Dear ONU Student,

Recently the U.S. Dept. of Education passed the CARES Act: Higher Education Emergency Relief Fund to provide students with emergency financial aid grants to help cover expenses due to the COVID-19 crisis.

Ohio Northern University has received its CARES grant funding distribution and has established an application process intended to help students who have experienced unforeseen expenses due to the disruption of campus operations including food, housing, course materials, technology, health care, transportation and other related expenses. If you are an ONU student who has experienced unexpected financial hardship as a result of our campus closure and move to online classes, you are eligible to submit an [application](#) for emergency grant funding. Application consideration will begin on April 29 and will continue until funding has been exhausted. Grants will be distributed based on the specific needs presented in the application and availability of funding.

For questions about this grant funding and the application process, please contact Melanie Weaver, director of financial aid, at [m-weaver.2@onu.edu](mailto:m-weaver.2@onu.edu) or 419-772-2271.
