-based area: A practicum and skill driven course. A formal list is available in the department and on the department website.

Select at least three other three-hour courses (for a total of nine (9) hours from the theatre discipline.

Subject-Arts Administration (TAAD)

TAAD 2111-Introduction to Arts Administration (3)
TAAD 2311-Arts Marketing/Audience Development (3)

Select one two-hour course (2) from a performance-based area: A practicum and skill driven course. A formal list is available in the department and on the department website.

Select one three-hour course (3) from a production-based area: A practicum and skill driven course. A formal list is available in the department and on the department website.

Select at least three other three-hour courses (for a total of nine (9) hours from the theatre discipline.

Subject-Dance (TADN)

TADN 1101-Introduction to Dance (2)
TADN 1211 Social Dance (1)
TADN 1221 International Folk Dance (1)
TADN 1401 Jazz I (2)
TADN 1501 Tap I (2)
TADN 2201 Ballet II (2)
TADN 2301 Modern II (2)
TADN 2401 Jazz II (2)
TADN 2501 Tap II (2)
TADN 3201 Ballet III (2)
TADN 3301 Modern III (2)
TADN 3401 Jazz III (2)
TADN 3501 Tap III (2)
TADN 4201 Ballet IV Pointe (2)

Theatre Minor (20 credit hours)
A maximum of six (6) credit hours in practicum courses may count toward the theatre minor. Students may not accomplish the minor in conjunction with any other Theatre discipline major.
TADN 1301 - Modern Dance I
2 Credits
Designed for the student with little experience in modern dance technique. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines.

TADN 1401 - Jazz Dance I
2 Credits
Designed for the student with little experience in jazz dancing. Prerequisite(s): TADN 1201 Minimum Grade of C or COMM 117 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

TADN 1501 - Tap Dance I
2 Credits
Designed for the student with little experience in tap dancing. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

TADN 2111 - Social Dance
1 Credit
Social dance course to include waltz, foxtrot, swing, polka, rhumba, tango, and cha-cha. Emphasis will be placed on rhythm, style and skill development. Course Attributes: Integration Across Disciplines.

TADN 2121 - Dance and Culture
3 Credits
An investigation of movement and dance as a vehicle for understanding culture through movement and an understanding of the rich diversity of movement via readings, films and discussion. Course Attributes: Non Western Cultural, Fine Arts, Diversity-Human Interaction, Informed Responses-Aesthetics.

TADN 2201 - Ballet II
2 Credits
For intermediate students with experience in ballet technique. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 1201 Minimum Grade of C or COMM 117 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Requires Instructor Approval.

TADN 2301 - Modern Dance II
2 Credits
For intermediate students with experience in modern technique. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 1301 Minimum Grade of C or COMM 118 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Requires Instructor Approval.

TADN 2401 - Jazz Dance II
2 Credits
For intermediate students with experience in jazz dance. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 1401 Minimum Grade of C or COMM 116 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 2501 - Tap Dance II
2 Credits
Designed for intermediate students with experience in tap dancing. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 1501 Minimum Grade of C or COMM 115 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 2601 - Dance Practicum
1 to 3 Credits
Participation in a collaborative experience with guest artists and choreographers. Open only to students who have auditioned and have been awarded roles in dance productions. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TADN 3201 - Ballet III
2 Credits
For students with advanced experience in ballet technique. May include pointe work for students with strong technique. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 2201 Minimum Grade of C or COMM 217 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 3301 - Modern Dance III
2 Credits
For students with advanced experience in modern technique. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 2301 Minimum Grade of C or COMM 218 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 3401 - Jazz Dance III
2 Credits
For students with advanced experience in jazz dance. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 2401 Minimum Grade of C or COMM 216 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 3501 - Tap Dance III
2 Credits
For students with advanced experience in tap dance. Students must take the prerequisite course or have permission of the instructor. Prerequisite(s): TADN 2501 Minimum Grade of C or COMM 215 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines, Requires Instructor Approval.

TADN 3601 - Dance History
3 Credits
From the Middle Ages through present times, an historical survey of the origins, growth, and development of theatrical dance. Focus on the forces, processes, and personalities that influenced dance. Offered alternate fall semesters. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines.

TADN 3611 - Musical Theatre Dance Styles I
2 Credits
The study and recreation of historical musical theatre dance and related social dances influencing Broadway stage choreography. Students must meet the pre-requisites or have permission of the instructor. Prerequisite(s): TADN 1201 or TADN 1301. Must be enrolled in one of the following Fields of Study: Theatre Arts/Dance, Theatre Arts/Musical Theatre. Course Attributes: Fine Arts.

TADN 4201 - Ballet IV Pointe
2 Credits
Techniques of pointe work at the barre and center work. Offered alternate fall semesters. Prerequisite(s): TADN 3201 Minimum Grade of C. This course may be repeated 1 time. Course Attributes: Fine Arts, Informed Responses-Aesthetics, Integration Across Disciplines.

TADN 4601 - Dance Composition
3 Credits
Principles general to choreographic compositional styles and their application via compositional projects and in-class explorations. Offered alternate spring semesters. Prerequisite(s): TADN 2201 Minimum Grade of C or COMM 217 Minimum Grade of C or TADN 2301 Minimum Grade of C or COMM 218 Minimum Grade of C or TADN 2401 Minimum Grade of C or COMM 216 Minimum Grade of C. Course Attributes: Fine Arts, Effective Communication Non-Writing, Informed Responses-Aesthetics.

TADN 4611 - Musical Theatre Dance Styles II
2 Credits
A continuation of Musical Theatre Dance Styles I. The study and recreation of historical musical theatre dance and related social dances influencing Broadway stage choreography. Must be enrolled in one of the following Fields of Study: Theatre Arts/Dance, Theatre Arts/Musical Theatre. May not be enrolled in one of the following Classifications: Freshman. Course Attributes: Fine Arts.
Subject – Theatre Design and Production (TADP)

TADP 2001-Portfolio Review I
0 Credits Grading mode is S/U
Theatre Production students are required to present an updated portfolio and resume of production and course work at a formal portfolio review session at the end of each year enrolled. The faculty will advise the student to continue in their degree or select another degree program in the University. Must be enrolled in one of the following Fields of Study: Theatre Design and Production. Must be enrolled in one of the following Classifications: Freshman, Sophomore. This course may be repeated 1 time.

TADP 2111-Fundamentals of Stagecraft
3 Credits
Theoretical and practical work in the fundamentals of technical theatre production. Content includes scenic construction, property construction, theatrical rigging, basic drafting, and basic design theory. Offered fall semesters. Course Attributes: Fine Arts.

TADP 2121-Fundamentals of Lighting and Sound
3 Credits
Theoretical and practical work in the fundamentals of lighting and sound production. Content includes stage lighting, sound theory for live reinforcement and recorded sound effects. Offered spring semester. Course Attributes: Fine Arts.

TADP 2131-Fundamentals of Costuming
3 Credits
Theoretical and practical work in the hand sewing, draping and drafting of patterns for basic garments, various problems of layout and cutting, and specialized sewing techniques for costumes. Offered alternate fall semesters. Course Attributes: Fine Arts.

TADP 2151-Make-up
2 Credits
Methods and practice in the creation and application of stage makeup. Students may comprise makeup crews for University Theatre and Studio Theatre productions. Offered spring semester. Course Attributes: Fine Arts.

TADP 2551-Technical Direction
3 Credits
Technology, organization, and operation of the theatrical scene shop centered around the proper and safe use of tools, the choosing of materials, and methods of construction. Offered alternate fall semesters. Course Attributes: Fine Arts.

TADP 2571-Shop Practicum
1 to 3 Credits
Participation in a collaborative laboratory experience working in the scene or costume shop for University productions. More than six hours may apply towards graduation only for Theatre majors. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TADP 2601-Stage Management
3 Credits
Principles and practices of stage management and logistical organization of commercial and non-commercial theatre. Content includes scheduling, pre-production planning, auditions, rehearsals, performance procedures, budgeting, company organization and structure. Offered spring semester. Course Attributes: Fine Arts.

TADP 2651-Stage Management Practicum
1 to 3 Credits
Participation in a collaborative laboratory experience working as a stage manager, assistant stage manager or company manager for University productions. More than six hours may apply toward graduation only for Theatre Arts majors. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TADP 2751-Introduction to Design
3 Credits
Introduction to theory and practice of theatrical design, text analysis and the ways a production concept and visual metaphor can be communicated in the design of scenery, costumes and lighting. Offered alternate fall semesters. Course Attributes: Fine Arts.

TADP 2761-Production Practicum
1 to 3 Credits
Participation in a collaborative laboratory experience which involves serving on a crew for University productions. More than six hours may apply toward graduation only for Theatre Arts majors. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TADP 3351-Internship in Theatre Design and Production
1 to 12 Credits
A skills course blending classroom theory with practical experience through working in an outside organization. Offered fall and spring semesters. This course is repeatable for a total of 12 hours. Course Attributes: Requires Department Approval.

TADP 3501-Advanced Stagecraft
3 Credits
Advanced construction principles and techniques applied to stage scenery and design. Advanced woodworking, rigging and welding are possible topics covered. Offered alternate spring semesters. Prerequisite(s): TADP 2111 Minimum Grade of C or COMM 275 Minimum Grade of C. Course Attributes: Fine Arts.

TADP 3551-Topics in Theatre Technology
3 Credits
The principle technical elements of theatre including technical problem solving, scene painting, welding, and graphic solutions to technical theatre. Offered alternate spring semesters. Prerequisite(s): (TADP 2111 Minimum Grade of C or COMM 275 Minimum Grade of C) and (TADP 2111 Minimum Grade of C or COMM 274 Minimum Grade of C) and TADP 3501 Minimum Grade of C. This course may be repeated 2 times. This course is repeatable for a total of 9 hours. Course Attributes: Fine Arts.

TADP 3751-Topics in Theatre Design
3 Credits
The principle design elements of theatre including but not limited to scenic, costume, lighting and sound. One type of design explored each semester. Prerequisite(s): TADP 2751 Minimum Grade of C. This course may be repeated 2 times. This course is repeatable for a total of 9 hours. Course Attributes: Fine Arts, Requires Instructor Approval.

TADP 3761-Advanced Production Practicum
1 to 3 Credits
Participation in a collaborative laboratory experience which focuses on the supervision and execution of lights, sound, scenic, costumes or props for University productions. More than six hours may apply toward graduation only for Theatre Arts majors. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TADP 3781-Design Practicum
1 to 3 Credits
Participation in a collaborative laboratory experience which focuses on the design of lights, sound, scenic, costumes or props for University productions. More than six hours may apply toward graduation only for Theatre Arts majors. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.
TAMD 4001-Portfolio Review II
0 Credits Grading mode is S/U
Theatre Production students are required to present an updated portfolio and resume of production and course work at a formal portfolio review session at the end of each year enrolled. Upon completion of the final semester, students shall present their work at an exit portfolio presentation; all accumulated design and/or production work completed while enrolled in the B.F.A. program shall be presented. Offered spring semester. Prerequisite(s): TADP 2001. Must be enrolled in one of the following Fields of Study: International Theatre Production, Theatre Arts/International Production, Theatre Design and Production. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 2 times.

TAMD 4951-Theatre Design and Production Capstone
2 Credits
An advanced production project which integrates skills and experiences acquired during the completion of the major concentration. Permission of advisor and completion of project abstract. A graduating senior survey must be completed to receive credit for this course. Must be enrolled in one of the following Fields of Study: International Theatre Production, Theatre Arts/International Production, Theatre Design and Production. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Fine Arts, Requires Instructor Approval.

Subject-Musical Theatre (TAMT)

TAMT 2101-Musical Theatre History & Literature
3 Credits
The history of American Musical Theatre, its origins, and development through the 20th century, covering Broadway and film musicals, as well as the famous and historical figures of Broadway.

TAMT 2601-Musical Theatre Performance Practicum
1 Credit
Participation in a collaborative rehearsal experience. Open only to students who have auditioned for and been awarded roles in University mainstage or studio theatre productions. A repeatable course but only 4 hours apply toward the major. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TAMT 2611-Musical Theatre Pit Orchestra Practicum
1 Credit
Participation in a collaborative rehearsal experience. Open only to students who have been invited to perform in the pit orchestra of a University mainstage or studio theatre production. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TAMT 2951-Musical Theatre Sophomore Hearing
0 Credits Grading mode is S/U
An assessment procedure typically performed at the end of the second year spring semester. Students prepare monologues and song material for presentation and evaluation including dance assessment. Offered spring semester. Prerequisite(s): (MUSC 1051 Minimum Grade of C or MUSC 121 Minimum Grade of C and MUSC 131 Minimum Grade of C) or TADN 1201 Minimum Grade of C or TADN 1301 Minimum Grade of C and MUSL 2111A Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Musical Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. Must be enrolled in one of the following Classifications: Sophomore, Junior. Course Attributes: Requires Instructor Approval.

TAMT 3351-Internship in Musical Theatre
1 to 12 Credits Grading mode is S/U
Working in an external organization having the opportunity to blend classroom theory and practical experience. Offered fall and spring semesters. Prerequisite(s): TAMT 2951. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 11 times. This course is repeatable for a total of 12 hours. Course Attributes: Requires Instructor Approval.

TAMT 3501-Musical Theatre Audition Techniques
2 Credits
Prepares students for the musical theatre profession by exploring the skills and knowledge required for casting. This course focuses on audition techniques, selecting and interpreting audition material, and researching the resources available to actors seeking work in the professional theatre. Offered alternate spring semesters. Prerequisite(s): TAMT 2401 and TAMT 2751. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. May not be enrolled in one of the following Classifications: Freshman. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

TAMT 4501-Acting Styles for Musical Theatre
3 Credits
A scene study class geared toward an understanding of the range of acting techniques used specifically in musical theatre from vaudeville to contemporary and modern musicals. Offered alternate spring semesters. Prerequisite(s): TAMT 2951 and TAMT 3501. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

TADP 4951-Musical Theatre Capstone
2 Credits Grading mode is S/U
The capstone experience for senior musical theatre majors centers on a practical project, which demonstrates proficiency in performance skills and preparation for graduate study or entry into the profession. Course is two semesters in length. Prerequisite(s): TAMT 2951. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. Must be enrolled in one of the following Classifications: Senior.

Subject – Theatre Arts (TATA)

TATA 1001-Orientation
0 Credits Grading mode is S/U
Familiarization with the departmental requirements for majors, planning a program of courses, university catalog and library. Required of departmental majors. Offered fall semester. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, International Theatre Production, Musical Theatre, Theatre, Theatre Arts/International Production, Theatre Arts/Musical Theatre, Theatre Arts/Theatre, Theatre Design and Production.

TATA 1901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATA 2001-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATA 2901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATA 2991-Independent Study in Theatre Arts
1 to 3 Credits
A topic in Communication and Theatre Arts that is of particular interest to the student. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

TATA 3901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Unlimited repeats permitted.
TATA 4901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATA 4991-Independent study in Theatre Arts
1 to 3 Credits
A topic in Communication and Theatre Arts that is of particular interest to the student. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject-Theatre (TATH)

TATH 1051-Introduction to the Performing Arts
3 Credits
An introduction to theatre through the study of its origin and development, and its contemporary theory and practice. For the nonmajor. Includes lecture, play attendance and production experience. Offered fall and spring semesters. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

TATH 1901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATH 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Special Topics in Theatre. Enrollment is restricted to Summer Honors Institute attendees only. Unlimited repeats permitted. Course Attributes: Dept of Theatre Arts, Requires Instructor Approval.

TATH 2401-Voice and Speech
2 Credits
An exploration of the voice as an organ and as a means of expression. Vocal technique is developed through exercises which expand breath, range and resonance while speech is enhanced through the exploration and expression of dramatic text. Offered spring semester. This course may be repeated 2 times. This course is repeatable for a total of 4 hours. Course Attributes: Fine Arts.

TATH 2501-Movement for the Actor
1 Credit
Enhances the actor’s instrument through development of physical expression and character work. Techniques include but are not limited to: Alexander, Laban, Feldenkrais, Chekhov, and physical training such as yoga, pilates and tai chi. Offered spring semester.

TATH 2591-Acting for Non-Majors
2 Credits
The fundamentals of stage acting through exercises, readings, discussions and scene study, for the student not majoring in performance. Offered spring semester. May not be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

TATH 2601-Introduction to Acting
2 Credits
The fundamentals of stage acting through exercises, readings, discussions and scene study. The beginning actor learns to play actions, utilize activity, identify objectives and obstacles, and incorporate them all into performance. Must be enrolled in one of the following Fields of Study: Communication Arts/Musical Theatre, Communication Arts/Theatre, Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. This course may be repeated 2 times. This course is repeatable for a total of 4 hours. Course Attributes: Fine Arts.

TATH 2611-Theatre Performance Practicum
1 to 3 Credits
Participation in a collaborative performance experience. Open only to students who have auditioned for and have been awarded roles in University mainstage or studio theatre productions. Offered fall and spring semesters. Unlimited repeats permitted.

TATH 2751-Play Analysis
3 Credits
A study of the play from page to stage with an emphasis on critical analysis of structure, style, theme, character, language, dramatic event, and the perspectives of the actor, director, critic, and audience. Offered fall semester. Course Attributes: Fine Arts, Informed Responses-Aesthetics.

TATH 2901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATH 2911-World Theatre History I
3 Credits
A survey of the history and social impact of the theatre in Western and non-Western cultures from ancient times to the Renaissance. Offered fall semester. Prerequisite(s): TATH 2751 Minimum Grade of C. Course Attributes: Fine Arts, Effective Communication Writing, Informed Responses-Aesthetics.

TATH 2921-World Theatre History II
3 Credits
A survey of the history and social impact of the theatre in Western and non-Western cultures from the Renaissance to the 19th Century. Offered spring semester. Prerequisite(s): TATH 2751 Minimum Grade of C. Course Attributes: Fine Arts, Effective Communication Writing, Informed Responses-Aesthetics.

TATH 2991-Independent Study in Theatre Arts
1 to 3 Credits
A topic in Theatre Arts that is of particular interest to the student. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

TATH 3001-Symposium
0 Credits Grading mode is S/U
Workshop with visiting theatre professionals which may include stage directors, designers, choreographers, and professional performers. Repeatable with different topics. Students must complete 1 course per semester. Offered Fall and Spring semesters. Must be enrolled in one of the following Fields of Study: Arts Administration, Communication Arts/Arts Administration, Communication Arts/Musical Theatre, Communication Arts/Theatre, International Theatre Production, Musical Theatre, Theatre, Theatre Arts/Arts Administration, Theatre Arts/Arts Administration, Theatre Arts/International Production. Unlimited repeats permitted.

TATH 3351-Internship in Theatre
1 to 12 Credits
Blends classroom theory with practical experience through working in an external organization. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Communication Arts, Communication Arts/Musical Theatre, International Theatre Production, Theatre, Theatre Arts/InternationalProduction, Theatre Arts/Musical Theatre, Theatre Arts/Theatre, Theatre Design and Production. May not be enrolled in one of the following Classifications: Freshman. This course may be repeated 11 times. This course is repeatable for a total of 12 hours. Course Attributes: Requires Instructor Approval.

THEATRE ARTS 153
TATH 3501-Stage Combat
2 Credits
An introduction to the fundamentals of stage combat including but not limited to unarmed and rapier/dagger. Offered alternate years. Prerequisite(s): TAMT 2951 Minimum Grade of C or COMM 260 Minimum Grade of C. This course may be repeated 1 time. This course is repeatable for a total of 4 hours. Course Attributes: Fine Arts.

TATH 3601-Acting I: Scene Study Intensive
3 Credits
A scene study intensive that expounds upon the techniques acquired in Intro. to Acting, TATH 2601. The actor now learns to apply acting skills to the development of a role in a scripted play with greater emphasis on the character and its throughline. Prerequisite(s): TATH 2601 Minimum Grade of C or COMM 260 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Musical Theatre, Theatre, Theatre Arts/Musical Theatre, Theatre Arts/Theatre. This course may be repeated 1 time.
Course Attributes: Fine Arts, Requires Instructor Approval.

TATH 3621-Directing Practicum
1 to 3 Credits
Participation in a collaborative directorial experience that focuses on directing a University mainstage or studio theatre production with faculty advising. Prerequisite(s): TATH 3861 Minimum Grade of C or COMM 386 Minimum Grade of C. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

TATH 3651-Acting III: Shakespeare
3 Credits
An exploration of the works of the world’s most celebrated playwright, this course develops an understanding of Shakespeare’s language, rhetoric and performance techniques through sonnets, monologues, scene study and demonstration. Offered fall semester. Prerequisite(s): TATH 2401 Minimum Grade of C and TATH 2601 Minimum Grade of C and TATH 3601 Minimum Grade of C. This course may be repeated 2 times. This course is repeatable for a total of 6 hours. Course Attributes: Fine Arts, Integration Across Disciplines.

TATH 3801-Topics in Theatre History/Dramatic Literature
3 Credits
Major topics in theatre history and/or dramatic literature including but not limited to: 20th-century theatre, issues in contemporary theatre, Irish theatre, contemporary women playwrights. May be repeated with different topic. Prerequisite(s): TATH 2751 Minimum Grade of C. This course may be repeated 2 times. This course is repeatable for a total of 9 hours. Course Attributes: Fine Arts.

TATH 3821-Playwriting
3 Credits
A writing workshop designed to introduce students to the basic building blocks of writing for the stage, including: plot, character, dialogue, setting and dramatic action. Offered alternate fall semesters. Course Attributes: Fine Arts.

TATH 3861-Directing
3 Credits
Methods, theories, exercises, and practices in directing and presenting dramatic scenes. Offered fall semester. Prerequisite(s): TATH 2601 Minimum Grade of C or COMM 260 Minimum Grade of C. May not be enrolled in one of the following Classifications: Freshman. Course Attributes: Fine Arts.

TATH 3901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATH 3911-American Theatre History
3 Credits
A historical survey of American theatre and popular entertainment forms from the colonial period through the rise of realism and contemporary theatre. Offered alternate spring semesters. Prerequisite(s): TATH 2751 Minimum Grade of C. Course Attributes: Fine Arts.

TATH 4451-Business of Theatre
1 Credit
Prepares students for a career in the professional theatre by teaching the skills and knowledge needed for gaining employment and for good career management. Topics include audition/portfolio materials, audition techniques and resources for various professional markets. Offered spring semester. Must be enrolled in one of the following Fields of Study: Theatre, Theatre Arts/Arts Administration, Theatre Arts/Musical Theatre, Theatre Design and Production. Must be enrolled in one of the following Classifications: Junior, Senior.

TATH 4601-Acting IV: Styles of Acting
3 Credits
A scene study course focusing on specific performance techniques of genres beyond American realism. The material practiced includes playwrights such as Chekhov, Beckett, Wilde, Moliere, Pinter and Ionesco. Offered alternate spring semesters. Prerequisite(s): (TATH 3601 Minimum Grade of C or COMM 360 Minimum Grade of C) and (TATH 2401 Minimum Grade of C or COMM 340 Minimum Grade of C). Course Attributes: Fine Arts, Diversity-Human Interaction, Informed Responses-Aesthetics.

TATH 4851-Dramatic Criticism and Production Analysis
3 Credits
The director and dramaturg’s analysis of a play in preparation for production. Theories/approaches considered include: action structures, character-based analysis, epic theatre, feminism, and semiotics. Offered alternate spring semesters. Prerequisite(s): (TATH 2751 Minimum Grade of C). Course Attributes: Fine Arts.

TATH 4901-Special Topics in Theatre Arts
1 to 3 Credits
Course may be repeated as topics vary, but only 24 hours will count toward graduation. Offered fall and spring semesters. Unlimited repeats permitted.

TATH 4951-Senior Capstone
1 to 3 Credits
A production/performance based project that serves as the senior capstone for the Theatre major. Must be enrolled in one of the following Classifications: Theatre. Must be enrolled in one of the following Fields of Study: Communication Arts/Theatre, Theatre, Theatre Arts/ Theatre. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Requires Instructor Approval.

TATH 4991-Independent Student in Theatre Arts
1 to 3 Credits
A topic in Theatre Arts that is of particular interest to the student. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.
THE JAMES F. DICKE COLLEGE OF BUSINESS ADMINISTRATION
James W. Fenton, Jr., Dean

Professors  Fenton, M. Govekar, Kleine (Associate Dean), Woods;  Associate Professors, Christopher, Ewing, McClough, Morgan, Savino, Schertzer; Assistant Professors Hartman, Kim, Kutch, McHugh, Phillips, Schakett, H. Wilson, Zhang.

James F. Dicke Professor of Marketing  The James F. Dicke Professor of Marketing, endowed by James F. Dicke, has been established beginning with the academic year 2013-14. The recipient of this endowed professorship is Robert Kleine, professor of marketing.

Patton Chair  The George Willard Patton Chair of Business and Economics, endowed by the Richard King Mellon Charitable Trust of Pittsburgh, Pennsylvania, has been established beginning with the academic year 1973-74. The 2014-15 recipient of this endowed professorship is David Savino, associate professor of management.

Vision Statement  The James F. Dicke College of Business Administration will be known for developing leaders through its involved, innovative and inclusive approach to management education.

Mission Statement  Develop business and civic leaders for a changing world.

Supporting Values
Ethical  We are honest and transparent in our interactions with others. We believe that integrity is the foundation of business and civic leadership.

Entrepreneurial  We are collaborative, innovative, and embrace opportunity. We believe that vision and persistence produce innovation.

Engaged  We are active contributors to our academic, civic, and global communities. We believe that developing leaders requires mentoring, experiential learning, and scholarship.

Admissions Standards  Candidates seeking admission to the James F. Dicke College of Business Administration are required to meet the general requirements for admission to the University. The College of Business Administration accepts high school graduates who have 16 acceptable units of high school credits. Thirteen of these units are prescribed as follows: four units of English; three units of mathematics (including algebra and geometry); six units in history, social studies, language, or natural science; or any combination thereof. Candidates are encouraged to pursue a foreign language while in high school. Acceptable scores on the American College Test or the College Entrance Examination Board Test are expected of all candidates.

Transfer Students  The Dicke College of Business Administration welcomes students from other accredited colleges and universities. Applications for transfer will be considered only if the student has a prior minimum grade point average 2.00 on a 4.00 scale, and the student is eligible to return to his/her former institution.

Students transferring from a two-year associate degree program are advised that courses in advanced business subjects (i.e., offered at the college’s 3000 or 4000 level) taken at a two-year institution are not normally granted credit as equivalents of the business courses taught at Ohio Northern University. Such courses can be accepted as general electives. Under certain circumstances, students could establish equivalent credit through college-administered proficiency tests.

Three Year BSBA Express Path  Qualified students can opt to participate in the Dicke College three year accelerated degree program. Students with an ACT composite of 27 or higher (or equivalent SAT score) and a high school GPA of 3.60 or higher are eligible to apply for the program. Majors offered in this accelerated program are Accounting, Management and Marketing. Students opting for this accelerated program must understand that the program requires completing courses year round (including summers), and will likely preclude them from fully participating in some extra-curricular activities while at the University. Some of the courses will be available via distance education. Students enrolled in Express Path will receive priority when scheduling their courses to ensure that they can complete the program in a timely manner.

Bachelor of Science in Business Administration Degree Requirements  The Bachelor of Science in Business Administration degree is an undergraduate degree that provides a foundation in the business disciplines of accounting, business law, economics, finance, international business, management, marketing and personal computer applications as well as a comprehensive understanding in the student’s chosen major area. This program prepares students to successfully enter either the business world or a graduate course of study.

This program requires a minimum of 120-122 semester hours of study including general education requirements, business administration core course requirements and additional requirements for the specific majors.

General Education Requirements  Undergraduate students must, in addition to all other graduation requirements, complete the university general education program to graduate from Ohio Northern University. Those requirements are outlined on page 19 of this catalog. Within the context of the university general education program, several specific courses are required for students pursuing a Bachelor of Science in Business Administration:

1. One additional English elective beyond the required Writing Seminar
2. Statistics for Professionals 1 and 2 (STAT 1561 and 2561)
3. Presentational Speaking (CAMS 1301)
4. Two Aesthetic Appreciation courses (or two general education aesthetic appreciation tags).

Business Planning (BIZ Core) Courses  The James F. Dicke College of Business Administration core curriculum provides an integrated four-year experience themed around strategic business planning. The business planning core culminates in a year long integrated business planning senior capstone experience that is interdisciplinary in nature.

BIZ 0001  BIZ 1001  BIZ 1201  BIZ 2021  BIZ 2031  BIZ 2111  BIZ 2121  BIZ 2131  BIZ 2331  BIZ 2401

SPECIFIC MAJORS AND MAJOR COURSE REQUIREMENTS

Beyond the general education requirements and the BIZ Core, students must also complete specific requirements in their major areas.

The College of Business Administration offers five major areas of study: accounting, management, marketing, pharmaceutical business, and risk management and insurance.

Bachelor of Science in Business Administration Accounting Major

The accounting program offers a four-year (120 semester hour) degree program that prepares students for many entry-level accounting positions. Students completing the accounting major will have the necessary educational requirements for the Certified Management Accounting (CMA) and the Certified Internal Auditing (CIA) examinations. The Accounting Major curriculum includes the general education requirements (above), the BIZ Core courses (above), plus the following coursework:

- ACCT 3141 Intermediate Managerial Accounting 1 3 hrs.
- ACCT 3151 Intermediate Managerial Accounting 2 3 hrs.
- ACCT 4021 Current Topics in Accounting 3 hrs.
- ACCT Accounting Electives 6 hrs.

CPA Program

In many states including Ohio, students planning to sit for the Certified Public Accounting (CPA) examination will have to have earned 150 semester hours of academic credit; have course coverage in specified accounting areas; and a specified number of upper-level accounting courses. Students may earn the additional hours needed for the CPA examination by taking additional undergraduate courses. Students should consult with their academic advisors and their State Boards of Accountancy for specific course and degree requirements.

The DCBA offers a Master of Professional Practice in Accounting (MPPA) degree. Details of that program can be found below. Students planning to sit for the CPA examination should also discuss the MPPA program with their advisor.

Bachelor of Science in Business Administration Management Major

The Management Major curriculum includes the general education requirements (above), the BIZ Core courses (above) plus the following coursework:

- MGMT 3341 Cases & Exercises in Organizational Behavior 3 hrs.
- MGMT 3631 Human Resource Mgmt. 3 hrs.
- MGMT 3751 Management Decision Making 3 hrs.
- MGMT 4861 International Management 3 hrs.
- MGMT Management Electives 9 hrs.

Bachelor of Science in Business Administration Marketing Major Curriculum

The Marketing Major curriculum includes the general education requirements (above), the BIZ Core courses (above) plus the following coursework:

- MRKT 3341 Marketing Research 3 hrs.
- MRKT 3521 Consumer Behavior 3 hrs.
- MRKT 3631 Product Development 3 hrs.
- MRKT 4711 Sales & Customer Relationship Management 3 hrs.
- MRKT 4731 Supply Chain Management 3 hrs.
- MRKT Marketing Electives 6 hrs.

Bachelor of Science in Business Administration Pharmaceutical Business Major

The Pharmaceutical Business Major prepares students for careers in the business of healthcare. The curriculum for the major includes the general education requirements (above), the BIZ Core courses (above), the pharmaceutical business required courses (below) and courses for one of five concentration areas: accounting, business analytics, marketing, human resource management, manufacturing management, or marketing.

Pharmaceutical business classes required of all Pharmaceutical Business majors:

- BIOL 1101 Principles of Human Biology 3 hrs.
- BIOL 2311 Anatomy & Physiology 1 3 hrs.
- CHEM 1201 Chemistry for Health Sciences 5 hrs.
- PHPR 2411 Contemporary Pharmacy Practice 2 hrs.
- PHBU 3051 Introduction to Pharmaceutical Sciences 3 hrs.
- PHBU 3171 Pharmacy Legal Environment 3 hrs.
- PHBU 3651 Introduction to Health Care Finance 3 hrs.
- PHBU 3661 Pharmaceutical Economics 3 hrs.

Additional courses for pharmaceutical business majors pursuing the business analytics concentration include:

- ACCT 3141 Intermediate Managerial Accounting 1 3 hrs.
- ACCT 3151 Intermediate Managerial Accounting 2 3 hrs.
- ACCT 4021 Current Topics in Accounting 3 hrs.
- ACCT Accounting Elective 3 hrs.

Additional courses for pharmaceutical business majors pursuing the human resources management concentration include:

- MGMT 3631 Human Resource Mgmt. 3 hrs.
- PHBU 4151 Compensation Management 3 hrs.
- PHBU 4571 Project Management 3 hrs.
- PHBU 3751 Mgmt. Decision Making 3 hrs.
- PHBU 4121 Health Care Management 3 hrs.
- MGMT Management Elective 3 hrs.

Additional courses for pharmaceutical business majors pursuing the manufacturing management concentration include:

- PHBU 3751 Management Decision Making 3 hrs.
- PHBU 4121 Health Care Management 3 hrs.
- PHBU 4571 Project Management 3 hrs.
- TECH 4111 Product Manufacturing 4 hrs.
- TECH 4121 Manufacturing Management 3 hrs.
- MGMT Management Elective 3 hrs.
Additional courses for pharmaceutical business majors pursuing the marketing concentration include:

PHBU 3341  Marketing Research  3 hrs.
PHBU 3521  Consumer Behavior  3 hrs.
PHBU 3631  Product Development  3 hrs.
PHBU 4711  Sales & Customer Relationship Management  3 hrs.
PHBU 4731  Supply Chain Management  3 hrs.
MRKT 3631  Marketing Elective  3 hrs.

Bachelor of Science in Business Administration Risk Management and Insurance Major

The risk management and insurance major prepares students for careers in enterprise risk management or insurance. The Management Major curriculum includes the general education requirements (above), the BIZ Core courses (above) plus the following coursework:

RMI 2621  Risk Management and Insurance  3 hrs.
RMI 3211  Life and Health Insurance Fundamentals  3 hrs.
RMI 3241  Property and Liability Insurance Fundamentals  3 hrs.
RMI 3751  Management Decision Making  3 hrs.
RMI 3631  Human Resource Management  3 hrs.
RMI 4151  Compensation Management  3 hrs.
RMI 4111  RMI Elective  3 hrs.

Dual Majors and Minors

No course used to satisfy a major or minor requirement in the college may be counted as a discipline elective in the completion of a second major or minor in the College.

Minors and Minor Course Requirements

The Dicke College of Business Administration offers minors in business administration, entrepreneurship, finance, international business, management, and marketing.

Minor in Business Administration

The Business Administration minor is available only to non-business majors. A "C" grade or higher is required in all courses. A minimum of 15 hours required for the minor must be completed at Ohio Northern University.

ABUS 2221  Principles of Entrepreneurship  3 hrs.
BIZ 2021  Microeconomic Foundations  3 hrs.
BIZ 2111, 2121 Accounting Foundations  6 hrs.
BIZ 2131  Legal Environment  3 hrs.
BIZ 2331  Behavioral Management for Business Planning  3 hrs.
BIZ 2511  Marketing for Business Planning  3 hrs.
BIZ 3621  Financial Analysis  3 hrs.
TOTAL:  24 hrs.

Minor in Entrepreneurship

The Entrepreneurship minor is available to both business and non-business majors with an interest in new venture creation. Courses to be used to satisfy the elective requirements of the minor must be approved. The elective courses will be related to the student’s entrepreneurial interests and will complement his/her academic background. A minimum of 12 hours required for the minor must be completed at Ohio Northern University.

ABUS 2221  Principles of Entrepreneurship  3 hrs.
ABUS 3331  Entrepreneurial Finance or  3 hrs.
BIZ 2111  Financial Accounting Foundations  3 hrs.
BIZ 2511  Marketing for Business Planning  3 hrs.
One approved Program Elective  3 hrs.
ABUS 4441  New Venture Creation  3 hrs.
Choose one of:
MGMT 4741  Small Business Management  3 hrs.
MGMT 4771  Non-profit management  3 hrs.
MRKT 3631  Product Development  3 hrs.
TOTAL  18 hrs.

Minor in Finance

The minor is available to both business and non-business majors. A grade of “C” or higher is required in all of the finance courses. A minimum of 12 hours required for the minor must be completed at Ohio Northern University. A grade of “C” or higher is required in all business courses. A minimum of 12 hours required for the minor must be completed at Ohio Northern University.

158 BUSINESS ADMINISTRATION
Degree Requirements Bachelor of Science Degree

Bachelor of Science in Business Administration
It is the student’s responsibility to assure that all of the graduation requirements for the degree and major(s) sought are satisfied:
1. The university general education requirements.
2. The BIZ Core requirements.
3. The specific major requirements and electives.
4. Satisfactory completion and presentation of a minimum of 10 semester hours of appropriate course work for the specific major(s).
5. A minimum of 18 hours of required business courses at the 300 or 400 level to be completed at Ohio Northern University with at least 12 of these hours taken in the student’s major.
6. A minimum 2.00 grade point average.
7. A letter grade of ‘C’ or better in all but one course specified in (2) and (3) above.

GENERAL REGULATIONS FOR UNDERGRADUATE STUDENTS IN THE COLLEGE OF BUSINESS ADMINISTRATION
1. A student may not register for more than 19 hours of academic course work without the dean’s written approval. A normal program consists of 12 to 19 scheduled hours. See page 10 for overload charges beyond 19 credit hours.
2. All freshmen in the College of Business Administration are required to take BIZ Lab 1.
3. All students are expected to participate in college program assessment activities.
4. All students are expected to participate in selected college-sponsored service activities that contribute to professional development.
5. A student indicates his/her major choice by completing a declaration of major form available in the Office of the Dean. Faculty advisors assist the student in the planning of his/her major.
6. Each student enrolled in the College of Business Administration is expected to make consistent progress toward completion of the degree requirements of his/her major(s).
7. Students need to complete BIZ 2111 with a C grade or higher before attempting BIZ 2121.
8. With the written permission of the instructor and the dean, course prerequisites may be waived.
9. Except where noted in the course descriptions, credit hours earned in repeated courses may be counted only once in the total hours required for graduation.
10. A student not enrolled for one academic year (except on approved academic leave) must meet graduation requirements in the catalog effective for the academic year during which the student reentered.
11. Students must have junior standing or higher to enroll in 300 and 400 level College of Business Administration courses.
12. Not later than the conclusion of the first year in the DCBA, students must provide documentation of proficiency with each element of the standard suite of software productivity tools (email, calendar, word processing, presentation graphics, and spreadsheet). Proficiency documentation may take the form of completing ABUS 2011, Personal Computer Applications for Business with a grade of ‘C’ or higher or by providing certifications of proficiency from approved credentialers. Information about approved certifications is available from the Dean’s office.
13. Non-College of Business Administration majors may not accumulate more than 30 hours of credit in business courses without the written approval of the dean of the College of Business Administration.
14. Credit earned in independent study is not normally counted as credit toward a major.
15. Dual Majors and Minors: No course used to satisfy a major or minor requirement in the college may be counted as a discipline elective in the completion of a second major or minor in the College.

S/U Grade Option
Students in the College of Business are not permitted to register for courses on an S/U (Satisfactory/Unsatisfactory) basis if the course is offered on a graded basis.

Service and Activities Courses
A combined maximum of 15 hours of credit in varsity sports, physical education activity service courses, applied music and music performance courses may be counted for graduation.

Classification of Students
For purposes of classification, the minimum requirement for sophomore standing is 30 semester hours of completed academic work and provide evidence of proficiency with each element of the standard suite of software productivity tools (email, calendar, word processing, presentation graphics, and spreadsheet; see General Regulation #12 above).
Junior standing: a minimum of 60 semester hours of credit including the following courses or their articulated equivalents: BIZ 2021 and 2031; BIZ 2111 and 2121; STAT 1561 and 2561
Senior standing: a minimum of 90 semester hours of credit and completion of the Business Core.

Academic Standing
A grade point average of 2.00 or higher is required for graduation. If a student’s accumulative grade point average falls below 2.00, he/she is placed on academic probation and is not eligible to participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.
Any student on probation whose work for the following semester continues below 2.00 accumulative grade point average will have his/her record reviewed by the Academic Qualifications and Scholarship Committee of the college and may be recommended to the dean for suspension or dismissal from the college. Any student with a semester GPA of 1.00 or lower may be placed on probation or suspended.

Pre-law Program
Business students interested in the Pre-law Program will find a complete description on page 20 of this catalog.

Internship Program
Each student in the Dicke College must complete a supervised internship appropriate for their major. The internship program in the Dicke College is designed to help students gain a valuable career experience while still in college. The internship combines the concepts discussed in the classroom with practical on-the-job experiences to help prepare the businessmen and businesswomen of tomorrow. Domestic internship sites are available to fit the interests of each student. International internship opportunities are also available.

Any student on probation whose work for the following semester continues below 2.00 accumulative grade point average will have his/her record reviewed by the Academic Qualifications and Scholarship Committee of the college and may be recommended to the dean for suspension or dismissal from the college. Any student with a semester GPA of 1.00 or lower may be placed on probation or suspended.

Students pursuing two or more majors in the James F. Dicke College of Business Administration must complete a distinct internship experience for each major.

To participate in the internship program, a student must have junior or senior status, be in good academic standing, and obtain the approval of the Director of Experiential Learning.

Dual Degree Programs
Information concerning dual degree programs involving the College of Business Administration appears on page 20 of this catalog. Students may receive further details in the office of the dean of the college.
Microsoft Authorized Testing Center

The College of Business Administration houses an authorized testing center for Microsoft Office certification. The certification program is designed to validate desktop computer skills using Microsoft Office applications. Certification proves computer literacy, measures proficiency, and identifies opportunity for skills enhancement. Certification testing is available for Microsoft Word, Excel, PowerPoint, Access, and Outlook applications. Internet and Computing Core Certification (IC³) testing is also available in the College of Business Administration.

International Business Experience Program

The international business experience program is coordinated by the College’s International Experience Committee. Students may participate in study abroad, work abroad, or student exchange. Study abroad may take place at virtually any foreign college or university if the academic program is determined to meet certain standards for transfer of credit. Students are encouraged to enroll for a full academic year abroad. In some cases, study may occur during the summer or for a lesser period during the academic year.

Work abroad is available to ONU business students in cooperation with the Council on International Educational Exchange. This option may be combined with study abroad or pursued independently during the summer. A special bonus is that such employment may qualify the student to earn up to 15 credits toward graduation through the internship program.

Formal agreements for the exchange of students between Ohio Northern University and several prominent foreign institutions offer many opportunities for business students. These include Glasgow Caledonian University (Scotland), the University of Science and Technology of Lille (France), Robert Schuman University (France), the Plekhanov Economic Academy (Russia), Amhem Business School (Netherlands), Helsinki School of Economics (Finland), Instituto Tecnologico y de Estudios Superiores de Monterrey, Campus Queretaro (Mexico), the University of Aarhus (Denmark), Southern Cross University (Australia), Kansai Gaidai University (Japan) and Hanyang University (Korea). Additional study-abroad experiences have taken place at the University of Havana (Cuba), Copenhagen Business School (Denmark), University of Lüneburg (Germany), University of Turin (Italy), the London School of Economics (England), and Queensland University (Australia).

