

Annual FERPA Training for Employees

In an effort to maintain compliance with the Family Policy Compliance Office, the University is requiring ALL employees to complete the assigned training course, located on the HR Moodle website, <https://lms.onu.edu>. The Office of Human Resources implements this annual training requirement on the Family Educational Rights and Privacy Act (FERPA) to ensure our students privacy of their educational information is protected.

**This training is a mandatory annual requirement for all active University employees.*
