BA 4 year plan notes

Notes for BA Music 4 year plans by semester 17-18

General notes for all BA Students

1. Many BA students are double majors or pursue at least one additional minor. This plan allows for flexibility but does not guarantee graduation in 4 years
2. It is solely the responsibility of the student to see all advisors to get a 4-year suggested semester-by-semester course plan for each major in which they enroll, and/or any requirements for minor(s) in which they enroll
3. 21 hrs. of electives outside of Music required for all Music BA's (not MUSC, MUSE or MUSL)
4. A project is required for **each concentration for which the student is enrolled**
5. The three MUSC Electives American Music, African Music, and Jazz History and Literature are offered only in spring on a 3-year rotating basis—see the most current department course rotation for more details
6. Music History courses do not have to be in sequence. The second semester can be Advanced Conducting.
7. Distributional/general education courses can generally be taken during any semester, but the 2 semesters of Modern Language must be sequential and ideally should be completed before your high school language classes are forgotten