Students with a foreign language background are likely to find that they have more opportunity to take advantage of these programs. All business students therefore are strongly advised to continue their foreign language study at ONU. Those who have no prior course work in foreign language are encouraged to incorporate such courses into their undergraduate studies.

COLLEGE OF BUSINESS ADMINISTRATION

Subject - General Business (ABUS)

ABUS 1901-Special Topics in Business
3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ABUS 1911-ST-Young Women’s Leadership Experience
1 Credit Grading mode is S/U
Topics in the Business and Entrepreneurship fields. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ABUS 2011-Personal Computer Applications for Business
3 Credits
Business applications for microcomputers. Introductory level use of software for word processing, file management, spreadsheets, and graphics. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Business Administration, Arts and Sciences. Must be enrolled in one of the following Major fields of study: Accounting, Finance, International Business & Econ, Management, Marketing, Mathematical Statistics, Pharmaceutical Business, Risk Management and Insurance. Course Attributes: Effective Comm Non-Writing.

ABUS 2221-Principles of Entrepreneurship
3 Credits
Entrepreneurship and new venture creation. Offered fall and spring semesters. Course Attributes: Diversity-Human Interaction, Effective Communication Non-Writing, Informed Ethical Responses.

ABUS 2901-Special Topics in Business
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ABUS 3331-Entrepreneurial Finance
3 Credits
Basic financial and accounting concepts; financial planning; obtaining finance; use and analysis of financial statements; cash flow management and budgeting in a new venture or entrepreneurial organization. Prerequisite(s): ABUS 2221. May not be enrolled in one of the following Colleges: Business Administration. Must be enrolled in one of the following Minor fields of study: Entrepreneurship. Course Attributes: Critical and Creative Thinking, Informed Ethical Responses.

ABUS 3901-Special Topics in Business
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ABUS 4441-New Venture Creation
3 Credits
Capstone course for the Entrepreneurship minor. Develop a business plan to support the launch of a new business venture. Offered fall and spring semesters. Prerequisite(s): ABUS 2221 or ABUS 222. Course Attributes: Effective Communication Non-Writing, Requires Instructor Approval, Scientific and Quantitative Literacy.

ABUS 4901-Special Topics in Business
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

Subject - Accounting (ACCT)

ACCT 1901-Special Topics in Accounting
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ACCT 2901-Special Topics in Accounting
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ACCT 3011-Intermediate Financial Accounting 1
3 Credits
Financial accounting functions and basic theory. Preparation of financial statements. Prerequisite(s): BIZ 2121.

ACCT 3021-Intermediate Financial Accounting 2
3 Credits
Preparation of financial statements, working capital, operational assets, long-term liabilities, leases and owners equity. Offered spring semester. Prerequisite(s): ACCT 3011 or ACCT 301.

ACCT 3141-Intermediate Managerial Accounting 1
3 Credits

160 BUSINESS ADMINISTRATION
ACCT 3151-Intermediate Managerial Accounting 2
3 Credits

ACCT 3871-Taxation 1
3 Credits
Tax concepts in the taxation of individuals and entities. The role of taxation in business decisions, how to conduct basic tax research, tax planning, and professional standards and ethics. Interrelationships and differences between financial and tax accounting. Prerequisite(s): BIZ 2111.

ACCT 3901-Special Topics in Accounting
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ACCT 4021-Current Topics in Accounting
3 Credits
Accounting and reporting for not-for-profit organizations including state and local governments and colleges/universities (public and private). Emphasis given to Comprehensive Annual Financial Report (CAFR). In addition, other current topics in Accounting will be covered including International Financial Reporting Standards (IFRS), business combinations and consolidations, and others as deemed appropriate. Prerequisite(s): ACCT 3021.

ACCT 4031-Auditing 1
3 Credits
Auditor’s professional ethics and legal liability. Business processes and internal control structure, including current AIS topics. Auditing procedures and practices relating to the independent verification of financial records, including assessment of the internal control system, audit evidence, issues of materiality and risk, and audit reports. Offered fall semester. Prerequisite(s): BIZ 2121.

ACCT 4041-Auditing 2
3 Credits
Continuation of ACCT 4031, including statistical sampling in auditing, computer technology in auditing, auditor’s responsibility for detecting fraud, and current issues and problems in auditing. Offered spring semester. Prerequisite(s): ACCT 4031.

ACCT 4351-International Financial Accounting
3 Credits
Guiding principles behind international financial reporting standards (IFRS): commonalities, substantial divergences between US GAAP and IFRS. Financial Accounting from a multinational viewpoint involving foreign currency transactions and translation of financial statements denominated in a foreign currency. Also listed as IBEC 4351. Offered spring semester. Prerequisite(s): ACCT 3021.

ACCT 4901-Special Topics in Accounting
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

ACCT 4991-Independent Study in Accounting
1 to 3 Credits
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - Core (BIZ)

BIZ 0001-Biz Lab 1
1 Credit Grading mode is S/U
Familiarization with the college, requirements of majors and general education, planning sequences of courses, university catalog. Introduce the Student Leadership Challenge as a vehicle for improved student leadership in the college. Activities include college required program assessment. Offered fall semester. Corequisite(s): BIZ 1001. Must be enrolled in one of the following Colleges: Business Administration.

BIZ 1001-Free Enterprise and Business Planning
3 Credits
Integrative business survey course designed to introduce students to the free enterprise system via a business planning model. An overview of the key functions of business including accounting, finance, management, marketing, operations and human resources and career opportunities pertaining to each. Business majors only. Offered fall semester. Must be enrolled in one of the following Colleges: Business Administration. Course Attributes: Critical and Creative Thinking, Effective Communication Writing, Integration Across Disciplines.

BIZ 1201-Ethics for Business Planning
3 Credits
Systematic examination of alternative ethical decision making approaches necessary to business planning. Provides a critical thinking framework for analysis and discussion of alternative ethical decision making approaches. Case analysis provides experience in the implementation of the ethical decision making framework. Offered spring semester. Must be enrolled in one of the following Colleges: Business Administration. Course Attributes: Informed Ethical Responses.

BIZ 2021-Microeconomic Foundations for Business Planning
3 Credits
Economics of the individual firm in the free market economy; competitive and monopolistic markets with a business planning focus. How prices ration goods and services to users, and the principles on which the total product is divided among the owners of the factors of production. Course Attributes: Social Science, Integration Across Disciplines.

BIZ 2031-Macroeconomic Foundations for Business Planning
3 Credits
Forces that determine the behavior of national income and output, unemployment, and the price level with a business planning focus. Rudiments of money and banking, monetary and fiscal policy, growth and development. The dynamics between macroeconomy and business. Course Attributes: Social Science, Informed Ethical Responses.

BIZ 2111-Financial Accounting Foundations for Business Planning
3 Credits
Analysis and recording of business transactions and accumulating data on the results of economic activity to support business planning. Concepts and issues of financial reporting for business entities, including basic theory of the report writing model. Basic financial statement analysis. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

BIZ 2121-Managerial Accounting Tools for Business Planning
3 Credits
Uses of accounting data to support business planning and management decision-making and control of business operations, determination of costs and cost behavior. Offered spring semester. Prerequisite(s): BIZ 2111 Minimum Grade of C. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

BIZ 2131-Legal Environment for Business Planning
3 Credits
Legal environment concepts and contract, agency, employment, business organization, property, and consumer law applied to business planning. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.
BIZ 2331-BeHAVIORAL MANAGEMENT FOR BUSINESS PLANNING
3 Credits
Modern management concepts with emphasis on the human factors involved in a successful business plan. Historical foundations, individual, group, and organizational process including current management issues. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

BIZ 2401-INFORMATION SYSTEMS FOR BUSINESS PLANNING
3 Credits
The development, design and implementation of information systems for business planning. Terminology, concepts, and trends in computer hardware and software. Offered fall and spring semesters.

BIZ 2511-MarkETING FOR BUSINESS PLANNING
3 Credits
Principles of marketing strategy in the business planning process. Product design and planning, promotional activities, pricing strategy, aspects of physical distribution, retailing, market research, buyer behavior, ethics and global marketing. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

BIZ 2801-CAREER PLANNING AND PREPAREDNESS
3 Credits
Career development from résumé writing to negotiating job offers. Development of written, electronic, and oral communication skills in employment search. Critiques of résumés, cover letters, and interview styles. Career and industry exercises. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Business Administration. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

BIZ 3001-GLOBAL ENVIRONMENT FOR BUSINESS PLANNING
3 Credits
Functional and environmental features of global business in the business planning process. Analysis of economic, cultural, legal and political forces affecting global business operations. Examination of organizational responses to the challenges of global business organizations. Formerly IBEC 300. Offered fall and spring semesters. Prerequisite(s): BIZ 2031. Course Attributes: Diversity-Human Interaction, Effective Communication Writing, Informed Ethical Responses.

BIZ 3621-FINANCIAL ANALYSIS FOR BUSINESS PLANNING
3 Credits
The role of financial analysis within the business planning process. Time value of money and risk/return concepts serve as the foundation for valuing (analyzing) the firm’s sources of capital (debt and equity) and effectively allocating these funds through the capital budgeting process. Offered fall and spring semesters. Prerequisite(s): BIZ 2111 and STAT 2561.

BIZ 3641-QUANTITATIVE MANAGEMENT FOR BUSINESS PLANNING
3 Credits
Major issues and analytical problem solving techniques in the field of operations management that are used to successfully control the transformation of resources into products and services as established in a business plan. Offered fall and spring semesters. Prerequisite(s): BIZ 2331 and STAT 2561. Must be enrolled in one of the following Classifications: Junior, Senior.

BIZ 3991-BIZ LAB 2
1 Credit Grading mode is S/U
Preparation for senior capstone. Activities cultivate synthesis of BIZ core curriculum courses, initial selection of senior capstone project, and college required program assessment activities. Must be enrolled in one of the following Colleges: Business Administration. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Critical and Creative Thinking.

BIZ 4851-INTEGRATED BUSINESS PLANNING 1
2 Credits
Capstone course integrates tools and concepts from Business core courses. Develops strategic thinking and analysis for business planning. Case study is emphasized. Taken concurrently with BIZ 4852. Offered fall semester. Prerequisite(s): BIZ 2121 and BIZ 2511 and BIZ 2801 and BIZ 3001 and BIZ 3621 and BIZ 3641. Corequisite(s): BIZ 4852. Must be enrolled in one of the following Fields of Study: Accounting, Finance, International Business & Economics, Management, Marketing, Pharmaceutical Business. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

BIZ 4852-BUSINESS PLANNING LAB
1 Credit
Lab for BIZ 4851. Taken concurrently with BIZ 4851. Corequisite(s): BIZ 4851. Course Attributes: Integration Across Disciplines.

BIZ 4861-INTEGRATED BUSINESS PLANNING 2
1 Credit
Continuation of BIZ 4851. Completion of a strategic business plan for an applied business case. Offered spring semester. Prerequisite(s): BIZ 4851. Must be enrolled in one of the following Fields of Study: Accounting, Finance, International Business & Economics, Management, Marketing, Pharmaceutical Business. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Integration Across Disciplines.

BIZ 4911-INTERNSHIP IN ACCOUNTING
1 to 15 Credits Grading mode is S/U
Field experience in accounting. Can be repeated for a maximum of 16 credit hours. Up to 3 hours can be used to satisfy the accounting major requirement. Additional hours can be used as general elective hours and cannot be used to satisfy either accounting or business elective requirements. Consult advisor. Formerly ACCT 427. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Accounting. This course is repeatable for a total of 15 hours. Course Attributes: Requires Instructor Approval.

BIZ 4921-INTERNSHIP IN FINANCE
1 to 15 Credits Grading mode is S/U
Field experience in Finance. Can be repeated for a maximum of 16 credit hours. Up to 3 hours can be used to satisfy the finance major requirement. Additional hours can be used as general elective hours and cannot be used to satisfy either finance or business elective requirements. Consult advisor. Formerly FINC 421. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Finance. This course is repeatable for a total of 15 hours. Course Attributes: Requires Instructor Approval.

BIZ 4931-INTERNSHIP IN INTERNATIONAL BUSINESS AND ECONOMICS
1 to 15 Credits Grading mode is S/U
Field experience in international business and economics. Can be repeated for a maximum of 16 credit hours. Up to 3 hours can be used to satisfy the international business and economics major requirement. Additional hours can be used as general elective hours and cannot be used to satisfy either international business and economics or business elective requirements. Open only to international business and economics majors. Consult advisor. Formerly IBEC 426. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: International Business & Economics. This course is repeatable for a total of 15 hours. Course Attributes: Requires Instructor Approval.

BIZ 4941-INTERNSHIP IN MANAGEMENT
1 to 15 Credits Grading mode is S/U
Field experience in Management. Can be repeated for a maximum of 16 credit hours. Up to 3 hours can be used to satisfy the management major requirement. Additional hours can be used as general elective hours and cannot be used to satisfy either management or business elective requirements. Consult advisor. Formerly MGMT 425. Offered fall and spring semesters. Must be enrolled in one of the following Fields of Study: Management. This course is repeatable for a total of 15 hours. Course Attributes: Requires Instructor Approval.
FINC 1101 - Personal Finance
3 Credits
Personal and family financial planning with an emphasis on financial recordkeeping, budgeting, tax planning, consumer credit, housing, insurance, investments and retirement and estate planning. Offered fall and spring semesters.

FINC 1901 - Special Topics in Finance
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

FINC 2901 - Special Topics in Finance
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

FINC 3651 - Introduction to Health Care Systems Finance
3 Credits
The course introduces basic concepts, principles and practices associated with the financial aspects of the U.S. health care delivery system. Prerequisite(s): BIZ 2021 and BIZ 3621 Minimum Grade of C. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

FINC 3681 - Working Capital Management
3 Credits
Planning for and management of short term funds within the firm. Topics include cash management, short term investments, receivables management, and short term borrowings. Globalization of financial services delivery, and international cash management and foreign exchange risk emphasized. Techniques used to manage short term surplus funds and hedge for short term foreign exchange risk exposures discussed. Offered spring semester. Prerequisite(s): BIZ 3621 Minimum Grade of C.

FINC 3691 - Intermediate Financial Management
3 Credits
Advanced concepts and methods employed in financial management. Topics include financial analysis and planning, working capital management, risk analysis and valuation of long-term investments, and capital structure analysis. Offered fall semester. Prerequisite(s): BIZ 3621 Minimum Grade of C.

FINC 3901 - Special Topics in Finance
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

FINC 4601 - Financial Markets and Institutions
3 Credits
Policies and decisions regarding asset, liability, and capital management of a variety of financial institutions such as banks, insurance companies, pension funds, mutual funds and others within the legal, competitive and economic environment. Offered spring semester. Prerequisite(s): BIZ 2031 and BIZ 3621 Minimum Grade of C.

FINC 4611 - Investments & Wealth Management
3 Credits
The risk-return trade off and distinctive characteristics of different vehicles of financial investment including equities; debt and derivatives; portfolio management; the functioning and regulation of securities markets; the operations of mutual funds and other investment companies. The Efficient Markets Hypothesis receives special attention. Foundations for corporate as well as personal investment decisions. Offered fall and spring semesters. Prerequisite(s): BIZ 3621 Minimum Grade of C.

FINC 4671 - International Finance
3 Credits
The unique financial challenges and opportunities faced by a multinational enterprise. Hedging as a pivotal tool of exchange rate risk management; the long-term and short-term financing opportunities available to a multinational enterprise; international cash management; and multinational capital budgeting. Also listed as IBEC 4671. Offered spring semester. Prerequisite(s): BIZ 3001 and BIZ 3621 Minimum Grade of C.

FINC 4901 - Special Topics in Finance
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

FINC 5001 - Independent Study in Finance
1 to 3 Credits
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - International Business and Economics (IBEC)

IBEC 1901 - Special Topics in International Business and Economics
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

IBEC 2901 - Special Topics in International Business and Economics
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

IBEC 3521 - Money and Banking
3 Credits
Theories of money and credit; commercial banking practices; reserve banking; monetary and banking laws; money market; money and credit in the world economy. (Discipline: Economics.) Offered fall semester. Prerequisite(s): (BIZ 2031 or BIZ 203 or IBEC 203) and (BIZ 2021 or BIZ 202 or IBEC 202).
IBEC 3661-Pharmaceutical Economics
3 Credits
Economic analysis of the pharmaceutical industry. Cost and benefit analysis of industry choices; drug therapy costs and health care outcomes; market structure analysis; patients and trademarks; and government policy impacts. (Discipline: Economics.) Also listed as PHBU 3661. Offered fall semester. Prerequisite(s): BIZ 2021 and BIZ 2031. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

IBEC 3831-Managerial Economics
3 Credits
Application of economic principles to managerial concerns. Use of interdisciplinary Quantitative methods such as optimization analysis, game theory, statistics, and forecasting to solve business problems and predict managerial responses to changes in the business environment. Also listed as PHBU 3831. Prerequisite(s): BIZ 2021. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

IBEC 3861-Development Economics
3 Credits
Special problems faced by less developed countries and the economic mechanisms that effect living standards. Topics include population growth, the demographic transition, savings and capital accumulation, education and human capital, health and human capital, institutions and the development process, the role of history and multiple equilibria, the role of expectations and multiple equilibria, and economic integration. Prerequisite(s): BIZ 2021 or BIZ 2031.

IBEC 3871-Exporting
3 Credits
Tools, mechanics, opportunities, key success factors, unique challenges of exporting successfully: global market, industry and product assessment, export controls, export intermediaries and distribution, export pricing and terms of sale including INCO terms, documentation requirements, shipping terminology, export financing and credit, risk sharing, modes of entry, government export support programs. Regional and specific industry emphases. Presented in applied fashion using industry level export documentation/planning software, field trip, speakers, and an experiential project. Offered spring semester. Prerequisite(s): BIZ 3001 or BIZ 300 or IBEC 300.

IBEC 3901-Special Topics in International Business and Economics
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

IBEC 4301-Applied Econometrics
3 Credits
Introductory econometrics. Application of statistical methods to economic, business and social science topics. (Discipline: Economics.) Also listed as PHBU 4301. Offered spring semester. Prerequisite(s): BIZ 2021 and BIZ 2031 and STAT 2561. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

IBEC 4351-International Financial Accounting
3 Credits
Guiding principles behind international financial reporting standards (IFRS): commonalities, substantial divergences between US GAAP and IFRS. Financial Accounting from a multinational viewpoint involving foreign currency transactions and translation of financial statements denominated in a foreign currency. Also listed as ACCT 4351. Offered spring semester. Prerequisite(s): ACCT 3021. May not be enrolled in one of the following Fields of Study: Accounting.

IBEC 4531-International Marketing
3 Credits
World markets, their respective consumers and environments, and the marketing management required to meet the demand of world markets in a dynamic and everchanging setting. Contrasting marketing in the United States with marketing in foreign countries. Case studies illustrate marketing problems faced by international marketers. (Also listed as MRKT 4531.) Offered fall semester. Prerequisite(s): BIZ 2511 and BIZ 3001. May not be enrolled in one of the following Fields of Study: Marketing.

IBEC 4671-International Finance
3 Credits
The unique financial challenges and opportunities faced by a multinational enterprise. Hedging as a pivotal tool of exchange rate risk management; the long-term and short-term financing opportunities available to a multinational enterprise; international cash management; and multinational capital budgeting. Also listed as FINC 4671. Offered spring semester. Prerequisite(s): BIZ 3001 and BIZ 3621 Minimum Grade of C. May not be enrolled in one of the following Fields of Study: Finance.

IBEC 4681-International Management
3 Credits
The application of management concepts and techniques in a multinational environment. The meaning of culture as it applies to international management. Issues in international human resource management. A focus on relevant business simulations and cases. Also listed as MGMT 4681. Offered spring semester. Prerequisite(s): BIZ 2331. May not be enrolled in one of the following Fields of Study: Management.

IBEC 4901-Special Topics in International Business and Economics
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

IBEC 4971-Independent Study in International Business and Economics
1 to 3 Credits
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MGMT 1901-Special Topics in Management
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MGMT 2901-Special Topics in Management
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MGMT 3251-Employment Law
3 Credits
The legal relationship between employers and employees. Topics include the basic laws regulating labor relations, employment discrimination, workers' compensation and disability payments, occupational safety and health, employment, and unemployment compensation, termination of employment, and retirement. Prerequisite(s): BIZ 2131.

MGMT 3341-Cases and Exercises in Organizational Behavior
3 Credits
Experiential and case-based approach to managing organizational behavior. Offered spring semester. Prerequisite(s): BIZ 2331 or BIZ 233 or MGMT 333.

MGMT 3631-Human Resource Management
3 Credits
Analysis of the role of human resources in contemporary organizations. Functions performed by the human resource practitioner in the areas of recruitment, training and development, compensation, employee relations, health and safety, and employee separation. The impact of government regulations. Offered fall and spring semesters. Prerequisite(s): BIZ 2331.

MGMT 3751-Management Decision Making
3 Credits
Qualitative and Quantitative management tools and techniques used in problem solving and decision making. Qualitative tools include brainstorming, cause and effect diagrams, the nominal group technique, the Delphi technique, focus groups, force field analysis, competitive analysis, and value chain analysis. Quantitative methods concentrate on linear program-
MGMT 3901-Special Topics in Management
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MGMT 4001-Current Labor Relations
3 Credits
Managerial and organizational aspects arising out of employer/union relations. The evolution of labor relations, current labor law, negotiation and administration of labor agreements, and labor relations in the public sector as well as in foreign countries. Prerequisite(s): MGMT 3631.

MGMT 4101-Business and Society
3 Credits
The complex and dynamic interrelationships between business and society: the social, cultural, legal, ethical, economic and technological issues, philosophies and points of view which influence business. Issues of corporate responsibility, individual rights and multi-national business. Offered spring semester. Prerequisite(s): BIZ 2331.

MGMT 4121-Health Care Management
3 Credits
Special management issues in the health sector: governance, human resources, financial statements and resource seeking, and performance assessments. Also listed as PHBU 4121. Offered spring semester. Prerequisite(s): BIZ 2331. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MGMT 4151-Compensation Management
3 Credits
Compensation and benefits fundamentals, strategies, practices, and current issues, including wage level determinants, job requirements, wage and salary structures, incentive systems, methods of job evaluation and wage payments, fringe benefits. Also listed as PHBU 4151. Offered spring semester. Prerequisite(s): MGMT 3631. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MGMT 4571-Project Management
3 Credits
Managerial planning and control. Tools and techniques involved in managing projects. Exercises in decision making and critical thinking. Also listed as PHBU 4571. Offered spring semester. Prerequisite(s): BIZ 2331. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MGMT 4711-Small Business Management
3 Credits
The importance of small business, its current status, problems encountered and requirements for successful operations. Emphasis on problem solving techniques for small business. Prerequisite(s): BIZ 1001 or ABUS 2221.

MGMT 4771-Nonprofit Management
3 Credits
Special management issues in the nonprofit sector: governance, human resources, financial statements and resource seeking, performance assessment, and current issues of concern to nonprofit managers. Offered fall semester. Prerequisite(s): BIZ 2331.

MGMT 4775-Executive Classroom: Leadership Realities
3 Credits
Develop leadership skills for students who will work in interdisciplinary teams shortly after graduation. Must be enrolled in one of the following Colleges: Business Administration. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Requires Instructor Approval.

MGMT 4861-International Management
3 Credits
The application of management concepts and techniques in a multinational environment. The meaning of culture as it applies to international management. Issues in international human resource management. A focus on relevant business simulations and cases. Offered spring semester. Prerequisite(s): BIZ 2331. May not be enrolled in one of the following Fields of Study: International Business & Economics.

MGMT 4901-Special Topics in Management
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MGMT 4981-Independent Study in Management
1 to 3 Credits Grading mode is S/U
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

Subject - Marketing (MRKT)

MRKT 1901-Special Topics in Marketing
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MRKT 2901-Special Topics in Marketing
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MRKT 3341-Marketing Research
3 Credits
Research design, data collection methods, sampling techniques, tabulation, analysis and presentation of information concerning problems in marketing. Provides a working knowledge of the concepts and methods of marketing research. Also listed as PHBU 3341. Prerequisite(s): BIZ 2511 and STAT 1561. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MRKT 3521-Consumer Behavior
3 Credits
Determinants of behavior which influence the purchase of goods and services. Consumer characteristics, situation analysis and product attributes are key topics covered in this area of behavior. Sociological, cultural, psychological, economic and communication theories used to create unique marketing mixes for specialized target markets. Also listed as PHBU 3521. Prerequisite(s): BIZ 2511. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MRKT 3541-GIS for Marketing
3 Credits
Geographies of markets, analysis of the location of markets, spatial and temporal trends, mapping markets, and GIS. Also listed as GGMK 3541. Course Attributes: Scientific and Quantitative Literacy.

MRKT 3631-Product Development
3 Credits
Issues in the development and marketing of new products and services. Also listed as PHBU 3631. Prerequisite(s): BIZ 2511. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MRKT 3901-Special Topics in Marketing
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.
MRKT 4531-International Marketing
3 Credits
World markets, their respective consumers and environments, and the marketing management required to meet the demand of world markets in a dynamic and everchanging setting. Contrasting marketing in the United States with marketing in foreign countries. Case studies illustrate marketing problems faced by international marketers. Also listed as IBEC 4531. Prerequisite(s): BIZ 2511 and BIZ 3001. May not be enrolled in one of the following Fields of Study: International Business & Economics.

MRKT 4601-Integrated Marketing Communication
3 Credits
Management of the promotion mix and how its elements can be integrated to solve marketing communication problems. Specific topics include: advertising, personal selling, sales promotion, direct marketing, internet marketing and public relations. Prerequisite(s): BIZ 2511.

MRKT 4701-Retailing
3 Credits
Retail store formats, trading area analysis, store location and design, inventory evaluation and management, pricing strategies, sales promotion, merchandise planning, procurement and selling functions. Offered fall semester. Prerequisite(s): BIZ 2511.

MRKT 4711-Sales and Customer Relationship Management
3 Credits
Aspects of the behavioral approach to selling in the context of the marketing concept. Selling techniques which build long term customer relationships. Prospecting, ethics, qualifying, presenting, product demonstrations, handling objections, closing and follow up techniques, and international selling. Also listed as PHBU 4711. Prerequisite(s): BIZ 2511. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MRKT 4731-Supply Chain Management
3 Credits
Move-storage activities that are necessary to deliver products to the right place, at the desired time, in the appropriate condition and at the lowest cost. Warehousing, transportation, order processing, inventory and material handling are key topics. Emphasis is given to the development of decision skills which will provide the best minimum total cost service to the customer. Also listed as PHBU 4731. Offered spring semester. Prerequisite(s): BIZ 2331 and BIZ 2511. May not be enrolled in one of the following Fields of Study: Pharmaceutical Business.

MRKT 4761-Business to Business Marketing
3 Credits
Basic business marketing systems as distinguished from consumer marketing. Characteristics of manufacturer's goods, channels of distribution, pricing, vendor and value analysis, commercial buying, advertising, and meeting product specifications. Prerequisite(s): BIZ 2511.

MRKT 4901-Special Topics in Marketing
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

MRKT 4961-Independent Study in Marketing
1 to 3 Credits
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Offered fall and spring semesters. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

MRKT 4991-Advanced Marketing
3 Credits
Integrative course in marketing which brings together all of the functional areas of marketing and requires development of marketing strategies and their application to problem situations. A group case approach is used. Must be enrolled in one of the following Fields of Study: Marketing, PHBU -Marketing Concentration. Must be enrolled in one of the following Classifications: Senior.

Subject - Pharmaceutical Business (PHBU)

PHBU 1901-Special Topics in Pharmaceutical Business
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

PHBU 2901-Special Topics in Pharmaceutical Business
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

PHBU 3051-Introduction to Pharmaceutical Science
3 Credits
Basic and pharmaceutical sciences including medical terminology, pharmacology, toxicology, medicinal chemistry, pharmacokinetics and pharmaceutics. The role of pharmaceutical sciences in the health care system. Offered spring semester. Prerequisite(s): BIOL 1101 and BIOL 2311 and CHEM 1201. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3171-Pharmaceutical Industry Legal Environment
3 Credits
Law and regulations related to the pharmaceutical industry. Offered spring semester. Prerequisite(s): BIZ 2131.

PHBU 3341-Marketing Research
3 Credits
Research design, data collection methods, sampling techniques, tabulation, analysis and presentation of information concerning problems in marketing. Provides a working knowledge of the concepts and methods of marketing research. Also listed as MRKT 3341. Prerequisite(s): BIZ 2511 and STAT 1561. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3521-Consumer Behavior
3 Credits
Determinants of behavior which influence the purchase of goods and services. Consumer characteristics, situation analysis and product attributes are key topics covered in this area of behavior. Sociological, cultural, psychological, economic and communication theories used to create unique marketing mixes for specialized target markets. Also listed as MRKT 3521. Prerequisite(s): BIZ 2511. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3631-Product Development
3 Credits
Issues in the development and marketing of new products and services. Also listed as MRKT 3631. Prerequisite(s): BIZ 2511. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3651-Introduction to Health Care Systems Finance
3 Credits
The course introduces basic concepts, principles, and practices associated with the financial aspects of the U.S. health care delivery system. Prerequisite(s): BIZ 2021 and BIZ 3621 Minimum Grade of C. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3661-Pharmaceutical Economics
3 Credits
Economic analysis of the pharmaceutical industry. Cost and benefit analysis of industry choices; drug therapy costs and health care outcomes; market structure analysis; patients and trademarks; and government policy impacts. (Discipline: Economics.) Also listed as IBEC 3661. Offered fall semester. Prerequisite(s): BIZ 2021 and BIZ 2031. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.
PHBU 3751-Management Decision Making  
3 Credits  
Qualitative and Quantitative management tools and techniques used in problem solving and decision making. Qualitative tools include brainstorming, cause and effect diagrams, the nominal group technique, the Delphi technique, focus groups, force field analysis, competitive analysis, and value chain analysis. Quantitative methods concentrate on linear programming and forecasting. Also listed as MGMT 3751. Offered fall semester. Prerequisite(s): STAT 2561. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 3831-Business Analytics  
3 Credits  
Application of economic principles to managerial concerns. Use of interdisciplinary Quantitative methods such as optimization analysis, game theory, statistics, and forecasting to solve business problems and predict managerial responses to changes in the business environment. Also listed as IBEC 3831. Prerequisite(s): BIZ 2021. Must be enrolled in one of the following Fields of Study: Marketing, Pharmaceutical Business.

PHBU 3901-Special Topics in Pharmaceutical Business  
1 to 3 Credits  
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

PHBU 3961-Independent Study in PHBU  
1 to 3 Credits  
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Course Attributes: Requires Department Approval.

PHBU 4121-Health Care Management  
3 Credits  
Special management issues in the health sector: governance, human resources, financial statements and resource seeking, and performance assessments. Also listed as MGMT 4121. Offered spring semester. Prerequisite(s): BIZ 2331. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 4151-Compensation Management  
3 Credits  
Compensation and benefits fundamentals, strategies, practices, and current issues, including wage level determinants, job requirements, wage and salary structures, incentive systems, methods of job evaluation and wage payments, fringe benefits. Also listed as MGMT 4151. Offered spring semester. Prerequisite(s): MGMT 3631. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 4301-Advanced Business Analytics  
3 Credits  
Introductory econometrics. Application of statistical methods to economic, business and social science topics. Also listed as IBEC 4301. Offered spring semester. Prerequisite(s): BIZ 2021 and BIZ 2031 and STAT 2561 and PHBU 3831. Must be enrolled in one of the following Fields of Study: Marketing, Pharmaceutical Business.

PHBU 4571-Project Management  
3 Credits  
Managerial planning and control. Tools and techniques involved in managing projects. Exercises in decision making and critical thinking. Also listed as MGMT 4571. Offered spring semester. Prerequisite(s): BIZ 2331. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 4711-Sales and Customer Relationship Management  
3 Credits  
Aspects of the behavioral approach to selling in the context of the marketing concept. Selling techniques which build long term customer relationships. Prospecting, ethics, qualifying, presenting, product demonstrations, handling objections, closing and follow up techniques, and international selling. Also listed as MRKT 4711. Prerequisite(s): BIZ 2511. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 4731-Supply Chain Management  
3 Credits  
Move-storage activities that are necessary to deliver products to the right place, at the desired time, in the appropriate condition and at the lowest cost. Warehousing, transportation, order processing, inventory and material handling are key topics. Emphasis is given to the development of decision skills which will provide the best minimum total cost service to the customer. Also listed as MRKT 4731. Offered spring semester. Prerequisite(s): BIZ 2331 and BIZ 2511. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business.

PHBU 4901-Special Topics in Pharmaceutical Business  
1 to 3 Credits  
Can be repeated as the topic varies. Offered fall and spring semesters. Unlimited repeats permitted.

PHBU 4961-Independent Study in PHBU  
1 to 3 Credits  
An in-depth exploration of a subject of special interest. Can be repeated as topic varies. Course Attributes: Requires Department Approval.

PHBU 4991-Advanced Marketing  
3 Credits  
Integrative course in marketing which brings together all of the functional areas of marketing and requires development of marketing strategies and their application to problem situations in the health care context. A group case approach is used. Must be enrolled in one of the following Fields of Study: PHBU -Marketing Concentration. Must be enrolled in one of the following Classifications: Senior.

Subject - Risk Management Insurance (RMI)  

RMI 2621-Risk Management and Insurance  
3 Credits  
Principles of personal risk management and insurance. Topics include property and liability insurance, life and health insurance, employee benefits, and social security. Discussion of the functional and financial aspects of insurers. Offered spring semesters. Prerequisite(s): STAT 2561 Minimum Grade of C.

RMI 3211-Life and Health Insurance Fundamentals  
3 Credits  
A study of the financial implications of death, disability and retirement, as well as the corresponding forms of individual life insurance, health insurance and annuities. Elementary life and health insurance programming, taxation, legal aspects, business uses of individual life and health insurance, regulation, and insurer operations and functions are covered. Prerequisite(s): RMI 2621 Minimum Grade of C.

RMI 3241-Property and Liability Insurance Fundamentals  
3 Credits  
A study of the property-liability insurance industry, including the economic and financial issues inherent in property-liability contracting. Specific topics include automobile insurance costs and prices, tort reform effects on insurance markets, economics of distribution systems, corporate governance and organizational form, financial pricing models, solvency measurement, solvency regulation and market discipline, reinsurance and catastrophic risk, underwriting and risk selection, rate making techniques, and underwriting cycles. Prerequisite(s): RMI 2621 Minimum Grade of C.

RMI 3631-Human Resource Management  
3 Credits  
Analysis of the role of human resources in contemporary organizations. Functions performed by the human resource practitioner in the areas of recruitment, training, and development, compensation, employee relations, health and safety, and employee separation. The impact of government regulations. Prerequisite(s): BIZ 2331 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.
RMI 3691-Intermediate Financial Management
3 Credits
Advanced concepts and methods employed in financial management. Topics include financial analysis and planning, working capital management, risk analysis and valuation of long-term investments, and capital structure analysis. Prerequisite(s): BIZ 3621 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 3751-Management Decision Making
3 Credits
Qualitative and Quantitative management tools and techniques used in problem solving and decision making. Qualitative tools include brainstorming, cause and effect diagrams, the nominal group technique, the Delphi technique, focus groups, force field analysis, competitive analysis, and value chain analysis. Quantitative methods concentrate on linear programming and forecasting. Prerequisite(s): BIZ 3641 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 3831-Business Analytics
3 Credits
Application of economic principles to managerial concerns. Use of interdisciplinary Quantitative methods such as optimization analysis, game theory, statistics, and forecasting to solve business problems and predict managerial responses to changes in the business environment. Prerequisite(s): BIZ 2021 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 4151-Compensation Management
3 Credits
Compensation and benefits fundamentals, strategies, practices, and current issues, including wage level determinants, job requirements, wage and salary structures, incentive systems, methods of job evaluation and wage payments, fringe benefits. Prerequisite(s): RMI 3631 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 4301-Advanced Business Analytics
3 Credits
Introductory econometrics. Application of statistical methods to economic, business and social science topics. Prerequisite(s): BIZ 2021 Minimum Grade of C and BIZ 2031 Minimum Grade of C and STAT 2561 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 4611-Investments and Wealth Management
3 Credits
The risk-return trade off and distinctive characteristics of different vehicles of financial investment including equities; debt and derivatives; portfolio management; the functioning and regulation of securities markets; the operation of mutual funds and other investment companies. The efficient Markets Hypothesis receives special attention. Foundations for corporate as well as personal investment decisions. Prerequisite(s): BIZ 3621 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

RMI 4711-Sales and Customer Relationship Management
3 Credits
Aspects of the behavioral approach to selling in the context of the marketing concept. Selling techniques which build long term customer relationships. Prospecting, ethics, qualifying, presenting, product demonstrations, handling objections, closing and follow up techniques, and international selling. Prerequisite(s): BIZ 2511 Minimum Grade of C. Must be enrolled in one of the following Major fields of study: Risk Management and Insurance.

MASTER OF PROFESSIONAL PRACTICE IN ACCOUNTING (MPPA) PROGRAM

Graduate Faculty: Professor M. Govekar, Woods; Associate Professors Christopher, Morgan.

Admission Standards
Admissions criteria for entry into the MPPA program include the following:

• General Minimum Application and Admissions Requirements
  • Earned Bachelor’s degree in Accounting or other Bachelor’s degree with coursework including Financial and Managerial Accounting Principles, Intermediate Accounting I & II, Auditing, and U.S. Federal Taxation
  • GMAT not required for applicants with overall undergraduate GPA of 3.25 or higher
  • Applicants with overall undergraduate GPA less than 3.25 must report a GMAT score of 500 or higher (Applicants with overall undergraduate GPA less than 3.0 must be approved by MPPA Program Committee)
  • TOEFL score, if applicable, of 600 for paper-based, 250 for computer-based, or 100 for Internet-based
  • Completion of online application form, including all requested documentation and references, and payment of application fee

• ONU Senior Accounting Majors
  • GMAT not required for students with overall undergraduate GPA of 3.25 or higher
  • GMAT with minimum score of 500 required for students with an undergraduate GPA of less than 3.25
  • Applicants with overall undergraduate GPA less than 3.0 must be approved by MPPA Program Committee
  • Completion of online application need not include transcripts of college work

• ONU Law Students
  • Undergraduate accounting degree or equivalent coursework (listed above) with 3.0 or greater GPA (see General Requirements above)
  • GMAT not required as LSAT score enabling entry into College of Law viewed as equivalent to minimum GMAT score
  • Completion of online MPPA application form. Documentation and references not required as the DCBA will use admissions materials generated in the College of Law admissions process

Any applicant not meeting the minimum requirements will be referred to the MPPA Program Committee for their review and decision.

Master of Professional Practice in Accounting Degree Requirements
The Master of Professional Practice in Accounting (MPPA) degree is a 30 semester hour graduate degree program. Students pursuing the MPPA degree select one of two program concentrations: a forensic accounting and audit services track (“FAAS-Track”) or a Tax Track (“TaxTrack”). The “FAAS-Track” provides a blended on-line curriculum focused on facets of forensic accounting and internal/external auditing. The “TaxTrack” program, taught in conjunction with the ONU Pettit College of Law, provides students with the opportunity to focus their study on areas such as tax compliance, tax planning, tax research and tax litigation. Interested students are advised to contact their advisor or the Dean of the college for additional program information. The required internship (150 contact hours minimum) may be completed during the academic year or over the summer. Degree requirements can be completed in one calendar year if the program is pursued full time.

Tuition Rate
In 2014-15, the Master of Professional Practice in Accounting (MPPA) full-time tuition rate is $13,750 per semester; part-time students will be charged $1000 per credit hour. Students enrolled in the College of Law and in the MPPA program will be charged at the current College of Law tuition rate.

MPPA Core Courses
MPPA 5101 Professional Ethics and Sarbanes Oxley Compliance 3 hrs.
MPPA 5201 Corporate Governance and Risk Management 3 hrs.
MPPA 5801 Internship in Accounting 3 hrs.
MPPA 5741 The Accounting Professional 3 hrs.
  Required FAASTrack or TaxTrack Courses (6 courses) 18 hrs.
TOTAL 30 hrs.
FAAS Track (Forensic Accounting and Auditing Services) Course Requirements
The FAAS Track requires the MPPA core courses listed above plus the six courses (18 credit hours) listed below. Most FAAS Track courses are delivered in a blended eight week format.

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>

</table>

**TaxTrack Course Requirements**
TaxTrack courses are delivered either by Dicke College graduate faculty or faculty of the Petit College of Law in a semester format or in an eight week blended format (designated by *). The TaxTrack requires the MPPA core courses listed above, plus two required courses (6 ch):

<table>

</table>

**General Regulations of the MPPA Program**

1. All students are expected to participate in college program assessment activities.
2. Each student enrolled in the College of Business Administration MPPA Program is expected to make consistent progress toward completion of the degree requirements of his/her program(s).
3. Students are required to maintain a minimum cumulative GPA of 3.0. A minimum GPA of 3.0 is required for graduation from the program.
4. The grade of “C” is the minimum passing grade for graduate credit; however, no more than 6 credit hours of “C” grades may be applied toward the degree. A grade of “D” received in a graduate-level course may not be applied toward a graduate degree. Students earning a grade of “F” in any course will be referred to the MPPA Program Committee for possible academic suspension.
5. MPPA students must satisfactorily complete 30 semester hours of required course work for the specific concentration for graduation.
6. Credit hours earned in repeated courses may be counted only once in the total hours required for graduation.
7. A student not enrolled for one academic year (except on approved academic leave) must meet graduation requirements in the catalog effective for the academic year during which the student reentered. All course requirements must be completed within three years of enrollment.

**Academic Standing**
A student who earns a grade of C or below in two graduate courses or whose GPA falls below 3.0 will be placed on academic probation. A student who earns a grade of C in three courses or a grade of D or F in any course will be reviewed by graduate faculty and may be placed on academic suspension from the program. Graduate students must earn a grade of C or higher in all courses and maintain a minimum GPA of 3.0 to avoid suspension from the program.

Graduate students will be evaluated each 8-week term by the MPPA Program Committee. This evaluation shall take into account the standards listed above. On the basis of this evaluation, and after review by the MPPA Program Committee, the student may be:
- Recommended for continuation in the graduate program,
- Placed on probationary status, or
- Suspended from the Program and the Graduate School.

**Academic Probation**
Probations and suspensions can be appealed or petition, according to the procedures laid out below.

