UNIVERSITY

The **Student Affairs Response Team (SART)** within the Division of Student Affairs at Ohio Northern University cares about the mental, spiritual and physical well-being of every student and recognizes that circumstances outside of the classroom may impact your ability to reach academic success. Naturally, you will face a host of challenges and opportunities while striving to attain a degree. ONU understands and wants to help. Resources are readily available on and off campus to support your needs. Should you have an **urgent concern** for yourself or a fellow student, **PLEASE CONTACT 911**. Otherwise, student concerns may be brought to the attention of SART via our student of concern referral form, which can be found at [www.onu.edu/office\\_of\\_student\\_conduct/student\\_of\\_concern\\_referral\\_form](http://www.onu.edu/office_of_student_conduct/student_of_concern_referral_form).
