NATIONAL NETWORK

While SDC is licensed to sell to groups domiciled in Ohio, Kentucky and Indiana, our network of participating dentists and specialists offers coverage across the country with **over half a million access points nationwide**. SDC members are encouraged to seek service from a Participating Dentist or Specialist. **You may access our directory of Participating Dentists on our website www.superiordental.com. Participating dentists are prohibited from collecting any amount beyond the assigned member responsibility and SDC's reimbursement.** Unless otherwise contracted, SDC's payments for out of network services will be directed to the Enrollee. Members receiving SDC payment for services performed by a non-participating dentist will be responsible for the full payment to that dentist. Any out of network service may be subject to a "balance bill" for any amount that the dentist's charge exceeds SDC's then current allowable amount for an eligible service.

PLAN SPECIFICS

Pre-determination of Benefits

Pre-determination of Benefits is necessary for services \$400.00 or more and for periodontal services. Alternate benefits may be received when there is more than one acceptable course of treatment.

Coordination of Benefits

SDC coordinates benefits with other carriers and with other SDC plans. SDC follows the rules established by state law for Coordination of Benefits to decide which plan pays first. The birthday rule applies for covered dependents – the parent's birthday first in the calendar year is considered the primary carrier. If a divorce has occurred, the plan follows the divorce decree.

Evidence of Coverage

Your Evidence of Coverage is on file with your employer or you may call our office to request a copy. Additional access is provided on our website at: www.superiordental.com. Important information addressed in the Evidence of Coverage includes: claims appeal procedures, exclusions, coordination of benefit rules, contact information for SDC's Member Services Team, for State Departments of Insurance, for State Dental Associations and more.

Claim Submission

All claims must be submitted and resolved within one year from the date of service to be considered for payment, regardless of enrollment status.

General SDC Information

Warning: If you or your family members are covered by more than one healthcare plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.