Students admitted in regular status will automatically be placed in probationary status after completion of any 8-week term during which their cumulative graduate grade point average drops below a 3.0 or they receive the second grade of C or below. Students will continue in probationary status until the end of the subsequent 8-week term. At the end of that period, the following actions may be taken:
- Student remains in probationary status
- Student is suspended if their cumulative grade point average remains below 3.0, or
- Student's probationary status is removed if their cumulative grade point average is 3.0 or higher.

A probationary letter is issued to the student indicating the conditions that must be met and outlining an appropriate time frame in which to regain good academic standing in the graduate program. The outcome that will result if the conditions are not met must also be included in the probationary letter. Probationary letters will be made in writing by the director of the MPPA program at the end of the term during which the student earned the second grade of “C”, earned a grade below “C”, or cumulative GPA dropped below 3.0, and will indicate the terms of the probation and its removal. After the specified time frame outlined in the probation letter, the student must be sent a letter removing the probationary status, a dismissal letter, or a second probationary letter with a new set of conditions for regaining good academic standing.

Graduate students not meeting the written terms of their academic probation may be academically suspended from the program by the director of the program. Such suspensions shall be done in a timely fashion but no later than three weeks after the completion of the term.

**Repeating a Course**
Students are permitted to repeat for credit a graduate course in which they earned a grade of C or lower. This option is contingent on approval by the graduate program director and then approval by the MPPA Program Committee. MPPA students are allowed to repeat at most two courses in the degree program. A course may be repeated only once. However, because tuition scholarships are merit-based, a tuition scholarship award does not cover repeated courses. When a course is repeated, the original course and grade remain on the transcript; however, the last grade and units earned replace the original and are the only ones used in computing the overall grade point average. Students who have been dropped from the degree program may not use the course repeat process to gain readmission into the degree program.

**Reinstatement**
A graduate student who has been officially suspended and who seeks reinstatement shall submit a formal request for reinstatement, along with a supporting statement of explanation, to the Dean of the Dicke College of Business Administration within 15 days of notification of suspension.

**Transfer Credit for Graduate Program**

1. A maximum of six credits of high-quality graduate work done at an AACSB accredited institution may be applied toward the requirements for the graduate degree. However, credits earned to complete a previous master's degree may not be applied to a second master's degree.
2. Approval to apply any transferred credits toward a degree program is considered on a case-by-case basis and must be granted by the Program Director and the MPPA Program Committee.
3. Transfer credits must meet the following criteria:
   - Must have been earned at an AACSB accredited institution;
   - Must be of "A" or "B" grade value (pass-fail grades are not transferable);
   - Must appear on an official graduate transcript;
   - Must be earned within the three years prior to the date of registration.
4. If transferring credits from a university/college that is on quarter hours, quarter hours must be converted to semester hours. In order to convert quarter hours credit to equivalent semester hours credit, multiply the number of quarter hours by two-thirds.
Subject - Forensic Accounting and Auditing (FAAS)

FAAS 5341-Fraud Examination
3 Credits
Survey of the types of occupational fraud with the goal of understanding how and why people commit fraud, how fraudulent conduct might be deterred, and how allegations of fraud should be investigated and resolved. Also listed as ACCT 3071. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5381-Information Technology Auditing and Risk Management
3 Credits
This course covers management's role in controlling information technology and addressing the major risks related to technology. Topics include information security, contingency planning, desktop computer controls, systems development controls, computer center operation controls, assurance of information related to on-line, client-server, web-based, internet and other advanced computer systems. Students will learn approaches to evaluating and addressing technology risk throughout the organization from the perspective of internal and external audit in addition to the view of every end user. Topics included in the class will include coverage of all areas to prepare students to take the Certified Information Systems Auditor (CISA) examination. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5421-Internal Auditing
3 Credits
The course will cover internal audit from a broad perspective that includes information technology, business processes, and accounting systems. Topics include internal auditing standards, risk assessment, governance, ethics, audit techniques, and emerging issues. The course covers the design of business processes and the implementation of key control concepts and will use a case study approach that addresses tactical, strategic, systems, and operational areas. Improvement in effectiveness and efficiency will be covered in the areas of operations, finance and technology. This course’s content follows the recommended curriculum of the Institute of Internal Auditors’ Internal Auditing Educational Partnership program. Topics included in the class will assist students in preparing to take the Certified Internal Auditor examination. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5601-Business Valuation
3 Credits
Assessment of organizational health and value via business strategy, accounting, financial, and prospective analysis. Calculation of values using the income and market approaches. Selection of appropriate standard of value. Financial statement adjustments and calculation of premiums, discounts, and capitalization rates. Use of research and database resources. The curriculum of this course follows recommendations set forth by the National Association of Certified Valuation Analysts. Students passing the final examination in this course will earn 16 credit hours toward the training requirement necessary to sit for the NACVA’s Accredited Valuation Analyst (AVA) certification examination. Ohio Northern University is an educational partner with the NACVA. Also listed as TAX 5601. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5701-Basics of Expert Testimony
3 Credits
Legal aspects of the forensic engagement, including rules of evidence and procedure. Also listed as TAX 5701. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5841-Data Analytics
3 Credits
This course covers the skills needed to use technology to conduct audits and fraud investigations. Students will learn to use tools such as data mining, public records databases, fraud-related software packages, auditing software packages, case management tools, presentation and reporting tools, data analysis programs, statistical analysis software, and spreadsheet programs. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

FAAS 5881-Advanced Topics in Auditing
3 Credits
This is a seminar course which covers current issues in auditing. Content varies each year. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

Subject - Master of Professional Practice in Accounting (MPPA)

MPPA 5101-Professional Ethics and Sarbanes Oxley Compliance
3 Credits
Ethical reasoning, integrity, objectivity, independence and other core values as defined by the American Institute of Certified Public Accountants are discussed. A discussion of the provisions of the Sarbanes-Oxley Act provides the students with an appreciation of the legal constraints that result from lapses in ethical reasoning, integrity and objectivity in the accounting profession. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

MPPA 5201-Corporate Governance and Risk Management
3 Credits
The course provides a study of the structured system of policies and processes established and maintained by the board of directors to oversee an organization’s strategic activities, assessment and management of risk, accountability and openness in conducting its activities for the long term. Focus on boards of trustees; committees; rights, relationship with shareholders; policies and procedures related to accounting, auditing, executive compensation and financial reporting; and identification of risk and strategies to manage risk. Previously listed as FAAS 5201 and TAX 5201. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

MPPA 5741-The Accounting Professional
3 Credits
This course provides an overview of the professional responsibilities and ethical concerns of accounting professionals, including business etiquette, conduct and interpersonal communication. The course will review the structure of the profession, certifications, issues of ethics and responsibility, the legal environment, and the future of the profession. Students will explore how to utilize accounting and related journals and databases to conduct research about the profession. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.
MPPA 5801-Internship in Accounting
1 to 15 Credits Grading mode is S/U
Internship in accounting. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting. This course is repeatable for a total of 15 hours.

Subject - Taxation (TAX)

TAX 5331-Federal Income Tax
3 Credits
The fundamentals of federal income taxation, emphasizing its application to individuals. Gross income (inclusions and exclusions); adjusted gross income; deductions; taxable income; taxable credits; identification of the taxpayer; general tax accounting principles; and basic federal tax procedure. The application of the income tax law to business and investment property, including capital gains and losses, depreciation, and recapture. A consideration of the non-recognition and deferral of income, and other factors affecting the computation of tax liability. Offered summer and fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5371-Research Methods
3 Credits
Legal research methods with a focus on tax law, including distinctions between primary and secondary sources and location of materials in electronic and printed form. Methodology to determine, research, resolve and communicate tax law issues. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5411-Taxation of Partnerships and Partners
3 Credits
Taxation of partnerships and partners. The federal tax law applying to the relationship between the partnership and its partners. The formation, operation, and liquidation of partnerships, as well as the sale of a partnership, interest, and the retirement of a partner. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5431-Taxation of Estates, Gifts, and Trusts
3 Credits
The operation and use of federal tax provisions applicable to inter vivos and testamentary dispositions of property with particular emphasis upon matters of federal estate and gift taxation. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5451-Non-Profit Organizations
3 Credits
The rules affecting charitable organizations, including tax-exempt income, unrelated business income, lobbying and political activities, and the deduction of contributions. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5601-Business Valuation
3 Credits
Assessment of organizational health and value via business strategy, accounting, financial, and prospective analysis. Calculation of values using the income and market approaches. Selection of appropriate standard of value. Financial statement adjustments and calculation of premiums, discounts, and capitalization rates. Use of research and database resources. The curriculum of this course follows recommendations set forth by the National Association of Certified Valuation Analysts. Students passing the final examination in this course will earn 16 credit hours toward the training requirement necessary to sit for the NACVAs Accredited Valuation Analyst (AVA) certification examination. Ohio Northern University is an educational partner with the NACVA. Also listed as FAAS 5601. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5701-Basics of Expert Testimony
3 Credits
Legal aspects of the forensic engagement, including rules of evidence and procedure. Also listed as FAAS 5701. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5831-Taxation of Corporations
3 Credits
Federal income taxation of corporate activities, with emphasis on consequences to individual shareholders. Offered fall semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5871-Business Planning
3 Credits
State substantive law and securities and tax law in planning the formation and change of business entities. Proposing solutions to the problems presented by the business client, the preparation of better explaining proposals to the client, and drafting documents that will carry out the proposed plan. Problems involving both incorporated and unincorporated business entities. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5891-Estates, Wills & Trusts
3 Credits
The law of intestate and testate succession; formal requirements of wills, testamentary capacity, undue influence, fraud and mistake, holographic and nuncupative wills integration and incorporation by reference; revocation, republication, revival and amendment. The nature, creation, and elements of a trust; rights, liabilities and duties of settlor, trustee and beneficiary; creditors rights against trust property; modification and termination of a trust, charitable trusts; resulting and constructive trusts, and general fiduciary responsibilities and administrative problems. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.

TAX 5931-International Taxation
3 Credits
Basic survey of international taxation law, including source of income and expense allocation rules, international tax credits, transfer pricing, anti-deferral rules, withholding taxes, income tax treaties, tax incentives, and expatriate issues. Offered spring semester. Must be enrolled in one of the following Programs: Master of Professional Practice in Accounting.
THE THOMAS JEFFERSON SMULL COLLEGE OF

Engineering
Accreditation and Association

Bachelor degree programs in civil, computer, electrical and mechanical engineering are accredited by the Engineering Accreditation Commission of ABET and the computer science program is accredited by the Computing Accreditation Commission of ABET, http://www.abet.org. The College is a member of the American Society for Engineering Education and the Association for Computing Machinery and is recognized by the Ohio Board of Registration for Professional Engineers and Surveyors.

History and Tradition

In 1871 the first catalog of the University included a course in surveying. A department of Civil Engineering was organized in 1880 with its first graduate in 1892 followed by Electrical Engineering in 1898, and Mechanical Engineering in 1904. The Electrical and Computer Engineering department was formed in 1998 and in 2001 the department of Electrical & Computer Engineering and Computer Science was established. Over 6,200 engineers have graduated from the Thomas Jefferson Smull College of Engineering. All programs continue to meet the highest standards of engineering excellence.

The following faculty chairs have been established to enhance the educational tradition of the college.

Herbert F. Alter Chair of Engineering Science established in 1983 by Mrs. Alter in memory of her late husband, class of 1911 in mechanical engineering. The 2013-14 recipient of the chair is Professor David Retterer, associate professor of mathematics and computer science.

Engineering Alumni Chair established in 1983 by donations from engineering alumni and friends in celebration of the college’s centennial year. The 2013-14 recipient of the chair is Dr. Robert Ward, professor of civil engineering.

Leroy H. Lytle Distinguished Chair of Mechanical Engineering established in 1983 from the estate of Leroy H. Lytle, 1923 graduate of ONU. The 2013-14 recipient of the chair is Dr. David Sawyers, associate professor of mechanical engineering.

Departments

There are three departments in the College of Engineering: civil engineering, electrical & computer engineering and computer science, and mechanical engineering.

Mission Statement

The mission of the College of Engineering of Ohio Northern University is to engage students through personal relationships and high impact educational experiences to maximize their success.

Core Values

The College of Engineering values personal relationships, engagement, opportunity and the development and success of individuals.

Admission Standards

Early application is advisable. Students interested in engineering or computer science are encouraged to obtain advice on programs of study from the dean of the college and to request appropriate information and application materials from the Office of Admissions, Ohio Northern University, Ada, OH 45810.

Bachelor of Science in Civil Engineering Curriculum

In addition to the general requirements for admission to the University stated in this catalog, it is highly recommended that high school graduates have 16 acceptable units of work. For engineering students, ten of these units are as follows: 4 units in English; 4 units in mathematics; and 2 units in science (1 unit in physics and preferably 1 unit in chemistry). For computer science students, fourteen of these units are as follows: 4 units in English; 4 units in mathematics; 6 units (in any combination) in history, social studies, languages or natural sciences. Acceptable scores on the American College Test or the College Entrance Examination Board Test are expected of all candidates.

Prospective students who do not meet the minimum requirement for admission to the college as freshmen may be admitted as General Science majors, and subsequently be admitted to the College of Engineering as sophomores providing they maintain a GPA of at least 2.00 during their freshman year.

Transfer students from other accredited universities or colleges may be admitted with advanced standing if they have an honorable dismissal and are eligible to return to the universities or colleges they previously attended. Transfer students who conceal their previous college attendance will have their admission to the college revoked. The college will accept transfer credits earned with a grade of C or better (C- is not acceptable). Transfer credit for engineering courses will normally only be accepted from an ABET accredited program. A maximum of 96 hours of transfer work will be accepted.

Degree Requirements

Bachelor of Science degree in civil, computer, electrical or mechanical engineering

General Education Requirements

College faculty and staff are dedicated to educating the whole person and not simply producing technically competent graduates. Therefore our goal is to graduate engineers and computer scientists who conform to the general education learning objectives of the university that have been previously stated in the catalog.

All students are required to complete a general education requirement. The requirement includes specific courses and electives in the Humanities and Social Sciences: Writing Seminar, Extra-disciplinary Seminar, Professional Ethics, Business Elective (Microeconomics or Principles of Entrepreneurship), and General Education Electives (4).

Each student should consider carefully the selection of electives for the general education requirement. While the student is given choices in this selection it is mandatory that these choices be discussed with, and approved by, the academic advisor.

Because the general education available change from year to year, they are not listed in this catalog.

An approved Honors Seminar may fulfill a requirement listed above. For specific information, see the office of the dean.

### Bachelor of Science - Engineering Education Curriculum
Starting in the Fall 2011, the College of Engineering established a new program leading to a Bachelor of Science degree with a major in Engineering Education. This degree will provide a graduate with a foundation in engineering, mathematics and education and meets the curriculum and course requirements for the teacher licensure program in AYA Mathematics (7-12) based on the standards of the National Council of Teachers of Mathematics (NCTM). Graduates of the Engineering Education program are also required to conform to the general education learning objectives of the university that have been previously stated in the catalog.

#### Freshman Year
- **Engineering Orientation (ENGR 1001)**: 0 hours
- **Calculus 1 and 2 (MATH 1631, 1641)**: 8 hours
- **Physics 1 and Physics Laboratory 1 (PHYS 2311, 2341)**: 4 hours
- **Writing Seminar (ENGL 1221)**: 3 hours
- **Introduction to Engineering 1, 2 (ENGR 1041, 1051)**: 6 hours
- **Communication in the Classroom (CAMS 1311)**: 3 hours
- **Culture and Schooling (EDUC 1511)**: 3 hours
- **Exceptional Learners (EDUC 2101)**: 3 hours
- **Five-Day Field Experience I (EDUC 1501)**: 1 hour
- **TOTAL**: 31 hours

#### Sophomore Year
- **Calculus 3 (MATH 2631)**: 4 hours
- **Differential Equations (MATH 2651)**: 4 hours
- **Electric Circuits (ECCS 2311)**: 4 hours
- **Statics (ENGR 2131)**: 3 hours
- **Strength of Materials (ENGR 2231)**: 3 hours
- **or Engineering Material Science (ME 2111)**: 3 hours
- **Extra-disciplinary Seminar**: 3 hours
- **Five-day Field Experience II (EDUC 1521)**: 1 hour
- **Dynamics (ENGR 2141)**: 3 hours
- **Foundations of Mathematics (MATH 2691)**: 3 hours
- **Development Across Lifespan (PSYC 2151)**: 3 hours
- **TOTAL**: 31 hours

#### Junior Year
- **Statistics for Scientists and Engineers (STAT 2501)**: 3 hours
- **Educational Psychology & Inst. Practices (EDUC 4401)**: 3 hours
- **Computer Applications (ME 2511)**: 3 hours
- **Curriculum and Assessment (EDUC 2681)**: 3 hours
- **Engineering Education 1 (ENGR 3101)**: 4 hours
- **Foundations of Geometry (MATH 4211)**: 3 hours
- **Literacy Across Content Areas AYA/MA (EDUC 3451)**: 3 hours
- **Technical Electives 1, 2 and 3**: 9 hours
- **TOTAL**: 31 hours

#### Senior Year
- **Senior Design 1 and 2 (ENGR 4201 and 4211)**: 6 hours
- **Engineering Education 2 (ENGR 4101)**: 4 hours
- **Abstract Algebra 1 (MATH 3411)**: 3 hours
- **Technical Elective 4**: 4 hours
- **Integrated Mathematics Methods (EDUC 4541)**: 3 hours
- **Leadership Seminar in Education (EDUC 4451)**: 3 hours
- **Student Teaching - Adolescent (EDUC 4721)**: 12 hours
- **TOTAL**: 35 hours

### Bachelor of Science - Computer Science Curriculum
College faculty and staff are dedicated to educating the whole person and not simply producing technically competent graduates. Therefore our goal is to graduate computer scientists who conform to the general education learning objectives of the university that have been previously stated in the catalog.

All students are required to complete a general education requirement. A list of electives and approved science courses is available from the Electrical & Computer Engineering and Computer Science Department Office. An approved Honors Seminar may fulfill a general education requirement.

#### Freshman Year
- **Calculus 1, 2 (MATH 1631, 1641)**: 8 hours
- **Science Electives & Labs**: 8 hours
- **Writing Seminar (ENGL 1221)**: 3 hours
- **General Education Elective**: 3 hours
- **CS Orientation (ECCS 1101)**: 1 hour
- **Net-Centric Computing (ECCS 1421)**: 3 hours
- **Programming 1, 2 (ECCS 1611, 1621)**: 8 hours
- **TOTAL**: 34 hours

#### Sophomore Year
- **Discrete Mathematics (MATH 3061)**: 3 hours
- **Math Elective**: 3 hours
- **General Education Electives**: 6 hours
- **Business Elective**: 3 hours
- **Data Structures and Algorithms 1, 2 (ECCS 2671, 2681)**: 6 hours
- **Design Patterns (ECCS 2411)**: 3 hours
- **Programming Environments (ECCS 2431)**: 3 hours
- **Software Engineering (ECCS 2421)**: 3 hours
- **Digital Logic (ECCS 2721)**: 3 hours
- **TOTAL**: 33 hours

#### Junior Year
- **Theory of Computation (ECCS 3431)**: 3 hours
- **Computer Security and Ethics (ECCS 3411)**: 3 hours
- **User Interface Design (ECCS 3451)**: 3 hours
- **Operating Systems (ECCS 3661)**: 3 hours
- **Databases (ECCS 3481)**: 3 hours
- **Computer Architecture (ECCS 3611)**: 4 hours
- **Statistics for Sci. & Engr. (STAT 2501)**: 3 hours
- **Science Elective & Lab**: 4 hours
- **Math Elective**: 3 hours
- **Extra-disciplinary Seminar**: 3 hours
- **TOTAL**: 32 hours

#### Senior Year
- **CS Capstone 1, 2 (ECCS 4471, 4472)**: 5 hours
- **Programming Languages (ECCS 4411)**: 3 hours
- **Networks and Data Communication (ECCS 3631)**: 3 hours
- **CS Electives**: 6 hours
- **Ethics**: 3 hours
- **General Education Elective**: 3 hours
- **Free Electives**: 6 hours
- **TOTAL**: 29 hours

**TOTAL**: 175 hours
Requirements for the Computer Science Minor
The student must take Programming 1 (ECCS 1611), Programming 2 (ECCS 1621), Data Structures and Algorithms 1 (ECCS 2671) and three more computer science courses, one of which must be at least a junior level course.

Students who are interested in a computer science minor are advised to contact the Electrical & Computer Engineering and Computer Science department for more details.

Student Outcomes
By the time of graduation, students majoring in the college’s engineering programs will have:

a. an ability to apply knowledge of mathematics, science, and engineering
b. an ability to design and conduct experiments, as well as to analyze and interpret data
c. an ability to design a system, component, or process to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, manufacturability, and sustainability
d. an ability to function on multidisciplinary teams
e. an ability to identify, formulate, and solve engineering problems
f. an understanding of professional and ethical responsibility
g. an ability to communicate effectively
h. the broad education necessary to understand the impact of engineering solutions in a global, economic, environmental, and societal context
i. a recognition of the need for, and an ability to engage in life-long learning
j. a knowledge of contemporary issues
k. an ability to use the techniques, skills, and modern engineering tools necessary for engineering practice

By the time of graduation, students majoring in the college’s computer science program will have:

a. an ability to apply knowledge of computing and mathematics appropriate to the discipline
b. an ability to analyze a problem, and identify and define the computing requirements appropriate to its solution
c. an ability to design, implement, and evaluate a computer-based system, process, component, or program to meet desired needs
d. an ability to function effectively on teams to accomplish a common goal
e. an understanding of professional, ethical, legal, security and social issues and responsibilities
f. an ability to communicate effectively with a range of audiences
g. an ability to analyze the local and global impact of computing on individuals, organizations, and society
h. a recognition of the need for and an ability to engage in continuing professional development
i. an ability to use current techniques, skills, and tools necessary for computing practice
j. an ability to apply mathematical foundations, algorithmic principles, and computer science theory in the modeling and design of computer-based systems in a way that demonstrates comprehension of the tradeoffs involved in design choices
k. an ability to apply design and development principles in the construction of software systems of varying complexity

Concentrations
The College of Engineering offers an Advanced Energy concentration for students who are pursuing degrees in computer engineering, electrical engineering or mechanical engineering. The Advanced Energy concentration builds on a strong foundation in these programs coupled with cross-discipline courses that integrate concepts prevalent within the advanced energy industry.

The college also offers a Robotics concentration for students who are pursuing degrees in computer engineering, computer science, electrical engineering or mechanical engineering. The concentration requires a course in robotics and allows students to choose from a variety of electives to complete the program.

Please contact the appropriate department office for the specific plan of study for each degree program.

Graduation Requirements
A student qualifies for graduation by meeting specific course requirements as listed in the catalog year by year for the specific program at specific levels and by earning a minimum number of academic hours as defined by their particular program. In addition, a student must attain at least a 2.00 cumulative grade point average in all courses and at least a 2.00 cumulative grade point average in all engineering and computer science courses.

All degree candidates are required to spend their senior year in academic residence.

At commencement engineering students receive the Bachelor of Science degree in either civil, computer, electrical, or mechanical engineering. Computer science and engineering education students receive the Bachelor of Science degree.

General Regulations
Each department in the college lists term by term the standard course load for a student. The normal maximum load is that which is listed by the department for that term at that level or 19 hours, whichever is larger. The dean, upon recommendation of the student’s advisor, may permit a student to enroll for extra hours at an additional charge. See page 10 for overload charges beyond 19 credit hours. The normal requirement is a cumulative grade point average of at least 3.00. Except where noted, credit hours earned in repeated courses can be counted only one time among the total hours required for graduation.

S/U Grade Option
Students in the College of Engineering are not permitted to register for courses on an S/U (Satisfactory/Unsatisfactory) basis if the course is offered on a graded basis.

Classification of Students
For purposes of classification, the minimum requirements for sophomore standing are 30 semester credit hours of completed academic work; for junior standing, 60 semester credit hours; and for senior standing, 90 semester credit hours.

Academic Standing
A student is in good academic standing when the cumulative grade point average is equal to or greater than 2.00. When the cumulative grade point average falls below 2.00, a student is placed on probation. In addition, any student with a term grade point average of 1.00 or lower may be placed on probation or suspended. The status of probation may occur for two successive semesters if conditions and evidence indicate that the student is improving academically. Students on probation cannot participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.

If a student is on probation whose term grade point average for the following semester is below a 2.00 will have his/her record reviewed by the appropriate department chairman and may be recommended to the dean for academic actions which may include suspension or dismissal. Unless otherwise indicated, suspension is for a period of two regular academic semesters. Students who have been suspended may petition the academic dean for lifting of the suspension.

Registration as a Professional Engineer
Registration as a Professional Engineer by the state, necessary for professional practice, requires licensing examinations and four years of experience after completing the Bachelor of Science degree. ONU senior engineering students are strongly encouraged to take the Fundamentals of Engineering (FE) exam. Typically more than 90% of graduating seniors take the exam and more than 90% pass the exam. The dean provides full information to students in their senior year. Students may also write the Secretary of the State Board of Registration for Professional Engineers and Surveyors, 77 South High Street, Room 1698, Columbus, OH 43215-6108.
Engineering Graduates and Law School
Graduating seniors of the T.J. Smull College of Engineering interested in entering the Pettit College of Law at Ohio Northern should refer to the program description material on page 20 of this catalog.

Dual Degree Programs
Information concerning dual degree programs involving the College of Engineering appears on page 20 of this catalog. Students may receive further details from the academic dean.

Cooperative Education Program
The cooperative education program is designed to integrate classroom study with planned and supervised work experiences. Engineering and computer science co-op students normally are employed in semiprofessional capacities in research, development, manufacturing, and engineering departments of industrial companies, consulting firms, and in federal and state agencies. The employment sessions begin in the summer following the sophomore year and include a contracted three to five terms of co-op experience. This five-year program is optional and currently available for all students in the College of Engineering.

GENERAL ENGINEERING COURSES

Subject - Engineering (ENGR)

ENGR 1001-Engineering Orientation
0 Credits Grading mode is S/U
Student introduction to the College of Engineering, introduction to the profession, and a forum for first-year advising. Offered fall semester. Must be enrolled in one of the following Colleges: Engineering.

ENGR 1041-Introduction to Engineering 1
3 Credits
The engineering profession and application of the engineering design and analysis processes: problem solving with consideration of assumptions, criteria and constraints, generation of solutions through the application of standard engineering techniques; communication of results in standard formats. Engineering ethics. Offered fall semester. Must be enrolled in one of the following Colleges: Engineering. Course Attributes: Critical and Creative Thinking, Effective Communication Writing, Informed Ethical Responses.

ENGR 1051-Introduction to Engineering 2
3 Credits
A team-based conceptual design project based on the engineering design method: preparation of proposal, analysis of design alternatives, constraints and criteria, testing and verification by prototyping, preparation and presentation of project report. Offered spring semester. Prerequisite(s): ENGR 1041. Must be enrolled in one of the following Colleges: Engineering. Course Attributes: Diversity-Human Interaction, Effective Communication Non-Writing, Integration Across Disciplines.

ENGR 1211-Engineering in an International Context
3 Credits
The history of technology and the engineering profession, with emphasis on a location outside the United States. The course will include a faculty-led trip to a foreign destination in order to visit sites of historical and technological significance. Offered Spring semester. Course Attributes: Informed Responses-Aesthetics, Requires Instructor Approval.

ENGR 1221-International Experience in Engineering
1 Credit Grading mode is S/U
A faculty-led trip to a foreign destination in order to visit sites of historical and technological significance. Offered Spring Semester. This course may be repeated 3 times. This course is repeatable for a total of 3 hours. Course Attributes: Requires Instructor Approval.

ENGR 1901-Special Topics
1 to 3 Credits
Selected topics of current interest in general engineering. May be repeated as topic varies. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ENGR 1911-Special Topics
1 to 3 Credits Grading mode is S/U
Topics in engineering. Enrollment is restricted to student with specific engineering experiences, such as attendees of programs such as Summer Honors Institute or Project Lead The Way. May be repeated as topics or experiences vary. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted.

ENGR 1951-Independent Study
1 to 3 Credits
Individual study of topic of particular interest to the student and instructor in general engineering. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Freshman, Sophomore. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ENGR 2131-Statics
3 Credits
Fundamental principles of statics with vector methods. Emphasis on free body diagrams and equations of equilibrium. Topics include resultants of force systems, centroids, centers of gravity, moments of inertia, equilibrium, shear and moment diagrams, loads, trusses, and internal forces. Offered fall and spring semesters. Prerequisite(s): (MATH 1631 or MATH 163) or (MATH 1621 or MATH 159) and (PHYS 2311 or PHYS 231).}

ENGR 2141-Dynamics
3 Credits
Fundamental principles of mechanics with vector methods as applied to dynamics. Topics include: kinematics, absolute and relative motion, force, mass and acceleration, work and energy, and impulse and momentum. Offered spring semester. Prerequisite(s): (ENGR 2131 Minimum Grade of C or GE 113 Minimum Grade of C) and (MATH 1641 or MATH 164 or MATH 159).

ENGR 2231-Strength of Materials
3 Credits
Elastic analysis of deformable bodies using concepts of stress and strain. Topics include: members subjected to tension, compression, torsion, and flexure; development and application of Mohr’s circle, determinate beam deflection, material properties, pressure vessels, and composite beams. Offered spring semester. Prerequisite(s): ENGR 2131 or GE 113.

ENGR 2501-Introduction to Career Development
1 Credit Grading mode is S/U
An introduction to career development including an introduction to industry, the industrial work environment, resume writing, interviewing and job search techniques. Course is designed to prepare a sophomore engineering or computer science student for the industrial experience. Offered fall semester. Must be enrolled in one of the following Colleges: Engineering. May not be enrolled in one of the following Classifications: Freshman.

ENGR 2601-EPICS
1 Credit
A service-learning design course in which teams of students work together on long-term projects that address the engineering and/or computing needs of a community partner. Must be enrolled in one of the following Colleges: Engineering. This course may be repeated 8 times. Course Attributes: Integration Across Disciplines.

ENGR 2611-Explorations into Sustainability
This multi-disciplinary site visit based course focuses upon developing enhanced written and oral technical communication skills while familiarizing the students with engineering practice. The course’s learning outcomes include improving communication, self-identification with professional practice, and enhancing knowledge of the interdisciplinary nature of sustainability in practice. Enrollment is open to all students.
ENGR 2901-Special Topics  
1 to 3 Credits  
Selected topics of current interest in general engineering. May be repeated as topic varies. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Sophomore, Junior. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ENGR 2951-Independent Study  
1 to 3 Credits  
Individual study of topic of particular interest to the student and instructor in general engineering. Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Sophomore, Junior. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ENGR 3101-Engineering Education 1  
4 Credits  
To include topics from history of engineering and math/science that apply to engineering, an overview of the mathematical foundation of engineering, graphing and the use of technology in a K-12 classroom. Admission to Teacher Education or permission of instructor required. Offered spring semester. Course Attributes: Effective Communication Non-Writing, Informed Responses-Aesthetics, Requires CTE admission, Scientific and Quantitative Literacy.

ENGR 3501-Professional Practice  
1 Credit Grading mode is S/U  
Cooperative education (co-op) employment in a semi-professional capacity. Students work full-time (40 hours per week) in the research, development, manufacturing, or engineering department of an industrial company, consulting firm or governmental agency. A student report on the assignment and an employer’s evaluation are required. CUM GPA of 2.5 minimum required. Offered fall, spring and summer semesters. Prerequisite(s): ENGR 2501 or GE 250. Must be enrolled in one of the following Classifications: Engineering. Must be enrolled in one of the following Classifications: Junior, Senior. This course may be repeated 5 times.

ENGR 3611-Interdisciplinary Design Experience  
3 Credits  
This interdisciplinary course is an immersive design experience aimed at improving student knowledge and application across engineering disciplines. The course focuses upon developing a growth mindset, improving communication skills, facilitating collaboration, and generating, evaluating, and selecting concepts from multiple design alternatives. The course’s learning outcomes include: problem identification, problem decomposition, design progression and articulation, prototyping, and critical reflection. This hands-on course will guide students through a design-build-test-refine model of engineering design.

ENGR 4101-Engineering Education 2  
4 Credits  
To include topics from history and pedagogy of engineering in a K-12 environment, use of pedagogical tools, curriculum development and current policy issues. Admission to Teacher Education or permission of instructor required. Offered fall semester. Prerequisite(s): ENGR 3101. Course Attributes: Requires CTE admission.

ENGR 4201-Engineering Education Senior Design 1  
3 Credits  
Educational aspects within a team-based design project in area in or related to a specific discipline within engineering issues regarding effective teamwork. Utilization of project management standards. Establishment of project capabilities, requirements and constraints. Pedagogy and/or policy issues as applied to projects. Must be enrolled in one of the following Fields of Study: Engineering Education. Course Attributes: Critical and Creative Thinking, Effective Communication Writing, Integration Across Disciplines.

ENGR 4211-Engineering Education Senior Design 2  
3 Credits  
Continuation of Engineering Education Senior Design 1. Demonstration of educational aspects of project capabilities. Acceptance testing. Project deliverables. Prerequisite(s): ENGR 4201. Course Attributes: Informed Responses-Aesthetics.

DEPARTMENT OF CIVIL ENGINEERING

Professors Smalley (Chair), Ward; Associate Professor Boulanger; Assistant Professors Abdel-Mohti, Ye, and Zechman (Assistant Dean).

Mission Statement  
The mission of the civil engineering department is to provide an overall scholarly, collegial, and professional atmosphere of undergraduate education by which students are prepared for careers in civil engineering.

To implement the mission, the department will:
• Provide a program that prepares students for entry-level professional employment or advanced studies at the graduate level by offering a curriculum based on a strong background in the fundamentals of engineering, science, and mathematics structured for breadth of coverage of civil engineering principles.
• Provide for areas of concentration, minors, and an opportunity for work experience through a cooperative education program.
• Provide for a student body of appropriate quality and size that is active in the university community.
• Provide a faculty who excel in undergraduate scholarship and who are active in their profession.
• Provide state-of-the-practice physical facilities, including classrooms, laboratories, and support areas.
• Provide for institutional commitment for support in the areas of administration, financial resources, and institutional facilities.

Program Educational Objectives  
We expect the alumni of our civil engineering program to attain;
1. Advancement to a professional position within civil engineering by virtue of their knowledge, skills, and attitude;
2. Recognition for solving engineering problems and developing design solutions that consider aesthetics, safety, and sustainability;
3. A reputation for conducting professional endeavors in a responsible and ethical manner; and
4. Professional development through a commitment to career-long learning.

Subject - Civil Engineering (CE)

CE 2031-Surveying  
3 Credits  
Plane surveying; use of level, distance measurement devices, data collectors, and total stations; traversing, roadway applications, and topographic mapping, and introduction to coordinate geometry, GIS and GPS applications. Offered fall semester. Prerequisite(s): MATH 1611 or MATH 1631 or MATH 157 or MATH 163.

CE 3031-Advanced Surveying  
3 Credits  
A second surveying course that expands on the basic surveying skills presented in CE 2031. Topics include: history of Ohio land surveys, Ohio surveying law, boundary surveying fundamentals, gathering of surveying field data, and preparation of preliminary engineering site drawings. Offered spring semester. Prerequisite(s): CE 2031 or CE 203.

CE 3131-Numerical and Statistical Methods  
3 Credits  
Principles of numerical methods used in solving civil engineering problems. Topics include numerical solutions of single variable equations, systems of non-linear equations, integration and differentiation, differential and partial differential equations by finite differences, and statistical techniques. Offered spring semester. Prerequisite(s): MATH 2651 or MATH 275.

CE 3231-Environmental Engineering and Science  
3 Credits  
Sources and characteristics of pollutants, their effects on the environment, humans, and animals. Emphasis placed on interdisciplinary approach to reduce and treat wastes. Offered spring semester. Prerequisite(s): CHEM 1501 or CHEM 225.

<td>Reinforced Concrete Design</td>
<td>4</td>
<td>Mechanics of structural concrete and method for design of reinforced concrete (RC) beams, columns, slabs, and footing. In addition, laboratory on concrete testing. Offered spring semester. Prerequisite(s): CE 3411 or CE 341.</td>
<td></td>
</tr>
<tr>
<td>CE 3511</td>
<td>Transportation Engineering 1</td>
<td>3</td>
<td>Components of transportation systems, traffic flow modeling, geometric design of highways, horizontal and vertical curves, traffic control devices, the use of statistical analysis techniques in traffic engineering, principles of traffic engineering, capacity, and level of service, intersection analysis and design. Offered fall semester. Prerequisite(s): CE 2031 or CE 203.</td>
<td></td>
</tr>
<tr>
<td>CE 3531</td>
<td>Transportation Engineering 2</td>
<td>3</td>
<td>Design of pavements for transportation facilities, material properties and their impact on pavement design. Offered spring semester. Prerequisite(s): (ENGR 2231 or GE 223) and (CE 3511 or CE 351).</td>
<td></td>
</tr>
<tr>
<td>CE 3551</td>
<td>Highway Materials</td>
<td>3</td>
<td>Fundamental understanding of the behavior of highway materials including aggregates, asphalt binder, and asphalt mixes. Covers mix design, material testing procedures, and specifications. Offered spring semester. Prerequisite(s): ENGR 2231 or GE 223.</td>
<td></td>
</tr>
<tr>
<td>CE 3611</td>
<td>Engineering Fluid Mechanics</td>
<td>3</td>
<td>Principles of the mechanics of fluids; engineering properties of fluids, fluid statics, fluid dynamics by continuity, momentum and energy principles; steady flow in pipes, to include series and parallel pipes and pipe networks. A water distribution term project is required. ENGR 2141 is strongly recommended before you take this course. Offered fall semester. Prerequisite(s): ENGR 2131 or GE 113.</td>
<td></td>
</tr>
<tr>
<td>CE 3631</td>
<td>Water Resources Engineering</td>
<td>3</td>
<td>Pump design, and water hammer; flow measurement and dimensional analysis and similimude. Estimates of population, water usage and wastewater generation; the hydrologic cycle, precipitation and stream flow data measurement and analysis; runoff prediction, hydrographs, flood routing, and open channel flow. A design term project is required. Offered spring semester. Prerequisite(s): CE 3611.</td>
<td></td>
</tr>
<tr>
<td>CE 3711</td>
<td>Urban Planning</td>
<td>3</td>
<td>Principles of city and regional planning; land-use, zoning, subdivision regulations, metropolitan problems and urban development. Topics will cover applications in the transportation planning and the environmental areas. Offered spring semester.</td>
<td></td>
</tr>
<tr>
<td>CE 3901</td>
<td>Special Topics</td>
<td>1 to 3</td>
<td>Selected topics of current interest in civil engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.</td>
<td></td>
</tr>
<tr>
<td>CE 3951</td>
<td>Independent Study</td>
<td>1 to 3</td>
<td>Independent study of a topic of particular interest to the student in civil engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.</td>
<td></td>
</tr>
<tr>
<td>CE 4101</td>
<td>Civil Engineering Design Seminar</td>
<td>1</td>
<td>Engineering design process; selection of senior design project; oral and written presentation of project proposal. Civil Engineering senior standing. Offered fall semester. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Civil Engineering. Must be enrolled in one of the following Classifications: Senior.</td>
<td></td>
</tr>
<tr>
<td>CE 4141</td>
<td>Project Management</td>
<td>3</td>
<td>Principles of organization, management, and control of civil engineering projects. Topics include present and emerging legal and technical issues, critical path methods, project estimating and engineering economics. Offered fall semester.</td>
<td></td>
</tr>
<tr>
<td>CE 4151</td>
<td>Civil Engineering Design Project</td>
<td>3</td>
<td>Capstone design project under the specific guidance of a civil engineering faculty member. Offered spring semester. Prerequisite(s): CE 4101 or CE 410. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Civil Engineering. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.</td>
<td></td>
</tr>
<tr>
<td>CE 4241</td>
<td>Water and Wastewater Engineering</td>
<td>4</td>
<td>Physical, chemical, and biological processes in drinking water and wastewater treatment systems. Offered fall semester. Prerequisite(s): (CE 3231 or CE 321) and (CE 3631 or CE 363).</td>
<td></td>
</tr>
<tr>
<td>CE 4251</td>
<td>Watershed Water Quality Analysis</td>
<td>3</td>
<td>Integrated lecture and field laboratory course experience to delve more deeply into the mass balance and kinetic relationships in environmental processes presented in CE 3231 Environmental Engineering &amp; Science. Students will participate in laboratory and field experiences to determine common environmental water quality parameters and their impacts on surface water quality. Report preparation included. Offered spring semester. Prerequisite(s): CE 3231 or CE 321.</td>
<td></td>
</tr>
<tr>
<td>CE 4341</td>
<td>Geotechnical Principles</td>
<td>3</td>
<td>Physical characteristics, index properties, classification, and compaction of soils. Principles of mechanics of soils, settlement, and consolidation. Offered fall semester. Prerequisite(s): GE 223 or ENGR 2231.</td>
<td></td>
</tr>
<tr>
<td>CE 4351</td>
<td>Geotechnical Design</td>
<td>3</td>
<td>Analysis and design of structural foundations, retaining structures, and slope stability. Offered spring semester. Prerequisite(s): CE 4341.</td>
<td></td>
</tr>
<tr>
<td>CE 4441</td>
<td>Structural Steel Design</td>
<td>3</td>
<td>Load and resistance factor design concept (LRFD), and design of tension and compression members, beam, columns, beam-column members, and simple connections. Instability of steel members. Offered fall semester. Prerequisite(s): CE 3411 or CE 341.</td>
<td></td>
</tr>
<tr>
<td>CE 4451</td>
<td>Structural Design</td>
<td>3</td>
<td>Design of structural projects. Offered spring semester. Prerequisite(s): (CE 3431 or CE 343) and (CE 4441 or CE 444).</td>
<td></td>
</tr>
</tbody>
</table>
CE 4661-Advanced Open Channel Hydraulics and Ground Water
3 Credits
Continuation of open channel flow analysis with sewer design and modeling water surface profiles. Groundwater topics of confined and unconfined aquifers, steady and unsteady groundwater hydraulics, aquifer pumping tests, and mathematical groundwater modeling. Offered spring semester. Prerequisite(s): CE 3631 or CE 363.

CE 4901-Special Topics
1 to 3 Credits
Selected topics of current interest in civil engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

CE 4951-Independent Study
1 to 3 Credits
Independent study of a topic of particular interest to the student in civil engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

DEPARTMENT OF ELECTRICAL & COMPUTER ENGINEERING AND COMPUTER SCIENCE

Professors
Al-Olimat (Chair), Estell, Hurtig (Associate Vice President for Academic Affairs), Vermuru; Associate Professors Hassan, Retterer; Assistant Professors Coman, LeBlanc, Youssif.

Mission and Purpose Statement
The mission of the electrical & computer engineering and computer science department is to develop graduates who are creative, productive, ethical, and contributing members of society.

It is the purpose of the department to provide:
• a professional and approachable faculty who are dedicated to mentoring students.
• accessible, hands-on, practical laboratory experiences using relevant equipment and disciplined practices.
• opportunities for students to develop and practice oral and written communication skills.
• a broad-based curriculum that stresses fundamentals and the development of a professional work ethic.
• an environment that will produce students who are creative problem solvers while considering ethical and societal implications.

COMPUTER SCIENCE
Program Educational Objectives
Graduates of the Computer Science program are expected to attain the following attributes:
PEO 1: success in their chosen career.
PEO 2: engagement in continuing professional development.
PEO 3: effectiveness in communicating with those both inside and outside of computer science.
PEO 4: a predisposition toward practicing the professional, ethical and moral responsibilities of computer scientists.
PEO 5: readiness to accept challenging assignments and responsibilities.

COMPUTER ENGINEERING
Program Educational Objectives
Graduates of the Computer Engineering program are expected to attain the following attributes:
PEO 1: success in their chosen career.
PEO 2: engagement in continuing professional development.
PEO 3: effectiveness in communicating with those both inside and outside of computer engineering.
PEO 4: a predisposition toward practicing the professional, ethical and moral responsibilities of computer engineers.
PEO 5: readiness to accept challenging assignments and responsibilities.

ELECTRICAL ENGINEERING
Program Educational Objectives
Graduates of the Electrical Engineering program are expected to attain the following attributes:
PEO 1: success in their chosen career.
PEO 2: engagement in continuing professional development.
PEO 3: effectiveness in communicating with those both inside and outside of electrical engineering.
PEO 4: a predisposition toward practicing the professional, ethical and moral responsibilities of electrical engineers.
PEO 5: readiness to accept challenging assignments and responsibilities.

Subject - Electrical & Computer Engineering and Computer Science (ECCS)

ECCS 1101-Computer Science Orientation
1 Credit
Introduction to the ECCS Department with primary emphasis on the Computer Science Program. Understanding of the curriculum and the role played by Computer Scientists in society. A discussion about how the general education learning outcomes may relate to the students' career with a focus on critical and creative thinking. All requirements of the General Education Transitions Experience are met by this course. Offered fall semester. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Science. Course Attributes: Critical and Creative Thinking.

ECCS 1421-Net-Centric Computing
3 Credits
Software development tools and techniques appropriate for application development on the World Wide Web. HTTP, HTML, Cascading Style Sheets, client-side scripting, server-side scripting, server-side data storage and retrieval, relational databases. Offered spring semester. Must be enrolled in one of the following Classifications: Freshman, Sophomore, Junior, Senior.

ECCS 1611-Programming 1
4 Credits
Use of a high-level programming language in a modern integrated development environment to produce small-scale programs that meet written specifications. Simple and aggregate data types. Input/output. Arithmetic and Boolean expressions. Fundamentals of sequence, selection, and iteration. Functions. Introduction to object-oriented programming. Recommended background: College Algebra (MATH 1251). Offered fall and spring semesters. Must be enrolled in one of the following Classifications: Freshman, Sophomore, Junior, Senior. Course Attributes: Critical and Creative Thinking, Scientific and Quantitative Literacy.

ECCS 1621-Programming 2
4 Credits
Continuation of Programming 1. Focus on the object-oriented programming paradigm: classes, objects, methods, information hiding, inheritance, polymorphism. Software engineering: tools, design, testing, validation. Graphical user interfaces and their fundamental widgets. Event-driven programming. Offered spring semester. Prerequisite(s): ECCS 1611 or ECCS 164. Must be enrolled in one of the following Classifications: Freshman, Sophomore, Junior, Senior.

ECCS 2311-Electric Circuits
4 Credits
DC and AC circuits. Basic laws, analysis techniques, and circuit theorems. Op amps, first-order circuits, sinusoids and phasors, ac power analysis, ideal transformers and three phase circuits. Computer simulation. Integrated laboratory experience. Offered fall semester. Prerequisite(s): MATH 1631 or MATH 164 or MATH 159 or MATH 1621. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2321-Signals and Systems
3 Credits
Signal and system analysis in the time domain. Frequency domain analysis using Laplace transform, Fourier series, Fourier transform, and Discrete Fourier transform. Discrete-time signal analysis using Z-transform. Offered spring semester. Prerequisite(s): (ECCS 2311 or GE 202) and (MATH 2651 or MATH 275). Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.
ECCS 2411-Design Patterns
3 Credits
Named problems occurring in object-oriented design featuring the 23 fundamental Gang of Four design patterns, applications and use. Offered fall semester. Prerequisite(s): ECCS 1621 or ECCS 165. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2421-Software Engineering
3 Credits
Requirements, design, implementation, testing, deployment, and maintenance of software systems, primarily directed to object oriented systems. Focus on Agile Software Development Principles and Practices. Offered spring semester. Prerequisite(s): (MATH 3061 or MATH 336) and (ECCS 2671 or ECCS 268). Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2431-Programming Environments
3 Credits
Use of a software environment to build a large project. Solutions incorporate third party library code and student generated libraries. Students work independently. Offered fall semester. Prerequisite(s): ECCS 1621 or ECCS 165. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2671-Data Structures & Algorithms 1
3 Credits
Basics of algorithm analysis and creation. Standard sorting algorithms. Trade-offs of various algorithms. Classical data structures: arrays, heaps, queues, priority queues, hash tables, linked lists, binary trees. Offered fall semester. Prerequisite(s): ECCS 1621 or ECCS 166. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2681-Data Structures & Algorithms 2
3 Credits
Continuation of Data Structures and Algorithms 1. Advanced techniques for algorithm analysis and creation. Greedy algorithms. Amortized analysis. Dynamic programming. Fibonacci heaps. Graph-based data structures and algorithms. Offered spring semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 2721-Digital Logic
3 Credits
Analysis and design of combinational circuits. Analysis and design of sequential systems. Design using standard combinational and sequential modules. Application of VHDL and Xilinx software design tools. Verification of digital systems in FPGAs and ModelSim simulation. Offered spring semester. Prerequisite(s): MATH 3061 or MATH 336. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior. Course Attributes: Critical and Creative Thinking, Scientific and Quantitative Literacy.

ECCS 2991-Research Experience
1 to 3 Credits Grading mode is S/U
A planned learning experience involving participation in an approved research project. A paper and an oral presentation regarding the research experience are required. (Formerly ECCS 292). Course Attributes: Requires Department Approval, Requires Instructor Approval.

ECCS 3111-Electromagnetics
3 Credits
The study of electrostatics, magnetostatics and time-varying fields in different coordinate systems using various laws and principles through the application of vector calculus and vector algebra. Analysis of transmission lines using both mathematical and graphical techniques. Offered fall semester. Prerequisite(s): (ECCS 2311 or GE 202) and (MATH 2631 or MATH 263). Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3121-Energy Systems 1
4 Credits
Electric machines and power electronics. Analysis, performance characteristics, operation principles, and applications of power transformers, rotating machines, converters, inverters, and switched-mode power supplies. Computer Simulation. Integrated laboratory experience. Offered spring semester. Prerequisite(s): ECCS 3111 or ECCS 337. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3141-Control Systems
4 Credits
Fundamental concepts of feedback control systems. Control systems analysis and design by conventional methods: transient-response and steady-state error analysis, root-locus analysis, frequency-response and stability analysis, design and compensation techniques. Computer simulation. Integrated laboratory experience. Offered spring semester. Prerequisite(s): ECCS 2321 or ECCS 314 or ECCS 380. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3191-Communication Systems
4 Credits
Analog and digital communication systems; modulation and demodulation techniques. Noise and bandwidth requirements. System design and performance analysis. Integrated laboratory experience. Offered spring semester. Prerequisite(s): ECCS 2321 or ECCS 414 or ECCS 380. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3221-Operations Research
3 Credits
Linear programming simplex method, duality, sensitivity analysis, PERT/CPM. Standard O.R. applications including transportation, maximum flow, and shortest path problems, among others. Formerly ECCS 332. Also listed as MATH 3221. Offered alternate spring semesters. Prerequisite(s): MATH 2651 or MATH 275 or MATH 3261 or MATH 372. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3241-Embedded Systems
3 Credits
UML and model-based embedded system design, microprocessor/digital signal processor/network processor instruction sets, CPUs, bus-based system design, embedded computing platform, program design and analysis, real time operating systems and processes, hardware accelerators, networks and distributed embedded architectures, and systems design techniques, multcore embedded systems; integrated laboratory experimental activities. Offered spring semester. Prerequisite(s): ECCS 3351 or ECCS 362 or ECCS 3611 or ECCS 365. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3311-Digital Signal Processing
3 Credits
Analogue to digital and digital to analogue conversions. Analysis of discrete-time signals and systems in both time domain and Z-domain. Design and implementation of FIR and IIR systems. Using MATLAB to simulate and model discrete-time systems. Integrated laboratory experience. Offered fall semester. Prerequisite(s): ECCS 2321 or ECCS 314 or ECCS 380. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3331-Electronics
4 Credits
Analysis and design of analog and digital electronic circuits using semiconductor diodes, transistors and integrated circuits. Computer techniques will be combined with laboratory work for several projects. Offered fall semester. Prerequisite(s): (ECCS 2311 or GE 202) and (ECCS 2321 or ECCS 314 or ECCS 380) and (ECCS 2721 or ECCS 260). Must be enrolled in one of the following Classifications: Junior, Senior.
ECCS 3351-Microprocessors
3 Credits
Microprocessors and microcontroller system design, microprocessor structure, registers, RAM and ROM addressing, machine cycles and timing relationships, input and output ports and addressing, assembly level programming, embedded C programming, microcontroller structure, timer systems, analog-to-digital converters, serial and parallel communication, use of development systems and design simulators, embedded microcontroller design projects; integrated laboratory experimental activities. Offered fall semester. Prerequisite(s): (ECCS 1611 or ECCS 164) and (ECCS 2721 or ECCS 260). Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3411-Computer Security
3 Credits
Social engineering, cryptography, access control, protocols, software vulnerabilities, risk analysis, attack methodologies, legal and ethical issues. Formerly ECCS 371. Offered Fall Semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Informed Ethical Responses.

ECCS 3431-Theory of Computation
3 Credits
A mathematical approach to the theory of computation with emphasis on rigorous arguments of various sorts. Regular and Context-Free Languages. Turing machines. The implications of these issues to the discipline of computing. Offered fall semester. Prerequisite(s): MATH 3061 or MATH 336. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3451-User Interface Design
3 Credits
Human-Computer Interaction topics as related to graphical user interfaces encountered in software applications and web sites. User-centered interface development methodology and life cycle. Style, structure, layout, and organizational design guidelines. Color, typography, accessibility, globalization, and personalization issues. Offered fall semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Junior, Senior. Course Attributes: Informed Responses-Aesthetics.

ECCS 3481-Databases
3 Credits
Overview of data models and applications. Relational Algebra. Structured Query Language (SQL). Security issues. Offered spring semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3611-Computer Architecture
4 Credits
Aspects of computer hardware: computer arithmetic, micro-architecture design (both datapath and control unit), instruction sets, storage hierarchies. Current families of microprocessors illustrating design tradeoffs. Integrated laboratory experience. Offered spring semester. Prerequisite(s): ECCS 2721 or ECCS 260. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3631-Networks & Data Communications
3 Credits
The Internet Protocol Stack. Coverage of the application, transport, network, data link and physical layers with project assignments. Protocols used to implement communication over the Internet. Offered fall semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3651-Computer Vision
3 Credits
Extraction of useful information from captured images to make decisions about the real world, modeling cameras, calibration, feature extraction, feature synthesis, segmentation, still and video image processing. Define and produce an individualized course-long project that utilizes computer vision to solve a problem of the student’s choice. Recommended: Matlab and/or C++ experience. Offered spring semester. Prerequisite(s): (ECCS 1621 or ECCS 165) and (MATH 1631 or MATH 163). Must be enrolled in one of the following Classifications: Junior, Senior.

ECCS 3661-Operating Systems
3 Credits

ECCS 3901-Special Topics
1 to 3 Credits
Selected topics in electrical or computer engineering or computer science of current interest. May be repeated for credit. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted.

ECCS 3951-Independent Study
1 to 3 Credits
Individual study of topic in electrical or computer engineering or computer science of particular interest to the ECCS student. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Junior, Senior. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ECCS 3991-External Research Experience
1 to 3 Credits Grading mode is S/U
A planned learning experience involving participation in an approved research project. A paper and an oral presentation regarding the research experience are required. (Formerly ECCS 392). Course Attributes: Requires Department Approval, Requires Instructor Approval.

ECCS 4111-Energy Systems 2
3 Credits
Power systems fundamentals, single line diagrams and per unit calculations, transmission lines modeling, load flow techniques, economic dispatch, fault analysis, and power systems control. Computer simulation. Team-oriented design cases. Offered fall semester. Prerequisite(s): (ECCS 2311 or GE 202) and ECCS 3121. Must be enrolled in one of the following Classifications: Senior.

ECCS 4121-Advanced Power
3 Credits
Selected advanced topics in power engineering. Offered spring semester. Must be enrolled in one of the following Classifications: Senior.

ECCS 4131-Advanced Communications
3 Credits
Selected advanced topics in communications. Offered spring semester. Prerequisite(s): ECCS 3191 or ECCS 458. Must be enrolled in one of the following Classifications: Senior.

ECCS 4141-Information Theory
3 Credits
Introduction to information theory; channel coding techniques and their trade-offs, compression techniques of voice, image, and video; encryption and decryption techniques. Offered spring semester. Prerequisite(s): (ECCS 2721 or ECCS 260) and (STAT 2501 or STAT 280).

ECCS 4161-Advanced Controls
3 Credits
Selected advanced topics in control systems. Offered spring semester. Prerequisite(s): ECCS 3141 or ECCS 345.

ECCS 4191-System Design
1 Credit
Integration of different areas of electrical engineering in the design of a complete practical system. The process of defining the architecture, components, modules, and interfaces for a system to satisfy specified requirements. Offered fall semester. Must be enrolled in one of the following Classifications: Senior.
ECCS 4211-VLSI System Design  
3 Credits  
VLSI Fabrication Process, CMOS logic gate implementations, combination logic networks, clocking, subsystem design, floorplanning and layout, architecture design, FPGA technology, high level synthesis, testing and verification. Industry standard computer-aided design tools will be used to simulate, design and layout VLSI/FPGA circuits in the laboratory. Offered fall semester. Prerequisite(s): ECCS 3271 or ECCS 260 and (ECCS 3331 or ECCS 321). Must be enrolled in one of the following Classifications: Senior.

ECCS 4311-Advanced DSP  
3 Credits  
Selected topics in Digital Signal Processing techniques and their applications in 1-D and 2-D spaces. Offered fall semester. Prerequisite(s): ECCS 3311 or ECCS 411. Must be enrolled in one of the following Classifications: Senior.

ECCS 4321-Computer Networks  
3 Credits  
Selected topics in computer/wireless networks. Offered spring semester. Prerequisite(s): ECCS 3631 or ECCS 366 or ECCS 3191. Must be enrolled in one of the following Classifications: Senior.

ECCS 4331-Photovoltaic and Power Devices  
3 Credits  
Semiconductor and Electric Transport, Characteristics of Sunlight, Solar Cell: Properties and Design, PV cell interconnection and modules, Power Diodes and Breakdown Voltages, Power MOSFETs, Power BJTs, Thyristors; Stand-alone Photovoltaic Systems; Grid-Connected Photovoltaic Systems. Offered fall semester. Prerequisite(s): ECCS 3121.

ECCS 4341-Advanced Electronics  
3 Credits  
Advanced topics in electronics. Offered spring semester. Prerequisite(s): ECCS 3331 or ECCS 321. Must be enrolled in one of the following Classifications: Senior.

ECCS 4351-Smart Grid  
3 Credits  
Smart Grid for efficient Power System; Resource Adequacy and Transmission Planning; Energy Efficiency; Power Production and Delivery; Wind/Solar power forecasting; Integration of intermittent renewable sources; DC Distribution; Probabilistic Reliability Evaluation; Energy Storage; Microgrids; Demand Side Management; Energy Efficiency; Electric End Use; Smart and Sustainable Buildings; Cyber-physical Systems; Cybersecurity in Energy Grid. Offered spring semester. Prerequisite(s): ECCS 3351 and ECCS 4111.

ECCS 4391-Engineering Economy  
1 Credit  
Decision making based on criteria of economic factors including present worth, future worth, internal rate of return, cost benefit ratio, depreciation, and taxes. Offered fall semester. Corequisite(s): ECCS 4711. Must be enrolled in one of the following Classifications: Senior. This course may be repeated 1 time. This course is repeatable for a total of 1 hour.

ECCS 4411-Programming Languages  
3 Credits  
Constructs of programming languages in different programming paradigms: syntax analysis. Semantic analysis. Offered fall semester. Prerequisite(s): ECCS 2671 or ECCS 268. Must be enrolled in one of the following Classifications: Senior.

ECCS 4471-Computer Science Capstone 1  
2 Credits  
Team-based design or research project in computer science. Application of design and development principles and methods as appropriate to a project featuring a relevant and current subject. Development and delivery of project proposal. Offered fall semester. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

ECCS 4481-Computer Science Capstone 2  
3 Credits  
Continuation of Computer Science Capstone 1. Delivery of a project featuring a relevant and current subject. Demonstration and verification of project capabilities as appropriate to project. Development and delivery of documentation as appropriate to project. Offered spring semester. Prerequisite(s): ECCS 4471. Must be enrolled in one of the following Classifications: Senior.

ECCS 4611-Numerical Analysis  
3 Credits  
Review of programming concepts using MATLAB or other programming software. Errors that occur in representing numbers on a computer and approximating solutions; methods for locating roots of a non-linear equation; interpolation, numerical differentiation; and numerical integration. Numerical solution of differential equations and of systems of linear algebraic equations. Splines. Also listed as MATH 4611. Offered alternate spring semesters. Prerequisite(s): (MATH 2651 or MATH 275) and (MATH 3601 or MATH 360). Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

ECCS 4711-Senior Design 1  
2 Credits  
Initiation and proposal generation of senior design project as a team effort. Design process and project management are covered. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

ECCS 4721-Senior Design 2  
3 Credits  
Continuation of Senior Design 1. Prototyping and project deliverables. Prerequisite(s): ECCS 4711. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Senior.

ECCS 4901-Special Topics  
1 to 3 Credits  
Selected topics in electrical or computer engineering or computer science of current interest. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Senior. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ECCS 4951-Independent Study  
1 to 3 Credits  
Individual study of topic in electrical or computer engineering or computer science of particular interest to the ECCS student. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Computer Engineering, Computer Science, Electrical Engineering. Must be enrolled in one of the following Classifications: Senior. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ECCS 4991-Research Experience  
1 to 3 Credits Grading mode is S/U  
A planned learning experience involving participation in an approved research project. A paper and an oral presentation regarding the research experience are required. (Formerly ECCS 492). Course Attributes: Requires Department Approval, Requires Instructor Approval.
DEPARTMENT OF MECHANICAL ENGINEERING

Professors Yoder (Chair), Rider, Marquart. Associate Professors Sawyers, Shen, Mikesell; Assistant Professor Laird (Director of Corporate and Alumni Relations).

Mission Statement
The mechanical engineering department will enable students to acquire the skills needed for lifelong success and be prepared for professional practice and further studies.

Program Education Objectives
Graduates of the Mechanical Engineering program will attain:
1. Success in their chosen profession.
2. Recognition for their ability to communicate effectively with a variety of audiences and to work with people of various backgrounds.
3. Respect by working in a dedicated, competent, and ethical manner.
4. Professional development through continued studies.

Subject - Mechanical Engineering (ME)

ME 1411-Engineering Material Science
3 Credits
Fundamental physical and microstructural characteristics of materials and how these relate to their mechanical properties. Evaluation of these properties for material selection. Metallurgical aspects including equilibrium diagrams. Includes hands-on experiences in material science. Offered spring semester.

ME 1901-Special Topics
1 to 3 Credits
Selected topics of current interest in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted.

ME 1951-Independent Study
1 to 3 Credits
Independent study of a topic of particular interest to the student in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ME 2311-Thermodynamics
3 Credits
Fundamentals of classical thermodynamics. Work, heat transfer, and thermodynamic properties. The First and Second Law of Thermodynamics. Application to power and refrigeration cycles, humidity and air conditioning. Offered spring semesters. Prerequisite(s): PHYS 2311 or PHYS 232.

ME 2511-Computer Applications
3 Credits
Mechanical engineering problem solving using computer software, including MATLAB and 3-dimensional modeling. Prerequisite(s): ENGR 2131 or PHYS 2311.

ME 2901-Special Topics
1 to 3 Credits
Selected topics of current interest in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted.

ME 2951-Independent Study
1 to 3 Credits
Independent study of a topic of particular interest to the student in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ME 3111-Mechanical Design 1
3 Credits
Introduction to mechanical design with the computer used as a tool for design layout. Synthesis and analysis of linkages along with cam design. Offered fall semester. Prerequisite(s): (ENGR 2141 or GE 214) and (ME 2511 or ECCS 1611 or ECCS 160 or ECCS 164).

ME 3121-Mechanical Design 2
3 Credits
Advanced mechanics of materials. Design and selection of various machine elements such as screws, bearings, welds, and gears, etc. Offered spring semester. Prerequisite(s): ME 3111 and (ENG 2231 or GE 223).

ME 3131-3-D Modeling and Design
3 Credits
Introduction to mechanical design applications with the computer used as a tool. Emphasis on solid modeling, simulation, design layout, and geometric dimensioning and tolerancing. Must be enrolled in one of the following Classifications: Junior, Senior. This course is repeatable for a total of 3 hours.

ME 3211-Dynamic Systems 1
3 Credits
Fundamentals of dynamic system behavior. Mathematical modeling of mechanical, fluid, and electrical systems; analytical and computer solution methods. Laplace transforms, transfer function and state variable methods. Free and forced vibration analysis, vibration suppression, multiple DOF systems. Offered fall semester. Prerequisite(s): (MATH 2851 or MATH 275) and (ENGR 2141 Minimum Grade of C or GE 214 Minimum Grade of C) and (ECCS 2311 or GE 201).

ME 3221-Dynamic Systems 2
4 Credits
Modeling, analysis and design of linear feedback control systems. Transfer function and state space methods. Frequency response. Digital logic and controls. Laboratory work in digital logic design and performance studies of real systems. Prerequisite(s): ME 3211.

ME 3231-Automotive Engineering
3 Credits
Studies in land vehicle dynamics and driveline systems. Specific topics include acceleration and braking performance, steering, suspensions, tires and current developments in powertrain and safety systems. Prerequisite(s): (ME 3211 or ECCS 2321).

ME 3311-Fluid Mechanics
3 Credits
Fundamentals of fluids phenomena, including hydrostatics, conservation of mass, momentum, and energy, dimensional analysis, internal and external flow, compressible flow and turbo machinery. Offered fall semester. Prerequisite(s): (MATH 2651 or MATH 275) and (ME 2311 or ME 365).

ME 3321-Heat Transfer
3 Credits
Principles of the three mechanisms of heat transfer (conduction, convection, radiation) in solid, fluid and vacuum media. Development of the control volume approach, as well as numerical solution techniques. Heat exchanger performance and design. Applications to engineering problems and systems. Offered spring semester. Prerequisite(s): (PHYS 2311 or PHYS 232) and (MATH 2651 or MATH 275) and (ME 3311 or ME 366).

ME 3331-Thermal Sciences Lab
1 Credit
Development and conduction of experiments in thermodynamics, fluid mechanics, and heat transfer. Prerequisite(s): ME 2311 and ME 3311. Corequisite(s): ME 3321.

ME 3341-Fluid Transfer
1 Credit Grading mode is S/U
Fundamental concepts of fluid flow. Laminar and turbulent flow regimes. Conservation of energy and friction losses in pipe flow. Lift and drag forces resulting from external flow over solid objects. Dimensionless parameters, including Reynolds number, friction factor, and Drag Coefficient. This course may be repeated 1 time. Course Attributes: Requires Instructor Approval.
ME 3111-Manufacturing Laboratory
1 Credit
Introduction to the machines and processes involved in manufacturing. Students will manufacture parts by sand casting, welding, rapid prototyping, as well as using a mill, lathe, drill press and CNC plasma cutter. Offered fall semester.

ME 3421-Manufacturing Processes
3 Credits
Manufacturing engineering and technology including casting, rolling, forging, extrusion, drawing, sheet metal forming, machining, and welding. Theoretical as well as practical considerations. Quality control and statistical methods. Prerequisite(s): ME 1411 or GE 243.

ME 3511-Experimental Methods
2 Credits

ME 3521-Finite Element Analysis
3 Credits
The finite element method techniques are studied. These techniques are used to solve engineering continuum problems, both 'by hand' and using the general purpose commercial FEA package, ANSYS. Applications to engineering design of static and dynamic structures, as well as thermal systems. Offered spring semester. Prerequisite(s): ENGR 2231 or GE 223.

ME 3611-Aircraft Design
3 Credits
Fundamental aspects of aircraft design, incorporating concepts such as range, mission requirements, flight conditions, propulsion, appendage and fuselage design, as well as stability and control. Students will work in teams to develop a preliminary concept for an aircraft and present that design to the class. Prerequisite(s): ME 3311. Must be enrolled in one of the following Colleges: Engineering. This course is repeatable for a total of 3 hours.

ME 3901-Special Topics
1 to 3 Credits
Selected topics of current interest in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted.

ME 3951-Independent Study
1 to 3 Credits
Independent study of a topic of particular interest to the student in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

ME 4011-Process of Design
3 Credits
The process of design is covered with a focus on problem-solving methodology, project management, and engineering economy. Teamwork tools and design are used on a team project. Offered fall semester. Corequisite(s): ME 4111. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Must be enrolled in one of the following Classifications: Senior. Course Attributes: Critical and Creative Thinking, Effective Communication Writing.

ME 4111-Capstone 1
1 Credit
Initiation of capstone design project as a team effort. Offered fall semester. Corequisite(s): ME 4111. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Must be enrolled in one of the following Classifications: Senior.

ME 4121-Capstone 2
2 Credits
Completion of capstone design project as a team effort. Offered spring semester. Prerequisite(s): ME 4111 or ME 411. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Must be enrolled in one of the following Classifications: Senior.

ME 4211-Industrial Controllers
3 Credits
Applications in control systems concentrating on PLCs and ladder logic. Advanced control theory explored. Laboratory work concentrates on PLC applications. Offered fall semester. Prerequisite(s): ME 3221 or ECCS 3141. Concurrency allowed.

ME 4221-Intelligent Systems
3 Credits
Students will learn to model complex systems. Systems from a variety of disciplines will be used. Students will apply a variety of algorithms to control and test these systems in a laboratory setting. Offered spring semester. Prerequisite(s): ME 3211 or ECCS 3141 or ME 339 or ECCS 344.

ME 4231-Robotics
3 Credits
An introduction to topics in robotics. Topics will include robot kinematics, motion planning, mobile robots, robot sensors, and artificial intelligence. Students will complete projects using robots.

ME 4311-Computational Fluid Dynamics
3 Credits
The theory and methods of computational fluid dynamics, including grid generation, flow solution, and postprocessing analysis. Implicit and explicit methods are studied, as well as direct and iterative solution techniques, and stability criteria. Students work with Poinwise, Cobalt, and Fieldview. Lab time is primarily spent using commercial CFD codes to perform flow analyses, but some computer programming may be required. Offered fall semester. Prerequisite(s): ME 3311 or ME 366.

ME 4321-Renewable Energy
3 Credits
An overview of renewable energy sources such as solar, wind, water, and biomass. Current and potential technologies for extracting, storing, and converting renewable energy into electricity. Economic and social issues that impact renewable energy projects. Offered spring semester. Prerequisite(s): (ME 2311 or ME 365).

ME 4331-Advanced Thermodynamics
3 Credits
Application of thermodynamic laws to the analysis of advanced cycles and processes. Modifications to the basic Rankine, Brayton and piston engine power cycles, including topping cycles and cogeneration. Basic and advanced refrigeration and heat pump cycles. Prerequisite(s): ME 2311 or (ME 366 and ME 367).

ME 4411-Biomaterials and Medical Devices
3 Credits
Properties and application of materials that are used in contact with biological systems. Structures and properties of human tissues. Biomechanics related to implant design. Host reactions to implants. Offered fall semester.

ME 4511-Engineering Analysis
3 Credits
Solution of a wide range of mechanical engineering problems using various analytical and numerical techniques. Prerequisite(s): (ME 2511 or ECCS 160) and ME 3211 and ME 3221 and ME 3321 and ME 3322.

ME 4901-Special Topics
1 to 3 Credits
Selected topics of current interest in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted.

ME 4951-Independent Study
1 to 3 Credits
Independent study of a topic of particular interest to the student in mechanical engineering. Must be enrolled in one of the following Colleges: Engineering. Must be enrolled in one of the following Fields of Study: Mechanical Engineering. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.
THE RUDOLPH H. RAABE COLLEGE OF
Pharmacy
THE RUDOLPH H. RAABE COLLEGE OF
Pharmacy
Steven J. Martin, Dean

Accreditation and Affiliations
The Raabe College of Pharmacy’s Doctor of Pharmacy degree program is accredited by the Accreditation Council for Pharmacy Education (ACPE). The degree is recognized by the Board of Pharmacy of the State of Ohio as meeting the educational requirement for licensure examination. The College of Pharmacy is a member of the American Association of Colleges of Pharmacy, and the Council of Ohio Colleges of Pharmacy.

Departments
Department of Pharmaceutical and Biomedical Sciences (PHBS)
Department of Pharmacy Practice (PHPR)

Office
Office of Experiential Education (OEE)

Vision Statement
We create leaders who revolutionize the profession and practice of pharmacy.

Mission Statements
As the teacher/scholars of pharmacy education, we are committed to:
- nurturing leaders
- creating professionals who contribute to the greater good of society
- advancing the profession and the practice of pharmacy

Admission Standards
Persons seeking admission to the College must provide the necessary information and meet the general requirements for admission to the University as listed in that section of this catalog. Selected applicants are required to complete a personal interview.

High School Graduates. It is recommended that high school graduates should have completed the college preparatory course including four units of English, four units of mathematics and four units of science (biology, chemistry, and physics recommended) and six units of history, social studies, languages or any combination thereof.

Transfer Students. A student desiring to transfer from another accredited college or university must present authenticated academic transcripts from all institutions attended. Credit will be allowed for any course in which a grade of C or better was received provided such work is parallel to the requirements for graduation from this institution (grades of C- are not transferable). Grades of P (passing) or S (satisfactory) are accepted when the academic institution certifies their equivalence to a C or better. Approval for admission and advanced placement will be determined upon review of the student’s previous record. Students entitled to advanced standing may enter at the time approved by the dean of the College of Pharmacy. All transfer decisions are based on space availability in the program.

Doctor of Pharmacy Degree Requirements
The Doctor of Pharmacy program is an advanced professional program that provides a foundation in the basic sciences of pharmacy as well as a comprehensive understanding of health care settings. Specifically, the graduate will have training in clinical skills which will allow entry into advanced practice settings. The program of study leading to the degree of Doctor of Pharmacy is a combination of general education courses, basic sciences, professional pharmacy courses, and electives. This program requires a minimum of 216 semester hours of study divided according to the following:

- General education courses: 30 hours
- Basic science courses: 44 hours
- Professional courses: 131 hours
- Electives: 11 hours

Pharmacy General Education Requirements.
The general education component of the pharmacy degree curriculum consists of 30 semester hours and intends to contribute significantly to the student’s becoming an educated professional and a responsible citizen. These foundation courses conform to the university general education learning objectives as previously stated on page 19.

Communication Competence
Writing Competence
Oral Communication

Culture and Society
Social Science
Literature
History
Business Foundation

Aesthetic Sensibility
Fine Arts

Human Values
World Perspective
Ethics
Extra-disciplinary Seminar

An approved Honors Seminar may fulfill a requirement listed above.
For specific information, see the office of the dean.

Basic Science Requirements.
Basic sciences are needed in the pharmacy curriculum to provide not only the background required for professional pharmacy courses but also to contribute to developing a scientific literacy necessary to function in an increasingly complex and technical world.

- Introductory Chemistry 1711, 1721
- Organic Chemistry 2511, 2521
- General Biology 1201
- Human Anatomy and Histology 1341
- Human Anatomy and Histology Laboratory 1361
- Physiology 3311, 3321
- Biosciences Laboratory 3221
- Medical Microbiology 3131
- Calculus and Probability in Life Sciences 1471
- Statistics for Pharmacy 1761

Professional Pharmacy Requirements.
Courses offered by the departments of Pharmaceutical and Biomedical Sciences and Pharmacy Practice as well as the collaborative efforts demonstrated in the area of Biomedical Science and Patient Care, are designed to meet the intellectual standards that are expected of the modern pharmacist, including the high ethical behavior American society envisions of its pharmacists.

- Pharmaceutical and Biomedical Sciences
  Applied Sciences of Pharmacy 2901
  Biochemistry 3411, 3421
  Immunology 3751
  Pharmaceutical Sciences Modules 3311, 4321
  Biomedical Sciences Modules 4431, 4441

- Pharmacy Practice
  The Profession of Pharmacy 1011, 1021, 2011, 2021, 3011
  OTC/Home Diagnostics 3311
  Professional Pharmacy Skills 3021, 4011
  Pharmacy Therapeutic Modules 4411, 4421, 5431, 5441, 5451, 5471
  Capstone 5461
  Pharmaceutical Administration Module 5501
  Special Populations 5531
  Advanced Pharmacy Practice Experiences 6501-6509
Electives
Elective course hours for the pharmacy program may be selected from courses in Arts & Sciences, Business Administration, and the College of Pharmacy. Students may plan elective courses for personal enrichment or to satisfy a minor; a secondary academic program, or a dual degree.

General Administrative and Academic Regulations

General administrative and academic regulations for the College of Pharmacy are established by the dean and faculty of the college to assist students as they select courses and attempt to fulfill graduation requirements. Additional regulations may be adopted during the academic year or changes may be made to the following:

1. Students who wish to register for more than 19 hours of academic studies in a single semester need the written permission of the dean of the College of Pharmacy.

2. A pharmacy student may take no more than six semester hours in any summer term with a maximum of twelve semester hours, total, for the two summer terms.

3. A prerequisite for the introductory and the advanced pharmacy practice experiences (PHPR 6501-6509) is a certificate of registration as an Ohio pharmacy intern. The Ohio Board of Pharmacy may deny the issuance of the certificate if an individual has been convicted of a felony, has been convicted of violating any state or federal pharmacy or drug law, is not of good moral character and habits, is addicted to or abusing liquor or drugs, has been disciplined by the Ohio Board of Pharmacy pursuant to section 4729.16 of the revised code, or has been disciplined by any board of pharmacy (OAC 4729-5-04).

4. Students registered for an advanced pharmacy practice experience who wish to register for any additional elective courses need the written permission of the experiential office and the dean of the College of Pharmacy prior to registering for the additional courses.

5. Students should not expect to register for courses that have conflicting time schedules. On rare occasions a student may be allowed to do so. The student will need the written permission of both the faculty members and the dean of the College of Pharmacy. Permission is never given to allow a student to recover from a bad grade, whether the need for a time conflict is created directly or indirectly.

6. Students are encouraged to register for activity courses in art, music, theatre, and health and physical education. There is no maximum number of activity course credits that may be used for fulfilling elective graduation requirements.

7. All pharmacy students in the Lower Division (P1-P3 Ranking) must have a cumulative GPA of 2.00 or higher and a letter grade of “C” or better in all required courses prior to entering the P4 year. Those students not meeting this requirement will maintain the class rank of P3 and may not take any P4 level course work until all stated requirements are met.

Rules 8-8.4 pertain to P1-P3 “Lower Division” students.

8. A warning letter will be sent to the student and advisor with the first deficient grade of (D or F), regardless of the student’s overall cumulative grade point average (GPA).

8.1 Students receiving a 2nd deficient grade (D or F), regardless of overall GPA, in any course work will receive a second warning letter.

8.2 A third deficient grade (D or F), regardless of overall GPA, in any course work will cause the student to be suspended for up to 1 year.

8.3 A fourth deficient grade (D or F), regardless of overall GPA, in any course work will cause the student to be suspended for at least 1 year.

8.4 A student receiving a 5th deficient grade (D or F) in any course work, regardless of GPA, will result in dismissal from the College of Pharmacy.

Rules 9-9.2 pertain to P4-P6 “Upper Division” students.

9. All students who receive a deficient grade during the first parts of a semester (e.g. the first PHPR module of two or three normally taken in succession in a single semester) are permitted to take the subsequent module(s) in that semester.

9.1 All students enrolled in either the first, second or third of two or three sequential modules offered in the same semester may drop any module before, completing 80% of class days in that module.

9.2 For PHPR and/or PHBS required course work, students who earn a letter grade of “D” in one upper division course are eligible for course “Remediation” (see the College Handbook for additional information). Students earning a letter grade of “F” and/or a second letter grade of “D” must repeat all upper division courses for which letter grades of “D and/or F” were earned.

Rules 10-10.3 pertain to all students P1-P6.

10. All students who are repeating courses or modules because of earned “D” or “F” grades will have a maximum of three (3) opportunities (two repeat attempts) to earn a grade of C or better. Failure to earn a “C” or better after the second repeat attempt (third time total) will result in the student’s dismissal from the College of Pharmacy.

10.1 All PHPR and PHBS letter grades are utilized (including repeated courses) when calculating a student’s cumulative grade point average (GPA).

10.2 Except where noted, credit hours earned in repeated courses can be counted only one time among the total hours required for graduation.
10.3 All Doctor of Pharmacy degree requirements must be completed no later than two years after the anticipated graduation date from the time the student enrolls in the Raabe College of Pharmacy. A verifiable personal emergency may justify an extension as determined by the dean or dean’s designate of the Pharmacy College.

This academic action rule is effective for all students in the program. Continuing students in academic year 2009-2010 will be held to the anticipated graduation date as of the start of the 2009-2010 academic year.

S/U Grade Option

Students may utilize the S/U grade option only as noted in the College of Pharmacy catalog course descriptions. Otherwise, students are not permitted to register for courses on an S/U basis if the course is offered on a graded basis.

Classification of Students

Students may be advanced to the following classifications upon meeting the stated requirements.

P-2: a minimum of 36 semester hours of credit including completion of the following courses or their articulated equivalent: Chemistry 1711, 1721; Biology 1201, 1341, 1361; and Math 1471.

P-3: a minimum of 72 semester hours of credit including completion of the following courses or their articulated equivalent: Chemistry 2511, 2521; Statistics for Pharmacy 1761 and Applied Sciences of Pharmacy; and PHBS 2901.

P-4: a minimum of 108 semester hours of credit including completion of all lower division basic science and pharmacy course work, plus completion of all general education requirements.

P-5: a minimum of 144 semester hours of credit.

A cumulative GPA of 2.00 or higher and have successfully completed Pharmacy Therapeutics Modules PHPR 4411, 4421; PHBS 4321, 4441; and PHPR 4011.

P-6: a minimum of 180 semester hours of credit.

A cumulative GPA of 2.00 or higher and have successfully completed Pharmacy Therapeutics Modules PHPR 5431, 5441, 5451; 5501 modules and received a letter grade of “C” or better in PHPR 5461.

Other information relative to the requirements for reclassification of standing may be obtained in the office of Pharmacy Student Services of the College of Pharmacy.

Academic Standing

A student who fails to maintain the prescribed standards of scholarship will be subject to one of the following actions, namely: 1) probation, 2) continued probation, 3) suspension from the college, or 4) dismissal from the college.

Following the first semester a student’s cumulative grade point average (GPA) falls below 2.00, the student will be placed on probation. If a student on probation fails to obtain good academic standing (cumulative GPA 2.00 or higher) after the following semester, the student will be placed on continued probation. If good academic standing is not achieved by the end of the following semester, the student will be subject to suspension. Any student with a semester GPA of less than 1.00 may be placed on probation or suspended. When a student is on probation, the college may impose special conditions for continued enrollment. Students on probation cannot participate in competitive activities of individuals, teams, or other groups officially designated as representing the University.

When action is taken to suspend a student, the suspension will be for a specified period of time after which the student will be eligible to apply for readmission. Readmission is not automatic. If readmission is granted, the faculty will establish specific conditions of academic performance expected of the student. A semester GPA of less than 2.00 in any of the first two semesters after readmission may lead to dismissal. Dismissal is a terminal action and the student is not eligible to apply for readmission to the College of Pharmacy at any time thereafter.

Pharmacy/Biology Dual Degrees Program

The pharmacy/biology dual degrees program is a six-year curriculum that provides for educational, practice and research experiences in both pharmacy and biology. The Doctor of Pharmacy degree and the biology degree are awarded upon completion of the program of study. A more detailed description about this program is available from the Office of Student Services in the College of Pharmacy or the Department of Biological and Allied Health Sciences Office.

Dual Degree Programs

Information concerning other undergraduate dual degree programs involving the College of Pharmacy appears on page 20 of this catalog. Students may receive further details in the Office of Pharmacy Student Services.

Student Services

The College of Pharmacy provides specialized services to students and alumni through the staff of the Office of Pharmacy Student Services, including college admissions, academic advising, personal counseling, career counseling, and job placement. The staff of the office also coordinates professional organization functions, student group activities, and serves as the focus for special project planning and implementation.

Student Conduct

Students enrolled in the College of Pharmacy are expected to uphold high professional standards. The use or possession of narcotics, stimulants, or hallucinogens without the supervision of his/her own physician is unacceptable conduct and can subject the student to dismissal. A student who has been convicted of a felony or who has violated any state or federal pharmacy or drug law can be dismissed from the college.

Special Notice

Because of rapid developments in the health professions, the curriculum and academic standards of the College of Pharmacy are constantly being reviewed by the faculty. The faculty of the college reserves the right, without advance notice, to change the content, duration and sequence of any course included in the curriculum, or to increase or decrease the number of credit hours leading to the degree. The faculty also reserves the right without advance notice to change the academic standards of the college.

DEPARTMENT OF PHARMACEUTICAL & BIOMEDICAL SCIENCES

Professors Christoff, Kinder; Associate Professors Mahfouz, Rojeab, Olah (Chair), Rorabaugh, Stockert; Assistant Professors D’Souza, Koh

Subject - Pharmaceutical and Biomedical Sciences (PHBS)

PHBS 2901-Applied Sciences of Pharmacy

3 Credits

Fundamental principles and professional applications of basic and applied sciences, such as physics and biostatistics, are explored in relation to advanced science topics and integrated clinical sciences. Drug discovery and development, medical imaging, and the science of alternative medicine are discussed in the context of applications to pharmacy practice. The Human Genome Project is described and a method of DNA sequencing is presented with specific application to pharmacy. Model drug compounds are presented to illustrate the critical need for thorough understanding and broad integration of basic science principles when considering the multitude of related professional applications in the practice of pharmacy. Offered spring semester. Prerequisite(s): PHPR 2011 Minimum Grade of C. This course may be repeated 2 times. Course Attributes: Integration Across Disciplines.
PHBS 3101-Drug Abuse Education
2 Credits
Development of skills in educating community groups regarding drugs and drug abuse. Emphasis on the development, mastery and delivery of concept-oriented lectures, and the effective use of learning materials in providing drug abuse education to various community groups, especially middle school and high school students. Background information, presentation techniques and approaches, and various current topics relating to drug abuse and chemical dependency. Offered fall and spring semesters. Prerequisite(s): BIOL 1341 or BIOL 124. Corequisite(s): PHBS 3111. This course is repeatable for a total of 2 hours.

PHBS 3111-Service Learning in Drug Abuse Education
1 Credit Grading mode is S/U
Community service-oriented presentation of drug abuse education talks to various community groups, including middle school and high school students. Opportunity to further develop skills in conveying health information to the public, focusing on issues relating to drug abuse and chemical dependency. Offered fall and spring semesters. This course is repeatable for a total of 7 hours.

PHBS 3311-Pharmaceutical Sciences 1
2 Credits
Physical pharmacy applications in the pharmaceutical sciences. Application of physicochemical principles applied to pharmaceutical preparations. Offered spring semester. Prerequisite(s): (PHBS 3411 or PHBS 341) and (PHPR 301 or PHPR 301) and (PHPR 331 or PHPR 331). This course may be repeated 2 times. Course Attributes: Scientific and Quantitative Literacy.

PHBS 3411-Biochemistry 1
3 Credits
The chemistry of living organisms with emphasis on the human system. Topics include acid-base balance, buffers, chemistry of amino acids, proteins, enzymes, carbohydrates, lipids, vitamins, nucleic acids and porphyrins. Biochemical genetics and genetic disorders are also covered. Offered fall semester. Prerequisite(s): (CHEM 253) or (CHEM 2521 and CHEM 2561). This course may be repeated 2 times.

PHBS 3421-Biochemistry 2
3 Credits
The major metabolic processes that are essential for human life, including biochemical energetics, the electron transport system, Krebs cycle, the metabolism of carbohydrates, lipids and amino acids, and the biosynthesis of purines, pyrimidines, nucleic acids and proteins. Offered spring semester. Prerequisite(s): PHBS 3411 or PHBS 341. This course may be repeated 2 times.

PHBS 3501-Basic Nutrition
2 Credits
Basic principles of nutrition for Pharmacy and non-Pharmacy students. Topics include a description of essential nutrients, methods of evaluating individual dietary adequacy, and dietary methods for weight control. Offered spring semester. This course may be repeated 2 times.

PHBS 3751-Immunology
3 Credits
Modern immunology and immunotherapy. The principles of basic and clinical immunology, historical background, host defense mechanisms, types of immune responses, nature of antigens and antibodies, antigen-antibody interactions leading to immunological disease, and transplantation and cancer immunology. The use of immunobiologics currently available in the USA for prevention and treatment of most common infections and immunologic diseases. The role of biotechnology as a source of immunobiologics will be discussed. Offered spring semester. Prerequisite(s): (PHBS 3411 or PHBS 341 or CHEM 3111). This course may be repeated 2 times.

PHBS 4321-Pharmaceutical Sciences 2
6 Credits
Basic and clinical pharmacokinetics, and concepts of pharmacokinetics related to physiology and pathophysiology. Pharmaceutic and biopharmaceutic aspects of a variety of drug dosage forms and delivery systems. Offered fall semester. Prerequisite(s): PHBS 3311 and PHBS 3421 and PHBS 3751. This course may be repeated 2 times.

PHBS 4431-Biomedical Sciences 1
5 Credits
An interdisciplinary focus on the mechanisms by which diseases, drugs and chemicals alter normal biochemical and physiological processes. The sciences of pathophysiology, pharmacology, toxicology, and medicinal chemistry are integrated to provide an in-depth understanding of these mechanisms. The course progresses from factors affecting sub-cellular mechanisms to those of whole organ systems. Includes small group recitation and student-presented seminar sections in order to introduce the basic and clinical scientific literature and provide activities which illustrate the pharmacotherapeutic applications of the material. Offered fall semester. Prerequisite(s): PHBS 3311 and PHBS 3421 and PHBS 3751. This course may be repeated 2 times.

PHBS 4441-Biomedical Sciences 2
6 Credits
Continuation of PHBS 4431. Offered spring semester. Prerequisite(s): (PHBS 4431 or PHBS 443) and (PHBS 4321 or PHBS 432). Must have one of the following Student Attributes: P4. This course may be repeated 2 times.

PHBS 5621-Survey of Research Areas in the Pharmaceutical and Biomedical Sciences
1 Credit Grading mode is S/U
Presentation of the research areas in the pharmaceutical and biomedical areas. Opportunities in these areas are defined. Offered spring semester. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times.

PHBS 5651-Research in the Pharmaceutical and Biomedical Sciences
2 Credits
A research experience for students who may pursue graduate studies in the pharmaceutical or biomedical sciences or related areas. Participation in all aspects of the design, implementation, model preparation, instrumentation, and reporting of specific research problems. Offered fall and spring semesters. This course may be repeated 8 times. Course Attributes: Critical and Creative Thinking, Scientific and Quantitative Literacy.

PHBS 5901-Special Topics in Pharmaceutical and Biomedical Sciences
1 to 3 Credits
Distinct special topics in the pharmaceutical and/or biomedical sciences. Offered fall and spring semesters. This course may be repeated 2 times. Course Attributes: Requires Instructor Approval.

PHBS 5971-Independent Study -Pharmaceutical and Biomedical Sciences
1 to 3 Credits
Independent study in the pharmaceutical and/or biomedical sciences. Offered fall and spring semesters. This course may be repeated 8 times.

DEPARTMENT OF PHARMACY PRACTICE

Professors Allison, K. Kier, Roecker (Chair), Sobotka, Sullivan; Associate Professors DiPietro, Finley-Sobota, Parteleno, Reilly-Kroustos; Shields, Worley; Assistant Professors Hethcox, Kline, Musser; Instructors T. Kier, McCurdy, Myers

OFFICE OF EXPERIENTIAL EDUCATION

Professor Parteleno (Director), Assistant Professor Kline (Assistant Director) Clinical Professors Bates, Bellman, Bestic, Bishop, Branch, Broshes, Caudill, Daberko, Dotson, Ford, Garman, Gardner, Grubaugh, Harger, Hartzell, Hulisz, Hunsicker, Kauffm, Keller, Kimbrel, Kristufek, Leifheit, Miller, C. Myers, R. Myers, Owens, Pierce, Ploggsted, Ruef, Rush, Sabol, Sillaman, Spicer, Stabi

Subject - Pharmacy Practice (PHPR)

PHPR 1011-The Profession of Pharmacy 1
1 Credit
The profession of pharmacy, the delivery of patient care, and the operation of the University and College of Pharmacy will be covered. Traditional classroom presentations are reinforced through structured experiential rotations in a variety of health care and service learning sites. Offered fall semester. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 1 hour. Course Attributes: Critical and Creative Thinking.
PHPR 1021-The Profession of Pharmacy 2
1 Credit
Continuation of PHPR 1011. Offered spring semester. Prerequisite(s): PHPR 1011. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 1 hour. Course Attributes: Informed Ethical Responses.

PHPR 1151-Lifetime Wellness for Pharmacy Professionals
1 Credit
Lecture and lab course covering the essential elements of wellness. Topics include: fitness components, weight management, nutrition, stress management, emotional health, and behavior modification strategies. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Pharmacy. Must be enrolled in one of the following Classifications: Freshman. Must have one of the following Student Attributes: P1. This course may be repeated 2 times. This course is repeatable for a total of 1 hour.

PHPR 1191-Special Topics in Pharmacy
1 to 3 Credits
Topics in pharmacy. Enrollment is restricted to students with specific pharmacy/biomedical experiences, such as attendees of programs such as Summer Honors Institute or Project Lead The Way. May be repeated as topics or experiences vary. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Pharmacy. Unlimited repeats permitted. Course Attributes: Requires Department Approval.

PHPR 1911-ST-Summer Honors Institute
1 Credit Grading mode is S/U
Topics in Pharmacy for the Summer Honors Institute only. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

PHPR 1921-Special Topics in Pharmacy
1 to 3 Credits
Topics in Pharmacy which may be repeated as topic varies. Must be enrolled in one of the following Colleges: Pharmacy. Must be enrolled in one of the following Fields of Study: Pharmacy. Unlimited repeats permitted. Course Attributes: Requires Instructor Approval.

PHPR 2011-The Profession of Pharmacy 3
2 Credits
Continuation of professional development and understanding of pharmacy services and patient care delivery. Addresses issues relevant to pharmacy internship and advanced pharmacy course work. Offered fall semester. Prerequisite(s): PHPR 1021. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 2 hours. Course Attributes: Scientific and Quantitative Literacy.

PHPR 2021-The Profession of Pharmacy 4
2 Credits
Continuation of PHPR 2011. Offered spring semester. Prerequisite(s): PHPR 2011. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 2 hours. Course Attributes: Effective Communication Non-Writing.

PHPR 2301-Ethics in Professional Practice
2 Credits
Guided discussions show there are ethical problems in life and there are better and worse ways of dealing with those problems. Offered spring semester. Must have one of the following Student Attributes: P5, P4.

PHPR 2411-Contemporary Pharmacy Practice 1
2 Credits
Multiple practice settings including retail, institutional, manufacturing, distribution, association, government and how each is implementing a pharmaceutical care mission. Offered fall semester. Must be enrolled in one of the following Colleges: Pharmacy, Business Administration. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business, Pharmacy. Must be enrolled in one of the following Classifications: Sophomore, Junior, Senior.

PHPR 2421-Contemporary Pharmacy Practice 2
2 Credits
Current topics from multiple practice settings including retail, institutional, manufacturing, distribution, health care/pharmacy associations, and government will be discussed and includes how each is implementing a patient care and pharmaceutical care mission. Offered spring semester. Prerequisite(s): PHPR 1021 or PHPR 103. Must be enrolled in one of the following Colleges: Pharmacy, Business Administration. Must be enrolled in one of the following Fields of Study: Pharmaceutical Business, Pharmacy. May not be enrolled in one of the following Classifications: Freshman.

PHPR 2511-Preventative Medicine: Issues and Education
2 Credits
Important health issues in the United States and the applications these disease states have on individual health, health care costs, and productivity. Special emphasis on teaching methods that can be effective in increasing public awareness and modifying behavior in order to prevent disease. Offered spring semester. Must be enrolled in one of the following Fields of Study: Nursing, Pharmacy, Public Health. This course may be repeated 2 times. This course is repeatable for a total of 2 hours.

PHPR 2611-Professional Leadership Development
1 Credit
Professional Leadership Development is an elective course designed for pharmacy students who have completed one or two years of study in the Pharmacy College. The goal of the course is to help students in developing their leadership skills for preparation in future leadership roles in the profession. Prerequisite(s): PHPR 1021 or PHPR 103. Must be enrolled in one of the following Colleges: Pharmacy.

PHPR 3011-The Profession of Pharmacy 5
2 Credits
Continues professional development, understanding, and reinforcement of pharmacy services and patient care delivery. The functional practice of pharmacy, including product (medication and information) distribution systems and evaluation of their quality and impact on patient care. Offered fall semester. Prerequisite(s): PHPR 2021. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 2 hours. Course Attributes: Critical and Creative Thinking.

PHPR 3021-Professional Pharmacy Skills 1
3 Credits
This course represents a continuation of information provided in the Profession of Pharmacy (PoP) sequence. The course is designed to build upon professional development and understanding of pharmacy services, pharmaceutical care, and patient care delivery. Offered Spring semester. Prerequisite(s): PHPR 3011 and PHPR 3311. Must be enrolled in one of the following Colleges: Pharmacy. Must be enrolled in one of the following Fields of Study: Pharmacy. Must have one of the following Student Attributes: P3. This course may be repeated 2 times. This course is repeatable for a total of 3 hours. Course Attributes: Diversity-Human Interaction, Effective Communication Non-Writing.

PHPR 3311-OTC Products
3 Credits
Students gain skills to counsel patients who desire to conduct self-medication or self-therapy with non-prescription drug products. Offered fall semester. Prerequisite(s): PHPR 2021. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 3 hours. Course Attributes: Integration Across Disciplines.

PHPR 3401-Women's Health Issues
1 Credit
This course introduces students to timely and important topics in women's health through a discussion-based approach guided by the course instructor. This course broadly covers a number of issues that impact women's health and affect the provision of healthcare to women in the U.S. and internationally, both from a clinical health and public health perspective. Students will be presented with a holistic view of women's health across the lifespan and will also be exposed to social and economic issues that impact women's health. Offered fall semester. Prerequisite(s): PHPR 1011 or PHPR 103. Must have one of the following Student Attributes: P5, P4, P2, P3.
PHPR 3411-Introduction to Natural Product Therapeutics
2 Credits
The course will help pharmacy students understand the use of therapeutics and natural products in modern medical practice and the role of the pharmacist within the practice. Offered spring semester. Must have one of the following Student Attributes: P5, P4.

PHPR 3431-Chemical Dependency
2 Credits
This course educates the pharmacy student about the disease of chemical dependency, the risks to pharmacists, consequences of use (personal and professional) and treatment methods and recovery. Offered fall semester. Must have one of the following Student Attributes: P5, P4, P2, P3.

PHPR 3451-Pharmacy Ownership
2 Credits
A step wise approach to establishing a pharmacist owned business. Starting with a review of the various business opportunities available for someone with a pharmacy degree, the course begins with the philosophy of business ownership and then leads the student through the steps needed to open a business. Market and site analysis, business forms, lease review, developing a business plan, human resources and promotional strategy are all reviewed. Offered spring semester. Prerequisite(s): PHPR 2021 or PHPR 203.

PHPR 4011-Professional Pharmacy Skills 2
4 Credits
Continuation of PHPR 3021. Offered fall semester. Prerequisite(s): PHPR 3021 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 3 times. This course is repeatable for a total of 4 hours.

PHPR 4411-Cardiovascular Module
6 Credits
An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered spring semester. Prerequisite(s): PHBS 4321 and PHBS 4431 and PHPR 4011. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

PHPR 4421-Chronic and Ambulatory Medicine Module
6 Credits
Continuation of PHPR 4411. An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered spring semester. Prerequisite(s): PHBS 4321 and PHBS 4431 and PHPR 4011. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

PHPR 5431-Infectious Disease Module
5.5 Credits
Continuation of PHPR 4421. An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered fall semester. Prerequisite(s): PHPR 4411 and PHPR 4421. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 5.5 hours.

PHPR 5441-Advanced Endocrine Module
3.5 Credits
Continuation of PHPR 5431. An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered fall semester. Prerequisite(s): PHPR 4411 and PHPR 4421. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 3.5 hours.

PHPR 5451-Central Nervous System Module
5.5 Credits
Continuation of PHPR 5441. An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered fall semester. Prerequisite(s): PHPR 4411 and PHPR 4421. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 5.5 hours.

PHPR 5461-Capstone in Pharmacy Practice
6 Credits
The module requires the student to utilize accumulated pharmaceutical education and apply learned principles to organize and synthesize relevant information to describe, optimize and critique drug therapy in unique and classic diseases. Information will be presented in written and oral, formal and informal formats. Activities include case presentations, reviews of ‘the literature,’ literature critiques and other formats that allow demonstration of proficiency in effective, safe, and ‘patient specific’ application of drug therapy. Students work in small groups when possible to demonstrate interpersonal skills. Culminates with an encompassing final exam which is a prerequisite for clinical rotations. Offered spring semester. Prerequisite(s): PHPR 5431 and PHPR 5441 and PHPR 5451 and PHPR 5471. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

PHPR 5471-Oncology Module
3.5 Credits
Continuation of PHPR 5451. An integrated approach to organ system disorders including the rational use of pharmacological agents used to treat them. Comprehensive discussion of drug design and structure activity relationships is integrated with the therapeutic and toxicologic actions of the drugs. Basic principles of the pharmacokinetic and pharmaco-dynamic properties of the drugs used in these disorders are presented and discussed. Offered fall semester. Prerequisite(s): PHPR 4411 and PHPR 4421. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 3.5 hours.

PHPR 5501-Pharmacy Administration Module
6 Credits
An interdisciplinary approach to the practice of pharmacy as it fits into the contemporary health-care system and the business environment. Includes theoretical concepts as well as practical methodology techniques to assess the external and internal economic, social, philosophical, ethical, and legal influences on the practice. Planning, evaluating, and decision making through financial report analysis and case study is stressed. Offered spring semester. Prerequisite(s): PHPR 5431 and PHPR 5441 and PHPR 5451 and PHPR 5471. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 6 hours.

PHPR 5531-Special Populations
3 Credits
The course will educate students in the clinical guidelines and therapeutics of special patient populations including pediatrics, geriatrics, pregnancy and lactation, and others. Offered spring semester. Prerequisite(s): PHPR 5431 and PHPR 5441 and PHPR 5451 and PHPR 5471. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 3 hours.

PHPR 5551-Emergency Medicine
2 Credits Grading mode is S/U
An overview of unscheduled medical appointments and emergencies. Offered spring semester. Must have one of the following Student Attributes: P5.

PHPR 5561-Palliative Care
2 Credits
Discuss and understand related pathophysiology changes and apply related therapeutics to various chronic disease states that warrant palliation of related symptoms. The role of the interdisciplinary team including pharmacists, nurses, physicians, chaplains and related social support will be explored as a pivotal point for successful palliative care. Pharmacokinetic and pharmacodynamic implications of geriatric patients will be discussed in relation to therapeutic selection and various disease progression models. Offered spring semester. Must have one of the following Student Attributes: P5.
PHPR 5581-Advanced Compounding
2 Credits
A laboratory based course designed to expand on the basic compounding technique and develop problem solving skills pertaining to pharmaceutical compounding dilemmas. Must be enrolled in one of the following Classifications: Pharmacy -Fifth Year.

PHPR 5591-Career Planning
1 Credit
This course offers an overview of information to prepare a student pharmacist to take necessary steps to achieve the desired pharmacy career. The course will be a combination of class discussions, guest speakers, in-class workshops, readings and assignments. Prerequisite(s): PHPR 5431 and PHPR 5441 and PHPR 5451 and PHPR 5471.

PHPR 5941-Seminar in Pharmacy Practice
1 to 3 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Pharmacy. This course is repeatable for a total of 3 hours.

PHPR 5971-Independent Study-Pharmacy Practice
1 to 16 Credits
Can be repeated as the topic varies. Offered fall and spring semesters. Must be enrolled in one of the following Colleges: Pharmacy. This course is repeatable for a total of 16 hours.

PHPR 6501-Advanced Pharmacy Practice Experience -1
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6502-Advanced Pharmacy Practice Experience -2
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6503-Advanced Pharmacy Practice Experience -3
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6504-Advanced Pharmacy Practice Experience -4
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6505-Advanced Pharmacy Practice Experience -5
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6506-Advanced Pharmacy Practice Experience -6
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6507-Advanced Pharmacy Practice Experience -7
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6508-Advanced Pharmacy Practice Experience -8
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.

PHPR 6509-Advanced Pharmacy Practice Experience -9
4 Credits
Full-time experiential program emphasizing delivery of pharmaceutical care in primary, secondary and tertiary patient care settings, as well as a means of integrating facts and principles received from antecedent courses. The process will occur in both institutional and ambulatory settings. At each practice setting, the student is expected to become a functioning component of the ongoing pharmaceutical care services through faculty instruction, self-learning, and by observing the modeling of attendant faculty members. Completion of all BSPC and PHPR coursework with a C or better is required. Prerequisite(s): PHPR 5461 Minimum Grade of C and PHPR 5501 Minimum Grade of C and PHPR 5531 Minimum Grade of C. Must be enrolled in one of the following Colleges: Pharmacy. This course may be repeated 2 times. This course is repeatable for a total of 4 hours.
THE CLAUDE W. PETTIT COLLEGE OF Law
THE CLAUDE W. PETTIT COLLEGE OF

Law

Richard Bales, Dean

Professors Brant, Clarke, Crago, Fenton, French, Frohnen, Gerber, Hill, Lewis, Lobenhofer, O’Melinn, Raack, Veltri, Ward (Associate Dean), Young; Associate Professor Keller, Sabol; Assistant Professors Helmer, Kamattali, Newell; Visiting Associate Professor Pimentel; Visiting Assistant Professor Neslund; Instructors Cridler, DeiAntonio, Mitterndorf; Taggart Library: Professor Armstrong; Associate Professors Anderson, Fetrow, Siebesma; Assistant Professor Marshall

Founded in 1885, the College of Law of Ohio Northern University is accredited by the American Bar Association (1948) and is a member of the Association of American Law Schools (1965).

Ohio Northern maintains an intellectually challenging curriculum in which each student refines the analytical, interpersonal and communication skills essential for success. Students are prepared for the legal profession by nationally recognized scholars who are committed to producing extremely skilled graduates who can compete in today’s challenging legal world.

The Freder L. Carhart Memorial Program in Legal Ethics was established in 2007. The program brings eminent scholars, jurists, and lawyers to Ohio Northern to actively engage in lectures, seminars and panel discussions for the benefit of our students, the college and university communities, and the public, as well as the bench and bar. The Carhart program will fund lectures and symposia in alternating years. The first lecture was held in 2007-2008.

Dr. Steven W. and Helen E. Kormendy Law Lecture Fund. Established in 1987 by Mrs. Helen Kormendy and family in memory of her husband, Dr. Steven W. Kormendy, JD ’28, LL.D. ’86. The income from the fund is used to bring a prominent legal figure to the campus to address matters of law in a public forum and in class settings.

Laurence N. Woodworth Memorial Lecture in Federal Tax Law and Policy. Laurence Neal Woodworth, a 1940 graduate, devoted his entire professional career to the formulation and implementation of tax law and policy at the highest level. The University and the College of Law established the lectureship in 1995 in his honor as a preeminent forum for the articulation of new ideas and new directions in tax policy in the United States. The lecture is given annually by a nationally prominent figure in the tax field.

For more detailed information about the academic programs in the College of Law, consult the College of Law catalog. Copies can be requested from the Law Admissions Office.

Mission Statement

The mission of the College of Law is to provide an excellent legal education emphasizing service to a diverse community and profession.

Faculty and Facilities

The College of Law is located in Tilton Hall, built in 1973 and expanded and remodeled in 1983 and again in 1998. The law college contains faculty and student activity offices, two courtrooms, two student lounges, and the library. Wireless connectivity is available throughout the entire law college building. The Taggart Law Library houses more than 430,000 volumes in both hard copy and microform and offers computerized legal research services including LEXIS, WESTLAW, and a growing number of Internet subscription services. The library is a federal depository and contains a significant collection of government-related materials. Students are taught to use library materials and computers in their first year, and individualized instruction is available thereafter. A free, statewide, resource-sharing network (OhioLINK) provides faculty and students with direct online borrowing privileges at more than 80 college and university libraries. The library offers ample study carrels and tables and a computer lab. Additional network and power connections are available for notebook computers in the library and at several other locations in the law building. The law college has attracted an outstanding faculty. As publishing scholars and experienced practitioners, the faculty contributes both professionally and personally to the student body and to the enhancement of the quality of student life. The Alumni Moot Court Room was renovated in 2011 to contain the latest in courtroom technology. The David C. Crago Rare Book and Special Collections Room was added to the Taggart Law Library in 2012.

Program of Instruction

The basic program of study leads to the awarding of the Juris Doctor (J.D.) degree. This program requires three years of full-time study. Each academic year consists of two semesters and a January term. There are no part-time or evening programs.

The core curriculum of the College of Law provides a solid foundation in all traditional legal subjects from a national perspective. A wide range of electives is available to the student to round out the program of study and develop an individual focus, including courses from the following areas: bankruptcy, commercial and business law, taxation, international and comparative law, environmental law, government regulatory law, employer-employee relationship law, civil liability law, and property law.

Well-established clinical and legal extern programs and a judicial externship also play an important role in the curriculum. The College of Law offers a program of clinical legal studies and externship for academic credit that incorporates both classroom instruction and actual law office and courtroom experience.

Each semester those students receiving a minimum grade point average of 3.50 are named to the Dean’s List of the College of Law. They are recognized with a certificate at the annual awards ceremony.

LL.M. in Democratic Governance and Rule of Law and Concurrent J.D./LL.M. Degrees

Lawyers from transitional countries and emerging democracies can pursue a Master of Laws in a one academic year program in the College of Law. The program is designed to train lawyers from the public sector in skills that will assist them in building stable democratic institutions in their home countries and develop systems that will support the rule of law in a market economy. The two-semester, twenty-four credit program is more fully described in materials available from the College of Law. The College of Law also offers a concurrent J.D./LL.M. program that can be completed within three years.

Concurrent J.D./M.P.P.A. Degree Program

Students with an interest in taxation can earn both their law degree and a masters of professional practice in accounting through a concurrent degree program offered by the College of Law and the Dicke College of Business Administration. Students admitted to the program can earn both degrees within three academic years.

Concurrent degree students begin their studies with the standard first year curriculum of the College of Law. In the summer following their first year, students will take federal income taxation and an elective course. Following a second academic year of specialized courses and electives, students will be placed in a summer externship for credit that will offer a field experience in tax accounting. The students will then complete a third year of study and earn both the J.D. and M.P.P.A. in the spring.

Student Activities

Many student organizations complement the academic life of the law college and provide an opportunity for further professional and personal development.

Student Bar Association (SBA) and Veterans Association. The law college also offers Phi Alpha Delta, a legal fraternity.

The William Howard Taft Inn of the American Inns of Court was established in the spring of 1992 at Ohio Northern University. Members include judges, senior attorneys, young lawyers, professors and a group of ten rising second- and third-year law students. The Inn seeks to encourage better trial practice; foster civility amongst practitioners of our craft; and to aid in the professionalism of the advocacy program.

The law college’s strong Moot Court program sends teams to national and international competitions. In addition, three internal competitions are conducted. These competitions offer students ample opportunity to hone their research, writing and speaking skills.

The Ohio Northern University Law Review, a highly respected and award-winning law journal, is edited and published by law students. Published three times per year, the Law Review consists of leading articles on current legal topics, student comments on cases and legislation, and selected symposia presentations on varied legal topics.

Student Body

The student body is comprised of men and women who represent a wide range of ages, cultures, interests, abilities, and accomplishments. Nearly 200 undergraduate institutions are represented by the law college’s enrollment of approximately 252 students.

Admissions Process

The College of Law endeavors to select a first-year class which reflects the geographical and cultural diversity of the United States and in which women, persons with disabilities, and minorities are fairly represented. Applicants must have a bachelor’s degree from an accredited college or university. First-year students are admitted for the fall or summer semester only, but transfer students may enter during either spring or fall semesters. Under some circumstances part-time programs in compliance with the regulations of the American Bar Association may be approved by the Associate Dean for Academic Affairs.

Registration with the Law School Data Assembly Service (LSDAS) is required to provide the Admissions Committee with an official copy of the applicant’s score report, an analysis of the undergraduate transcripts(s), and a copy of the applicant’s LSAT writing sample.

Although there is no deadline for applying to the College of Law, students are encouraged to apply as early as possible to avail themselves of the most consideration for admission and financial aid awards. The Admissions Committee will review files beginning in late fall and will make decisions until the entering class is filled. Two seat deposits are required for accepted students by April 1 and mid-June.

While LSAT score and undergraduate academic record are given considerable weight in the admissions process, other factors may be considered by the committee. These factors may include the applicant's intellectual growth as exhibited by the completion of other advanced degrees, work experience that has increased the applicant’s analytical and communication skills, and ethnic, racial and/or socioeconomic barriers that had to be overcome by the applicant.

Financial Aid

Scholarships, grants and loans are awarded by the College of Law to qualified applicants. The Legal Scholar Program recognizes students who have excelled academically. Awards range from $3,000 to $24,000. Students who meet these criteria will be automatically notified of their awards, and no separate application is required. Scholarships are renewable in the second and third years of law school as long as the student meets the grade point average requirement stated in the acceptance form. Additional scholarship awards, which are also renewable, are made to students who distinguish themselves academically during their first year.

Students will be awarded grants subject to funding availability. Generally, grants are renewable if the student’s financial statement, which is filed annually, continues to show need.

Financial aid is also made available in the form of federally-insured student loans and student loans from private sources. A FAFSA application is required for student loans. Applications and additional information about loan programs may be obtained from the Ohio Northern University Financial Aid Office.

LAW COLLEGE CALENDAR 2014-15

Fall Semester 2014

| August   | 19 | Law students arrive; check in residence halls |
| 21-22    |    | New law student orientation |
| 25       |    | Last day for payment of fees, Law classes begin |
| 25-29    |    | Late registration |
| 29       |    | Last day to add a class or section |

| September | 1  | Labor Day - Classes recess |
| 2        |    | Classes resume, Beginning of “W” period for withdrawals |

| October  | 11-14 | Classes recess |
| 15       | Classes resume |
| 24       | Last day to withdraw |
| 27-31    | Registration for January Term/Spring |

| November | 14 | Last day to remove “incomplete” |
| 21       | Law classes end |
| 24-28    | Thanksgiving recess |
| 29-Dec. 1| Reading days |

| December | 2-12 | Law finals |
| 15-Jan. 2| Christmas break |
| 14       | Fall Graduation |

January Term 2015

| January | 5 | Law students arrive; check in, Classes begin |
| 6       | Last day to add a class or section |
| 7       | Beginning of “W” period for withdrawals |
| 13      | Last day to withdraw |
| 19      | Martin Luther King (class recess) |
| 21      | Last day of classes |
| 22-23   | Reading days |
| 26-27   | Law Finals |

| February | 4 | Last day to add a class or section |
| 5       | Beginning of “W” period for withdrawals |

| March    | 2-6 | Spring recess |
| 9       | Classes resume |
| 23-27   | Summer/Fall Registration |

| April    | 3-6 | Easter Recess |
| 7       | Classes resume |
| 10      | Last day to withdraw |

| May      | 1  | Last day to remove “incomplete”, Classes End |
| 4       | Reading days |
| 5-15    | Law finals |
| 17      | Commencement (Sun.) |

Spring Semester 2015

| January | 29 | Last day for payment of fees, Law Spring Semester begins |
| Feb. 4  | Late Registration |

| February | 4 | Last day to add a class or section |

| March    | 2-6 | Spring recess |
| 9       | Classes resume |
| 23-27   | Summer/Fall Registration |

| April    | 3-6 | Easter Recess |
| 7       | Classes resume |
| 10      | Last day to withdraw |

| May      | 1  | Last day to remove “incomplete”, Classes End |
| 4       | Reading days |
| 5-15    | Law finals |
| 17      | Commencement (Sun.) |

Summer Session 2015

| Classes: May 26-July 15 |
| Reading days: July 16-19 |
| Final exams: July 20 and 22 |
**TUITION, FEES, AND OTHER CHARGES 2014-15**

**College of Law**

Students enrolled and attending classes for the 2014-15 academic year.

- **Tuition & General Fee L-1 Per Semester**
  - Full-time student: $11,440
  - Part-time student (less than 12 hrs.) (per hour): $955
  - Academic overload fee (per hour): $715
  - January Term (per hour): $960

- **Tuition & General Fee L-2 & L-3 Per Semester**
  - Full-time student: $12,400
  - Part-time student (less than 12 hrs.) (per hour): $1,035
  - Academic overload fee (per hour): $775
  - January Term (per hour): $960

- **Tuition & General Fee LLM Per Semester**
  - Full-time student: $15,065
  - Part-time student (less than 12 hrs.) (per hour): $940
  - January Term (per hour): $1,285

**Summer Session 2015**

1. **College Fees, per credit hour**
   - College of Law: $960

2. **Apartment Rental (Summer)**
   - Double: $410 per month

**Technology Fee Per Semester**

- Full-time student: $275
- Part-time student: $110

**Room**

- Campus Apartments (double occupancy): $4,160

  Additional funds are needed for books, supplies, and incidentals. A minimum of $500 per term should be budgeted for these purposes. Books and supplies are sold at the ONU Bookstore on a cash basis or by credit card.

  Tuition and fees cover use of the library, laboratories, Health Center, Sports Center, McIntosh Center, cultural activities, co-curricular programs, and admission to athletic events and most other events on campus, the student newspaper, literary magazine, and yearbook if full-time during the two semesters of the academic year.

**PAYMENT PLANS**

The university makes available to parents and students a variety of plans which can be used to make fee payments. Please contact the controller's office for more information on these plans.

- **Regular Billing Schedule**
  - For students selecting courses during the advance registration period, the fall semester billing will be sent through the TouchNet Ebill System. Students will receive an email at their ONU email address when a bill is available for viewing. Any arrangements for loans or financial aid should be made well in advance of each semester so that all fees are paid by the date they are due.
  - For students registering at the beginning of the semester, full payment is required as a part of the registration process.

- **Visa/MasterCard/Discover/American Express**
  - Payment of fees may be made by MasterCard, or Discover. A convenience fee of 2.75% will apply.

- **Educational loans**
  - are available through a variety of loan firms and financial institutions. Many offer monthly payments which can be spread over a variety of repayment times. Information regarding these loans may be obtained from the financial aid office.

**DUE DATES FOR FEE PAYMENT FOR 2014-15**

- **Fall Semester**
  - August 25, 2014

- **Spring Semester**
  - January 29, 2015

**OTHER CHARGES**

1. **Auditing Fee**, per semester hour (when permitted) ......... $15.00

2. **Applied Music Lessons**
   - For music minors and non-music majors—per semester hour... $325.00

3. **Late Registration Fee**
   - The late registration fee is assessed if course registration is not completed at the established time each semester or if re-registration is required..... $110.00

4. **Late Payment Fee**
   - If fees are not paid in full when due, a $50.00 charge is assessed. If fees are then not paid by the first day of class, a charge of 1 1/2% of the unpaid balance will be assessed. Thereafter, interest at 1 1/2% per month (18% annual rate) will be charged on any unpaid account balance at the end of each month.

5. **Student Bar Dues** (full-time law students only) per semester................................................................. $20.00

6. **Law Review Fee** (all law students) fall semester only .......................................................... $20.00

7. **Application Fee**, non-refundable, payable with application for admission ................................ $40.00

8. **Advance Deposit**
   - **Fall Matriculants:**
     - Upon receiving an offer of admission to Ohio Northern Law School, an advance deposit of $400.00 will be required by April 15.
     - A second deposit of $200.00 is required by June 15. No portion of the first or second deposit is refundable. Both deposits are credited to fall tuition.

   - **Summer Matriculants:**
     - Students offered admission to the Summer Starter Program will be required to submit a deposit of $500.00 by April 15.
     - Summer or Fall matriculants admitted after a due date will be required a partial or full payment within 7-14 days of the admission date.

9. **Transcript Fee**
   - Transcripts may be ordered via Self-Service Banner from National Student Clearinghouse (NSC), a non-profit organization serving the higher education community.
   - Transcript fee is $4 plus NSC service fee(s).
   - Transcripts ordered from NSC are processed same or next day if electronic delivery is chosen, and two to five days business days if paper delivery is chosen.
   - Special handling will be granted upon request, at the registrar’s office, with prepayment of the appropriate fee.

10. **Lost/stolen/damaged ID Card Fee** ........................................ $25.00

11. **Payment Plan Fee** .............................................................. $25.00

12. **Returned Check Fee** ...................................................... $25.00

13. **Residence Halls**
    - a. Improper check-out .................................................. $100.00
    - b. Room key replacement ............................................ $100.00
    - c. Room lock replacement ........................................... $40.00

14. **Motor Vehicles**
    - **On-Campus Parking Permit**
      - Full Year .............................................................. $65.00
      - Per Semester.......................................................... $40.00
Charges for Damages to University Property

Students will be billed for any damages to university equipment or property. The charges include the estimated cost of replacement parts or materials, labor for repair or replacements, and overhead expenses associated with the clean-up, repair, or replacement.

Payment of University Accounts

Students should pay all financial obligations to the university promptly. Registration for a succeeding semester and issuance of a diploma or transcript are dependent upon the student's paying all financial obligations to the university.

Student Identification Cards

The first student ID card is issued to registered students without charge. Replacement will be charged for lost, stolen or damaged ID cards. The ID card allows free admission to athletic events, reduced admission to theatrical productions, and the artist series. This card is also required for library checkout, meal contract registration, and resale of textbooks at the university bookstore. ID cards are also required for some labs and entrance to on-campus housing.

Refunds

Tuition and General Fee - If a student withdraws from the university or is suspended for disciplinary reasons, refunds of tuition will be made on the basis shown below.

Housing

The university makes available well-maintained living facilities at a moderate cost for both male and female students. Off-campus apartments, rooms, and houses are available in the village of Ada. The university publishes lists of off-campus housing throughout the year.

Career Services

The Law Career Services Office provides counseling in the job application and interviewing process, as well as serving as a career opportunity and information resource for students and alumni. The director coordinates workshops, speakers, and on-campus recruitment. As a member of the Ohio Law Placement Consortium and the National Association of Law Placement, the College of Law also participates in the placement activities of the OLPC and NALP.

Correspondence

Inquiries should be directed to Law Admissions, Claude W. Pettit College of Law, Ohio Northern University, Ada, Ohio 45810. Phone 419/772-2211 or 1-877-452-9668.

Scholarships and Loan Funds

General Scholarships

The scholarships and loans listed below are made possible through gifts to the university in the names of generous donors who wish to assist students. This list is intended to recognize their generosity. Special applications for a specific scholarship or loan are not required. (If a student is eligible for one of these named scholarships or loans the Student Financial Aid Office will place his/her name on the list of possible recipients for such awards.)

• The David and Catherine Kegerreis Albright Scholarship is an unrestricted scholarship.

• The American Trim Scholarship was established by American Trim, formally the Superior Metal Products Company of Lima, Ohio, for a qualified student(s) in the College of Engineering and the College of Business.

• The Andrews Student Aid Fund was established by Mrs. Mabel Andrews Beacher of Celina, Ohio in honor of her brothers and sisters who attended Ohio Northern University. Income from the fund shall each year be awarded to a worthy student with financial need. Members of the family who attended Ohio Northern included Charles, Ralph, James, Mabel, Louise and Alice Andrews.

• The Gertrude Andrews Scholarship, established through the will of Mrs. Gertrude Andrews, is awarded to students with demonstrated financial need.

• The Clyde and Frances Augsburger Scholarship Fund was established by Robert R. Augsburger and his wife, Jean Ann, as a memorial to his mother, Frances Russell Augsburger, AA 1888, and his father, Clyde Augsburger, BSCE 1921, for an arts and/or engineering student selected in accordance with university policy.

• The Woodrow W. Bailey Scholarship was established by Mary Banfield Bailey to honor her husband, Woodrow “Woody” Bailey, BSEd 1937. Mr. Bailey was an excellent student athlete and was inducted into the ONU Hall of Fame in 1996. The scholarship assists academically worthy student athlete.

• The Dr. Byron Baker Scholarship is presented to a qualified student with recognized financial need.

• The Kendall and Toby Baker Scholarship was established by the University Trustees in honor of Ken and Toby, BSFA 2006, upon their retirement from the University. Dr. Baker served as President of the University from 1999-2011.

• The John Banyas Scholarship was established by Mr. Banyas to assist student(s) from Belmont County in Ohio with preference being given to Martins Ferry High School graduates.

• The Richard Wellington Barnes, Class of 1892, Scholarship was established by a trust from his daughter, Florence Barnes Hartman, to assist general university students.

• The Barnes & Noble Textbook Scholarship was established through a gift from Barnes & Noble Bookstore to help students purchase textbooks. The fund is to honor the leadership and service of Dr. Kendall Baker, past president of Ohio Northern University 1999-2011. The award is to be awarded at the discretion of the University.

• The Steiner F. and Ollie M. Bauman and Roy H. and Ruth G. Lambert Loan Fund was established through a bequest from Mrs. Lambert, BSEd 1936 as a memorial to her parents, The Bauman’s, as well as for, her husband, Roy H. Lambert, JD 1937. The fund shall be made available as loans, which are to be repaid, and the fund shall be a revolving, so as to provide the maximum benefit for worthy students.

• The Olga “Mom” Bentley Leadership Scholarship was established by members of the Sigma Phi Epsilon fraternity in memory of their house mother, Olga Bentley. The annual award will be for junior and senior men at Ohio Northern University who have proven themselves to be strong campus leaders and who are committed to the service of others.
• The Clark O. and Dorothy B. Biddle Endowed Scholarship was established by the estate of Dorothy B. Biddle for deserving Ohio Northern students.

• The E.J. Brookhart Scholarship, established by Mrs. Dora M. Brookhart in memory of her husband, a graduate in 1903 and a trustee of ONU, is provided to students with recognized financial need.

• The Brubaker Endowed Student Aid Fund was established by the estate of Ralph E. Brubaker, in memory of his wife, Thelma Hughey Brubaker, and is restricted to students from Defiance, Fulton, Henry, Lucas, Putnam or Wood Counties. The Brubakers were active members of the United Methodist Church.

• The Clair E. and Rosemary Butturf Scholarship was established by Clair E., Hon. DBA 1995, and his wife, Rosemary Butturf from Lima, Ohio. The scholarship recipients will be limited to full time sophomore and above students attending Ohio Northern University and who a.) live in Allen and contiguous counties in Ohio b.) who are employed, c.) have an average 2.50 GPA on a 4 point grading scale, d.) are deemed worthy of financial assistance as judged by appropriate college officials, and e.) practice a religion of their choice aspiring to high moral and spiritual standards. The maximum amount available to any one student shall not exceed 12.5% of his or her annual cost of tuition.

• The John S. Canterbury Memorial Scholarship was established by Pauline Canterbury in honor of her husband. The scholarship is awarded to students with financial need.

• The Kathryn Reese Canterbury Memorial Scholarship, established by Dr. John S. Canterbury in memory of his wife, is presented to students with recognized financial need and preferably a graduate of Ada High School, Ada, Ohio.

• The Sally Jo Carlton Scholarship was established by Mr. and Mrs. William H. Carlton of Lima in memory of their daughter, Sally Jo, BA 1968. Scholarships are to be made to qualified female undergraduate students.

• The Robert and LaVelva Chandler Scholarship was established through the generosity of Mrs. LaVelva Chandler to assist academically worthy students with financial need. To be eligible for the scholarship, the recipient must have graduated from Ada High School.

• The Paul Chenoweth Scholarship Fund was established through the will of Paul L. Chenoweth for students selected in accordance with university financial aid policy.

• The Raymond and Leola V. Clark Scholarship was established by a gift from Mr. Clark, BS 1927, of Willoughby, Ohio. Award to go to a qualified student(s) in any of the four undergraduate colleges.

• The Class of 1933 Scholarship Fund, established by members of the Class of 1933 during their 50th year reunion, is presented to qualified students with financial need.

• The Class of 1939 Scholarship was established by members of the Class of 1939 during their 50th reunion year.

• The Class of 1949 Reunion Scholarship was established by the members of this class during their 40th and 50th reunion years for a student with financial need. Holder of the scholarship must maintain a 3.00 GPA. Scholarships from the fund shall be considered gifts to the recipient. However, it is the donor’s hope that the recipient(s) will be successful and, in appreciation, will reimburse the fund if he or she is able to do so.

• The Helen Davis Memorial Scholarship was established by friends and family to honor the memory of Helen Davis who died in 2006 after a long battle with cancer. Since 1991, Helen had been the Box Office Manager and Arts Information Officer at Ohio Northern University’s Freed Center for the Performing Arts.

• The Dicke Financial Aid Fund was established by Mrs. Lula T. Dicke in memory of her husband, Oscar H. Dicke, BSE 1911. It is awarded to students from New Bremen or Auglaize County who have financial need.

• The Louis P. Diefenbach Scholarship Fund is awarded to needy students from the Middletown area.

• The Dobbins Family Memorial Scholarship is given to worthy students with financial need from the College of Arts & Sciences and the College of Engineering. There is a long history between the Dobbins family and Ohio Northern University.

• The David F. Domizi Scholarship Fund, established through the will of David F. Domizi, supports a student with a demonstrated work ethic and strong academic background, or high academic potential, having financial need. Holder of the scholarship must maintain a 3.00 GPA. Scholarships from the fund shall be considered gifts to the recipient. However, it is the donor’s hope that the recipient(s) will be successful and, in appreciation, will reimburse the fund if he or she is able to do so.

• The Helen (Lowrie) Downing and Roger L. Downing Scholarship Fund was provided under the will of Helen Marie Downing. This endowment shall be used for scholarships for students who are from Roundhead Township, Hardin County, Ohio, or Goshen Township, Auglaize County, Ohio, or if there are no students from these townships, then for students who are from the closest areas to these two townships.

• The Richard Cooper Memorial Award was established for an outstanding fraternity man.

• The Helen I. Craig Memorial Scholarship was established through a bequest of Helen I. Craig, BSE 1966. Recipients are selected on the basis of university financial aid policy.

• The Thomas L. and Warren J. Cremean Scholarship was established by Dr. and Mrs. Ken Cooper.

• The David F. Domizi Scholarship Fund, established through the will of David F. Domizi, supports a student with a demonstrated work ethic and strong academic background, or high academic potential, having financial need. Holder of the scholarship must maintain a 3.00 GPA. Scholarships from the fund shall be considered gifts to the recipient. However, it is the donor’s hope that the recipient(s) will be successful and, in appreciation, will reimburse the fund if he or she is able to do so.

• The Helen (Lowrie) Downing and Roger L. Downing Scholarship Fund was provided under the will of Helen Marie Downing. This endowment shall be used for scholarships for students who are from Roundhead Township, Hardin County, Ohio, or Goshen Township, Auglaize County, Ohio, or if there are no students from these townships, then for students who are from the closest areas to these two townships.

• The Robert L. Dunipace and Grace B. Shantz Dunipace Scholarship was established by the estate of Marjorie Dunipace Shipley in memory of her parents, Robert L. and Grace B. Shantz Dunipace. Robert Dunipace was a former student of Ohio Northern. The award is to be made to any qualified student in the University.

• The Education Incentive Scholarship for Minority Students was established by faculty, alumni and friends of the University and is awarded to a qualified minority student.
• The Joe S. and Theresa B. Edwards, Jr. Fund was established by Joe and Theresa Edwards to augment the Serge F. Edwards Family Scholarship. Dr. Edwards was a trustee of the University from 1986-2007. The income from this fund will be added to the Serge F. Edwards Family Scholarship each year.

• The Serge F. Edwards Family Scholarship is awarded first to students from Leipsic, Ohio; second, students from Putnam County, Ohio; finally, students from the State of Ohio.

• The Eley-Crouse Student Aid Fund was presented by Mrs. Gladys Eley Crouse, AA 1924, BSED 1955, in memory of her husband, Daniel H. Crouse. Available to students from Wyandot County who have financial need.

• The Elmer L. Faber Perpetual Scholarship was established through the generosity of Dr. Elmer L. Faber to assist academically worthy students at the University, with a preference for student athletes. Dr. Faber was an outstanding athlete as an undergraduate. He served the University in numerous ways as an alumnus, including as a member of the board of trustees and as president of the "N" Men's Association.

• The Reverend E. Eugene and Mary Jane Frazer Scholarship was instituted by the members of the Trinity United Methodist Church of Columbus, Ohio, in honor of their outstanding commitment to the church and community. The award is for pre-ministerial students enrolled at the University.

• The DeBow Freed Leadership Award. Given each year to the senior male and female chosen as the outstanding campus leader.

• The Ethel L. Frost Scholarship Fund was established by a bequest from Miss Frost.

• The G.A.R. Foundation Scholarship was established by the G.A.R. Foundation of Akron. Scholarships are awarded to qualified students from the state of Ohio.

• The Mozelle Coles Gamber and Ralph J. Gamber Scholarship was established in loving memory of Mozelle O. Coles (AA 1931) by her husband, Ralph J. Gamber (BSME 1931), and family. Students needing financial assistance are eligible for the annual award.

• The Gangemi-Krofft Financial Aid Award was established in 2003 in memory of Joseph J. Gangemi, the son of Francis and Charleen Gangemi of Findlay, Ohio. Joseph died in 2003 and would have been a freshman at Ohio Northern University in 2004. Francis Gangemi served the University from 1967-1995 as professor of physics and his wife, Charleen, received her BA degree in 1973. The award is for a science or engineering student.

• The Ernest R. Genovese Scholarship, established by Mr. (XLLB 1929) and Mrs. Ernest R. Genovese of Cuyahoga Falls, Ohio, is to be awarded to a qualified student in one of the four undergraduate colleges of the University.

• The Ginder Student Aid Fund, established by Clyde O. Ginder of Lima, Ohio, is to be awarded to a worthy student with financial need, with preference given to students from Allen County; also with special preference given to students from the First Baptist Church of Lima (Cable Road, Lima).

• The Grand Lodge of Free and Accepted Masons of Ohio Scholarship is awarded to Ohio residents with both academic ability and financial need.

• The Henry and Ruth Gray Scholarship was established through a bequest by Ruth Gray of Lyndhurst, Ohio. Henry Gray, her husband, had received an honorary degree in Public Service in 1975 from Ohio Northern University. The scholarship is available to students, including entering freshmen with preference for, but not restricted to students in the College of Pharmacy.

• The Frederick Earhart and Mildred Howard Guthery Scholarship was established by the estate of Robert B. Mautz, son-in-law of the Guthery family. Frederick Guthery was a well-known attorney and bank president in Marion, Ohio.

• The Helena R. Hall Scholarship was established by a bequest from Helena Ruth McCrea Hall, a friend of Ohio Northern University whose mother, Mrs. Trelia McCrea, graduated from Ohio Northern in 1920. Income from the fund will be used to assist students, including entering freshmen, who are deemed worthy of financial assistance as judged by appropriate college officials, are United States citizens, and legal residents of the State of Ohio.

The scholarship is limited to a female in the College of Arts & Sciences who has declared English as her major, carries a cumulative GPA of 3.0, be in at least year two (sophomore) of her academic career and provide proof of financial need.

The Charlene S McComas Memorial Scholarship for Public Relations was established through the generous contributions of her parents, siblings and family members, as a tribute to the memory of Charlene Sue McComas, BA 1970. With a degree in English and having been highly involved in campus activities, Ms. McComas went on to pursue a distinguished career in public relations and corporate communications, both as a writer and an editor. The scholarship is limited to a student in the College of Arts & Sciences who has declared Public Relations as his or her major, carries a cumulative GPA of 3.0, is in at least the second (sophomore) year of his or her academic career and provide proof of financial need.

The McElroy - Landon Scholarship Fund was established by Mrs. H. Leirma McElroy as a memorial to her husband, George W. McElroy, her father, Clifford F. Landon, and her grandfather, Luzerne E. Landon. Awards are made based upon university financial aid policy.

The George W. and Ada A. McGilliard Scholarship was established by Dr. Stanley H. and Mildred I. McGilliard for students preparing for ministry service.

The Dr. and Mrs. John V. Melick Scholarship was established by John V., Honorary DBA 1951 and his wife Mable F. Melick of Sylvania, Ohio. The scholarship is to be awarded to a student in pre-ministry or church work.
• The Merle H. and Muriel Neuman Mertz Scholarship was established by a bequest from Mrs. Muriel Mertz to assist worthy and deserving Ohio Northern University students who are United States citizens and who are history majors in the University’s College of Arts & Sciences.

• The Henry L. and Geraldine Metzger Scholarship was established by Dr. Henry L. Metzger, BSED 1941, DBA ’94, and his wife, Geraldine, of Sharon Center, Ohio. The late Dr. Metzger, a retired insurance executive, was the president of the Hillier Family Foundation. The ONU Nature Center in Tuscarawas County is named for Dr. and Mrs. Metzger.

• The Samuel L. and Martha R. Meyer Student Aid Fund, was established by Dr. and Mrs. Samuel Lewis Meyer as an appropriate expression of their continued support for the educational concept available through church-related, private higher education. The award is presented to a worthy student who has demonstrated financial need and a preferential interest in oratory and debate.

• The Judith D. (Jacobs) Mifsud Endowed Scholarship Fund was established in 2013 by Judith Mifsud because of her belief in education and the teaching profession. Scholarship recipients must be deemed worthy of financial assistance and pursing a degree in education in the College of Arts & Sciences at Ohio Northern University with preference to sophomores, juniors and seniors.

• The Mitchell Award for Botanical Research was established by Lois Mitchell Seaton to assist a student engaged in botanical research.

• The Norman - Davis Student Aid Fund was established through a bequest from Mrs. Blanche A. Norman, BSEd 1925, in memory of her husband, William A. Norman, her parents, Charles and Euphie Davis, and her sister, Mae E. Davis. Awardees are selected on the basis of university financial aid policy.

• The Osmun Award, in memory of Alton, Asa, and Frank Osmun, was provided by their niece, Mildred Osmun Smith, BA 1924, Piano 1925, and her husband, Paul P. Smith, BSEE 1924. The award is given to music majors in compliance with university financial aid policy.

• The Florence Overmire Scholarship was established by Florence F. Overmire of Arcadia to assist a qualified student in the Getty College of Arts & Sciences.

• The Lois Cook DuBois Pavlik Scholarship was established in 1999 by Linda Hoffman in memory of her late mother, a 1935 graduate of Ohio Northern University. The award shall be given to students pursuing a career in music education. Preference shall be given to students from Allen County in the State of Ohio.

• The Shelley C. Petrillo Musical Theatre Scholarship was presented by Mr. and Mrs. Orlando Petrillo in memory of their daughter, Shelley. It is awarded to a junior majoring in musical theatre upon recommendation by the faculty of the department of communication arts.

• The Shelley C. Petrillo Theatre Scholarship is presented by Mr. and Mrs. Orlando Petrillo in memory of their daughter, Shelley.

• The Shelley C. Petrillo Scholarship is presented to a senior art student by Mr. and Mrs. Orlando Petrillo in memory of their daughter, Shelley.

• The Shelley C. Petrillo Junior Art Award was presented by Mr. and Mrs. Orlando Petrillo in memory of their daughter, Shelley.

• The Willis F. Porter Scholarship Fund is provided by a bequest from the estate of Mildred E. Porter in memory of her husband, Willis F. Porter, BSEd 1935, for a student majoring in education who has high academic ability and financial need.

• The Mary Hughes Reamess Scholarship was provided through the will of Mary Hughes Reames, an alumna and friend of ONU. Awards are made to deserving students.

• The Walter Pingrey Rogers Award provides scholarships to outstanding students.

• The Linda S. Scheuerman Scholarship Fund is awarded to a senior chemistry major selected by the department chairman. This scholarship is awarded in honor of Dr. Bryon Hawbecker.

• The Mary Jane and E. Meredith Schwartz Scholarship in Biology is awarded to a worthy student demonstrating need.

• The Winifred K. Sebald Scholarship was established through the estate of Mrs. Winifred Jobin Sebald, AA 1936, to assist economically needy students seeking a degree in Education.

• The James Banning Smith and Helen Miriam Crider Smith Memorial Scholarship Fund was established by Mr. and Mrs. Thomas Smith, in memory of his parents, to assist a freshman pursuing a degree in education.

• The Mildred Osman Smith, BA 1924, Piano 1925, and Paul P. Smith, BSEE 1924, D.Engr. 1975, Fund was organized for chemistry majors.

• The Thurman H. and Margaret R. Smith Scholarship was established by the estate of Mr. Smith and shall be awarded to a student majoring in education from the Lima, Ohio area.

• The Dorothy Enid Kinnard Snedden Memorial Scholarship Fund was established by Dr. Harold E. Snedden, BA 1937, and family in loving memory of their wife and mother. The scholarship is awarded annually to a senior who is majoring in English and/or journalism and is in good academic standing.

• The Snyder Scholarship was established in memory of Martin Luther Snyder, BA 1894, and Ola Fiess Snyder, BS 1895, by Mr. and Mrs. Barton Snyder and Mr. Ralph Snyder.

• The Beall Snyder Student Aid Fund was provided by Ada native, Mrs. Augustus Beall, BA 1901, (Orchie Snyder), in memory of her parents, Sam and Margaret Stemple Snyder, for a music student with financial need.

• The Dorothy and Lowell Snyder Music Scholarships were established by Mr. Snyder to honor the memory of his wife.

• The Dorothy Ames Snyder Piano Scholar of the Year Award is awarded annually to the piano student chosen by the Music Department Faculty as having made the most progress during the year.

• The C. Austin and Mary Bess (Hauman) Sprang Scholarship was established in honor of C. Austin Sprang, BSEd 1936, and in memory of his wife, Mary Bess (Hauman) Sprang, BA 1933. It is awarded annually, with preference given to a student in the teacher education curriculum of the College of Arts & Sciences.

• The F. G. and Amy Sprang Scholarship was established by their children and spouses: Fred G., BA 1943, and Lucienne O. Sprang, C. Austin, BSEd 1936, and Mary Bess Hauman, BA 1933, Sprang: Vance B., BA 1931, and Ira Rilla Sprang Leonard. F. G. Sprang attended Ohio Normal School in 1902. Scholarship is to be awarded each year with preference given to a student in the College of Arts & Sciences from Hardin County, Ohio.

• The Fred G. and Lucienne O. Sprang Scholarship was established by Fred G., BA 1943, and Lucienne O. Sprang to be awarded annually with preference to be given to students in the College of Arts & Sciences from Hardin County, Ohio.

• The Sprint/United Telephone Scholarship is to be used to support students in the department of education, College of Arts & Sciences.

• The A. and B. Stambaugh Scholarship was established through a bequest from Mrs. Beatrice (Snyder) Stambaugh, Mr. Stambaugh received an AB degree in 1905 and Mrs. Stambaugh received an honorary Arts & Sciences degree in 1911 from ONU.

• The Easter Straker Scholarship Fund was established by the community and her friends. It is intended to be an annual award given to a communication arts student, preferably one pursuing a career in broadcasting.

• The Joseph S. Uhl, BSEd 1933, Scholarship was established in 1973 by his wife, Rosemary Mohler Uhl, and family for a physical education major who has financial need, personal character, scholastic ability, and athletic ability.
Business Administration Scholarships

- The Vukovich Scholarship for Excellence in Mathematics and Science was established by Dr. Thomas Vukovich, '65 and Dr. Diane Vukovich in support of excellence for the teaching of mathematics and/or science. Both Thomas and Diane have served as educators and leaders in higher education. This scholarship aims to build upon an expectation for continued academic excellence at Ohio Northern University in addition to exemplary leadership in service to others. The award is for Ohio Northern students including incoming freshmen who are deemed academically worthy of financial assistance and seek a career as educators in the fields of mathematics and/or science.

- The Martha Gesling Weber Award was established by Dr. Martha Gesling Weber, BA 1935, and her husband, Joseph. The award will go to one or more chemistry major(s) who have been accepted for admission to an M.D. degree-granting medical school.

- The Ruth E. Weir Memorial Scholarship was established by Ruth E. Weir, BA 1940, through a bequest. The fund will assist deserving students in the College of Arts & Science who are graduates of high schools in either Hardin or Hancock County, Ohio.

- The Victor and LaDona (Church) Wellman Scholarship Fund was established to assist one student in the College of Arts & Sciences and one student in the College of Engineering.

- The A. G. Welshimer Student Financial Aid Fund was established by Pauline Welshimer in memory of her father, Class of 1908, longtime educator and superintendent of schools in Champaign and Logan Counties of Ohio. The annual income is to be given to a worthy student, with preference given to those students interested in the field of education.

- The Beverly Ann White Memorial Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law, 2000 and his wife, Helen W. White, as a memorial to their daughter, Beverly. The scholarship is to be awarded annually to a student with financial needs anddeserving a quality education from the College of Arts & Sciences.

- The Dr. S. Lee Whiteman Scholarship was established by the United Methodist Laymen of the Ohio Conference in memory of the late trustee and alumnus for pre-ministerial students.

- The Dale and Norma Wilhelm Scholarship was established by a gift from Dr. and Mrs. Dale Wilhelm and family members. The award is to provide financial assistance to a first-generation college student in the College of Arts & Sciences.

- The Edwin L. and Rosie Williams Trumpet Endowed Scholarship was established by family and friends to honor the memory of Dr. Edwin L. Williams, professor and chair of the Department of Music at Ohio Northern University and his wife, Rosie, music lecturer and resident artist. The scholarship is for a qualified senior music major who is a trumpet student.

- The Valerie Wilson Piano Award is presented at Honors Day.

- Willis H. and Mignon Winkler Memorial Scholarship was established through the estate of Willis H. Winkler, BA 1927.

- The Dr. Laurence N. Woodworth Scholarship was established by his family and friends in memory of Laurence N. Woodworth for history and political science students with demonstrated financial need.

- The Yinger Memorial Scholarship was presented by Dr. Mary Yinger, D.O., as a memorial to her husband, Dr. Eimer Yinger, D.O. It is awarded to a student in the department of art.

- The Barbara L. Yoost Nursing Scholarship was established by Rev. Dr. Charles and Mrs. Barbara Yoost to aid students studying nursing who have financial need. Rev. Dr. Yoost is a trustee of the University and Barbara is on the faculty of Kent State University College of Nursing.

- The J. Otis Young Student Aid Fund was provided by his family and friends in memory of Dr. Young, former chair of the board of trustees of ONU.

- The Mary J. Young Memorial Scholarship was established by a bequest from Mary T. Hugentugler, a friend of Miss Young. Miss Young started her career as a librarian in the Cleveland Public Schools. She retired from the Los Angeles County Library System.

- The Mary T. Hugentugler, a friend of Miss Young. Miss Young started her career as a librarian in the Cleveland Public Schools. She retired from the Los Angeles County Library System.

- The Richard W. Allen Memorial Scholarship Fund was established by the United Telephone Company, Mansfield, Ohio. The award is based on university scholarship guidelines.

- The William D. Atteberry Scholarship was established by Dr. William Atteberry, PhD 1952, as a memorial to her husband, Dr. Elmer Yinger, D.O. It is awarded to a student in the College of Business Administration.

- The Ethyl and Ernest S. Bartram Scholarship Fund was established by a gift from the estate of Mrs. Ethyl Bartram.

- The Eugene, Herman, Nettie and Leota Beeler Scholarship was established through a bequest by Eugene A. Beeler, BA 1949. Scholarship recipients will be limited to Ohio Northern University students, including entering freshmen, who are enrolled in the College of Business and are deemed worthy of financial assistance.

- The Business College Scholarship was established to provide funds for a student in the College of Business Administration.

- The Phillip D. and Cheryl Caris Family Scholarship was established by Phil, BSBA 1982, and Cheryl Caris of Findlay, Ohio. The award is for students in the James F. Dicke College of Business Administration with financial need.

- The Dr. Charles F. Conklin Memorial Scholarship was established by the estate of Dr. Charles F. Conklin, professor of economics at Ohio Northern University from 1966-1985, to provide assistance to an economics student.

- The Earl V. Dye Scholarship was established by Elizabeth W. Dye, his wife, in memory of her husband, a graduate of 1904. Scholarships are awarded to qualified students in economics and business law.

- The Kenneth R. and Lea A. Elshoff and The Ohio League of Financial Institutions Scholarship Fund was established to honor the outstanding service of Dr. Elshoff to his business profession, as well as his devotion to the community, including service to Ohio Northern University as a trustee. Mrs. Elshoff is also being honored for her extraordinary commitment to community service. Both have been active in many community charitable organizations.

- The Leona and Andrew C. Griffing Scholarship was established by A.C. Griffing, BA 1912, in memory of his wife, for students with above average ability who demonstrate financial need.

- The Gronlund-Keiser Endowed Scholarship was established by Robert (Bob) L. Gronlund, BA 1964, DBA 2009, and his classmate, Terry Keiser, BA 1964 and professor of biological sciences at Ohio Northern University since 1967. Scholarship recipients will be limited to Ohio Northern University students including entering freshmen who are enrolled in the James F. Dicke College of Business Administration, deemed worthy of financial assistance and preference given to students from the State of Pennsylvania, but shall not be limited by this provision.

- The Hamilton Student Aid Fund was established by Julia Harmon Hamilton, in memory of her husband, Royce R. Hamilton, BS 1904. The income from this fund shall be awarded each year to a worthy student with financial need. Preference shall be given to a student in the College of Business Administration.

- The Hampson - Skinner Award is made available to a junior accounting major.

John Bishop and Motorists Insurance Group Endowed Scholarship Fund was established by university trustee John J. Bishop, BA 1972, BSBA 2006, and his wife Shirley, to provide and supplement support for deserving students majoring in the risk management and insurance program of the Dicke College of Business Administration.

- The Pamela S. Hershberger-Ernst & Young Endowed Scholarship Fund was established by Pamela S. Hershberger, BSBA 1987, of Maumee, Ohio. Pam’s motto is to pay it forward and she hopes that the establish ment of this scholarship fund will allow the next generation of accountants to receive that same foundation for a successful career in accounting as she has at Ernst & Young. Recipients must maintain a 3.0 GPA and be majoring in accounting.
• The Taffy Howard - Brenda Johnson Scholarship is awarded to deserving students in the College of Business Administration by family, friends and alumni in memory of Taffy Howard, BSBA 1988, and Brenda Johnson, X1989.

• The Brenda Johnson Memorial Scholarship was endowed by the Doyle Johnson family in memory of their daughter and sister, to be used by the College of Business Administration, preferably for accounting and/or marketing majors.

• The Marion K. and Alma B. McKay Fund is presented to an economics student who has financial need.

• The Janice Graeser Mitchell Memorial Scholarship was established in memory of Mrs. Mitchell’s memory, XBSeD 1950, by her husband, James R. Mitchell, BSEE 1949, to benefit advanced students in the College of Business Administration.

• The Henry (Harry) C. and Frances L. Richards Scholarship fund was established by Harry C. Richards, Jr. and Susan J. Richards of Toledo in honor of Mr. Richards’ parents, Henry C. Richards and Frances L. Richards. The scholarship is to be awarded to students enrolled in the College of Business Administration with preference given to residents of Lorain County, Ohio.

• The C. William Verity Junior Award is presented to a College of Business Administration student with excellent academic achievement.

• The Dr. Ronald G. Weber Scholarship was established by Dr. Weber, consultant in the ONU Development Office, 1984-2003. The scholarship is granted to an outstanding student in economics upon recommendation of the faculty of the College of Business Administration.

Engineering Scholarships

• The Norman D. Ackley Electrical Engineering Scholarship Endowment Fund was established by Mr. Ackley through a bequest in his will to assist worthy electrical engineering students at the University.

• The Frank J. Aimutis Scholarship was established in memory of Mr. Aimutis (BSEE 1917) by his wife, Neva Thomas Aimutis (AA 1920) to assist students majoring in engineering or law.

• The Joseph W. Alspaugh and Stella M. Alspaugh Memorial Fund was established with a gift from the estate of Stella M. Alspaugh for needy and deserving students in engineering.

• The Alumni Civil Engineering Scholarship was established by alumni of the College of Engineering. The award is to go to a worthy student in the College of Engineering majoring in Civil Engineering.

• The American Trim Scholarship was established by American Trim, formerly the Superior Metals Products Company of Lima, Ohio. The award is for a qualified student in the College of Engineering.

• The Russell J. and Maybelle L. Anspach Scholarship was established by a trust distribution from Maybelle L. Anspach to benefit junior or senior engineering students.

• The Dean Lawrence H. Archer Scholarship is given to an academically worthy student who has financial need.

• The Jacob H. Beach Scholarship has been established by Mrs. Carl (Anna A.) Weber for a worthy student.

• The Beenev Student Aid Fund was established by Herbert K. Beenev, BSCE 1925, in memory of his wife, Adella Margaret Beenev, for a worthy student with financial need.

• The Victor G. and Anna Mae Beghini Scholarship was established by Victor and Anna Mae Beghini of Houston, Texas to assist worthy students in the College of Engineering. The recipient must be a sophomore, junior, or senior majoring in mechanical or electrical engineering maintaining a minimum GPA of 2.75. The recipient must also write a letter each year to the donor explaining their Ohio Northern experience and plans for their professional life after graduation.

• The Max J. and Viola C. Bielenberg Memorial Scholarship was established by Mrs. Marlene Bielenberg Barr in honor of her parents. It is awarded to civil engineering students.

• The Braun Financial Aid Fund was established by Karl Braun, BSCE 1919, for an engineering student with financial need.

• The Ralph W. Briggs Scholarship has been established for engineering students from the South.

• The Leif Clayton Brown Scholarship Fund was established in memory of Leif Clayton Brown, ME 1916, by Mrs. Audine Stearns, his sister. It is awarded to a qualified and deserving student.

• The Bruce and Jane Burton Scholarship was established through the generosity of Dean and Mrs. Bruce Burton to assist academically worthy engineering students with financial need. A preference is given to mechanical engineering majors.

• The C. “Larry” and Joyce Busch Engineering Resource Fund was established by Charles Lawrence, BSEE 1963, and Joyce D., BA 1967, Busch to have a direct positive impact on engineering students attending Ohio Northern University. The fund is for the sole purpose of purchasing course materials, including textbooks and/or any other material required in the pursuit of a non-elective engineering curriculum course.

• The C. “Larry” and Joyce Busch Engineering Course Resource Fund was established by Charles Lawrence, BSEE 1963, and Joyce D., BA 1967, Busch to have a direct positive impact on engineering students attending Ohio Northern University. The fund is for the sole purpose of purchasing course materials, including textbooks and/or any other material, required in the pursuit of a non-elective engineering curriculum course.

• The Ivor S. and Ethel E. Campbell Merit Scholarship was established anonymously in memory of Mr. Campbell, BSCE 1916, D.Eng. 1972, and Mrs. Campbell, AA 1917. Scholarship is to be given annually to four undergraduate students, one in each class. Dr. Campbell was a professor in the College of Engineering, 1921-1937.

• The Ivor S. and Ethel E. Campbell Student Aid Fund was established through the maturation of a part of a trust set up by Dr. Campbell, BSCE 1916, D.Eng. 1972, and Mrs. Campbell, AA 1917. Award is to be made to a qualified undergraduate student with financial need in the College of Engineering. Dr. Campbell was a professor in the College of Engineering, 1921-1937.

• The Case Scholarship in Engineering was established by C. Robert Case, BSCE 1932, and his wife, Barbara, to be awarded to a qualified and needy student who has completed more than one year toward his degree in engineering. Mr. Case was an engineer with the Goodyear Tire and Rubber Company in Akron.

• The David F. and Lucille M. Chambers Scholarship was established by the estate of Lucille M. Chambers. Her husband, David F. Chambers, was a 1922 graduate of the College of Engineering.

• The Jerry R. Churchill Engineering Scholarship was established in 1987 by Mr. Churchill. BSCE 1959, from Lorain, Ohio. Mr. Churchill was president of Churchill Construction until his retirement in 1995. The award is to assist students in the College of Engineering.

• The Bruce J. Cleavenger Scholarship was established by the estate of Ellen C. Cleavenger to aid engineering students who are partially or wholly self-supporting themselves while attending Ohio Northern University.
• The Fred Fry Engineering Scholarship was established by Fred Fry, BSEE 1923, and his wife, Melvene.

• The DIFCO, Inc. Scholarship was established through the generosity of Mr. Wayne Westlake, president, and Mr. John Murray, executive vice president of DIFCO, Inc. of Findlay, Ohio. The scholarship is for worthy mechanical engineering students with financial need.

• The Donald E. Dome Scholarship was established by Mrs. Dome and friends of Donald E. Dome, BSEE 1949.

• The Duff Student Aid Fund was established by Raymond E. Duff, BSEE 1922, as a memorial to his wife, Coradell Duff, and to his mother, Anna M. Duff. The award is made to a worthy student with financial need.

• The James K. Dunn Scholarship Fund was established in memory of James K. Dunn, BSChE 1921, by a bequest from the estate of Mrs. Dunn for an engineering student in conformity with university guidelines.

• The G. Walter Eighmy Scholarship was established to provide assistance for third and fourth year civil engineering students with financial need.

• The Engineering Deans’ Scholarship was established to honor deans of the Engineering College.

• The Engineering Scholarship was established as a general scholarship fund for engineering students.

• The William J. Feth Scholarship was established through a bequest from Mr. William J. Feth, BSEE 1940, to support a deserving student specializing in electronics or the electrical field in the College of Engineering; second choice would be a deserving student in the College of Engineering.

• The Fisher Student Aid Fund was established for a worthy student with financial need by Ernest H. Fisher, BSME 1915, and his wife, Ella A. Fisher, JD 1921.

• The Joseph and Lucille Foster Scholarship was established in the name of Mr. and Mrs. Joseph Foster to provide financial aid for engineering students.

• The Maurice H. Freas Engineering Scholarship was established by a bequest from Mr. Maurice Freas, BSCE 1927, for the purpose of providing engineering scholarships to young men and women of outstanding ability and character, who need financial assistance.

• The Fred Fry Engineering Scholarship was established by Fred Fry, BSChE 1933.

• The Leona and Andrew C. Griffing Scholarship was established for engineering students with financial need and above average ability by A.C. Griffing, BS 1912, in memory of his wife.

• The Wayne A. Hamilton, PE, Civil Engineering Scholarship Fund was established with a gift from Wayne A. Hamilton, BSCE 1958, from Orono, Maine. This scholarship shall be used to provide scholarship assistance for sophomore, junior and/or senior students who are majoring in civil engineering.

• The Wayne A. Hamilton, PE, Civil Engineering Scholarship was established with a gift from Wayne A. Hamilton, BSCE 1958, from Orono, ME. This scholarship shall be used to provide scholarship assistance for sophomore, junior and/or senior students who are majoring in civil engineering.

• The William J. Hazeltine Fund was established in his memory by his wife, Thurza D. Hazeltine, for engineering students.

• The Lee R. Henning Financial Aid Fund was provided as an appropriate memorial by Mr. Lee R. Henning, BSCE 1922, and his wife, Mildred Lowman Henning. It is given to a civil engineering student who is worthy and qualified.

• The James Herendeen Engineering Scholarship was established by James H. Herendeen, BSCE 1929, and his wife, Mary. Each year the income from this endowed fund is to be given to a deserving student in the College of Engineering.

• The Ken Hoag Scholarship was established by Mr. Ken Hoag of San Jose, CA. The award is to go to a “well-rounded” student studying electrical engineering.

• The Henry C. and Marjorie L. Hollinger Scholarship was established by Mrs. Majorie Hollinger and son, Bruce, for a deserving student(s) in the engineering college from the Lima, Ohio area.

• The Professor Henry and Mary Horldt Scholarship was established by former students, friends and alumni in honor of Professor Horldt and in memory of his wife, Mary, for qualified engineering students. Dr. Horldt was professor of mechanical engineering from 1958-72.

• The Johnston - Jansen Scholarship is provided for engineering students by Mrs. Pansy V. Jansen in memory of her father, Charles Wesley Johnston, who attended ONU, and her husband, T. Carl Jansen.

• The James L. Klingenberger Scholarship was established by former students, friends, and colleagues to honor Professor Klingenberger, BSEE 1949, A. Cit. 1982, D. Engr. 1995, Professor at ONU, 1949-1994.

• The Austin E. Knowlton Memorial Endowed Scholarship was established by the Austin E. Knowlton Foundation in honor of Austin E. Knowlton, whose construction company built several University buildings. Scholarships will be awarded, one for each $100,000 of endowment principal with recipients limited to Ohio Northern engineering students including one incoming freshman, who are deemed worthy of financial assistance with preference to residents of Logan County, Ohio.

• The Robert H. Lee Scholarship in Engineering was given by Mr. Lee in memory of his mother and is awarded to a freshman engineering student from Seneca County.

• The Lima Society of Professional Engineers Scholarship is awarded in accordance with university financial aid policy.

• The Ralph E. Long Scholarship Fund was established through the will of Ralph E. Long, BSEE 1920.

• The Robert J. Lyman Memorial Scholarship, awarded to a qualified civil engineering student, was established in memory of Robert J. Lyman, BSChE 1941, by his friends at the Prestressed Concrete Institute.

• The LeRoy H. Lytle Award is made available to a worthy engineering student.

• The Capital Leadership Award was established through a gift from the Hon. Cheryl L. (McCain) Mason, BA ’86 and Lt. Col. (Ret.) Brett S. Mason, BSEE ’86 to provide financial support in the form of student grants to ONU students enrolled in the Getty College of Arts & Sciences or the T.J. Smull College of Engineering who have secured an internship position in the Washington, D.C. area.

• The Howard D. McKinley Scholarship Fund was established in 1985 by Mrs. Eloise H. McKinley in memory of her husband, Howard, BSChE 1930, for deserving engineering students.

• The Robert B. and Frances Eileen Mertz Scholarship was established by a bequest from Frances E. Mertz, who received a teaching degree from Ohio Northern in 1931. Her husband, Robert B. Mertz graduated in 1930 with a BSEE degree. Income from the fund is to assist academically worthy engineering students with financial need. A preference is given for electrical engineering majors.

• The Mikel Messick Scholarship was established by Mrs. Linda Messick in honor of her husband. It is awarded to engineering students with financial need from Allen, Auglaize and Hardin counties of Ohio.

• The MetkoIete Corporation Scholarship was established to provide scholarship assistance to students in the College of Engineering.

• The Morgan Foundation Scholarship, for a qualified civil engineering student from Butler, Montgomery, Preble or Warren Counties, was established by B.D. Morgan & Co. of Middletown.

• The Morrison Student Aid Fund, awarded to engineering students with financial need, was established through the will of Mrs. Agatha A. Morrison, CE 1910.

• The William F.D. Neiheiser Scholarship was established by the Reliance Mechanical Corporation of Cleveland, William F.D. Neiheiser, BSME 1942, Chairman. Mr. Neiheiser was a member of the University Board of Trustees from 1977-87 and a former member of the College of Engineering Advisory Board. The lake at fraternity circle is named for Mr. Neiheiser.
The Floyd D. Spar Scholarship. Established in memory of Floyd D. Spar, cap. Dr. Smull was dean of the Engineering College from 1905-1918, and Mrs. Morrell H. Blesh. The award will be given annually to a qualified, deserving student in the T.J. Smull College of Engineering.

The Harold E. Remsburg Scholarship is provided to an engineering student who is pursuing a career in public service work. The scholarship was provided by Mr. and Mrs. Harold Remsburg. Mr. Remsburg received the BSCE degree in 1949.

The Singleton Remsburg Memorial was established by Mr. and Mrs. Harold Remsburg in memory of their son, Singleton, BSEE 1977, to fund an annual "Creativity Award."

The Captain William D. Robinson Scholarship was established by Alice Ruth Robinson as a memorial to her husband, Captain William D. "Cap" Robinson, BSCE 1916, for an engineering student in accordance with university financial aid policy.

The Samrad Engineering Scholarship Fund was established for students by Dr. Cyrus Samrad, BSCE 1957, in compliance with university financial aid policy.

The John S. Sawvel, Sr. Scholarship Fund was established by Mr. Sawvel through the maturation of a trust, for qualified students in the College of Engineering. Mr. Sawvel, friend of the University, was a registered engineer whose company represented numerous municipalities in their rate negotiations with public utilities serving the municipalities.

The William H. and Elizabeth Schaum Financial Aid Fund was established by William, BSCE 1923, D ENGR 1976 and his wife, Elizabeth, to give future students of Ohio Northern University the opportunity for a unique educational experience. The award is given to worthy students in the College of Engineering.

The John Edward Seman Scholarship was established in his loving memory by his parents, David A. and Lisabeth M. Seman and brothers, Steven and Daniel of Findlay, Ohio. The scholarship recipient will be limited to an Ohio Northern University student in his/her senior year majoring in Civil Engineering and who is the highest ranking student in the class eligible for scholarship awards. In the event there are two or more students with the same GPA then the scholarship shall be awarded to the student deemed most worthy of financial assistance as judged by appropriate University officials.

The Sholl Student Competition Fund has been established by a bequest from the estate of June W. Sholl. The endowment fund is in honor of William E. (xBSCE 1933) and June W. Sholl to assist students with design competition costs and to fund support of student academic activities.

The William E. and June W. Sholl Scholarship Fund was established by a bequest from Mrs. Sholl to assist worthy students in the Smull College of Engineering.

The T.J. Smull Memorial Engineering Scholarship was established by Mr. and Mrs. Morrell H. Blesh. The award will be given annually to a qualified engineering student, with preference to applicants with a physical handicap. Dr. Smull was dean of the Engineering College from 1905-1918.

The Floyd D. Spar Scholarship. Established in memory of Floyd D. Spar, BSCE 1936, from his estate and family. The scholarship is awarded annually with preference given to a student from Ada High School enrolled in the College of Engineering.

The Stimmel Financial Aid Fund, established by Clayton H. Stimmel, BSCE 1960, and his wife, Harriett, is awarded to a civil engineering student with exceptional motivation, moral integrity and financial need.

The Sundstrand Corporation Scholarship was established by Sundstrand Corporation to be awarded annually to qualified, deserving students majoring in electrical engineering.

The Taylor Aid Fund is given to a worthy engineering student with financial need in memory of Willard Thompson Taylor, ME 1930, by his sister and brother-in-law, Frances and Park D. Rogers.

The Alton D. Taylor Student Aid Fund was established by Mrs. Alton D. Taylor in memory of her husband, Professor Alton D. Taylor, who served on the civil engineering faculty from 1954 until his death in October 1959. The award is made available to a worthy student with financial need.

The Dr. Donald S. Pearson Scholarship Fund was established in his honor as Professor of Electrical Engineering at the University. Scholarship is awarded to a qualified, deserving student in the T.J. Smull College of Engineering.

The Paul H. Reid Engineering Scholarship is given to a worthy and qualified student with financial need by Paul H. Reid, BS 1912, and his wife, Mildred G. Reid.

The Harold E. Remsburg Scholarship is provided to an engineering student who is pursuing a career in public service work. The scholarship was provided by Mr. and Mrs. Harold Remsburg. Mr. Remsburg received the BSCE degree in 1949.

The Singleton Remsburg Memorial was established by Mr. and Mrs. Harold Remsburg in memory of their son, Singleton, BSEE 1977, to fund an annual “Creativity Award.”

The Captain William D. Robinson Scholarship was established by Alice Ruth Robinson as a memorial to her husband, Captain William D. “Cap” Robinson, BSCE 1916, for an engineering student in accordance with university financial aid policy.

The John S. Sawvel, Sr. Scholarship Fund was established by Mr. Sawvel through the maturation of a trust, for qualified students in the College of Engineering. Mr. Sawvel, friend of the University, was a registered engineer whose company represented numerous municipalities in their rate negotiations with public utilities serving the municipalities.

The William H. and Elizabeth Schaum Financial Aid Fund was established by William, BSCE 1923, D ENGR 1976 and his wife, Elizabeth, to give future students of Ohio Northern University the opportunity for a unique educational experience. The award is given to worthy students in the College of Engineering.

The John Edward Seman Scholarship was established in his loving memory by his parents, David A. and Lisabeth M. Seman and brothers, Steven and Daniel of Findlay, Ohio. The scholarship recipient will be limited to an Ohio Northern University student in his/her senior year majoring in Civil Engineering and who is the highest ranking student in the class eligible for scholarship awards. In the event there are two or more students with the same GPA then the scholarship shall be awarded to the student deemed most worthy of financial assistance as judged by appropriate University officials.

The Sholl Student Competition Fund has been established by a bequest from the estate of June W. Sholl. The endowment fund is in honor of William E. (xBSCE 1933) and June W. Sholl to assist students with design competition costs and to fund support of student academic activities.

The William E. and June W. Sholl Scholarship Fund was established by a bequest from Mrs. Sholl to assist worthy students in the Smull College of Engineering.
The Classes of 1968/69/70 Scholarship was established by the Pharmacy College Classes of 1968, 1969, and 1970 to provide funds for a student in the College of Pharmacy.

The CVS Scholarship was established to provide funds for a student in the College of Pharmacy.

The Dr. Leasure Kline Darbaker Scholarship Award is presented to pharmacy students with financial need.

The John W. Dargavel Foundation Scholarships are sponsored by the National Association of Retail Druggists.

The Forrest P. and Robert A. Daum Pharmacy Scholarship was established in 2006 from the estate of Paul A. Daum of Akron, Ohio, to honor the memory of his father, Forrest P., Ph G 1923, and his brother, Robert A., BSPH 1961. The award will be granted through the normal practices and procedures by the University Financial Aid Office.

The Duran Family Endowed Fund for Pharmacy Skills Enrichment was established by Donald E. Duran, Jr., BSPH 1985, to help current and future Ohio Northern University pharmacy students in their educational endeavors. The fund will be used by the Raabe College of Pharmacy by providing increased classroom and experimental learning opportunities to pharmacy students in the long-term care pharmacy practice settings and increase opportunities for experimental learning and overall assistance to pharmacy students residing in Northeastern Ohio and Western Pennsylvania.

The Cloyce M. (PhG 1929) and Aretha R. Durliat Scholarship was established by Mr. and Mrs. Cloyce M. Durliat.

The Eckerd Drug Company Scholarship is awarded to a third, fourth, or fifth-year pharmacy student planning a community pharmacy career.

The Thomas J. Evans (PhG 1894) Memorial is awarded to qualified students from Licking County.

The Waldo B. Finney Scholarship was established by a bequest from Margaret R. Finney to honor her father, Waldo, a 1918 pharmacy graduate.

The Fischelis Scholarship Fund is given to qualified students in concert with university financial aid policy by gifts from the estate of Dr. Robert P. Fischelis and appreciative alumni and friends. Dr. Fischelis was Dean of the College of Pharmacy, 1963-66.

The Roland R. Foley Scholarship Fund was established in 1985 by the will of Roland R. Foley, BS 1912 and BSPH 1912, for students in the arts and sciences and pharmacy colleges.

The Gahm Family Endowed Scholarship Fund was established by Mr. Troy Bahm, BSPH 1992, President of Gahm’s Pharmacy. The scholarship will be awarded annually to a deserving student with financial need attending the Raabe College of Pharmacy that resides in the Lucasville or Scioto County area.

The Garrett Scholarship Fund was established in 1998 by Mr. Gary Garrett, BSPH 1969. The award is to go to a deserving student preferably from western Pennsylvania, enrolled in the College of Pharmacy. The student must also have attained P3 status with at least a 3.00 GPA. The scholarship may be continued through graduation.

The Good Neighbor Pharmacy Scholarship was established by AmerisourceBergen Drug Corporation. Scholarship recipients must be a P3 or P4, have interest in practicing in the community pharmacy retail setting, submit a reference letter from a local community or independent pharmacist, a member of the student NCPA organization and preference will be given to applicants who have worked or are currently employed at an independently owned Good Neighbor Pharmacy.

The Thomas A. and Phyllis J. Gossel Scholarship Fund is awarded to students enrolled in the College of Pharmacy, based on financial need and the recommendation of the dean of the college.

The Richard Lynn Green Memorial Award is provided through an endowment established by Mr. and Mrs. Richard Clark Green, family and friends.

The J. Richard Grunder Pharmacy Scholarship was established through a trust by J. Richard Grunder, BSPH 1959, of Norman, Oklahoma. The scholarship will provide student aid to academically eligible pharmacy students with demonstrated financial need.

The Joseph E. Marmon Memorial Scholarship was established by Dr. Marmon’s widow, Margaret, family, friends, and alumni in memory of Joseph E. Marmon, BSPH 1938, D.Sc. 1970. Awarded to deserving pharmacy students. Dr. Marmon was a trustee of the University from 1961-81.

The McElroy - McCleery Student Aid Fund was established by Mrs. Ethel McElroy McCleery, BSEd 1917, in memory of her husband, Charles D. McCleery, PhG 1917, for students with exceptional ability who also have financial need.

The Charles McCleery and Ethel M. McCleery Scholarship Fund was established from the estate of Ethel M. McCleery with preference given to graduates of Fairfield County high schools.
• The Roy B. Odenkirk Scholarship was established in memory of Mr. Odenkirk, with the service of the College of Pharmacy for a year.

• The Dr. A.C. Smith Memorial Award is presented to the first-year pharmacy student planning a retail practice of pharmacy.

• The Walter H. Meyer Scholarship is awarded to students without regard to financial need by Mrs. Glenna Schaefer Meyer, AA 1933, in memory of her husband, Walter H. Meyer, PhC 1933.

• The Bernard Smarsley Scholarship was established by the Smarsley Alumni Association, alumni, and friends of Mr. Sleesman, PhG 1905, who was Professor of Pharmacy. The award is made to a student without regard to financial need in the College of Pharmacy.

• The Roy B. Odenkirk Scholarship was established in memory of Mr. Odenkirk, PhC 1925, a well-known pharmacist, drugstore owner and businessman in Sugarcreek, Ohio.

• The Pharmacy Scholarship was established to provide funds for a student in the College of Pharmacy.

• The Phar-Mor and Victor LaMarco Scholarship is presented to third-, fourth- or fifth-year pharmacy students, who have financial need and plan to enter the retail practice of pharmacy.

• The Dr. Clarence H. Pierstorff Scholarship was established by Dr. Clarence H. Pierstorff in the College of Pharmacy.

• The Dr. and Mrs. Ervin W. Pierstorff Scholarship was established by a gift from the Pierstorfs for a worthy student in the College of Pharmacy.

• The Harold Resnick Scholarship is awarded to a qualified pharmacy student.

• The R. Larry Richey Memorial Scholarship was established by the estate of Mr. Richey, BS 1959. It is awarded to deserving students in the College of Pharmacy.

• The Rite Aid Scholarship is to be awarded to a deserving student to complete the final year of pharmacy school.

• The Dr. Julius Rogoff Foundation Award is presented to an outstanding student.

• The Carol C. Roy Memorial Scholarship was established by the Class of 1975 in memory of their classmate, Carol C. Roy. The award is given to a third, fourth, or fifth-year student with both financial need and good academic standing.

• The Janet and Albert Sebok Scholarship award is given annually to a pharmacy student in their last three years of study and is also a member of Kappa Psi Fraternity.

• The L.C. Sleesman Scholarship was established through the general pharmacy memorial endowment fund by faculty of the College of Pharmacy, alumni, and friends of Mr. Sleesman, PhG 1905, who was Professor of Chemistry and Organic Chemistry from 1905-1930.

• The Bernard Smarsley Scholarship was established by the Smarsley family in memory of Bernard Smarsley, BS 1953, for a qualified and deserving student.

• The Dr. A.C. Smith Memorial Award is presented to a fourth-year pharmacy student with an excellent academic record by the family and friends of Dr. Smith to commemorate his many years of dedicated service to the Raabe College of Pharmacy.

• The Robert M. Storch Pharmacy Scholarship was established by friends and family of Robert M. Storch, BS 1968, at his untimely death in 2009. The award will go to a student attending the College of Pharmacy with financial need.

• The Charles G. Schwartz, Sr., PhG 1897, Scholarship was established from personal and family gifts for pharmacy students from the Pittsburgh area.

• The Turner Family Endowed Fund in support of Pharmacy Student Organizations and Community Service was established by friends and family of Mary Ann (Gardner) Turner, BS 1963, as a tribute to her memory after her death in August, 2009. The income from the fund will be used to support pharmacy student organizations and community service.

• The Walgreen Endowed Scholarship is awarded annually to a student planning community pharmacy practice.

• The Waltrip Endowed Fund for Excellence in the Practice of Pharmacy Compounding was created by Michelle (Smith) Waltrip, BS 1992, and her husband, Kenny R. Waltrip, Jr., BS 1992, in 2009. The fund will be used at the discretion of The Raabe College of Pharmacy to assist pharmacy students in developing their compounding skills to serve the public and the profession.

• The scholarship recipients of the Waltrip and Sam’s Club Endowed Leadership Scholarship Fund will be awarded to academically eligible Ohio Northern University Pharmacy students entering their 4th, 5th, or 6th year of pharmacy studies who have demonstrated leadership in pharmacy specific and/or ONU student organizations and have shown interest in community pharmacy.

• The Dana and Gladys B. Welsh Scholarship Award was established by a bequest from the will of Gladys Blair Welsh.

• The Virgil J. “Tom” Wiechart Memorial Fund was established by the Drug Emporium Foundation, David L. Kriegel, Trustee, in memory of Mr. Wiechart, BS 1950, A.C. 1978. Mr. Wiechart was President of Wiechart Pharmacies, Lima, Ohio.

• The Volney L. Wright Scholarship was established by a bequest from Mr. Wright, PhC 1932, for a qualified student in the College of Pharmacy. Preference to be given to a student with financial need from one of the several counties in Ohio, which are Wood, Sandusky, Erie, Seneca, Huron, Auglaize, or Logan. Mr. Wright was, for many years, a pharmacist in Bowling Green.

**Law Scholarships**

• The Frank J. Aimutis Scholarship was established in memory of Mr. Aimutis, BSEE 1917, by his wife, Neva Thomas Aimutis, AA 1920, to assist students majoring in engineering or law.

• The Judge Anthony A. Alaimo Scholarship Fund was established to honor Judge Anthony A. Alaimo, Class of 1940, by friends W. C. Killgallon and J. W. McSwiney. Judge Alaimo was a Senior Federal Judge for the South District Court of Georgia. The scholarship will be awarded to a student with a demonstrated work ethic and a strong academic background or high academic potential. Holder of the scholarship will be required to maintain a 3.25 G.P.A.

• The H.E. Ashcraft Memorial Grants are awarded to law students with financial need.

• The Albert A. Baillis Scholarship was established by alumni, faculty and friends to honor Professor Albert A. Baillis, professor of law from 1957 to 1991. The award is made in accordance with university policy with preference given to an Ohio resident.

• The Bashor - Yinger Financial Aid Fund was established by Dr. Mary B. Yinger, D.O., as a memorial to her husband, Dr. Elmer L. Yinger, D.O. The award is made to a qualified and worthy student with financial need.

• The John E. Bauknecht Scholarship Fund was established by John E. Bauknecht, JD 1922, of East Palestine, Ohio, for students with both high academic ability and financial need.

• The Dr. John E. Beard III Memorial Scholarship was established in 2003 by friends, colleagues and family members as a memorial to Jack. The scholarship is to assist deserving students in the College of Law. John E. “Jack” Beard III, BA 1969, JD 1972, was a member of the board of trustees at Ohio Northern University and a prominent Pittsburgh, PA., attorney when he died at the age of 55 in 2003.

• The Peter B. Betras Law Scholarship was established in memory of Dr. Betras, JD 1928, by his friends, Mr. Anthony G. Rossi and Mr. Anthony G. Rossi III, JD 1991, attorneys in Warren, Ohio. The award is to go to a qualified student in the Pettit College of Law. Dr. Betras was a well-known Youngstown attorney.
The William H. Blackford Award was presented by Mr. and Mrs. W. Vincent Rakestraw in honor of Mrs. Rakestraw’s father, William H. Blackford, JD 1936.

The Judge Blase A. Bonapane Scholarship is given to a worthy student with demonstrated financial need.

The Dr. George D. and Evelyn B. Brabson Scholarship was established by Dr. and Mrs. Brabson for a law student with outstanding academic scholarship.

The Benjamin Braffman Scholarship is awarded each year to an eligible second or third year Jewish law student who is a member of the Ohio Northern University Cardozo Jewish Law Student Association. This scholarship is made possible by a gift from Mr. Benjamin Braffman, a 1974 graduate of the Pettit College of Law.

The William J. Brown Memorial Scholarship was established by friends and colleagues to honor the memory of Mr. Brown, JD 1967, LLB 1980, and to support a student generously by providing distinctive opportunities for learning the law, and to cultivate a culture of sophistication and high aspirations in the College of Law through the collective qualities of William J. Brown Scholars. Bill Brown was the youngest man elected to the position of Ohio Attorney General and the longest to serve in office, from 1971-1983. He was a senior partner in the firm of Kegler, Brown, Hill & Ritter, taught at Franklin and Ohio Northern Universities and was active in numerous charitable, civic, professional and political organizations.

The William James and Millicent Burgess Scholarship was established by Rhett William, JD 1979, and Carol Sue Burgess of Lao, IN, to establish a memorial to the love and devotion between his parents, William James and Millicent Marie Burgess. Scholarship awards will be made for a full academic year and may be renewed annually on the basis of satisfactory progress toward graduation from Ohio Northern University’s Claude W. Pettit College of Law. The recipient of this scholarship must be a current member of any branch or unit of the United States military forces, or a son or daughter, provided such member or veteran has successfully completed the United States Army’s Airborne School and earned his/her United States Army Parachutist Badge—commonly referred to as “Jump Wings”. Should no student qualify, then all or part of the fiscal distribution from the fund, may be used for scholarship awards to any second or third year law students.

The Erwin L. and Effie Clemens Scholarship Fund was established in 2001 through a bequest from the estate of Erwin L. Clemens, JD '34, Hon. D. '81, of Defiance, Ohio. The endowment supports scholarships to second- and third-year law students whose academic performance is superior but whose financial need is so great that their continued study of law might be at risk without substantial scholarship assistance. A distinguished attorney and 1934 graduate of the College of Law, Clemens’ interest in the fund was stimulated by his own struggle over several years during the Great Depression to pay for the legal education that defined his ambitions and his life’s work. Beginning in 1987 and continuing until his death in 1999, Clemens served as a University Trustee. During his tenure, he played a leadership role in two fundraising campaigns for the College of Law.

The George Ray Craig Scholarship was established by Mrs. Janet E. Henderson, in memory of her father, George Ray Craig, BS 1888, for law students selected in accordance with law college financial aid policy.

The Harvey and Marilyn Creighton Law Scholarship was established through a bequest by Mrs. Marilyn E., Creighton of Canton, Ohio, as a memorial for her husband, Dr. Harvey H. Creighton, LLB 1928, Hon. LLD 1976. Dr. Creighton was a partner in the Canton law firm of Creighton and Sickafouose for 58 years. The award will go to a worthy student demonstrating financial need, pursuing a degree in law.

The Ella A. Fisher Student Aid Fund was established by Ernest H. Fisher, BSME 1915, and his wife, Ella A. Fisher, JD 1921, for a worthy student with financial need.

The Murray Flom Memorial Fund was established by the parents and friends of Murray Flom, a student in the College of Law who died in 1974. Annual income from the fund shall go to a qualified second or third year student with financial need from the College of Law. Preference shall be given to a Jewish student.

The William Clark Foster Scholarship was established by the estate of William Clark Foster, JD 1941, for worthy students of the Claude W. Pettit College of Law, entering or continuing, who have excellent academic credentials represented by approximately a “B” average.

The John H. Genovese Law Scholarship was established by John H. Genovese, JD 1979, of Coral Gables, FL. Income from the fund will provide scholarships for worthy Ohio Northern University law students.

The Daniel and Eleanor B. Guy Scholarship was established by Daniel, JD 1952, professor of law, and his wife, Eleanor Guy. Dr. Guy retired in 1998. He joined the faculty in 1959 and was dean of the College of Law from 1978 to 1983. The scholarship is to be awarded annually to a second or third year Ohio Northern University law student in good standing academically and in need of financial assistance.

The Eugene N. Hanson Fellows & Scholarship Fund was established to honor Dr. Eugene Hanson, LL. D. 1986, Professor of Law from 1947-84, and Dean of the College of Law from 1958-73. The Annex to the Law Library is named in honor of Dean Hanson.

The David C. and Edna L. Haynes Memorial Scholarship Fund was established by David C. Haynes through a will bequest. Mr. Haynes attended ONU for two years and earned his LLB in 1926. The income from the fund shall be used for tuition, room and board, and books for students attending the College of Law without regard to race, creed, ethnic background, sex or religious preference.

The Margaret Schwartz Hodges Memorial Scholarship Fund is provided to deserving students through the will of Margaret Schwartz Hodges, a friend of the Pettit College of Law from Findlay, Ohio.

The Jerome L. and Margery Holub Scholarship was established by Jerome L. Holub, JD 1951, of Akron, for a qualified student in the Pettit College of Law.

The John A. L. Hughes Memorial was established in 1970 in memory of John Hughes for a worthy law student with financial need.

The Carl Frederick, Clara E. Berry Klein and Robert W. Summers, M.D. Scholarship. Established by Mrs. Mariann Klein Summers of Canton in memory of her parents and husband. Mr. Klein, LLB 1925, practiced law many years in Canton and was at one time mayor of the city. Dr. Summers practiced medicine in Canton for many years.

The Robert and Iola Koch Student Aid Fund for the College of Law was established by C. Robert Koch, JD 1941, A. Cit. 1986.

The Lacey Law Scholarship was established by the estate of Zelma C. Lacey, in memory of William H. Guyton, Sr., and William H. Guyton, Jr., for a worthy student.

The Law Alumni Scholarship is a general scholarship for law students, established by alumni and friends.

The Law Class of 1964 Scholarship was established by the Law College Class of 1964 to provide funds for a student in the College of Law.

The Law College Scholarship was established to provide funds for a student in the College of Law.

The Law Deans’ Scholarship was established by alumni and friends over the years to honor deans of the law school.

The August J. and Ruth P. Leagre Memorial Fund was established by Mr. and Mrs. Richard M. Leagre of Indianapolis, Indiana, in memory of his parents. Richard Leagre received the BA degree in 1959.

The Levi W. and Nancy N. Lile Endowed Scholarship was established in 2005 by Laird A. Lile, JD 1984 and family to honor his parents, Levi, JD 1972 and Nancy Lile of Bellefontaine, Ohio. Scholarship recipients will be limited to Ohio Northern University law students, including entering 1st year law students, who are deemed worthy of financial assistance as judged by appropriate College of Law officials. Special preference will be given to students who are Ohio residents, married with children, embarking upon a second career in the law.

The John C. Markey Charitable Trust Scholarship was established by the Markey Charitable Trust of Bryan for a qualified student in the Pettit College of Law.
The Marsh Scholarship Fund was established by John Marsh, Jr., JD 1934, and his wife, Mary C. Marsh, for students with demonstrated ability and financial need.

The Dr. and Mrs. Julius Matz Scholarship Fund awards a scholarship to a College of Law student without regard to financial need.

The Harold J. and Irene G. Meredith Scholarship Fund was established by Harold J., JD 1925, and Irene G., AA 1925, Meredith of Lima, Ohio. The income is used to provide assistance to highly qualified students in the College of Law who require financial assistance and whose moral standards reflect those of the University. Dr. Meredith was a trustee of the University from 1957-1984, and a former President of the Board of Trustees.

The Evan W. Morris Law Scholarship was established by Evan M. Morris, JD 1965, in memory of his father, Evan W. Morris, a well-known Alliance, Ohio attorney.

The Robin R. Obetz Scholarship was established through the generosity of Dr. Robin Obetz to assist academically worthy students with financial need.

The Claude W. Pettit Memorial Fund was established by his friends in memory of the late Dean of the College of Law, Claude W. Pettit.

The Rutter - Taggart Scholarship is awarded to a student with both high scholastic ability and financial need.

The Carroll E. Sammetinger Law Scholarship was established by Audrey Sammetinger, in memory of her husband, Carroll, JD 1949. The award will go to a worthy student in the College of Law with financial need.

The John S. Stuckey Scholarship Fund is awarded to a worthy third-year student in memory of John S. Stuckey, JD 1953, by his family and friends.

The Mary S. Wetherill Scholarship Fund was established by her estate for students in the College of Law.

The Walter L. and Helen W. White Law Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Frank B. Willis Memorial Student Aid Fund provides assistance to an Ohio resident in good academic standing with financial need. The award is made in recognition of Frank B. Willis, law faculty member, U.S. Congressman, Ohio Governor and United States Senator, and was established through the will of his only child, Miss Helen Willis.

The Leander P. Zwick III Scholarship was established by Dr. Leander P. “Pepper” Zwick III, JD 1975, of Canton, Ohio, for qualified students in the College of Law.

The Law College Emergency Loan Fund.

The Donald and Erma Holdren Revolving Student Emergency Loan Fund was established through a bequest of Donald D. Holdren, BSCE 1937. The fund shall be made available as loans, which are to be repaid, and the fund shall be revolving, so as to provide the maximum benefit for worthy students.

The Kerscher Loan Fund was established by Robert, BSBA 1970, and his wife, Barbara Kerscher of Hudson, Ohio. The funds will be used to create low interest loans for ONU students. Bob is president and CEO of Lexi-Comp, a leader in providing clinical content at the point of care. He also has served on the Board of Trustees at Ohio Northern University since 2002.

The Eugene K. Maust Scholarship was established by Eugene K. Maust, JD 1969, for students who are members of the United Methodist Church.

The University General Loan Fund.

The Walter L. White Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Evan W. Morris Law Scholarship was established by Evan M. Morris, JD 1965, in memory of his father, Evan W. Morris, a well-known Alliance, Ohio attorney.

The Robin R. Obetz Scholarship was established through the generosity of Dr. Robin Obetz to assist academically worthy students with financial need.

The Claude W. Pettit Memorial Fund was established by his friends in memory of the late Dean of the College of Law, Claude W. Pettit.

The Rutter - Taggart Scholarship is awarded to a student with both high scholastic ability and financial need.

The Carroll E. Sammetinger Law Scholarship was established by Audrey Sammetinger, in memory of her husband, Carroll, JD 1949. The award will go to a worthy student in the College of Law with financial need.

The John S. Stuckey Scholarship Fund is awarded to a worthy third-year student in memory of John S. Stuckey, JD 1953, by his family and friends.

The Mary S. Wetherill Scholarship Fund was established by her estate for students in the College of Law.

The Walter L. and Helen W. White Law Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Frank B. Willis Memorial Student Aid Fund provides assistance to an Ohio resident in good academic standing with financial need. The award is made in recognition of Frank B. Willis, law faculty member, U.S. Congressman, Ohio Governor and United States Senator, and was established through the will of his only child, Miss Helen Willis.

The Leander P. Zwick III Scholarship was established by Dr. Leander P. “Pepper” Zwick III, JD 1975, of Canton, Ohio, for qualified students in the College of Law.

The Law College Emergency Loan Fund.

The Walter L. White Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Evan W. Morris Law Scholarship was established by Evan M. Morris, JD 1965, in memory of his father, Evan W. Morris, a well-known Alliance, Ohio attorney.

The Robin R. Obetz Scholarship was established through the generosity of Dr. Robin Obetz to assist academically worthy students with financial need.

The Claude W. Pettit Memorial Fund was established by his friends in memory of the late Dean of the College of Law, Claude W. Pettit.

The Rutter - Taggart Scholarship is awarded to a student with both high scholastic ability and financial need.

The Carroll E. Sammetinger Law Scholarship was established by Audrey Sammetinger, in memory of her husband, Carroll, JD 1949. The award will go to a worthy student in the College of Law with financial need.

The John S. Stuckey Scholarship Fund is awarded to a worthy third-year student in memory of John S. Stuckey, JD 1953, by his family and friends.

The Mary S. Wetherill Scholarship Fund was established by her estate for students in the College of Law.

The Walter L. and Helen W. White Law Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Frank B. Willis Memorial Student Aid Fund provides assistance to an Ohio resident in good academic standing with financial need. The award is made in recognition of Frank B. Willis, law faculty member, U.S. Congressman, Ohio Governor and United States Senator, and was established through the will of his only child, Miss Helen Willis.

The Leander P. Zwick III Scholarship was established by Dr. Leander P. “Pepper” Zwick III, JD 1975, of Canton, Ohio, for qualified students in the College of Law.

The Law College Emergency Loan Fund.

The Walter L. White Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Evan W. Morris Law Scholarship was established by Evan M. Morris, JD 1965, in memory of his father, Evan W. Morris, a well-known Alliance, Ohio attorney.

The Robin R. Obetz Scholarship was established through the generosity of Dr. Robin Obetz to assist academically worthy students with financial need.

The Claude W. Pettit Memorial Fund was established by his friends in memory of the late Dean of the College of Law, Claude W. Pettit.

The Rutter - Taggart Scholarship is awarded to a student with both high scholastic ability and financial need.

The Carroll E. Sammetinger Law Scholarship was established by Audrey Sammetinger, in memory of her husband, Carroll, JD 1949. The award will go to a worthy student in the College of Law with financial need.

The John S. Stuckey Scholarship Fund is awarded to a worthy third-year student in memory of John S. Stuckey, JD 1953, by his family and friends.

The Mary S. Wetherill Scholarship Fund was established by her estate for students in the College of Law.

The Walter L. and Helen W. White Law Scholarship was established by Walter L. White, BA 1941, JD 1948, Alum Cit. 1994, Honorary Doctor of Law 2000, as a memorial to his wife, Helen. The scholarship is to be awarded annually to a student with financial need and desiring a quality education from the Claude W. Pettit College of Law.

The Frank B. Willis Memorial Student Aid Fund provides assistance to an Ohio resident in good academic standing with financial need. The award is made in recognition of Frank B. Willis, law faculty member, U.S. Congressman, Ohio Governor and United States Senator, and was established through the will of his only child, Miss Helen Willis.

The Leander P. Zwick III Scholarship was established by Dr. Leander P. “Pepper” Zwick III, JD 1975, of Canton, Ohio, for qualified students in the College of Law.
University Faculty
2013-2014

Faculty are listed with position and rank for the 2013-14 academic year. The year refers to the time of initial service to the university.

Ahmed M. Abdel-Mohti, B.S.C.E. (Helwan University), M.S.C.E. (Lawrence Technology University), Ph.D. (University of Nevada), 2009. Assistant Professor of Civil Engineering

Alisa L. Agozzino, B.A. (Ohio Northern), M.A., Ph.D. (Bowling Green), 2007. Assistant Professor of Communication Arts

Albert Siaw Akyeampong, B.S. (University of Ghana), M.S. (University of Reading), Ph.D. (Ohio University), 2013. Assistant Professor of Education

Catherine Albrecht, B.A., M.A., Ph.D. (Indiana University), 2009. Professor of History; Dean, College of Arts & Sciences

Robert M. Alexander, B.A. (Ohio Northern), M.A., Ph.D. (Tennessee), 2002. Professor of Political Science; Chair, Department of History, Politics and Justice.

Jeffery Allison, B.S. Pharm., Pharm. D. (Ohio Northern), 1994. Professor of Pharmacy Practice

Khalid Al-Olimat, B.S. (Far Eastern U.), M.S. (Bradley), Ph.D. (Toledo), 1999. Professor of Electrical and Computer Engineering; Chair, Department of Electrical & Computer Engineering and Computer Science

Nesreen Alsbour, B.S., M.S. (Kansas State University), Ph.D. (University of Oklahoma), 2013. Visiting Assistant Professor of Electrical and Computer Engineering

Amelia M. Anderson-Wile, B.A. (Hamline University), M.S., Ph.D. (Cornell University), 2010. Assistant Professor of Chemistry

Rodney P. Anderson, B.S. (Sioux Falls College), Ph.D. (Univ. of Iowa), 1987. Professor of Biological Sciences; Chair, Department of Biological and Allied Health Sciences

Mircea Angelescu, M.D. (University of Medicine and Pharmacy "Victor Babes"), 2010. Assistant Professor of Anatomy and Physiology

John R. Armstrong, B.A., M.F.A. (Indiana University), 2009. Assistant Professor of Theatre

Nancy A. Armstrong, A.B. (Vassar), J.D. (Boston College), M.S. (Drexel), 2001. Director of the Taggart Law Library; Professor of Law

Amy L. Aulthouse, B.S. (Shippensburg), Ph.D. (South Dakota), 1997. Professor of Biological Sciences

Benjamin C. Aylng, II, B.M., M.M. (Bowling Green), Ph.D. (Ohio State), 2011. Choral Director and Assistant Professor of Music

Kathleen T. Baril, B.A. (Grinnell College), M.A. (Columbia University), M.A. (University of Iowa), 2010. Collections and Electronic Resources Librarian with rank of Assistant Professor, Heterick Library

Druann Bauer, B.A. (Northeast Louisiana), M.A. (Southwestern Louisiana), Ph.D. (Louisiana-Lafayette), 2006. Associate Professor of English

Eric T. Baumgartner, B.S.A.E. (Notre Dame), M.S.A.E. (Cincinnati), Ph.D. (Notre Dame), 2006. Professor of Mechanical Engineering; Dean, Smull College of Engineering

Ronald E. Beaschler, B.S.B.A. (Ohio Northern), M.Ed. (Bowling Green), 1988. Assistant Professor of Sport Management

Laurie Bell, B.S.Ed. (Ohio State), B.D. (Toledo), M.S. (James Madison), Ph.D. (Toledo), 1992. Professor of Dance and Resident Artist; Chair, Department of Theatre Arts

Bryan O. Boulanger, B.A., B.S., M.S. (University of Connecticut); Ph.D. (University of Iowa), 2012. Associate Professor of Civil Engineering

Christopher P. Bowers, B.A. (Kenyon), Ph.D. (Ohio State), 2003. Associate Professor of Chemistry; Chair, Department of Chemistry and Biochemistry

Kristo N. Boyadzhiev, M.S., Ph.D. (U. of Sofia), 1990. Professor of Mathematics

Joanne C. Brant, A.B. (Cornell), J.D. (Case Western Reserve), 1991. Professor of Law

Kimberly Broekemeier, B.A. (St. Olaf), Ph.D. (Minnesota), 1998. Associate Professor of Biochemistry

Rebecca J. Brooks, B.A. (Ohio), M.A., Ph.D. (Kent State), 2007. Visiting Instructor in Sociology

Charles L. Busch, B.S.E.E. (Ohio Northern), P.E. (Ohio), 1963. Director of Administrative Computing Services with rank of Assistant Professor

Sandra K. Calvert, B.A. (Ohio Northern), M.A. (Dayton), Ph.D. (Toledo), 1994. Assistant Professor of Education, Director of the Center for Teacher Education

Melita Caragiu, M.S. (Babes-Bolyai, Romania), Ph.D. (Penn State), 2000. Professor of Physics; Chair, Department of Physics and Astronomy

Mihai Caragiu, B.S., M.S. (U. of Bucharest), Ph.D. (Penn State), 2000. Professor of Mathematics

Robert M. Carrothers, B.A., M.A., Ph.D. (Kent State), 2005. Associate Professor of Sociology; Chair, Department of Psychology and Sociology

Tevye C. Celius, B.S. (Puget Sound), Ph.D. (Cornell), 2005. Associate Professor of Chemistry

Cheng Cheng, B.A. (Lingnan University), M.L.S. (University at Buffalo), 10/1/2013. Visiting Librarian with the rank of Instructor, Heterick Library

Jeffrey J. Christoff, B.S. Pharm. (Duquesne), Ph. D. (Ohio State), 1998. Professor of Medicinal Chemistry
Jill R. Christopher, B.S.B.A. (Ohio Northern), M.Acc. (Case Western Reserve), D.B.A. (Cleveland State), 1988. Associate Professor of Accounting

C. Antoinette Clarke, B.S. (Rochester Institute of Technology), J.D. ( Toledo), 2001. Professor of Law

Forrest J. Clingerman, A.B. (Augustana College), M.Div. (Boston University), Ph.D. (Iowa), 2005. Associate Professor of Religion

Alfred E. Cohoe, B.A. (Albion), M.A. (Bowling Green), 1962. Professor of Psychology and Sociology

Alexandra Coman, B.S. (Romanian-American University), M.S., Ph.D. (Lehigh University), 2013. Assistant Professor of Computer Science

David C. Crago, A.B. (Duke), J.D. (U. of Michigan), 1991. Professor of Law; Provost and Vice President for Academic Affairs

Catherine L. Craker, A.A., B.S., B.A. (Emory University), Ph.D. (University of Notre Dame), 2009. Visiting Assistant Professor of Biological Sciences

Russ Crawford, B.A., B.S. (Chadron State), M.A., Ph.D. (Nebraska), 2005. Associate Professor of History

Cecily Crider, B.A., J.D. (Ohio Northern), 1998. Director and Instructor in Legal Writing

Patrick Croskery, B.A. (Virginia), Ph.D. (Chicago), 1999. Associate Professor of Philosophy; Director of Honors Program

Sandra Cresser, B.S.Ed. (Ohio State), M.A. (Kent), Ph.D. (Bowling Green), 1989. Visiting Professor of Education

Mark D. Cruea, B.S.B.A. (Ohio State University), M.Ed., M.A., Ph.D. (Bowling Green State University), 2009. Assistant Professor of Communication Arts

Margaret E. Cullen, B.A. (SUNY at Buffalo), M.A. (San Francisco State), Ph.D. (Tennessee), 1992. Associate Professor of English

Jeremy T. Czarniak, B.F.A. (Point Park University), M.F.A. (Goddard College), 2013. Visiting Assistant Professor of Theatre

Denise D’Arca, B.M. (Culver-Stockton), M.A. (Northeast Missouri), Ph.D. (Missouri), 1988. Professor of Music

Dennis J. De Luca, B.A. (Upsala), Ph.D. (Cleveland State), 2003. Associate Professor of Biological Sciences; Program Director for Forensic Biology

Nicole Dickson, B.S. (Muskingum), M.S., Ph.D. (Ohio State), 2011, Assistant Professor of Chemistry

Natalie A. DiPietro, Pharm.D. (Ohio Northern), M.P.H. (Indiana), 2007. Associate Professor of Pharmacy Practice

Jennifer A. Donley, B.A. (College of Wooster), M.L.I.S. (Kent State University), 2009. Cataloging and Knowledge Architect Librarian with the rank of Assistant Professor, Heterick Library

Douglas G. Dowland, B.A. (Michigan State University), M.A., Ph.D. (University of Iowa), 2010. Assistant Professor of English

Manoranjan S. D’Souza, M.B.B.S., M.D. (Mumbai University), Ph.D. (University of Texas), 2013. Assistant Professor of Pharmacology

Michele Durand, B.A. (Bluffton), M.Ed. (Bowling Green), 2001. Assistant Professor of Physical Education

Keith F. Durkin, B.A. (Marywood), M.S., Ph.D. (Virginia Polytechnic Institute), 1999. Professor of Sociology

Randall L. Ewing, B.S.B.A., M.B.A. (Bowling Green), 1979. Associate Professor of Marketing

Howard N. Fenton III, B.S., J.D. (Texas), 1988. Professor of Law; Director of Democratic Governance and Rule of Law LLM

James W. Fenton, Jr., B.S.B.A., M.B.A. (Toledo), Ph.D. (Iowa), 2005. Professor of Management; Dean, Dicke College of Business Administration

David J. Fetrow, B.A. (Albion), M.L.S. (Emporia State), 2004. Reference Librarian with rank of Associate Professor in the Law Library

Thomas P. Finn, B.A. (Marquette), M.A. (Notre Dame), Ph.D. (Wisconsin), 1999. Professor of French and Spanish

Katherine Fleck, B.S. (Bowling Green), M.A. (Indiana), LP.D. (Northeastern), 2011. Visiting Assistant Professor of Public Relations

Kami L. Fox, B.S.N., M.S. (Wright State University), 2010. Assistant Professor of Nursing

Bruce C. French, B.A., M.A. (American), J.D. (Antioch), 1983. Professor of Law

Bruce P. Frohnen, B.A. (California State), M.A. (University of California), J.D. (Emory), Ph.D. (Cornell), 2008. Professor of Law

William R. Fuller, B.A. (Trinity College), M.S., M.A., Ph.D. (Indiana), 2002. Associate Professor of Mathematics

G. Richard Gaineys, B.S. (Jones College), M.M.C. (U. of South Carolina), 1988. Associate Professor of Communication Arts and Director of Broadcasting

Diana K. Garlough, B.S., M.A. (Ohio State), Ph.D. (Bowling Green), 2001. Assistant Professor of Education; Chair, Department of Education

Scott D. Gerber, B.A. (William and Mary), J.D., Ph.D. (Virginia), 2001. Professor of Law

John C. Gillham, B.A. (San Diego State University), M.S., Ph.D. (Pepperdine University), 2010. Assistant Professor of Education

Michele Govekar, B.S. (Loyola), M.B.A. (St. Bonaventure), Ph. D. (Minnesota), 1997. Professor of Management

Paul L. Hartman, B.S. (University of Maryland), M.A. (University of Dayton), M.S., Ph.D. (Air Force Institute of Technology), 2013. Assistant Professor of Operations Research and Supply Chain Management
Firas Hassan, Bachelor of Engineering (Beirut Arab University), Masters of Engineering (American University of Beirut), Ph.D. (University of Akron), 2009. Assistant Professor of Electrical and Computer Engineering

Elena V. Helmer, J.D. (Kazakh State), LL.M. (Yale), 2006. Assistant Director of Democratic Governance and Rule of Law LL.M. with rank of Assistant Professor of Law

Mary Ellen Carasiti Hethcox, B.S. (University of Rhode Island), Pharm.D. (Virginia Commonwealth University), 2012. Assistant Professor of Pharmacy Practice, Director of Drug Information

Melissa S. Hickman, B.B.A. (Shorter University), M.B.A. (Kennesaw State University), D.B.A. (Nova Southeastern University), 2012. Associate Professor of Accounting

Kevin D. Hill, B.S. (U. of Kentucky), J.D. (Northern Kentucky University), LL.M. (Temple), 1985. Professor of Law

Brian Hofman, B.B.A. (Iowa State), M.Ed. (Bowling Green), Ph.D. (Toledo), 1998. Associate Professor of Sport Management

Sandra L. Hrometz, B.S. Pharm. (Ohio Northern), Ph.D. (Kentucky), 2000. Professor of Pharmacology

Donald A. Hunt, B.S. (Baldwin-Wallace), M.S. (Case Western Reserve), M.S., Ph.D. (Ohio State), 1999. Associate Professor of Mathematics; Chair, Department of Mathematics and Statistics

Thomas A. Hunt, B.M. (Oberlin), M.M., Ph.D. (Florida), 2008. Professor of Music; Chair, Department of Music

Juliet K. Hurtig, B.S.E.E. (Ohio Northern), M.S.E.E., Ph.D. (Ohio State), P.E. (Ohio), 2000. Professor of Electrical and Computer Engineering; Associate Vice President for Academic Affairs

Feng Jiao, B.S. (Sheng-te Christian College), M.S. (Fort Hays State), Ph.D. (Toledo), 2000. Associate Professor of Educational Technology

Ronald A. Johns, B.S. (U. of N. Carolina), M.A., Ph.D. (Indiana), 1990. Associate Professor of Mathematics

Ann C. Johnson, B.A., M.A., Ph.D. (University of Notre Dame), 2013. Instructor of Psychology

Jean-Marie Kamatali, LL.B., LL.L., (National University of Rwanda), M.A. (Notre Dame), Ph.D. (Institute of International Law and International Relations), 2008. Assistant Professor of Law

John Paul M. Kanwit, B.A., M.A. (Georgetown) Ph.D. (Indiana), 2007. Associate Professor of English

Errol G. Katayama, B.A., M.A., Ph.D. (U. of Toronto), 2000. Professor of Philosophy; Chair, Department of Philosophy and Religion

Brian E. Keas, B.S. (Hope), M.S. (Wake Forest), Ph.D. (Michigan State), 2000. Associate Professor of Biological Sciences; Assistant Vice President for Academic Affairs (Faculty Fellow)

Terry D. Keiser, B.S.Ed. (Ohio Northern), M.A. (Bowling Green), 1967. Professor of Biological Sciences

Deidré A. Keller, B.A. (Yale University), J.D. (Emory University.), 2010. Associate Professor of Law

Owen J. Keller, B.S. (Ohio U.), M.A. (Western Michigan U.), 1984. Associate Professor of Athletic Training; Athletic Trainer

Mary A. Kempen, B.A. (Marquette), M.A. (Kansas), Ph.D. (Wisconsin), 2007. Assistant Professor of Spanish

Ronald D. Kieffer, B.S. Ed. (Baldwin-Wallace), M.A. (Bowling Green), Ph.D. (Ohio State), 2005. Associate Professor of Education

Karen L. Kier, B.S. Pharm. (Ohio Northern) M.Sc., Ph.D. (Ohio State), 1986. Professor of Clinical Pharmacy; Director of Assessment

Thomas L. Kier, B.S. Pharm. (Ohio Northern), M.A., Ph.D. (Bowling Green), 1986. Associate Dean of Pharmacy Operations, Raabe College of Pharmacy, with rank of Instructor in Pharmacy

Tristin M. Kilgallon, B.A. (Kutztown University), M.S. (Troy State University), M.S. (St. Joseph’s University), J.D., LL.M. (Ohio Northern University), 2012. Assistant Professor of Criminal Justice

Dong Kim, B.A. (Seoul National University), M.A. (Oklahoma State), Ph.D. (Oklahoma), 2011. Assistant Professor of Finance

David Kinder, B.S. (Purdue), M.S. (Indiana), Ph.D. (Illinois), 1993. Professor of Medicinal Chemistry

David Kisor, B.S. Pharm. (Toledo), Pharm. D. (Ohio State), 1998. Professor of Pharmacokinetics.

Robert E. Kleine, III, B.S. (New Hampshire), Ph.D. (Cincinnati), 2002. Associate Professor of Marketing, Associate Dean of the College of Business Administration

Kelly J. Koblela, B.S., M.S. (Indiana University), 2012. Systems Librarian with rank of Instructor in the Heterick Library

David W. Koh, B.S. (Central College), B.S., Ph.D. (University of Kentucky), 2013. Assistant Professor of Pharmacology

Stephen H. Kolomyjec, B.A. (Olivet College), Ph.D. (James Cook University), 2012. Visiting Assistant Professor of Cell and Molecular Biology

David J. Kosyna, B.E. (Toledo), M.M. (Ohio), D.M.A. (Cincinnati), 2006. Associate Professor of Music

Megan M. Kraynok, B.A. (West Virginia Wesleyan College), M.S. (University of Pittsburgh), Ph.D. (West Virginia University), 2010. Assistant Professor of Psychology

Kelly M. Kroustos, B.S. (Ohio Dominican), Pharm.D. (Ohio State), 2008. Assistant Professor of Pharmacy Practice

Matthew D. Kutch, B.S. (Central Michigan), M.E., Ph.D. (North Carolina State), 2011. Assistant Professor of Economics

Laurie K. Laird, B.S.M.E. (Ohio Northern), M.S. (Cincinnati), 1993. Assistant Professor of Mechanical Engineering; Director of Corporate and Alumni Relations

Heath J. LeBlanc, B.S. (Louisiana State University), M.S., Ph.D. (Vanderbilt University), 2012. Assistant Professor of Electrical and Computer Engineering

Linda L. Lehman, B.S. (Ohio State), M.A. (Bowling Green), 2004. Visiting Instructor in Education

Michael W. Lewis, B.A. (Johns Hopkins), J.D. (Harvard), 2006. Professor of Law

Christina M. Liebrecht, B.S. (Toledo), M.S. (Walden), 2011. Assistant Professor of Nursing
Louis F. Lobenhofer, A.B. (William and Mary), J.D. (Colorado), LL.M. (Denver), 1979. Professor of Law

John P. Lomax, B.A. (Nebraska Wesleyan), M.A. Chicago), Ph.D. (Kansas), 1988. Professor of History

Michael B. Loughlin, B.A., M.A., Ph.D. (Indiana), 1988. Professor of History

John N. Mager, III, B.A. (Hiram), M.S. (Miami), Ph.D. (Cornell), 2005. Associate Professor of Biological Sciences

Tarek M. Mahfouz, B.S. (Cairo), M.S. (West Texas A & M), Ph.D. (Houston), 2006. Associate Professor of Pharmaceutical Chemistry

William J. Mancuso, B.S. (SUNY-Brockport), M.F.A. (Buffalo), 1998. Assistant Professor of Art; Chair, Department of Art and Design

Terry L. Maris, B.G.S., M.B.A., Ph.D. (U. of Nebraska), 1990. Professor of Management

Jed E. Marquart, B.S.M.E. (Ohio Northern), M.S.A.E., Ph.D. (Dayton), P.E. (Ohio), 1991. Professor of Mechanical Engineering

Katherine N. Marshall, B.A. (Grace College), M.S.I. (University of Michigan), 2012. Acquisitions Librarian with rank of Instructor, Law Library

Robert K. McAfee, B.S. (Bowling Green), Ph.D. (Northern Illinois), 2011. Assistant Professor of Human Anatomy

David McClough, B.A. (Vanderbilt), M.B.A. (American), M.A. (Bowling Green), Ph.D. (Southern California), 2008. Assistant Professor of Economics

Brian W. Meehan, B.S. (Wagner College), M.S. (University of Bridgeport), Ph.D. (College of William and Mary), 2012. Associate Professor of Forensic Biology

David Mikesell, B.S.M.E. (Ohio Northern), M.S.M.E., Ph.D. (Ohio State), 2007. Associate Professor of Mechanical Engineering

Richard F. Miller, B.S. (Ohio Northern), M.S., Ph.D. (Walden), 2007. Instructor in Technological Studies

Allison A. Mittendorf, B.A., J.D. (Toledo), 2004. Instructor of Legal Writing

Susan M. Montenery, B.S.N. (Ohio State), M.S. (Walden), D.N.P. (Duquesne University), 2007. Assistant Professor of Nursing, Interim Director of the Nursing Program; Interim Chair, Department of Nursing

Jennifer Moore, B.A. (Mercyhurst College), M.A. (University of Colorado at Boulder), Ph.D. (University of Illinois at Chicago), 2012. Assistant Professor of Creative Writing

Anita R. Morgan, B.S. (St. Mary of the Woods College), M.B.A. (Ball State University), D.B.A. (Nova Southeastern University), 2013. Associate Professor of Accounting and Director of the MPPA

Traci W. Moritz, B.A. (Bluffton), M.L.S. (Indiana), 2004. Instruction and Access Services Librarian with rank of Assistant Professor in Heterick Library

Suzanne Morrison, B.A. (Wake Forest), M.Div. (Princeton Theological Seminary), Ph.D. (Graduate Theological Union), 1994. Associate Professor of Religion

Vicki A. Motz, B.A., M.S. (Rutgers), Ph.D. (Boston University), 2008. Visiting Assistant Professor of Biological Sciences

Michelle R. Musser, B.S. (Ashland University), Pharm.D. (The Ohio State University), 2010. Assistant Professor of Pharmacy Practice

Brian J. Myers, B.A. (Hiram), Ph.D. (Indiana), 2002. Associate Professor of Chemistry

Deidre Myers, B.S. Pharm. (Ohio Northern), 2000. Instructor in Pharmacy

Nancy G. Neslund, B.A. (Willamette University), J.D. (Columbia University), LL.M. (New York University), 2012. Visiting Assistant Professor of Law

Lauren A. Newell, B.A. (Georgetown University), J.D. (Harvard), 2012. Assistant Professor of Law

Christine L. North, B.A., M.A. (Nebraska-Omaha), Ph.D. (Oklahoma), 2006. Associate Professor of Communication Arts

Kofi Nsia-Pepa, B.A. (University of Cape Coast-Ghana), LL.M. (Essex), Ph.D. (Wayne St.), 2008. Assistant Professor of Political Science

Paul Nutter, B.S., M.B.A. (Ohio), 2000. Associate Professor of Technology; Chair, Department of Technological Studies

William O’Connell, B.A. (Marshall), M.S. (West Virginia), Ph.D. (Ohio), 1998. Associate Professor of English/Journalism

Mark E. Olah, B.S. (Philadelphia College of Pharmacy and Science), Ph.D. (Ohio State), 2008. Associate Professor of Pharmacology; Chair, Department of Pharmaceutical and Biomedical Sciences

Liam O’Melinn, B.A. (California, Santa Cruz), Ph.D. (Yale), J.D. (Columbia), 2001. Professor of Law

Patricia A. Parteleno, B.S.Pharm., Pharm.D. (Ohio Northern), 1996. Associate Professor of Pharmacy Practice; Director of Experiential Programs

Kristie E. Payment, B.A. (SUNY-Potsdam), M.A. (St. Bonaventure), Ph.D. (Kent State), 2005. Associate Professor of Psychology

Trilisa M. Perrine, B.S. (Western Michigan), Ph.D. (Chicago), 2008. Associate Professor of Chemistry

Erin A. Petersen, Pharm.D. (Ohio Northern University), 2012. Assistant Professor of Pharmacy Practice

Matthew A. Phillips, B.A. (Brigham Young University), M.B.A. (Pennsylvania State), 2011. Assistant Professor of Accounting

David Pimentel, B.A. (Brigham Young University), M.A. (University of California, Berkeley), J.D. (University of California), 2012. Visiting Associate Professor of Law

Jason C. Pinkney, B.A. (Macalester), Ph.D. (New Mexico State), 2002. Professor of Physics

Jonathan D. Pitts, B.A., M.A. (Idaho), M.A., Ph.D. (SUNY-Buffalo), 2000. Associate Professor of English
Sieglinde Poeizler-Kamatali, Magistra Philosophiae (Karl-Franzens University-Austria), 2008. Visiting Instructor in Spanish

Edward S. Potkanowicz, B.S. (Youngstown State), M.A., Ph.D. (Kent State), 2011. Assistant Professor of Exercise Physiology

Harold L. Putt, B.S. (Clarion), M.A., Ph.D. (Bowling Green), 1983. Professor of Mathematics

David W. Raack, B.A. (U. of Kansas), J.D. (U. of Missouri), LL.M. (Temple), 1984. Professor of Law

Ryan R. Rahrig, B.Sc., M.A., Ph.D. (Bowling Green State University), 2010. Assistant Professor of Mathematics and Statistics

Kenneth J. Reid, B.S.C.E.E. (Purdue), M.S.E.E. (Rose-Hulman), Ph.D. (Purdue), 2008. Associate Professor of Electrical and Computer Engineering; Director of Freshman Engineering and program Director of Engineering Education

David A. Retterer, B.S. (David Lipscomb), M.S. (Vanderbilt), 1979. Associate Professor of Mathematics and Computer Science

Brent Ridenour, B.S.B.A. (Ohio Northern), M.Ed. (Bowling Green), 2002. Assistant Professor of Sport Management

Leslie A. Riley, B.S. (University of Dayton), M.S., Ph.D. (Washington State University), 2009. Assistant Professor of Biological Sciences

Lisa G. Robeson, B.A. (Maryland), M.A. (Georgetown), Ph.D. (Catholic University), 2002. Professor of English; Chair, Department of English

Andrew M. Roecker, Pharm.D. (Ohio Northern), 2002. Professor of Pharmacy Practice; Chair, Department of Pharmacy Practice

Scott L. Rogers, B.A. (California), M.S. (New Mexico), Ph.D. (Louisville), 2011. Assistant Professor of English

Robert C. Rohan, B.S. (Maryland), M.E. (Frostburg State), 2004. Assistant Professor of Physical Education

Yousif B. Rojeab, B.S. (Jordan University), Ph.D. (Houston), 2007. Associate Professor of Pharmaceutics

Boyd Rorbaugh, B.S. (Mount Vernon Nazarene), M.S. (Bowling Green), Ph.D. (Creighton), 2004. Associate Professor of Pharmacology and Cell Biology

David L. Rouch, B.S. (Ball State), M.S. Ed. (Eastern Illinois), Ph.D. (Ohio State), 1988. Professor of Technology

William Britton Rowe, B.F.A. (Ohio Northern), M.F.A. (Michigan), 1999. Associate Professor of Art

Nancy Paine Sabol, B.A. (Ohio), J.D. (Ohio State), 2001. Associate Professor of Law; Director of Academic Support

Lori Salhoff, B.S. (University of Toledo), M.S. (Kettering University), 2012. Visiting Instructor of Technology

Jamie L. Sanford, B.S. (Elmira), Ph.D. (Ohio State), 2011. Assistant Professor of Biology

David M. Savino, B.S.B.A., M.B.A. (Youngstown), 1979. Associate Professor of Management

David R. Sawyers, B.S.M.E. (Rose-Hulman), M.S.M.E., Ph.D. (Notre Dame), 2003. Associate Professor of Mechanical Engineering

Tammy J. Schakett, A.S. (Columbus State Community College), B.A. (Northwood University), M.B.A. (Touro University International), Ph.D. (TUI University), 2010. Assistant Professor of Entrepreneurship

Susan Schertzter, B.S.B.A., M.B.A. (Xavier), Ph.D. (Cincinnati), 2007. Associate Professor of Marketing

Henning Schroeder Bachelor’s and Mater’s equivalent (University of Arts Berlin), M.M. (Western Michigan University), D.M.A. (University of Illinois at Urbana-Champaign), 2013. Associate Professor of Music

Nancy R. Schroeder, B.S. (Ohio Northern), M.S. (Cleveland State), 2011. Assistant Professor of Nursing

Sandra J. Schroeder, B.S., M.A., Ph.D. (Ohio State), 2004. Associate Professor of Mathematics

Raymond F. Schuck, B.A. (Defiance), M.A. (Wright State), 1996. Visiting Assistant Professor of History and Collections Specialist

JoAnn M. Scott, B.A. (San Francisco State U.), M.A., Ph.D. (U. of California), 1987. Professor of Political Science

Kanishka Sen, B.A., M.A. (Jawaharlal Nehru), M.A., Ph.D. (Arizona State), 2003. Associate Professor of Spanish; Chair, Department of Modern Languages

Henry Luther Sheets, B.F.A. (Ohio Northern), M.F.A. (Bowling Green), 2005. Assistant Professor of Art

Hui Shen, B.S. (Tsingua), M.S. (Tongji), Ph.D. (Pennsylvania State), 2006. Associate Professor of Mechanical Engineering

Terrence E. Sheridan, B.A. (Hiram), Ph.D. (Dartmouth), 2002. Professor of Physics

Kelly M. Shields, Pharm.D. (Butler), 2001. Associate Professor of Pharmacy Practice; Assistant Dean and Director of Pharmacy Student Services

Marcia K. Siebesma, B.A. (Hope), M.L.S. (U. of Michigan), 1975. Associate Law Librarian with rank of Associate Professor

Thomas E. Simmons, B.S.B.A., B.A. (Ohio Northern), M.S. (Ohio University), 1999. Athletic Director; Assistant Professor of Sport Management

Jonathan S. Smalley, B.S.C.E. (Ohio Northern), M.S., Ph.D. (Ohio State), P.E. (Ohio), 1978. Professor of Civil Engineering; Chair, Department of Civil Engineering

David Smith, B.A. (Kent State), M.A., Ph.D. (Chicago), 1998. Associate Professor of Geography

Kristen N. Sobota, Pharm. D. (West Virginia), 2007. Associate Professor of Pharmacy Practice; Director of Outreach Programming

Jenelle L. Sobotka, B.S., Pharm.D. (Iowa), 2010. Professor and Endowed Chair of Pharmacy Practice
Christopher E. Spiese, B.S. (Juniata), Ph.D. (SUNY), 2011. Assistant Professor of Chemistry

Nicole M. Stitt, B.S. (Juniata), Ph.D. (SUNY), 2011. Assistant Professor of Chemistry

Amy L. Stockert, B.S., M.A., Ph.D. (Ball State University), 2023. Visiting Assistant Professor of Education

Donald Sullivan, B.S. Pharm., M.S., Ph. D. (Ohio State), 1997. Professor of Pharmacy Practice

Rema G. Suniga, B.S., M.S. (Univ. of Santo Tomas, Manila), Ph.D. (Clemson), 1994. Associate Professor of Biological Sciences

Scott Swanson, B.S. (Alma), M.S. (Kent State), Ph.D. (Ohio State), 1996. Associate Professor of Exercise Physiology; Chair, Department of Human Performance and Sport Sciences

Sara L. Terrell, B.A. (Adrian), M.S. (Eastern Michigan), 2002. Assistant Professor of Exercise Physiology and Adult Fitness Coordinator

William Theisen, B.S., M.S., Ph.D. (Iowa), 1995. Professor of Physics

Stephen C. Veltri, B.A. (U. of Pittsburgh), J.D. (Georgetown), LL.M. (Columbia), 1986. Professor of Law

Robert Verb, B.S. (University of Findlay), Ph.D. (Ohio), 2001. Professor of Biology

Jennifer L. Walton, B.A., M.A. (Indiana State), Ph.D. (Bowling Green), 2006. Associate Professor of Communication Arts; Chair, Department of Communication and Media Studies.

Bryan Ward, B.A. (Ohio Northern), J.D. (North Carolina), Ph.D. (Ohio State), 1999. Associate Dean for Academic Affairs in the College of Law, Professor of Law

Robert L. Ward, B.S., M.S. (U. of Missouri-Rolla), Ph.D. (U. of Arkansas), 1989. Professor of Civil Engineering

Robert A. Waters Jr., B.A. (Pennsylvania), M.A. (California State), J.D. (Mississippi Lamar Law Center), Ph.D. (Mississippi), 2005. Visiting Assistant Professor of History

Sarah Waters, B.M. (Ohio Northern), M.M. (Western Michigan), D.M.A. (Ohio State), 2005. Assistant Professor of Music

Chandalar H. West, B.S. (Wilmington), M.H. Ed. (East Carolina), 2001. Assistant Professor of Athletic Training; Athletic Trainer

Robin M. White, B.S.N., M.S.N. (Nevada), 2006. Assistant Professor of Nursing

Bradley M. Wile, B.Sc. (St. Francis Xavier University), Ph.D. (Dalhousie University), 2010. Assistant Professor of Chemistry

Ellen S. Wilson, B.A. (Angelo), M.A., Ph.D. (Miami), 1979. Associate Professor of History

Harry James Wilson, B.A. (Florida State), M.A. (West Florida), Ph.D. (Louisiana State), 2007. Visiting Assistant Professor of Geography

Kurt Wilson, B.S. (Manchester), M.A. (Western Michigan), 1999. Assistant Professor of Athletic Training; Head Athletic Trainer

Michelle A. Wilson, B.S. (East Stroudsburg), M.S. (Marshall U.), 1991. Associate Professor of Athletic Training; Athletic Trainer

Kate J. Witte, B.A. (U. of Northern Iowa), M.S. (Indiana U.), 1991. Assistant Professor of Health Education; Senior Women’s Administrator

Cynthia J. Woodfield, DNP (Duquesne University), M.S. (University of Dayton), M.S. (Wright State University), B.S. (Salve Regina University) 2013. Visiting Assistant Professor of Nursing

Nancy Woodley, Hon.B. Sc., Ph. D. (Guelph) 1997. Professor of Biological Sciences

Dexter R. Woods, B.A., J.D. (Ohio Northern), LL.M. (U. of Florida), 1987. Professor of Business Administration

Marcia M. Worley, B.S., B.S. (University of Pittsburgh), M.S. (The Ohio State University), Ph.D. (University of Minnesota), 2012. Associate Professor of Pharmacy Administration

Fan Ye, B.S., M.S. (Southeast University), Ph.D. (Texas A & M University), 2013. Assistant Professor of Civil Engineering

John-David S. Yoder, B.S.M.E., M.S.M.E., Ph.D. (Notre Dame), 2001. Professor of Mechanical Engineering; Chair, Department of Mechanical Engineering

Linda M. Young, B.A. (Wittenberg), M.S., Ph.D. (Ohio State), 1988. Professor of Biological Sciences

Sherry Young, B.A. (Michigan State), J.D. (Harvard), 1987. Professor of Law

Ziad Youssfi, B.S., M.S., Ph. D. (Michigan State University), 2013. Assistant Professor of Electrical and Computer Engineering

Mohammad Zaki, B.S. (Minnesota State University), Ph.D. (University of Illinois), 2009. Assistant Professor of Mathematics

Kay Zekany, B.S., M.S. (Miami), Ph.D. (South Carolina), 1998. Associate Professor of Accounting

Jingyun Zhang, B.A., M.A. (Beijing Foreign Studies University); M.A., M.S., Ph.D. (University of Alabama), 2012. Assistant Professor of Marketing

Jake R. Zimmerman, B.S. (Montana State), Ph. D. (North Dakota), 2006. Associate Professor of Chemistry

Phillip R. Zoladz, B.A. (Wheeling Jesuit University), M.A., Ph.D. (University of South Florida), 2009. Assistant Professor of Psychology

PART-TIME FACULTY
(as of 2/1/2014)

Sandra S. Abdallah, B.A., M.A. (University of Toledo), 2013. Lecturer in English Language Programs

Summer M. Aebker, B.M. (University of Cincinnati), 2009. Lecturer in Music

Shelleigh Alexander, B.S. (Bowling Green State University). Lecturer in English Language Programs
Lucinda J. Altstaetter, B.M., M.M. (Bowling Green), 1977. Lecturer in Music

Kelly C. Anspaugh, B.A., B.M. (Ohio State University), Ph.D. (University of Wisconsin), 2023. Lecturer in English

Shahna L. Arps, A.B. (Ohio), M.A., Ph.D. (Ohio State), 2010. Lecturer in Sociology

Pamela Ashmore, B.M. (Wisconsin-Eau Claire), M.M. (Bowling Green), 1999. Lecturer in Music

Peter Lance Ashmore, B.M., M.M. (Bowling Green), 1997. Lecturer in Music

Kathleen J. Babbitt, DVM (Purdue University), 2013. Lecturer in Biological Sciences

Chaima E. Bagais, B.A. (Indiana University of Pennsylvania), M.A. (Bowling Green State University) 2013. Lecturer in English Language Programs

Thomas Barnhart, B.S., M.A.T. (Purdue), 2001. Lecturer in Mathematics

Deanna L. Barthlow-Potkanowicz, B.A. (Lycoming College), M.A., Ph.D. (Kent State University), 2013. Lecturer in Psychology

Mark Batman, B.S. (Wilkinson, M.A. (Loras College), 2004. Lecturer in Physical Education

Mark S. Beery, B.S., M.A. (Bowling Green), 1998. Lecturer in Writing

Nicholas Bellman, B.S. Pharm., Pharm.D. (Ohio Northern), 2007. Clinical Professor of Pharmacy

John Berg, B.A., M.A., Ph.D., 2013. Lecturer in Education

Michelle L. Bestic, Pharm.D. (Ohio Northern), 2007. Clinical Professor of Pharmacy

Andrea S. Bihari, B.M., M.A. (Ohio State University), 2013. Lecturer in English Language Programs

Bryan Bishop, 2013. Assistant Clinical Professor of Pharmacy

Amanda C. Black, B.F.A. (Kent State University), 2013. Lecturer in Theatre Arts

Mary Sue Bly, B.S. (University of Toledo), 2013. Lecturer in Nursing

Kathleen M. Branch, Pharm.D. (Ohio Northern), 2007. Clinical Professor of Pharmacy

Zachariah C. Brosches, Pharm. D. (Ohio Northern), 2005. Clinical Professor of Pharmacy

Rinaldo A. Brusadin, B.S., M.S. (Ohio State University), 2007. Lecturer in Pharmacy

Joyce Bueter, B.S.Ed. (Ohio State), M.S.Ed. (Dayton), 2002. Lecturer in English

Michelle K. Burtchins, B.S., M.S. (Chamberlain College), 2013. Lecturer in Nursing

Kevin J. Byrne, B.A. (Carnegie Mellon University), M.S. (Duquesne University), 2012. Lecturer in Human Performance and Sport Sciences

Michael T. Carrig, B.S. (Bowling Green), 2002. Lecturer in Technology

Janis A. Carse, B.S.N., M.S. (Ohio State University), 2010. Lecturer in Nursing

Jon C. Carver, B.S.Ed. (Bowling Green State University), M.A.Ed. (Bluffton), 2002. Lecturer in History

Clayton J. Casey, B.S. (Ohio Northern University), 2013. Lecturer in Biological Sciences

Jo-Ann L. Caudell, B.S. Pharm. (North Carolina), 1999. Clinical Professor of Pharmacy

Steven D. Christopher, B.S.B.A., J.D. (Ohio Northern), 2007. Lecturer in Business

Angela Collene, 2013. Assistant Clinical Professor of Pharmacy

Kari Coleman, B.S.Ed. (Ohio State), M.S.Ed. (Dayton), 2002. Lecturer in English

Jacqueline Connour, B.S. (Iowa State University), Ph.D. (John Hopkins School of Medicine), 2013. Lecturer in Biological Sciences

Elizabeth A. Cozad, B.F.A. (Wright State), 2012. Lecturer in Communication

Spencer W. Cunningham, B.S. (Bluffton College), M.A. (Ohio State University), M.F.A. (Bowling Green State University) 2013. Lecturer in Art

Jennifer Jaberbo, Pharm.D. (Ohio Northern), 2005. Clinical Professor of Pharmacy Practice

Norman Damschauder, B.M. (Toledo), M.M. (Bowling Green), 2008. Lecturer in Music

Kristin M. Daws, B.A. (Northern Iowa), 2007. Lecturer in Chemistry

Russell J. Decker, B.S. (University of Northwestern Ohio), M.S. (Tiffin University), 2009. Lecturer in Political Science

Douglas Degen, B.S.C.E. (Ohio Northern), 1999. Lecturer in Engineering and Technology

Ronald DeLong, B.S. (Maryland), M.S. (Wright State), Ph.D. (Walden University), 2008. Lecturer in Psychology

Duane L. Donaldson, B.S.B.A., M.B.A (Bowling Green State University), 2013. Lecturer in Accounting

Erin K. Downing, B.A. (Bowling Green State University), J.D. (Ohio Northern University) 2013. Adjunct Professor of Law

Mary Jane Eichelberger, B.M.Ed. (Heidelberg), 1994. Lecturer in Music

Doris J. Engler, B.A. (Bluffton), 2013. Lecturer in Business

Kevin M. Ernst, B.B.A., M.B.A. (Mount Vernon Nazarene University), 2013. Lecturer in Business

James F. Essinger, B.A. (Ohio Northern University), M.S. (University of Missouri), 2014. Lecturer in Chemistry

Peggy Ewald, B.B.A. (Tiffin), M.A. (Heidelberg), 2004. Lecturer in Human Performance and Sport Sciences
Steven G. Fisher, 1999. Lecturer in Technology
Mary E. Fox, B.A., J.D. (Ohio Northern), 2001. Lecturer in Business
Andrea M. Gallagher, B.S. (Ohio Northern), 2012. Lecturer in Nursing
Natalie A. Gardner, B.S., Pharm.D. (Purdue University), 2012. Assistant Clinical Professor of Pharmacy
Casey D. Garman, B.S. Pharm. (Cincinnati), Pharm. D. (South Carolina), 2005. Clinical Professor of Pharmacy
James Goare, A.A.B. (Rhodes State), 2008. Lecturer in Music
Micah A. Graber, B.M. (Bowling Green), 2007. Lecturer in Music
Thurman C. Grass, B.S. (Akron), M.S. (Dayton), 2001. Lecturer in Technology
Thomas Grubaugh, B.S. (Ohio State), 2007. Clinical Professor of Pharmacy
Rhonda Grubbs, B.F.A (Columbus College of Art and Design), M.F.A. (Bowling Green), 2003. Lecturer in Art
Nicole J. Harger, Pharm. D. (Ohio Northern), 2008. Assistant Clinical Professor of Pharmacy Practice
Stephen Harrick, B.A. (Southern Illinois University), M.A., Ph.D. can. (Bowling Green State University), 2013. Lecturer in Communication and Media Studies
Donald C. Hart, B.S. (Ohio Northern), 2005. Lecturer in Pharmacy and Psychology
David M. Hartzell, Pharm. D. (Ohio Northern), 2005. Clinical Professor of Pharmacy
Rebecca Hauserman, B.S.N. (Ashland), M.S.N. (University of Phoenix), 2008. Lecturer in Nursing
Byron Hawbecker, B.A. (Manchester), M.S. (Arizona), Ph.D. (Kent State), 2005. Lecturer in Chemistry
Brian Hess, B.A. (Wright State University), M.A., Ph.D. (Regent University), 2013. Lecturer in Communication Arts
Jennifer E. Hovest, B.S. (University of Cincinnati), M.S. (Regis University), 2014. Lecturer in Nursing
Brenda Hoyt, B.F.A. (Wright State), 1996. Lecturer in Communication Arts and Lecturer in Human Performance and Sport Sciences
Darrell T. Hulisz, B.S.Pharm. (U. of Toledo), Pharm.D. (Medical U. of South Carolina), 1991. Clinical Professor of Pharmacy
Jerrica L. Humphrey, B.S. (Eastern Michigan University), M.S. (Spertus College). Lecturer in Management
Melanie L. Hunsicker, B.S., Pharm.D. (Ohio Northern), 2007. Clinical Professor of Pharmacy
Debra D. Jackson, B.A. (Ohio Northern University, M.S. (University of Dayton), 2014. Lecturer in Education
Fan Jiang, B.A. (Nanjing University of Technology), M.A. (University of Findlay), 2013. Lecturer in English Language Programs
Bruce Johansen, B.E.S. (Cleveland), M.S. (Pittsburgh), Ph.D. (Worcester Polytechnic Institute), 2000. Lecturer in Physics
Heling Johns, B.S. (South China Normal), B.S.B.A. (Ohio Northern), 2008. Lecturer in Chinese
Cecilia H. Johnson, B.A., B.M., M.Mus. (University of Cincinnati), 2013. Lecturer in Music
Darlene Johnston, B.A. (Hanover), M.A. (Indiana U.-Purdue U.), 2006. Lecturer in English
Michael A. Jordan, B.A./B.S. (Ohio Northern University), 2009. Lecturer in Music
Patricia Kaple, B.S., M.S. (Bowling Green), 2006. Lecturer in Chemistry
Matthew Kauflin, B.S. Pharm. (Ohio Northern), Pharm.D. (Toledo), 2001. Clinical Professor of Pharmacy
Megan Keller, Ph.D. (Ohio Northern University), 2013. Assistant Clinical Professor of Pharmacy
Jason M. Kimbrel, Pharm. D. (Ohio Northern), 2005. Clinical Professor of Pharmacy
Georg Klaas, B.A. (St. John’s), M.M. (Indiana), 2008. Lecturer in Music
Lauryl R. Kristufek, B.A., Pharm.D. (University of Toledo), 2010. Clinical Professor of Pharmacy
Michele L. Kroeger, B.S.N. (Mt. Carmel College of Nursing), 2010. Lecturer in Nursing
Katie Kuhn, B.A. (Ohio Northern), M.E. (Ashland), 2011. Lecturer in Communication Arts
Robert Lamb, B.A., B.S. (St. Louis), M.S., Ph.D. (Illinois), 2012. Lecturer In Chemistry
Dale Laukhuf, B.M.Ed. (Bowling Green), 1972. Lecturer in Music
Eun Jeong (Esther) Lee, B.A., M.A. (Eokyeong University), M.A. (New York University), Ph.D. (Ohio State University), 2013. Lecturer in English Language Programs
Michael C. Leffheit, Pharm. D. (Ohio Northern), 2005. Clinical Professor of Pharmacy
Justin E. Lehman, B.A. (Ohio Northern), M.Ed. (University of Cincinnati), 2006. Lecturer in Human Performance and Sport Sciences
Scott Edward Leland, 2014. Lecturer in Biological Sciences
David E. Lusk, B.S. (Ohio Northern), 1991. Lecturer in Chemistry
Kirsten E. Osbun Manley, B.M. (Bowling Green), 1988. Resident Artist and Lecturer in Music
Jason Maus, B.A. (Heidelberg), M.A. (Bowling Green), 2005. Lecturer in Human Performance and Sport Sciences
Todd McAlpine, B.S. (Edinboro University of PA), M.S., Ph.D. (University of Kansas), 2013. Lecturer in Physics
Mary L. McGuire, B.S., M.S. (University of Phoenix), 2013. Lecturer in Nursing
John R. Miller, B.S. (Wisconsin), 2005. Clinical Professor of Pharmacy
Vicki S. Mills, B.S. (Ohio Northern University), M.M. (John Hopkins University) 2012. Lecturer in Music
Matthew M. Mitchell, B.A. (Denison University), J.D. (Ohio Northern University), 2013. Lecturer in Political Science

Bruce A. Morgan, B.S. (Indiana University), 2014. Lecturer in Business

Victor W. Motz, B.S. (Purdue University), M.S. (Ohio State University), Ph.D. (University of Akron), 2013. Lecturer in Biological Sciences

Randall S. Myers, B.S. Pharm. (Ohio Northern), 2007. Clinical Professor of Pharmacy

Tawnya R. Neal, B.S.N. (Bowling Green), 2011. Lecturer in Nursing

Anthony J. Nichols. B.S., B.E.T. (Georgia Southern University), M.B.A. (Berry College), M.S. (Kennesaw State University), Ph.D. (Nova Southeastern University), M.Acc. (Shorter University), 2013. Lecturer in Business

Kendra D. Niekamp, B.A. (University of Findlay), M.S. (University of Toledo), 2014. Lecturer in Communication and Media Studies

Tami Niemeyer, B.S. (College of Mount St. Joseph), B.S.N. (Ohio State), 2008. Lecturer in Nursing

Susanne Nonekowsky, B.S. (State University of New York at Buffalo), Ph.D. (University of Michigan), 2013. Lecturer in Pharmacy

Carlene Oliverio, 2012. Assistant Clinical Professor of Pharmacy

Timothy J. Olt, B.A. (Wright State University), M.A. (Miami University), 2009. Lecturer in Music

McKenzie C. Orr, B.S.N. (Wright State University), M.S.N. (Walden University), 2013. Lecturer in Nursing

Natallie Nicole Paphanchith, ADN (Rhodes State College), BSN (Ohio Northern University), M.S., (Saint Louis University), 2008. Lecturer in Nursing

Gene Parker, 2008. Lecturer in Music

Dean B. Paul, B.S. (Mount Union), 2003. Lecturer in Physical Education

Sarah C. Persinger, Pharm.D. (Ohio Northern), J.D. (Capital University), 2013. Lecturer in Business Administration

Tracey Pierce, B.S. Pharm. (Toledo), 2000. Clinical Professor of Pharmacy

Rachel A. Pinkney, B.M. (Oberlin Conservatory), M.M. (Minnesota), 2002. Lecturer in Music

Marjorie Naylor Pitts, B.A. (University of Massachusetts), M.A. (University of Idaho), 2006. Lecturer in English Language Programs

Stephen Plogsted, B.S. Pharm., Pharm. D. (Cincinnati), 2001. Clinical Professor of Pharmacy

Susan D. Putt, B.S. (Bowling Green), M.S. (Akron), 2008. Lecturer in English

Rachel M. Rader, B.S., MAT Mathematics (Bowling Green State University), 2000. Mathematics Specialist and Lecturer in Mathematics

Daniel Reid, B.S. (Ohio Northern), 2008. Lecturer in Finance

Teresa M. Richard, B.S.N. (Ohio Northern University), 2013. Lecturer in Nursing

Gretchen E. Robinson, B.A. (College of Wooster), B.S. (Pennsylvania State University), M.S. (Indiana University), 2007. Lecturer in Biology

Janet Roll, B.A. (Otterbein), M.S., Ph.D. (Bowling Green), 2003. Lecturer in Mathematics

Kristine A. Rosendale, B.S., M.B.A. (Bowling Green State University), M.A.Ed. (Baldwin-Wallace College), 2009. Lecturer in Mathematics

Marilyn Roth-Bassinger, B.A. (Ohio Northern University), B.S. (University of Dayton), 2012. Lecturer in Music

Virginia Ruet, 2012. Assistant Clinical Professor of Pharmacy

Brian J. Sabol, B.S. (Ohio State), Pharm.D. (Kentucky), 2007. Clinical Professor of Pharmacy

Stuart D. Schakett, B.S. (Trident), 2011. Lecturer in Business

Katie R. Schroeder, B.S.N. (Ohio Northern University), 2013. Lecturer in Nursing

Mandi E. Schroeder, B.S.N. (Ohio State), 2011. Lecturer in Nursing

Amber L. Seggerson, B.S.N. (Ohio Northern University), 2010. Lecturer in Nursing

Stephanie Seveau, B.S. (Maitrise), M.S. (Diplome d’Etudes Approfondies), Ph.D. (Universite Pierre & Marie Curie), 2014. Lecturer in Pharmacy

Christina Sheridan, B.S. (Bucharest), M.S. (West Virginia), 2004. Lecturer in Physics and Astronomy

Burlin L. Sherrick, B.S.M.T. (Medical University of South Carolina), 2002. Interim Director, Clinical Laboratory Science; Lecturer in Biology

Rebecca J. Sillaman, B.S. (Ohio Northern University), Pharm.D. (University of Florida), 2012. Assistant Clinical Professor of Pharmacy

Florin Simioanca, B.M. (G. Dima Music Academy), M.M. (Bowling Green State University), 2010. Lecturer in Music

Amanda L. Smith, B.S. (Central Michigan University), M.A. (Ball State University), 2011. Lecturer in English Language Programs

Jeffrey P. Smith, B.S. (Miami University), M.A. (University of Findlay), 2007. Lecturer in English Language Programs

Michele Smith, B.M. (Mannes College of Music), M.M. (Cleveland Institute of Music), 2012. Lecturer in Music

Darrin W. Snyder Belousek, B.S. (Bradley University), Ph.D. (University of Notre Dame), 2011. Lecturer in Religion

Assaf Sommer, B.M. (Rubin Academy of Music and Dance), M.M. (Manhattan School of Music), 2010. Lecturer in Music

James W. Spicer, Pharm.D. (Ohio Northern University), 2009. Assistant Clinical Professor of Pharmacy

Rory W. Stauber, B.S.Ed. (Indiana, Christian Theological Seminary), M.Phil., Ph.D. (Drew), 2011. Lecturer in Religion
Kristen Stauffer, 2013. Lecturer in Human Performance and Sport Sciences

Douglas A. Stemen, B.S., M.A. (Ohio State University), 2013. Lecturer in Business

Umar Sulayman, B.A., M.A. (Baghdad), M.S. (Indiana University of Pennsylvania), 2009. Lecturer in Modern Languages

Judi C. Suman, B.S. (Olivet Nazarene University), M.A. (University of Findlay), 2013. Lecturer in English Language Programs

Heather Surface, B.B.A., M.S. (Ohio), 2006. Lecturer in English

Trudy R. Thompson, B.S. (Miami), M.S. (Arizona State), 2011. Lecturer in Nursing

Erin Torres, B.M. (Steson University), M.M., D.M.A. (Ohio State University), 2013. Lecturer in Music

Timothy Lee Van Meter, B.S. (Tennessee Technological University), Master of Divinity, Ph.D. (Emory University), 2008. Lecturer in Religion

Jackie Van Tilburgh, B.A. (Ohio State University), M.A. (Wright State University), 2010. Lecturer in English

William Trudeau, 2011. Lecturer in English Language Programs

Rob J. Walter, B.A. (Tiffin University), Masters of Education Administration (University of Scranton), 2013. Lecturer in Education

Hongchen Wang, B.A. (Suzhou University), M.A. (University of Findlay), 2014. Lecturer in English Language Programs

Joan Weller, B.M. (Ohio State), M.M. (Temple), 2008. Lecturer in Music

Adam C. White, B.A. (University of Minnesota), M.A., Ph.D. Cand. (Bowling Green State University), 2014. Lecturer in Philosophy

Kathy J. White, B.S. (Bowling Green State University), M.Ed. (University of Toledo), 2013. Lecturer in English Language Programs

Charles Willner, B.S. (Evangel College), 2006. Lecturer in Mathematics and Physics

Nicole M. Winget, B.S. (Phoenix), J.D. (Ohio Northern), 2009. Mock Trial Coach

Benjamin W. Wollet, B.A. (Ohio Northern University), M.A. (Ohio University), 2013. Lecturer in History

Wenduo Zhao, B.S. (Beijiu University), M.S., Ph.D. (Northeast Normal University), 2013. Lecturer in History

ADJUNCT FACULTY
(as of 2/1/2014)

Mukul A. Agrawal, B.S. (University of Bombay), Ph.D. (University of Cincinnati), 2010. Adjunct Professor of Pharmacy

Jerald M. Andry, B.S. (University of Illinois), M.S. (Ohio University), Ph.D. (Ohio State University), 2010. Adjunct Professor of Pharmacy

Jeffrey L. Benson, B.A., J.D. (Ohio State), 2008. Adjunct Professor of Law

Martha Blackford, B.A. (Taylor), Pharm.D. (Ohio Northern), 2008. Adjunct Professor of Pharmacy

Tamara S. Blum, B.S. (University of Findlay), 2012. Adjunct Professor of Clinical Laboratory Sciences

Rebecca S. Boxer, B.A. (Barnard College), M.D. (University of Pennsylvania), 2008. Adjunct Professor of Pharmacy

William Burke, B.A. (Capital), D.O. (Ohio), 1998. Adjunct Professor of Pharmacy

Laura A. Chumney, B.S. (Walsh University), 2010. Adjunct Professor of Clinical Laboratory Sciences

Camille Cindia, B.S. (Youngstown State University), 2006. Adjunct Professor of Clinical Laboratory Sciences

Adamo Cirese, B.S.M.T. (University of Akron), 2006. Adjunct Professor of Clinical Laboratory Sciences

Sheila Clay-Erwin, B.S. (Texas Southern University), M.Ed. (University of Houston), 2012. Adjunct Professor of Clinical Laboratory Sciences

Thomas B. Cochrane, B.A. (Albion College), J.D. (University of Michigan), 2009. Adjunct Professor of Law

Gregory S. Cooper, B.S. (Purdue University), J.D. (Duquesne), 2008. Adjunct Professor of Law

Nicole S. Dauber, Pharm.D. (Southwestern Oklahoma State), 2008. Adjunct Professor of Pharmacy

Darrel Davidson, B.S. (Iowa State), J.D. (Cornell), 2008. Adjunct Professor of Law

Kathryn A. Denne, Pharm.D. (Ohio Northern University), 2010. Adjunct Professor of Pharmacy

Susan C. Drees, B.S. (Xavier University), Pharm.D. (University of Cincinnati), 2010. Adjunct Professor of Pharmacy

Shawn Eaton, Pharm.D. (Ohio Northern), 2006. Adjunct Professor of Pharmacy

Stephanii A. Ellenberger, B.A. (Arizona State University), 2006. Adjunct Professor of Clinical Laboratory Sciences

Karen Elliot, A.B. (Youngstown), J.D. (Ohio Northern), 1998. Adjunct Professor of Law

Mason Evans IV, B.A. (Miami), J.D. (George Washington), 2012. Adjunct Professor of Law

David J. Fickel, B.A. (Gettysburg), J.D. (Toledo), 1986. Adjunct Professor of Law

Mary E. Flickinger, F.S. (University of Cincinnati), 2010. Adjunct Professor of Clinical Laboratory Sciences

Carl Fossaceca, B.S. Pharm. (Ohio State), Pharm.D. (Florida), 2004. Adjunct Professor of Pharmacy

Jenny M. Francis, B.A., B.S. CLS (Miami University), 2003. Adjunct Professor of Clinical Laboratory Sciences

Elizabeth Frede, B.A., B.S. (Miami University), Pharm.D. (University of Cincinnati), 2010. Adjunct Professor of Pharmacy

Thomas E. Frost, B.A. (University of Findlay), 2012. Adjunct Professor of Clinical Laboratory Sciences
Donna M. Gobeli, B.S.M.T. (Akron University), 2006. *Adjunct Professor of Clinical Laboratory Sciences*

James C. Grissom, B.S. (Wright State University), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

JoEllen L. Hanigosky, Pharm.D. (Duquesne University), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Michael R. Humphrey, B.S.Pharm. (Ohio Northern University), M.D. (Ohio State University), 2008. *Adjunct Professor of Pharmacy*

Tammie K. Hursh, B.S. (Bowling Green), J.D. (Toledo), 2011. *Adjunct Professor of Law*

Margaret Huwer, B.S. (Ohio Northern), Pharm.D. (Ohio State), 1996. *Adjunct Professor of Pharmacy*

Lynn A. James, B.A. (Capital University), 2006. *Adjunct Professor of Clinical Laboratory Sciences*

George E. Kikano, B.S., M.D. (American University of Beirut), 2000. *Adjunct Professor of Pharmacy*

Kelly John-Adam Knerr, Associate’s Degree (Columbus State Community College), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Dan Knight, B.S. (Wilmington College), Pharm.D. (University of Cincinnati), 2010. *Adjunct Professor of Pharmacy*

Delbert Konnor, B.S., M.S. (Wayne State), 2006. *Adjunct Professor of Pharmacy*

Jamie Lauf, B.S. (Bowling Green State University), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Suzanne M. Marques, B.S.Ph. (Ohio Northern University), Pharm.D. (University of Cincinnati), 2002. *Adjunct Professor of Pharmacy*

Cynthia J. McKnight, B.S. (Mount Union College), 2006. *Adjunct Professor of Clinical Laboratory Sciences*

Holly R. Michener, B.S. (Bowling Green State University), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Laura R. Morris, 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Norman O. Moser, Pharm.D. (Purdue University), D.O. (Kirksville College of Osteopathic Medicine), 2009. *Adjunct Professor of Pharmacy*

Joseph T. Moss, Jr., B.S. (Toledo), M.B.A. (Cleveland State), Pharm.D. (Arkansas), 2007. *Adjunct Professor of Pharmacy*

Cheryl A. Moyer, B.S. (Ohio State University), 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Gayle E. Parkhill-Krein, B.A. (Miami University), J.D. (Ohio State University), 2010. *Adjunct Professor of Law*

Hon. Reginald Routson, B.L.S., M.A. (Bowling Green), J.D. (Toledo), 1985. *Adjunct Professor of Law*

Mary H. Putnam, B.A. (Miami University), 2006. *Adjunct Professor of Clinical Laboratory Sciences*

Gary Rutherford, B.S. Pharm. (Ohio Northern), 2000. *Adjunct Professor of Pharmacy*

Gabrielle M. Schmitt, Pharm.D. (Purdue University), 2010. *Adjunct Professor of Pharmacy*

Kristen E. Schmitt, Pharm.D. (Samford University), 2010. *Adjunct Professor of Pharmacy*

Maria C. Sheridan, B.S. (University of Bucharest), M.S. (West Virginia University), 2012. *Adjunct Professor of Pharmacy*

Burlin Sherrick, 2002. *Adjunct Professor of Clinical Laboratory Sciences*

Jerry L. Skinner, B.A. (SUNY), J.D. (Ohio Northern University), 2013. *Adjunct Professor of Law*

Hon. Kevin Smith, B.S. (U.S. Coast Guard Academy), J.D. (Cleveland State University), 2012. *Adjunct Professor of Law*

Joseph Sreenan, B.X. (Xavier), M.D. (Medical College of Ohio). *Adjunct Professor of Clinical Laboratory Sciences*

Diane E. Stennett, 2012. *Adjunct Professor of Clinical Laboratory Sciences*

Beth A. Stevens, B.S. (Bowling Green State University), 2006. *Adjunct Professor of Clinical Laboratory Sciences*

Megan C. Stojic, Pharm.D. (Ferris State University), 2010. *Adjunct Professor of Pharmacy*

Victoria A. Tate, Pharm.D. (University of Cincinnati), 2012. *Adjunct Professor of Pharmacy*

L. Robert Thaxton, B.A. (Miami University), J.D. (Ohio State University), 2010. *Adjunct Professor of Law*

Kimberly Thomas, B.S. (Ohio State University), J.D. (Ohio Northern University), 2013. *Adjunct Professor of Law*
